1. **Minutes of the Executive Committee meetings held on 16th March, 2017, 21st March, 2017 & 28th March, 2017 – Confirmation of.**

The Executive Committee of the Council noted that the minutes of its meetings held on 16th March, 2017, 21st March, 2017 and 28th March, 2017 have been sent to Ministry of Health & Family Welfare, Nirman Bhavan, New Delhi. Therefore, there are no minutes for confirmation.

2. **Minutes of the last meeting of the Executive Committee – Action taken thereon.**

The Executive Committee of the Council noted that the action will be taken on minutes of its meetings held on 16th March, 2017, 21st March, 2017 and 28th March, 2017 (that were not read & confirmed) on receipt of comments from Central Govt./Oversight Committee.

3. **Pending Items arising out of the decisions taken by the Executive Committee.**

The Executive Committee of the Council noted the pending items arising out of the decisions taken by the Executive Committee.

4. **Minutes of meeting of the TEQ Sub-Committee at its meeting held on 17.03.2017.**

Read: the matter with regard to Minutes of meeting of the TEQ Sub-Committee at its meeting held on 17.03.2017.

The Executive Committee of the Council perused the minutes of the TEQ Sub-Committee meeting held on 17th March, 2017 and approved the recommendations of the Sub-committee with regard to Item # 4, 5, 7 & 8 and with regard to other items, decided as under:-

Item No.2 **Confirmation of eligibility for the post of Senior Resident in the department of General Surgery in respect of Dr .Hiteshkumar D Patel in Medical College in India.**

The Executive Committee of the Council noted the recommendations of the TEQ Sub-Committee .However qualification required for the post of Senior Resident is only M.B;B.S .with 3 years 'experience as a Resident in a medical college affiliated hospital .Hence DNB qualification & ancillary details thereto are irrelevant for the purpose of eligibility as Senior resident.Referred back to TEQ Sub-Committee to decide the matter in accordance with Regulations.

Item No.3 **Confirmation of eligibility for the post of Professor in the department of Anaesthesiology in respect of Dr .Sawai Singh Jaitawat in a Medical College.**

The Executive Committee of the Council noted that no decision by TEQ Sub-committee is recorded .However as it is stated in the Minutes that "available information reveals inadequate teaching experience for the said post", Dr . Swaraj Singh Jaitawat is not eligible for the promotion to Professor.

Item No.6 Request for corrections of qualification for teachers in Radiological Physics in Minimum Qualification for Teachers Regulations, 1998 appearing on MCI website.

The Executive Committee of the Council approved the recommendations of the TEQ Sub-Committee and directed to place before the General Body of the Council.

Item No.9 Request for confirmation of eligibility for the post of Assistant Professor in the department of Nephrology in respect of Dr .Manoj .C in medical college.

The Executive Committee of the Council referred back the matter to TEQ Sub-committee to decide in accordance with prevalent Regulations.

5. Approval of the proceedings of the Ethics Committee meetings held on 24-25.01.2017, 06-07.02.2017, 27-28.02.2017 & 07-08.03.2017.

Read: the matter with regard to approval of the proceedings of the Ethics Committee meetings held on 24-25.01.2017, 06-07.02.2017, 27-28.02.2017 & 07-08.03.2017.

The Executive Committee of the Council perused the minutes of the Ethics Committee meetings held on 24-25.01.2017, 06-07.02.2017, 27-28.02.2017 & 07-08.03.2017 and approved the recommendations of Ethics Committee with regard to Item # 3, 4, 8 to 19, 22 – 25, 28 – 36 and for the rest of the items decided as under:

01.	To consider the matter in respect of Dr. Reena Gupta, Senior Resident, Department of Radio-Diagnosis/Radiology, National Institute of Medical Sciences, Jaipur - forwarded by PG Section	24 th & 25 th January, 2017
-----	--	---

The Executive Committee of the Council did not approve the recommendations of the Ethics Committee. Ethics Committee has not taken into cognizance the fact that the experience details of Dr. Reena Gupta have been changed subsequent to the deficiency being pointed out by PG Committee and thus false details of experience have been submitted in the Declaration Form signed by the Dr. Reena Gupta & countersigned by the Dean with a view to make her eligible which is not permissible. The Executive Committee referred back to Ethics Committee to take appropriate decision in the matter.

02	Assessment of the physical and other teaching facilities available for renewal of permission for MBBS course for 3rd batch of 150 MBBS students at Viswabharathi Medical College, Kurnool, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-2017 – Note forwarded by Undergraduate Section	06 th & 07 th February, 2017
----	--	--

The Executive Committee of the Council noted that the matter pertains to faculty / Senior residents who have been found to have given false information in Declaration Forms.

1. Dr. Mansur Basha

The Executive Committee of the Council referred back to Ethics Committee to verify from the report and/or Institute in which ward he was posted and to resubmit the matter.

2. **Dr. Chandra Mouli Reddy**

3. **Dr. Pushpa Latha**

4. **Dr. A. Swetha**

5. **Dr. Syed Jawad Hussain**

7. **Dr. H. Jagadish Prasad**

The Executive Committee of the Council approved the recommendations of the Ethics Committee in respect of above at sl.no.2 to 5&7.

