Read: the matter with regard to continuance of recognition of MBBS degree granted by NTR University of Health Sciences, Vijaywada in respect of students being trained at Rajiv Gandhi Institute of Medical Sciences, Adilabad.

The Executive Committee of the Council considered the assessment report (5th and 6th June, 2018) and noted the following:-

1. Deficiency of faculty is 35.84 % as detailed in the report.
2. Dean is not regularly attending as Dean as verified from various persons working in the institute. She was not there in college till 3 pm on 5.6.2018. It was reported that she has gone to attend a meeting at DMER office at Hyderabad whereas DMER himself was present in the college at about 12 noon. The fact of her not being a regularly attending Dean is further fortified by the fact that majority of the declaration forms has not been signed by the Dean. Since she reported at 3 pm she was also not considered as faculty of Biochemistry. She has not submitted her declaration form as Dean.
3. Dr. K. Ashok is Associate Professor I/c and holding the post of Medical Superintendent as well as Director of the Institute. His designation of Associate Professor I/c is unique and does not seem to be regular Assoc. Professor.

4. Shortage of Residents is 80.64 % as detailed in the report.
5. Majority of Declaration Forms are incomplete as detailed in the report.
6. Bed Occupancy at 10 a.m. on day of assessment is 52.97 %.

8. Casualty: Separate Casualty for O.G. is not available. Central O₂ and Central Suction are not available. Disaster Trolley, Crash Cart are not available.
9. ICUs: SICU is not available.
10. Radiodiagnosis department: 4 Static X-ray machines are available against requirement of 5. 2 USG machines are available against requirement of 3.
11. ETO Sterilizer is not available.
12. Intercom is not available.
13. MRD: It is partially computerized. ICD X classification of Diseases is not followed for indexing of diseases.
14. Central Library: 12 Internet Nodes are available against requirement of 25.
15. Anatomy department: Only 2 cadavers are available.
16. Pathology department: There is no seating arrangement in the Museum.
17. Microbiology department: Only 2 service laboratories are available against 7 required.
18. Audiovisual aids are not available in Demonstration rooms of several departments as detailed in the report.
19. RHTC: It is not under control of Dean. Specialists' visits are not organized.
20. UHC: Specialists' visits are not organized.
21. Website: Uploaded information is incomplete as detailed in the report.
22. Other deficiencies as pointed out in the assessment report.

In view of above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by NTR University of Health Sciences, Vijaywada in respect of students being trained at Rajiv Gandhi Institute of Medical Sciences, Adilabad and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.

Read: the matter with regard to continuance of recognition of MBBS degree granted by Teerthanker Mahaveer University, Moradabad in respect of students being trained at Teerthanker Mahaveer Medical College & Research Centre, Moradabad, UP.

The Executive Committee of the Council considered the assessment report (1st & 2nd June, 2018) and decided to recommend that recognition of MBBS degree granted by Teerthanker Mahaveer University, Moradabad in respect of students being trained at Teerthanker Mahaveer Medical College & Research Centre, Moradabad, UP be continued restricting the number of admission to 100 (One Hundred) students.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April, 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

- (2) The recognition so granted to an Undergraduate Course for award of degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.
- (3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.
- (4) Failure to seek timely renewal of recognition as required in sub clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.

8. Continuance of recognition of MBBS degree granted by NTR University of Health Sciences, Vijaywada in respect of students being trained at Deccan college of Medical Sciences, Hyderabad, Telanagana.

Read: the matter with regard to continuance of recognition of MBBS degree granted by NTR University of Health Sciences, Vijaywada in respect of students being trained at Deccan college of Medical Sciences, Hyderabad, Telanagana.

The Executive Committee of the Council perused a letter dated 22.05.2018 of the assessors which reads as under:-

"The Undersigned Assessors reached the college at 9.00 a, on 22 May, 2018 for carrying out assessment vide subject above. since there are summer vacations in the college leading to absence of more than 50% faculty/tutor/resident and low patient load owing to this reason along with holy month of Ramazan, the college authorities were not willing for the proposed inspection on 22nd & 23rd May, 2018.

