The Executive Committee observed that the Hon'ble Supreme Court in of P.A Inamdar & ors vs. State of Maharashtra & Ors. – (2005) 6 SCC 537, has held that capitation fee cannot be permitted to be charged and no seat can be permitted to be appropriated by payment of capitation fee. "Profession" has to be distinguished from "business" or a mere "occupation". While in business, and to a certain extent in occupation, there is a profit motive, profession is primarily a service to society wherein earning is secondary or incidental. A student whom gets a professional degree by payment of capitation fee, once qualified as a professional, is likely to aim more at earning rather than serving and that becomes a bane to society. The charging of capitation fee by unaided minority and non-minority institutions for professional courses is just not permissible. Similarly, profiteering is also not permissible. Despite the legal position, this Court cannot shut its eyes to the hard realities of commercialisation of education and evil practices being adopted by many institutions to earn large amounts for their private or selfish ends. If capitation fee and profiteering is to be checked, the method of admission has to be regulated so that the admissions are based on merit and transparency and the students are not exploited. It is permissible to regulate admission and fee structure for achieving the purpose just stated. Every institution is free to devise its own fee structure but the same can be regulated in the interest of preventing profiteering. No capitation fee can be charged.

In view of above, the Executive Committee of the Council decided the following:-

- (1) In respect of those students who are still pursuing the courses, their admissions be cancelled forthwith. Institute be directed to submit compliance within 1 week.
- (2) In respect of those students who have passed out, State Medical Councils be asked not to issue Provisional / Final Registration and if issued, cancel the said Registrations.
- (3) Issue Show Cause Notice to the Institute as to why their Recognition of various UG& PG courses as these admissions have been made in violation of the orders of Hon'ble Supreme Court from time to time.

This be brought to notice of Hon'ble Supreme Court (Through Oversight Committee).

Item No.13. Admission of MBBS Student at Chandulal Chandrakar Memorial Medical College, Durg for Academic year 2015-16-Regarding.

The Executive Committee approved the recommendations of the Monitoring Sub-Committee. However, the Committee directed to place the matter before the next Executive Committee after verifying the list of admitted students for 2017-2018. The Committee directed the Institute to submit compliance within 01 week. This be also sent by separate communication to Secretary (ME), DME, Admission Authority, Affiliating University, State Medical Council,

representative of the State on MCI. This be brought to notice of Hon'ble Supreme Court (Through Oversight Committee).

Item No.46. Admission of 1st year MBBS students from the academic year 2007-08, 2008-09, 2013-14 and 2014-15 at National Institute of Medical Sciences & Hospital, Jaipur – Regarding.

The Executive Committee observed that the Rajasthan Medical Council vide its letter dated 7.6.2017 received in Council Office on 5th Oct.2017 had already ordered to cancel the registration of 28 students provided by the Income Tax department. The Committee further decided that confirmation in this regard may be obtained from the Rajasthan Medical Council.

Item No.49. Admission of 1st year MBBS student at Darbhanga Medical College, Lehriasarai, Bihar for the Academic Year 2016-17 – Regarding.

The Executive Committee approved the recommendations of the Monitoring Sub Committee. The Committee directed to reiterate Discharge Notice be issued to Miss Richa Kumari and Mr. Sonu Kumar. The Committee directed the Institute to submit compliance within 01 week. This be also sent by separate communication to Secretary (ME), DME, Admission Authority, Affiliating University, State Medical Council, representative of the State on MCI.

Item No.53. Admission of 1st year MBBS student at Madha Medical College and Hospital, Thandalam, Chennai, Tamil Nadu for the Academic Year 2016-17 – Regarding.

The Executive Committee observed that as no Permission has been granted by the Govt. of India for the Academic Year 2017-2018, the Executive Committee decided that the Institute be directed to adjust the excess admission made by them in Academic Year 2016-2017 in the management quota from the admissions to be made in Academic Year 2018-2019. Separate communication be also sent to Secretary (ME), Admission Authority, DME, Affiliating University.

The Executive Committee observed that the *Monitoring Sub Committee has been informed by the office that for the academic year 2017-18, 97 colleges have not filled online information about students admission. Among the 97 Colleges, 50 Govt. colleges and 47 private colleges have not entered the admitted students information through online portal of MCI, which is an important requirement for monitoring irregularities in the admission process. Out of 47 private colleges, 38 colleges were debarred for admission for the academic year 2017-18. The remaining 9 colleges are as under:-*

1. Malabar Medical College, Kozhikode, Calicut
2. Amaltas Institute of Medical Sciences, Dewas, Madhya Pradesh
3. Index Medical College Hospital & Research Centre, Indore
4. L.N. Medical College and Research Centre, Bhopal
5. Peoples College of Medical Sciences & Research Centre, Bhanpur, Bhopal
6. RKDF Medical College Hospital & Research Centre, Jatkhed, Bhopal
7. ACPM Medical College, Dhule, Maharashtra
8. Santosh Medical College, Ghaziabad, U.P.
9. Saraswati Medical College, Unnao, U.P.

