

No. MCI-4 (2) / 99 – Med./

MEDICAL COUNCIL OF INDIA

POSTGRADUATE MEDICAL EDUCATION COMMITTEE

Minutes of the meeting of the Postgraduate Education Committee meeting held on Thursday, 4th Nov., 1999 at 11 a.m. in the office of the Medical Council of India.

Present:-

Dr. Ketan Desai	President.
Dr. Ved Prakash Mishra	
Dr.K.R. shetty	
Dr.W.K. Belokar	
Dr.B.P. Dubey	
Dr.C.R. Maity	
Dr. S.R. Maralihalli	
Dr. US. Sinha	

Dr. M. Sachdeva – Secretary.

Apology for absence was received from Dr. J. Rajappa.

In the absence of the Chairman of the P.G. Committee, members decided that Dr. Ketan Desai would act as Chairman for this meeting of the P.G. Committee.

1. Minutes of the last meeting of the Postgraduate Committee – Confirmation of.

Minutes of the last meeting of the Postgraduate Committee held on 14th September 1999 were confirmed.

2. Minutes of the last meeting of the Postgraduate Committee – Action taken thereon.

The Postgraduate Committee noted the action taken on the minutes of the P.G. Committee meeting held on 14th Sept., 1999 with modifications in items 52, 55, & 85 as under:-

Item No. 52. University of Bombay- approval of L.T.M. Medical College Mumbai for the award of M.S. (Anatomy) qualification.

Read: Council Inspector's report (Aug. 1999) on the standard of examination and other teaching facilities available at L.T.M. medical college,

Mumbai for purpose of approval of the institution for the award of M.S. (Anatomy) qualification granted by University of Bombay.

The Postgraduate Committee considered the Council Inspector's report (Aug. 99) and decided to recommend that L.T.M. Medical College, Mumbai be approved for the award of M.S. (Anatomy) qualification granted by University of Bombay restricting the number of admissions to 2 (two) students per year.

The decision should be read corrected as under:-

“ The Postgraduate Committee considered the Council Inspector's report (August, 1999) and decided not to recommend approval of L.T.M. Medical College for the award of M.S. (Anatomy) qualification granted by University of Bombay in view of the present faculty position not sufficient enough even for undergraduate training.”

Item No. 55. Ranchi University- Recognition of D.O. qualification in respect of students being trained at Rajendra Medical College, Ranchi.

Read : Council Inspector's report (July, 1999) on the standard of examination and other teaching facilities available at Rajendra Medical College, Ranch for recognition of D.O. qualification granted by Ranchi University.

“ The Postgraduate Committee considered the Council Inspector's report (June, 1999) and decided to recommend that D.O. qualification granted by Ranchi University in respect of students being trained at Rajendra Medical College, Ranchi be recognized and included in the first Schedule to the IMC Act, 1956. However, the authorities of the institution are directed to restrict the number of admissions from the ensuing academic session to 8 (eight) students per year in view of the present available teaching faculty.”

Item No. 85 University of Bombay – Approval of L.T.M. Medical College, Mumbai for the award of M.S. (Gen. Surgery) qualification.

Read; Council Inspector's report (August, 1999) on the standard of examination and other teaching facilities available at L.T.M. Medical College, Mumbai for approval of the Institution for the award of M.S. (General Surgery) qualification granted by the University of Bombay.

“The Postgraduate Committee considered the Council Inspector's report (August, 1999) and decided to recommend that L.T.M. Medical College, Mumbai be approved for the award of M.S. (General Surgery) qualification granted by University of Bombay. However, the authorities of the Institution are directed to restrict the number of admissions from the ensuing academic session to 9 (nine) students per year in viewofthe present available teaching faculty.”

The decision should be read corrected as under:-

“The Postgraduate Committee considered the Council Inspector’s report (August, 1999) and decided to recommend that L.T.M. Medical College, Mumbai be approved for the award of M.S. (General Surgery) qualification granted by University of Bombay. However, the authorities of the Institution are directed to restrict the number of admissions from the ensuing academic session to 8 (eight) students per year in view of the present available teaching faculty.”

3. Starting of M.S. (Orthopaedics) course at Stanley Medical College, Chennai affiliated to the Tamilnadu Dr. M.G.R. Medical University u/s 10A of the IMC Act, 1956.

Read:- Council Inspector’s report (August, 99) on the physical and other teaching facilities available at Stanley Medical College, Chennai affiliated to the Tamilnadu Dr. M.G.R. Medical University, Chennai for starting of M.S. (Ortho.) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector’s report (August, 1999) and noting that students for award of D.N.B. qualifications are also being admitted in the department of Orthopaedics ; decided to obtain the confirmation in this regard from the authorities of the Institution. The Chairman was authorized to decide in the matter on receipt of the required information/confirmation.

