

No. MCI-5(3)/2016-Med.Misc./

**MEDICAL COUNCIL OF INDIA**  
**NEW DELHI**  
**EXECUTIVE COMMITTEE**

Minutes of the meeting of the Executive Committee held on 16<sup>th</sup> March, 2017 at 11:00 a.m. in the Council at Sector 8, Pocket 14, Dwarka, New Delhi.

\*\*\*\*\*

**:Present:**

Dr. Jayshree Mehta	President Medical Council of India, Former Professor of Surgery, Govt. Medical College, <b>Vadodara (Gujarat)</b>
Dr. C.V. Bhirmanandham	Vice-President, Medical Council of India, Former Vice-Chancellor of Dr. M.G.R. Health University, <b>Chennai (Tamil Nadu)</b>
Prof.(Dr.) Ashwani Kumar	Professor, Department of Microbiology, University College of Medical Sciences, <b>Shahdara(Delhi-110095)</b>
Dr. Mhaske Chandrakant Bhaskar	Professor & HOD, Deptt. of Skin & V.D. BJ Medical College, <b>Pune-411001(Maharashtra)</b>
Dr. Anil Chauhan	Principal, Dr. R.P. Govt. Medical College, <b>Tanda (Himachal Pradesh)</b>
Dr. Vijay Prakash Singh	Professor & Head, Department of Gastroenterology, Patna Medical College, <b>Patna (Bihar)</b>
Dr. Narain Venkatesh Bhandare	Consulting Surgeon, Bhandare Hospital, Fontainhas, <b>Panaji</b> <b>(Goa-403001)</b>
Dr. Sinam Rajendra Singh	Professor of Urology, Rajendra Instt. of Medical Sciences, <b>Imphal (Manipur) &amp; Director, Manipur</b> Medical Council <b>Imphal, Manipur</b>

Dr. Reena Nayyar, Secretary I/c.

Apology for absence was received from Dr. Alok Ahuja & Dr. G.B. Gupta

**1. Minutes of the Executive Committee Meeting held on 22<sup>nd</sup> December, 2016, 13<sup>th</sup> January, 2017 & 25<sup>th</sup> January, 2017.**

The Executive Committee of the Council confirmed the minutes of the Executive Committee Meetings held on 22<sup>nd</sup> December, 2016 & 13<sup>th</sup> January, 2017 and 25<sup>th</sup> January, 2017. While confirming the minutes of its meeting held on 25<sup>th</sup> January, 2017, the Executive Committee observed that under item no.15 i.e. "Minutes of meeting of the TEQ Sub-Committee held on 23.01.2017", the decision be read as under:-

*"The Executive Committee of the Council perused the minutes of the TEQ Sub- Committee meeting held on 23.01.2017 and approved the decision of TEQ Sub- Committee with regard to Item # 3,4,5,8 & 12.*

*It was further decided not to approve the decision of TEQ Sub-Committee with regard to the following items due to reasons mentioned thereat.*

6. *Confirmation of eligibility for the post of Associate Professor/Assistant Professor in the department of Paediatric Oncology in respect of Dr. Nitin C. Joshi in a Medical College.*

*The Executive Committee of the Council referred back to TEQ Sub-Committee to resubmit the matter with full particulars of qualifications & teaching experience to be incorporated in the Minutes*

7. *Confirmation of eligibility for the post of Professor in the department of Nephrology in respect of Dr. Manjunath S. Shetty in a medical college.*

*The Executive Committee of the Council observed that the facts are not clear from minutes. It is recorded that the candidates Asst. Professorship for 2 years is inadequate as per TEQ Regulations. As TEQ Regulations prescribe 2 year experience as Asst. Prof. for promotion to Asso. Prof. of Nephrology, it is not clear as to how it has been considered inadequate. Referred back to TEQ Sub-committee to re-examine & resubmit. Meanwhile, communication be sent to Dr. Manjunath Shetty to submit his publications.*

9. *Confirmation of eligibility for the post of Assistant Professor in department of Orthopaedics in respect of Dr. Vinay Vasu Bangera in a Medical College.*

*The Executive Committee of the Council referred back to TEQ Sub-Committee to resubmit the matter with full particulars of qualifications & teaching experience to be incorporated in the Minutes.*

10. *Confirmation of eligibility of Dr. Pratap Kumar Rath for the post of Medical Superintendent in a medical college in India.*

*The Executive Committee of the Council observed that it is not clear from minutes whether as Professor of Surgery for 7 years he was Unit Head or not. This be re-examined. If not, that experience cannot be considered as administrative experience. Further it is also not clear whether two periods of 5 years & 7 years are separate or the period of 5 year as Unit Head is incorporated within larger period of 7 years as Professor. Matter to be resubmitted after re-examination as indicated.*

11. *Confirmation of eligibility of Dr. Manjit Singh Chahal for the post of Professor in General Medicine in a medical college in India.*

*The Executive Committee of the Council observed that the facts are not clear from the minutes. If the candidate was eligible as Asst. Prof. on 10/12/2011, he could not have become Professor on 09/12/2015. This be re-examined and experience be clearly recorded in the Minutes. Matter to be resubmitted after re-examination as indicated. Meanwhile communication be sent to him to submit details of publications.*

13. Proposed Amendments in the Medical Council of India Regulations namely Minimum Qualifications for Teachers in Medical Institution Regulations 1998 – approval of.

The Executive Committee of the Council considered the matter regarding proposed amendments in the Medical Council of India Regulations namely Minimum Qualifications for Teachers in Medical Institution Regulations 1998 alongwith the letter received from Govt. of India, Ministry of Health & F.W. and directed the section to examine why special training for 3 years in Paediatric Neurology for M.D. (Paediatrics) degree holders is required as in all other subjects, special training requirement is of 2 years only.

The Executive Committee further requested the TEQ Sub-committee -

- (1) To place only those items on which a final decision has been taken for consideration by Executive Committee. If any details are required from the individual/institute, such items need not be placed before Executive Committee;
- (2) If any details of teaching experience, publications, etc. are required to be obtained, such a communication be sent to the concerned faculty/Institute without waiting for approval from the Executive Committee; &
- (3) While recording Minutes, full details of academic qualifications, teaching experience & research publications should be incorporated in the minutes.”

**The minutes of the above item were read out, approved and confirmed in the meeting itself.**

2. Minutes of the last meeting of the Executive Committee – Action taken thereon.

The Executive Committee of the Council noted the action taken on the minutes of the Executive Committee Meetings held on 22.12.2016, 13.01.2017 & 25.01.2017.

3. Pending Items arising out of the decisions taken by the Executive Committee.

The Executive Committee of the Council noted the pending items arising out of the decisions taken by the Executive Committee.

4. Minutes of the Academic Committee meeting held on 27<sup>th</sup> January, 2017.

Read: the matter with regard to minutes of the Academic Committee meeting held on 27<sup>th</sup> January, 2017.

The Executive Committee of the Council perused the minutes of the Academic Committee meeting held on 27<sup>th</sup> January, 2017 and observed as under:-

4. **Item 65, referred back by Executive Committee meeting held on 27<sup>th</sup> November, 2015:- Letter from Sh. Amit Biswas on creating AIMAS**

*The Executive Committee accepted the recommendations of the Academic Committee and directed to send the report to the central government.*

5. **Letter received from Sh. Mahendra Kumar Goel, Green Park Extn., Delhi regarding abominable medical education and stinking living of doctors while saving in Government Sector to treat the community of the country.**

*The Executive Committee approved the recommendations of the Academic Committee.*

6. **Letter received from Sh. Pramod Kumar Sinha regarding Scarcity of Health Professionals – Innovative way to address**

1. *The Executive Committee observed that providing transport facility is beyond the scope of functions and duties of MCI and the*
2. *Present system envisages two different streams at Undergraduate & Postgraduate level. While specialists with postgraduate degrees are required, the role of MBBS degree holders in primary care & first contact Physician cannot be denied or underemphasized. Moreover such MBBS doctors would be required for manning PHCs also. Hence there cannot be a combined UG + PG course.*

7. **E-mail from Dr. Mohan Mathi, dated 19<sup>th</sup> November, 2016 on eligibility of DNB in rural surgery to surgical Superspeciality courses**

*The Executive Committee approved the recommendations of the Academic Committee.*

8. **Note from UG Section regarding compulsory implementation of six month core module syllabus for Environmental studies for under-graduate courses in all branches of Higher Education Institutes**

*The Executive Committee approved the recommendations of the Academic Committee.*

9. **Note form UG Section regarding letter and requests from Dr. Indrajit Khandekar, on (a) Forensic Medicine (FMT) teaching to be taken to later part of clinical years, (b) posting in FMT to be a part of Internship Programme, (c) steps to increase PG admission in FMT.**

*The Executive Committee approved the recommendations of the Academic Committee.*

10. **Note from PG Section regarding preparation of protocol for PG thesis.**

*The Executive Committee decided to place the matter before the Postgraduate Medical Education Committee.*

11. **Note from PG Section regarding consideration of syllabus, MSR and TEQ for various broad and super specialty courses**

submitted by Academic Cell and considered by the PG Committee on 17.06.2016.

