Read: the Council Inspector's report (October 2009) on the physical and other teaching facilities available at SMS Medical College, Jaipur for Increase of seats in MD(Microbiology) course under Rajasthan University of Health Sciences, Jaipur u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (October 2009) and noted that Dr. Geeta Parihar, Professor, does not possess recognized postgraduate qualification & her promotion is also not as per MCI norms; Dr.

Rameswari Bithu, Dr. Neeta Paul & Dr. Manju Yadav, Assistant Professors, do not possess recognized postgraduate qualification.

However, the teaching faculty complement other than the teacher mentioned above is adequate and complete; and hence decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in MD(Microbiology) course at SMS Medical College, Jaipur under Rajasthan University of Health Sciences, Jaipur u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2010-2011 from 2(Two) to 5(Five) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

**111. Increase of seats in MS(OBG) at Dr. S. N. Medical College, Jodhpur u/s 10 A of the Indian Medical Council Act, 1956.**

The Postgraduate Committee considered the Council Inspector's report (October 2009) and decided to advise the institution authorities to re-organize the beds as per MCI norms.

The Postgraduate Committee further decided to defer the consideration of the matter till the information is received.

**112. Starting of MD(Radiodiagnosis) & DMRD at MNR Medical College & Hospital, Sangareddy, Andhra Pradesh, u/s 10 A of the Indian Medical Council Act, 1956.**

Read: the Council Inspector's report (October 2009) on the physical and other teaching facilities available at MNR Medical College & Hospital, Sangareddy, Andhra Pradesh for Starting of MD(Radiodiagnosis) & DMRD courses under Dr. N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (October 2009) and noted that (i) promotion of Dr. T.L.N. Praveen, Professor, & Dr. R. Sardamani, Professor, is not as per MCI norms. (ii) Bolenwar Sarika, Assistant Professor, and Dr. A.A. Joshi, Assistant Professor, do not possess prescribed academic qualification (iii) Dr. K.J. Reddy, does not possess recognized postgraduate qualification.

However, the teaching faculty complement other than the teacher mentioned above is adequate and complete; and hence decided to recommend to the Central Govt. to issue Letter of Permission for starting of MD(Radiodiagnosis) & DMRD courses at MNR Medical College & Hospital, Sangareddy, Andhra Pradesh under Dr. N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 prospectively i.e. from the academic session 2010-2011 restricting the number of admission to 1(One) student in each course per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

**113. Increase of seats in MD(Microbiology) at J.J.M. Medical College, Davangere u/s 10 A of the Indian Medical Council Act, 1956.**

Read: the Council Inspector's report (September 2009) on the physical and other teaching facilities available at J.J.M. Medical College, Davangere for increase of seats in MD(Microbiology) course under Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (September 2009) and decided to recommend to the Central Govt. not to issue Letter of Intent for increase of seats in MD(Microbiology) course at J.J.M. Medical College, Davangere under Rajiv Gandhi University of Health Sciences, Bangalore because of the followings:-

1. Distilled water plant, two binocular microscopes, pH meter, BOD incubator and dark ground microscope are not functioning, hence need replacement.
2. The department does not have a separate Anaerobic laboratory, blood culture laboratory, virology laboratory with tissue culture facilities, hot room, cold room.
3. The space for seminar hall is not adequate for all the faculties and PG students. Hence, a large and more spacious seminar hall with the facilities for LCD projector, computer and overhead projector is essential.
4. There is an urgent need to upgrade and strengthen the departmental research laboratory for use by faculty as well as PG students.
5. Space for teaching faculty is inadequate.
6. Other deficiencies/observations as pointed out in the inspection report.

In view of above, the Committee further decided to direct the institution authorities to henceforth stop admission in MD(Microbiology) course from the academic session 2010-2011.

**114. Increase of seats in MS(General Surgery) at Sri Siddharath Medical College, Tumkur u/s 10 A of the Indian Medical Council Act, 1956.**