4. Starting of M.D. (Forensic Medicine) course at M.S. (Ramaiah Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences u/s 10A of the IMC Act, 1956

Read:- Council Inspector’s report (September, 1999) on the physical and other teaching facilities available at M.S. Ramaiah Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences for starting of M.D. (Forensic Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector’s report (Sept., 1999) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of M.D. (Forensic Medicine) course at M.S. Ramaiah Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences under section 10a of the IMC Act, 1956 prospectively restricting the number of admissions to 2 (two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

5. Starting of M.S. (ENT) & DLO courses at M.S. Ramaiah Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences u/s 10A of the IMC Act, 1956.

Read:- Council Inspector's report (September, 1999) on the physical and other teaching facilities available at M.S. Ramaiah Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences for starting of MS (ENT) & DLO courses u/s 10a of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (September, 1999) and decided to recommend to the Central Govt. not to issue letter of Intent for starting of M.S. (ENT) & DLO courses at M.S. Ramaiah Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences, u/s 10A of the IMC Act, 1956 since Prof. & HOD does not possess required recognized postgraduate qualification.

6. **Starting of MD (Pathology) course at Govt. Medical College, Nanded under Swami Ramanand Teerth Marathwada University u/s 10A of the IMC act, 1956 – Compliance verification for issuance of Letter of Permission.**

Read:- Council Inspector's report (February, 1998) on the physical and other teaching facilities available at Govt. Medical College, nanded affiliated to Swami Ramanand Teerth Marathwada University together with the compliance and compliance verification report (August, 1999) for starting of M.d. (Pathology) course u/s 10a of the IMC act, 1956.

The Postgraduate Committee considered the Council inspector's report (Feb. 1998) alongwith the compliance and compliance verification report (Aug. 1999) and decided to recommend to the Central govt. to issue Letter of Permission for starting of M.d. (Pathology) course at Govt. Medical College, Nanded affiliated to Swami Ramanand Teerth Marathwada university u/s 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 2 (two) students per year keeping in view the present available teaching faculty till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

7. **Starting of M.D. (Dermatology) course at St. John's medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences u/s 10A of the IMC Act, 1956.**

Read:- Council Inspector's report (September, 1999) on the physical and other teaching facilities available at St. John's Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences for starting of M.D. (Dermatology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Sept. 1999) and decided to recommend to the Central Govt. not to issue Letter of Intent for starting of M.D. (Dermatology) course at St. John's Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences u/s 10A of the IMC Act, 1956 since none of the Professors possesses requisite recognized postgraduate qualification.

8. Starting of M.Ch. (Paed. Surgery) course at St. John's Medical College, bangalore affiliated to Rajiv Gandhi University of Health Sciences u/s 10A of the IMC Act, 1956.

Read: Council Inspector's report (September, 1999) on the physical and other teaching facilities available at St. John's Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences for starting of M.Ch. (Paed. Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Sept., 1999) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of M.Ch. (Paed. Surgery) course at St. John's Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences, u/s 10a of the I.M.C. Act, 1956 prospectively restricting the number of admission to 1 (one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of section 11(2) of the I.M.C. Act, 1956.

Office Note:- The above decision may be communicated to the Central Govt. only after receipt of the undertaking from the authorities of the St. John's Medical College, to the effect that they will not admit any candidates to the DNB qualification in the department.

9. Starting of M.D. (General Medicine) course at NDMVP Samaj's medical college, nasik affiliated to Maharashtra University of Health Sciences u/s 10A of the IMC Act, 1956.

Read: Council Inspector's report (September, 1999) on the physical and other teaching facilities available at NDVMP Samaj's medical College, nasik affiliated to Maharashtra University of Health Sciences for starting of M.D. (General Medicine) course u/s 10a of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Sept., 1999) and noted that NDMVP Samaj's Medical College, Nasik, is not owning and mananging a hospital of the required bed strength as per the requirements laid down in the regulations for the number of admissions being made at the medical college for the MBBS course and further that it is utilizing the facilities of Civil Hospital and Bytco Hospital, owned by the State Govt. and the Municipal Corporation respectively and both these hospitals are situated at a distance of 8-9 km. Away from the Medical College.

