**17. Establishment of new medical college by Indira Gandhi Institute of Medical Sciences, Patna, Bihar.**

Read: The letter dated 25.04.2009 received from the Director, IGIMS, Patna, Bihar with regard to establishment of new medical college by Indira Gandhi Institute of Medical Sciences, Patna, Bihar.

The Executive Committee of the Council considered the letter dated 25.04.2009 received from the Director, IGIMS, Patna, Bihar with regard to establishment of new medical college by Indira Gandhi Institute of Medical Sciences, Patna, Bihar, operative part of which reads as under:-

*“.....You are requested to consider our case and inform us whether inspection of MCI is possible between 15<sup>th</sup> to 20<sup>th</sup> June, 2009, so that we can go ahead for appointment of teaching faculties for various departments.”*

The Executive Committee of the Council further observed that as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the Council to the Central Govt. is 15<sup>th</sup> June.

In this connection, the following directions issued by the Hon'ble Supreme Court in case of Mridul Dhar Vs. Union of India & Ors (2005) 2 SCC 65 dated 12.01.2005 were also observed:-

- “1-13. ....
14. Time schedule for establishment of new college or to increase intake in existing college, shall be adhered to strictly by all concerned.
15. Time schedule provided in Regulations shall be strictly adhered to by all concerned failing which defaulting party would be liable to be personally proceeded with.”

In view of above, it was decided that the institute may be informed of the abovementioned time schedule which being statutory Regulation is mandatory and binding in character and is required to be adhered to by all the authorities and inspection may be carried out accordingly.

**18. ACS Medical College and Hospital, Thiruvellore - Renewal of permission for admission of 2<sup>nd</sup> batch of students for the academic session 2009-2010.**

Read: The matter with regard to renewal of permission for admission of 2<sup>nd</sup> batch of students for the academic session 2009-2010 at ACS Medical College and Hospital, Thiruvellore.

The Executive Committee of the Council noted that it at its meeting held on 08.04.2009 while considering the matter with regard to renewal of permission for admission of 2<sup>nd</sup> batch of students for the academic session 2009-2010 at ACS Medical College and Hospital, Thiruvellore decided as under:-

*“The Executive Committee of the Council considered the Council Inspectors report (23<sup>rd</sup> & 24<sup>th</sup> March,2009) and decided to recommend to the Central Govt. to renew the permission for admission of 2<sup>nd</sup> batch of 150 (one hundred fifty) MBBS students at ACS Medical College and Hospital, Thiruvellore for the academic session 2009-10.”*

It further noted that the above decision was communicated to the Central Govt. vide Council letter dated 15.04.2009.

It also noted the contents of the letter dated 01.04.2009 received in the Council office on 09.04.2009 from Dr. MGR Educational and Research Institute University, Chennai (which is a Deemed University) stating as under:-

*“In respect of the above subject matter, we wish to state that, we have been continuously approaching University Grants Commission for inclusion of A.C.S. Medical College and Hospital into the ambit of Dr. M.G.R. Education & Research Institute (Dr. M.G.R. University – Decl. U/s 3 of UGC Act,1956) and also sought the inspection of University Grants Commission for the purpose of getting approval and consequently the Notification from the Ministry of Human Resources Development, Govt. of India, New Delhi, for the inclusion of A.C.S. Medical College and Hospital into our University. The copies of our correspondence are herewith enclosed for your immediate reference.*

*We expect that the University Grants Commission will inspect our A.C.S. Medical College and Hospital shortly for the purpose of granting approval for the inclusion and we are hopeful that we will be getting the approval of University Grants Commission and also from the Govt. of India before the end of April 2009.*

*We will be forwarding the Notification of Approval for inclusion of A.C.S. Medical College and Hospital in the ambit of Dr. M.G.R. Education & Research Institute (Dr. M.G.R. University – Decl. U/s 3 of UGC Act,1956) as soon as receive we the same.”*

The Committee also noted that the Council office vide letter 01.05.2009 has requested the Central Govt. to keep the matter of renewal of permission for admission of 2<sup>nd</sup> batch of 150 MBBS students at ACS Medical College & Hospital, Thiruvellore in abeyance till the institute is brought within the ambit of Deemed University by UGC.

