The Postgraduate Committee considered the compliance verification report (Jan., 2009) together with the Council Inspector's report (Dec., 2008), and noted that the compliance is unsatisfactory; decided to reiterate its earlier decision taken at its meeting held on 29.12.2008 recommending to the Central Government not to issue Letter of Intent for starting of MD(Pharmacology) course at Mahatma Gandhi Medical College and Hospital, Sitapur, Jaipur under University of Rajasthan u/s 10A of the IMC Act, 1956 as the following deficiencies are still persisting:-

- (i) Dr. Zafar Yab Khan, Prof. & HOD, does not possess recognized postgraduate qualification.
- (ii) Other deficiencies/observations as pointed out in the inspection report

In view of the Govt. of India letter dated 15.3.2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the Regulations, and as per the Schedule prescribed in the opening of a New or Higher course of study or training (including postgraduate course of study or training and increase of admission capacity in any course of study or training (including a postgraduate course of study or training), Regulations, 2000, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 28th February, the Members of the Postgraduate Committee decided to return the application to the Central Govt. recommending disapproval of the Scheme for starting of MD (Pharmacology) course at Mahatma Gandhi Medical College and Hospital, Sitapur, Jaipur under University of Rajasthan received u/s 10A of the I.M.C. Act, 1956.

29. Increase of seats in MD(Radio-Diag.) courses at Armed Forces Medical College, Pune under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956.

Read: The To consider the Council Inspector's report (Jan., 2009) on the physical and other teaching facilities available at Armed Forces Medical College, Pune under Maharashtra University of Health Sciences, Nashik for increase of seats in MD(Radio-Diag.) courses u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Jan., 2009) and observed the following:-

1. Promotion of Surg. Cdr J.D'Souza, Prof. & HOD, Wg.Cdr. H. Sahni, Assoc.Prof., Lt.Col. V. Khanna, Reader, Surg.Cdr. R. Pant, Reader, Lt.Col. S. Chatterjee, Reader, Col. L. Satija, Prof., Col. S. Bhatnagar, Assoc.Prof., Wg.Cdr. Asima Vaidya, Prof and Lt.Col. J. Debnath, Assoc.Prof. is not as per MCI norms.
2. Other deficiencies as pointed out in the inspection report.

In view of the Govt. of India letter dated 15.03.2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the Regulations, and as per the Schedule prescribed in the opening of a New or Higher course of study or training (including Postgraduate course of study or training and increase of admission capacity in any course of study or training (including a Postgraduate course of study or training), Regulations, 2000, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 28th February, the members of the Postgraduate Committee decided to return the application to the Central Govt. recommending disapproval of the Scheme for increase of seats in MD(Radio-Diagnosis) course at Armed Forces Medical College, Pune under Maharashtra University of Health Sciences, Nashik received u/s 10A of the IMC Act, 1956.

30 Starting of MD(Radio-Diagnosis) course at Meenakshi Medical Hospital & Research Instt., Kanchipuram under Meenakshi University u/s 10A of the IMC Act, 1956.

Read: the compliance verification report together with the Council Inspector's report (Nov., 2008) on the physical and other teaching facilities available at Meenakshi Medical College Hospital & Research Institute, Kanchipuram under Meenakshi University for starting of MD (Radio-Diagnosis) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance verification report together with the Council Inspector's report (Nov., 2008) and noted that the compliance is unsatisfactory as the following deficiency still persisting:-

1. Promotion of Dr.K.Manoharan, Assoc. Prof. is not as per MCI norms. The experience of Dr.Manoharan which was shown as Reader/Associate Professor in Tirunelveli Medical College from 11.1.89 to 29.12.90 in the previous declaration form is now shown as Asstt. Professor in the same college without any document from the State Government. Hence, his promotion is not as per MCI norms as he has been promoted as Assoc. Professor with only 4 years experience as Assistant Professor.
2. Resultantly, teaching faculty component is incomplete.

In view of the Govt. of India letter dated 15.03.2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the Regulations, and as per the Schedule prescribed in the opening of a New or Higher course of study or training (including Postgraduate course of study or training and increase of admission capacity in any course of study or training (including a Postgraduate course of study or training), Regulations, 2000, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 28th February, the members of the Postgraduate Committee decided to return the application to the Central Govt. recommending disapproval of the Scheme for increase of seats in MD(Radio-Diagnosis) course at Meenakshi Medical College Hospital & Research Institute, Kanchipuram under Meenakshi University received u/s 10A of the IMC Act, 1956.

31. Increase of seats in MD (Community Medicine) courses at Mahatma Gandhi Institute of Medical Sciences, Wardha, Maharashtra under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956.

Read: The letter dated 6/1/2009 received from the college authorities together with the Council inspector's report (Nov, 2008) on the physical and other teaching facilities available at Mahatma Gandhi Institute of Medical Sciences, Wardha under Maharashtra University of Health Sciences, Nashik for increase of seats in MD (Community Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the letter dated 6/1/2009 received from the college authorities together with the Council inspector's report (Nov, 2008) and observed that the compliance is unsatisfactory as promotion of Dr.S.S.Gupta, Professor and Dr. P.R. Deshmukh, Professor are not as per MCI norms and hence the Committee decided to reiterate its earlier decision taken at its meeting held on 13.12.2008 wherein it recommended to the Central Govt. to issue Letter of Permission for increase of seats in MD(Community Medicine) course in MGIMS, Wardha under Maharashtra University of Health Sciences, Nashik u/s 10A of the I.M.C.Act, 1956, prospectively that is from the academic session 2009-2010 from 3(three) to 5(five) students per year. The request for further increase could not be considered commensurate with available postgraduate teachers.

