

No.MCI-5(3)/2002-Med.

MEDICAL COUNCIL OF INDIA

EXECUTIVE COMMITTEE

Minutes of the meeting of the Executive Committee held on Wednesday the 24th April, 2002 at 11.00 A.M. in the Council office, New Delhi.

** ** *

Present:

Maj Gen (Retd) S.P. Jhingon, Kirti Chakra, VSM - Administrator
Dr. P.C. Kesavankutty Nair
Dr. K.S. Chugh
Dr. P.M. Jadhav
Dr. S.K. Sinha
Dr. C. Das
Dr.(Mrs.) Usha Sharma

Dr.(Mrs.) M. Sachdeva – Secretary.

Proceedings of the Executive Committee meeting held on 24.04.2002

At the outset, Administrator welcomed the members of the Executive Committee.

It was informed to the Committee that Dr. K.S. Chugh has been awarded an honorary Fellowship (FRCP) by the Royal College of Physicians, London for his eminent work in Nephrology nationally and internationally. He has got the information only on 23.04.2002. Administrator and all the members congratulated Dr. Chugh for this honour.

Administrator informed that this meeting is being called as per the orders of the Hon'ble Supreme Court dated 22.04.2002 and certified copy of the court order was received in this office only in the evening at about 4.30 p.m. on 23.04.2002. He apologized for such a short notice. One of the members stated that the meeting of the EC had already been fixed for 24.04.2002 by the members to which the Administrator was fully aware and it was informed to the Hon'ble Supreme Court that there is a meeting of EC on 24.04.2002 in the Council office and the court ordered to go ahead to hold the meeting on 24.04.2002, but the Administrator stated that he was not aware of these fact.

Administrator asked the members whether we can skip the item Nos. 1 & 2 which pertain to confirmation of minutes of the EC meeting held on 31.1.2002 and action taken by the office of the Council thereon. Members inquired then why these

have been included in the agenda. They also inquired about the agenda papers which have been given to them today only. The members stated that the Administrator had fixed a meeting of the EC on 30.4.2002. Even for this meeting the agenda should have reached to them 10 days before the meeting.

The Administrator informed that these points were included as per format and practice being followed so far in the formulation of Agenda for such meetings and the request to postpone the discussion on these items to a later date was only to have more time to deliberate on pending cases in light of the following directions of the Hon'ble Supreme Court dated 22.4.2002:-

“We direct that the Executive Committee of the Medical Council of India shall hold its meeting on 24th April,2002 at 11.00 a.m. sharp and would decide all pending applications, including applications for approval, recognition, renewal of permission and letters of intent, etc. for running of the medical colleges.

The General Body of the Medical Council of India is also directed to hold its meeting on or before 1st of May,2002.”

The members pointed out about the authority for fixing the meeting of the Executive Committee. According to them as per rules and regulations they are fully authorised to fix the meeting of the Executive Committee. Administrator stated that in his opinion, it is the President who can fix the meeting of the Executive Committee. He pointed out that Regulation 4 and 39 are not applicable to the meetings of the Executive Committee which are to be governed by Regulation 46. Administrator stated that on this point a legal opinion can be obtained by the office.

The members pointed out that the recording of minutes of item No. 25 of the EC meeting held on 31.1.2002 which pertained to establishment of new medical college at Karakonam, Kerala by C.S.I. South Kerala Medical Mission, Kerala and the note written under this item regarding the confirmation of availability of beds in the departments of Obst. & Gynae. and Paediatrics. They stated that at that time it was not mentioned in the inspection report that beds are available in these departments. Accordingly, a recommendation was made by the EC not recommending the establishment of the medical college at Karakonam. They also showed a news paper cutting mentioning therein a statement of the Administrator that Rs.10 crores were demanded for recommending this college. They wanted to know the name of the person who told all these to Administrator. In fact, they wanted that the matter should be investigated by the

CBI. Administrator clarified that he received phone calls and he has the mobile number also, but the members objected to it and stated that without ascertaining the facts the Administrator should not have given this statement. They also stated that they felt very much humiliated about this statement of Administrator as they are eminent persons in their fields. They also objected to another statement of the Administrator that EC members and some officers of the Council are creating hurdles in removing corruption from the Council office. They took very serious view to these statements of the Administrator. They wanted to know the action taken by the Administrator at his own level before giving this statement to the press without ascertaining the facts. They were of the opinion that the Administrator should clarify the facts to press. However, it was informed that the statements of the Administrator are being challenged by some members in the court.

As regards the statement of Administrator that EC members and some officers of the Council are creating hurdles in removing corruption from the Council office, they wanted to know from the Administrator the points on which they had created so called "hurdles".

Dr. K.S. Chugh, a member of the Executive Committee pointed out that when the meeting of the Executive Committee was fixed by the Members for 24th April, 2002 why the agenda papers were not sent to them? Leave aside, agenda being sent for 24th meeting, even for the notice given for the meeting to be held on 30th April, 2002 on the direction of the Administrator, the agenda papers should have been dispatched to the members of the Executive Committee latest by 20th April.

The members informed that the action of the office for handing over the agenda papers to them on the day of the meeting on table i.e. 24th April is regretful.

The Members of the Executive Committee expressed their anguish on the treatment meted to them on the day of the Executive Committee meeting on 4th March, 2002. Before the meeting, the members of the Executive Committee conveyed to the Administrator that they would like to meet him and remove any misunderstandings in the interest of smooth functioning of the Council. While standing outside the office of the Administrator, they were informed by a Peon that the Administrator would not like to meet them. Following this, the Executive Committee had its meeting under the Chairmanship of the Vice President, Dr. Kesavankutty Nair. In that meeting the members of the Executive Committee were denied of even secretarial assistance and

therefore they had to write the minutes in long hand which were submitted after signatures, to Dr. Sachdeva, the Secretary of the MCI.

Administrator clarified that no disrespect was intended and he had requested the Vice-President to meet him which he refused as all the members wanted to meet the Administrator together. The Administrator said that he had a bitter experience of their meeting on 18.2.2002 and declaring their tape recording/listening session as Executive Committee meeting.

The members of the Executive Committee had read a press statement which had appeared in one of the newspapers Indian Express dated 28th of March. It had been stated there that some members of the MCI had demanded Rs. 10 crores for clearance of CSI Hospital, Karakonam. The members requested the President to let them know who in the Executive Committee or in the Council Office were involved in this demand and whether the President / Administrator had conducted any enquiry in this regard before making a press statement. The President informed that he had not done so. The members requested him to kindly go into the details of this matter and inform the same in the next meeting of the Executive Committee.

It was also mentioned in the press statement that “for every decision taken by the Administrator to remove corruption in the office of the MCI, hurdles are created deliberately at each end and every step by the members of the Executive Committee and some officers of MCI.” The members requested the Administrator to inform the Committee as to who were the members who were creating hurdles and the justification of the statement thereof.

Administrator informed that he has filed an IA before the Hon'ble Supreme Court.

Right at the outset, the Administrator wanted to delete item No. 1 & 2 from the agenda for discussions. The members did not agree and requested the President/Administrator that the items listed in the agenda should be discussed.

In the meeting of 18th February, the minutes of the meeting held on 31st January, 2002 sent by the Administrator were not approved. Several objections were raised by various members during the proceeding of the meeting held on February 18. The members unanimously felt that the decisions taken by the Executive Committee unanimously should be implemented if not already done.

The minutes of the meeting held on 4th March, 2002 are taken to be already confirmed since they were signed by all the members of the Executive Committee who attended that meeting and minutes were submitted to the Secretary, MCI on the same day. It was pointed out that action on some of the items had already been taken by the Government based on the resolutions passed by the Executive Committee on February, 18 and March 4, 2002.

The Administrator informed that the meetings held by members of the Executive Committee on 18th February 02 and 4th March, 02 were declared 'illegal' and the Central Government has also been requested not to take any cognizance and take any action on the decisions arrived at. With respect to the decisions taken by the Central Government, communication to the Central Government protesting against decision in most cases have already been sent. As regards the discourtesy shown to the members on 4th March, 02, the Administrator offered an apology for the discourtesy as stated neither were known to him nor the discourtesy was intended. As the meetings on both the occasions i.e. 18th February and 4th March were not called nor any notice/agenda was circulated by the Administrator he did not take any note of the assembly of the members of the Executive Committee and declared both the meetings illegal.

Members unanimously objected to the statement of the Administrator that the meetings held on 18th February and 4th March were illegal. The meetings were held as per the rules and regulations of the Council. The information for holding these meetings was given to the MCI. The meeting of 18th February was fixed in the meeting of 31st January and for 4th March on 18th February meeting and both the meetings were valid, as per MCI Rules & Regulations.

The Executive Committee members informed the Administrator that the meeting being held today i.e. 24th April, 2002 was also proposed by the members of the Executive Committee which was approved by the Hon'ble Court during arguments. The decision sent to the Administrator for fixing the meeting on 24th April, 2002 as proposed by the Executive Committee disapproving the meeting of the Executive Committee fixed by the Administrator for the 30th April, 2002. On the other hand, the Court directed the MCI to hold General Body of the Council on or before 1st May.

The members of the Executive Committee in several communications to the Secretary, MCI had pointed out that many cases, which were being delayed and were being sent for individual opinions by circulation and were required to be discussed during

the meetings of the Executive Committee. Yet no meeting had been fixed after 31st January, 2002 by the Administrator except 30th of April, 2002.