6. **Dr. Rama Siva Naik**

The Executive Committee of the Council referred back to Ethics Committee. It is stated that "*Ethics Committee was convinced with the statement given by Dr. Rama Siva Naik*", then reasons for awarding punishment of "*stern warning*" need to be elaborated clearly as the punishment of warning indicates guilt which is not in consonance with the observation of Ethics Committee. The Committee directed that the matter be resubmitted after due deliberations with proper reasoning.

8. **Dr. N. Ravikumar Reddy**

The Executive Committee of the Council observed that the allegations were Dr. N. Ravishankar Reddy, Assistant Professor in TB & Chest department do not know the details of admitted patients and also do not have any signature or treatment advice written in case sheet. Although his explanation covers the former charge, it is silent on the latter. The Committee referred back to Ethics Committee to examine the latter aspect also & to take appropriate decision in the matter thereafter.

9. **Dr. P. Sree Rama Prasanna**

The Executive Committee of the Council referred back to Ethics Committee. It is stated that "*The Ethics Committee was convinced with the statement given by Dr. P. Sree Rama Prasanna*", then reasons for awarding punishment of "*removal of name for 1 year*" need to be elaborated clearly as this punishment indicates guilt which is not in consonance with the observation of Ethics Committee. The Committee directed that the matter be resubmitted after due deliberations with proper reasoning.

10. **Dr. B. Prasad**

The Executive Committee of the Council approved the recommendations of the Ethics Committee. However, it appears that although Ethics Committee has recommended action against faculty/Residents as stated above, no action is recommended against Dean who has countersigned their Declaration Forms. Hence the Executive Committee directed to call him and to take appropriate action in the matter.

5.	Assurance given in Rajya Sabha Starred Question No.96 dated 03.05.2016 regarding inflated price of cataract lens	06 th & 07 th February, 2017
----	--	---

The Executive Committee of the Council observed that fixing the price of a particular material or procedure is beyond the purview of MCI. Further, only the Registered Medical Practitioners are within ambit of MCI. Organizations like

Hospitals, Nursing Homes, etc. are beyond the jurisdiction of MCI. Hence it would be more appropriate if such an exercise is undertaken at the level of Ministry of Health & Family Welfare. This be communicated to the Ministry.

6.	Letter/e-mail dated 12.08.2016 received from National Accreditation Board for Testing & Calibration Laboratories	06 th & 07 th February, 2017
----	--	---

The Executive Committee of the Council did not approve the recommendations of the Ethics Committee. Earlier decision of Executive Committee dt. 15/01/2015 that "All lab reports to be signed/countersigned by persons registered with MCI/State Medical Council" is reiterated.

7.	Matter with regard to false signatures in attendance sheet of faculty of New Medical College at Bhopal, Madhya Pradesh by Advance Medical Science and Educational Society	27 th & 28 th February, 2017
----	---	--

The Executive Committee of the Council approved the recommendations of the Ethics Committee and directed the Office to initiate proceeding u/s 8(3)(1)(d) of Establishment of Medical College Regulations against the Institute.

The Executive Committee of the Council approved the recommendations of the Ethics Committee and directed the office that if the decision of Uttarakhand Medical Council is not received within 3 months, the appeal be revived *suo moto* by Ethics Committee and decided on merits.

26.	Appeal dated 06.03.2015 filed by Dr. Manju Singh, against Order dated 26.02.2015 passed by Madhya Pradesh Medical Council	07 th & 08 th March, 2017
-----	---	--

The Executive Committee of the Council did not approve the recommendations of disposal of the matter & closure of file. It be noted that Hon'ble High Court has granted a stay order against order of MPMC. The Executive Committee directed the Legal Section of the Council to obtain latest status of the W.P. before Hon'ble M.P. High Court and keep it on record. File to be kept alive till final disposal of the case or lifting of the stay by Hon'ble High Court and if so, to be examined in accordance with Regulations & decision to be taken accordingly.

27.	Appeal dated 15.04.2014 filed by Dr. Sanjiv Gupta against Order dated 18.03.2014 passed by Delhi Medical Council	07 th & 08 th March, 2017
-----	--	--

The Executive Committee of the Council approved the recommendations of the Ethics Committee. It was however observed that original punishment awarded by Delhi Medical Council was for medical negligence while presently Ethics Committee has awarded the punishment for violation of Section 6.4.1& 1.3.1. There is no mention of medical negligence in the present decision. The Executive Committee referred back to Ethics Committee to examine whether there is medical negligence or not and take appropriate decision with regard to aspect of negligence.

Office Note: The decision confirmed above be conveyed to all concerned upon confirmation of the minutes of Executive Committee. Punishment, if any, with regard to medical negligence as recommended by Ethics Committee and confirmed by the Executive Committee shall be conveyed separately.

37.	Appeal dated 28.10.2015 filed by Sh. Ram Kishor Singh against Dr. Vijay Kumar of Kumar Nursing Home, Begusarai, Bihar & Dr. Mukesh Kumar, Bone & Joint Hospital, Pokharia, Begusarai, Bihar	07 th & 08 th March, 2017

5. *The participants shall be issued a certificate of attendance signed by Chairman, Ethics Committee, MCI, President, State Medical Council and the State Council shall award credit hours to all participants.equivalent to the hours of attendance.”*

7. Proposal for inserting an amendment in the “Indian Medical Council (Professional conduct, Etiquette and Ethics) Regulations, 2002” giving power to the Council to grant stay on the operation of the Order of the State Medical Councils during the pendency of the Appeal with MCI.

