The conditions imposed by the Govt. of India vide its letter dated 15.07.2005 had made it obligatory for the college authorities for compliance of all the requirements under the MCI regulations and to provide all the facilities. Each medical college/institution, as per Regulation 7(6) of 1997 Regulations of the MCI, is obliged to commence the teaching and training in the MBBS course from 1st of August of each academic year.

The members of the Executive Committee and of the Ad-hoc Committee appointed by the Hon'ble Supreme Court also considered a similar situation which had arisen in the year 2003 when in August-Sept. 2003, the Govt. of India had granted renewal of permissions to certain colleges without the recommendations of the MCI. With reference to the provisions of Section 10A of the Act, the Hon'ble Supreme Court had passed a judgement on 23.09.2003 observing that the Govt. of India will pass orders u/s 10A on the recommendations of the MCI. After the judgement of the Hon'ble Supreme Court dated 23.09.2003, Govt. of India had issued show cause notices to those colleges on the issue why the permission for renewal granted in their favour for admissions for the academic year 2003-04 should not be recalled.

Subsequently, the Hon'ble Supreme Court passed an order dated 27.2.2004 in CA Nos. 599-600/2002 – P.C. Kesvan Kuttynayar Vs. Harish Bhalla & Ors:-

'Mr. K.N. Rawal, learned Solicitor General states that the Union of India shall forward the responses received by the medical colleges to show cause notice to the Medical Council of India within two weeks. The Medical Council of India will consider them and make appropriate recommendations within two weeks thereafter.....'

In accordance with the said order dated 27.02.2004 passed by the Hon'ble Supreme Court, the replies on behalf of those colleges had been considered by the Executive Committee of the Council in its meeting held on 28.03.2004 and it was decided to recommend to the Central Govt. to recall the renewal permission granted in favour of those colleges. Letters dated 31.03.2004 were sent by the Council to the Govt. of India in respect of those 11 colleges. These letters of 31.03.2004 had been filed before the Hon'ble Supreme Court.

In view of the above deficiencies continuing to exist at this college, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. to recall the permission granted to this college by the Govt. of India vide its letter dated 15.07.2005 regarding renewal of permission for admission of 5th batch of students for the academic session 2005-06 in respect of Chhattisgarh Institute of Medical Sciences, Bilaspur. It was decided to further recommend to the Central Govt. for issuance of appropriate instructions by the Central Govt. to the college authorities not to proceed with any fresh admissions in the academic session 2005-06, since they failed to fulfill the commitment made on behalf of the State Govt. to provide all the facilities as per MCI Regulations within the stipulated time.

27. Permission for legal expenses and payment of bill submitted by Shri P.P. Rao, Senior Advocate.

Read: The bill dated 20.5.2005 received from Shri P.P. Rao, Sr. Advocate.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council noted that the case for which Shri P.P. Rao was retained as Senior Counsel was a very important matter pertaining to the L.P.A. filed by Medical Council of India Vs. Dr. K.K. Arora and Anr. before the Hon'ble High Court of Delhi at New Delhi.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided that it was very important for the Council to defend its stand as the matter was pertaining to enforcement of discipline in its officers and employees.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further decided to pay the bill of Shri P.P. Rao, Senior Advocate. It was further decided that the bills of Senior Advocates for future hearings of this case may also be paid from time to time as and when such hearings take place and the bills are presented.

They further noted that the Council had strictly followed the guidelines prescribed by the Hon'ble Supreme Court in Mridul Dhar's case for strict adherence to the time schedule prescribed in the Regulations. In accordance with these guidelines, Council had carried out all the inspections by 12th June, 2005 and the appropriate decisions were taken in the meeting of the Executive Committee held on 14th and 15th June, 2005 wherein the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council were also present.
