

National Faculty Development Programme

Objective: To improve the quality of medical training by training the teachers

Aim:

- sensitize teachers about new concepts in teaching and assessment methods
- develop knowledge and clinical skills required for performing the role of competent and effective teacher, administrator, researcher and mentor
- assist clinicians to acquire competency in communication and behavioral skills
- update knowledge using modern information and research methodology tools.

1. Basic Course Workshop in Medical Education Technologies

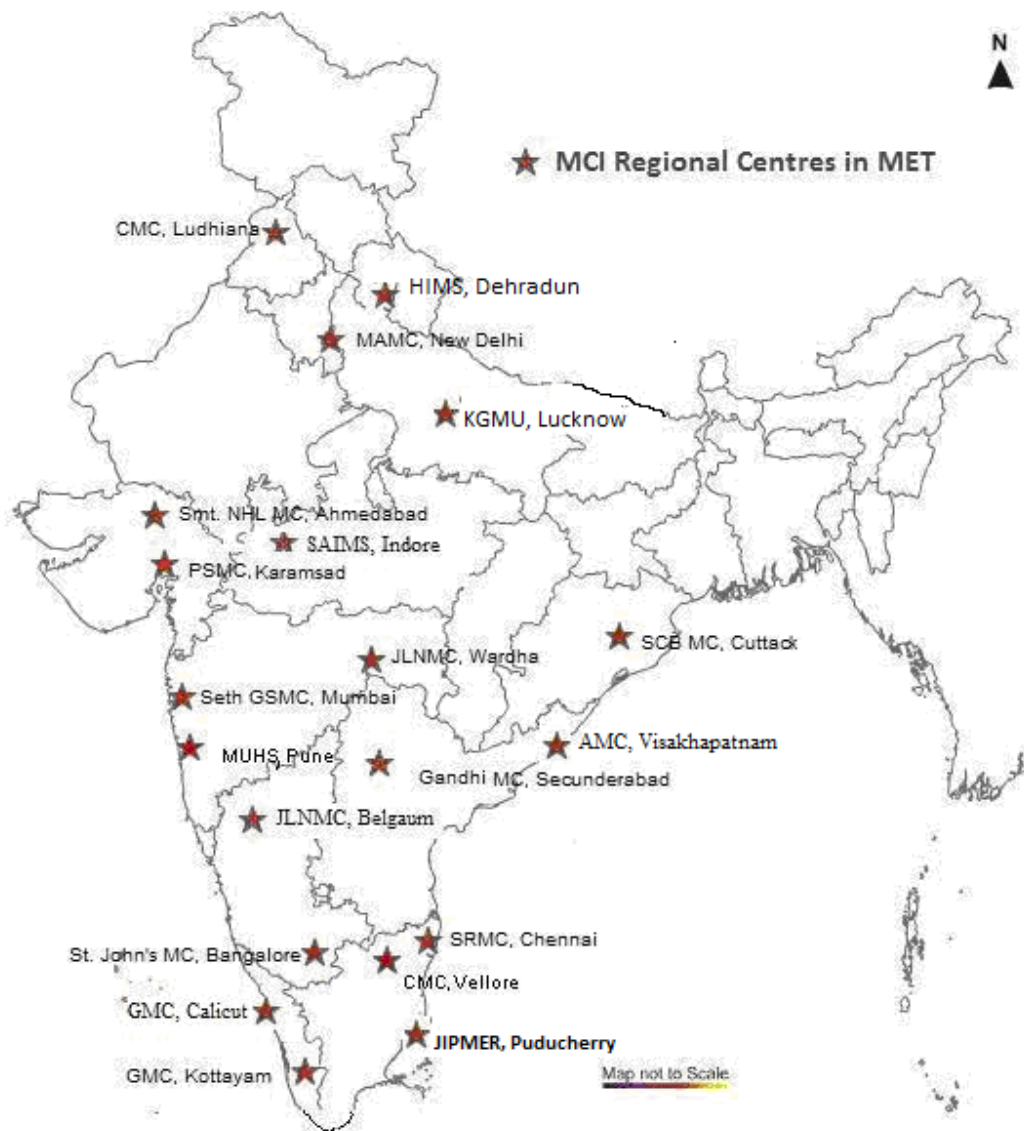

The Medical Council of India, by the MCI Regulations on Graduate Medical Education, 1997, made it mandatory for all medical colleges to establish Medical Education Units (MEUs) or departments in order to enable faculty members to avail modern education technology for teaching. In order to boost this activity, MCI has been conducting Basic Course Workshops in Medical Education Technologies through selected Regional Centres, since July 2009. These Regional Centres are located at institutions which have trained manpower in Medical Education Technologies (MET). These are:

- Christian Medical College, Ludhiana
- Jawahar Lal Nehru Medical College, Wardha
- Smt. NHL Municipal College, Ahmedabad
- Sri Ramachandra Medical College & Research Institute, Chennai
- St. John's Medical College, Bangalore
- Maulana Azad Medical College, New Delhi
- Seth GS Medical College & KEM Hospital, Mumbai
- Gandhi Medical College, Secunderabad
- Government Medical College, Kottayam
- SCB Medical College, Cuttack
- Pramukhswami Medical College, Karamsad
- Christian Medical College, Vellore
- Maharashtra University of Medical Sciences, Nashik
- Jawaharlal Nehru Medical College, Belgaum
- Sri Aurobindo Institute of Medical Sciences, Indore
- Government Medical College, Calicut
- King George's Medical University, Lucknow
- Andhra Medical College, Visakhapatnam
- Himalayan Institute of Medical Sciences, Dehradun
- Jawaharlal Institute of Postgraduate Medical Education & Research, Puducherry

The location of the Regional Centres is given below as Annexure I.