Therefore, the Monitoring Sub Committee decided to issue warning to these 9 colleges stating that if they do not comply the directions of the Hon'ble Supreme Court with regard to online submission of students admission

information it will amount to contempt of court since, such information is desired as per the directives of the Hon'ble Supreme Court .The Committee also decided that the above information can be obtained by the Council assessors during the assessment of the college. In this regards the names of these colleges may be intimated to assessment cell. In addition the Secretary, Medical Education maybe requested to enforce upon all the Govt. and Private Institutions of the States to ensure that requisite data pertaining to the UG Fees be submitted online.

In view of above, the Executive Committee approved the above and a final reminder be sent. Communication be also sent separately to Secretary (ME), DME, affiliating University, State Medical Council, representative of the State on MCI. This be brought to notice of Hon'ble Supreme Court (Through Oversight Committee).

The minutes of the above item were read out, approved and confirmed in the meeting itself.

5. Approval of the minutes of the Registration & Equivalence Committee meeting held on 27thSeptember, 2017.

Read: the matter with regard to approval of the minutes of the Registration & Equivalence Committee meeting held on 27thSeptember, 2017.

The Executive Committee of the Council perused the minutes of the Registration & Equivalence Committee meeting held on 27thSeptember, 2017 and approved item nos.3,4,5 & 8. Rest of the items, the Executive Committee observed as under:-

Item No.2 Grant of registration of additional qualification i.e. Membership of the Royal College of Psychiatrists in respect of Dr. Raman Sharma u/s 26 of the IMC Act, 1956 (F.No. 17-102295).

The Executive Committee observed that it is not clear from where Dr. Raman Sharma has received training & passed the examination. This be verified. If from U.K., additional registration be granted without further reference to Executive Committee.

Item No.6. Grant of registration of additional qualifications i.e (i) Fellowship of Royal College of Radiologists (FRCR) &(ii) Certificate of Completion of Training in Radiology in respect of Dr. Leo Jose Kallarackel u/s 26 of the IMC Act, 1956 (F.No. 17-102407).

The Executive Committee approved the recommendations of the Registration & Equivalence Committee to the extent of granting Additional Registration of FRCR. Further, granting certificate of completion of Training is beyond the purview of MCI and is not an additional qualification either.

Item No.7. Grant of registration of additional qualification i.e Membership of Royal College of Paediatrics & Child Health (MRCPCH) in respect of Dr. Neeta Kevlani u/s 26 of the IMC Act, 1956 F.No. 17-102629).

The Executive Committee observed that it is not clear from where Dr. Neeta Kevlani has received training & passed the examination. This be verified. If from U.K., additional registration be granted without further reference to Executive Committee.

The Executive Committee decided to direct the REC Sub-Committee in future in all such cases, it be verified whether the training is done in U.K. In case, the training is not in U.K., such candidates are not eligible for Additional Registration.

File No. 211(2)(119-Complaint)/2016-Ethics	10 th & 11 st August, 2017
----	--	--

The Executive Committee did not approve the proceedings of the Ethics Committee and observed that Ethics Committee has not taken cognizance of statement of Dr. Sree Lasya given to assessors during assessment that she was staying alone in Room no. 305. Also, presently Dr. Sai Moulika & Dr. T. Rajeshwari have stated that they were posted as L.M.O.s while in the assessment they were shown as Junior Residents in General Medicine; thus their present statements are contradictory to facts & statements recorded during assessment. In case of Dr. Balaji, it is brought on record that he had provided wrong information; however no cognizance is taken of the fact that his D.F. was countersigned by Dean. Further, no cognizance is taken of the observation in assessment report that in Room no. 204, Dr. P.K. Senthil Ganesh, Tutor in Anatomy was found staying while as per D.F., Dr. Shivprasad, Dr. Mallavenu, Dr. Prakash Gowda were shown staying in this room. Explanation provided by Institute that Residents had changed the room and the information was not conveyed is neither tenable nor acceptable as the concerned Resident while signing the D.F. and Dean while countersigning D.F. knew that information being provided is not correct.

In view of above, the Executive Committee referred the matter back to Ethics Committee with a direction to evaluate entire material on record, including assessment report and statements given during assessment and take appropriate decision.

4.	Appeal dated 30.11.2016 filed by Sh. Vikas Tiwari against order dated 20.10.2016 passed by Chhattisgarh Medical Council -reg. (Appeal -75/2016).	23 rd & 24 th August, 2017
----	--	--

The Executive Committee approved the proceedings of the Ethics Committee with modification that punishment of "Censure" be amended to "Warning" and it may be entered in IMR.

8.	Appeal dated 18.05.2016 filed by Sh. Sanjay Kumar against order dated 04.04.2016 passed by Delhi Medical Council – reg. (12-Appeal/2016)	23 rd & 24 th August, 2017
----	--	--

The Executive Committee approved the proceedings of the Ethics Committee with respect to Dr. Charu Sachdeva.