The relevant letter from the college authorities arte enclosed along with blank SAF-II duly signed by all the assessors and the Principal of the college.

A draft of Rs. 3.00 lakh was already sent by the college through courier on 6th Nov. 2017 (DD Nos. 968279, 968280 & 968282 dated 03.11.2017 of HDFC Bank each of Rs. 1.00 lakh. The balance amount of Rs. 54,000/- is being enclosed.

It is pertinent to mention that the college is now affiliated to KNR University of health Sciences, Warangal Telanagana State instead of Dr. NTR UHS, Vijayawada, AP."

The Executive Committee also perused the letter dt. 22.5.2018 of the Dean, Deccan college of Medical Sciences, Hyderabad, Telanagana wherein it is stated as under:-

"This is to submit that the Medical Council of India team for the above said inspection arrived on Tuesday 22nd May, 2018. We submit that in view of the following reasons the assessment report after carrying out the said inspection may not be a true reflection of the performance of the Medical College and the associated teaching hospitals.

1. *This inspection falls in the vacation period declared by the KNR University between May 1st 2018 and May 31st 2018 (vide order Lr. No. 649/KNRUHS/Acad/2017-18, dt: 24.4.2018 self attested copy enclosed)*
2. *Consequently more than half of the faculty are on leave and will not be approachable at short notice of 1 to 2 hrs.*
3. *The shortfall in the staff has naturally translated into a reduced clinical workload, thereby presenting an inaccurate position of the institution.*
4. *Owing to the holy month of Ramazan, and the Medical College being located within the heart of Hyderabad, footfalls would be understandably reduced.*

We are therefore not willing for the said inspection and reiterate that the results of the inspection would not be true reflection of the performance of the hospitals and

the medical college. We therefore request that the inspection may kindly be deferred to a later date after the vacations are over."

In view of above, the Executive Committee of the Council decided to carry out fresh assessment of the institute.

Read: the matter with regard to compliance verification assessment of the physical and the other teaching facilities available for 200 MBBS seats (Show Cause) at Jawarharlal Nehru Medical College, Sawangi, Wardha under Datta Meghe Institute of Medical Sciences, (Deemed University), Wardha.

The Executive Committee of the Council considered the compliance verification assessment report (11.06.2018) along with photographs/videography, previous assessment report (6th& 7thOctober, 2017) and noted the following:-

1. Bed Occupancy at 10 a.m. on day of assessment was 70 %.
2. There is no record book or physical copy of register in Casualty.
3. Data provided by Institute for OPD attendance are inflated. Data are entered centrally; there is gross discrepancy in number of patients between

central registration & patients' attendance in various clinical departments. The number of patients are less than data of central registration on verification.

4. There were only 09 Minor Operations for the whole hospital on day of assessment.
5. There was NIL Normal Delivery & only 01 Caesarean Section on day of assessment.
6. Data of Major Operations do not tally with Post-operative patients on verification. E.g., only 3 Major Surgeries could be verified against list of 15 supplied by the Institute.
7. Other deficiencies as pointed out in the assessment report.

In view of above, the Executive Committee decided to revoke clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010 (Part II), dated 16th April, 2010 and amended on 18.03.2016 and further decided to grant 01 (One) month time to the institute to submit the compliance on rectification of deficiencies to the Council.

Read: the matter with regard to report of Sub-Committee for the consideration of Higher Grade Pay to Computer Operators.

The Executive Committee of the Council observed as under:

- (1) Contention of the Sub-committee that "It has not recommended creation of new cadre, but has only suggested division of posts of Computer Operator in two categories" is not correct as the division has created a new sub-cadre for which Recruitment Rules do not exist.
- (2) Providing Recruitment Rules for a new Sub-cadre would require the entire process upto the stage of approval of Central Govt. which would be time consuming.