The Administrator informed that he is not aware of any other decision taken by the Hon'ble Supreme Court except the order of the Hon'ble Supreme Court dated 22.4.2002, of which a certified true copy is available according to which the meeting of the Executive Committee is to be held on 24.4.2002 to decide all pending applications, including applications for approval, recognition, renewal of permission and letters of intent, etc. for running of the medical colleges.

1. **Minutes of last meeting of the Executive Committee – Confirmation of**

The minutes of the meeting of the Executive Committee held on 31.1.2002 were not confirmed in light of the fact that they were not prepared as per the actual discussions held in the meeting and according to members were distorted.

2. **Minutes of the last meeting of the Executive Committee – Action taken thereon.**

Regarding the action taken on the minutes of the meetings of the Executive Committee held on 31.1.2002, 18.02.2002 and 04.03.2002, the Executive Committee had unanimously decided and directed as under:-

1. The Executive Committee had decided and directed the office of the Council to continue to engage Mr. Harish Salve, Learned Solicitor General of India; Mr. Mukul Rohtagi, Learned Additional Solicitor General of India; Mr. Kirit Rawal, Learned Additional Solicitor General of India and Shri Navin Prakash, Advocate, Shri Maninder Singh, Advocate and Mr. A. Mariarputham, Advocate for the conduct of its legal cases and for defending the rules and regulations of the MCI by putting all efforts. Whenever the office of the Council needs a legal opinion for any issue, Mr. Harish Salve, Learned Solicitor General of India, Mr. Mukul Rohtagi or Mr. Kirit Rawal, Learned Additional Solicitor General of India should be approached for their valuable opinion.

2. The Executive Committee had further resolved that since a serious issue regarding the decisions taken by the General Body of the Council in its meeting held on 21st and 22nd June, 2001 is pending before the Hon'ble Supreme Court where, on the recommendations of the Council, the Central Govt. had taken decisions in relation to certain colleges. The Hon'ble Uttranchal High Court had passed an order for reversing this position when it has been advised that the Hon'ble Uttranchal High Court had no territorial jurisdiction to pass any order against the Central Government or the MCI in

such matters. Mr. Harish Salve, Learned Solicitor General of India is appearing for the Central Govt. in those appeals against the orders of the Hon'ble Uttaranchal High Court and Mr. Mukul Rohtagi, Learned Additional Solicitor General of India has been appearing on behalf of the MCI. The office of the Council is directed that Mr. Mukul Rohtagi, Learned Additional Solicitor General of India should be approached well in time for contesting these litigations on behalf of the MCI.

3. The Committee also decided that the members who have filed the SLP before the Hon'ble Supreme Court will bear their own legal expenses. Similarly the Executive Committee unanimously decided that the lawyers who were appointed by the Administrator will not be paid by the Council and will be paid by the Administrator.

4. The Executive Committee had also unanimously decided and directed the Secretary of the Council to withdraw the letter dated 21.1.2002 addressed to the members of the inspection team which were suppose to accompany the Whole-time Inspectors or alone in accordance with the rules and regulations.

5. Following Inspectors are appointed by the EC for inspection of medical college at Karimnagar:

1. Dr. Chander Shekhar Shetty, Bangalore
2. Dr. K.V. Bhatt
3. Dr. R.D. Bansal, Whole-time Inspector.

6. Following Inspectors are appointed by the EC for inspection of medical college at Kuppam:

1. Dr. D.K. Sharma, Meerut
2. Dr. K. Ananda Kannan
3. Dr. C.A. Desai

7. The Committee had also decided to withdraw the powers which were earlier given to the President and reiterated that in future inspection teams shall be appointed by the EC as per the rules and regulations of the Council.

8. The Committee today, the 24.04.2002 again directed the office of the Council that the letters be sent immediately to the Advocates as noted above and also withdraw the

letter dated 21.1.2002 addressed to the members not to go ahead as a member of the inspection team.

Administrator observed that the procedure followed by the members of the Executive Committee who spent most of their time in dictating the minutes on the spot as also correcting the typed pages was against the laid down procedure.

9. The Administrator has not taken any action on the points raised by the members of the Executive Committee and these points will be examined and wherever legal opinion is required will be taken. As regards panel of Advocates, there is no record of any panel which have been approved either by the General Body or the Executive Committee in the previous EC meetings. The minutes dated 12.6.2001 of the special meeting of the EC have been declared invalid.

10. The Executive Committee unanimously felt that the Administrator, until and unless directed by the EC, cannot go as Inspector. From 25.04.2002 onwards the inspection team will be fixed by the EC. Even the cases which are going to be discussed by the EC today, the inspectors were not appointed by the EC according to rules and regulations. However, since a delay had already taken place in taking decisions with regard to various colleges, urgent recommendations have become necessary and also in deference to the orders of the Hon'ble Supreme Court dated 22.4.2002, the EC agreed to consider these inspection reports with the condition that the recommendations so given by the EC in each case on the presumption that the office will forward these recommendations of the EC to the Central Govt. after obtaining the opinion in this regard from the Ld. Solicitor General of India or Ld. Additional Solicitor General of India for a legal opinion. The opinion so obtained should be communicated to the EC meeting which will be held on 30th April,2002 at 10.00 a.m. In order to avoid controversy in this regard in future and to carry out the inspection in accordance with the rules and regulations of MCI which require the constitution of inspections team should be done by the EC.

The Administrator did not agree with the members that the members of the Council can be detailed as Inspectors. He further stated that to project a clean image of the MCI, the members should not be detailed as Inspectors and the restriction imposed by him should continue.

11. Office of the Council is directed that all applications in which inspection is necessary and are to be carried out after the 25.4.2002 in postgraduate and undergraduate cases, a complete list of colleges shall be made available in the next meeting of the EC to be held at 10.00 a.m. on 30.4.2002 on which date the members of the EC are otherwise assembling for the General Body meeting in accordance with the orders of the Hon'ble Supreme Court.

12. The office is also directed that the legal opinion which will be obtained from the Ld. Solicitor General of India or the Ld. Additional Solicitor General of India on the question whether the EC is permitted in law to consider these inspection reports which are going to be discussed today for which the inspection teams have not been constituted by the EC shall also be placed before this meeting.

13. The Administrator brought before the EC the list of inspectors appointed to date for the inspection starting from 19.2.2002 and the inspections which have already been planned and the inspectors nominated for approval by the EC. However, the EC desired that the same be put up before them on 30.4.2002. The members requested the Administrator to hand over a copy of the list to each member so that in the coming 4 days they can go through the bio-data of the proposed inspectors. For the time being no decision has been taken on the list.

14. Administrator informed the members that the delay in carrying out the inspections as a result of the decision taken by the Executive Committee today not to accept the inspectors appointed by the Administrator will be explained by the Executive Committee members themselves.

3. **Approval of Maharashtra Instt. of Medical Education & Research, Talegaon for the award of MBBS degree granted by Pune University.**

Read : The matter with regard to approval of Maharashtra Instt. of Medical Education & Research, Talegaon for the award of MBBS degree granted by Pune University along with the information received from the college authorities as desired by the Executive Committee Committee at its meeting held on 31/1/2002.

The Executive Committee noted that the matter regarding recognition of Maharashtra Instt. of Medical Education & Research, Talegaon for the award of MBBS degree granted by Pune University was considered by it at its meeting held on 31.1.2002. During that meeting it was noted that the CATSCAN & DIALYSIS machine have not yet been installed though the order for the same was placed and advance payment has been made and they were expected to be installed soon. It was also decided to obtain the information from the college authorities as to whether the same have been installed now or not as the same is required as per norms of the Council and the item be brought back to the Executive Committee for its consideration.

The Committee further noted the letter dated 07.03.2002 of the Dean of the college authorities and also the fax letter dated 24.04.2002 wherein it has been informed that the Dialysis machine has been received and installation process is on which will be completed within few days time and installation of CATSCAN has already started and will be completed by June, 2002.

In view of the above facts, the Committee decided to verify the same and to place the verification report before the Executive Committee to be held on 01.05.2002. The verification be carried out immediately by following inspectors:-

Dr. R.D. Bansal, Whole-time Inspector
Dr. Mukesh Kumar Sharma, Jaipur

Administrator observed that CATSCAN and dialysis machine were not insisted upon earlier for granting recognition to other colleges and singling out amounts to unjustification.

4. **Renewal of permission/approval of Sri Guru Ram Das Instt. of Medical Sciences & Research, Sri Amritsar for the award of MBBS degree granted by Baba Farid University of Health Sciences, Faridkot.**

Read : The compliance report received through the Central Govt. vide its letter dated 8/4/2002 on rectification of the deficiencies pointed out in the inspection report (Dec., 2001) for renewal of permission for admission of 6th batch/approval of Sri Guru Ram Das Instt. of Medical Sciences & Research, Sri Amritsar for the award of MBBS degree granted by Baba Farid University of Health Sciences, Faridkot.

The Executive Committee considered the letter dated 29.3.2002 of the Director-Principal of the college submitting therewith the pointwise clarifications on the observations made in the inspection report.

The Committee noted that the institution authorities have modified/changed the project report and have now informed that a new hospital of 993 beds capacity was envisaged only for future expansion and that as far as 50 annual admissions are concerned the existing 400 bedded Sri Guru Ram Das Charitable Hospital, Amritsar is presently existing. The Committee also noted the contention of the authorities that the idea of new hospital is being dropped and the existing 400 bedded hospital shall continue to function which amount to change of the project report in this aspect.

