The Postgraduate Committee considered the compliance verification reports (December,2002 & October,2003) togetherwith compliance and Council Inspector's report

(January,1996) and decided to reiterate its earlier decision taken at its meeting held on 15.12.2003 which reads as under:-

“The Postgraduate Committee considered the compliance verification report (December,2002) and decided not to recommend recognition of M.D.(Radio-Diagnosis) & D.M.R.D. qualifications granted by Nizam’s Instt. of Medical Sciences, Hyderabad (Deemed University) in respect of students being trained at Nizam’s Institute of Medical Sciences, Hyderabad because –

1. The promotion of HOD is not as per MCI norms.
2. Other deficiencies pointed out in the inspection report have not been complied satisfactorily”

The Committee further decided to direct the institution authorities to henceforth stop admissions in M.D.(Radio-Diagnosis) & DMRD courses from the ensuing academic session.

90. To consider the Inspection report (3rd & 4th November, 2003) of M.L.B. Medical College, Jhansi carried out to assess the undergraduate teaching and training facilities available at the college.

Read: the Inspector report (3rd & 4th November, 2003) of M.L.B. Medical College, Jhansi carried out to assess the undergraduate teaching and training facilities available at the college.

The Postgraduate Committee considered the Inspector report (3rd & 4th November,2003) and decided that the college authorities be directed forthwith to stop the admissions to all the postgraduate degree/diploma courses that are current being run by the said college under intimation to the Registrar of the concerned university and Secretary (Health) of the State of Madhya Pradesh.

91. To consider the Inspection report (28th & 29th November, 2003) of Rajendra Institute of Medical Sciences, Ranchi carried out to assess the undergraduate teaching and training facilities available at the college.

Read: the Inspector report (28th & 29th November, 2003) of Rajendra Institute of Medical Sciences, Ranchi carried out to assess the undergraduate teaching and training facilities available at the college.

The members of the Ad-hoc Committee and of the Executive Committee of the Council considered the inspection report (28th and 29th November, 2003) and noted as under:

1. Shortage of teaching staff is as under:
 - (a) Faculty 43.66% (i.e. 62 out of 142)
 - (i) Professors-7
 - (ii) Assoc. Professors-13
 - (iii) Asstt. Professors-32
 - (iv) Tutors-10
2. The distribution of units in different departments which have been submitted by the Director of the Institute is not as per the standard requirement of the Council as given in the Postgraduate Medical Education Regulations,2000. The number of postgraduate students admitted in each department is much more than the recognised postgraduate teachers in the department. As per MCI norms the ratio has not been followed. Hence, there is gross anomaly in number of units and faculty members and also postgraduate students.
3. Electricity fired incinerator with capacity of 50 kg/hr. is not functional.
4. The availability of para medical staff of different categories is not adequate.
5. There is no centralized research laboratory for experimental/research work, however different departments have their own research labs.
6. No functional linkage is with 3 primary health centres and separate accommodation for boys and girls interns and students be created.

7. No central workshop functioning.
8. Pharmacy have not been upgraded.
9. The laundry be mechanized.
10. Incinerator is not functional.
11. In the department of Pathology, post of Professor be filed up.
12. Every unit in the hospital should have a side pathology laboratory.
13. In the deptt. of PSM, deficiency of 2 Asstt. Professors, 1-Epidemio-cum-Lect., 1-Statician-cum-Lect. And 2-Tutors still persist.
14. The students go to Ranchi Instt. of Psychiatry and Allied Sciences, Kanke for training in Psychiatry.
15. The campus should have complete boundary wall.
16. Other deficiencies/remarks are in the report.

In view of the above, the members of the Ad-hoc Committee and of the Executive Committee of the Council decided to issue a show cause notice to the concerned authorities as to why steps should not be initiated to recommend to the Central Government to derecognise the institution for the award of MBBS degree granted by Ranchi University. The Committee further decided to give one month's time to the institution to respond to the show cause notice. If no reply is received within the specified period, action be initiated as decided.

The Committee further decided to send a copy of the letter to the Chief Secretary, Health Secretary and Director Medical Education of the State Govt., Registrar of the concerned university, Health Secretary to Govt. of India and member of the Council representing the State Govt. for information and necessary action.

The Committee further decided to place this decision on the record of the Hon'ble High Court of Jharkhand by filing an affidavit through the Council Advocate. As the institution is also running postgraduate courses, it was also decided that the above mentioned deficiencies/remarks may be placed before the Postgraduate Committee for further action.

Accordingly, the Postgraduate Committee considered the said report and taking note of the deficiencies including therein and the decision of the Executive Committee alongwith the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and decided that the college authorities be directed forthwith to stop the admissions to all the postgraduate degree/diploma courses that are currently being run by the said college under intimation to the Registrar of the concerned University and Secretary (Health) of the State of Bihar.