The Committee did not approve the proceedings of the Ethics Committee with respect to Dr. B.K. Tripathi. The Committee noted that no cognizance is taken of the averment of Dr. B.K. Tripathi in § 4 of his statement that no attendant contacted him. Further Safdarjung Hospital is a medical college affiliated hospital and as per statement of Dr. B.K. Tripathi, he was working in Unit M-II B at that time, which is not controverted anywhere. In § 5, he has further stated that the patient consulted a Surgeon Dr. Aqlak Hussain who referred her to Surgical Emergency ward B where she was examined & investigated, including X-ray examination which did not show any perforation. Thus it cannot be said that the patient was not looked after. In a teaching hospital, it is always teamwork of Unit/Department and not of an individual Doctor. Further, no reasons have been given by Ethics Committee for disagreeing with statement of Dr. B.K. Tripathi or rejecting his statement.

9.	#The matter with regard to irregularities in stipend paid by Saraswati Institute of Medical Sciences, Ghaziabad, to the residents pertaining to MD(Physiology) & The matter with regard to irregularities in stipend paid by Saraswati Institute of Medical Sciences, Ghaziabad, to the residents pertaining to MD(Pharmacology)	23 rd & 24 th August, 2017
----	--	--

The Executive Committee did not approve the proceedings of the Ethics Committee. The Committee observed that it is regretted that instead of making any attempt to obtain any information as directed by Executive Committee, Ethics Committee has placed the same recommendations once again making facile excuses like whereabouts of many Residents may not be available, in many States Stipend is not treated as taxable income, etc. It was noted by Executive Committee that no explanation whatsoever is given by the Institute regarding stipend being paid in cash. Matter is once again referred back to Ethics Committee directing it to obtain the information as directed earlier by Executive Committee and to resubmit the matter making specific recommendations.

13	Abhinav Gaur & Ors V/s Union of India & Ors – Civil Misc. Writ Petition No. (PIL) 2509 of Year 2017 in the Hon'ble Allahabad High Court at Allahabad – regarding implantation of stents.	23 rd & 24 th August, 2017

The Executive Committee approved the proceedings of the Ethics Committee and constituted the Sub-committee of the following members:

1. Dr. Rakesh Yadav, Prof. of Cardiology, AIIMS, New Delhi.
2. Dr. Ashok Seth, Chairman, Fortis Escorts Heart Institute , New Delhi and Member, MCI
3. Dr. Tejas Patel, Prof & HOD, Deptt. Of Cardiology, Smt. NHL Medical College, Ahmedabad.

The Executive Committee requested the above Sub-Committee to formulate guidelines & suggestions within a period of 04 weeks. The matter be placed before Executive Committee thereafter

20	*Appeal dated 02.12.2015 filed by Sh. Surendra Pal Singh against Dr. Deepak Kumar and Dr. Prabhat Sinha, Umkal Hospital, Gurgaon, Haryana – reg. (54-Appeal/2015)&Writ Petition (Civil) No. 5300 of 2017 in the Hon'ble Delhi High Court.	21 st & 22 nd September, 2017
----	---	---

The Executive Committee approved the proceedings of the Ethics Committee in respect of complaint against Dr. Deepak Kumar. However it is observed that original order was in respect of both Dr. Deepak Kumar & Dr. Prabhat Sinha. From the Minutes recorded, it is not clear as to whether the settlement by the original complainant is with respect to both or only with Dr. Deepak Kumar, as the details of Dr. Prabhat Sinha do not appear anywhere in subsequent proceedings. This be verified. It be also verified whether the order of Hon'ble High Court was in respect of both or only Dr. Deepak Kumar as the word used in the order of Hon'ble High Court is "Petitioner" in Singular and not "Petitioners" in plural. If the order of Hon'ble High Court is not in respect of Dr. Prabhat Sinha, the earlier decision be communicated to all. If the order of Hon'ble High Court was with respect to Dr. Prabhat Sinha as well, then it be verified whether the settlement referred to in the Minutes included him; if not, proceedings to continue against Dr. Prabhat Sinha in accordance with directions of Hon'ble High Court and the matter be resubmitted thereafter.

Read: the matter with regard to minutes of the Second Meeting of the Committee to decide the two issues related to Ethics.

The Executive Committee of the Council noted that the Sub- Committee has considered the following two issues related to Ethics:

1. Investigation of case – RC-0072010A0012, Shri. Guru Ram Rai Institute of Medical and Health Sciences, Dehradun – reg.
2. Appearance of Faculty/Resident of various Medical Colleges in two different departments in the same assessment year.

The Executive Committee perused the following observations of the Sub-Committee on the above point no.1:-

".....it is apparent that the minutes dated 18.01.2014 of the Executive Committee were understood by the Ethics Section as approval of the decision of the Ethics Committee in respect of the doctors and only action against the medical college concerned remained pending, required to be taken by the Executive Committee. After examining the records, the Committee is of the view that the error of judgment if any on the part of Ethics Section in understanding the decision of the Executive Committee is bonafide and may be condoned.".....

On perusal of the above minutes, the Executive Committee did not approve the recommendations of the Sub- Committee and decided to direct the sub committee to examine the matter and make specific and unambiguous recommendations.