As regards the hostel, the Committee noted that the institutional authorities have informed that the existing hostel with 200 seats capacity each is existing and the question of completing the third hostel for girls shall arise only in future when the number of admissions shall be proposed to increase. Regarding the mechanised laundry and the rest of the deficiencies they have since been complied.

After much deliberations in the matter, the Committee decided to recommend to the Central Govt. to renew the permission for 50 admissions at Sri Guru Ram Das Instt. of Medical Sciences & Research, Sri Amritsar for the academic year 2002-2003 u/s 10A of the I.M.C. Act, 1956.

The Committee also decided that as far as the infrastructure facilities required for consideration of an institution for recognition/approval is concerned the institution i.e. Sri Guru Ram Das Instt. of Medical Sciences & Research, Sri Amritsar is meeting with the requirements. However, as the institution has changed the original project report as far as hospital is concerned i.e. they would like to continue with the existing 400 bedded hospital and the hospital of 993 beds capacity which was being built up is envisaged

only for future expansion, it was decided that acceptance of change of the project report at this stage cannot be considered by the Medical Council of India. However Central Govt. may take a decision in this regard i.e. regarding recognition.

5. (I) **Approval of Acharya Shri Chander College of Medical Sciences & Hospital for the award of MBBS degree granted by Jammu University.**
(II) **Renewal of permission for admission of students for the academic session 2002-2003 (7th batch).**

Read : The Council Inspectors report (13th – 15th March, 2002) carried out to assess the physical and other teaching facilities along with the standard of examination held by Jammu University for renewal of permission/approval of Acharya Shri Chander College of Medical Sciences & Hospital for the award of MBBS degree granted by Jammu University.

The Executive Committee noted that Acharya Shri Chander College of Medical Sciences & Hospital was established u/s 10A of the IMC Act, 1956. Ist batch of students was admitted at the college for the academic year 1996-97 after getting the permission by the Central Govt. This permission was subsequently renewed by the Central Govt. for admission upto 6th batch of students i.e. for the academic session 2001-2002.

The Committee further noted that on receipt of request of the University through the Central Govt. as required u/s 11(2) of the Indian Medical Council Act, 1956 an inspection to assess the physical and other teaching facilities along with the standard of examination held by the University for recognition of the college was carried out on behalf of the Council on 13th – 15th March, 2002.

Upon consideration of the inspection report (13th –15th March, 2002), the Committee decided to recommend that Acharaya Shri Chander College of Medical Sciences be approved for the award of MBBS degree granted by Jammu University with an annual intake of 100 students.

It also decided to recommend to the Central Govt. to renew the permission for admission of 7th batch of students i.e. for the academic year 2002-2003 with an annual intake of 100 students at Acharaya Shri Chander College of Medical Sciences, Jammu.

6. **Approval of Academy of Medical Sciences, Pariyaram, Kannur for the award of MBBS degree granted by Calicut University.**

Read : The matter with regard to approval of Academy of Medical Sciences, Pariyaram Kannur for the award of MBBS degree granted by Calicut University along with the information received from the college authorities as sought by the Executive Committee at its meeting held on 31/1/2002.

The Executive Committee noted that the matter of approval of Academy of Medical Sciences, Pariyaram, Kannur for the award of MBBS degree granted by Calicut University has again been included in the agenda for the meeting of the Committee on 24.04.2002 whereas the matter had already been decided by it at its meeting held on 04.03.2002 recommending approval of Academy of Medical Sciences, Pariyaram, Kannur for the award of MBBS degree granted by Calicut University with annual intake of 100 (hundred) admissions.

The Committee further noted that the Central Govt. vide its letter dated 08.03.2002 has renewed the permission for admission of 7th batch of students at Academy of Medical Sciences, Pariyaram, Kannur for the academic session 2001-2002 with 100 admissions.

The decision taken by the Executive Committee at its meeting held on 04.03.2002 be placed before the Council for its consideration.

The Administrator, however, again informed that the meeting of the Executive Committee held on 04.03.2002 was declared by him as illegal.

7. **Recognition of J.N. Medical College, Aligarh for the award of MBBS degree granted by Aligarh Muslim University for the increased number of seats i.e. 100 to 150.**

Read : The matter with regard to approval of J.N. Medical College, Aligarh for the award of MBBS degree granted by Aligarh Muslim University for the increased number of seats i.e. 100 to 150 along with the information received from the college authorities as sought by the Executive Committee at its meeting held on 31/1/2002.

The Executive Committee noted that application for increase of MBBS seats at J.L.N. Medical College, Aligarh u/s 10A of the IMC Act, 1956 was received through the Central Govt. vide its letter dated 16th Feb., 1996. As per recommendations of the Council the Central Govt. vide its letter dated 15/10/1996 had issued LOI for increase of seats and LOP on 7/11/97 for the said increase with prospective effect for a period of one year. This permission for increase of seats was renewed by the Central Govt. vide letter 16/12/1998 for a further period of one year i.e 1998-99. An inspection for renewal of permission for admission of 3rd batch of students against the increased intake was carried out by the Council Inspectors on 10th & 11th August, 2000 and the inspection report was considered by the Executive Committee at its meeting held on 8th Sept., 2000. The Committee upon consideration of the inspection report decided to renew the permission for the 3rd batch against the increased intake (100 to 150) at the college for the academic session 2000-2001. The Committee further decided that the matter with regard to admissions made by the college authorities against the increased intake during the academic sessions 1996-97 and 1999-2000 without obtaining prior permission of the Central Govt. may be decided by the Govt. before renewal of permission is granted for increase of seats for the academic session 2000-2001. The Central Govt. vide its letter dated 2nd Nov., 2000 had conveyed its approval for admission of 3rd batch of students during the academic session 2000-2001 and vide letter dated 14th Dec., 2000 had conveyed its approval for adjustment of excess admissions made by the college authorities (i.e 89 admissions) over a period of five years beginning from 2001-2002 by reducing equal number of seats in the following manner:-

2001-2002	-	17 students
2002-2003	-	17 students
2003-2004	-	17 students
2004-2005	-	18 students
2005-2006	-	20 students.

The above neutralization of admissions will be subject to the annual renewal of permission for 150 admissions in these five years or till the college is regularised by the Medical Council of India for 150 admissions whichever is earlier.

The Committee further noted that Ist batch of the students admitted against the increased intake was appeared in the final MBBS examination in Dec., 2001 and on receipt of request of the Registrar, Aligarh Muslim University through the Central Govt. u/s 11(2) of the IMC Act, 1956, an inspection to assess the facilities available at the

college for the proposed increased along with the standard of examination held by the University was carried out by the Council Inspectors on 20th – 22nd Dec., 2001

Upon consideration of the Council Inspectors report (20th – 22nd Dec., 2001) decided to recommend that J.N. Medical College, Aligarh be approved/recognised for the award of MBBS degree granted by Aligarh Muslim University for the increased number of seats from 100 to 150.

However, the college authorities have to adjust the excess admissions made by them as per the Central Govt. letter dated 14th Dec., 2000 from the academic year 2002-2003 to 2005-2006.

8. **Establishment of Medical College at Ghanpur, Ranga Reddy Distt., A.P. by Mediciti Share Medical Care, Hyderabad .**

Read : The compliance verification inspection report (9th & 10th April, 2002) for establishment of Medical College at Ghanpur, Ranga Reddy Distt., A.P. by Mediciti Share Medical Care, Hyderabad .

The Executive Committee considered the compliance verification inspection report (9th & 10th April, 2002) and decided to recommend to the Central Govt. to issue Letter of Permission for establishment of Medical College at Ghanpur, Ranga Reddy Distt., A.P. by Mediciti Share Medical Care, Hyderabad with an annual intake of 100 (hundred) students u/s 10A of the I.M.C. Act,1956 for the academic session 2002-2003.”

9. **Establishment of new medical college at Valia Gujarat by Sitaram Seva Trust Valia.**

Read : The Council Inspectors report (30th & 31st Jan., 2002) for establishment of medical college at Valia Gujrat by Sitaram Seva Trust Valia.

The Executive Committee considered the Council Inspectors report (30th & 31st Jan.,2002) and decided to recommend to the Central Govt. to issue Letter of Intent for establishment of medical college at Valia Gujrat by Sitaram Seva Trust Valia u/s 10A of the I.M.C. Act,1956 with an annual intake of 100 (hundred) students for the academic session 2002-2003.

10. **K.S. Hegde Medical Academy at Mangalore by NIITE Educational Trust, Mangalore - renewal of permission for admission of 4th batch of students.**

Read : The Council Inspectors report (17th & 18th Jan., 2002) for renewal of permission for admission of 4th batch of students at K.S. Hegde Medical Academy at Mangalore by NIITE Educational Trust, Mangalore.

The Executive Committee considered the Council Inspectors report (17th & 18th Jan.,2002) and noted the following:-

1. The institution at present has 3 Rural Health Centres attached to it. These centres are under the administrative and financial control of Govt. of Karnataka. In order to develop the required facilities for training of students and interns as per the Council norms, the institution must develop Rural Health Training Centre of its own.
2. The following deficiencies which were pointed out during the previous inspection carried out on (7th & 8th March,2001) are still to be rectified:-
 - a) Residential quarters for para-medical, technical and clerical staff.