Annexure I

Location of Regional Centres

Details of total number of teachers trained by the Regional Centres are shown below:

Table: 1 Details of Medical College Teachers trained by Nodal/Regional Centres in Medical Education Technologies*

2. Advance Course in Medical Education

- **The Medical Council of India had upgraded 10 Regional Centers in MET as Nodal Centres to conduct Advance Course in Medical Education.**

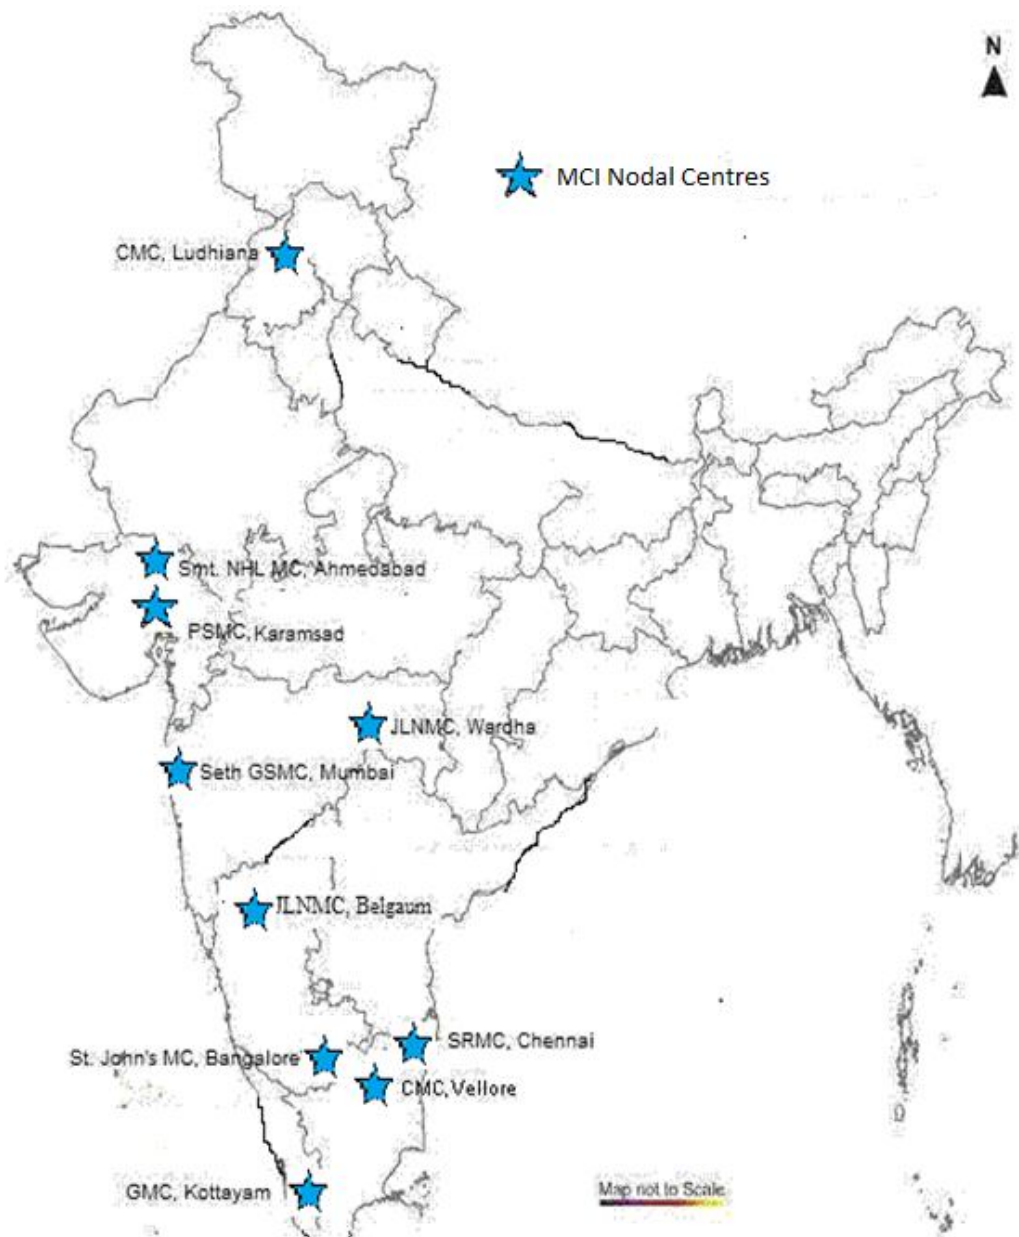

Ten Nodal Centres have been recognized by MCI. These are:

- Christian Medical College, Ludhiana
- Jawahar Lal Nehru Medical College, Wardha
- Smt. NHL Municipal College, Ahmedabad
- Sri Ramachandra Medical College & Research Institute, Chennai
- St. John's Medical College, Bangalore
- Seth GS Medical College & KEM Hospital, Mumbai
- Government Medical College, Kottayam
- Pramukhswami Medical College, Karamsad
- Christian Medical College, Vellore
- Jawaharlal Nehru Medical College, Belgaum

Medical colleges have been allocated to these Nodal Centres for training in Advance Course.

The location of the MCI Nodal Centres is given below as Annexure II.

Location of Nodal Centres for conducting Advance Course in ME

The Rules governing the conduct of the Advance Course in ME were finalized and duly approved by the Competent Authorities of the Council. The first batch of trainees (210) who became eligible to receive the Advance Course Certificate in ME was approved at the General Body meeting held on 29.03.2017. These names are as under:-

2014 A Batch

CHRISTIAN MEDICAL COLLEGE, LUDHIANA