*The Executive Committee decided to place the matter before the Postgraduate Medical Education Committee.*

- 12. Letter from Registrar, Maharashtra University of Health Sciences, Nashik regarding the recruitment rules for the full time posts of Professor, Associate Professor and Assistant Professor in Medical Education Technology for University Department of Medical Education Technology.**

*The Executive Committee approved the recommendations and decided to place the matter before the TEQ Sub Committee.*

- 13. Non-performance of medical education activities by MCI Regional Centre at Andhra Medical College, Vishakhapatnam.**

*The Executive Committee approved the recommendations of the Academic Committee.*

- 14. Office note from PG Committee-regarding inclusion of (1) DM in Renal and Transplant Pathology and (2) M.Ch in Abdominal Organ Transplantation in PG Regulations, 2000**

*The Executive Committee decided to place the matter before the Postgraduate Medical Education Committee.*

- 15. Note from PG Section regarding Inclusion of DM (Paediatric Hematology Oncology) course in Postgraduate Medical Education Regulations, 2000**

*The Executive Committee decided to place the matter before the Postgraduate Medical Education Committee.*

- 16. E-mail received from Dr. ShrishPatil dated 13.01.2017 regarding research articles published in Journal of own specialty / any medical subject.**

*The Executive Committee approved the recommendations subject to amendment that not more than one research publication in the field of Medical Education Technology in the Indexed / National Journals shall be considered towards eligibility for promotion.*

- 17. Concerns expressed by Executive Committee meeting on 23 August, 2016 on starting new Superspecialty and broad specialty courses.**

*The Executive Committee noted the recommendations and directed the Academic Committee to bring forth suitable amendment in the regulations so that a, b & c are implemented.*

- 18. Any other item with permission from Chair**

**a. E-mail received from Mr. Nischith Dsouza dated 21.01.2017 regarding publication guidelines**

*The Executive Committee approved the recommendations of the Academic Committee.*

**b. Report of the Committee on National Education Policy 2016.**

*The Executive Committee approved the recommendations of the Academic Committee and directed to include the following report:-*

*The present committee came to be constituted by the President, Medical Council of India for the purposes of crystallizing suggestions / views on the National Education Policy 2016 formulated by the Government of India, through its Department of Human Resource Development.*

*The committee noted that the Ministry of Health and Family Welfare, Government of India, had constituted a five member committee for evolution of the new education policy on 31<sup>st</sup> October, 2015 under the Chairmanship of Mr. T. S. R. Subramanian, Former Cabinet Secretary to the Government of India. The other four members of the committee were Smt. Shailaja Chandra, Former Chief Secretary, NCT of Delhi, Shri Sevaram Sharma, Former Home Secretary NCT of Delhi, Shri Sudhir Mankad, Former Chief Secretary, Gujarat and Prof. J. S. Rajput, Former Director NCERT with National University of Educational Planning and Administration (NUEPA) Serving as its secretariat. The committee submitted its report on 27<sup>th</sup> May, 2016 and has been put on the public domain.*

*Upon perusal of the report of the committee and recommendations from various consultations, which were held some inputs of the Draft National Education Policy 2016 have been formulated by the Ministry of Human Resource Development and have been forwarded to the concerned institutions and authorities for their opinion.*

*The Under Secretary to the Government of India, in the Ministry of Health and Family Welfare, vide a covering letter dated 21<sup>st</sup> July, 2016 forwarded it to the Secretary, Medical Council of India to forward inputs on the same including use, comments, suggestions of the Medical Council of India.*

*In view of the same, the President, Medical Council of India constituted the said committee for the needful.*

*The committee at its meeting held on 23<sup>rd</sup> January, 2017, looked into the National Education Policy Report and cumulative draft thereto formulated by the Ministry of Human Resource Development and is pleased to observed as under:*

*The said report at Para 7.11 has observed about Medical Education, which is as under :*

*“7.11.1 Currently there are more than 400 functional medical colleges in the country out of which about half find the government sector (including the new six AIIMS) and the remaining nine the private sector. The admission capacity of these medical colleges is around 57,000 at the undergraduate level and around 26,000 at the postgraduate level.*

*7.11.2 The majority of medical colleges are concentrated in the south and west of the country. The north-eastern region has comparatively still fewer facilities for medical education than anywhere else. The number of seats in the existing medical colleges falls short of the present demand for medical professionals. The growth postgraduate education has been very slow, which has an effect on the preparation of the next generation of medical teachers as well as the specialised doctors to undertake clinical practice and research.*

*7.11.3 The existing framework of medical education needs significant restructuring. Within the medical Council of India/dental Council of India/Indian medical Council (AYUSH) the work of setting standards, curriculum development, inspection and grant of permission for setting up new institutions, undertaking lies with the Councils subject to central government approval where defined. The Councils and in particular the Medical Council of India comprises of elected persons who have a strong vested interest in retaining their voting constituency over the larger interests of public health and medical education. Such entrenched interests of different kinds should be kept away from the functions of inspection, verification and standard-setting as well as approval for opening new institutions*

*7.11.4 A recent Parliamentary committee has given significant recommendations about how various matters related to the running of the Medical Council in particular have to receive attention. The government will no doubt take action as appropriate.*

*7.11.5 In keeping with recommendations which have already been made in respect of assessment and accreditation through professional and technical bodies working under the supervision of apex level nonelected bodies, it is necessary to replicate the same approach here. The responsibility for Manpower planning, design of curricula and standard-setting needs to be done by a body which is conversant with the demographics of India, the prevalence of communicable and non-communicable diseases, challenges connected with maternal and child health so that the production of doctors is planned keeping in mind the needs of specialised as*

well as general duty doctors. Medical education needs an umbrella body as recommended for the higher education sector representation from citizens and consumers who could address the concerns of the public.

7.11.6 More public investment is needed for starting medical colleges and different regions. The private sector needs to be encouraged to set up medical colleges, with appropriate incentives. The present minimum requirement of land for setting up a medical college needs to be reviewed.

#### Recommendations

7.11.7 The number of seats in the existing medical colleges falls well short of the present demand for medical professionals. The growth postgraduate education has been very slow which has an effect on the preparation of the next generation of medical teachers as well as the specialised doctors to undertake clinical practice and research.

7.11.8 The existing framework of medical education needs significant restructuring. Entrenched interests of different kinds should be kept away from the functions of inspection, verification and standard-setting as well as approval for opening new institutions.

7.11.9 More public investment is needed for starting medical colleges. The private sector needs to be encouraged to set up medical colleges, with appropriate incentives”.

On evaluation of the aforesaid inclusions pertaining to medical education in the National Education Policy 2016 document it is seen that they are generic in character. They need more elaborative discussion as has been invoked in the very report pertaining to 'Higher Education' with reference to Governance reforms in Higher Education and policy initiatives thereto, Regulation in Higher Education and relevant policy initiatives pertaining to the same followed by quality assurance in higher education and needed policy initiatives thereto.

The aspect of medical education in view of its significance and importance deserved to be discussed and formulated on the similar manner. As the same is wanting following suggestions are made for their appropriate incorporation in the report.

#### SUGGESTIONS:

1. In order to ensure timely implementation of academic policies towards generation of desired standards of medical education, the regulations on the said count need to be notified in a timely manner. The experience of the council over a period of time has been that they approval and notifying period taken by the Government of India, ranges from 1 year to 4 years, which comes as a big ordeal, with reference to timely implementation of the same. As such the regulations on academic matters should be exempted from the binding condition of their prior approval by the Government of India, by invoking an appropriate amendment to section 33 of the existing IMC Act.
2. In respect of other regulations (excluding academic) the time limit needs to be prescribed statutorily by an amendment for the approval and notification by the Govt. Such a time limit should be of six months duration from the date of submission of the draft regulation by the council to the Government of India.
3. The concept of recognition of medical colleges under the present scheme in the Act, against the prescribed Minimum Standard Requirements does not and cannot guarantee desired competitive and comparable standards. As such, it was recommended by the council that an accreditation mechanism autonomous in character needs to be created for medical education on the similar lines as University Grants Commission Act, 1956, provided for creation of an autonomous National Assessment and Accreditation Council for the Higher Education and All India Council for Technical Education Act, 1983, provided for creation of a National Accreditation Board for Engineering and Technological institutions in the country, so as to ensure outcome based evaluation of medical colleges in the country.
4. By a suitable amendment the Medical Council of India should be vested with the authority to prescribe pay scales and service conditions of the full time teachers in the medical education in the country as is accruable to University Grants Commission for higher education and All India Council for Technical Education for Technical Education.
5. By a suitable amendment medical education and medical colleges should be covered within the scope and meaning of section 12(b) of the University Act Commission Act, 1956 for entitlement to claim planned development grants as are accruable to higher education institutions.
6. In order to obviate the problem of density of medical colleges in geographical locations by a suitable amendment, the council should be empowered to propose a national perspective five year developmental plan to the Government of India for its approval with reference to need based location of medical schools on the considerations of socio-economic backwardness of the geographic location for the purposes of evoking equity and equitable geographic distribution of medical schools in the country. Such a plan for the concerned plan period should be binding for the geographic location of medical colleges in the country.
7. Appropriate mechanisms for faculty development in the form of Academic Staff Colleges for medical teachers in tune with those that have been created for teachers in higher education need to be evoked.

#### RECOMMENDATIONS:

1. Notwithstanding the above incorporations that have been suggested by the committee in the National Education Policy 2016, in the fitness of things it would be appropriate that the Ministry of Health and Family Welfare, Government of India, in consultation with Medical Council of India and other relevant stakeholders evolves a comprehensive National Policy on Medical Education

*in an independent exclusive document taking into consideration the concerns and challenges that confront it contemporarily and a long term basis so as to give a much desired fillip.*

*The Committee further directed to place the same before the General Body of the Council.*

***The minutes of the above item were read out, approved and confirmed in the meeting itself.***

**Office Note:** Office is directed to place the items of Academic Committee concerned with PG courses straightaway before PG Committee for its consideration & appropriate decision. Only if it requires consideration of Executive Committee thereafter, it should be placed before Executive Committee.

**5. Approval of the minutes of the Migration Sub-Committee meeting held on 14<sup>th</sup> February, 2017.**

Read: the matter with regard to approval of the minutes of the Migration Sub-Committee meeting held on 14<sup>th</sup> February, 2017.

