(m) MEDICAL EDUCATION UNIT:

Medical Education Unit is established as per the Medical Council of India circular keeping in view of the following objectives

1. **Faculty Development** – To train teachers of Medical Colleges in Educational Science and Technology and to help them in framing objectives, selecting appropriate teaching/learning techniques, instructional material and assessment devices to find out whether the objectives have been achieved or not. For this purpose workshops of 2 – 3 days duration, short duration training courses, certificate courses etc. is being arranged.
2. **To conduct and support Research in Medical Education** – This may be in the form of inquiry driven strategies in various aspects of Medical Education evolving innovative techniques in teaching and learning and their evaluation. Special emphasis to be laid on preparing self-learning modules and packages for providing clinical skills to the students.
3. To act as resource centre for educational materials and information and audio-visual media support.
4. To help in continuing Medical Education of private practitioners.
5. Policy development, coordination for furtherance of medical education by establishing task forces and consortiums.
6. Developing system of assessment/testing e.g. programme evaluation student evaluation and faculty evaluation.
7. Developing communication links e.g. newsletter, network etc.
8. Instructional design-developing curricula and providing guidelines for implementing these.
9. Horizontal Integrated Teaching for MBBS Students.
10. Vertical Interaction for Postgraduate Students.

Medical Education Technology Unit has conducted a **Faculty Development Programme Workshop** on 12th, 13th & 14th of December 2011 and imparted training for 20 freshly recruited Faculty Members of this Medical College. Dr. David SA Kumar, Professor of Physiology has attended as a special invitee and Resource Person.