32. Increase of seats in MD (Obst. & Gynae.) & D.G.O. courses at Mahatma Gandhi Institute of Medical Sciences, Wardha, Maharashtra under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956.

Read: the compliance together with the Council Inspector's report (Nov, 2008) on the physical and other teaching facilities available at Mahatma Gandhi Institute of Medical Sciences, Wardha, Maharashtra under Maharashtra University of Health

Sciences, Nashik for increase of seats in MD (Obst. & Gynae.) & D.G.O. courses u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the the compliance together with the Council Inspector's report (Nov, 2008) and decided to reiterate its earlier decision taken at its meeting held on 28.11.2008 recommending to Central Govt. not to issue Letter of Intent for increase of seats in MD(Obst. & Gynae.) & DGO courses at Mahatma Gandhi Institute of Medical Sciences, Wardha, maharashtra under Maharashtra University of Health Sciences, Nashik u/s 10A of the I.M.C.Act, 1956 commensurate with available PG teachers.

In view of the Govt. of India letter dated 15.03.2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the Regulations, and as per the Schedule prescribed in the opening of a New or Higher course of study or training (including Postgraduate course of study or training and increase of admission capacity in any course of study or training (including a Postgraduate course of study or training), Regulations, 2000, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 28th February, the members of the Postgraduate Committee decided to return the application to the Central Govt. recommending disapproval of the Scheme for increase of seats in MD (Obst. & Gynae.) & D.G.O. courses at Mahatma Gandhi Institute of Medical Sciences, Wardha, Maharashtra under Maharashtra University of Health Sciences, Nashik u/s 10A of the I.M.C. The Postgraduate Committee considered the letter dated 24th February, 2009 received from the Principal, PSG Instt. Of Medical Sciences & Research, Coimbatore intimating that they do not want to pursue increase in the intake capacity in MD(Community Medicine) course for this year.

In view of above, the Postgraduate Committee decided to return the application to the Central Govt. recommending disapproval of the Scheme for increase of seats in MD(Community Medicine) course at PSG Instt. Of Medical Sciences & Research, Coimbatore under The Tamilnadu Dr. MGR Medical University u/s 10A of the I.M.C. Act,1956, as there is no provision u/s 10A of the Indian Medical Council Act, 1956 or the regulations framed therein to keep the application pending in the Council office.

34. Starting of MS(Orthopaedics) course at R.D. Gardi Medical College, Ujjain under Vikram University u/s 10A of the IMC Act, 1956.

179. **Inclusion of MD(General Practice) qualification in the medical curriculum of India.**

The Postgraduate Committee considered the following report of the Sub-Committee for inclusion of MD(General Practice) qualification in the medical curriculum of India :-

"This report is submitted by the Sub Committee of the Post Graduate Committee of the Council comprising of the following members

Dr. Rani Bhasker

Dr. Dilip Mhaisekar

M.D. in General Practice (M.D.S.P.) is intended to create trained personale in general practice so as to facilitate them to work in rural areas, hilly and tribal areas where there is shortage of specialists and where transport facilities are not adequate. The general practitioner is expected to attend to common ailments. This includes medical problems, minor surgical problems, uncomplicated pregnancy and labour, common pediatric and geriatric care, in addition to common emergencies. He is also expected to have some working knowledge in Anesthesia and Psychiatry.

While perusing the syllabus and curricula and other details of MD family medicine which is already in our schedule, it is found that these two specialties have a common aim, and it will only be a duplication of services, if we start M.D. General Practice along with M.D. Family Medicine.

However it is intimated in the request of the Dean of Mahatma Gandhi Institute of Medical Sciences, Wardha, that this course is being successfully conducted under the Tribhuvan University in Nepal with the help of some experts from Australia & U.K. So it is desirable that the office may collect the details of the M.D.G.P. Programme from the registrar of Tribhuvan University for detailed study. Meanwhile we may also get the details of MRCP (G.P.) programme from the general medical council in U.K. and Australia.

Report submitted for the consideration of the P.G.Committee."

The Postgraduate Committee after due deliberations decided that the office may be asked to take necessary steps to collect the details of the MD(General Practice) programme from the Tribhuvan University in Nepal as well as we may write to General Medical Council, UK, Australia, General Practice programme conducted by them as proposed by the Sub-Committee. A copy of the said letter may be addressed to Dean, Mahatma Gandhi Institute of Medical Sciences, Wardha with the request to provide further input/material in this regard.

The minutes of the items pertaining to section 10 A were read out and confirmed in the meeting itself and the office was directed to send the communication to the Central Government immediately within the time limit prescribed under the Regulations.

The meeting was adjourned and it was decided that the adjourned meeting will be held on 28th February 2009 at 10 AM in the Council office.