Considering the fact that as per the regulations framed u/s 10 A of the IMC Act, 1956 and Minimum Standard Requirement for the Medical College Regulations, and institution is required to possess its own hospital of the required bed strength, decided to refer the matter to the /General Body of the Council for taking a policy decision for the recognized medical institutions applying u/s 10a of the IMC Act,

1956 for starting of courses which do not own and manage a hospital of the required bed strength as per regulations prescribed for the establishment of the medical college. However, the Postgraduate committee was of the opinion that recognized medical institutions not owning and managing a hospital in totality with required number of beds for the number of admissions being made at the undergraduate level in conformity with the regulations for establishment of medical college should not be permitted to start postgraduate courses u/s 10A of the IMC Act, 1956 till such time the additional beds are provided to the existing hospitals owned and managed by such institutions in conformity with the regulations.

The committee further decided to defer the consideration of the matter and authorized the Chairman to take a decision after a policy in this matter is decided by the General Body of the Council.

10. Increase of Seats in M.S. (Ortho.) & D.Ortho, courses at JSS Medical College, Mysore affiliated to Rajiv Gandhi University of Health Sciences u/s 10A of the IMC Act, 1956.

Read:- Council Inspector's report (August, 1999) on the physical and other teaching facilities available at JSS Medical College, Mysore affiliated to Rajiv Gandhi University of health Sciences for increase of seats in M.S. (Ortho.) & D. Ortho. Courses u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (August, 1999) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in M.S. (Orthopaedics) & D. Ortho. Courses at JSS Medical College, Mysore affiliated to Rajiv Gandhi University of health Sciences, from 3 (three) to 4 (four) students in M.S. (Orthopaedics) and from 6 (six) to 8 (eight) students in D. Ortho. Courses per year prospectively u/s 10a of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said courses.

11. Increase of seats in M.D. (Paediatrics) course at M.S. Ramaiah Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences u/s 10A of the IMC Act, 1956

Read: Council Inspector's report (Sept., 1999) on the physical and other teaching facilities available at M.S. Ramaiah Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences for increase of seats in M.D. (Paediatrics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Sept., 1999) and decided to recommend to the Central govt. to issue Letter of Permission for increase of seats in M.D. (Paed.) course at M.S. Ramaiah Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences from 2 (two) to 3(three) per year prospectively u/s 10A of the IMC Act, 1956 till the

first batch admitted against the increased number appears for the final examination of the said course.

12. Increase of seats in D.G.O. course at J.S.S. Medical College, Mysore affiliated to Rajiv Gandhi University of Health Sciences u/s 10A of the IMC Act, 1956.

Read:- Council Inspector's report (Sept., 1999) on the physical and other teaching facilities available at M.S. Ramaiah Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences for increase of seats in M.D. (Paediatrics) course u/s 10A of the IMC Act, 1956.

The Postgraduate committee considered the Council Inspector's report (Sept. 1999) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in M.D. (Paed.) course at M.S. Ramaiah Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences from 2(two) to 3(three) per year prospectively u/s 10A of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said course.

13. Increase of seats in DGO course at JSS Medical college, Mysore affiliated to Rajiv Gandhi University of Health Sciences u/s 10A of the IMC Act, 1956.

Read:- Council Inspector's report (August, 1999) on the physical and other teaching facilities available at JSS Medical College, Mysore affiliated to Rajiv Gandhi University of Health Sciences for increase of seats in DGO Course u/s 10A of the IMC Act, 1956

The Postgraduate Committee considered the Council Inspector's report (Sept., 1999) and noting that the institution is having only 126 beds in the Deptt. of Obst. & Gynae. as against the required 150 beds for the number of admissions being made at the undergraduate level; decided to recommend to the Central Govt. not to issue Letter of Intent for increase of seats in DGO course at JSS Medical College, Mysore.

14. Starting of D.M. (Medical Oncology) course at Chennai Medical College, Chennai Affiliated to the Tamilnadu Dr. M.G.R. Medical University u/s 10A of the IMC Act, 1956.

Read:- Council Inspector's report (September 1999) on the physical and other teaching facilities available at Chennai Medical College, Chennai affiliated to the Tamilnadu Dr. M.G.R. Medical University for starting of D.M. (Medical Oncology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (September, 1999) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of D.M. (Medical Oncology) course at Chennai Medical College, Chennai affiliated to the Tamilnadu Dr. M.G.R. Medical University u/s 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 2

(two) students per year till the first batch of admissions to 2 (two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

15. Rajasthan University – Recognition of M.D. (Biochemistry) qualification in respect of students being trained at S.M.S. Medical College, Jaipur.

Read:- Council Inspector's report (July, 1999) on the standard of examination and other teaching facilities available at Rajendra Medical College, Ranchi for recognition of D.T.M. & h. qualification granted by Ranchi University.