The Executive Committee of the Council perused the minutes of the Migration Sub-Committee meeting held on 14.2.2017 and observed as under:-

**3. Migration of Ms. Cheshtha Singla from Adesh Instt. Of Medical Sciences & Research, Bathinda to Govt. Medical College, Patiala.**

*The Executive Committee approved the recommendations of the Migration Sub-Committee.*

**4. Migration of Mr. Rutvij Prashant Patel from R.D. Gardi Medical College, Surasa, Ujjain to GCS Medical College, Hospital Research Centre, Ahmedabad.**

*The Executive Committee of the Council did not approve the recommendations of the Migration Sub-Committee as Bronchial Asthma with Allergic Rhinitis with episodes of Status Asthmaticus is not a disease covered in the category of critical illness. Further as per the certificate, change of place is preferable which implies that it is not absolute must.*

**5. Migration of Ms. Neelansha Pratap from Jorhat Medical College & Hospital, Jorhat to S.N. Medical College, Agra.**

*The Executive Committee of the Council observed from the agenda note it is not clear whether Disturbed Area Notification was prevalent when admission was taken. It is also not clear under which category admission was taken at this Institute. If it was taken under AIEE category knowing that Disturbed Area Act was in force in Assam when the admission was taken then there is no valid ground for migration.*

*The Executive Committee referred back the matter to Migration Sub-Committee to ascertain the full facts & take appropriate decision in view of above observations.*

**6. Approval of the proceedings of the Ethics Committee meetings held on 14<sup>th</sup> December, 2016, 30<sup>th</sup> December, 2016, 9<sup>th</sup> January, 2017 and 24<sup>th</sup> & 25<sup>th</sup> January, 2017.**

Read: the matter with regard to approval of the proceedings of the Ethics Committee meetings held on 14<sup>th</sup> December, 2016, 30<sup>th</sup> December, 2016, 9<sup>th</sup> January, 2017 and 24<sup>th</sup> & 25<sup>th</sup> January, 2017.

The Executive Committee of the Council perused the proceedings of the Ethics Committee meetings and observed as under:

**A: ETHICS COMMITTEE MEETING DT. 14/12/2016:**

1	Report of the Sub-Committee regarding fake faculty declaration forms for the academic year 2015-16 in respect of Dr. Darshan M.S., Sr. Resident/Assistant Professor of Anaesthesia appeared in more than one medical college – reg.	14 <sup>th</sup> December, 2016
---	---	---------------------------------------

*The Executive Committee noted that the sequence of events implies that statement of Dr. N.K. Lahoti, Principal, Subbaiah Institute is contradictory to the statement of Dr. Darshan. Also, the fact remains that Dr. Darshan has concealed the appointment & experience at Subbaiah Institute. Further, both Dr. Lahoti, the then principal & MCI assessor have stated before Ethics Committee that Dr. Darshan had attended MCI assessment at Subbaiah Institute. Ethics Committee is directed to reopen the proceedings by calling Dr. Lahoti, the then Principal who has presented Dr. Darshan as SR at assessment on 23/11/2014 and has also stated so before Ethics Committee. The photograph on D.F. presented during assessment at Subbaiah be also compared with the original. It appears that the evidence presented by Dr. Darshan is circumstantial evidence which be weighed against evidence in the form of D.F. Appropriate decision be taken thereafter.*

**B: ETHICS COMMITTEE MEETING DT. 30/12/2016:**

2.	Appeal dated 20.02.2016 filed by Sh. Bikash Kishore Choudhury against order dated 04.02.2016 passed by West Bengal Medical Council - reg.	30 <sup>th</sup> December, 2016
----	---	---------------------------------------

*The Executive Committee of the Council approved the recommendations of the Ethics Committee.*

3.	Appeal dated 26.09.2016 filed by Sh. Rakesh Singh against order dated 31.12.2015 passed by Uttar Pradesh Medical Council - reg	30 <sup>th</sup> December, 2016
----	--	---------------------------------------

*The Executive Committee of the Council approved the recommendations of the Ethics Committee.*

**C: ETHICS COMMITTEE MEETING DT. 09/01/2017**

4.	Appeal dated 06.12.2014 filed by Dr. Bhawani Shankar H.R., Karnataka against Karnataka Medical Council forwarded through CBI – reg.	9 <sup>th</sup> January, 2017
----	---	----------------------------------

*The Executive Committee of the Council approved the recommendations of the Ethics Committee.*

5.	Appeal dated NIL filed by Sh. Shankar Pandian against Order dated 28.01.2015 passed by Delhi Medical	9 <sup>th</sup> January, 2017
----	--	----------------------------------

Council - reg.	
----------------	--

*The Executive Committee of the Council approved the recommendations of the Ethics Committee.*

6.	Report of the Sub-Committee regarding fake faculty declaration forms for the academic year 2014-15 in respect of Dr. Amit Panwar, Asstt. Professor of Community Medicine appeared in more than one medical college.	9 <sup>th</sup> January, 2017
----	---	-------------------------------

*The Executive Committee of the Council approved the recommendations of the Ethics Committee. Further Notice be also issued to Dean, IQ Medical College, Durgapur, W.B. as in that Institute one Dr. Yuvaraj Singh is presented during assessment with same photograph of Dr. Amit Panwar given on D.F of Hi-Tech Medical College & Hospital, Rourkela & Maharajah's Institute of Medical Sciences, Vizianagaram.*

7.	Appeal dated 01.12.2014 filed by Sh. Jahiroddin Rafiuddin Shaikh against Dr. Rajesh Arun Patil – reg.	9 <sup>th</sup> January, 2017
----	---	-------------------------------

*The Executive Committee of the Council approved the recommendations of the Ethics Committee.*

**D: ETHICS COMMITTEE MEETING DT. 24-25 JANUARY 2017:**

9.	Working of Dr. Paresh Ruparel in more than one medical college, simultaneously – reg.	24 <sup>th</sup> & 25 <sup>th</sup> January, 2017
----	---	---

*The Ethics Committee, based on available records confirmed that Dr. Paresh Ruparel was shown to be employed as a fulltime faculty in R.K.D.F. Medical College Hospital & Research Centre, Bhopal during January-2015 to February-2015. During that time period, proof has been submitted that he was also working on some days at Seth V.S. Hospital, Ellisbridge, Ahmedabad. Thus it is clear that Dr. Paresh Ruparel was not a full time faculty in R.K.D.F. Medical College Hospital & Research Centre, Bhopal during. He was only part time faculty. He has concealed this fact in his Declaration Form which was duly attested/signed by the then Dean, Dr. U. B. Shah.*

*In view of above, the Ethics Committee found violation of Regulation by the faculty and also the Dean as they have submitted false and forged information to the MCI and misguided the Council Office as well as the Assessors, who had carried out the inspection. Therefore, the Ethics Committee is of the view that the name of Dr. Paresh Ruparel and Dr. U. B. Shah, the then Dean of R.K.D.F. Medical College Hospital & Research Centre, Bhopal, be removed from the Indian Medical Register for a period of 3(Three) Years.*

*The Executive Committee approved the recommendations of the Ethics Committee and further directed the UG section to issue Notice u/s 8(3)(1)(d) against R.K.D.F. Medical College Hospital & Research Centre, Bhopal.*

10.	Presence during the MCI inspection at RKDF Medical College, Hospital & Research Centre, Bhopal and submitting wrong experience certificate – reg.	24 <sup>th</sup> & 25 <sup>th</sup> January, 2017
-----	---	---

*The Executive Committee noted that the Ethics Committee after perusal of the records submitted by college has come to conclusion that clinical work of the faculty is satisfactory. However no cognizance is taken of the following observation of the assessors as mentioned in the assessment report:*

*“The following faculty were observed not to have done any work in the department:*

- (a) Dr. Sameer Zutshi, Asstt.Prof., Anaesthesia*
- (b) Dr. Subrat Adhikary, Asstt.Prof. of General Medicine.*
- (c) Dr. Priya Singh, Asstt.Prof. of OBG*
- (d) Dr. Avinash Kaundinya, Prof. of Ophthalmology”*

*The Executive Committee directed that the records now submitted by the Institute may be cross verified with those submitted during assessment and appropriate decision be taken.*

*Further the faculty themselves have admitted that they have received part salary by cash as under:*

*“With due respect I Dr. Navneet Mishra, declaring that the salary I had received from RKDF Hospital and Medical College for my working days was partly through cash vouchers and partly through bank transaction. The statement has been enclosed alongwith salary slips.*

*Sd/  
(Dr. Navneet Mishra)*

*With due respect I Dr. Sameer Zutshi, declaring that the salary I had received from RKDF Hospital and Medical College for my working days was partly through cash vouchers and partly through bank transaction. The statement has been enclosed alongwith salary slips.*

*Sd/  
(Dr. Sameer Zutshi)*

*With due respect I Dr. Avinash Kaundinya, declaring that the salary I had received from RKDF Hospital and Medical College for my working days was partly through cash vouchers and partly through bank transaction. The statement has been enclosed alongwith salary slips.*

*Sd/  
(Dr. Avinash Kaundinya)*

*With due respect I Dr. Priya Singh, declaring that the salary I had received from RKDF Hospital and Medical College for my working days was partly through cash vouchers and partly through bank transaction. The statement has been enclosed alongwith salary slips.*

*Sd/  
(Dr. Priya Singh)*

*The Executive Committee of the Council directed the Office to submit the entire file in respect of the above 4 faculty to Income Tax Authorities for further necessary action.*

*Also, in respect of Dr. U.B. Shah, ex Dean, Ethics Committee has decided to close the matter as similar punishment has been awarded to him in another case. This is not correct. Hence punishment recommended by Ethics Committee of removal of name from IMR for a period of 3 years is restored; it will run concurrently with the punishment awarded in another case.*