Read: the matter with regard to proposal for inserting an amendment in the “Indian Medical Council (Professional conduct, Etiquette and Ethics) Regulations, 2002” giving power to the Council to grant stay on the operation of the Order of the State Medical Councils during the pendency of the Appeal with MCI.

The Executive Committee of the Council perused the following amendment in the Ethics Regulations proposed by the Ethics Committee:

The Members of the Ethics Committee unanimously resolved to propose to the Executive Committee to take up the issue and recommend insertion of necessary amendment in the Indian Medical Council(Professional conduct, Etiquette and Ethics)Regulations, 2002” to the effect that the Council shall have the power to grant stay on the operation of the Order of the State Medical Council during the pendency of the appeal with the Medical Council of India, which may be granted ex-parte, at the time of entertaining and admitting the Appeals by the Ethics Committee.

The Executive Committee of the Council approved the above amendment for incorporating the same in the “Indian Medical Council (Professional conduct, Etiquette and Ethics) Regulations, 2002”.

The matter be sent to members of General Body by circulation.

8. Approval of the minutes of the Monitoring Sub-Committee meeting held on 20/02/2017.

Read: the matter with regard to approval of the minutes of the Monitoring Sub-Committee meeting held on 20/02/2017.

The Executive Committee of the Council perused the minutes of the Monitoring Sub-Committee meeting held on 20/02/2017 and approved the item nos.1,3,4,5,6,7,8,9,10,11,12,13,14,16,18,19,20,23,24,26,27,28,29,30,31,32,33,34,35,36,37,38,39,40,41,42,43,44,46,47,48,50,51,52,53,54,56,60,66,67,69,71,80,81,82,83,84,85,90& 91. The rest of the items, the Executive Committee observed as under:

2. Admission of 1st year MBBS student at Padmashri Dr. Vithalrao Vikhe Patil Foundations Medical College, Ahmednagar, Maharashtra for the Academic Year 2016-17 – Regarding.

The Executive Committee approved the recommendations of the Monitoring Sub-Committee. However, while asking for clarification, Institution be asked to supply a copy of the Govt. Resolution permitting the Institute to admit the students as stated by it. The information be also obtained from DME, Maharashtra.

15. Admission of 1st year MBBS student at Kannur Medical College, Kannur, Kerala for the Academic Year 2016-17 – Regarding.

The Executive Committee noted the recommendations of the Monitoring Sub-Committee and directed the office to obtain the latest status from the Legal Section of the Council.

17. Admission of 1st year MBBS student at Pondicherry Institute of Medical Sciences & Research, Pondicherry for the Academic Year 2016-17 – Regarding.

The Executive Committee of the Council directed the office to confirm from the Director of Medical Education of the State with regard to the reply received from the Institute which states –

“That Pondicherry Institute of Medical Sciences has not agreed for any percentage of seats to the Govt. of Pondicherry for the year 2016-17. However management has surrendered 38 seats to the Government sponsored students and the Govt. of Pondicherry have send us a list of 38 students through CENTAC to admit at Pondicherry Institute of Medical Sciences and the same has been admitted.

In 2010-11, all the colleges together totally agreed to allot 265 seats to the Government as against 261 seats allotted in the year 2009-10. Further even the consensus arrived in the year 2010-11 is only for that year and this is further evident from the fact that every year we have agreed separately for surrender of the seats in the high level meeting with the Government and hence there was no fixed percentage of seats demanded by the Government nor accepted by the institution.

The Government can neither insist nor impose any demand on seats from the private unaided colleges, as per the Judgment in P.A. Inamadar & Other Vs. State of Maharashtra & Others.”

21. Admission of 1st year MBBS student at Maheshwara Medical College, Chitkul, Patancheru, Medak, Telangana for the Academic Year 2016-17 – Regarding.

The Executive Committee approved the recommendation with regard to 2 students admitted under NRI Quota. With regard to Ms. Kurella Ashwithananda, opinion of Law Officer be obtained whether such pooling as mentioned in clarification to arrive at minimum qualifying marks is permissible or not. Monitoring Sub-committee to take further action on opinion of Law Officer straightaway.

22. Admission of 1st year MBBS student at Shri Satya Sai Medical College and Research Institute, Kancheepuram, Tamil Nadu for the Academic Year 2016-17 – Regarding.

The Executive Committee approved with regard to admissions in Management Quota. In respect of admission of Carolin Cynthia J., the Executive Committee directed to obtain confirmation from Association of Indian Universities, New Delhi whether she is eligible to pursue medical course or not. Monitoring Committee to take a decision straightaway depending upon the opinion of AIU.

25. Admission of 1st year MBBS student at Sikkim Manipal Institute of Medical Sciences, Gangtok, Sikkim for the Academic Year 2016-17 – Regarding.

The Executive Committee noted the recommendations of the Monitoring Sub-Committee and directed the office to obtain latest status of the case from Legal Section of the Council.

45. Admission of 1st year MBBS student at Shadan Institute of Medical Sciences, Research Centre and Teaching Hospital, Peerancheru, Telangana for the Academic Year 2016-17 – Regarding.