In view of above, the Executive Committee decided to obtain requisite information regarding Cadre structure, Pay Scale, Recruitment Rules from NIC as well as from other similarly placed Regulatory bodies like UGC, DCI, AICTE, etc. The matter be placed before Finance and Admn. & Grievance Sub-Committee for re-examination and re-submission.

28. Report of Sub Committee on DMMP-I Project Timelines over run referred by EC in its meeting dated 05.06.2018.

Read: the matter with regard to report of Sub Committee on DMMP-I Project Timelines over run referred by EC in its meeting dated 05.06.2018.

The Executive Committee of the Council approved the following report of the Sub-committee:

“EC minutes dated 05.06.2018, Item no. 11 sub item no. 21 i.e. ‘Committee Report on DMMP-1 Project Timelines over run’

The sub Committee met on 26/06/2018, noted the comments of EC & deliberated at length report thereof is as under: -

The mandate assigned to the sub Committee was to re-assess the status of the DMMP-1 deliverable milestone and to examine the SI representation giving justification for time over run, not due to their fault. The Sub Committee in its report dated 07.03.2018 has given its recommendation on said account. The status of all the deliverable milestones as per main contract agreement & its detailed status as on date were explained for proper appreciation of the progress of the DMMP-1 Project.

The Go-live milestone has been achieved after time over run of about 8 Months, 20 Days. It is understandable that any time over run at one stage of the activity will certainly have cascading effect on the overall time line on final stage.

As observed from record, some of the reasons contributing to delay attributable to Council, are: -

1. *Change in the delivery process of OFAMOS devices*
2. *Approval of OFAMOS SIM Cards*
3. *Aadhar AUA/KUA authentication*
4. *Delay in road Permit Approval for OFAMOS devices*
5. *Non-availability of PMU consultant, trained/ skilled resources, inadequate staff*
6. *Delay in holding Project review meetings & approval of decision*
7. *Lukewarm response from the user section of the Council*

Whereas main reason attributable to SI are: -

1. *Lack of detailed SRS/SDD document.*
2. *Without freezing the requirement, SI went for the next milestone of the DMMP Project.*
3. *Delay in Data Migration activity*
4. *Scalable Testing, Stress Testing, Integration Testing not executed*
5. *Failure to anticipate likely challenges on project implementation.*
6. *Security Features like VPN implementation & Single Sign-on, Finger Print Login Device (UAT Stage), Audit Log module*
7. *Non Professional approach to meet the challenges.*

The sub Committee also took into account the SI response to the above aspect, forwarded by A&G Committee meeting dated 23.06.2018, for consideration & perusal. The sub Committee also referred to the agreement provision i.e. article 4.4, stated as under: -

‘This penalty is subject to the maximum of 10% of the value of corresponding total component cost of the delayed/undelivered services. This right to levy any penalty shall be without prejudice to other rights and remedies available to MCI under the agreement and/or any other law.’

The sub Committee noted the complex nature of the project, having various module with interface to each other. Certainly, a delay at one stage will affect the overall time schedule. Further, there is no break up off the value of module. No yard stick/ parameters are available to guide the assessment of share of delay in time over run to compute the penalty.

The sub Committee after analyzing all the above aspects, SI representation, Main Contract Provisions/Clause and keeping this fact into consideration, that time over run has not put the council any financial loss, recommended imposition of penalty of Rs. 6 lakh which works out to be 1% of Go-live milestone deliverable.

The sub Committee is clear with the view that primary responsibility for successful implementation lies with the System Integrator (SI) Agency. SI should have forecasted the technical challenges, eventualities and should have taken the remedial measure by apprising the Council well before time. Further due to, non-completion of all the pre-defined activities of the respective modules for which sign off documents has been provided by SI. The sub Committee held SI accountable and accordingly recommended the imposition of penalty.

The committee is therefore of unanimous view and reiterate that penalty of Rs. 6 Lakh for time over run for the delay attributable to SI, is reasonable and will stand the test of arbitration/ legal course."

