The Committee expressed deepest condolence and leave of absence was granted to Dr.Indrajit Ray. The Committee unanimously elected Dr.D.K. Sharma to be the Chairman for this meeting.

Present:

1.	Dr. D.K. Sharma - Chairman	Principal-cum-Dean (Retd.), Muzaffarnagar Medical College, <u>Muzaffarnagar (UP).</u>
2.	Dr. B.P. Dubey	Prof. & Head of Forensic Medicine, Gandhi Medical College, <u>Bhopal.</u>
3.	Dr. H. P. Bhalodiya	Professor of Orthopaedics, B.J. Medical College, <u>Ahmedabad (Gujarat).</u>
4.	Dr. Narendra Prasad	Prof. of Surgery (Retd.), Patna Medical College, Patna, 6, Doctor's Colony, <u>Kankerbagh, Patna.</u>
5	Prof. A. Rajasekaran	'ARJUNA', 70, First Avenue <u>Indra Nagar, Chennai - 600020</u>
6.	Dr. D.G. Mhaisekar	Prof. & Head of TB & Resp.Medicine, Govt. Medical College, <u>Nanded, Maharashtra</u>
7.	Dr. (Mrs.) Rani Bhaskaran	Prof. & Head, Deptt. of Neurology, Dr. Somervel Memorial CSI Medical College & Hospital, <u>Trivandrum.</u>
8.	Dr.M.M. Deka	Principal, Gauhati Medical College, <u>Guwahati</u>

Lt. Col. (Retd.) Dr. A.R.N. Setalvad - Secretary

1. Minutes of the last meeting of the Postgraduate Medical Education Committee - confirmation of.

The Postgraduate Committee confirmed the minutes of the Postgraduate Committee meetings held on 25/2/2009 & 28/2/2009.

2. Minutes of the last meeting of the Postgraduate Medical Education Committee - action taken thereon.

The Postgraduate Committee approved the action taken on the minutes of the meeting of the Postgraduate Committee held on 25/2/2009 & 28/2/2009.

3. Work output report of the requests received u/s 10A for the year 2008.

The Postgraduate Committee noted the work output report of the requests u/s 10A of the IMC Act, 1956 for the year 2008.

04. To note the LOI/LOP issued by Central Govt. Ministry of Health & F.W. for starting/increase of seats of postgraduate courses in various Medical Colleges u/s 10A of the IMC Act, 1956.

Read: the Letter of Permission issued by Central Govt. Ministry of Health & F.W. for starting/increase of seats of postgraduate courses in various Medical Colleges u/s 10A of the IMC Act, 1956.

The Postgraduate Committee noted the following Letter of Permission issued by Central Govt. Ministry of Health & F.W. for starting/increase of seats of postgraduate courses in various Medical Colleges u/s 10A of the IMC Act, 1956:-

S.No.	Name of the Institute	Subject	LOP by Govt.
1.	Army Hospital (R & R), Delhi Cantt., Delhi	MD (Microbiology)-1 seat	25 th February, 2009
2.	Sardar Patel Medical College, Bikaner	DM (Cardiology)-1 seat	23 rd February, 2009
3.	M.M. Institute of Medical Sciences & Research, Mullana	MD (Pharmacology)-3 seats	06 th March, 2009
4.	M.M. Institute of Medical Sciences & Research, Mullana	MD (Biochemistry)-3 seats	06 th March, 2009
5.	M.M. Institute of Medical Sciences & Research, Mullana	MD (Anatomy)-4 seats	20 th March, 2009
6.	M.M. Institute of Medical Sciences & Research, Mullana	MD (Physiology)-5 seats	20 th March, 2009
7.	M.M. Institute of Medical Sciences & Research, Mullana	MD (Forensic Medicine)-3 seats	20 th March, 2009
8.	M.M. Institute of Medical Sciences & Research, Mullana	MD (Microbiology)-3 seats	20 th March, 2009
9.	M.M. Institute of Medical Sciences & Research, Mullana	MD (General Medicine)-6 seats	20 th March, 2009
10.	M.M. Institute of Medical Sciences & Research, Mullana	MD (Anaesthesia) & DA-4 seats each	20 th March, 2009
11.	M.M. Institute of Medical Sciences & Research, Mullana	MD (Pathology)-5 seats	31 st March, 2009
12.	M.M. Institute of Medical Sciences & Research, Mullana	MS (Ophthalmology)-1 seat	30 th March, 2009
13.	M.M. Institute of Medical Sciences & Research, Mullana	MD (Community Medicine)-5 seats	30 th March, 2009
14.	M.M. Institute of Medical Sciences & Research, Mullana	MS (Orthopaedics) & D. Ortho.-3 seats for MS & 2 seats for D.Ortho.	31 st March, 2009
15.	M.M. Institute of Medical Sciences & Research, Mullana	MD (Radio-Diagnosis) & DMRD-3 seats for MD & 2 seats for DMRD	31 st March, 2009
16.	M.M. Institute of Medical Sciences & Research, Mullana	MD (Paediatrics) & DCH-3 seats for MD & 2 seats for DCH	31 st March, 2009
17.	M.M. Institute of Medical	MS (Obst. & Gynae.) &	06 th March, 2009