The Executive Committee approved the recommendations of the Monitoring Sub-Committee. However it was observed by members of the Executive Committee that no explanation is given by the Institute and no decision is taken by Monitoring Sub-committee regarding the following 5 General Category students who have < 50 % marks in NEET:

#	Name	Percentile
1	ABDUL MALIK	40.786190
2	KEFAYA	49.468903

4	MOHAMMED TAHA HUSSAIN	49.156140
5	RAFEA TAQIUDDIN	40.409287

The Executive Committee decided to issue Discharge Notice in respect of these 5 candidates. Institute be asked to submit compliance within 2 weeks. Copy of the Discharge Notice be also sent to Secretary (ME), DME, affiliating University, State Medical Council and the representative of the State on MCI.

49. Admission of 1st year MBBS student at Medicity Institute Of Medical Sciences, Ghanpur, Telangana for the Academic Year 2016-17 – Regarding.

The Executive Committee approved the recommendations of the Monitoring Sub-Committee. The Committee directed that the opinion of Council Advocate be taken in this regard. Feasibility of filing SLP before Hon'ble Supreme Court be also explored. Monitoring Sub-committee to take further appropriate action upon the opinion of Council Advocate straightaway.

55. Admission of MBBS student at P E S Institute of Medical Sciences & Research, Kuppam for the Academic Year 2015-16 – Regarding.

The Executive Committee approved the recommendations of the Monitoring Sub-Committee. The Committee directed to issue Discharge Notice in respect of the candidate Ms. Tunga Ashitha. Institute be asked to submit compliance immediately. Copy of the Discharge Notice be also sent to Secretary (ME), DME, affiliating University, State Medical Council and the representative of the State on MCI.

57. Admission of MBBS Student at Maharajah's Institute of Medical Sciences, Vizianagaram for Academic year 2015-16 – regarding.

The Executive Committee approved the recommendations of the Monitoring Sub-Committee. The Committee directed to issue Discharge Notice in respect of these 16 candidates. Institute be asked to submit compliance immediately. Copy

of the Discharge Notice be also sent to Secretary (ME), DME, affiliating University, State Medical Council and the representative of the State on MCI.

58. Admission of MBBS student at Dr. P S I Medical College, Chinoutpalli for the Academic Year 2015-16 – Regarding.

18. Seethepalli Abhigna
19. Madala Naga Swetha
20. Vinay Venigalla
21. Mallela Haasa Virajitha
22. Munsif Bharath Reddy
23. Surya Yalamanchili

The Committee further decided that the Institute be asked to submit compliance immediately. Copy of the Discharge Notice be also sent to Secretary (ME), DME, affiliating University, State Medical Council and the representative of the State on MCI.

59. Admission of 1st year MBBS students from the academic year 2007-08, 2008-09, 2013-14 and 2014-15 at National Institute of Medical Sciences & Hospital, Jaipur.

The Executive Committee of the Council perused the reply from the Institute and observed as under:

- (1) In Para (g), it is submitted that “The students admitted in Academic year 2013-14 and 2014-15 cannot be discharged as these admissions are as per regulations and permissions from the Govt. of Rajasthan, as per merit list of NEET counseling in 2013-14 and Federation Counseling in 2014-15. The lists of students of 2013-14 and 2014-15 have already been submitted.”

In this regard, it was observed that there was no NEET in 2013-2014 which was introduced for the first time in 2016. Hence the question of admitting students from NEET merit list cannot arise. Thus it is not clear which merit list is used for admitting the students. This has to be examined for Academic year 2014-2015 also wherein it is stated “Federation Counselling” was the method to admit the students.

The Executive Committee of the Council perused the list of students provided by the college for the Assessment Year 2007-08 onwards and the list provided by the Income Tax department and found that there are discrepancies in both the list. The names of the students which were not found in MCI records are as under:-

Read: the matter with regard to Health & Family Welfare Department Academic - Shifting of 49 students of 2nd year MBBS Course of the Government Medical College, Idukki to other Government Medical Colleges.

The Executive Committee of the Council observed that at its meeting dt. 04/11/2016, it was decided as under:

“The Executive Committee of the Council observed that:

(a) In both the letters from Govt. of Kerala, only proposal is to shift the students to other medical colleges; but there is no proposal to close the Govt. Medical College, Idukki;

(b) For Academic Year 2014-2015, Executive Committee of the Council considered the letter/compliance dated 25/06/2014 received from the Principal, Government Medical College, Idukki furnishing the compliance report for rectification of deficiencies pointed out by the Council Assessors in the assessment report as forwarded by the Central Government vide letter dated 1st July, 2014 received in the Council Office on 1st July itself as well as compliance report dated 12th July, 2014 submitted at the time of hearing alongwith the previous assessment report (26th & 27th May, 2014) as well as undertaking received from Health Secretary, Health Deptt. of Govt. of Kerala dated 12.07.2014 and decided to recommend to the Central Govt. to issue Letter of Permission for establishment of new medical college with annual intake of 50 seats at Painav, Idukki, Kerala by Government of Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2014-15.