*In view of above, the Executive Committee did not approve the recommendations of the Ethics Committee.*

11.	Appeal filed by Sh. Gurpreet Singh against order dated 25.05.2015 passed by Delhi Medical Council – reg.	24 <sup>th</sup> & 25 <sup>th</sup> January, 2017
-----	--	---

*The Executive Committee of the Council approved the recommendations of the Ethics Committee.*

12.	Appeal filed by Smt. Alka Sharma against order dated 10.07.2015 passed by Haryana Medical Council - reg.	24 <sup>th</sup> & 25 <sup>th</sup> January, 2017
-----	--	--

*The Executive Committee of the Council approved the recommendations of the Ethics Committee.*

13.	Appeal filed by Sh. Lavkesh Sehgal against order dated 11.09.2015 passed by Delhi Medical Council - reg.	24 <sup>th</sup> & 25 <sup>th</sup> January, 2017
-----	--	--

*The Executive Committee of the Council approved the recommendations of the Ethics Committee.*

14.	Appeal filed by Sh. Surendra Pal Singh against Dr. Deepak Kumar and Dr. Prabhat Sinha, Umkal Hospital, Gurgaon - reg.	24 <sup>th</sup> & 25 <sup>th</sup> January, 2017
-----	---	--

*The Executive Committee of the Council approved the recommendations of the Ethics Committee.*

15.	Fake/forged documents submitted by Dr. D. Aruna, Sr. Resident at Malla Reddy Institute of Medical Sciences, Suraram, Hyderabad – reg.	24 <sup>th</sup> & 25 <sup>th</sup> January, 2017
-----	---	---

*The Executive Committee of the Council approved the recommendations of the Ethics Committee. Also, UG Section is directed to issue Notice to Malla Reddy Institute of Medical Sciences u/s 8(3)(1)(d) for submitting a fake D.F. during assessment.*

*The Executive Committee approved the recommendations of the Registration & Equivalence Committee.*

33. **Grant of Registration for Additional Qualification i.e. Master Degree in Medicine awarded by Medical University, Pleven, Bulgaria in respect of Dr. Syed Mohammed Masthan u/s 26(1) of the IMC Act, 1956. (F.No.17-100481).**

*The Executive Committee approved the recommendations of the Registration & Equivalence Committee.*

8. **Grant of Eligibility Certificate in respect of Indian Nationals/Overseas Citizen of India who have taken admission in Doctor of Medicine course at Asian Medical Institute, Kant, Kyrgyzstan after April, 2010 and subsequently transferred to other medical colleges/university in Kyrgyzstan.**

Read: the matter with regard to grant of Eligibility Certificate in respect of Indian Nationals/Overseas Citizen of India who have taken admission in Doctor of Medicine course at Asian Medical Institute, Kant, Kyrgyzstan after April, 2010 and subsequently transferred to other medical colleges/university in Kyrgyzstan.

The Executive Committee of the Council perused the opinion of Law Officer, operative part of which reads as under:

*"In this regard, I am of the considered opinion that on perusal of the letter and the background note enclosed with it and other correspondence from the Indian Embassy in the file that the relaxation contained proviso to Regulation 4.3 of the Screening Test Regulation needs to be applied in respect of the students who have been transferred from Asian Medical Institute to other Institutes on efforts made by the Indian Embassy/ Ambassador in Kyrgyz....."*

After due deliberations, the Executive Committee of the Council decided to approve the opinion of Law officer and directed the office to act accordingly.

9. **Recognition/Approval of Malda Medical College & Hospital, Malda for the award of MBBS degree (100 seats) granted by West Bengal University of Health Sciences, Kolkata, West Bengal u/s 11(2) of the IMC Act, 1956.**

Read: the matter with regard to recognition/approval of Malda Medical College & Hospital, Malda for the award of MBBS degree (100 seats) granted by West Bengal University of Health Sciences, Kolkata, West Bengal u/s 11(2) of the IMC Act, 1956.

The Executive Committee of the Council considered the compliance verification assessment report (21<sup>st</sup> February, 2017) along with previous assessment reports (19<sup>th</sup> July, 2016, 4<sup>th</sup> May, 2016 & 14<sup>th</sup> /15<sup>th</sup> March, 2016) and decided to recommend to the Central Government for recognition/approval of Malda Medical College & Hospital, Malda for the award of MBBS degree (100 seats) granted by West Bengal University of Health Sciences, Kolkata, West Bengal u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16<sup>th</sup> April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.

The Committee decided to place the matter before the General Body of the Council.

***The minutes of the above item were read out, approved and confirmed in the meeting itself.***

**10. Recognition/Approval of Fakhruddin Ali Ahmed Medical College, Barpeta, Assam for the award of MBBS degree (100 seats) granted by Srimanta Sankaradeva University of Health Sciences, Assam u/s 11(2) of the IMC Act, 1956.**

Read: the matter with regard to recognition/approval of Fakhruddin Ali Ahmed Medical College, Barpeta, Assam for the award of MBBS degree (100 seats) granted by Srimanta Sankaradeva University of Health Sciences, Assam u/s 11(2) of the IMC Act, 1956.

The Executive Committee of the Council considered the assessment reports (13<sup>th</sup> & 14<sup>th</sup> February, 2017 and 17<sup>th</sup> December, 2016) and decided to recommend to the Central Government for recognition/approval of Fakhruddin Ali Ahmed Medical College, Barpeta, Assam for the award of MBBS degree (100 seats) granted by Srimanta Sankaradeva University of Health Sciences, Assam u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16<sup>th</sup> April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.

The Committee decided to place the matter before the General Body of the Council.

***The minutes of the above item were read out, approved and confirmed in the meeting itself.***

**11. Recognition/Approval of ESIC Medical College, Bangalore for the award of MBBS degree (100 seats) granted by Rajiv Gandhi University of Health Sciences, Bangalore u/s 11(2) of the IMC Act, 1956.**

Read: the matter with regard to recognition/approval of ESIC Medical College, Bangalore for the award of MBBS degree (100 seats) granted by Rajiv

Gandhi University of Health Sciences, Bangalore u/s 11(2) of the IMC Act, 1956.

The Executive Committee of the Council considered the assessment reports (09<sup>th</sup> & 10<sup>th</sup> February, 2017 and 18<sup>th</sup> January, 2017) and noted the following:-

1. Dr. S. Lakkanna, Medical Superintendent has only 8 y of administrative experience against requirement of 10 y as per Regulations; hence not qualified to hold the post.
2. Teaching Beds: 10 beds each of Tb & Chest; Skin & VD & Psychiatry departments are not available.
3. Wards: Nursing station and Examination & Treatment room are not available in ENT ward. Demonstration rooms are not available in Orthopaedics; Ophthalmology & ENT wards.
4. With regard to RHTC & UHC, it is stated that "MOU for affiliation has been granted by Commissioner, Health & Family Welfare, Govt. of Karnataka." It is not clear whether full administrative & financial control is with Dean or not.
5. Residential quarters for faculty & non-teaching are not in the campus. They are located 3 km. away.
6. Nursing staff quarters are located 4 km. away.
7. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Government not to recognise/approve ESIC Medical College, Bangalore for the award of MBBS degree (100 seats) granted by Rajiv Gandhi University of Health Sciences, Bangalore u/s 11(2) of the IMC Act, 1956 and further decided that the Institute be asked to submit the compliance for rectification of the above deficiencies within 15 days for further consideration of the matter.

***The minutes of the above item were read out, approved and confirmed in the meeting itself.***

12. **Recognition/Approval of BPS Govt. Medical College for Women, Sonapat, Haryana for the award of MBBS degree (100 seats) granted by Pt. P.D. Sharma University of Health Sciences, Rohtak u/s 11(2) of the IMC Act, 1956.**

Read: the matter with regard to recognition/approval of BPS Govt. Medical College for Women, Sonapat, Haryana for the award of MBBS degree (100 seats) granted by Pt. P.D. Sharma University of Health Sciences, Rohtak u/s 11(2) of the IMC Act, 1956.

The Executive Committee of the Council considered the assessment reports (06<sup>th</sup> & 07<sup>th</sup> February, 2017 and 07<sup>th</sup> December, 2016) alongwith a letter dated 06/02/2017 received of the Director, BPS Govt. Medical College for Sonapat, Khanpur, Kalan, Haryana regarding complaint of Dr. Gunjan Chaudhary against the said college and decided to recommend to the Central Government for recognition/approval of BPS Govt. Medical College for Women, Sonapat, Haryana for the award of MBBS degree (100 seats) granted by Pt. P.D. Sharma University of Health Sciences, Rohtak u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16<sup>th</sup> April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.

The Committee decided to place the matter before the General Body of the Council.

***The minutes of the above item were read out, approved and confirmed in the meeting itself.***

**13. Recognition/Approval of Hamdard Institute of Medical Sciences & Research, New Delhi for the award of MBBS degree (100 seats) granted by Jamia Hamdard University, New Delhi u/s 11(2) of the IMC Act, 1956.**

Read: the matter with regard to recognition/approval of Hamdard Institute of Medical Sciences & Research, New Delhi for the award of MBBS degree (100 seats) granted by Jamia Hamdard University, New Delhi u/s 11(2) of the IMC Act, 1956.

The Executive Committee of the Council considered the assessment reports (06<sup>th</sup> & 07<sup>th</sup> February, 2017 and 21<sup>st</sup> December, 2016) alongwith a letter dated 22.02.2017 received from the college authorities and noted the following:-

1. Casualty: Ventilator is not available. Portable Ventilator is not functional.
2. ICUs: There were only 2 patients in PICU on day of assessment.
3. 2 Static X-ray machines are available against requirement of 5.
4. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Government not to recognise/approve Hamdard Institute of Medical Sciences & Research, New Delhi for the award of MBBS degree (100 seats) granted by Jamia Hamdard University, New Delhi u/s 11(2) of the IMC Act, 1956 and further decided that the Institute be asked to submit the compliance for rectification of the above deficiencies within 15 days for further consideration of the matter.