	Sciences & Research, Mullana	DGO-3 seats each	
18.	M.M. Institute of Medical Sciences & Research, Mullana	MD (DVL)-1 seat	06 th March, 2009
19.	M.M. Institute of Medical Sciences & Research, Mullana	MS (ENT)-1 seat	09 th March, 2009
20.	M.M. Institute of Medical Sciences & Research, Mullana	MD (TB & Resp. Diseases)-1 seat	09 th March, 2009
21.	M.M. Institute of Medical Sciences & Research, Mullana	MS (General Surgery)-6 seats	09 th March, 2009
22.	Sree Balaji Medical College & Hospital, Chennai	MD (Microbiology)-3 seats	09 th March, 2009
23.	Sree Balaji Medical College & Hospital, Chennai	MD (Pharmacology)-3 seats	09 th March, 2009
24.	Sree Balaji Medical College & Hospital, Chennai	MD (Biochemistry)-3 seats	09 th March, 2009
25.	Sree Balaji Medical College & Hospital, Chennai	MD (Physiology)-4 seats	09 th March, 2009
26.	Sree Balaji Medical College & Hospital, Chennai	MD (Anatomy)-2 seats	09 th March, 2009
27.	Sree Balaji Medical College & Hospital, Chennai	MD (Community Medicine)-3 seats	09 th March, 2009
28.	Sree Balaji Medical College & Hospital, Chennai	MS (ENT)-1 seat	09 th March, 2009
29.	Sree Balaji Medical College & Hospital, Chennai	MS (Orthopaedics)-5 seats	09 th March, 2009
30.	Sree Balaji Medical College & Hospital, Chennai	MD (General Medicine)-5 seats	09 th March, 2009
31.	Sree Balaji Medical College & Hospital, Chennai	MD (DVL)- 1 seat	09 th March, 2009
32.	Sree Balaji Medical College & Hospital, Chennai	MD (Radio-Diagnosis)-4 seats	09 th March, 2009
33.	Sree Balaji Medical College & Hospital, Chennai	MD (Microbiology)-3 seats	09 th March, 2009
34.	Sree Balaji Medical College & Hospital, Chennai	MD (Paediatrics)-5 seats	09 th March, 2009
35.	Sree Balaji Medical College & Hospital, Chennai	MD (Pathology)-6 seats	09 th March, 2009
36.	Sree Balaji Medical College & Hospital, Chennai	MS (Ophthalmology)-1 seat	09 th March, 2009
37.	Sree Balaji Medical College & Hospital, Chennai	MD (Obst. & Gynae.)- 3 seats	09 th March, 2009
38.	Sree Balaji Medical College & Hospital, Chennai	MD (Psychiatry)-1 seat	09 th March, 2009
39.	Sree Balaji Medical College & Hospital, Chennai	MD (TB & Chest Disease)-1 seat	31 st March, 2009
40.	Sree Balaji Medical College & Hospital, Chennai	MS (General Surgery)-5 seats	09 th March, 2009
41.	Sree Balaji Medical College & Hospital, Chennai	MD (Anaesthesia)-4 seats	09 th March, 2009
42.	Meenakshi Medical College Hospital & Research Institute, Kanchipuram	MD (Microbiology)-2 seats	06 th March, 2009
43.	Meenakshi Medical College Hospital & Research Institute, Kanchipuram	MD (Physiology)-2 seats	06 th March, 2009
44.	Meenakshi Medical College Hospital & Research	MD (Anatomy)-2 seats	06 th March, 2009