- (c) For Academic Year 2015-2016, in view of gross deficiencies, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for MBBS course for 2nd batch (50 seats) of Govt. Medical College, Idukki, Kerala under Kerala University of Health Sciences, Thrissur, Kerala u/s 10A of the IMC Act, 1956 for the academic year 2015-2016. However, the Central Govt. vide letter dated 15.06.2015 granted permission for renewal of 2nd batch to Govt. Medical College, Painav, Idukki with an annual intake of 50 seats for the academic year 2015-16 u/s 10A of the IMC Act, 1956 against the negative recommendation of the Council, on the basis of undertaking dated 13/05/2015 of the State Govt. of Kerala regarding rectification of the deficiencies.
- (d) For Academic Year 2016-2017 in view of gross deficiencies, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of admission of 3rd batch of 50 MBBS students at Govt. Medical College, Painav Idukki, Kerala under Kerala University of Health Sciences & Allied Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2016-2017. The Central Govt. vide its letter dated 15.06.2016 also not granted renewal of permission for admission of 3rd batch of 50 MBBS students to Govt. Medical College, Painav Idukki, Kerala u/s 10A of the IMC Act, 1956 for the academic year 2016-2017.
- (e) From the above sequence of events, it is obvious that Govt. of Kerala has not fulfilled undertaking given by it repetitively and deficiencies continue to persist.
- (f) Govt. of India has granted Renewal of Permission for Academic Year 2015-2016 contrary to recommendation of MCI ostensibly on the undertaking furnished by Govt. of Kerala which has not been fulfilled.

In view of above, the Executive Committee of the Council decided to place the matter before Govt. of India for taking appropriate decision at its end."

Further, while considering the assessment report for the current Academic Year, Executive Committee at its meeting dt. 22/12/2016, it was decided as under:

"The Executive Committee perused the letter of Assessors dt. 22/11/2016 which states that "The Principal informed us that the college is not ready for assessment" as under:

1. The Assessors arrived at the college premises at 9.00 a.m. on 22.11.2016.
2. About 10 Faculty were reached the college by 9.30 a.m.
3. The District Hospital is under the control of the Health Services and a new hospital building is coming up as shown in the soft copy. Only the land was shown and the Environment Impact Assessment was being done on the day of the inspection.
4. The Administrative Block building is at the stage of Footings and work is in progress.
5. There were No students in the college and the assessors were informed that the existing students were reallocated to other Govt. colleges.
6. The Departments of Anatomy, Physiology and Biochemistry were found to be existing.

The Executive Committee also perused the letter from the Principal of the college in which it is stated that "... it was decided that there will be no admission in 2016 & 2017 and advised to inform the Medical Council of India team that the college is not ready for inspection this year."

In view of above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 4th batch of 50 MBBS students at Govt. Medical College, Painav, Idukki, Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2017-2018.

The Executive Committee of the Council further observed that the State Govt. of Kerala had already transferred the students of batch of 2014-15 and 2015-16 to other Govt. Medical Colleges of the State namely (1) Govt. Medical College, Trivandrum; (2) Govt. Medical College, Kottayam; (3) Govt. Medical College, Calicut; (4) Govt. Medical College, Alleppey and (5) Govt. Medical College, Thrissur without prior permission of the Council/Gov. of India. These are illegal transfers and accordingly the Committee decided to direct the State Govt. to annul the transfers and shift the students back to the college immediately and compliance of the same be submitted to the Council within one week.”

Presently a letter dt. 08/02/2017 is received from Joint Secretary, Govt. of India which reads as under:

“Kindly refer to the Council’s letter No.MCI-34(41)(R-44)/2016-Med./157366, dated 04.01.2017 directing the State Govt. of Kerala to annul the transfers and shift the students back to Government Medical College, Idukki, Kerala.

Additional Chief Secretary (Health & Family Welfare Department), Govt. of Kerala has written to the Ministry for ratification of their action of shifting students from Govt. Medical College, Idukki to other Govt. Medical Colleges in the State, which was taken for ensuring quality medical education in the State.

After considering the matter, the Ministry is of the view that though the State Government had unilaterally shifted students, their action appears to be in the interest of the students of the college.

I, therefore, request you to consider the matter for regularizing the action taken by the Government of Kerala, i.e. shifting the MBBS students of 2014-15 and 2015-2016 Batches of Government Medical College, Idukki to other Government Medical Colleges of the State.”

In view of above, the Executive Committee of the Council decided to reiterate its earlier decision directing the State Government to annul the transfers and shift the students back to the college immediately for the batches 2014-15 and 2015-16 to other Govt. Medical Colleges of the State of Kerala namely (1) Govt. Medical College, Trivandrum; (2) Govt. Medical College, Kottayam; (3) Govt. Medical College, Calicut; (4) Govt. Medical College, Alleppey and (5) Govt. Medical College, Thrissur without prior permission of the Council/Gov. of India. These are illegal transfers and accordingly the Committee directed that compliance of the same be submitted to the Council within one week.

I have peruse the letter dated 30.12.2016 and 15.02.2017 from the office of DGAFMS, Ministry of Defence. The concerns raised by Maj Gen. Madhuri Kanitkar, Dy DGAFMS (Plg & Trg) for DGAFMS in her letter dated 30.12.2016 regarding Implementation of Online Faculty Monitoring System in Armed Force Medical Colleges are as under.

"(1) Availability of personal data of faculty i.e.serving Medical Offrs of Armed Forces in public domain may not be permissible as it will be considered a security breach.

(2) The introduction of biometric finger print device for capturing of attendance of uniformed personnel may lead to divulging of details with respect to strength, turnaround time and other essential information of the AFMS compromising guidelines concerning national security.