***The minutes of the above item were read out, approved and confirmed in the meeting itself.***

**14. Application of clause 8(3)(1)(d) from the academic year 2016-17 onwards on Career Institute of Medical Sciences & Hospital, Lucknow, U.P.**

Read: the matter with regard to application of clause 8(3)(1)(d) from the academic year 2016-17 onwards on Career Institute of Medical Sciences & Hospital, Lucknow, U.P.

The Executive Committee of the Council observed that the compliance verification assessment report (2<sup>nd</sup> August, 2016) alongwith previous assessment report (22<sup>nd</sup> April, 2016) with regard to recognition/approval of Career Institute of Medical Sciences & Hospital, Lucknow, Uttar Pradesh for the award of MBBS degree (100 seats) granted by Dr. RML Avadh University, Faizabad, Uttar Pradesh u/s 11(2) of the IMC Act, 1956 was considered in its meeting held on 23.08.2016 and it was decided as under:-

*“The Executive Committee of the Council considered the compliance verification assessment report (2<sup>nd</sup> August, 2016) along with previous assessment report(22<sup>nd</sup> April, 2016) and decided to recommend to the Central Government for recognition/approval of Career Instt. of Medical Sciences & Hospital, Lucknow for the award of MBBS degree(100 seats) granted by Dr. RML Avadh University, Faizabad, Uttar Pradesh u/s 11(2) of the IMC Act, 1956.*

*The Executive Committee further noted that clause 8(3)(1)(d) as recommended by the Ethics Committee at its meeting dated 3<sup>rd</sup> & 4<sup>th</sup> May, 2016 and approved by the Executive Committee on 15.06.2016 had been applied against the college.*

*In view of above, the Committee decided that the Institute be directed not to admit fresh batch of students for the academic year 2016-17 and 2017-18.”*

The Executive Committee further observed that the Council Office had received a letter dated 05/10/2016 from the Central Govt. addressed to the Secretary, OC and copy to this Council regarding comments/remarks of the Central Govt. on the minutes of the Executive Committee meeting dated 23.08.2016 in respect of Career Institute of Medical Sciences & Hospital, Lucknow u/s 11(2) of the IMC Act, 1956, which reads as under:-

*“MCI vide letter dated 09.10.2015 recommended not to renew permission for admission of 5<sup>th</sup> batch at Career Institute of Medical Sciences & Hospital, Lucknow for 2015-2016 and also applied clause 8(3)(1)(d) of Establishment of Medical College Regulations that debar the college for 2016-17 also. However, the E.C. has now decided that the institution be directed not to admit fresh batches of students for the academic year 2016-2017 and 2017-2018. This needs to be re-considered. The E.C. has decided to recommend recognition of college u/s 11(2) of the IMC Act, 1956 but at the same time recommended to apply clause 8(3)(1) (d) of Regulation. The batches to be recognised needs to be indicated clearly.*

Accordingly, the matter was considered by the Executive Committee at its meeting held on 04.11.2016 and it was decided as under:-

*“The Executive Committee of the Council after due deliberations, decided that application of Section 8(3)(1)(d) regarding fake faculty of Establishment of Medical College Regulations, 1999 and recognition of a course u/s 11(2) of IMC Act, 1956 are two separate, distinct items and are independent of one another. Recognition u/s 11(2) of IMC Act envisages recognition of batches already admitted under LOP & Renewal of Permissions granted u/s 10A of IMC Act and thus applies retrospectively.*

*If an institute fulfills requirement of faculty, Residents, clinical material, infrastructure, etc., it is recommended for Recognition for award of degree. If during any assessment it is found that fake faculty is employed or if the documents submitted by faculty and countersigned by Dean are found to be fake/forged, then Section 8(3)(1)(d) is applied and the institute is debarred for admitting students for 2 Academic years. This is applicable with regard to any assessment and is applicable irrespective of recognition status of the institute.*

*The Committee observed that in the instant case, as the institute found to have fulfilled all deficiencies as verified by compliance verification assessment as shown above, it is recommended for Recognition for award of MBBS degree u/s 11(2) of IMC Act, 1956 which in fact applies retrospectively to previous batches admitted under LOP & Renewals of Permissions issued by Govt. of India. Simultaneously, as in one assessment, as it was found to have employed faculty with fake/forged documents, Section 8(3)(1)(d) of Establishment of Medical Colleges Regulations, 1999 is applied prohibiting institute for admitting*

*students for 2 Academic Years prospectively. Thus there is no inconsistency in this regard.*

*In view of above, the Executive Committee of the Council decided to convey the above to the Central Government and further decided to refer the matter to ASG for opinion.”*

The General Body of the Council at its meeting held on 22.11.2016 had also approved the recommendations of the Executive Committee with regard to recognition/approval of Career Instt. of Medical Sciences & Hospital, Lucknow for the award of MBBS degree(100 seats) granted by Dr. RML Avadh University, Faizabad, Uttar Pradesh u/s 11(2) of the IMC Act, 1956.

This decision of the General Body has not been formally communicated to the Central Government. Meanwhile, the Council Office has also received the opinion of Council Advocate as sought for by the Executive Committee in its meeting held on 04.11.2016.

The Executive Committee of the Council perused the opinion of Council Advocate in the matter, operative part of which reads as under:

*“...In view of the above factual matrix, I am of the opinion that while considering the application for grant of permission to admit MBBS students for academic year 2015-16 the querist had invoked Regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999 and recommended to the Central Government to debar the applicant medical college from admitting students for academic year 2015-2016 and 2016-17. Since the applicant medical college was not granted permission by the Central Government to admit any students for two academic years i.e. 2015-16 & 2016-17, hence the applicant medical college has undergone the penalty as envisaged under Regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999 and has not admitted any students for said two academic years. In view thereof, the applicant medical college cannot be made to suffer again for the same action, thus the querist may reconsider their decision, whereby the applicant medical college has been again debarred from admitting student for academic years 2016-17 as also 2017-18 and thereafter consider the application submitted by the applicant medical college for renewal of permission to admit students in MBBS course for academic year 2017-18 in accordance with the provisions of the IMC Act, 1956 and the Regulations made thereunder....”*

In view of above, the Executive Committee of the Council decided to communicate to the Central Govt. that Institute has already been debarred for 2 Academic Years – i.e. 2015-2016 & 2016-2017 & therefore the decision of Executive Committee meeting held on 23.08.2016 regarding debarment for Academic Year 2016-17 and 2017-18 is not applicable. Therefore, the Executive Committee decided to recommend to the Central Government for recognition/approval of Career Instt. of Medical Sciences & Hospital, Lucknow for the award of MBBS degree(100 seats) granted by Dr. RML Avadh University, Faizabad, Uttar Pradesh u/s 11(2) of the IMC Act, 1956.

The Executive Committee of the Council further decided to place the matter before the General Body of the Council.

***The minutes of the above item were read out, approved and confirmed in the meeting itself.***

15. **Recognition/approval of Padmashree Dr. D.Y. Patil Medical College, Hospital & Research Centre, Pimpri for the award of MBBS degree granted by Dr. D.Y. Patil Vidyapeeth (Deemed University) Pune against the increased intake i.e. from 150 to 250 seats u/s 11(2) of the IMC Act, 1956.**

Read: the matter with regard to recognition/approval of Padmashree Dr. D.Y. Patil Medical College, Hospital & Research Centre, Pimpri for the award of MBBS degree granted by Dr. D.Y. Patil Vidyapeeth (Deemed University) Pune against the increased intake i.e. from 150 to 250 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee of the Council considered the assessment reports (06<sup>th</sup> & 07<sup>th</sup> February, 2017 and 10<sup>th</sup> December, 2016) and decided to recommend to the Central Government for recognition/approval of Padmashree Dr. D.Y. Patil Medical College, Hospital & Research Centre, Pimpri for the award of MBBS degree granted by Dr. D.Y. Patil Vidyapeeth (Deemed University) Pune against the increased intake i.e. from 150 to 250 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16<sup>th</sup> April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.

The Committee decided to place the matter before the General Body of the Council.

*The minutes of the above item were read out, approved and confirmed in the meeting itself.*

**16. Recognition/approval of Bharati Vidyapeeth Deemed University Medical College & Hospital, Sangli, Pune for the award of MBBS degree granted by Bharati Vidyapeeth Deemed University, Sangli, Pune against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956.**

**17. Recognition/approval of NRS Medical College, Kolkata for the award of MBBS degree granted by The West Bengal University of Health Sciences, Kolkata against the increased intake i.e. from 150 to 250 seats u/s 11(2) of the IMC Act, 1956.**

Read: the matter with regard to recognition/approval of NRS Medical College, Kolkata for the award of MBBS degree granted by The West Bengal University of Health Sciences, Kolkata against the increased intake i.e. from 150 to 250 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee of the Council considered the compliance verification assessment report (10.02.2017) along with previous assessment reports (19.07.2016, 27.04.2016, 10.03.2016 & 11.03.2016) and noted the following:-

1. Deficiency of faculty is 12.06 % as detailed in the report.
2. Deficiency of inadequate teaching areas in OPD remains as such. It is not rectified.
3. Audiologist was not available on day of assessment.
4. ETO Sterilizer is not available. Deficiency remains as it is.
5. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Government not to recognise/approve NRS Medical College, Kolkata for the award of MBBS degree granted by The West Bengal University of Health Sciences, Kolkata against the increased intake i.e. from 150 to 250 u/s 11(2) of the IMC Act, 1956 and further decided that the Institute be asked to submit the compliance for rectification of the above deficiencies within 15 days for further consideration of the matter.