	Institute, Kanchipuram		
45.	Meenakshi Medical College Hospital & Research Institute, Kanchipuram	MD (Biochemistry)-2 seats	06 th March, 2009
46.	Meenakshi Medical College Hospital & Research Institute, Kanchipuram	MD (Pharmacology)-1 seat	06 th March, 2009
47.	Meenakshi Medical College Hospital & Research Institute, Kanchipuram	MS (Orthopaedics)-2 seats	06 th March, 2009
48.	Meenakshi Medical College Hospital & Research Institute, Kanchipuram	MS (Ophthalmology)-1 seat	6 th March, 2009
49.	Meenakshi Medical College Hospital & Research Institute, Kanchipuram	MS (General Surgery)-4 seats	6 th March, 2009
50.	Meenakshi Medical College Hospital & Research Institute, Kanchipuram	MD (Dermatology)-1 seat	6 th March, 2009
51.	Meenakshi Medical College Hospital & Research Institute, Kanchipuram	MD (General Medicine)-4 seats	6 th March, 2009
52.	Meenakshi Medical College Hospital & Research Institute, Kanchipuram	MS (ENT)-1 seat	6 th March, 2009
53.	Meenakshi Medical College Hospital & Research Institute, Kanchipuram	MD (Community Medicine)-4 seats	6 th March, 2009
54.	Meenakshi Medical College Hospital & Research Institute, Kanchipuram	MD (Anaesthesia)-3 seats	6 th March, 2009
55.	Meenakshi Medical College Hospital & Research Institute, Kanchipuram	MD (Obst. & Gynae.)-2 seats	6 th March, 2009
56.	Meenakshi Medical College Hospital & Research Institute, Kanchipuram	MD (Paediatrics)-2 seats	6 th March, 2009
57.	Meenakshi Medical College Hospital & Research Institute, Kanchipuram	MD (Pathology)-3 seats	17 th April, 2009
58.	Pt. Deen Dayal Upadhyay Medical College, Rajkot	MD (Obst. & Gynae.)-2 seats	12 th March, 2009
59.	Pt. Deen Dayal Upadhyay Medical College, Rajkot	D.V.D.-1 seat	16 th March, 2009
60.	Pt. Deen Dayal Upadhyay Medical College, Rajkot	D.C.H. -3 seats	16 th March, 2009
61.	Pt. Deen Dayal Upadhyay Medical College, Rajkot	D.G.O.-2 seats	16 th March, 2009
62.	Pt. Deen Dayal Upadhyay Medical College, Rajkot	MS (Orthopaedics) & D.Ortho-2 seats for MS & 1 seat for diploma	16 th March, 2009
63.	Pt. Deen Dayal Upadhyay Medical College, Rajkot	MS (General Surgery)-4 seats	28 th April, 2009
64.	Pt. Deen Dayal Upadhyay Medical College, Rajkot	D.A.-1 seat	28 th April, 2009
65.	Pt. Deen Dayal Upadhyay Medical College, Rajkot	D.O.-1 seat	28 th April, 2009
66.	Pt. Deen Dayal Upadhyay Medical College, Rajkot	D.P.M.-1 seat	28 th April, 2009
67.	Pt. Deen Dayal Upadhyay Medical College, Rajkot	MD (Pharmacology)-3 seats	28 th April, 2009
68.	Pt. Deen Dayal Upadhyay	MD(General Medicine) –	28 th April, 2009