Further, on the second issue, the Executive Committee decided to direct the Sub-Committee to examine the matter and submit specific opinion fixing the responsibility as to how the decision of Ethics Committee was communicated to the concerned authorities without approval of the Executive Committee and resubmit the matter in the next Executive Committee.

The minutes of the above item were read out, approved and confirmed in the meeting itself.

The Executive Committee of the Council approved the report pertaining to the study group on “Equated Teaching designations to specialists from District HQ Hospitals, the Operative part of the report is as under:

“Taking stock of the entire chronology of the events the committee is pleased to recommend as under :

1. *The restrictive nature as contemplated in the notification amending the governing regulation in 2012 whereunder in case of ESIC Medical Colleges, for their establishment consultant or specialists were equated as Professor with experience of more than 18 years with 4 Research Publication and Associate Professor with experience of 10 years with 2 Research Publication as limited to ESIC medical colleges only should be waived.*
2. *Resultantly it should be further amended in the context of alteration of requirement of teaching experience for promotion to the post of Associate Professor and Professor in respective subject to the extent of four years as Assistant Professor for promotion to Associate Professor and three years as Associate Professor to Professor with prescribed number of publications in Indexed / Peer Review journal as first or corresponding author in terms of the prescribed policy to the effect that the required professional experience as consultant or specialist to be equated as Professor would be 14 years with four research publications and 8 years for Associate Professor with two research publications.*
3. *This alteration alone in its generic nature through appropriate broadening of the scope and ambit maintaining that it would be a onetime exception and those equated further would be placed and promoted in accordance with the stipulations incorporated in governing teachers eligibility qualification regulation would make real sense to the public private partnership model as notified by the Medical Council of India in its policy and statutory declarations vide the approval of the Government of India.”*

The Executive Committee directed to place the report before the General Body of the Council.

The minutes of the above item were read out, approved and confirmed in the meeting itself.

In view of the above, as the applicant college does not meet the Qualifying Criteria 6(b)(iii) of Opening of New or Higher Courses of Study or Training (including Postgraduate Course of Study or Training) and increase of Admission Capacity in any course of Study or Training (including Postgraduate Course of Study or Training) (Amendment) Regulations, 2009 (Part-III) as bed occupancy is less than the required for eligibility, the Executive Committee of the Council decided to return the application for increase in MBBS seats from 200 to 250 at Jawarharlal Nehru Medical College, Sawangi, Wardha under Datta Meghe Institute of Medical Sciences, (Deemed University), Wardha for the academic year 2018-2019 recommending disapproval of the scheme to the Central Govt. as there is no provision u/s 10A of the Indian Medical Council Act, 1956 or the Regulations framed therein to keep the application pending in the Council office for the next academic year.

The Executive Committee of the Council further decided to apply clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010 (Part II), dated 16th April, 2010 and amended on 18th March, 2016, which reads as under:-

8(3)(1).....

(c) Colleges which are already recognized for award of MBBS degree and/or running postgraduate courses

If it is observed during any inspection/assessment of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is <70%, compliance of rectification of deficiency from such an institute will not be considered for issue of renewal of permission in that Academic year and further such an institute will not be considered for processing applications for postgraduate courses in that Academic year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 along with direction of stoppage of admissions in permitted postgraduate courses.”

In view of above, it was decided not to consider the Institute for processing applications for postgraduate courses in the current Academic year (2018-19) and to issue show cause notice as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 along with direction of stoppage of admissions in permitted postgraduate courses.

The Executive Committee of the Council further decided to intimate the Postgraduate Section of application of clause 8(3)(1)(c) for this Institute for information and further necessary action.

In view of above and as the applicant has failed to meet the qualifying criteria u/s 3)2)(5 (of Establishment of Medical College Regulations, 1999 pertaining to the person owning and managing a hospital of not less than 300 beds,the Executive Committee of the Council decided to return the application for establishment of a new medical college at Paripally, Kollam, Kerala)Govt . Medical College, Paripally, Kollam (by Govt .of Kerala under Kerala University of Health Sciences, Thrissur to the Central Government recommending

disapproval of the scheme u/s 10A of the IMC Act, 1956 for the academic year 2017-18 as there is no provision u/s 10A of the Indian Medical Council Act, 1956 or the regulations framed therein to keep the application pending in the Council office for the next academic year."

The above decision of the Executive Committee was communicated to the Central Govt. vide this office letter dated 28.01.2017 with copy to the Oversight Committee.

The Executive Committee further observed that the Central Govt. vide its letter dated 20.02.2017 had forwarded the representation/compliance dated 09.02.2017 submitted by the Principal, Govt. Medical College, Kollam alongwith the following recommendation/observation of the hearing Committee:-

"The hospital has been fully transferred by ESIC to the Govt. of Kerala on 22.10.2016. As per submission made by DME, Kerala, the shortage of faculty and residents is reduced to 1.7% and 4.4% respectively. Other deficiencies are being rectified.

Recommended for review by MCI."