92. To consider the Inspection report (22th & 23rd December, 2003) of Darbhanga Medical College, Darbhanga carried out to assess the undergraduate teaching and training facilities available at the college.

Read: the Inspector report (22nd & 23rd December, 2003) of Darbhanga Medical College, Darbhanga carried out to assess the undergraduate teaching and training facilities available at the college.

The members of the Ad-hoc Committee and of the Executive Committee of the Council noted that the Executive Committee at its meeting held on 31.10.2002 decided to issue a show cause notice to Darbhanga Medical College, Laheriasarai as to why steps should not be initiated to recommend derecognition of the college for the award of MBBS degree granted by L.N.Mithila University as per provision of Section 19 of the I.M.C. Act, 1956 for not submitting the proper compliance on the deficiencies pointed out in the inspection report and further noted that one month time was granted to the institution to respond to the show cause notice.

The Committee further noted that the compliance report received from the Principal, Darbhanga Medical College, Laheriasarai was considered by the Executive Committee at its meeting held on 09.01.2003 wherein it was decided to verify the same by way of an inspection. Accordingly, an inspection to verify the compliance was carried out on 22nd & 23rd December, 2003.

The members of the Ad-hoc Committee and of the Executive Committee of the Council considered the inspection report (22nd & 23rd December, 2003) and noted that

Act,1956.

The Committee further decided to refer the matter to the Postgraduate Committee regarding the unrecognised postgraduate medical degree/diploma courses being run by the institution.

Accordingly, the Postgraduate Committee considered the said report and taking note of the deficiencies including therein and the decision of the Executive Committee alongwith the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and decided that the college authorities be directed forthwith to stop the admissions to all the postgraduate degree/diploma courses that are currently being run by the said college under intimation to the Registrar of the concerned University and Secretary (Health) of the State of Bihar.

93. Increase of seats in M.D.(General Medicine) course at Al-Ameen Medical College, Bijapur affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

To consider the Council Inspector's report (February, 2004) on the physical and other teaching facilities available at Al-Ameen Medical College, Bijapur for consideration of increase of seats in M.D.(General Medicine) course u/s10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (February,2004) and decided to recommend to Central Govt., to issue Letter of Permission for increase of seats in M.D. (General Medicine) course at Al-Ameen Medical College, Bijapur affiliated to Rajiv Gandhi University of Health Sciences, Bangalore from 1(one) to 4(four) students per year

prospectively u/s 10A of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said course.

94. Starting of M.D.(Anaesthesia) course at Deccan College of Medical Sciences, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act,1956 – Consideration of compliance verification.

Read: the Council Inspector report (April,2002) on the physical and other teaching facilities available at Deccan College of Medical Sciences, Hyderabad for starting of M.D. (Anaesthesia) course u/s 10A of the IMC Act,1956.

The Postgraduate Committee considered the Council Inspector report (April,2002) and decided to recommend to Central Govt., to issue Letter of Permission for starting of M.D. (Anaesthesia) course at Deccan College of Medical Sciences, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act,1956 to 3(three) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per provision of Section 11(2) of the IMC Act, 1956.

95. Kempegowda Instt. of Medical Sciences, Bangalore – Continuance of recognition of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore.

Read: the Council Inspectors report (24th & 25th November,2003) on the standard of examination and other teaching facilities available at Kempegowda Instt. of Medical Sciences, Bangalore for purposes of continuance of recognition of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore.

-The Postgraduate Committee noted that the Executive Committee and members of the Adhoc Committee considered the Council Inspectors report 24th & 25th November, 2003 pertaining to Kempegowda Instt. of Medical Sciences, Bangalore at its meeting held on 30.12.2003 and observed that there is gross evidence of irregularities in registering the patients in the main register of the hospital. Some of the entries are followed by the blank spaces and not by the entries of the patients. The Dean of the college could not give any explanation. Similar manipulation was also observed in the register of the operation theatre. The Committee also observed gross deficiencies in the clinical material, teaching and non-teaching staff etc.

In view of the gross deficiencies that were observed in the inspection reports, the Adhoc Committee appointed by the Hon'ble Supreme Court and the Executive Committee were clearly of the view that it would be against the interest of innocent students who, if not stopped, will be admitted in these colleges for the academic year 2003-04. Accordingly, it was decided that the State Government be advised not to make admissions in the first year of the MBBS course for the academic year 2003-04 at these three colleges. It was also decided that if the deficiencies are not removed necessary action u/s 19 be considered for recommending to the Central Government for de-recognition.

The Committee also decided to refer the inspection reports to the Postgraduate Committee of the Council for consideration regarding the postgraduate courses.

Accordingly, the Postgraduate Committee considered the said reports and taking note of the deficiencies including therein and the decision of the Executive Committee alongwith the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and decided that the existing facilities at the college required for running various postgraduate degree and diploma courses be evaluated through a suitable inspection forthwith.