- b) Establishment of separate central sterilization department.
 - c) Mechanized laundry and hospital kitchen for patients.
3. The ICU should be provided with the required emergency equipment and nursing staff, as per Council norms.
 4. Regarding clinical material the average daily OPD attendance should be 700 per day for admission of 4th batch of students.

The number of deliveries are on average 2 (normal and abnormal) per day which is grossly inadequate for 100 annual admissions.
 5. Other observations/deficiencies pointed out in the inspection report.

In view of above, the Executive Committee decided to recommend to the Central Govt. not to renew the permission for admission of 4th batch of students at K.S. Hedge Medical Academy, Mangalore by NIITE Educational Trust, Mangalore u/s 10A of the I.M.C. Act, 1956.

11. Subharti Medical College, Meerut - renewal of permission for admission of 2nd batch of students.

Read : The Council Inspector report (7th & 8th Jan., 2002) for renewal of permission for admission of 2nd batch of students at Subharti Medical College, Meerut.

The Executive Committee noted that the matter of renewal of permission for admission of 2nd batch of students at Subharti Medical College, Meerut has again been included in the agenda for the meeting of the Committee on 24.04.2002 whereas the matter had already been decided by it at its meeting held on 18.02.2002 recommending renewal of permission for admission of 2nd batch of students at Subharati Medical College, Meerut with annual intake of 100 (hundred) admissions.

The Committee further noted that the Central Govt. vide its letter dated 27.02.2002 has renewed the permission for admission of 2nd batch of students at Subharati Medical College, Meerut for the academic session 2001-2002 with 100 admissions.

The Administrator, however, informed that the meeting of the Executive Committee held on 18.02.2002 was declared by him as illegal.

12. Era Lucknow Medical College, Lucknow - renewal of permission for admission of 2nd batch of students.

Read : The Council Inspector report (10th & 11th Jan., 2002) for renewal of permission for admission of 2nd batch of students at Era Lucknow Medical College, Lucknow.

The Executive Committee noted that the matter of renewal of permission for admission of 2nd batch of students at Era Lucknow Medical College, Lucknow has again been included in the agenda for the meeting of the Committee on 24.04.2002 whereas the matter had already been decided by it at its meeting held on 18.02.2002 recommending

renewal of permission for admission of 2nd batch of students at Era Lucknow Medical College, Lucknow with annual intake of 100 (hundred) admissions.

The Committee further noted that the Central Govt. vide its letter dated 27.02.2002 has renewed the permission for admission of 2nd batch of students at Era Lucknow Medical College, Lucknow for the academic session 2001-2002 with 100 admissions.

The Administrator, however, informed that the meeting of the Executive Committee held on 18.02.2002 was declared by him as illegal.

13. Vinayaka Missions Medical College, Karaikal - renewal of permission for admission of 5th batch of students

Read : The compliance verification inspection report (19th & 20th Feb., 2002) for renewal of permission for admission of 5th batch of students at Vinayaka Missions Medical College, Karaikal.

The Executive Committee considered the compliance verification inspection report (19th & 20th Feb., 2002) carried out on rectification of the deficiencies pointed out in the previous inspection report (20th & 21st Sept., 2001) and noted the following:-

1. The college and hospital is getting water supply from the Municipal Corporation of Karaikal. However, as informed the water supply is not at all sufficient for the requirements of the institution. The institution is supplying water through water tankers as per the daily requirement of the institution and that 10 to 12 water tankers are needed daily at present. The institution is also harvesting the rain water. However, there is no water filtration/purification plant in the institution. The institution needs to make a definite and regular arrangement for adequate and safe water supply which is very essential for hospital use to avoid any infection.
2. **Health Centers:** As per the information given only Rural Health Center Vizhithiyur and Karaikal Medu Urban Health Center have been attached officially by the Govt. of Pondicherry to the Medical College for training of medical students and interns. As per the MCI Regulations the institution needs to own/attach 3 Rural Health Centers and one Urban Health Center. Hence the institution needs to attach another two rural health centers for the field teaching/training programmes specially for the interns. Moreover, no residential arrangement has been made for the lodging and boarding of interns in any of the rural health centers. The same needs to be done.
3. **Hostels:** There are 62 rooms in girls hostel and 63 rooms in boys hostel. The hostels had just been completed, however, water pipe connection of the Municipal Corporation has not been made so far and the water to the hostels is being arranged through water tankers. The electric connection has also not been given and on the day of inspection the light in the hostels was through a generator. The mess in both the hostels as well as recreation/common room are yet not functional. The hostel rooms have been constructed for the stay of two students. However, the institution has put 3 students in each room. The ward robes need to be provided in each room alongwith bigger tables. The mattresses also need to be provided with the bed. There is a need to provide street lighting from the college/hospital upto the hostels. The total hostel accommodation is still short for the required 500 students which need to be provided.
4. **Residential Quarters for staff:** 40 units of residential quarters and the residence for Principal/Dean and Medical Superintendent are almost ready. However, the

water connection from the Municipal Corpn. as well as electric connection has not been given yet and these quarters are not occupied as yet.

5. **Nursing Stations:** A very small table and a chair had been put in the ward and made as Nursing station. A proper nursing station needs to be made so that registers, patient records, equipment, medicine is kept properly.
6. **OPD facilities:** In ENT OPD demonstration room and procedure room have been combined. These need to be in separate rooms. The audiometry room is still not sound proof. In Paed. OPD the immunization room does not have the facility of fridge/ILR to maintain the proper and adequate cold chain of the vaccines.
7. **Equipments:** There is a need to add equipment like TreadMill, ECHO, Pulmonary function tests and endoscopes in the institution.

Still there are no capnograph, there is only one defibrillator for all the operation theatres. The OTs need to be equipped properly.

8. **Paediatric ICU:** There is no ventilator and there is no proper isolation of the patients in this unit as it immediately opens into the ward. This needs to be corrected.
9. **Staff rooms:** The Staff rooms have been provided with a very small table and a chair and it appeared that most of the staff rooms are not being utilized by the staff members. These need to be furnished adequately and properly.
10. **Central Sterilization Services:** Not available.
11. **Central Laundry:** is not properly functional as at present there is only one set of washing machine/dryer.
12. **Quarters for interns, nursing staff and other Sr./Jr. residents/Demonstrators:** 14 rooms with 3 beds each have been provided for nurses in the hospital. The Hospital which can accommodate only 42 nurses. However, there are no wardrobes in these rooms. The mess is also still not functional. The interns hostel is not provided with wardrobes and the tables supplied are too small. The mess is yet to become functional.

No quarters/hostel facilities are available for the Jr. Residents/Sr.Residents/ Demonstrators/Tutors.

13. **Pre-Clinical/Para Clinical departments deficiencies:**

Deptt. of Physiology: The Amphibian laboratory and Mammalian laboratory have been removed. The explanation given by the HOD was that the demonstrations are given by bringing out the equipment in the Haematology lab. itself. As per the regulations, separate Amphibian and Mammalian laboratories are required.

Deptt. of Forensic Medicine: The demonstration room is having 36 chairs instead of the required 50 chairs. The required laboratory in the deptt. is shared with the lab. of Pathology department. There is no research laboratory.

14. Other observations/deficiencies pointed out in the report.

In view of above, the Executive Committee decided to recommend to the Central Govt. not to renew the permission for admission of 5th batch of students at Vinayaka Mission's Medical College, Karaikal, Pondicherry u/s 10A of the I.M.C. Act,1956.”

14. Aarupadai Veedu Medical College – Renewal of permission for admission of 2nd batch of students for the academic year 2001-2002.

Read : The Council Inspectors report (9th & 10th April,2002) for renewal of permission for admission of 5th batch of students at Aarupadai Veedu Medical College, Pondicherry.

The Executive Committee considered the Council Inspectors report (9th & 10th April,2002) and decided to recommend to the Central Govt. to renew the permission for admission of 2nd batch of students at Aarupadai Veedu Medical College, Pondicherry with an annual intake of 100 (hundred) students u/s 10A of the I.M.C. Act,1956 for the academic session 2002-2003.”

15. Naryana Medical College, Nellore - Renewal of permission for admission of 4th batch of students during 2002-03.

Read : The Council Inspectors report (20th & 21st March, 2002) for renewal of permission for admission of 4th batch of students at Naryana Medical College, Nellore.

The Executive Committee considered the Council Inspectors report (20th & 21st March,2002) and decided to recommend to the Central Govt. to renew the permission for admission of 4th batch of students at Naryana Medical College, Nellore with an annual intake of 100 (hundred) students u/s 10A of the I.M.C. Act,1956 for the academic session 2002-2003.

16. Kamineni Instt. of Medical Sciences, Sreepuram, Narketpally, Nalgonda, A.P. - renewal of permission for admission of 4th batch of students.

Read : The Council Inspectors report (25th & 26th March, 2002) for renewal of permission for admission of 4th batch of students at Kamineni Instt. of Medical Sciences, Narketpally, Nalgonda.

The Executive Committee considered the Council Inspectors report (25th & 26th March,2002) and decided to recommend to the Central Govt. to renew the permission for admission of 4th batch of students at Kamineni Instt. of Medical Sciences, Sreepuram, Narketpally, Nalgonda, A.P., with an annual intake of 100 (hundred) students u/s 10A of the I.M.C. Act,1956 for the academic session 2002-2003.