(3) Further, mandatory periods of absence of faculty due to Armed Forces operational and other service requirements may be considered as deficiency of faculty during subsequent MCI assessment.

(4) Installation of system in AFMS Institutions will require clearance from appropriate security authorities including military intelligence.

(5) It is reinforced that Armed Forces Personnel cannot remain away from station of duty without appropriate sanction. Absence from duty station without leave is a serious offence in the Armed Forces and hence the additional monitoring of presence may not be required. No officer can be

shown as faculty simultaneously at two AFMS Institutions, since station of posting can be only one. Hence, there is always factual accountability."

The above concerns are in relation to national security and as the matter pertains to national security it is required in my considered opinion to be accorded utmost importance. Therefore, on the above sought grounds the Armed Forces Medical Institution may be considered for grant of waiver from the implementation of DMMP Project. However, in granting such relaxation it may categorically stated that it is incumbent upon Armed Forces Authorities to ensure that the faculty strength in the Medical Institution under them is maintained in accordance with MCI norms. The relaxation in case approved by the EC would also required approval from the Ministry of Health and Family Welfare, Govt. of India."

The Committee decided to convey the above-said decision to the Central Govt.

50. Inclusion of Medical Colleges of six new AIIMS in the list of recognized colleges – maintained by Medical Council of India.

Read: the matter with regard to inclusion of Medical Colleges of six new AIIMS in the list of recognized colleges – maintained by Medical Council of India.

The Executive Committee of the Council perused the letter dt. 13/02/2017 from Central Govt. which reads as under:

"... Six new All India Institute of Medical Sciences (AIIMS), namely Bhopal (Madhya Pradesh), Bhubaneswar (Orissa), Jodhpur (Rajasthan), Patna (Bihar), Raipur (Chhattisgarh) and Rishikesh (Uttarakhand) were established in the year 2012 by Ministry of Health & Family Welfare, Government of India under Pradhan Mantri Swasthaya Suraksha Yojna (PMSSY). These institutes have been established by an Act of Parliament on the lines of AIIMS, New Delhi, namely, the All India Institute of Medical Sciences, Act, 1956 and the All India Institute of Medical Sciences (Amendment) Act, 2012. These institutes impart both under-graduate and post-graduate education in all its branches and related field.

As per clause 23 of AIIMS Act 1956, any degree/diploma granted by such institutes under this Act shall be recognized medical qualification for the purpose of Indian Medical Council Act, 1933. This clause is retained as it is, in the AIIMS (Amendment) Act, 2012."

In view of above, the Executive Committee of the Council decided that the degrees from six new All India Institute of Medical Sciences (AIIMS), namely Bhopal (Madhya Pradesh), Bhubaneswar (Orissa), Jodhpur (Rajasthan), Patna (Bihar), Raipur (Chhattisgarh) and Rishikesh (Uttarakhand) which were established in the year 2012 by Ministry of Health & Family Welfare, Government of India be included in the Schedules of IMC Act, 1956.

51. Re-admission of Mr. Anas Ashraf K.A. in MBBS at Jubilee Mission Medical College & Research Institute, Thrissur.

Read: the matter with regard to re-admission of Mr. Anas Ashraf K.A. in MBBS at Jubilee Mission Medical College & Research Institute, Thrissur.

The Executive Committee noted that Mr. Anas Ashraf K.A. has completed his third professional MBBS Part-I examination conducted during April, 2015. While conducting his final MBBS part II studies, he was absent for eight months

due to illness and he was granted leave from 04.04.2016 to 04.12.2016 on medical grounds. The Principal, Jubilee Mission Medical College & Research Institute, Thrissur stated that now Mr. Anas Ashraf K.A. has requested for permission to continue the MBBS course and intends to appear for the next coming III MBBS Part II University Examination.

After due deliberations, the Executive Committee of the Council decided to permit the Institute to allow Mr. Anas Ashraf K.A. to continue his study and appear at the next coming III M.B;B.S. Part II University examination if otherwise eligible.

52. Issuance of Passing Certificate and Internship Completion Certificate to Shri Mohammed Jainulla Abuddin, a student of J.N. Medical College, Belagavi who had been convicted by the Court in a murder case.

Read: the matter with regard to issuance of Passing Certificate and Internship Completion Certificate to Shri Mohammed Jainulla Abuddin, a student of J.N. Medical College, Belagavi who had been convicted by the Court in a murder case.

The Executive Committee of the Council observed that at its earlier meeting dt. 04/11/2016, it was decided as under:

"The Executive Committee of the Council observed that although it is mentioned in the letter of Registrar, KLE University, Belagavi that the candidate has approached the Court for directions to the college to issue passing certificate and internship completion certificate, no Order or proceedings of the Hon'ble Court are attached. The Committee further observed that in the application of the candidate, he has mentioned that "...have completed my Internship in 1999" while in the letter of college it is mentioned that 10 days prior to completion of his internship he was involved in a murder case without actually mentioning whether he has completed his Internship or not. Further in his application, the candidate has stated that "I'd lost my original college passing certificate" implying that passing certificate was issued to him while the letter from Registrar is silent on this aspect.

In view of above, the Executive Committee of the Council directed the office to obtain clarification as mentioned above from the Registrar, KLE University, Belagavi alongwith copy of the Hon'ble Court's orders. The Committee further directed the office to obtain the opinion of Law Officer of the Council in the matter and then resubmit the same before the Executive Committee."