***The minutes of the above item were read out, approved and confirmed in the meeting itself.***

**18. Recognition/approval of Rajendra Institute of Medical Sciences, Ranchi for the award of MBBS degree granted by Ranchi University, Ranchi against the increased intake i.e. from 90 to 150 seats u/s 11(2) of the IMC Act, 1956.**

**19. Live Streaming of both classroom teaching and the teaching hospital under Digital Mission Mode Project (DMMP) of MCI - Appointment of Expert Agency as Consultant for Project requirements and preparation of RFP etc.**

Read: the matter with regard to Live Streaming of both classroom teaching and the teaching hospital under Digital Mission Mode Project (DMMP) of MCI - Appointment of Expert Agency as Consultant for Project requirements and preparation of RFP etc.

The matter was placed in Executive Committee Meeting held on 13.01.2017 and 25.01.2017 and at both the occasions, the matter was deferred for next Executive Committee Meeting, hence the matter is re-submitted for consideration.

The Executive Committee noted that the Joint Secretary.(M.E.) vide his letter dt. 03/01/2017 has asked about the progress of 'Live Streaming of both classroom teaching and the teaching hospital under Digital Mission Mode Project (DMMP) of MCI', as desired by the MOH&FW vide their letters dated 30.09.2016 & 18.10.2016. It was informed to the J.S.(M.E.) that the proposal has been approved by the Executive Committee of the Council at its meeting held on 22.12.2016 and the further action is being taken. The J.S.(M.E.) emphasized to implement the said project at the earliest by directing all the medical colleges to install the CCTV's in at least one class room, Emergency Area and in OPD and the Council should have the live streaming of CCTV's at its website. In view of above, an expert agency may be appointed to understand the Project requirements in detail for preparing the Request for Proposal (RFP) document and further implementation plan.

In view of above, the Executive Committee of the Council constituted an expert panel for the project viz., 'Live Streaming of both classroom teaching and the teaching hospital under Digital Mission Mode Project (DMMP) of MCI' with the following names:-

1. Dr. Ajay Kumar, Chairman, Administration & Grievance Committee
2. Dr. Sanjay Bijwe, Professor, Deptt. Of Pathology, Grant Medical College, Mumbai.
3. Dr. A.K. Singh, Deputy CAG (Retd.), New Delhi

4. Prof. Sanjay Shrivastav, Dhirubhai Ambani Instt. Of Communication Technology, Gandhi Nagar, Gujarat.
5. Prof. Navneet Goel, Deptt. Of Computer Science & Information Systems, Birla Instt. Of Technology and Sciences, Pilani (Rajasthan)
6. Shri Himanshu Dikshit, Consultant-PMU, Digital Mission Mode Project, MCI.
7. Consultant, M/s. Consultancy Development Centre, Autonomous Instt. Of Deptt. Of Scientific and Indu Research, Ministry of Science and Technology, Govt. of India.

***The minutes of the above item were read out, approved and confirmed in the meeting itself.***

**20. Recognition/Approval of Ashwini Rural Medical College, Hospital & Research Centre, Solapur, Maharashtra for the award of MBBS degree (100 seats) granted by Maharashtra University of Health Sciences, Nashik u/s 11(2) of the IMC Act, 1956.**

Read: the matter with regard to recognition/approval of Ashwini Rural Medical College, Hospital & Research Centre, Solapur, Maharashtra for the award of MBBS degree (100 seats) granted by Maharashtra University of Health Sciences, Nashik u/s 11(2) of the IMC Act, 1956.

The Executive Committee of the Council considered the assessment reports (9<sup>th</sup> January, 2017 and 28<sup>th</sup> Feb. & 1<sup>st</sup> March, 2017) and decided to recommend to the Central Government for recognition/approval of Ashwini Rural Medical College, Hospital & Research Centre, Solapur, Maharashtra for the award of MBBS degree (100 seats) granted by Maharashtra University of Health Sciences, Nashik u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16<sup>th</sup> April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute."

The Committee decided to place the matter before the General Body of the Council.

The Executive Committee further noted that in the General Surgery Department, the signature is not tallying for 11 a.m. and at the time of verification in respect of Dr. Rajnish Vhatkar, Senior Resident and it was decided to apply clause 8(3)(1)(d) in respect of the said institution. The said clause reads as under:-

8(3)(1)(d):

(d) Colleges which are found to have employed teachers with faked / forged documents:

If it is observed that any institute is found to have employed a teacher with faked / forged documents and have submitted the Declaration Form of such a teacher, such an institute will not be considered for renewal of permission / recognition for award of M.B.B.S. degree / processing the applications for postgraduate courses for two Academic Years – i.e. that Academic Year and the next Academic Year also.....”

In view of above, the Committee decided that the Institute be directed not to admit fresh batch of students for the academic year 2017-18 and 2018-19.

***The minutes of the above item were read out, approved and confirmed in the meeting itself.***

**21. Amendment in existing UG and Postgraduate Regulations of the Council to make a provision of Uniform Entrance Examination for Undergraduate and Postgraduate level.**

Read: the matter with regard to amendment in existing UG and Postgraduate Regulations of the Council to make a provision of Uniform Entrance Examination for Undergraduate and Postgraduate level.

The Executive Committee of the Council observed that Section 4 dealing with under-age students was challenged by some students before Hon'ble A.P. High Court. Although W.P. have been dismissed by Hon'ble High Court, it has made the following observations:

“4. But hard cases cannot make bad law. Therefore, in view of the decision in Master Alli Sai Deepak (supra), these writ petitions are discussed. But before parting, we would like to record our concern that Medical Council of India (MCI) should take a call on such cases, as cases of persons whose age falls short by a few days, cannot really be considered as under-aged. The concept of considering a person as under-aged, may apply to persons who could not have completed SSLC at a particular time or who could not have completed intermediate at a particular time and it cannot be applied to cases where the candidates have broadly entered into the required age but had not completed the same due to the shortage of a few days. The MCI may have to look at the concern of such candidates and address itself to the problems. The miscellaneous petitions, if any, pending in these writ petitions shall stand closed. No costs.

With regard to upper age limit & number of attempts, as per the letter dated 26 February 2017 of the Oversight Committee as well as letter dated 2<sup>nd</sup> March 2017 of the MOHFW, it has been decided by the Ministry to delete the upper age limit as well the number of attempts at NEET UG, since the country needs Doctors and the limitation would be restrictive in nature.

After due deliberations, the Executive Committee of the Council directed the office to place the amendments as approved by Central Govt. before the General Body. Regarding under-age issue also, it was decided to place the matter before General Body for detailed discussion.

***The minutes of the above item were read out, approved and confirmed in the meeting itself.***

**22. Approval of the minutes of the Finance Committee meeting held on 07<sup>th</sup> March, 2017.**

Read: the matter with regard to approval of the minutes of the Finance Committee meeting held on 07<sup>th</sup> March, 2017.

The Executive Committee of the Council while perusing the minutes of the Finance Committee meeting dated 07<sup>th</sup> March, 2017 approved & noted the recommendations of the Finance Committee in respect of item nos. 3,6,7 & 8. Rest of the items, the Committee observed as under:-

Item No.	Subject	Observations of Executive Committee
4.	Grant of Hospitality facilities for the officers of the Council.	Not approved. The Committee directed that the matter be examined by Consultant Finance in accordance with prevailing rules and practices in Government of India offices.
5.	Scanning & Digitalization of additional documents under DMPP project.	Approved provided rate per page is same as in the previous contract. This be verified by office before awarding the contract; otherwise it be reduced to the rate as awarded in the main contract.

**23. Recognition/approval of Institute of Medical Sciences & Research, Vidyagiri, Satara, Maharashtra for the award of MBBS degree(100 seats) granted by Maharashtra University of Health Sciences, Nashik u/s 11(2) of the IMC Act, 1956.**

Read: the matter with regard to recognition/approval of Institute of Medical Sciences & Research, Vidyagiri, Satara, Maharashtra for the award of MBBS degree(100 seats) granted by Maharashtra University of Health Sciences, Nashik u/s 11(2) of the IMC Act, 1956.

The Executive Committee of the Council considered the assessment report (13<sup>th</sup> January, 2017) alongwith letter dated 20/02/2017 received from Dr. N. Ramkrishna Reddy (Co-ordinator), Bangalore and a letter dated 20.02.2017 of the Dean, Institute of Medical Sciences & Research, Satara. The Committee noted the following from the Assessors letter:-

*"..we the assessors visit the above institution on 20<sup>th</sup> Feb., 2017. The college authorities have expressed their inability to undergo MCI assessment on the said dates for reasons mentioned in their letter. Please find enclosed the letter and photos of the institution for your kind perusal".*

The Executive Committee further noted the contents of the letter dated 20.02.2017 of the Dean, Institute of Medical Sciences & Research, Satara, which reads as under:-

*" ... the team of assessor from MCI, visited to our institute Shri Chhatrapati Shivaji Education Society's Institute of Medical Sciences and Research Mayani, Tal-Khatav, Distt. Satara. On 20<sup>th</sup> February, 2017 @ 9.30 a.m.. We are unable to undergo assessment today and tomorrow due to Hospital Building repairing & maintenance work under process, and please refer our letter earlier dated 31.01.2017 and 08.02.2017 also due to nonpayment of salary of the teaching staff/faculty are not on duty from last one month and regular functioning of hospital and college work are interrupted.*

*Due to aforementioned facts, we request you, not to conduct the inspection of our institute. This is a temporary problem of our institute, which will be solved within two months and the hospital as well as college will restart functioning*

*smoothly. Please note that the above mentioned situation is temporary and of curable nature.*

*Once again, we request not to conduct the inspection of our institute and kindly co-operate."*

In view of the above, the Executive Committee of the Council noted the above said letter.

