BOARD OF GOVERNORS
IN SUPERSESSION OF MEDICAL COUNCIL OF INDIA

No. MCI-23(1)/2019-Med/ 141602

Date: 27-08-19

To
All Directors/Deans/Principals
Medical Colleges/Institutions

Subject: Online Research Methods Course for Postgraduate Students.

Dear Madams/Sirs,

Your attention is being drawn to the Notice issued by the Board Of Governors, Medical Council of India on 9th July 2019 on the above mentioned subject wherein it has been stipulated that it was mandatory for all postgraduate students admitted from the AY 2019-20 onwards to register for the online course in Research methods and complete the same before the end of their 2nd semester (copy enclosed). The details of the information bulletin and process for registration is provided on the website of the Medical Council of India: <https://www.mciindia.org/CMS/information-desk/for-students-to-study-in-india/online-research-methods-course>

The portal for registration was opened on 1.8.2019. However, it has been noted a majority of Postgraduate students of your institution have still not registered for the course. You are requested to ensure that all postgraduate students admitted this year register and complete the course in the stipulated period as detailed in the information bulletin hosted on the above mentioned MCI website. Further, not completing the course will make them ineligible for appearing for their final University examination.

You are also requested to encourage the faculty in your institution to register for this course, if they have already not done so.

Yours faithfully,

(Dr. R.K. Vats)
Secretary General