In this regard, operative part of opinion of Law Officer reads as under:

"... Sixthly, on record in the file is order dated 17.09.15 passed by the Assistant Superintendent, Central Present Bellary. By virtue of this order the State Government has decided to remit such portion of imprisonment for life passed on Mohamad Jainulla Abhidin. It is clear from the perusal of the conditional release order that Shri Mohammed Jainulla Abuddin that he was convicted under section 302, 201 of the Indian Penal Code, 1860 by a Court of Law. These Section provides as under:

302. Punishment for murder: Whoever commits murder shall be punished with death, or imprisonment for life, and shall also be liable for fine.

201. Causing disappearance of evidence of offence, or giving false information to screen offender.—Whoever, knowing or having reason to believe that an offence has been committed, causes any evidence of the commission of that offence to disappear, with the intention of screening

the offender from legal punishment, or with that intention gives any information respecting the offence which he knows or believes to be false; shall, if the offence which he knows or believes to have been committed is punishable with death, be punished with imprisonment of either description for a term which may extend to seven years, and shall also be liable to fine; and if the offence is punishable with imprisonment for life and if the offence is punishable with imprisonment for life, or with imprisonment which may extend to ten years, shall be punished with imprisonment of either description for a term which may extend to three years, and shall also be liable to fine; and if the offence is punishable with imprisonment for any term not extending to ten years, shall be punished with imprisonment of the description provided for the offence, for a term which may extend to one-fourth part of the longest term of the imprisonment provided for the offence, or with fine, or with both.

2. Thus, on perusal of aforesaid provisions of the Indian Penal Code, 1860 it is clear that Shri Mohammed Jainulla Abuddin has been convicted for murder and for causing disappearance of evidence of offence or giving false information to screen offender. It may also be noted that after serving the sentence of life imprisonment for the offence for which he has been convicted is that of an innocent citizen.

3. Be that as it may, the larger issue is whether a person who has been convicted for such grave and heinous offences should be granted Passing Certificate and Internship Completion Certificate by the University. The consequence of grant of such certificate would enable him to seek registration to practice from the concerned State Medical Council.

4. The medical profession is a noble profession and in accordance with the Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulations, 2002 a physician should be an "upright man ... and keep himself pure in character". The offence of murder and destruction of evidence are grave and serious offence and in my considered opinion the issuance of Passing Certificate and Internship Completion Certificate by the University may lead to entry into medical profession of a person convicted of heinous offence. In order to maintain the integrity and nobility of the profession such convicted persons in my considered opinion should not be allowed entry into the medical profession. Therefore, the University/Medical College may be advised in view of the aforesaid not to grant Passing Certificate and Internship Completion Certificate to Shri Mohammed Jainulla Abuddin."

In view of above, the Executive Committee of the Council decided to approve the opinion of Law Officer and convey the decision to the University and Institute accordingly.

53. Prayer for Permission to continue graduation in Medical Education in Gauhati Medical College under Gauhati University (Now SSUHS).

Read: the matter with regard to prayer for permission to continue graduation in Medical Education in Gauhati Medical College under Gauhati University (Now SSUHS).

The Executive Committee of the Council noted that the matter pertains to Mr. Swarn Kant who was not being allowed by Gauhati Medical College, Gauhati to sit in the examination by the Gauhati University quoting the rule of MCI regulations that a student of I MBBS course is not permitted to sit in the I MBBS examination more than 4(four) chances over a period of 3(three) years from the date of enrolment.

In this regard, the Committee noted that the Council Office vide letter dated 4/8/2016 informed the Principal, Gauhati Medical College, Gauhati & Registrar, Srimanta Sankaradeva University, Assam as under:-

“In this connection, your attention is invited to Regulation 7, Sub-regulation 3 of MCI’s Graduate Medical Education regulations 1997 regarding examination as under:-

“(3) The first 2 semester (approximately 240 teaching days) shall be occupied in the Phase I (Pre-clinical) subjects and introduction to a broader understanding of the perspectives of medical education leading to delivery of health care. No student shall be permitted to join the Phase II (Para-clinical/clinical) group of subjects until he has passed in all the Phase I (Pre-clinical subjects) for which he will be permitted not more than four chances (actual examination), provide four chances are completed in three years from the date of enrollment.

In the above sub-section 7(3) the words “for which for which he will be permitted not more than four chances (actual examination), provided four chances are completed in three years from the date of enrollment” have been deleted in terms of notification published on 30.09.2003 in the Gazette of India.”

The Committee further noted that in reference to above communication of the Council Office, the Principal, Gauhati Medical College, Guwahati vide letter dated 6/2/2017 while referring to MCI letter dated 4/8/2016 (copy enclosed as annexure - 3) and letter dated 25/01/2017 (copy enclosed as annexure – 4) received from Shri Shiva Kishore Prasad (requesting therein to allow his son Shri Swarn Kant for continuation of his MBBS study in Gauhati Medical College, Gauhati) has stated as under:-

“In this regard it may be mentioned here that Swarn Kant – a student was admitted into first year MBBS course for the session – 2006 at Gauhati Medical College, Guwahati under Gauhati University on 29.09.2006. From July, 2008 to June, 2012 he appeared 7 (seven) times in first Professional MBBS examination under Gauhati University. But he has not yet passed in Anatomy & Biochemistry. The first Professional MBBS examination under Gauhati University held in June, 2012 for the last time. In the meantime Gauhati Medical College was affiliated under Srimanta Sankaradeva University of Health Sciences, Assam, from the year 2010 and the last examination conducted by Gauhati University was on June 2016.