In view of above and after due deliberations, the Executive Committee of the Council decided to ratify the communication dated 01.05.2009 sent by the office of the Council requesting the Central Govt. to keep the matter of renewal of permission for admission of 2<sup>nd</sup> batch of 150 MBBS students at ACS Medical College & Hospital, Thiruvellore in abeyance till the institute is brought within the ambit of Deemed University by UGC and further decided to recall the letter of renewal of permission for

admission of 2<sup>nd</sup> batch of 150(one hundred fifty) MBBS students issued in respect of ACS Medical College & Hospital, Thiruvellore for the academic session 2009-10.

**Office Note:** The minutes of this item were read out and confirmed in the meeting itself and the office was directed to send the letter to the Central Govt. immediately.

**19. Continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Dr. Panjabrao Alias Bhausabeb Deshmukh Memorial Medical College, Amravati.**

Read: The Council Inspectors report (27<sup>th</sup> & 28<sup>th</sup> April, 2009) to verify the teaching faculty, clinical material, infrastructural facilities etc. for continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Dr. Panjabrao Alias Bhausabeb Deshmukh Memorial Medical College, Amravati.

The Executive Committee of the Council considered the Council Inspectors report (27<sup>th</sup> & 28<sup>th</sup> April, 2009) and noted the following:-

(a) The shortage of teaching faculty is 61.18% (i.e. 74 out of 121) as under:-

i	Professor	15	Anat-1, Biochem-1, Pharma-1, Path-1, Micro-1, Forensic-1, PSM-1, Ped-1, Surg-1, Orth-1, Opth-1, ENT-1, OBg-1, Anaesthesia-1, Radio-1
ii	Associate Prof.	22	Anat-2, Physio-1, Biochem-1, Pharma-1, Path-1, Forensic-1, PSM-1, Med-3, Ped-1, Derma-1, Psych-1, Surg-3, Orth-1, Anaesthesia-2, Radio-1, Dentistry-1
iii	Assistant Professor	26	Anat-3, Physio-2, Biochem-1, Patho-3, Micro-1, Forensic-1, PSM-4, Ped-1, TB-1, Derma-1, Surg-2, Opth-1, ENT-1, OBG-1, Anaesthesia-1, Radio-2
iv	Tutor	11	Anat-1, Physio-2, Biochem-2, Patho-2, PSM-4

(b) The shortage of Residents is 43.53%(i.e. 37 out of 85) as under :-

i	Sr. Residents	15	Med-3, Ped-1, TB-1, Surg-4, Ortho-1, Anaesthesia-2, Radio-3
ii	Jr. Residents	22	Ped-4, TB-2, Psych-1, Surg-8, Ortho-2, Opth-1, OBG-4

2. Clinical material was grossly inadequate as under:-

Clinical Material Available	Daily Average 1-10-08 to 31-3-2009	Day of Inspection Data supplied by Institute on 27-4-2009.	Data as observed during inspection round on 27 - 4 - 2009
O.P.D. attendance	828.52	747	750
Bed occupancy %	84.26	64.80	60 %
<b>Radiological Investigations</b>			
1 X-Ray	33.04	23.21	22 25 49
2 Ultra-sonographys	22.21	13.77	18 16 31
3 C.T. Scan	3.14	2.25	4 2 4

4	Special Investigations	0.23	0.28	2	0	2
Laboratory Investigations						
1	Biochemistry	55.87	149.74	37	98	102
2	Microbiology	102.55	35.36	70	71	68
3	Serology	25.22	6.38	17	3	15
4	Parasitology	21.45	6.79	12	5	7
5	Hematology	130.33	182.99	125	202	154
6	Histopathology	0.75	4.21	0	5	3
7	Cytopathology	4.19	1.51	5	3	4
8	Others:-	nil	nil	nil	nil	nil