29. To consider grant of the permission to Atal Bihari Vajpayee Hindi Vishwavidyalaya, Bhopal to provide the Medical Education in Hindi as a medium of instruction – Report of Sub-Committee constituted by the Executive Committee at its meeting held on 11/07/2017.

Read: the matter with regard to consider grant of the permission to Atal Bihari Vajpayee Hindi Vishwavidyalaya, Bhopal to provide the Medical Education in Hindi as a medium of instruction – Report of Sub-Committee constituted by the Executive Committee at its meeting held on 11/07/2017.

The Executive Committee of the Council approved the report of Academic Sub-Committee which reads as under:

RECOMMENDATIONS

1. *Having taken note of aforesaid chronology, the Committee would like to place on record its cardinal observations in the context of existing situations and circumstances including the paucity of the learning resource material for imparting instructions to the learners at undergraduate medical education, in an era of internationalization and information and communication technology ruling the roost, it is difficult to conclude and recommend that situation is ripe and appropriate to avail Hindi as a medium of instruction for undergraduate medical education.*
2. *It has to be borne in mind that the quality centricity of medical education has to keep pace with the scientific and technological advancement which is galloping as of now at a very fast pace. It is inevitably required to ensure that these advancements are appropriately incorporated in the curriculum and syllabi in a timely manner, so as to keep a proper pace with it. Bulk of the learning resource material on the said count is handy and mostly available in English which facilitates the timely incorporation and required dispensation in teaching and learning at undergraduate medical education.*
3. *It is also worthwhile to note that in the leading countries that constitute the developed world including America, England, Canada, Australia, New Zealand and Singapore, the language availed as medium of instruction for medical education is English. It is precisely on the strength that medium of instruction in India is English, the Graduates in a realistic sense have international opportunities open and available to them in a handy manner which adds to their exposure, experience and update as well in a round about manner.*

4. *Apart from the developed world even the developing world specially the Afro Asian countries including Thailand, Malaysia, Indonesia, Mauritius have English as a medium of instruction for medical education. The neighbouring countries like Pakistan, Nepal, Bangladesh, Sri Lanka have English as a medium of instruction for medical education.*
5. *It is on the strength on these vital consideration that have a material bearing on the entire process and operation of medical education which cannot be lost sight of, a realistic recommendation needs to be made.*
6. *As such taking into consideration the realities that operate as of now, including the diligent concern for the future of the medical graduates and Postgraduates that have been churned out of the educational system in the country, the Committee is of the considered opinion that the earlier recommendations made to the effect that during the pendency of generation of adequate teaching learning resource material for imparting medical education which could include text books, reference books, journals and enabling supporting learning resource material in Hindi, through structured mechanism which ought to be standing in character so that it does not turn out to be a one-time generating mechanism but operates in an open ended continual manner. It would not be wise and prudent to avail Hindi as a medium of instruction at undergraduate medical education at this juncture.*
7. *As such the Committee feels it imperative to place it record that in a multilingual country where official languages are included in a specific schedule appended to the constitution and the states having been reorganized on the linguistic basis, configuration of Hindi alone as a language as medium of instruction in medical education would not suffice. There would be demands from the States to have their respective state languages to be availed as a medium of instruction for medical education which would add to the multiplicity to the issue at hand."*

30. Confirmation of eligibility for the post of Professor in the department of Obst. & Gynae. in respect of Dr. Nivedita K. in a medical college.

Read: the matter with regard to confirmation of eligibility for the post of Professor in the department of Obst. & Gynae. in respect of Dr. Nivedita K. in a medical college.

The Executive Committee of the Council observed that this is a referred back matter wherein earlier the Executive Committee at its meeting held on 05/03/2018 had decided as under:

"The Executive Committee observed that appointment with regard to teaching experience and eligibility of publications be verified by Chairman, Postgraduate Committee and matter be resubmitted."