The Postgraduate Committee considered the Council Inspector's report (July, 1999) and decided to obtain the comments of institution and the affiliated University regarding syllabus and course curriculum of the subject and further decided to defer the consideration of the matter till the receipt of comments/clarification.

16. Bangalore University & Rajiv Gandhi University of Health Sciences – Recognition of MD (Biochemistry) qualification in respect of students being trained at St. John's Medical College, Bangalore.

Item may be read corrected as under:-

Bangalore University & Rajiv Gandhi University of Health Sciences – Approval of St. John's Medical College, Bangalore for the award of M.D. (Biochemistry) qualification granted by Bangalore University; & recognition of MD (Biochemistry) qualification granted by Rajiv Gandhi University of Health Sciences in respect of students being trained at St. John's medical College, Bangalore.

Read: Council Inspector's report (Oct. 1999) on the standard of examination & other teaching facilities available at St. John's Medical College, Bangalore for purpose of approval of Institution for the award of M.D. (Biochemistry) qualification granted by Bangalore University and also for recognition of MD (Biochemistry) qualification granted by Rajiv Gandhi University of Health Sciences in respect of this institution.

The Postgraduate Committee considered the Council Inspector's report (October, 1999) and decided to recommend that St. John's Medical College, Bangalore be approved for the award of M.D. (Biochemistry) qualification granted by Bangalore Univ. restricting the number of admission to 1 (one) student per year.

The committee further decided to recommend that MD (Biochemistry) qualification granted by Rajiv Gandhi University of Health Sciences in respect of students being trained at St. John's Medical College, Bangalore be recognized and

included in the Ist Schedule to the IMC Act, 1956 restricting the number of admission to 1 (One) student per year.

17. Bombay University – Continuance of recognition of MS (Ophthalmology) qualification in respect of students being trained at (i) Seth G.S. Medical College (ii) Grant Medical College and (iii) T.N. Medical College, Mumbai.

Read:- Council Inspector's report (February, 1999) on the standard of examination and other teaching facilities available at (i) Seth G.S. Medical College (ii) Grant medical College and (iii) T.N. Medical College, Mumbai for continuance of recognition of M.S. (Ophthalmology) qualification granted by Bombay University.

The Postgraduate Committee considered the matter of continuance of recognition of MS (Ophthalmology) qualification and decided as under:-

i) Grant Medical College, Mumbai:

The Postgraduate Committee considered the Council Inspector's report (Feb., 1999) and decided that M.S. (Ophthalmology) qualification granted by Bombay University in respect of students being trained at Grant Medical College, Bombay be continued. However, the authorities of the institution are directed to restrict the number of admissions from the ensuing academic session to 2 (Two) students per year in view of the present available teaching faculty.

The Committee further decided to advise the institution authorities to rectify the deficiencies as regards the equipments/ instruments in the department pointed out in the inspection report. Copy of the letter be marked to the Secretary, Health, Medical Education & Drugs, Vice-Chancellor & Registrar, Maharashtra University of Health Sciences, Nashik; Vice-Chancellor/ Registrar, Bombay University; Director, Medical Education and Member, MCI representing State Govt.

ii) Seth G.S. Medical College, Mumbai:

The Postgraduate Committee considered the Council Inspector's report (Feb., 1999) and decided to obtain details of clinical material from the authorities of the institution and the Chairman is authorized to decide in the matter on receipt of the required information.

iii) T.N. Medical College, Mumbai:

The Postgraduate Committee considered the Council Inspector's report (Feb., 1999) and decided not to recommend continuance of recognition of M.S. (Ophthalmology) qualification granted by University of Mumbai in respect of students being trained at T.N. Medical College, Mumbai since the required teaching complement

of minimum of 3 teachers in each unit as per MCI norms, is not complete and there were other defects and deficiencies as pointed out in the inspection report. The authorities of the institution are directed to stop the admissions in M.S. (Ophthalmology) course from the next academic session. Copy of the letter be marked to the Secretary, Health, Medical Education & Drugs, Vice-Chancellor & Registrar, Maharashtra University of Health Sciences, Nashik' Vice-Chancellor/Registrar, Bombay University; Director, Medical Education and Member, MCI representing State Govt.

18. Whether an institution requires to furnish bank guarantee separately for diploma course where it has already provided bank guarantee for the permitted degree course in the same subject – consideration thereof as a general policy.

Read:- The matter with regard to whether an institution requires to furnish bank guarantee separately for diploma course where it has already provided bank guarantee for the permitted degree course in the same subject.