- Remarks : The overcrowding is still existing in all the wards. The number of Fans also appears less than required. The corridors and circulation areas are very dirty and unhygienic . Hence, OPD attendance, Operative work and Radiological Investigations are not commensurate with the available clinical material.
3. Accommodation for nurses is grossly inadequate as only 10 double-seated rooms for accommodating 20 nurses are available.
  4. Only 12 quarters are available within the campus for the teaching faculty, which are inadequate as per norms. In addition 17 staff quarters have been allotted to class III staff of the college. These quarters are ½ K. M. distance away from the college which is not as per norms.
  5. Catalogues are still not available in the museum.
  6. Lecture theatre with capacity of 250 seats are not available.
  7. OPD & Wards: Arrangement has been done for collection in color coded container. However Segregation and final disposal requires to be reorganized as per Biomedical Waste disposal rules.
  8. Hostel accommodation is inadequate as it is available only for 336 students against the requirement of 500.
  9. Interns hostel is under construction.
  10. Accommodation for only 66 residents is available against the requirement of 114 residents; thus it is inadequate.
  11. There is no kitchen in the hospital. No Dietician. Food is supplied to the patients by contractors on payment.
  12. Central sterilization department has only one room provided on the 2<sup>nd</sup> floor of the operation block. It has one cylindrical and one vertical autoclave. No other equipments are available in the CSSD. There is no water connection / taps available in the room. No exhaust fans. Only 2 racks were seen in CSSD. No trays and drums were seen. On an average daily 20 – 25 drums and 20 trays are prepared. Duty register of the staff is not available. CSSD should be established as per Council guidelines.
  13. One X-Ray Machine and One Ultrasound are not functioning
  14. There is overcrowding of beds in wards. Patients of tuberculosis, Skin & VD and Psychiatry are kept in the Medicine Ward which is not acceptable.
  15. Capacity of examination hall is only 110 which is inadequate against the requirement of 250 as per regulations.

16. Other deficiencies/remarks pointed out in the inspection report.

In view of above and as the institute has been persistently found to be deficient in respect of teaching faculty, residents, clinical material and other important infrastructure in many inspections spread over a number of years and as the same deficiencies continue to persist even after the General Body has recommended for withdrawal of recognition in 2005 & 2008, it was decided to reiterate the earlier decision that the recognition for the award of MBBS degree granted by Maharashtra University of Health Sciences, Mumbai in respect of students being trained at Dr. Panjabrao Alias Bhausaheb Deshmukh Memorial Medical College, Amravati should be withdrawn u/s 19 of the IMC Act, 1956. It was further decided that the institute be directed not to make further admissions from the academic year 2009-10 onwards.

**Office Note:** The minutes of this item were read out and confirmed in the meeting itself and the office was directed to send this matter to the members of the General Body of the Council for decision by circulation.

**20. Installation of audio & video recording camera and control of existing CCTV in the office of the President and Secretary.**

Read: The matter with regard to installation of audio & video recording camera and control of existing CCTV in the office of the President and Secretary.

The Executive Committee of the Council approved the following recommendations of the Purchase Committee regarding installation of audio & video recording camera and control of existing CCTV in the office of the President and Secretary:-

Read : The matter with regard to the non-existence of the Fee & Regulatory Committee in Uttar Pradesh for communicating the decision of the Executive Committee taken at its meeting held on 27.04.2009.

The Executive Committee of the Council noted that at its meeting held on 27.04.2009 while considering the matter regarding admission of 1<sup>st</sup> year MBBS students at Rohilkhand Medical College & Hospital, Bareilly for the academic year 2008-09 decided as under:-

1. *A discharge notice u/s 10B of the I.M.C. Act,1956 be issued in respect of Ms. Deepniti Goyal whose name does not appear in the list of the admitted students sent by the institute vide its letter dated 06.10.2008 and is admitted after 30.9.2008 which is the cut off date as per schedule prescribed in the Regulations*
2. *To place the matter before the Fee Regulatory Committee of U.P. for further necessary action in the matter particularly in view of the fact that the institute has violated the guidelines by collecting the fees in cash and also at a different periods after the closing date of the admission.*

The Committee further noted that on information sought by the Council office, it has been informed by the office of DME, Lucknow, UP that no Fee Regulatory Committee exists in Uttar Pradesh at present. Therefore, the Committee decided to inform the Secretary (Medical Education), Govt. of U.P. and the DME, Govt. of U.P. requesting them to look into the matter.