The Committee further perused the opinion of the Chairman, PG Committee as under:

"She is DNB from Non-teaching Hospital and she has no 3 yrs. Experience as JR in a teaching hospital when appointed ab initio as SR and later on as AP. Hence her appointment as SR was not as per rules. However this issue is still controversial and being taken up with OC on account of their contradictory stand in this matter. Even otherwise the initial irregularity is 10-12 yrs. old."

In view of above, as the matter is being taken up with Oversight Committee in view of its contradictory stand in the matter, the Executive Committee decided to defer the matter till the final decision of the OC.

31. Approval of minutes of the Administration & Grievance Committee meeting held in the Council Office on 22nd June, 2018.

Read: the matter with regard to approval of minutes of the Administration & Grievance Committee meeting held in the Council Office on 22nd June, 2018.

4. OFAMOS Resolution

Further, the Executive Committee observed as under:-

6. **Executive Committee Decision on A&GC minutes for DMMP-I Project Items.**
EC Item no. 11, sub Item no. 21 i.e. Sub-Committee report on DMMP-1, Project Timelines run over
EC Item no. 11, A&GC Any other Item:
‘Notice/letter dated 01.05.2018 submitted by SI (M/s Bodhtree Consulting Ltd.)’.

The Executive Committee perused the report and noted that A & GC Sub-committee has observed that “various sections are not keen to use modules pertaining to their sections.” This requires in-depth analysis as to why the sections are reluctant to use the modules. Hence the matter is referred back to A & GC sub-committee which will interact with each section and prepare a comprehensive report as to what are the shortcomings/hurdles which are coming in the way for full implementation, including but not limited to reasons for reluctance on part of sections to use the modules. The sub-committee may take help of any expert/official it thinks fit for this purpose. The said comprehensive report shall be submitted to the Executive Committee at the earliest.

10. **Complaint of ragging received from Darbhanga Medical College, Laheriasarai – comments regarding.**

The Executive Committee decided that the matter be placed before the Chairman (Finance Committee) and be resubmitted before Executive Committee alongwith his opinion.

Any Other Item.

1. DMMP 5th Milestone ‘Submission of UAT report of DMMP applications’

The Executive Committee observed that A & GC in its minutes has observed that that UAT documents are pending for 6 DMMP modules (i.e. User Management Module, Audit Log, SLA, Backup, Faculty Development & Assessment Cell). It is also noted in the Minutes that Computer Programmer, MCI informed the A&GC that the SLA & Backup module is pending due to non-availability of PMU Consultant. In this regard, it was also observed that Council has approved a proposal submitted by M/s CDC for the hiring of PMU Consultant who will join the Council very soon. Audit log module is under change process at SI level and rest of the 3 modules are to be verified by respective section heads of Assessment Cell, Academic Cell & Computer Section. Further, all the security related issue (i.e. capturing of MAC address etc.) have not yet been closed by SI as noted in the Minutes. Further the reasons for Assessment Cell, Academic Cell & Computer Section not verifying the respective modules have not been recorded in the Minutes. Under these circumstances the delay in release of payment cannot be largely attributed to the Council.

In view of above, the Executive Committee decided to refer back the matter to A & G Sub-committee for preparing a comprehensive report on the following and submit it to the Executive Committee at its next meeting:

- (1) The exact quantum of work which is completed with regard to 5th Milestone & for which there is no disagreement on part of the Council && balance amount payable in this regard for this quantum of work;
- (2) The reasons for which Assessment Cell, Academic Cell & Computer Section modules have not been verified by the respective sections and latest status thereunder and timeframe when all the issues arising therefrom would be settled by SI to the satisfaction of the Council;
- (3) When & how all security related would be closed by SI.

The Sub-Committee may take help of any expert/official it thinks fit for this purpose. Meanwhile, PMU Consultant be requested to join the Council at the earliest.

Office Note: Section may also verify whether services of PMU Consultant can be availed on contractual job specific basis till a regular PMU Consultant joins the Council and if feasible, contract for the same be awarded by A & G C Sub-committee Chairman in consultation with D.S. (Admn.) & Consultant (Finance).