17. Yenepoya Medical College, Mangaloe – Renewal of Permission for admission of 4th batch of students.

Read : The Council Inspectors report (18th & 19th April, 2002) for renewal of permission for admission of 4th batch of students at Yenepoya Medical College, Mangalore.

The Executive Committee considered the Council Inspector's report (18th & 19th April,2002) and noted the following:-

1. that the teaching beds and units though are as per MCI norms however there is mixing of beds for different specialities. Individual department beds need to be kept in continuity in one place.

Side lockers with beds are not available and need to be provided.

2. The record maintenance at staff nurses level and indoor patient record, treatment and supervision by faculty members needs improvement.
3. Staff room and teaching areas need to be furnished by providing proper furniture.
4. Since the shifting of the hospital into the college campus from the city of Mangalore from November,2001 to March,2002 the institution has not started performing surgeries as the operation theatres in the new hospital has still not become functional.
5. Operation theatre:
There are 5 operation theatres (Major-3, Minor-2) against the requirement of 8 at the time of 4th batch permission. The other operation theatres are under construction and are likely to become functional by August,2002. Out of these 5 operation theatres, 3 major operation theatres are likely to start functioning by ending April,2002.
6. One labour room and eclampsia room have been located inside the OT area. These need to be located near the Obst. & Gynae. O.T. but not inside the OT area to avoid infection. There is a need to have a separate septic room.
7. Blood Bank though has been established but is yet to start functioning.
8. In the Forensic Medicine department so far no permission has been obtained from the State Govt. for conduct of postmortems. This needs to be done urgently.
9. As per the project report, the institution has to built auditorium and residential quarters in the campus for teaching staff, para medical nursing and junior/senior residents.
10. Other observations/deficiencies pointed out in the inspection report.

In view of above, the Committee decided to recommend to the Central Govt. not to renew the permission for admission of 4th batch of students at Yenopaya Medical College, Mangalore u/s 10A of the I.M.C. Act,1956.

18. Fr. Muller's Medical College, Mangalore - Renewal of Permission for admission of 4th batch of students.

Read : The Council Inspectors report (16th & 17th April, 2002) for renewal of permission for admission of 4th batch of students at Fr. Muller's Medical College, Mangalore.

The Executive Committee considered the Council Inspectors report (16th & 17th April,2002) and decided to recommend to the Central Govt. to renew the permission for admission of 4th batch of students at Fr. Muller's Medical College, Mangalore with an annual intake of 100 (hundred) students u/s 10A of the I.M.C. Act,1956 for the academic session 2002-2003.

19. Govt. Medical College, Jammu - renewal of permission for admission of 3rd batch of students against the increased intake (i.e. from 100 to 120).

Read : The Council Inspectors report (2nd – 4th April, 2002) for renewal of permission for admission of 3rd batch of students against the increased intake (i.e. from 100 to 120) at Govt. Medical College, Jammu.

The Executive Committee noted that 1st permission for increase of seats from 100 to 120 was granted by the Central Govt. vide its letter dated 16/4/99 with prospective effect for a period of one year and the above permission granted by the Central Govt. was utilized by the State Govt. for admission of students for the academic session 1998-99 as confirmed by the college authorities. This permission for increase of seats for a further period of one year i.e. for the academic session 1999-2000 was renewed by the Central Govt. vide its letter dated 6/10/99 as per recommendations of the Council. The Committee further noted that the college had admitted 120 students from the academic year 1996-97 on the basis of Letter of Intent issued by the Central Govt. on 17th April, 97. As per request of the Chief Secretary, Govt. of Jammu and Kashmir the matter was considered by the Central Govt. and the Central Govt. vide its letter dated 23rd Feb., 2000 had conveyed the approval for regularization of admissions made against the increased intake (100 to 120) during the academic year 1996-97 and 1997-98 subject to the condition that the college shall not admit any student against the increased intake during the academic session 2000-2001 and 2001-2002.

From the inspection report (2nd & 4th April, 2002) carried out for renewal of permission for admission of students against the increased intake for the academic session 2002-2003 the Committee noted that the college had admitted 107 students during the year 2001-2002 as against the Central Govt. letter dated 23rd Feb., 2000. The Committee also noted a letter dated 19/4/2002 sent by the MCI asking the college authorities to send the list of these 7 students admitted in excess of the permitted admission intake for the said session to initiate action u/s 10B of the IMC Act, 1956.

However, in view of the infrastructure and other facilities available at the college, the Committee decided to recommend to the Central Govt. to renew the permission for admission of 3rd batch of students against the increased intake from 100 to 120 at Govt. Medical College, Jammu u/s 10A of the I.M.C. Act, 1956 for the academic session 2002-2003.

The attention of the authorities concerned be drawn towards implementation of observations made in the inspection report and compliance to this effect be sent within 3 months.

20. S.V. Medical College, Tirupati - renewal of permission for admission of 3rd batch of students against the increased intake (i.e. from 100 to 150).

Read : The Council Inspectors report (21st & 22nd March, 2002) for renewal of permission for admission of 3rd batch of students against the increased intake (i.e. from 100 to 150) at S.V Medical College, Tirupathi.

The Executive Committee considered the Council Inspectors report (21st & 22nd March, 2002) and noted the following:-

1. Shortage of staff:

Associate Professors/Readers – 9 (Anatomy-2, Physiology-1, Pharmacology-2, Microbiology-1, Community Medicine-1, Anaesthesia –1, Radio-diagnosis –1)

Assistant Professors/Lecturers – 13 (Anatomy –2, Physiology-1, Biophysics –1, Pharmacology-2, Microbiology –2, Community Medicine –3, Anaesthesia-2)

Sr. Resident/Tutor – 3 (Biochemistry –2, Pathology –1)

Junior Residents – 2 (Orthopaedics –2)

Total – 27

Note:

1. The deficiency of staff is nearly 9% which is more than the permissible limit of 5%.
2. 25 faculty members (Prof.-4, Associate Professor-8, Lecturers –13) have joined in this institution in last 2 months on transfer from other medical colleges of the state from Hyderabad, Visakhapatnam, Guntur, Kurnool, Vijayawada etc.
2. There is shortage of non-teaching staff also.
3. Examination hall does not have seating capacity for 250 to 300 students. It can seat only 150 people.
4. Library has subscribed only 6 Indian journals this year. Library needs to subscribe 70 Indian journals.
5. Undergraduate hostel has accommodation for 358 students instead of 600 students.
6. Quarters need to be made available for 50% of staff. 10 staff quarters are occupied by the postgraduate students and interns. Only two staff members are staying in the campus. There is no interns hostel and no hostel /quarters for demonstrators, tutors, nursing staff and other non-teaching staff.
7. Audiometry room is not sound proof. Adequate furniture and teaching aids need to be provided in all class rooms and examination material in O.P.D.'s like x-ray view boxes and examination trays.
8. In wards wherever there is over crowding adequate space need to be kept between two cots. Side lockers need to be provided with all the beds.
9. Registration and Record Section is not computerised and requires improvement in its functioning.
10. Arrangements are not made to carry out emergency investigations like blood gas analysis, electrolyte estimation etc. in emergency clinical laboratory for 24 hours.
11. There is a need to add additional equipments in operation theatres, surgery department, intensive care areas in Medicine and Paediatrics.
12. The equipments which are lying out of order like 700 MA x-ray machine, tread mill, auto clave, blood gas analyser etc. should be made functional immediately.
13. There is no mechanised laundry at present.
14. Incinerator is non-functional. Common waste disposal facility is planned by A.P. Pollution Control Board Tirupati.
15. Postgraduate students are not provided hostel accommodation.

16. Nurses are not provided accommodation. At present only pupil nurses are provided hostel accommodation.
17. Departmentwise Deficiencies:
- (a) Pharmacology department:
Museum needs to be provided more space.
- (b) Pathology department:
Blood Bank is still not under the technical control of the department. No faculty members from Pathology department is posted in the Blood Bank.
- (c) Microbiology department:
Departmental museum needs more space and specimens.
- (d) Forensic Medicine department:
- Does not have research laboratory, students practical laboratory.
 - Mortuary area needs to have inquest room, viscera preparation and visitor room etc.
18. Other observations/deficiencies pointed out in the inspection report.

In view of above, the Committee decided to recommend to the Central Govt. not to renew the permission for admission of 3rd batch of students at S.V. Medical College, Tirupati u/s 10A of the I.M.C. Act,1956.

21. Rangaraya Medical College, Kakinada - renewal of permission for admission of 5th batch of students during 2002-03 against the increased intake.

Read : The compliance verification inspection report (18th & 19th March, 2002) for renewal of permission for admission of 5th batch of students against the increased intake (i.e. from 100 to 150) at Rangaraya Medical College, Kakinada.

The Executive Committee noted that upon consideration of Council Inspectors report carried out in July,2001 renewal of permission for 5th batch of students was not recommended by it. A compliance was received through the Central Govt. on rectification of the deficiencies pointed out in the inspection report which was verified by the Council Inspectors on 10th Sept.,2001. This report was considered by the Sub-Committee constituted out of the members of the Executive Committee and in light of the deficiencies still existing, the renewal of permission was again not recommended for the increased intake from 100 to 150 against the academic session 2001-2002.