Accordingly, the matter with regard to Establishment of new medical college at Paripally, Kollam, Kerala (Govt. Medical College, Paripally, Kollam) by Govt. of Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 was considered by the Executive Committee at its meeting held on 21.03.2017 and it was decided as under:-

"The Executive Committee of the Council observed that at its meeting dt. 22/12/2016, it was decided as under:

"...

In view of above and as the applicant has failed to meet the qualifying criteria u/s 3)2)(5 (of Establishment of Medical College Regulations, 1999 pertaining to the person owning and managing a hospital of not less than 300 beds, the Executive Committee of the Council decided to return the application for establishment of a new medical college at Paripally, Kollam, Kerala)Govt. The Executive Committee of the Council considered the letter dated 20.02.2017 received from the Central Govt., Ministry of Health & Family Welfare, New Delhi forwarding therewith the representation/compliance dated 09.02.2017 submitted by the Principal, Govt. Medical College, Kollam.

The Executive Committee noted that the Ministry under its Committee had given personal hearing to the authorized representatives of the medical colleges/applicants on 09.02.2017 and 10.02.2017 and forwarded observations/recommendations of the Committee constituted by the Ministry in the matter, which is as under:-

"The hospital has been fully transferred by ESIC to the Govt. of Kerala on 22.10.2016. As per submission made by DME, Kerala, the shortage of faculty and residents is reduced to 1.7 %and 4.4%.respectively. Other deficiencies are being rectified.

Recommended for review by MCI".

The Executive Committee further noted that the college authorities has also submitted an undertaking certificate dated 09.02.2017 of the Additional Chief Secretary, Health & Family Welfare Department, Govt. of Kerala, Secretariat, Thiruvananthapuram with regard to providing sufficient funds for this institution, under the Plan and Non-Plan heads to meet all the fixed and recurring expenditure.

The Committee further noted the following relevant portion of the Hon'ble Supreme Court judgment dated 20/08/2015 in W.P).C (No .705/2015-Royal Medical Trust)Regd (.and Another Vs .Union of India and Anrs-: .).....“A (Initial assessment of the application at the first level should comprise of checking necessary requirements such as essentiality certificate, consent of affiliation and physical features like land and hospital requirement .If an applicant fails to fulfill these requirements, the application on the face of it, would be incomplete and be rejected .Those who fulfill the basic requirements would be considered at the next stage ”....

The Committee further noted the following relevant portion of the Hon'ble Supreme Court judgment dated 20/08/2015 in SLP).C (No .15043/2015-Padmashree Dr .D.Y .Patil Medical College Vs. Medical Council of India & Anr-:..

16. In W.P) .C (No.705/2014 –Royal Medical Trust)Regd (.and Anr .V . Union of India & Anr .decided on 20.8.2015, this Court has observed that the Schedule must take care of following aspects:

)A(Initial assesment of the application at the first level should comprise of checking necessary requirements such as essentiality certificate, consent for affiliation and physical features like land and hospital requirement .If an applicant fails to fulfill these requirements, the application on the face of it, would be incomplete and be rejected .Those who fulfill the basic requirements would be considered at the next stage.

)B(Inspection should then be conducted by the Inspectors of the MCI .By very nature such inspection must have an element of surprise .Therefore, sufficient time of about three to four months ought to be given to the MCI to cause inspection at any time and such inspection should normally be undertaken latest by January .Surprise inspection would ensure that the required facilities and infrastructure are always in place and not borrowed or put in temporarily.

)C(Intimation of the result or outcome of the inspection would then be communicated .If the infrastructure and facilities are in order, the concerned MedicalCollege should be given requisite permission/renewal .However if there are any deficiencies or shortcomings, the MCI must, after pointing out the deficiencies, grant to the college concerned sufficient time to report compliance.

)D(If compliance is reported and the applicant states that the deficiencies stand removed, the MCI must cause compliance verification .It is possible that such compliance could be accepted even without actual physical verification but that assessment be left entirely to the discretion of the MCI and the Central Government .In cases where actual physical verification is required, the MCI and the Central Government must cause such verification before the deadline.

)E(The result of such verification if positive in favour of the MedicalCollege concerned, the applicant ought to be given requisite permission/renewal .But if the deficiencies still persist or had not been removed, the applicant will stand disentitled so fare as that academic year is concerned”.

It is apparent from the aforesaid decision and the regulations that the application at the first instance is required to be complete and incomplete applications are liable to be rejected .Thereafter, there has to be an inspection and other stages of decision-making process”.

In view of above, it was decided to reiterate the earlier decision to return the application for establishment of a new medical college at Paripally, Kollam, Kerala)Govt .Medical College, Paripally, Kollam (by Govt .of Kerala under Kerala University of Health Sciences, Thrissur to the Central Government recommending disapproval of the scheme u/s 10A of the IMC Act, 1956 for the academic year 2017-18 as there is no provision u/s 10A of the Indian Medical Council Act, 1956 or the regulations framed therein to keep the application pending in the Council office for the next academic year.”

The above decision of the Executive Committee was communicated to the Central Govt. vide Council's letter dated 20.04.2017 with copy to the Oversight Committee.