	Medical College, Rajkot	2 to 5 seats	
69.	Sri Venkateswara Institute of Medical Sciences, Tirupati	MD (Transfusion Medicine)-1 seat	12 th March, 2009
70.	Smt. B.K. Shah Medical Institute & Research Centre, Vadodara	MD (Community Medicine) & DCM-2 seats in each course	12 th March, 2009
71.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MD (Biochemistry)-2 seats	25 th March, 2009
72.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MD (Anatomy)-5 seats	25 th March, 2009
73.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MD (Pharmacology)-6 seats	25 th March, 2009
74.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MD (TB & Chest) & DTCD-1 seat each	24 th March, 2009
75.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MD (Skin & VD) & DVD-1 seat each	31 st March, 2009
76.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MS (ENT) & DLO-2 seats for MS & 1 seat for DLO	31 st March, 2009
77.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MD (Psychiatry) & DPM-1 seat each	31 st March, 2009
78.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MD (Physiology)-3 seats	31 st March, 2009
79.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MD (Forensic Medicine)-1 seat	31 st March, 2009
80.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MD (General Medicine)-7 seats	31 st March, 2009
81.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MD (Pathology) & DCP-5 seats for MD & 4 seats for DCP	31 st March, 2009
82.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MD (Obst. & Gynae.) & DGO-4 seats each	31 st March, 2009
83.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MS (Ophthalmology) & DO -2 seats for MS & 1 seat for DO	25 th March, 2009
84.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MD (Paediatrics) & DCH-4 seats for MD & 2 seats for DO	25 th March, 2009
85.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MD (Anaesthesia) & DA-4 seats for MD & 3 seats for DA	24 th March, 2009
86.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MS (General Surgery)-7 seats	24 th March, 2009
87.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MD (Microbiology)-3 seats	24 th March, 2009
88.	Smt. B.K.Shah Medical Institute & Research Centre, Vadodara	MD (Radio-Diagnosis) & DMRD-5 seats for MD & 3 seats for DMRD	31 st March, 2009
89.	Sri Guru Ram Das Institute of Medical Sciences &	MD (Community Medicine)-3 seats	12 th March, 2009

	Research, Amritsar		
90.	Sri Guru Ram Das Institute of Medical Sciences & Research, Amritsar	MD (Pharmacology)-4 seats	12 th March, 2009
91.	Sri Guru Ram Das Institute of Medical Sciences & Research, Amritsar	MD (Microbiology)-3 seats	13 th April, 2009
92.	Sri Guru Ram Das Institute of Medical Sciences & Research, Amritsar	MD (Pathology)-2 seats	13 th April, 2009
93.	Sri Guru Ram Das Institute of Medical Sciences & Research, Amritsar	MD (Physiology)-3 seats	31 st March, 2009
94.	Sri Guru Ram Das Institute of Medical Sciences & Research, Amritsar	MD (Anaesthesia)-2 to 4 seats	31 st March, 2009
95.	Sri Guru Ram Das Institute of Medical Sciences & Research, Amritsar	MS (General Surgery)-3 to 4 seats	30 th March, 2009
96.	Sri Guru Ram Das Institute of Medical Sciences & Research, Amritsar	MD (Anatomy)-2 seats	31 st March, 2009
97.	Sri Guru Ram Das Institute of Medical Sciences & Research, Amritsar	MD (General Medicine)-3 to 4 seats	31 st March, 2009
98.	Sri Guru Ram Das Institute of Medical Sciences & Research, Amritsar	MD (Biochemistry)-2 seats	31 st March, 2009
99.	Sri Guru Ram Das Institute of Medical Sciences & Research, Amritsar	MS (ENT)-1 seat	30 th March, 2009
100.	Sri Guru Ram Das Institute of Medical Sciences & Research, Amritsar	MD (Obst. & Gynae.)-2 seats	31 st March, 2009
101.	Seth G.S. Medical College, Mumbai	DM (Neonatology)-1 seat	12 th March, 2009
102.	R.G. Kar Medical College, Kolkata	MS (Orthopaedics)-2 to 4 seats	12 th March, 2009
103.	R.G. Kar Medical College, Kolkata	MD (Paediatrics)-2 to 5 seats	12 th March, 2009
104.	R.G. Kar Medical College, Kolkata	MD (Physiology)-5 seats	12 th March, 2009
105.	R.G. Kar Medical College, Kolkata	MD (General Medicine)-6 to 12 seats	12 th March, 2009
106.	R.G. Kar Medical College, Kolkata	MS (ENT)-2 to 4 seats	12 th March, 2009
107.	R.G. Kar Medical College, Kolkata	MD (TB & Respiratory Diseases)-1 to 3 seats	16 th March, 2009
108.	R.G. Kar Medical College, Kolkata	MD (Psychiatry)-1 seat	16 th March, 2009