The Committee further noted that the Central Govt. vide its letter dated 10.10.2001 informed the Secretary (Health) & Medical Education department, regarding the non renewal and requested to rectify the deficiencies. The Central Govt. also informed the State Govt. that no fresh batch of students against the increased intake be admitted in the college till deficiencies are rectified and permission is renewed by the Central Govt. However, the authorities of the institution admitted the 5th batch of students against the increased intake i.e. 100 to 150 during the academic year 2001-2002 against which the office has taken action u/s 10B of the I.M.C. Act,1956.

The compliance report which was received through the Central Govt. has been verified on 18th & 19th March,2002 by the Council Inspectors and upon consideration of this report the Committee decided to defer the consideration of the matter for obtaining the following information:-

1. The details of the faculty members who have been appointed/promoted against the transfers made from other medical colleges of the State to fill the vacancies at Rangaraya Medical College, Kakinada be obtained from the Director, Medical Education/the Principal of the college for further consideration of the matter.

22. **Smt. N.H.L. Municipal Medical College, Ahmedabad – Renewal of permission for admission of 3rd batch of students against the increased intake i.e. 100 to 150.**

Read : The Council Inspectors report (18th & 19th April, 2002) for renewal of permission for admission of 3rd batch of students against the increased intake (i.e. from 100 to 150) at Smt. N.H.L.Municipal Medical College, Ahmedabad.

The Executive Committee considered the Council Inspectors report (18th & 19th April,2002) and noted the following:-

1. The institution does not have a full time Dean. The present Dean who is Superintendent of Nagari Eye Hospital and Professor of Ophthalmology is holding it as an additional charge.
2. The Municipal Commissioner by an order dated nil has authorised the Dean of N.H.L. Municipal Medical College to have control of the teachers and other activities associated with the teaching work in the hospitals.
3. University affiliation for increase of seats from 100 to 150 is from 15.6.2000 to 14.06.2002 only and steps are required to be taken to acquire the university affiliation beyond June,2002.
4. The general condition of the buildings in all the hospitals is not proper. There are wide and extensive cracks, chipping of plaster broken tiles and denuding of whitewash. This should be repaired in order to remove these eyesores so that a congenial and clean atmosphere is provided to patients and students in consonance with the general atmosphere of a teaching hospital.
5. The teaching areas have been increased in number in all hospitals. But, they are even now far from adequate. One teaching area in OPD and one in IPD of all clinical disciplines is to be provided.
6. The wooden furniture in demonstration rooms and practical labs is absolutely in dilapidated state and should be changed with proper furniture. The faculty rooms also should be provided with adequate furniture and fixtures for academic pursuits.
7. The physical facility of demonstration rooms and practical laboratories needs to be augmented to comply with Council's requirements. The demonstration rooms for 150 annual admissions should be able to accommodate 75 students and the practical labs 90 students.
8. The hostel facilities in rural health centres are not inhabitable. It needs repairs, whitewashing and refurnishing. The interns are not doing any residential duties in

the rural health centres for this reason. Even the surroundings of the rural health centre are not clean.

9. A large number of staff members on the clinical discipline are honoraries. At present, they have been counted vide Govt. of India's order No. V-11025/41/95-ME(UG), Government of India, Ministry of Health & Family Welfare, New Delhi dated 23rd October, 2001. However, it is strongly suggested that to begin with, at least, 50% of the clinical staff should be fulltime.
10. The various ICUs need more defibrillators and ventilators.
11. Computerisation of Medical Record Section though has started in V.S. Hospital, the medical record sections of other hospitals also need to be computerised since the institution is running a large number of postgraduate courses.
12. Casualty Services: These services at all the hospitals need upgradation to provide CPR and a well equipped emergency operation theatre near the Casualty.
13. The Central Laundry in all hospitals should be machanized. At present, it is on contractual basis.
14. Shortage of Para-medical staff: Large number of posts of nurses and other non-teaching staff are lying vacant in VS Hospital and the same needs to be filled immediately. In all ICUs, there is shortage of nursing staff; 3-4 nurses are looking after 10 beds when the requirement is 1 staff nurse on each bed.
15. Deptt. of Physiology: The size of all the practical labs is not in conformity with the Council regulations and needs expansion.
16. Other observations/deficiencies pointed out in the report.

In view of above, the Committee decided to recommend to the Central Govt. not to renew the permission for admission of 3rd batch of students against the increased intake i.e. 100 to 150 at Smt. N.H.L. Municipal Medical College, Ahmedabad u/s 10A of the I.M.C. Act,1956.

23. **B.S. Medical College, Bankura – Renewal of Permission for admission of 2nd batch of students against the increased intake i.e. 50 to 100.**

Read : The Council Inspectors report (9th & 10th April, 2002) for renewal of permission for admission of 2nd batch of students against the increased intake (i.e. from 50 to100) at B.S. Medical College, Bankura.

The Executive Committee considered the Council Inspectors report (9th & 10th April,2002) and made the following observations:-

1. The following deficiencies need to be corrected:-
 - (a) The common room for boys and girls need to be furnished with more furniture.
 - (b) The vacant posts of Dy.Librarian, Documentalist and Cataloguer need to be filled.
 - (c) The water supply in girls hostel is inadequate. Hence arrangements need to be made to augment the water supply. The kitchen, the dining space and common room in both the boys and girls hostel need immediate

renovation, white washing and replacement of furniture and installation of television in the girls hostel.

- (d) The staff in the Registration and Record department needs training in Medical Records and maintenance etc.
- (e) The institution needs to establish an ICU with adequate equipment under Anaesthesia department. There is also a need to establish a Paediatric Intensive Care Unit with Neonatology.
- (f) The plan for construction of separate central sterilisation department needs to be expedited.
- (g) Mechanised laundry needs to be installed.
- (h) Incinerator – At present the Bankura Municipality is disposing Bio-medical waste of the hospital. However, the institution needs to have one incinerator to dispose of the institutional waste.

2. Other observations/deficiencies pointed out in the inspection report.

In view of above, the Committee decided to recommend to the Central Govt. not to renew the permission for admission of 2nd batch of students against the increased intake i.e. 50 to 100 at B.S. Medical College, Bankura u/s 10A of the I.M.C. Act,1956.

24. **Burdwan Medical College, Burdwan – Renewal of Permission for admission of 3rd batch of students against the increased intake i.e. 50 to 100.**

Read : The Council Inspectors report (11th & 12th April, 2002) for renewal of permission for admission of 3rd batch of students against the increased intake (i.e. from 50 to100) at Burdwan Medical College, Burdwan.

The Executive Committee considered the Council Inspectors report (11th & 12th April,2002) and decided to recommend to the Central Govt. to renew the permission for admission of 3rd batch of students against the increased intake i.e. 50 to 100 at Burdwan Medical College, Burdwan u/s 10A of the I.M.C. Act,1956 for the academic session 2002-2003.

However, the attention of the authorities concerned be drawn towards implementation of observations made in the inspection report

25. **Co-operative Medical College, Kochi – Renewal of permission for admission of 2nd batch of students.**

Read : The letter dt. 4.3.2002 issued by the Central Govt., Ministry of Health & F.W. renewing the permission for admission of 2nd batch of students at Co-operative Medical College, Kochi with a reduced intake of 50 students for the academic session 2001-2002.

The Executive Committee noted that the matter of renewal of permission for admission of 2nd batch of students at Co-operative Medical College, Kochi has again been included in the agenda for the meeting of the Committee on 24.04.2002 whereas the matter had already been decided by it at its meeting held on 04.03.2002 recommending the renewal of the permission for 2nd batch of students with reduced intake of 50 students after considering the communication dated 11.02.2002 of the Ministry of Health & F.W. requesting to send the comments of the Council whether the present infrastructure available with Co-operative Medical College, Kochi can be considered for

recommending renewal of permission for admission of 2nd batch of students at Co-operative Medical College, Kochi with a reduced intake of 50 students.

The Committee further noted that the Central Govt. vide its letter dated 04.03.2002 has renewed the permission for admission of 2nd batch of students at Co-operative Medical College, Kochi with a reduced intake of 50 students for the academic year 2001-2002. The Central Govt. also requested the college authorities to rectify the deficiencies pointed out in the inspection report and submit a compliance thereon before 3rd renewal take place for considering the restoration of original capacity of 100 students per year. They were also informed that 3rd renewal will not be considered even at the reduced intake of 50 students without submission of a compliance.

The Administrator, however, informed that the meeting of the Executive Committee held on 04.03.2002 was declared by him as illegal. The Administrator also observed that the para clinical departments are still housed in Jawaharlal Nehru Stadium as a makeshift arrangement which is contrary to the norms laid down by the MCI.

26. Establishment of new medical college at Tiruvalla by Pushpagiri Medical Society, Tiruvalla u/s 10A of the IMC Act, 1956.

Read : The matter with regard to establishment of medical college at Tiruvalla by Pushpagiri Medical Society, Tiruvalla.

The Executive Committee considered the Council Inspectors report (26th & 27th Nov., 2001) and also the inspection report (13th & 14th April, 2002) carried out to verify the distribution of 300 beds in the hospital and the lease deed regarding owning and management of the hospital by Pushpagiri Medical Society which was not reported in the earlier inspection report and decided to recommend to the Central Govt. to issue Letter of Intent for establishment of medical college at Tiruvalla, Kerala by Pushpagiri Medical Society, Tiruvalla, Kerala with an annual intake of 100 (hundred) students u/s 10A of the I.M.C. Act, 1956 for the academic session 2002-2003.