The Central Govt. vide its letter dated 15.05.2017 had forwarded an undertaking/documents received from the Govt. of Kerala and college authorities and informed that the Oversight Committee already conveyed its approval to Govt. Medical College, Paripally, Kollam (Establishment of New Medical College) .

The Executive Committee of the Council further noted that the Central Govt. vide its letter dated 31.05.2017 had issued Letter of Permission for establishment of new medical college at Paripally, Kollam for the academic year 2017-2018 in pursuance of the Oversight Directive with the following conditions:-

- (i) The applicant shall submit to MHFW, within 15 days of issue of notification of approval by MHFW u/s 10A(4) of IMC Act, 1956, the following:-
 - (a) An undertaking affirming fulfillment of all deficiencies and statements made in the compliance report submitted to MCI/MHFW which are signed by Chief Secretary/health Secretary of the State.
 - (b) MHFW may thereafter, at any time in 2017-2018, direct inspection to verify the compliance submitted by the college and
 - (c) In default of the conditions (a) and (b) above, and if the compliances are found incomplete in the inspection to be conducted at the instance of MHFW, the college will be debarred from fresh intake of students for 2 years commencing 2018-2019..”

In reference to above, the Council Office has received a letter dated 13.07.2017 from the Central Govt. wherein the Central Govt. requested the Council to conduct the inspection of the said college in terms of condition (i)(b) as mentioned in the Central Govt. letter dated 31.05.2017.

Accordingly, the assessment to verify the compliance submitted by the college authorities on the deficiencies pointed out in the MCI assessment report dated 21st& 22nd November, 2016 for grant of Letter of Permission for Establishment of new medical college at Paripally, Kollam (Govt. Medical College, Paripally, Kollam) by Govt. of Kerala with an annual intake of 100 MBBS students under Kerala University of Health Sciences, Thiruvananthapuram u/s 10A of the IMC Act, 1956 for the academic year 2017-18 has been carried out by the Council Assessors on 14.09.2017 with reference to conditional approval accorded by the Oversight Committee.

The Executive Committee of the Council considered the compliance verification assessment report (14thSept., 2017) alongwith previous assessment report(21st& 22nd November, 2016) and a letter dated 25.09.2017 received from the college authorities and noted the following:

1. Shortage of Residents is 35.6 % as detailed in the report.
2. Bed Occupancy at 10 a.m. on day of assessment is 44.66 %.
3. There was NIL Major Operation on day of assessment.
4. There was NIL Normal Delivery & NIL Caesarean Section on day of assessment.
5. OPD: Dark room is not yet functional in Ophthalmology OPD.
6. MRD: It is manual. ICD X classification of diseases is not followed for indexing.
7. ETO Sterilizer is not available.
8. Other deficiencies as pointed out in the assessment report.

The Executive Committee of the Council further noted that the college has failed to abide by the undertaking it had given to the Central Govt. that there are no deficiencies. The Executive Committee, after due deliberation and discussion, has decided that the college has failed to comply with the stipulation laid down by the Oversight Committee and GOI in its letter of permission dt. 31.05.2017. Accordingly, the Executive Committee

recommends that as per the directions passed by Oversight Committee and GOI in its letter of permission dt. 31.05.2017, the college should be debarred from admitting students in the above course for a period of two academic years i.e. 2018-19 & 2019-20 as even after giving an undertaking that they have fulfilled the entire infrastructure for establishment of new medical college at Paripally, Kollam, Kerala (Govt. Medical College, Paripally, Kollam) by Govt. of Kerala with an annual intake of 100 MBBS students under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2017-18, the college was found to be grossly deficient.

39. Establishment of new medical college at Baripada (Pt. Raghunath Murmu Medical College & Hospital, Baripada), Odisha by Govt. of Odisha with an annual intake of 100 MBBS students under North Odisha University, Baripada u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

Read: the matter with regard to continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Topiwala National Medical College, Mumbai.

The Executive Committee of the Council considered the compliance verification assessment report (7th September, 2017), previous assessment report (13th & 14th July, 2012) along with letter dated 28.02.2017 received jointly from the (i) Dean, T.N. Medical College & BYL Nair Ch. Hospital, Mumbai, (ii) Director (ME & MH) and (iii) Addl. Municipal Commissioner, (W.S.), MCGM and decided to recommend that recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Topiwala National Medical College, Mumbai be continued restricting the number of admission to 120 (One Hundred Twenty) students.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April, 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

- (2) The recognition so granted to an Undergraduate Course for award of degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.
- (3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.
- (4) Failure to seek timely renewal of recognition as required in sub clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.

42. Consideration of compliance verification assessment report with regard to continuance of recognition of MBBS degree granted by Baba Farid University of Health Sciences, Faridkot in respect of students being trained at Adesh Institute of Medical Sciences & Research, Bathinda.

Read: the matter with regard to consideration of compliance verification assessment report with regard to continuance of recognition of MBBS degree granted by Baba Farid University of Health Sciences, Faridkot in respect of students being trained at Adesh Institute of Medical Sciences & Research, Bathinda.