The Postgraduate Committee considered the letter dated 15.07.99 from the Central Govt. regarding furnishing of bank guarantee separately for P.G. diploma course by Raja Muthiah Medical College, Annamalainagar where bank guarantee in respect of the P.G. degree course in the same subjects already stand furnished, and decided to recommend that in all such cases where bank guarantee for P.G. degree course has been furnished by an Institution; the requirement of bank guarantee in the diploma course in the same subject should be waived off as the consideration for starting the diploma course is against the same requirements vide which permission for starting the degree course is considered/granted.

It further decided that for the specialities where postgraduate degree is already recognized by the Council and the institutions now wish to start diploma courses in the same the bank guarantee for the diploma courses in these specialities should also be waived off.

19. Non-Teaching Hospital- Recognition /Continuance of recognition/increase of seats for housemanship at Dr. B.A.M. Hospital, Central Railway, Byculla, Mumbai.

Read: Council Inspector's report (June, 1999) on the physical and other teaching facilities available at Dr. B.A.M. Hospital Central Railway, Buculla, Mumbai for purpose of recognition/continuation of recognition/increase of seats in house jobs in the subject already recognized.

The Postgraduate Committee considered the Council Inspector's report (June, 1999) on the physical & other teaching facilities available at Dr. B.A.M. Hospital, Central Railway, Byculla, Mumbai and decided –

- i) Not to recommend recognition of housejobs in the following subjects:-

- 1/ ENT
- 2/ Anaesthesiology
- 3/ Psychiatry
- 4/ Respiratory Diseases
- 5/ Pathology
- 6/ Radiology

ii) Recognition of the housejob in the following subjects be continued with the number mentioned against each:-

- 1/ Medicine – 4 (Four)
- 2/ Surgery – 4 (Four)
- 3/ Obst. & Gynae. – 2 (Two)
- 4/ Orthopaedics – 1 (One)
- 5/ Paediatrics – 1 (One)
- 6/ Ophthalmology – 1 (One)

20. Starting of M.D. (Obst. & Gynae.) course at NDVMP Samaj's Medical College, Nasik affiliated to Maharashtra University of Health Sciences u/s 10A of the IMC Act, 1956

Read: Council Inspector's (Sept., 1999) on the physical and other teaching facilities available at NDMVP Samaj's Medical College, Nasik affiliated to Maharashtra University of Health Sciences for starting of M.D. (Obst. & Gynae.) course u/s 10A of the IMC Act, 1956

The decision of the Postgraduate Committee is as given under item No. 9.

21. Starting of M.S. (ENT) & DLO courses at JSS Medical College, Mysore affiliated to Rajiv Gandhi University of Health Sciences u/s 10A of the IMC Act, 1956 .

Read: Council Inspector's report (August, 1999) on the physical and other teaching facilities available at JSS Medical College, Mysore affiliated to Rajiv Gandhi University of Health Sciences for starting of MS (ENT) and DLO course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (August, 1999) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of M.S. (ENT) & D.L.O. courses at J.S.S. Medical College, Mysore affiliated to Rajiv Gandhi University of Health Sciences, u/s 10A of the I.M.C. Act, 1956 prospectively restricting the number of admissions to 1 (One) students in M.S. (ENT) and 2 (two) students in D.L.O. per year till the first batch admitted appears in the final examination of the said courses. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of section 11(2) of I.M.C. Act, 1956.

22. Starting of D.M. (Nephrology) course at Nizam's Institute of Medical Sciences, Hyderabad u/s 10A of the IMC Act, 1956 – compliance regarding.

Read:- Council Inspector's report (April, 1999) on the physical and other teaching facilities available at Nizam's Institute of Medical Sciences, Hyderabad together with compliance submitted by the Instt. authorities for starting of D.M. (Nephrology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 1999) alongwith the compliance submitted by the institution and decided to recommend to the Central Govt. to issue Letter of Permission for starting of D.M. (Nephrology) course at Nizam's Institute of Medical Sciences, Hyderabad u/s 10A of the IMC Act, 1956 prospectively restricting the number of admission to 1(one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of IMC Act, 1956.

23. Recognition of M.D. (Community Medicine) qualification in respect of students being trained at Kasturba Medical College, Manipal – affiliation with Mangalore University regarding.

Read: The letter dated 11.10.99 from the Principal, Kasturba Medical College, Manipal, in respect of Government's notification dated 14.01.1998 of M.D. (Community Medicine) qualification in respect of Kasturba Medical College, Manipal.

The Postgraduate Committee considered the letter dated 11.10.99 from the Principal and decided to recommend to the Central Govt. to amend the Governemtn's notification dated 14.01.98 so as to mention the period of recognition of M.D. (Community Medicine) qualification as under:-

Under Mangalore University

- From Dec., 1987 to June, 1994.