	Institute of Medical Sciences & Research Foundation, Krishna District	DTCD- 1 seat each	
375.	Dr. Pinnamaneni Siddhartha Institute of Medical Sciences & Research Foundation, Krishna District	MD (Pharmacology)-4 seats	31 st March, 2009
376.	Dr. Pinnamaneni Siddhartha Institute of Medical Sciences & Research Foundation, Krishna District	MD (Biochemistry)-2 seats	31 st March, 2009
377.	Dr. Pinnamaneni Siddhartha Institute of Medical Sciences & Research Foundation, Krishna District	MD (Microbiology)-4 seats	31 st March, 2009
378.	Chalmeda Anand Rao Institute of Medical Sciences, Karimnagar	MS (General Surgery)-6 seats	31 st March, 2009
379.	Chalmeda Anand Rao Institute of Medical Sciences, Karimnagar	MS (ENT) & DLO-2 seats for MS & 1 seat for DLO	31 st March, 2009
380.	Chalmeda Anand Rao Institute of Medical Sciences, Karimnagar	MD (General Medicine)-6 seats	31 st March, 2009
381.	Chalmeda Anand Rao Institute of Medical Sciences, Karimnagar	MD (Paediatrics) & DCH-3 seats each	31 st March, 2009
382.	Chalmeda Anand Rao Institute of Medical Sciences, Karimnagar	MD (Radio-Diagnosis) & DMRD-2 seats for MD & 1 seat for DMRD	31 st March, 2009
383.	Chalmeda Anand Rao Institute of Medical Sciences, Karimnagar	MD (Anaesthesia) & DA-4 seats for MD & 2 seats for DA	31 st March, 2009
384.	Chalmeda Anand Rao Institute of Medical Sciences, Karimnagar	MD (Obst. & Gynae) & DGO-3 seats each	31 st March, 2009
385.	Chalmeda Anand Rao Institute of Medical Sciences, Karimnagar	MS (Orthopaedics) & D.Ortho.-3 seats for MS & 2 seats for D.Ortho	31 st March, 2009
386.	Chalmeda Anand Rao Institute of Medical Sciences, Karimnagar	MD (Biochemistry)-2 seats	31 st March, 2009
387.	Chalmeda Anand Rao Institute of Medical Sciences, Karimnagar	MD (Microbiology)-2 seats	31 st March, 2009
388.	Chalmeda Anand Rao Institute of Medical Sciences, Karimnagar	MD (Pharmacology)-3 seats	31 st March, 2009
389.	Chalmeda Anand Rao Institute of Medical Sciences, Karimnagar	MD (Community Medicine)-4 seats	31 st March, 2009
390.	Prathima Institute of Medical Sciences, Karimnagar	MD (Anaesthesia) & DA-2 seats for MD & 1 seat for DA	31 st March, 2009
391.	Prathima Institute of Medical Sciences, Karimnagar	MD (Paediatrics) & DCH-3 seats for MD & 2 seats for DCH	31 st March, 2009
392.	Prathima Institute of Medical Sciences, Karimnagar	MS (Orthopaedics) & D.Ortho.-3 seats for MS & 2 seats for D.Ortho.	31 st March, 2009
393.	Prathima Institute of Medical	MD (Radio-Diagnosis) &	31 st March, 2009