The Executive Committee of the Council considered the compliance verification assessment report (14th September, 2017), previous assessment reports (25th April, 2017 and 17th & 18th May, 2016) along with a representation/letter dated 15.09.2017 from the Principal of the college through the Secretary, Oversight Committee on MCI vide letter dated 11.10.2017 and noted the following:-

1. Deficiency of faculty is 19.58 % as detailed in the report.
2. Shortage of Residents is 22.36 % as detailed in the report.
3. A few Residents do not stay in the campus.
4. Bed Occupancy at 10 a.m. on day of assessment is 13.38 %.
5. Data of OPD attendance, Laboratory & Radiological investigations as submitted by the Institute are highly inflated.
6. There was NIL Surgery in Surgery, Orthopaedics O.T.s.

7. Casualty O.T. was found locked at time of visit.
8. Almost all samples in Histopathology seemed to be old Museum specimens.
9. Wards: Some wards are not as per MSR guidelines.
10. Videography was not provided in spite of repeated requests.
11. Other deficiencies as pointed out in the assessment report.

In view of above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by Baba Farid University of Health Sciences, Faridkot in respect of students being trained at Adesh Institute of Medical Sciences & Research, Bathinda and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.

The Committee further decided to apply clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010 (Part II), dated 16th April, 2010 and amended on 18.03.2016, which reads as under:-

8(3)(1).....

(c) Colleges which are already recognized for award of MBBS degree and/or running postgraduate courses

If it is observed during any inspection/assessment of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is <70%, compliance of rectification of deficiency from such an institute will not be considered for issue of renewal of permission in that Academic year and further such an institute will not be considered for processing applications for postgraduate courses in that Academic year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 along with direction of stoppage of admissions in permitted postgraduate courses.”

In view of above, it was decided not to consider the Institute for processing applications for postgraduate courses in the current Academic year (2018-19) and to issue show cause notice as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956, along with direction of stoppage of admissions in permitted postgraduate courses and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.

The Executive Committee of the Council further decided to intimate the Postgraduate Section of application of clause 8(3)(1)(c) for this Institute for information and further necessary action.

The Committee further decided to continue the application of clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010 (Part II) dated 16thApril, 2010 and amended on 18.03.2016.

45. Pre-PG Assessment – assessment of the physical and other teaching facilities available for starting of PG course at Rama Medical College & Hospital, Kanpur under Dr. B.R. Ambedkar University, Agra, UP.

Read: the matter with regard to Pre-PG Assessment – assessment of the physical and other teaching facilities available for starting of PG course at Rama Medical College & Hospital, Kanpur under Dr. B.R. Ambedkar University, Agra, UP.

The Executive Committee of the Council perused the letter dated 25.09.2017 received from the Principal, Rama Medical College & Hospital, Kanpur, Uttar Pradesh duly signed by the Council's assessors in which it is stated as under:-

"With reference to your letter no. MCI-34(41)(UG)/2016-Med/UP/ dated 22.09.2017 we submit as follows:

1. As per above mentioned MCI letter three assessors namely Dr. T.S. Ranganath, Dr. M. Birkumar Sharma, Dr. Jayanta De, he had come to assess Rama Medical College & Hospital, Kanpur, Uttar Pradesh for compliance verification of the Physical and the other teaching facilities available for 100 MBBS seats at 10:30 AM on 25.09.2017.

2. As Ministry of Health Govt. of India on recommendation of MCI has disapproved the scheme of starting PG by its letter no. U.12011/23/2016-ME dated 28.02.2017 (Annexure-1).

3. Scheme for starting PG for the academic session 2018-19 has already been withdrawn by the college vide letter no RMCHRC/Pri.o./2017/694, RMCHRC/Pri.o./2017/696 and RMCHRC/Pri.o./2017/697 dated 28.04.2017 received in Ministry of Health and Family Welfare and MCI on 28.04.2017 (Annexure-2).

4. As the inspection of 2nd & 3rd December 2016 was for the Pre-PG inspection and Ministry of Health Govt. of India on recommendation of MCI has already disapproved the scheme for starting PG hence, there is no reason for compliance verification assessment/inspection.

So we request you to kindly cancel the above said compliance verification assessment/inspection."

The Executive Committee of the Council further noted that in the last assessment i.e. 2nd and 3rd December, 2016, various deficiencies had been pointed out by the Council assessors for which the Principal of the Institute had submitted the compliance vide letter dated 28.12.2016.

In view of the above, the Executive Committee of the Council decided to verify the compliance by way of an assessment as the institute is required to meet with the minimum standard requirements for the existing intake capacity and inform the Institute accordingly.

The Executive Committee of the Council approved the report of the Sub-Committee, the operative part of which reads as under:-

...."Conclusion

In the effort of making an enabling provision, Locomotor Disabilities which was absolutely a standalone mechanism became a Locomotor Disabilities basket with lower limb, upper limb and spine, suggestive of a right direction adopted by the Committee. In case of lower limb we considered the functionality point of view and therefore while prescribing, we have taken an advanced stage of upto 80% disability for permissibility with an inbuilt segregation within the prescribed range of 40-80% for the purpose of priority in admission. In case of spine and upper limb we have reduced and narrowed down the range from the point of view of dexterity and functionality, therefore a range of 40-60% is prescribed in case of both, with a priority in reservation to those between 51-60% and in case seat remain vacant, the benefit gets extended to those with disability of 40-50%, likewise for lower limb."