**26. Clarification regarding the discrepancy in the eligibility criteria mentioned for the post of faculty in the Department of Microbiology in recognised Medical Colleges in India.**

Read : The matter with regard to clarification regarding the discrepancy in the eligibility criteria mentioned for the post of faculty in the Department of Microbiology in recognised Medical Colleges in India.

The Executive Committee of the Council approved the decision of the Teachers' Eligibility Qualification Sub-Committee in the matter of academic qualifications required for the post of Professor and Associate Professor in the department of Microbiology as under:-

*“The Teacher’s Eligibility Qualifications Sub-Committee considered the matter with regard to discrepancy in the eligibility criteria mentioned for the post of faculty in the Department of Microbiology in recognized Medical Colleges in India and noted that the suggestion of Dr. Anuradha Sharma to replace M.Sc. (Medical Microbiology) in place of just M.Sc. (Medical Microbiology) with Ph.D is accepted and this typographical error needs to be rectified accordingly in the Minimum qualifications for Teachers in Medical Institution Regulations, 1998.”*

**Office Note:** The minutes of this item were read out and confirmed in the meeting itself and the office was directed to send this matter to the members of the General Body of the Council for decision by circulation.

**27. Establishment of New Medical College at Gurgaon by Dashmesh Educational Charitable Trust, New Delhi permission of Central Government.**

Read : The matter with regard to establishment of New Medical College at Gurgaon by Dashmesh Educational Charitable Trust, New Delhi permission of Central Government.

The Executive Committee of the Council considered the letter dated 14.04.2009 received from the Managing Trustee, Dashmesh Educational Charitable Trust (Regd.), New Delhi, addressed to the Under Secretary (Medical Education), Ministry of Health & Family Welfare and copy to this Council, which reads as under:-

*“.....However, due to some unavoidable circumstances, we are not ready for MCI inspection of our proposed medical college at Budhera, Gurgaon for the academic year 2009-10.*

*Therefore , we request you to kindly consider our proposal for establishment of a new medical college at Gurgaon from the academic year 2010-11. We will welcome LOI and LOP inspections by MCI during the months of September – October 2009. The date and time convenient for inspections may please be conveyed to us.”*

In view of above, the Executive Committee of the Council decided to return the application to the Central Govt. recommending disapproval of the scheme as there is no provision u/s 10A of the Indian Medical Council Act, 1956 or the regulations framed therein to keep the application pending in the Council office for the next academic year.

**28. Draft Indian Standard – Guidelines for Nursing Homes, Maternity Nursing Homes and for single Doctor Clinic Including Dental Clinic – Reg.**

Read : The Sub-Committee report dated 05.05.2009 with regard to Draft Indian Standard – Guidelines for Nursing Homes, Maternity Nursing Homes and for single Doctor Clinic Including Dental Clinic.

The Executive Committee of the Council perused the report of the Sub-Committee dated 05.05.2009 with regard to Draft Indian Standard – Guidelines for Nursing Homes, Maternity Nursing Homes and for single Doctor Clinic Including Dental Clinic, which reads as under:-

*“The Committee considered the matter with regard to Draft Indian Standard Guidelines for Nursing Homes, Maternity Nursing Homes and for single Doctor Clinic including Dental Clinic received from the Bureau of Indian Standard (BIS).*

*The Govt. Hospitals and Nursing Homes are functioning at a Rural areas, Districts and Urban areas. There are different types of Nursing Homes catering the need of the people in these areas. These Govt. Institutions and the Nursing Homes are rendering services as primary care centres, secondary care centres and tertiary care centres.*

*If this Bill is applied uniformly to all Nursing Homes and the Govt. Institutions, the primary health centres and the District hospitals functioning under the State Govt. and Union Govt. will suffer the most. Moreover, the uniform yardstick projected in the Bill cannot be applied to the Rural, District, City and various other hospitals in the country as it would jeopardize the existing functioning of many Govt. Institutions as well small and medium private nursing homes. There need to be different types of bill for different hospitals.*

*The Bill sent for our perusal seems to be suitable only for multi-speciality hospitals rendering tertiary care in Metropolitan Cities with the following modifications:-*