4. SPECIAL NOTE regarding Anti Ragging

The Executive Committee did not agree that ragging cases seem to be a futile exercise. A & GC Sub-committee has a vital role to play in dealing with the matters and also the consideration of the reports and the Members of Executive Committee appreciate their role. The decision of Executive Committee not to send a member of A & GC Sub-committee for investigation has been taken not due to any aspersion on the members of A & G Sub-committee but in keeping with the tradition of the Council that those who are deciding the matter cannot be

investigators themselves. In this regard, it was observed that this fine tradition is established since long when it was decided that members of Executive Committee/PG Committee would not be inspectors as the respective Committees would have to consider the inspection reports given by their own members and the decision of not sending member of A & G Sub-committee is akin to that.

In view of above, the Executive Committee decided to request Admn.& Grievance Sub-Committee to continue with present system.

32. Recognition/approval of Patliputra Medical College, Dhanbad, Jharkhand for the award of MBBS degree granted by Vinoba Bhave University, Hazaribag against the increased intake i.e. from 50 to 100 seats u/s 11(2) of the IMC Act, 1956.

Read: the matter with regard to recognition/approval of Patliputra Medical College, Dhanbad, Jharkhand for the award of MBBS degree granted by Vinoba Bhave University, Hazaribag against the increased intake i.e. from 50 to 100 seats u/s 11(2) of the IMC Act, 1956.

Read: the matter with regard to compliance verification assessment of the physical and the other teaching facilities available for 150 MBBS seats (Show

Cause) at Vydehi Institute of Medical Sciences & Research Centre, Bangalore under Rajiv Gandhi University of Health Sciences, Bangalore.

The Executive Committee of the Council considered the compliance verification assessment report (26.06.2018) along with photographs/videography, previous assessment report (5th& 6thMarch, 2018) and decided to revoke the decision of application of clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010(Part II), dated 16th April, 2010.

34. Consideration of compliance verification assessment report with regard to continuance of recognition of MBBS degree granted by Pondicherry University in respect of students being trained at Sri Venkateswara Medical College, Hospital & Research Centre, Pondicherry.

Read: the matter with regard to compliance verification assessment report with regard to continuance of recognition of MBBS degree granted by Pondicherry University in respect of students being trained at Sri Venkateswara Medical College, Hospital & Research Centre, Pondicherry.

The Executive Committee of the Council considered the compliance verification assessment report (27thJune, 2018) along with photographs/videography, previous assessment reports (28th December, 2017, 17th& 18th July, 2017) and decided to revoke the decision of application of clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010(Part II), dated 16th April, 2010.

The Executive Committee further recommended that recognition of MBBS degree granted by Pondicherry University in respect of students being trained at Sri Venkateswara Medical College, Hospital & Research Centre, Pondicherry be continued restricting the number of admission to 150 (One Hundred Fifty) students.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April, 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

- (2) The recognition so granted to an Undergraduate Course for award of degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.
- (3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.
- (4) Failure to seek timely renewal of recognition as required in sub clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.

The Executive Committee however decided to continue the application of clause 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999 as applied earlier by the Executive Committee at its meeting held on 4.1.2018 and the minutes of which were approved by the Oversight Committee vide its communication dated 09.02.2018 as the matter is still under consideration of the Ethics Sub-Committee of the Council.

35. Reallocation of students admitted in Advance Medical College, Bhopal and Modern Medical College Indore for session 2016-17, due to cancellation of D & F Certificate- Regarding.

Read: the matter with regard to reallocation of students admitted in Advance Medical College, Bhopal and Modern Medical College Indore for session 2016-17, due to cancellation of D & F Certificate.

The Executive Committee of the Council considered the letter dated 23.06.2018 of the Secretary, Medical Education, Government of Madhya Pradesh, Medical Education Department, Bhopal and observed that the proposal submitted by the Madhya Pradesh State Government is silent on the issue of cancellation of Essentiality Certificate and revocation of Bank Guarantee. The Executive Committee decided to obtain clarification from Madhya Pradesh State Government in this regard for further necessary action.