	Sciences, Karimnagar	DMRD-2 seats for MD & 1 seat for DMRD	
394.	Prathima Institute of Medical Sciences, Karimnagar	MD (Obst. & Gynae.) & DGO-3 seats for MD & 2 seats for DGO	31 st March, 2009
395.	Prathima Institute of Medical Sciences, Karimnagar	MD (Dermatology)-1 seat	31 st March, 2009
396.	Prathima Institute of Medical Sciences, Karimnagar	MS (ENT)- 1 seat	31 st March, 2009
397.	Prathima Institute of Medical Sciences, Karimnagar	MS (General Surgery)-6 seats	31 st March, 2009
398.	Prathima Institute of Medical Sciences, Karimnagar	MS (Ophthalmology)-1 seat	31 st March, 2009
399.	Prathima Institute of Medical Sciences, Karimnagar	MD (Psychiatry)-1 seat	31 st March, 2009
400.	Prathima Institute of Medical Sciences, Karimnagar	MD (General Medicine)-6 seats	31 st March, 2009
401.	Prathima Institute of Medical Sciences, Karimnagar	MD (TB & Chest Diseases)-1 seat	31 st March, 2009
402.	Prathima Institute of Medical Sciences, Karimnagar	MD (Pathology)-4 seats	31 st March, 2009
403.	Prathima Institute of Medical Sciences, Karimnagar	MD (Physiology)-2 seats	31 st March, 2009
404.	Prathima Institute of Medical Sciences, Karimnagar	MD (Anatomy)-2 seats	31 st March, 2009
405.	Prathima Institute of Medical Sciences, Karimnagar	MD (Pharmacology)-1 seat	31 st March, 2009
406.	Prathima Institute of Medical Sciences, Karimnagar	MD (Community Medicine)-3 seats	31 st March, 2009
407.	Prathima Institute of Medical Sciences, Karimnagar	MD (Biochemistry)-2 seats	31 st March, 2009
408.	Prathima Institute of Medical Sciences, Karimnagar	MD (Microbiology)-3 seats	31 st March, 2009
409.	NDMVP Samaj's Medical College, Nashik	MS (General Surgery)-4 seats	30 th March, 2009
410.	NDMVP Samaj's Medical College, Nashik	MS (Orthopaedics) & D.Ortho.-3 seats for MS & 1 seat for D.Ortho.	30 th March, 2009
411.	NDMVP Samaj's Medical College, Nashik	MS (ENT) & DLO-1 seat each	30 th March, 2009
412.	NDMVP Samaj's Medical College, Nashik	MS (Ophthalmology) & DO-1 seat each	30 th March, 2009
413.	NDMVP Samaj's Medical College, Nashik	MD (Radiodiagnosis) & DMRD-2 seats each	30 th March, 2009
414.	NDMVP Samaj's Medical College, Nashik	MD (DVL) & DDVL- 1 seat each	30 th March, 2009
415.	NDMVP Samaj's Medical College, Nashik	MD (Pathology) & DCP- 3 seats for MD & 2 seats for DCP	30 th March, 2009
416.	NDMVP Samaj's Medical College, Nashik	MD (Paediatrics) & DCH-2 seats for MD & 1 seat for DCH	30 th March, 2009
417.	NDMVP Samaj's Medical College, Nashik	MD (General Medicine)-3 seats	30 th March, 2009

The Postgraduate Committee observed that in the matter of W.P. (C) No. 91/2009 dated 24.4.2009 of Mediciti Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada, the Hon'ble Supreme Court has passed the following order on 24.4.2009:-

"Heard the learned senior counsel for the petitioners and the learned senior counsel for respondent no.2 – Medical Council of India (MCI).

It is submitted by the learned senior counsel for petitioners that the application was filed on 28th June 2008 and also affiliation certificate and essentiality certificate have also been produced before the appropriate authority.

It is submitted by the learned senior counsel for the MCI that the documents are not in order.

Having regard to the peculiar facts and circumstances of the case and that the petitioner college is to admit 22 students in nine disciplines, the MCI may send the inspection team and submit a report to the Government by 15th May 2009. The Union Government may pass appropriate orders thereon.

With the aforementioned observations, the writ petition stands disposed. of."

In view of above, the Postgraduate Committee decided to consider the inspection reports of Medici Instt. of Medical Sciences, Ghanpur first i.e. 63,64,65,66,67,69,70,71,76 (nine).

63. Starting of MD(Dermatology) course at Medici Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and the Council Inspector's report (May, 2009) on the physical and other teaching facilities available at Medici Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada for starting of MD(Dermatology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee perused the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and considered the Council Inspector's report (May, 2009) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of MD(Dermatology) course at Medici Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 prospectively i.e. from the academic session 2009-2010 restricting the number of admission to 1(One) student per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

64. Starting of MS(General Surgery) course at Medici Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and the Council Inspector's report (May, 2009) on the physical and other teaching facilities available at Medici Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada for starting of MS(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee perused the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and considered the Council Inspector's report (May, 2009) and decided to recommend to the Central Govt. not to issue Letter of Intent for starting of MS(General Surgery) course at Medici Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because of the following:-

1. Promotion of Dr. P. Kameshwari Prasad, Prof. & Head is not as per MCI norms as she has been promoted to the post of Professor with experience of only 3 years 5 months.
2. Dr. P. Vigna Sai, Asstt.Prof. in Unit-I does not possess recognized postgraduate qualification.
3. Dr. S.V. Mahesh, Assoc.Prof. in Unit-II does not possess recognized academic qualification.
4. Resultantly, teaching complement is incomplete in Unit-I & II.
5. Other deficiencies/observations as pointed out in the inspection report.