*The modifications needed in the Bill are in page No.14 clause 4.4.3.7, the following sentence may be added:-*

*“Ramp should be provided in all Nursing Homes to shift the patients during fire accident and other emergencies.”*

*In page No.15, clause 4.4.3.10 – the waste disposal system should be modified as follows:-*

*“The waste disposal should be as per the State National Pollution Board norms.”*

After due deliberations, the Executive Committee of the Council decided as under:-

1. The Draft Indian Standard Guidelines for Nursing Homes, Maternity Nursing Homes and for single Doctor Clinic including Dental Clinic received from the Bureau of Indian Standard (BIS) seems to be suitable only for multispeciality hospitals rendering tertiary care.
2. The uniform yardstick projected in the Draft Indian Standard Guidelines cannot be applied to all health care establishments rendering primary and secondary health care as it would jeopardize the existing functioning of many Govt. Institutions particularly Community Health Centres and Primary Health Centres functioning in the rural areas at Taluka & Village level as well as small and medium private nursing homes and single doctor establishments.
3. In view of above, there is need to have different types of guidelines for different hospitals rendering different levels of health care i.e. primary, secondary and tertiary care hospitals.

Read : The matter with regard to award of Canteen contract in Medical Council of India.

The Executive Committee of the Council approved the following recommendations of the Purchase Committee with regard to award of Canteen contract in Medical Council of India:-

*“The Purchase Committee comprising of Sh. Ashok Kr. Harit, Deputy Secretary (Admn.); Dr. Davinder Kumar, Deputy Secretary; Mrs. Madhu Handa, Assistant Secretary & Sh. V.K. Aggarwal, Asst. Accounts Officer, met in the Council office on 08/05/2009 at 11.00 a.m. for finalizing the award of Canteen contract.*

*It has been observed from the file that as per the terms & conditions of the contract, the canteen contractor was supposed to provide good quality & hygienic foods items and maintain cleanliness hygiene, and sanitation in the kitchen & canteen. In spite of repeated warning to the canteen contractor, he failed to provide the tea/snacks/lunch to the officials and the members of the Council, who are attending various meetings in the Council office.*

*It has further been observed that the canteen contractor failed to provide the tea/snacks/lunch to the officials & the members of the Council, which amounts to breach of contract, a notice in terms of Clause No.18 of the terms & conditions of the tender document, was issued to M/s Group of Kitchen on 17/04/2009 by giving one month notice. It was further mentioned in the said notice that Council’s letter dated 17/04/2009 may be treated as one month notice and the services in terms of contract shall stand terminated upon expiry of the notice period, which is going to expire on 16/05/2009.*

*Two offers from various contractors viz. M/s Sri Krishna Caterers (dated 24/03/2009) and M/s Ramos (dated 01/04/2009) have been placed before the Purchase Committee for finalizing the award of canteen contract temporarily. It has been observed by the Committee that M/s Ramos in their offer letter dated 01/04/2009 has mentioned that “Keep a record : Minimum billing of 60 plates of Lunch per session is Mandatory”. Since the Council office can not assured the contractor for a minimum billing of 60 plates of lunch, the proposal of M/s Ramos can not be accepted. As regards offer of M/s Sri Krishna Caterers, it has been observed by the Committee that the contractor has sufficient material and infrastructure to run a canteen and they are already in the business of arranging kitty, birthday and dinner parties for various groups in Dwarka.*

*In view of above, the Committee observed that the notice period is going to expire on 16/05/2009, it will be difficult for the Council to serve tea/snacks/lunch, etc. to various dignitaries, members of the Council visiting for various meetings as well as to the officials of the Council in the absence of the canteen. The tender process will also takes time and therefore the Committee recommends to award the canteen contract to M/s Sri Krishna Caterers, purely on trial basis for a period of three months.”*

**37. Approval of Indira Gandhi Government Medical College, Nagpur for the award of MBBS Degree granted by Maharashtra University of Health Sciences, Nashik against the increased intake, i.e., 60-100.**

Read : The compliance verification inspection report (6<sup>th</sup> May, 2009) along with the Council Inspectors Report (8<sup>th</sup> & 9<sup>th</sup> June, 2007 and 23<sup>rd</sup> September, 2008) for approval of Indira Gandhi Government Medical College, Nagpur for the award of MBBS degree granted by Maharashtra University of Health Sciences, Nashik for the academic session 2009-2010.