Now the said student has completed more than 10 (ten) years from the date of admission. As per Regulation on Graduate Medical Education, 2012-clause 7.8 – a student shall not be allowed to graduate later than 9 (nine) years of joining first MBBS course. On the other hand for migration from Gauhati University to Srimanta Sankaradeva University of Health Sciences, the candidate shall be eligible to apply for migration only after qualifying in first professional examination. But he has not yet passed the first professional MBBS examination under Gauhati University.

Therefore, on the above mentioned circumstances, it appears that the candidate is not eligible to continue his studies in Gauhati Medical College, Guwahati.”

In view of above, the Principal, Gauhati Medical College, Gauhati has sought views of MCI in this regard.

The Executive Committee observed that in the State of Assam, Srimanta Sankaradeva University of Health Sciences has been established to which all Medical Colleges of Assam have been affiliated from the year 2010. However last examination was held by Gauhati University was as late as in June 2016. Thus this is a case of transition to successor University and not to a migration to another University which necessarily envisages continuance of existence of transferor University which is not the case. Further, there was no justifiable reason for not allowing the student to appear at I M.B;B.S. examination from September 2012 onwards on account of number of attempts as this provision was abolished in 2003.

It was further observed by the Executive Committee that sub-section 7(3) the words “for which he will be permitted not more than four chances (actual examination), provided four chances are completed in three years from the date

of enrollment” have been deleted in terms of notification published on 30.09.2003 in the Gazette of India.”

In view of above, the Executive Committee of the Council decided to direct Srimanta Sankaradeva University of Health Sciences and Principal, Gauhati Medical College to permit Swarn Kant to appear at I M.B;B.S. examination of the affiliating University.

The Executive Committee of the Council observed that at its earlier meeting dt. 23/08/2016, it was decided as under:

“The Executive Committee of the Council observed that the Vice Chancellor of Atal Bihari Vajpayee Hindi Vishwavidyalaya in his letter requesting for permission to provide medical education in Hindi as a medium of instruction has also stated inter alia as under:

“It is to be mentioned here specifically that the Gross Enrolment Ratio (GER) in the field of Higher Education is approximately 19 to 20 percent. In the field of medical education, it is even lesser. One reason of less gross enrolment ratio is

conducting all the courses through English medium. Today, there are many students in rural and urban areas who possess talent of medical but due to hindrance of language, they cannot come in medical field.” It was also observed that no valid statistics have been provided as to how such a conclusion has been arrived at”.

In view of above, the Committee decided that Vice Chancellor of Atal Bihari Vajpayee Hindi Vishwavidyalaya is requested to provide the basis and detailed statistics for arriving at such a conclusion. It was further decided that he may also be requested to provide a list of the medical books, journals and other reading material translated/written in Hindi”.

The Committee further noted that in reference to the Council’s letter dated 22/11/2016, the Vice Chancellor of Atal Bihari Vajpayee vide their letter dated 04/02/2017 has sent a detailed reply providing detailed statistics for arriving at such a conclusion, as desired by the Executive Committee. They have also enclosed therewith various documents including list of medical books, journals etc.

After due deliberations, the Executive Committee of the Council decided that the matter be placed before Academic Committee of the Council.

The Executive Committee perused the note prepared by Consultant (Finance) which reads as under:

- (i) The irregular pay fixation of 6 officials as listed in para 1 above and 2 PA's listed at serial no.16,17 and Law Officer at serial no.18, pointed out in audit para is to be rectified and refixed as per entitlement. The pay revision is to be carried out from 5th, 6th and 7th CPC. Arriving out the amount overpaid till date of rectification will involve considerable work and may take some time. As such it is proposed to carry out pay rectification initially and afterwards workout the amount overpaid to each official.
- (ii) While implementing 6th CPC recommendation the pay of 9 Assistants was wrongly fixed as Rs. 13,860/- against the entitle pay of Rs. 12,090/-. Incorrect fixation was pointed out by audit and over payment from Jan 2006 to 30.9.2013 was placed under objection. In May, 2016, the effected Assistants pointed out the anomaly in their pay as pay fixed of one Assistant junior to them was fixed at a stage of Rs. 13,860/-. Their pay fixation were reviewed and pay was stepped up to bring it at par with junior who was promoted as Assistant w.e.f. 30.12.2006. According the over payment occurred to 9 Assistant pertains to the period 2.1.2006 to 29.12.2006.
- (iii) The legal opinion was sought from Edu law in Oct. 2016 followed by personal visit by Consultant Accounts to Edu Law office to clarify the issue. During discussion it was told that they will seek the opinion of ASG in the matter. A period of more than 2 months has lapsed, the opinion in this matter is still awaited. We may send an email to Edu Law to expedite the opinion by 8.3.2017 positively.
- (iv) Details of amount recovered so far from 4 Assistant would be sent to Ministry"

After due deliberations, the Executive Committee of the Council decided to direct the Legal Section to expedite the opinion from Edu Law and directed the office to communicate the details of amount recovered from 4 Assistants to the Ministry.