Under M.A.H.E.

-From Dec., 1994 onwards.

24. Banaras Hindu University – Recognition of M.Ch. (Paed. Surgery) qualification in respect of students being trained at Instt. of Medical Sciences, Varanasi – Compliance regarding.

Read: Council Inspector's report (July, 99) on the standard of examination and other teaching facilities available at Institute of Medical Sciences, Varanasi together with the compliance for recognition of M.Ch. (Paediatrics Surgery) qualification granted by Banaras Hindu University.

The Postgraduate Committee considered the Council Inspector's report (July, 99) together with the compliance and decided to recommend that M.Ch. (Paediatrics Surgery) qualification granted by Banaras Hindu University in repect of students

being trained at Institute of Medical Sciences, Varanasi be recognized and included in the first Schedule to the IMC Act, 1956 restricting the no. of admissions to 2 (two) students per year.

25. Letters of Intent/Letter of Permission/disapproval of scheme issued by the Central Govt. Ministry of Health & Family Welfare for starting/increase of seats of postgraduate courses in various Medical College u/s 10A of the IMC Act, 1956.

The Postgraduate Committee noted the letters of Intent/Permission/Disapproval of Scheme issued by the Central Govt., Ministry of Health & Family Welfare for starting/increase of seats of postgraduate courses in various medical colleges u/s 10A of the IMC Act, 1956.

<u>University/Instt.</u>	<u>Courses</u>	<u>Date of letters of Intent/Permission/Disapproval of Scheme issued by the Central Govt.</u>
1. Nizam's Instt. of Medical Sciences, Hyderabad.	M.D. (Micro) M.D. (Radio-Therapy)	17.9.1999 Disapproval of the Scheme for starting of courses
2. Sri Ramachandra Medical College & Research Instt., Porur, Chennai.	M.Ch.(Cardio-Thoracic Surg.) -2	28.09.1999 Letter of Intent for starting of course.

26. Starting of DM (Cardiology) course at St. John's Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences u/s 10A of the I.M.C. Act, 1956.

Read:- The Council Inspector's report (Sept., 1999) on the physical & other teaching facilities available at St. John's Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences for starting of DM (Cardiology) course u/s 10A of I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (September, 99) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of D.M. (Cardiology) course at St. John's Medical College, Bangalore, affiliated to Rajiv Gandhi University of Health Sciences, u/s 10A of the IMC Act, 1956 prospectively restricting the number of admission to 1 (One) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of section 11(2) of the IMC Act, 1956.

Office Note :- (i) The Institution may be informed that the duration of the DM (Cardiology) course should be three years and not two years as prescribed by them.

(ii) The decision regarding starting of the course may be communicated to the Central Govt. only after receipt of the undertaking from the authorities of the St. John's Medical College, to the effect that they will not admit any candidates to the DNB qualification in the department.

27. Starting of MS (General Surgery) course at NDVMP Samaj's Medical College, Nashik affiliated to Maharashtra University of Health Sciences u/s 10A of the IMC Act, 1956.

Read: - The council Inspector's report (Oct., 1999) on the Physical and other teaching facilities available at NDVMP Samaj's Medical College, Nashik affiliated to Maharashtra University of Health Sciences for starting of MS (General Surgery) course u/s 10A of the IMC Act, 1956.

The decision of the Postgraduate Committee is as for item No. 9.

28. Starting of DVD course at M.S. Ramaiah Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences u/s 10A of the IMC Act, 1956 – Compliance regarding.

Read:- The Council Inspector's (Sept., 99) on the physical and other teaching facilities available at M.S. Ramaiah Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences together with compliance report for starting of DVD course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (September, 1999) alongwith the compliance submitted by the authorities of the Institution and noted that though the Prof. & HOD possesses DNB qualification in the subject however, he does not possess the initial required post DNB one years research experience as per the requirement for appointment of a teacher with DNB qualification in a department.

In view of this the Committee decided to reiterate its earlier decision not recommend starting of DVD course at M.S. Ramaiah Medical College, Bangalore u/s 10A of the IMC Act, 1956.

29. Starting of M.D. (Derm. & Ven.) course at T.D. Medical College, Alappuzha affiliated to Kerala University u/s 10A of the IMC Act, 1956 - compliance regarding.

Read: - Council Inspector's report (April, 99) on the physical and other teaching facilities available at T.D. Medical College, Alappuzha affiliated to Kerala University together with compliance for starting of M.D. (Dermatology & Venereology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 99) together with the compliance and decided to recommend to the Central Govt. to issue Letter of Permission for starting of M.D. (Derm. & Venereology) course at T.D. Medical College, Alappuzha affiliated to Kerala University u/s 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 1 (One) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of section 11(2) of the IMC Act, 1956.