27. Establishment of new medical college at Karakonam, Kerala by CSI South Kerala Medical Mission, Kerala u/s 10A of the IMC Act, 1956.

Read : The matter with regard to establishment of medical college at Karakonam by CSI South Kerala Medical Mission, Kerala.

The Executive Committee noted that the matter with regard to establishment of Medical College at Karakonam by CSI South Kerala Medical Mission, Kerala has again been included in the agenda for the meeting of the Committee on 24.04.2002 whereas the matter had already been decided by it at its meeting held on 04.03.2002 when the following decision was taken:-

1. that there was no inspection team which was appointed by the Executive Committee of the Council for conducting the inspection of this private medical college at Karakonam, Kerala.
2. The Administrator does not possess the necessary qualification as laid down by the regulation of MCI for verifying the infrastructural and other facilities of a medical college.

3. Dr. J.K. Tandon, at the time of so called inspection was retired and no more in the employment of MCI on 12th & 13th Feb.,2002.
4. The Executive Committee had considered the inspection report dated 14th & 15th Feb.,2002 and noticed that there are no beds allotted to Paediatrics and Obst. & Gynae. and had decided to recommend to Central Govt. not to issue Letter of Intent in its earlier meeting held on 31.1.2002.

Considering that there was some mistake in counting of distribution of beds in the inspection report and that the actual beds in the departments of Paed. & Obst. and Gynae in the hospital owned by the Trust were available in different departments in the hospital, the Committee had decided to recommend to the Central Govt. to issue Letter of Intent for establishment of Medical College at Karakonam by CSI South Kerala Medical Mission, Kerala.

The Executive Committee had further decided that while carrying out the inspection for issue of letter of permission, these facts be verified by the inspectors appointed by the Executive Committee.

The Committee did not accept the inspection report carried out by Dr. J.K. Tandon and by the Administrator.

The Administrator, however, informed that the meeting of the Executive Committee held on 04.03.2002 was declared by him as illegal and regarding Dr. J.K. Tandon being deputed to carry out this verification inspection after retirement the MCI regulations do not prohibit the retired persons to carry out inspections.

The Administrator informed the members that he had gone as an Administrator to verify the details along with an Inspector which is very much part of his authorised duties.

28. Continuance of recognition of MBBS degree granted by Shivaji University in respect of students being trained at Dr. D.Y. Patil Medical College, Kolhapur

Read : The compliance verification inspection report (28th & 29th January 2002) for continuance of recognition of MBBS degree granted by Shivaji University in respect of students being trained at Dr. D.Y. Patil Medical College, Kolhapur.

The Executive Committee noted that a show cause notice was issued to the college authorities vide MCI letter dated 17.2.2000 stating therein as to why steps be not initiated to recommend to Central Govt. for taking action as per provisions of Section 19 of the I.M.C. Act,1956 and taking steps to reduce the seats in consonance with the facilities available. This decision was taken in light of the fact that the compliance submitted by the college authorities on 21.1.2000 was not satisfactory.

On receipt of another compliance report from the college authorities vide its letter 28.4.2000 which was considered by the EC at its meeting held on 26.5.2000 was verified by way of an inspection in light of its decision.

On consideration of the compliance verification inspection report dated 28th & 29th Jan.,2002 the Committee decided not to recommend continuation of recognition of MBBS degree granted by Shivaji University in respect of students being trained at D.Y. Patil Medical College, Kolhapur in light of the following observations:-

1. That as per the Court order in force, D.Y. Patil Medical College, has to vacate/shift 250 beds from CPR hospital to their own hospital. The hospital of D.Y. Patil Medical College is under final stages of construction. But there are certain common

facilities at CPR Hospital between D.Y. Patil Medical College and Govt. Medical College such as casualty services, ICUs, laundry CSD and stores which is not acceptable.

2. The teaching staff shortage is more than 5%.(9 out of 144= 6.3%)
3. The students hostel has accommodation for 90 boys and 140 girls.
4. The staff quarters are available only for 12% of staff.
5. Other observations/deficiencies pointed out in the inspection report.

29. Continuance of recognition of MBBS degree granted by NTR University of Health Sciences in respect of students being trained at Deccan Medical College, Hyderabad.

Read : The letter dt. 14.2.2002 received from the Managing Director, Deccan college of Medical Sciences for continuance of recognition of MBBS degree granted by NTR University of Health Sciences in respect of students being trained at Deccan Medical College, Hyderabad.

The Executive Committee decided to defer the consideration of the matter for the next meeting.

30. Continuance of recognition of MBBS degree granted by Gorakhpur University in respect of students being trained at B.R.D. Medical College, Gorakhpur.

Read : The matter with regard to Continuance of recognition of MBBS degree granted by Gorakhpur University in respect of students being trained at B.R.D. Medical College, Gorakhpur.

The Executive Committee decided to defer the consideration of the matter for the next meeting.

31. MBBS(Devi Ahilya Vishvidyalaya) – Continuance of recognition in respect of students being trained at M.G.M.Medical College, Indore.

Read : The matter with regard to continuance of recognition of MBBS degree granted by Devi Ahilya Vishvidyalaya in respect of students being trained at M.G.M.Medical College, Indore.

The Executive Committee decided to defer the consideration of the matter for the next meeting.

32. MBBS (Rajiv Gandhi University of Health Sciences,)- Continuance of recognition in respect of students being trained at Bangalore Medical College, Bangalore.

Read : The compliance verification inspection report (28th & 29th Nov., 2001 for continuance of recognition of MBBS degree granted by Rajiv Gandhi University of

Health Sciences in respect of students being trained at Bangalore Medical College, Bangalore.

The Executive Committee decided to defer the consideration of the matter for the next meeting.

33. Continuance of recognition of MBBS degree granted by Bharti Vidyapeeth (Deemed University) in respect of students being trained at Bharti Vidyapeeth Medical College, Dhankawadi, Pune.

Read : The compliance verification inspection report (8th & 9th Nov., 2001 for continuance of recognition of MBBS degree granted by Bharti Vidyapeeth (Deemed University) in respect of students being trained at Bharti Vidyapeeth Medical College, Pune.

The Executive Committee decided to defer the consideration of the matter for the next meeting.

34. Regularisation/approval of migration of students allowed by Maharshi Dayanand University, Rohtak in April, 1998.

Read : The matter with regard to Regularisation/approval of migration of students allowed by Maharshi Dayanand University, Rohtak in April, 1998.

The Executive Committee read the order dated 15.2.2002 passed in Civil suit No. 228 of 1999/2001 in the Court of Civil Judge (Senior Division), Rohtak as forwarded by the Registrar, Maharshi Dayanand University, Rohtak vide his letter dated 20.2.2002 and noted that the following students who had been migrated from their respective medical colleges to PGIMS, Rohtak have completed and passed their MBBS course:-

1. Suman Malik from Medical College, Baroda (Gujarat)
2. Chakitan Singh from Kasturba Medical College, Mangalore
3. Sanjay Garg from Kasturba Medical College, Mangalore
4. Sundeep from ACPM Medical College, Dhule
5. Mohit Singhal from Silchar Medical College, Silchar
6. Ramandeep Virk from Dr. V.M. Medical College, Solapur

The Committee noted that matter with regard to migration of these candidates was considered by the Executive Committee on an earlier occasion at its meeting held on 22.3.1999 when it decided as under:-

“The Executive Committee deliberated upon the matter with regard to migration of six MBBS students carried out in April, 1998 from various medical colleges in India to Postgraduate Instt. of Medical Sciences, Rohtak and noted that as per decision of the Migration Sub-Committee arrived at its meeting held on 28.10.98, the University authorities were requested to cancel all the migrations carried out by them under the cover of their being an autonomous body and that all the migrated students be sent back to their parent medical college with immediate effect. The Committee further noted the letter dated 08.02.99 received from the Vice-Chancellor of the University of Rohtak, clarifying that the migrated students have already completed eight months of their study in the medical college at Rohtak and that in future migration of the students may be decided by the MCI as per Graduate Medical Education Regulations. The Committee did not agree with the request of the Vice-Chancellor for regularization of migrations carried out by the University in April, 1998 in the absence of any other relevant documents like No Objection Certificate, the reasons for migration, affidavit by individual candidate for

undergoing full 18 months study in transferee medical college after the date of migration permitted by the Council as prescribed under the Regulations of the Council on Graduate Medical Education – 1997.”

This decision of the Executive Committee was duly communicated to the Vice-Chancellor of the University vide Council letter dated 16.4.1999. However, it is apparent that the migrations were not cancelled as decided by the Committee.

The Committee further noted that in light of the letter of Shri Dahiya, Registrar, M.D. University, Rohtak informing that the case is weak for filing appeal in view of the facts that the students have already completed the course, the office of the Council got the matter examined from Shri Navin Prakash, Advocate and Retainer of the Council whether an appeal in the High Court can be filed against the orders of the Civil Judge (Senior Division), Rohtak at this stage. The legal opinion thus obtained was perused and it was noted that the Council Advocate has informed that from the practical point of view, particularly keeping in mind the facts that the students have passed the final MBBS examination, the Court would not hesitate in granting relief to the students on equitable consideration if the students initiate any legal proceedings against the Council for grant of permission for migration in the event of the Council refusing to grant permission for migration.

In light of the above facts, the Executive Committee decided to permit these migrations as a one time measure and not to be quoted as a precedence.

