Confidential Report & Remarks

Name of Institute/College: Shri Ram Murti Smarak Institute of Medical Sciences, Bareilly (UP)  
Date of Assessment: 6-7<sup>th</sup> January 2012

Only two faculty members qualify to be postgraduate teacher as having teaching experience over eight (8) years. There are nine qualified faculty members present in the Department of Community Medicine with requisite education and qualification for UG and PG with five (5) tutors and three (3) lady Medical Officers and a Medical Officer.

The staff in the department of Community Medicine, UHC and RHTC is adequate. The department is having very good museum with recent models, specimen and public health related displays. Departmental laboratory is also well spaced as well as well equipped with adequate physical infrastructure, equipments, teaching facilities, clinical services.

Urban Health Centre and Rural Health and Training Centre is under direct control of institution, having sufficient staff, equipment and patient load for clinical and public health practice with sufficient space for teaching and training. It also has facility for residential posting for inters and PG's. Over all the institute and departmental physical, infrastructure facilities, faculty and staff are sufficient enough to start the MD (Community Medicine) course.

1. **Faculty Development** – To train teachers of Medical Colleges in Educational Science and Technology and to help them in framing objectives, selecting appropriate teaching/learning techniques, instructional material and assessment devices to find out whether the objectives have been achieved or not. For this purpose workshops of 2 – 3 days duration, short duration training courses, certificate courses etc. is being arranged.
2. **To conduct and support Research in Medical Education** – This may be in the form of inquiry driven strategies in various aspects of Medical Education evolving innovative techniques in teaching and learning and their evaluation. Special emphasis to be laid on preparing self-learning modules and packages for providing clinical skills to the students.
3. To act as resource centre for educational materials and information and audio-visual media support.
4. To help in continuing Medical Education of private practitioners.
5. Policy development, coordination for furtherance of medical education by establishing task forces and consortiums.
6. Developing system of assessment/testing e.g. programme evaluation student evaluation and faculty evaluation.
7. Developing communication links e.g. newsletter, network etc.
8. Instructional design-developing curricula and providing guidelines for implementing these.
9. Horizontal Integrated Teaching for MBBS Students.
10. Vertical Interaction for Postgraduate Students.

Medical Education Technology Unit has conducted a **Faculty Development Programme Workshop** on 12<sup>th</sup>, 13<sup>th</sup> & 14<sup>th</sup> of December 2011 and imparted training for 20 freshly recruited Faculty Members of this Medical College. Dr. David SA Kumar, Professor of Physiology has attended as a special invitee and Resource Person.