30. Bangalore University & Rajiv Gandhi University of Health Sciences – Recognition of DCP qualification in respect of students being trained at St. John's Medical College, Bangalore.

The item may be read as under:-

Bangalore University & Rajiv Gandhi University of Health Sciences – Approval of St. John's Medical College, Bangalore for the award of DCP qualification granted by Bangalore University & recognition of DCP

qualification granted by Rajiv Gandhi University of health Sciences in respect of students being trained at St. John's Medical College, Bangalore.

Read:- The Council Inspector's report (Sept., 99) on the standard of examination and other teaching facilities available at St. John's Medical College, Bangalore for recognition of DCP qualification granted by Bangalore University and Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector's report (Sept., 99) and decided to recommend that St. John's Medical College, Bangalore be approved for the award of DCP qualification granted by Bangalore University restricting the number of admissions to 2 (two) students per year.

The Committee further decided to recommend that DCP qualification granted by Rajiv Gandhi University of Health Sciences in respect of students being trained at St. John's Medical College, Bangalore be recognized and included in the first Schedule to the IMC Act, 1956 restricting the number of admissions to 2 (two) students per year.

The attention of the authorities be drawn for rectification of the defects and deficiencies as pointed out in the inspection report.

Office Note:- The above decision may be communicated to the Central Govt. only after receipt of the undertaking from the authorities of the St. John's Medical College to the effect that they will not admit any candidates to the DNB qualification in the department.

31. Rajiv Gandhi university of Health Sciences – Recognition of D.Ortho. qualification in respect of students being trained at Adichunchanagiri Instt. of medical Sciences, Nangamangala Tq. Mandya – Compliance verification regarding.

Read:- The Council Inspector's report (March, 99) on the physical and other teaching facilities available at Adichunchanagiri Instt. of Medical Sciences, nangamangala Tq. Mandya together with compliance and compliance verification report (Oct., 99) for recognition of D.Ortho. qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate considered the Council Inspector's report (March, 99) together with the compliance & compliance verification report (Oct., 99) and decided to recommend that D.Ortho. qualification granted by Rajiv Gandhi University of Health Sciences in respect of students being Nangamangala be recognized and included in the first Schedule to the IMC Act, 1956. However, the authorities of the Institution are directed to restrict the number of admissions from the ensuing academic session to 2 (two) students per year in view of the available clinical material.

32. Rajiv Gandhi University of Health Sciences – Recognition of D.S. qualification in respect of students being trained at Adichunchanagiri Instt. of Medical Sciences, Nangamangala Tq. Mandya – Compliance verification regarding.

Read: - The Council Inspector's report (March, 99) on the physical and other teaching facilities available at Adichunchanagiri Instt. of Medical Sciences, Nangamangala Tq. Mandya together with compliance and compliance verification report (Oct., 99) for recognition of D.A. qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector's report (March, 99) together with the compliance & compliance verification report (Oct., 99) and decided to recommend that D.A. qualification granted by Rajiv Gandhi University of Health Sciences in respect of student being trained at Adichunchanagiri Instt. of Medical Sciences, Nangamangala be recognized and included in the first Schedule to the IMC Act, 1956 restricting the number of admission to 4 (four) students per year.

33. Rajiv Gandhi University of Health Sciences – Recognition of D.M.R.D. qualification in respect of students being trained at Adichunchanagiri Instt. of medical Sciences, Nangamangala Tq. Mandya – Compliance verification regarding.

Read:- The Council Inspector's report (March, 99) on the physical and other teaching facilities available at Adichunchanagiri Instt. of Medical Sciences, Nangamangala Tq. Mandya together with compliance and compliance verification report (Oct., 99) for recognition of D.M.R.D. qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector's report (March, 1999) alongwith the compliance and compliance verification report (Oct., 99) and noting that (i) the status of the teaching faculty has undergone change from the time when the course was permitted to start u/s 10A of the IMC Act, 1956 (ii) none of the present faculty member is in possession of recognized postgraduate qualification, (iii) inadequate equipments in the department; decided not to recommend recognition of DMRD qualification granted by Rajiv Gandhi University of Health Sciences in respect of students being trained at Adichunchanagiri Instt. of Medical Sciences, nangamangala Tq. Mandya.

The Committee further decided to advise the Institution to stop admissions in DMRD as well as M.D. (Radio-Diag.) course from the next academic session.