The Executive Committee of the Council considered the compliance verification inspection report (6<sup>th</sup> May, 2009) along with the Inspectors report (8<sup>th</sup> & 9 June, 2007 and 23<sup>rd</sup> Sept., 2008) and noted the following:-

1. Building: Space is inadequate for all teaching activities in all departments and also for central facilities. The Dean informed that "The State Govt. has given Administrative approval and sanction for constructing new building of Casualty, Library, Extension of OPD building and one floor of Resident Hostel worth Rs. 10 Crores vide letter no. IGN-2008/No. 516/08/1 dt. 26.08.2008 and the architectural plans are under process by State PWD. The amount of Rs. 10 Crores has been sanctioned and ii).Administrative approval/release of grant GR. Letter no. IGN2008/A.No. 488/08/Adm-1, Mantralaya, Mumbai -400032 dt. 20.09.2008".
2. Hostel accommodation is available only for 291 students which is inadequate against the requirement of 500. No hostel for interns is available. No new hostel accommodation is constructed. Integrated Unit (Medical) Public Works Department, Nagpur has allotted 64 type I quarters spread over 4 buildings (16 quarters in each building) vide their letter no. 2869/08 dated 19.09.2008 to institution. However, this accommodation is approx. 3.2 Km. from medical college and no student or any other staff members is staying in these quarters.
3. Nurses: Accommodation is available for 18 nurses which is inadequate. Accommodation for nurses is inadequate.
4. There are only 7 residential quarters for faculty. No additional accommodation for the faculty has been provided.
5. Other deficiencies/remarks are in the main report.

In view of the above, the Executive Committee of the Council decided not to approve Indira Gandhi Government Medical College, Nagpur for the award of MBBS degree granted by Maharashtra University of Health Sciences, Nashik against the increased intake i.e. 60-100.

**38. Rama Medical College Hospital & Research Centre, Kanpur - Renewal of permission for admission of 2<sup>nd</sup> batch of students for the academic session 2009-2010.**

Read : The compliance verification inspection report (1<sup>st</sup> May, 2009) along with the Council Inspectors Report (24<sup>th</sup> & 25<sup>th</sup> February, 2009) for renewal of permission for admission of 2<sup>nd</sup> batch of students for the academic session 2009-2010 at Rama Medical College Hospital & Research Centre, Kanpur.

The Executive Committee of the Council considered the compliance verification inspection report (1<sup>st</sup> May, 2009) along with the Inspectors report (24<sup>th</sup> & 25<sup>th</sup> February, 2009) and noted the following:-

1. The shortage of teaching staff is as under:-

(a) The shortage of teaching faculty is 10.4% (i.e. 10 out of 96) as under :-

- |       |                     |      |   |
|-------|---------------------|------|---|
| (i)   | Professor           | : 02 | (Forensic Medicine -1 & Paediatrics -1)                                 |
| (ii)  | Associate Professor | : 02 | (Physiology -1 & Radio Diagnosis -1)                                    |
| (iii) | Assistant Professor | : 05 | (Anatomy -1, Lect. Bio. -1, Pharma.Chemist-1,<br>Pathology -1 & ENT -1) |
| (iv)  | Tutor               | : 01 | (Forensic Medicine -1)  |

(b) The shortage of Residents is 5.3% (i.e. 3 out of 56) as under :-

- |      |              |      |  |
|------|--------------|------|--|
| (i)  | Sr. Resident | : 02 | (General Medicine -1 & General Surgery -1) |
| (ii) | Jr. Resident | : 01 | (General Medicine -1)                      |

[c] Dr. A.D. Tiwari who is the Principal of the institution was not accepted as Professor in Paediatrics due to non-availability of any other Professor in the department. Dr. Aninudh Thakre, Assoc.Prof. was incharge of Paediatrics Department on the day of inspection.