**24. Recognition/Approval of GMERS Medical College, Gandhinagar for the award of MBBS degree (150 seats) granted by Gujarat University u/s 11(2) of the IMC Act, 1956.**

Read: the matter with regard to recognition/approval of GMERS Medical College, Gandhinagar for the award of MBBS degree (150 seats) granted by Gujarat University u/s 11(2) of the IMC Act, 1956.

The Executive Committee of the Council considered the assessment reports (06<sup>th</sup> January, 2017 and 06<sup>th</sup> & 07<sup>th</sup> March, 2017) and decided to recommend to the Central Government for recognition/approval of GMERS Medical College, Gandhinagar for the award of MBBS degree (150 seats) granted by Gujarat University u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16<sup>th</sup> April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.

The Committee decided to place the matter before the General Body of the Council.

***The minutes of the above item were read out, approved and confirmed in the meeting itself.***

**25. Recognition/approval of Mahatma Gandhi Institute of Medical Sciences, Sevagram, Wardha for the award of MBBS degree granted by Maharashtra University of Health Sciences, Nashik against the increased intake i.e. from 65 to 100 seats u/s 11(2) of the IMC Act, 1956.**

Read: the matter with regard to recognition/approval of Mahatma Gandhi Institute of Medical Sciences, Sevagram, Wardha for the award of MBBS degree granted by Maharashtra University of Health Sciences, Nashik against the increased intake i.e. from 65 to 100 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee of the Council considered the assessment reports (10<sup>th</sup> January, 2017 and 6<sup>th</sup> and 7<sup>th</sup> March, 2017) and noted the following:-

1. Deficiency of faculty is 7.81 % as detailed in the report.
2. Shortage of Residents is 8.33 as detailed in the report.
3. Central Library: it is not air-conditioned.

4. OPD: Enquiry desk is not available. Separate Injection rooms for males/females are not available. There is only one blood collection room. Dressing room is not separate for males/females; it used alternatively. Dark room is not available in Ophthalmology OPD. Child Welfare clinic & Child Rehabilitation clinic are not available in Paediatrics OPD.
5. Wards: Most of the Demonstration rooms are smaller than required. Proper waste disposal facilities are not available in each ward.
6. CT Scan: Ct Scan minimum 16 slice is not available.
7. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Government not to recognise/approve Mahatma Gandhi Institute of Medical Sciences, Sevagram, Wardha for the award of MBBS degree granted by Maharashtra University of Health Sciences, Nashik against the increased intake i.e. from 65 to 100 seats u/s 11(2) of the IMC Act, 1956 and further decided that the Institute be asked to submit the compliance for rectification of the above deficiencies within 15 days for further consideration of the matter.

***The minutes of the above item were read out, approved and confirmed in the meeting itself.***

**26. Recognition/approval of Padmashree Dr. Vithalrao Vikhe Patil Foundation's Medical College, Ahmednagar for the award of MBBS degree granted by Maharashtra University of Health Sciences, Nashik against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956.**

**31. Consideration of compliance verification assessment report with regard to continuance of recognition of MBBS degree granted by Rajasthan University of Health Sciences in respect of students being trained at Jawaharlal Nehru Medical College, Ajmer.**

Read: the matter with regard to consideration of compliance verification assessment report with regard to continuance of recognition of MBBS degree granted by Rajasthan University of Health Sciences in respect of students being trained at Jawaharlal Nehru Medical College, Ajmer.

The Executive Committee of the Council considered the compliance verification assessment report (10<sup>th</sup> February, 2017) along with previous assessment report (3<sup>rd</sup> & 4<sup>th</sup> June, 2016) and decided to recommend that recognition of MBBS degree granted by Rajasthan University of Health

Sciences in respect of students being trained at Jawaharlal Nehru Medical College, Ajmer be continued restricting the number of admission to 100 (One Hundred) students.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16<sup>th</sup> April, 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

- (2) The recognition so granted to an Undergraduate Course for award of degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.
- (3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.
- (4) Failure to seek timely renewal of recognition as required in sub clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.

The Committee decided to place the matter before the General Body of the Council.

*The minutes of the above item were read out, approved and confirmed in the meeting itself.*

**33. Pre-PG Assessment - Compliance Verification assessment of the physical and other teaching facilities available at Raichur Institute of Medical Sciences, Raichur under Rajiv Gandhi University of Health Sciences, Bangalore.**

Read: the matter with regard to Pre-PG Assessment - Compliance Verification assessment of the physical and other teaching facilities available at Raichur Institute of Medical Sciences, Raichur under Rajiv Gandhi University of Health Sciences, Bangalore.

The Executive Committee of the Council considered the compliance verification assessment report (20<sup>th</sup> February, 2017) along with the previous assessment reports (11<sup>th</sup> November, 2016, 18<sup>th</sup> May, 2016, 16<sup>th</sup> Dec., 2015, 9<sup>th</sup> March, 2015 & 15<sup>th</sup> & 16<sup>th</sup> Sept., 2014) and noted the following:-

1. Shortage of Residents is 26.86 % as detailed in the report.
2. Other deficiencies as pointed out in the assessment report.

In view of above, the Executive Committee of the Council decided to grant 01(One) month time to the institute to submit the compliance on rectification of deficiencies to the Council

**34. Pre-PG Assessment – Compliance verification assessment of the physical and other teaching facilities available for starting of PG course at Indira Gandhi Medical College & Research Institute, Puducherry under Pondicherry University.**

Read: the matter with regard to Pre-PG Assessment – Compliance verification assessment of the physical and other teaching facilities available for starting of PG course at Indira Gandhi Medical College & Research Institute, Puducherry under Pondicherry University.

The Executive Committee of the Council considered the compliance verification assessment report (20<sup>th</sup> February, 2017) along with previous reports (15<sup>th</sup> November, 2016 and 2<sup>nd</sup> & 3<sup>rd</sup> June, 2016) and noted the following:-

1. Shortage of Residents is 11.76 % as detailed in the report.
2. Bed Occupancy is only 59.07 % at 10 a.m. on day of assessment.
3. Residents' Hostel: It is still under construction. Deficiency remains as it is.
4. Nurses' Hostel: It is still under construction. Deficiency remains as it is.
5. Residential Quarters for faculty & Non-teaching staff are still under construction. Deficiency remains as it is.
6. Central Library: It is partially air-conditioned. Air-conditioning work for areas except computer room is in progress.
7. Other deficiencies as pointed out in the assessment report.

In view of above, the Executive Committee of the Council decided to grant 01(One) month time to the institute to submit the compliance on rectification of deficiencies to the Council.

**35. Pre-PG – Compliance verification assessment of the physical and other teaching facilities available at Shimoga Institute of Medical**

**Sciences, Shimoga under Rajiv Gandhi University of Health Sciences, Karnataka for the academic year 2017-18.**

Read: the matter with regard to Pre-PG – Compliance verification assessment of the physical and other teaching facilities available at Shimoga Institute of Medical Sciences, Shimoga under Rajiv Gandhi University of Health Sciences, Karnataka for the academic year 2017-18.

The Executive Committee of the Council considered the compliance verification assessment report (22<sup>nd</sup> February, 2017) along with previous report (1<sup>st</sup> & 2<sup>nd</sup> September, 2016) and decided that the Council should process the applications for starting of postgraduate courses if and when received for the Academic Year 2018-19.

**36. Pre-PG – Compliance Verification Assessment of the physical and other teaching facilities available for starting of PG course at Tagore Medical College & Hospital, Chennai under the Tamilnadu Dr. MGR Medical University, Chennai.**

Read: the matter with regard to Pre-PG – Compliance Verification Assessment of the physical and other teaching facilities available for starting of PG course at Tagore Medical College & Hospital, Chennai under the Tamilnadu Dr. MGR Medical University, Chennai.

The Executive Committee of the Council considered the compliance verification assessment report (20<sup>th</sup> February, 2017) along with previous reports (15<sup>th</sup> November, 2016 and 2<sup>nd</sup> & 3<sup>rd</sup> June, 2016) and noted the following:-

1. Shortage of Residents is 11.9 % as detailed in the report.
2. OPD attendance was 1,195 at 2 p.m. on day of assessment against requirement of 1,200.
3. ICUs: There were only 2 patients each in ICCU & MICU.
4. Other deficiencies as pointed out in the assessment report.

In view of above, the Executive Committee of the Council decided to grant 01(One) month time to the institute to submit the compliance on rectification of deficiencies to the Council and reiterates its earlier decision regarding apply of clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment),2010(Part II), dated 16<sup>th</sup> April, 2010 and amended on 18.03.2016 which reads as under:-

8(3)(1).....

- (c) Colleges which are already recognized for award of MBBS degree and/or running postgraduate courses

If it is observed during any inspection/assessment of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is <70%, compliance of rectification of deficiency from such an institute will not be considered for issue of renewal of permission in that Academic year and further such an institute will not be considered for processing applications for postgraduate courses in that Academic year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act,1956 along with direction of stoppage of admissions in permitted postgraduate courses.”

In view of above, it was decided not to consider the Institute for processing applications for postgraduate courses in the current Academic year (2017-18) and to issue show cause notice as to why the

recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956, along with direction of stoppage of admissions in permitted postgraduate courses and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.

The Executive Committee of the Council further decided to intimate the Postgraduate Section of application of clause 8(3)(1)(c) for this Institute for information and further necessary action.

**37. Assessment conducted of Gian Sagar Medical College & Hospital, Patiala under Baba Farid University of Health Sciences, Faridkot.**

Read: the matter with regard to assessment conducted of Gian Sagar Medical College & Hospital, Patiala under Baba Farid University of Health Sciences, Faridkot.