The Executive Committee directed to place the report before the General Body of the Council.

The Executive Committee of the Council considered the assessment report (5th and 6th October, 2017) and noted the following:-

1. Shortage of Residents is 8.51 % as detailed in the report.
2. Bed Occupancy at 10 a.m. on day of assessment was 56 %.
3. As per counting in individual wards there were 183 nos. of patients but after randomly verifying around 15 or more patients were admitted with minor complaints which does not require admission like 3 nos. of DNS, 1 no. of patient with small cyst over tongue, 3 patients of uncomplicated post operative Cataract surgery, 3 patients of DUB, 1 patient of PID, 3 patients of low back pain and osteoporosis and 1 patient with loose motion apparently looks healthy. Moreover, 12 patients with mild fever also admitted. Few patients from above were admitted with incomplete case papers without any investigations which can be treated on OPD basis. Hence not counted 15 nos. of patients.
4. Paraclinical departments of Pathology, Microbiology, Pharmacology, Forensic Medicine, Community Medicine are under construction.
5. Examination Hall: It is under construction.
6. RHTC: It is not developed.
7. UHC: It is not under full control of Dean.
8. Other deficiencies as pointed out in the assessment report.

In view of above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 2nd batch of 150 MBBS students at G.S. Medical College, Hapur under Ch. Charan Singh University, Meerut u/s 10A of the IMC Act, 1956 for the academic year 2018-2019.

62. Renewal of permission for MBBS course for 3rd batch (150 seats) of Krishna Mohan Medical College & Hospital, Mathura, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2018-2019.

Read: the matter with regard to renewal of permission for MBBS course for 3rd batch (150 seats) of Krishna Mohan Medical College & Hospital, Mathura, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2018-2019.

The Executive Committee of the Council considered the letter dated 11.10.2017 received from the appointed team of Council Assessors alongwith its enclosures and noted the following:-

“The inspection of the college was required to be carried out in terms of order Dt. 01/09/2017 passed in WP (C) No. 448/2017 by the Honorable Supreme Court and the report thereof is required to be placed before the apex court within 8 weeks from the date.

We reached the institute for the inspection of Krishna Mohan Medical College, Sonkh Road, Mathura on 11/10/2017 for the above said inspection. The following are our observations:-

- From outside the campus was closed, appearing deserted, situated away inhabitation.
- At the outset the security guards posted at the Main Gate did not allow us even after knowing our identity to enter inside the campus without the prior permission from the authorities through the Main Gate. When the team asked about the denial of entry they said that instruction from the authorities are there not to allow anyone and even they did not allow us to take any photographs.
- After much persuasion only recording the name of one of us in the Register kept at the Main Gate, the Security personnel took us to another gate through which we were permitted to enter and were met by some persons, including Medical Supdt. of the College. They did not allow us to inspect the campus of the Medical College and Hospital.
- The college authorities denied us for inspection and to this effect a letter along with some enclosures were given by the Medical Superintendent of the Hospital in absence of Dean which is self-explanatory.
- Therefore we had no option except to leave the place and report the matter to MCI.

In view of above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 3rd batch of 150 MBBS students at Krishna Mohan Medical College & Hospital, Mathura, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2018-2019.

64. Regarding shifting of students of Chintpurni Medical College & Hospital, Vill. Bungal, Distt. Pathankot, Punjab

Read: the matter with regard to shifting of students of Chintpurni Medical College & Hospital, Vill. Bungal, Distt. Pathankot, Punjab.

The Executive Committee of the Council perused the matter pertaining to shifting of students of Chintpurni Medical College & Hospital, Vill. Bungal, Distt. Pathankot, Punjab. In this regard, the Executive Committee noted the request of Govt. of Punjab as under:

In this regard, in CWP No. 7348 of 2016 judgment dated 08.09.2017 passed by Hon'ble Punjab and Haryana High Court has been received in this office on 15.09.2017. The relevant abstract of the aforesaid judgment is reproduced below:

"In the circumstances, the State and respondents are mandated to follow the law and to now make arrangements to shift the petitioners to other medical colleges as per the procedure laid down by the Medical Council of India.

The petition is allowed. Let the necessary exercise be concluded within a period of two months."

As you are aware that apart from the State Government of Punjab, both Medical Council of India and Ministry of Health and Family Welfare, Government of India were respondents in the matter. Therefore, there is an imperative need to immediately shift the students of this college for compliance of directions of Hon'ble High Court within the given time frame.

In view of above, the Executive Committee of the Council observed that the above said letter is silent about closing down the Institute and also about Encashment of Bank Guarantees. In this view of the matter, the Executive Committee decided to inform Govt. of Punjab and further decided to obtain opinion from the Learned Additional Solicitor General of India in the matter.