2. Available clinical material is inadequate as under :-

	Day of Inspection
Bed occupancy%	50%
<u>Operative work</u>	
Number of normal deliveries	-
Number of caesarian Sections	01
<u>Radiological Investigations</u>	
X-ray	27 patients, 54 x-rays
<u>Laboratory Investigations</u>	
Biochemistry	42 – sample, 126 - test
Histopathology	-
Cytopathology	-

- In the OPD, lot of patients were shown who did not require any consultation. (they had vague symptoms like nausea, backache, bodyache, headache, itching etc.)
  - Number of patients recorded in the central computer in the OPD did not tally with the records available in various OPDs.
  - Only 42 samples were collected in the central clinical lab till 3.00 p.m. on the day of inspection. (Blood, Urine and other body fluids).
  - There was no proper segregation of hospital waste (only one bucket of red colour was available in which all the hospital waste was thrown).
  - Only 27 patients had come to the radiology department for x-ray till 3.00 p.m.
  - In the Central Computer 73 admissions were made on 1<sup>st</sup> May, 2009 and 36 admissions were made on 2<sup>nd</sup> May, 2009. However, in the records available in the various wards, no admissions/discharges were shown in the register after 27<sup>th</sup> April, 2009.
  - The bed occupancy which was apparent on the day of inspection was around 80% but the case sheets were available only for 40-50% of the patients. Remaining patients were made to occupy the beds with no hospital records of admissions/treatment order.
  - When the inspection team took the round of the hospital, 2<sup>nd</sup> time (at 4.30 p.m.), the fake patients were seen leaving the wards. However, when they saw the team, they started running towards the wards to occupy the beds.
3. Examination hall is available with 110 seating capacity as against the requirement of 250 seating capacity. Deficiency partially rectified.

4. Central Library : There are only 3 Indian Journals and 7 Foreign journals available in the Central Library as against the requirement of 21 Indian & 12 Foreign journals. Deficiency not rectified.
5. Experimental Pharmacology laboratory is available with no chemicals and no washing area in the preparation room. Deficiency remains as it is.
6. Clinical Pathology/Haematology laboratory is available but non-functional. However, the flooring is yet to be done. There are only 27 Microscopes with no light arrangement. No catalogues are available in the Pathology Museum.
7. The flooring is yet to be done in the Microbiology museum. It is non-functional. Deficiency remains as it is.
8. Forensic Medicine Department : There is no water in the preparation room. Live electrical wires were hanging in the lab near the working tables. The Museum had no poison, no catalogues (in place of poisons, bottles containing common salt, sugar and ajwain were available).
9. Community Medicine Department : In the museum, the specimens were shown in the form of 20 different types of pulses. The models and charts were inadequate. No catalogues were available in the museum.
10. Other deficiencies/remarks are in the main report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 2<sup>nd</sup> batch of MBBS students for the academic year 2009-10 at Rama Medical College Hospital & Research Centre, Kanpur.

**39. Index Medical College Hospital & Research Centre, Indore - Renewal of permission for admission of 3<sup>rd</sup> batch of students for the academic session 2009-2010.**

2. Clinical material is inadequate as under:-
- a. It was observed that some of the persons standing in queue in OPD did not have any genuine complaint, however they were found in queue.
  - b. Though the bed occupancy was 89.8%, some of the patients were admitted without genuine symptoms and clinical problem requiring hospitalization. Thus genuine patients in the wards were much less than the beds occupied.
  - c. There was no caesarian section on the day of inspection.
  - d. The number of X-Ray taken & Laboratory investigations done in Histopathology, Cytopathology, Serology, were very less so as to commensurate with the number of patients in OPD, Indoor patients and number of major surgeries performed. 23 major surgery were performed on the day of inspection, however only 4 specimen were sent for histo-pathological examination. Normally in most of the major surgery the part operated is sent for histo-pathological examination.
  - e. Special procedures carried out in Radio diagnosis were less as compared to the number of patients in OPD and Indoor.
  - f. In spite of 89.8 % occupancy in the indoor wards, the number of CT scan performed for indoor patients was nil.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 2<sup>nd</sup> batch of MBBS students for the academic year 2009-10 at Shri Ram Murti Smarak Instt. of Medical Sciences, Bareilly.