The Executive Committee of the Council perused the letter from Principal of the Institute dt. 08/02/2017, operative part of which reads as under:

*"We would like to bring to your kind notice that our Trust is currently facing financial crisis due to change in the management. The new management is in the process of streamlining the system and has applied for enhancement of bank loan. As the same will take some time to complete the formalities, we humbly request you to kindly give us two months' time for rectification of the deficiencies. We hereby assure you that we will adhere to submit the compliance by 02<sup>nd</sup> week of April 2017."*

In view of above, as the Institute has failed to submit compliance pursuant to issue of Notice u/s 8(3)(a)(c) in spite of giving multiple opportunities and the institute has asked for further extension of time upto 2<sup>nd</sup> week of April 2017, the Executive Committee of the Council decided to recommend to the General Body of the Council for withdrawal of recognition of MBBS degree granted by Baba Farid University of Health Sciences, Faridkot in respect of students being trained at Gian Sagar Medical College & Hospital, Patiala u/s 19 of Indian Medical Council Act, 1956.

***The minutes of the above item were read out, approved and confirmed in the meeting itself.***

**38. Consideration of Compliance Verification Assessment report with regard to continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Terna Medical College, Navi Mumbai.**

Read: the matter with regard to consideration of compliance verification assessment report with regard to continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Terna Medical College, Navi Mumbai.

The Executive Committee of the Council considered the compliance verification assessment report (27<sup>th</sup> February, 2017) along with previous reports (17.06.2016, 22.02.2016, 10.03.2015 & 11<sup>th</sup> & 12<sup>th</sup> September, 2014) and noted the following:-

1. Shortage of Residents is 12.12 % as detailed in the report.
2. Bed Occupancy is 65.9 % at 10 a.m. on day of assessment.
3. OPD attendance at own hospital was only 388 on day of assessment.

4. Deficiency of inadequate Static & Mobile X-ray machines in own hospital remains as it is as only 3 each of Mobile & Static X-ray machines are available against requirement of 4 & 5 respectively.
5. Institute has no financial control over NMMC Hospital. Paramedical staff at NMMC Hospital is of NMMC & not of college.
6. There was NIL Normal Delivery & NIL Caesarean Section on day of assessment at own hospital.
7. There were only 3 Major & 10 Minor operations for the whole hospital at own hospital & only 1 Major & 7 Minor Operations for the whole hospital at NMMC Hospital.

9. RHTC is in rented place where agreement is upto 2019. Deficiency remains as it is.
10. Other deficiencies as pointed out in the assessment report.

In view of above, the Executive Committee of the Council decided to reiterate its earlier decision not to recommend continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Terna Medical College, Navi Mumbai and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.

The Committee further decided to continue the application of clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010 (Part II) dated 16<sup>th</sup> April, 2010.

**39. Continuance of recognition of MBBS degree granted by M.J.P. Rohilkhand University, Bareilly in respect of students being trained at Rohilkhand Medical College & Hospital, Bareilly.**

Read: the matter with regard to continuance of recognition of MBBS degree granted by M.J.P. Rohilkhand University, Bareilly in respect of students being trained at Rohilkhand Medical College & Hospital, Bareilly.

The Executive Committee of the Council considered the assessment report (14<sup>th</sup> and 15<sup>th</sup> February, 2017) and decided to recommend that recognition of MBBS degree granted by M.J.P. Rohilkhand University, Bareilly in respect of students being trained at Rohilkhand Medical College & Hospital, Bareilly be continued restricting the number of admission to 100 (One Hundred) students.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16<sup>th</sup> April, 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

- (2) The recognition so granted to an Undergraduate Course for award of degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.
- (3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.
- (4) Failure to seek timely renewal of recognition as required in sub clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.

The Committee decided to place the matter before the General Body of the Council.

*The minutes of the above item were read out, approved and confirmed in the meeting itself.*

**40. Continuance of recognition of MBBS degree granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at T.D. Medical College, Alappuzha (Allepy), Kerala – regarding.**

Read: the matter with regard to Continuance of recognition of MBBS degree granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at T.D. Medical College, Alappuzha (Allepy), Kerala.

The Executive Committee of the Council considered the assessment report (15<sup>th</sup> and 16<sup>th</sup> February, 2017) and noted the following:-

1. SAF Part I is not filled by the Dean.
2. Deficiency of faculty is 12.68 % on day of assessment.
3. Dr. R.V. Ramlal who is in charge of Medical Superintendent has not submitted his D.F.
4. Paramedical & Non-teaching staff: Only 65 Paramedical & Non-teaching staff are available against requirement of 179.
5. There were only 5 Major & 8 Minor Operations for the whole hospital on day of assessment.
6. OPD: Registration Counters are manual. Plaster Cutting Room is not available.
7. Casualty: 19 beds are available against requirement of 20.
8. O.T.: Septic O.T. is not available.
9. Wards: Pantry is not available in any ward.
10. 4 Static X-ray machines are available against requirement of 5.

5. Other deficiencies as pointed out in the inspection report.

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by Kumaon University, Nainital in respect of students being trained at Government Medical College (Prev.Uttarakhand Forest Hospital Trust Med.Col.), Haldwani and further decided that the institute be asked to submit the compliance after rectification of the above deficiencies within one month.

**47. Approval of the minutes of the Administration & Grievance Committee meeting held on 06.02.2017**

Read: the minutes of Administration & Grievance Committee meeting held on 06.02.2017.

The Executive Committee of the Council perused the recommendations of Administration & Grievance Committee meeting held on 06.02.2017 and noted and approved item nos. 3,4,5,6. The rest of the items, the Executive Committee observed as under:-

Item No.7. **Complaint of ragging at King George Medical University, Lucknow**

*The Executive Committee did not approve the recommendations of Admn. & Grievance Committee. The Executive Committee observed that it was in April 2016 that Executive Committee had asked A & G Sub-Committee to appoint one independent person to conduct the enquiry and to resubmit the matter with his report. Regrettably this has not been done although a period of nearly 11 months have passed.*

*In view of above, the Executive Committee decided to appoint Dr. R.N. Wable Joint Secretary to conduct an independent enquiry and submit his report.*

***The minutes of the above item were read out, approved and confirmed in the meeting itself.***

Item No.8. **Request of Electrician of the Council to revise/re-fix his basic pay band 1 (Rs. 5200-20200 with GP of Rs. 2400/-) as per decision of Executive Committee.**

*The Executive Committee decided that this be placed before Consultant (Finance) for his clear opinion whether revision of grade pay with retrospective*

*effect as recommended above is permissible or not considering prevailing FR/SR of Central Government and to resubmit the matter.*

- Item No.9. **Live streaming of both classroom teaching and the teaching hospital under Digital Mission Mode Project (DMMP) of MCI-Appointment of Expert Agency as Consultant for Project requirements and preparation of RFP etc.**

*The Executive Committee approved the recommendations of Admn. & Griev. Committee and also approved the name of Dr. Sanjay Bijve in place of Dr. Anil Nayak.*

***The minutes of the above item were read out, approved and confirmed in the meeting itself.***

- Item No.10 **Any other item with permission of the Chair**  
**(i) Payment of monthly rental of Airtel Sim cards of OFAMOS devices.**

*The Executive Committee approved the recommendations of Admn. & Grievance Committee; however the question of default in payment by colleges has to be looked into as well. Hence payment of 1 year's bill + service charges be collected as deposit every year in April in advance from all the colleges. No application for UG/PG courses for permission/renewal of permission/recognition/continuance of recognition shall be processed unless & until this is paid by the Institutes and non-payment of such charges & non-consideration of their applications should be displayed on website of MCI.*

**56. Proposed study visit to China by Ministry of Health & F.W. and MCI officials.**

Read: the matter with regard to proposed study visit to China by Ministry of Health & F.W. and MCI officials.

The Executive Committee of the Council considered the email dated 01.12.2016 received from the Joint Secretary, Govt. of India, Ministry of Health & FW, New Delhi wherein among other things the Jt. Secretary stated that a visit has been proposed by the Ministry of Health & F.W. alongwith the President and Secretary of MCI to China with the objective to observe delivery of basic healthcare services and prescription of drugs by mid-level healthcare professionals resulting in reduction of workload on fully qualified general physicians and specialist doctors and more effective utilization of their time.

The Executive Committee noted the focus areas of the proposed visit are-

1. Observe prescription of basic drugs by mid-level healthcare professionals in one urban and one rural area and obtain feedback from the public.
2. Study the curriculum used for teaching and training such mid-level healthcare professionals.
3. Visit one such institution of learning where such teaching and training is imparted.

The Executive Committee further noted an email dt. 15.2.2017 received from the Technical Advisor, National HRH Cell, Ministry of Health & FW with regard to draft travel plan for joint official visit of Ministry & Medical Council of India to China in the month of April, 2017 to study and discuss issues of bilateral cooperation and status of medical education including performance of Indian students in China; visit to Capital Medical University, Beijing to study the infrastructure and capacity of a high end medical university in China and the general curriculum aimed towards contrasting with the curriculum offered to village doctors; discussion/workshop WHO China, joint panel discussion to understand evolution of barefoot doctors system/village physician model including payment and prescription methods as per local guidelines.

In view of above communications of the Ministry of Health & F.W., the Executive Committee of the Council decided to propose the name of Dr. Jayshree Mehta, President, MCI alongwith Dr. D.J. Borah, Chairman, Ethics Committee, MCI for the study visit to China with the officials of Ministry of Health & F.W.

***The minutes of the above item were read out, approved and confirmed in the meeting itself.***

The meeting ended with a vote of thanks to the Chair.