The Committee further decided to write a letter to the Director, PGIMS, Rohtak and the Vice-Chancellor, Maharishi Dayanand University to draw their attention to the regulations prescribed for migration by the Council and to strictly adhere to these regulations. The non-compliance of the decision of the EC which was communicated to the Vice-Chancellor of the University vide this office letter dated 16.4.1999 has been viewed very seriously by the EC and if such actions are repeated again the EC will be forced to take necessary action against the concerned institution as deemed fit under the I.M.C. Act, 1956. A copy of this letter be marked to the Health Secretary of the State and member of the Council.

35. Liberalisation of guidelines for establishment of new medical college – Matter raised in Lok Sabha on 8/8/2001 during zero hours by Shri Lakshman Seth M.P. – Regarding.

Read : The matter with regard to Liberalisation of guidelines for establishment of new medical college.

The Executive Committee decided to defer the consideration of the matter for the next meeting.

36. Clarification regarding marks distribution for Surgery including Orthopaedics in the MBBS professional examination – Regarding.

Read : The letter received from Dr.(Mrs.) Usha Sharma, Dean, Faculty of Medicine, Ch.Charan Singh University, Meerut regarding conduct of examination of Surgery as per old regulation till the approval of the Central Govt. is received on the amendment send by the MCI.

The Executive Committee decided to defer the consideration of the matter for the next meeting.

37. **Suggestion for amendment to Graduate Medical Education Regulation regarding supplementary examination.**

Read : The letter dated 25th Oct., 2001 from Dr.S.K.Mittal , Director, Prof. HOD Deptt. of Peadiatrics, Maulana Azad Medical College, New Delhi. regarding amendment to Graduate Medical Education Regulations.

The Executive Committee decided to defer the consideration of the matter for the next meeting.

38. **Inclusion of Blood Transfusion as a subject in the course curriculum of Undergraduate Medicine (MBBS).**

Read : The matter with regard to grant Registration to Dr. Murad Rahman u/s 25(1) and 13(3) of the Indian Medical Council Act, 1956.

The Executive Committee decided to defer the consideration of the matter for the next meeting.

43. Recognition of Sheth Kasturbhai Lalbhai Hospital & Sant Shiromani Ramji Bawaji Annakshetra, Luxmipura for purposes of Compulsory Rotating Internship Training.

Read : The Council Inspector report (6th & 7th January 2002) for recognition of Sheth Kasturbhai Lalbhai Hospital & Sant Shiromani Ramji Bawaji Annakshetra, Luxmipura for purposes of Compulsory Rotating Internship Training

The Executive Committee decided to defer the consideration of the matter for the next meeting.

44. Additional/Changed name of Hospital recognised by the Council for purposes of Compulsory rotating internship training – Information thereon.

Read : The additional/changed name of Hospitals recognised by the Council for purposes of Compulsory rotating internship training as under.

The Executive Committee noted the additional/changed name of Hospitals recognised by the Council for purposes of Compulsory Rotating Internship Training as under.

<u>Name of Hospital Recognised</u>	<u>Also called by following</u>
1. Victoria Zanana Hospital, New Delhi-110 002	Kasturba Hospital, New Delhi-110 002
2. District Hospital, Aligarh	Malkhan Singh District Hospital, Aligarh
3. J.L.N.Hospital & Research Centre, Bhilai	Bhilai Steel Plant Hospital, Bhilai

45. Selection Committee for the post of Law Officer – Constitution of.

Read : The matter with regard to nominating another member in place of Dr.K.Ananda Kannan (who ceased to be a member of the Council) for the Selection Committee for the post of Law Officer.

The Executive Committee decided to nominate Dr. M.K. Sharma, Jaipur in place of Dr. K. Ananda Kannan (who ceased to be a member of the Council) for the Selection Committee for the post of Law Officer.

46. Removal of names of doctors from the register of Registered Medical Practitioners.

Read : The matter with regard to removal of names of doctors from the register of Registered Medical Practitioners.

The Executive Committee noted the letter dated 25.01.2002 received from the Registrar, J & K State Medical Council intimating that the following doctors have been deregistered from the register of the State Registered Medical Practitioners as they were found involved in criminal offence of “rape” on a patient:-

1. Dr. Wajid Ali S/o Shri Abdul Ghani Najar, R/o Butt Mohalla, Kishtwar, Doda, Regn. No. 3154 dated 02.02.1985.
2. Dr. Hardev Singh S/o Shri Bhagat Singh, R/o 245, Dalpatian Mohalla, Jammu, Regn. No. 3384, dated 08.07.1986.

The Committee decided to remove the names of above mentioned doctors from the Indian Medical Register and also to give intimation in this regard to all the State Medical Councils in the country.

47. Rajah Muthaiah Medical College, Annamalaiagar - renewal of permission for admission of 5th batch of students against the increased intake i.e. from 125 to 150.

Read : The Council Inspectors report (15th & 16th April, 2002) for renewal of permission for admission of 5th batch of students against the increased intake i.e. from 125 to 150 at Rajah Muthiah Medical College, Annamalaiagar.

The Executive Committee decided to defer the consideration of the matter for the next meeting.

48. Continuance of recognition of MBBS degree granted by Saurashtra University in respect of students being trained at M.P. Shah Medical College, Jamnagar.

Read : The letter dated 8/11/2001 from the Dean, M.P. Shah Medical College, Jamnagar requesting to grant six months time w.e.f. 15th Nov., 2001 for submission of the compliance on rectification of the deficiencies pointed out in the periodical inspection report carried out in Jan., 1994.

The Executive Committee decided to defer the consideration of the matter for the next meeting.

49. Standard requirement of Medical Council of India in relation to appointment of teaching staff in Medical Colleges – Extension of honorary system existing in medical colleges.

Read : The letter dated 23rd Oct., 2001 from the Govt. of India, Ministry of Health & F.W. extending the system of appointment of Honorary/part-time teachers in medical colleges for a further period of 5 years from the date of issue of the letter.

The Executive Committee decided to defer the consideration of the matter for the next meeting.

50. Nomination of Council Members on the DPC/Selection Committee.

Read : The matter with regard to nomination of Council members on the DPC/Selection Committee.

The Executive Committee decided to defer the consideration of the matter for the next meeting.

51. Dismissal of Sh. Vidya Bhushan Kaushik, Gestetner Operator – from the Service of the Council.

The Executive Committee noted that Shri Vidya Bhushan Kaushik, Gestetner Operator was placed under suspension on 23.3.2001 and subsequently an inquiry was held against him under rule 14 of the Central Civil Services Rules,1965.

The Disciplinary Authority i.e. the Secretary in exercise of the powers vested under the provisions of Rule 11(ix) of the Central Civil Services (Classification, Control & Appeal) Rules,1965 imposed the penalty of “Dismissal from Service” as all the charges against Shri Vidya Bhushan Kaushik were proved against him in the inquiry report.

The Executive Committee approved the penalty of dismissal imposed on Shri Vidya Bhushan Kaushik, Gestetner Operator from the service of the Council with effect from 19.04.2002 (AN).

52. Modification of Application Forms for Registration.

The Executive Committee decided to defer the consideration of the matter for the next meeting.

53. To approve the minutes of the Finance Committee held on 1st March, 2002.

The Executive Committee noted that the minutes of the Finance Committee held on 1.3.2002 were circulated to the Executive Committee members by the Council office on 15.3.2002. However, it was decided that this item being of important nature be discussed only in the meeting of the Executive Committee.

The Executive Committee considered and unanimously approved the minutes of the Finance Committee held on 01.03.2002.

The observations of the Administrator, made on item No. 3(b) & 8 regarding the appointment of Advocates and appointment to the Council which according to the Administrator do not fall within the purview of the Finance Committee were not agreed upon as according to the Executive Committee they are very much in the purview of the Finance Committee as it pertains to financial involvement. However, the Administrator reiterated his stand that item No. 3(b) & 8 of the Finance Committee do not fall within the purview of the Finance Committee.

54. Civil Appeal No.2779 of 2000 Medical Council of India versus Indian Doctors from Russia Welfare Associations & Ors. {with C.A. Nos. 2808/2000, 2809/2000, 2811-2863/2000, 2787-2803/2000, 2804-2807/2000, 2810/2000, 2782-2786/2000, T.P.[C] No.103/2000 and W.P.[C] No.215/2001 dated 8/3/2002 – Judgement of the Hon’ble Supreme Court dated 8/3/2002.

Read : The Civil Appeal No. 2779 of 2000 Medical Council of India versus Indian Doctors from Russia Welfare Associations & Ors. {with C.A. Nos. 2808/2000, 2809/2000, 2811-2863/2000, 2787-2803/2000, 2804-2807/2000, 2810/2000, 2782-2786/2000, T.P.[C] No.103/2000 and W.P.[C] No.215/2001 dated 8/3/2002 – judgement pronounced by the Hon’ble Supreme Court on 8/3/2002 pertaining to grant of registration to the candidates possessing M.D. (Physician) qualification granted by Institutions in erstwhile U.S.S.R. (Russian Federation & Ors CIS countries).

The Executive Committee decided to defer the consideration of the matter for the next meeting.

(DR. M. SACHDEVA)
SECRETARY.

New Delhi, dated the
8th May, 2002

APPROVED

(Maj Gen (Retd) S P Jhingon)
Administrator