36. Continuance of recognition of MBBS degree granted by Saveetha University (Deemed), Chennai in respect of students being trained at Saveetha Medical College, Kancheepuram.

Read: the matter with regard to continuance of recognition of MBBS degree granted by Saveetha University (Deemed), Chennai in respect of students being trained at Saveetha Medical College, Kancheepuram.

The Executive Committee of the Council considered the assessment report (28th and 29th June, 2018) alongwith photographs/videography and noted the following:-

1. Deficiency of faculty is 9.31 % as detailed in the report.
2. In respect of the following faculty, there is mismatch of information on D.F. and statement given regarding private practice:
 - (a) Dr. P. Chitrabalam, Professor of General medicine;
 - (b) Dr. K. Srinivasan, Professor of Medical Superintendent & E.N.T.;
3. In respect of the following faculty, timing of private practice is not mentioned; hence it cannot be verified whether they are full time employees or not:
 - (a) Dr. SanthiNambi, Professor of Psychiatry;
 - (b) Dr. K. Jayshree, Professor of O.G.;
 - (c) Dr. K. Praveen, Asso. Prof. of Radiodiagnosis;
 - (d) Dr. K. Raman, Asso. Prof. of Psychiatry;
 - (e) Dr. Vinod Kumaran, Asst. Prof. of Radiodiagnosis;
4. Shortage of Residents is 43.67 % as detailed in the report.
5. It was verified by assessors that all Senior Residents are not staying in the Residents' Hostels.
6. Data of OPD attendance as provided by Institute are grossly inflated. When the Assessors went for round, there were hardly a few patients at Registration counters. After a few hours, Institute brought healthy people & got them registered to inflate data. As per Assessors' verification, it was 550 against requirement of 1,200.
7. Bed Occupancy at 10 a.m. on day of assessment was 52.7 %.
8. In many wards, many patients of Superspecialty were admitted.
9. There were only 8 Major & 9 Minor Operations for the whole hospital on day of assessment.

10. There was wide variation in the data of clinical parameters as reported by the Institute & as verified by assessors as under:

#	Clinical Parameter	Data as	
		Reported by Institute	Verified by Assessors
1	OPD attendance	2,243	550
2	Bed Occupancy	91 %	52.7 %
3	Major Operations	75	8
4	Minor Operations	65	9
5	Histopathology specimens	41	14
6	Caesarean Sections	4	1
7	X-rays	244	150
8	C.T. Scan	43	23

11. MRD: It is not fully computerized.
 12. O.T.s: Post-operative beds are not available.
 13. ICUs: There was only 1 Cardiac patient in ICCU on day of assessment; rest were Non-Cardiac or Post-operative not requiring Intensive Cardiac care.
 14. Other deficiencies as pointed out in the assessment report.

The Executive Committee of the Council decided to apply clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010 (Part II), dated 16th April, 2010 and amended on 18.03.2016, which reads as under:-

8(3)(1).....

(c) Colleges which are already recognized for award of MBBS degree and/or running postgraduate courses

If it is observed during any inspection/assessment of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is <70%, compliance of rectification of deficiency from such an institute will not be considered for issue of renewal of permission in that Academic year and further such an institute will not be considered for processing applications for postgraduate courses in that Academic year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 along with direction of stoppage of admissions in permitted postgraduate courses."

In view of above, it was decided not to consider the Institute for processing applications for postgraduate courses in the current Academic year (2019-20) and to issue show cause notice as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956, along with direction of stoppage of admissions in permitted postgraduate courses.

The Executive Committee of the Council further decided to intimate the Postgraduate Section of application of clause 8(3)(1)(c) for this Institute for information and further necessary action.

The Executive Committee of the Council also decided to refer the matter to the Ethics Committee of the Council.

In view of above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by Saveetha University (Deemed), Chennai in respect of students being trained at Saveetha Medical College, Kancheepuram and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.