Copy of the letter may be marked to the Secretary (Health) Govt. of Karnatak, DME, Vice-Chancellor/Registrar, Rajiv Gandhi University of Health Sciences and the member of the Council representing the State.

34. Non-Teaching Hospital – Recognition for housemanship at Integral Coach Factory Hospital, Chennai.

Read:- Council Inspector's report (Sept., 99) on the physical facilities available at Integral Coach Factory Hospital, Chennai for purpose of recognition of the hospital for housemanship.

The Postgraduate Committee considered the Council Inspector's report (Sept., 99) & decided to recognize the Integral Coach Factory Hospital, Chennai for housemanship in the following subjects for the number mentioned against each:-

General Medicine – 1 (One)

General Surgery – 1 (One)

35. Increase of seats in M.D. (General Medicine) course at Pramukhswami Medical College, Karamsad affiliated to Sardar Patel University u/s 10A of the IMC Act, 1956.

Read: - Council Inspector's report (Oct., 99) on the physical and other teaching facilities available at Pramukhswami Medical College, Karamsad affiliated to Sardar Patel University for increase of seats in M.D. (General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Oct., 99) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in M.D. (General Medicine) course at Pramukhswami Medical College, Karamsad affiliated to Sardar Patel University from 2 (two) to 4 (four) per year prospectively u/s 10A of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said course.

36. Rajiv Gandhi University of Health Sciences – Recognition of D.G.O. qualification in respect of students being trained at Adichunchanagiri Instt. of Medical Sciences, Nagamangala – Compliance verification regarding.

Read:- Council Inspector's report (March, 99) on the standard of examination and other teaching facilities available at Adichunchanagiri Instt. of Medical Sciences, Nagamangala together with compliance report & compliance verification (Oct., 1999) for recognition of D.G.O. qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector's report (March, 99), compliance and compliance verification report (Oct., 99) and decided to recommend that DGO qualification granted by Rajiv Gandhi University of Health Sciences in respect of students being trained at Adichunchanagiri Instt. of medical Sciences, Nagamangala be recognized and included in the first Schedule to the IMC Act, 1956 restricting the number of admissions to 4 (four) students per year.

37. Panjabi University – Continuation of recognition of M.D. (Path.) qualification in respect of students being trained at Govt. Medical College, Patiala.

Read:- Council Inspector's report (Sept., 99) on the standard of examination and other teaching facilities available at Govt. Medical College, Patiala for continuation of recognition of M.D. (Pathology) qualification granted by Panjabi University.

The Postgraduate Committee considered the Council Inspector's report (Sept., 99) and decided to recommend that recognition of M.D. (Pathology) qualification granted by Punjabi University in respect of students being trained at Govt. Medical College, Patiala be continued. However the authorities of the institution are directed to restrict the number of admissions from the ensuing academic session to 9 (nine) students per year in view of present available teaching faculty.

38. Starting of MD (Psychiatry) & D.P.M. courses at Silchar Medical College, Silchar affiliated to Assam University u/s 10A of the IMC Act, 1956

Read:- Council Inspector's report (Oct., 99) on the physical and other teaching facilities available Silchar Medical College, Silchar affiliated to Assam University for starting of M.D. (Psychiatry) & D.P.M. courses u/s 10a of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Oct., 99) and decided to recommend to the Central Govt. to issue letter of permission for starting of M.D. (Psychiatry) & DPM courses at Silchar Medical College, Silchar affiliated to Assam University u/s 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 1 (One) for MD (Psychiatry) and 2 (two) for DPM courses per year till the first batch admitted appears in the final examination of the said courses. The Institution be advised to apply for recognition of the qualifications at the time of first available examination as per provision of section 11(2) of the IMC Act, 1956.

39. Starting of M.D. (Psychiatry) & D.P.M. course at Assam Medical College, Dibrugarh affiliated to Dibrugarh University u/s 10A of the IMC Act, 1956.

Read: - Council Inspector's report (Oct., 99) on the physical and other teaching facilities available at Assam Medical College, Dibrugarh affiliated to Dibrugarh University for starting of M.D. (Psychiatry) & DPM courses u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Oct., 99) and decided to recommend to the Central Govt. to issue letter of permission for starting of M.D. (Psychiatry) & D.P.M. courses at Assam Medical College, Dibrugarh affiliated to Dibrugarh University u/s 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 2 (two) for MD (Psychiatry) and 4(four) for DPM courses per year till the first batch admitted appears in the final examination of the said courses. The Institution be advised to apply for

recognition of the qualifications at the time of first available examination as per provision of section 11(2) of the IMC Act, 1956.

(Dr. M.SACHDEVA)