65. Starting of MD(Paediatrics) course at Medici Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and the Council Inspector's report (May, 2009) on the physical and other teaching facilities available at Medici Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada for starting of MD(Paediatrics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee perused the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and considered the Council Inspector's report (May, 2009) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of

MD(Paediatrics) course at Medici Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 prospectively i.e. from the academic session 2009-2010 restricting the number of admission to 2(two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

66. Starting of MD(General Medicine) course at Medici Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and the Council Inspector's report (May, 2009) on the physical and other teaching facilities available at Medici Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada for starting of MD(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee perused the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and considered the Council Inspector's report (May, 2009) and decided to recommend to the Central Govt. not to issue Letter of Intent for starting of MD(General Medicine) course at Medici Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because of the following:-

1. Unit-I and III do not have Associate Professor.
2. Unit-IV has only one Assoc.Prof. and no faculty members are there.
3. Resultantly, teaching complement is incomplete in Unit-I, III & IV.
4. Other deficiencies/observations as pointed out in the inspection report.

67. Starting of MS(Ophthalmology) course at Medici Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and the Council Inspector's report (May, 2009) on the physical and other teaching facilities available at Medici Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada for starting of MS(Ophthalmology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee perused the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and considered the Council Inspector's report (May, 2009) and decided to recommend to the Central Govt. not to issue Letter of Intent for starting of MS(Ophthalmology) course at Medici Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because of the following:-

1. Operations are done twice a week only which is not adequate. Resultantly, clinical material is inadequate.
2. There is no Ophthalmoplasty clinic, no Retinal repairs, no Keratoplasty, no Eye Bank, no Flourescein angiography equipment, no contact lens, no laser.
3. Hence, instrumentation is inadequate.
4. Other deficiencies/observations as pointed out in the inspection report.

69. Starting of MD(Radio-Diagnosis) course at Medici Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and the Council Inspector's report (May, 2009) on the physical and other teaching facilities available at Medici Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada for starting of MD(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee perused the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and considered the Council Inspector's report (May, 2009) and decided to recommend to the Central Govt. not to issue Letter of Intent for starting of MD(Radio-Diagnosis) course at Mediciti Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because of the following: -

1. Promotion of Dr. R.C. Kesava Rao, Professor is not as per MCI norms as he has been promoted as Assoc. Prof. with only 3 years 10 months experience against the requirement of 5 years. Hence, teaching faculty is deficient by 1 Assoc.Prof. and 1 Tutor.
2. MRI & Memography are not available.
3. Conventional/DSA angiography is not available.
4. Other deficiencies/observations as pointed out in the inspection report.

70. Starting of MS(Orthopaedics) course at Mediciti Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and the Council Inspector's report (May, 2009) on the physical and other teaching facilities available at Mediciti Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada for starting of MS(Orthopaedics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee perused the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and considered the Council Inspector's report (May, 2009) and decided to recommend to the Central Govt. not to issue Letter of Intent for starting of MS(Orthopaedics) course at Mediciti Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because of the following:-

1. Promotion of Dr. V.P. Raman, Professor is not as per MCI norms as he has been promoted with 3 years 8 months experience as Asstt.Prof. and 3 years 4 months as Assoc.Prof.
2. Average daily OPD is 25; bed occupancy 50%. Hence Clinical material is inadequate. A good number of the patients did not require any hospitalization as their visit was primarily meant for follow up in OPD.
3. There is no fracture clinic or minor operation theatre in the out patient department. The minor operation theatre of the accident and emergency unit is being used for these purposes also. However, even the minor operation theatres of A & E unit does not have any instrumentation and they are brought from the main operation theatre whenever required.
4. Other deficiencies/observations as pointed out in the inspection report.

71. Starting of MD(Anaesthesia) course at Mediciti Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and the Council Inspector's report (May, 2009) on the physical and other teaching facilities available at Mediciti Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada for starting of MD(Anaesthesia) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee perused the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and considered the Council Inspector's report (May, 2009) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of MD(Anaesthesia) course at Mediciti Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 prospectively i.e. from the academic session 2009-2010 restricting the number of admission to 4(four) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

76. Starting of MD(Obst. & Gynae.) course at Medicit Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and the Council Inspector's report (May, 2009) on the physical and other teaching facilities available at Medicit Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada for starting of MD(Obst. & Gynae.)_course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee perused the order of the Hon'ble Supreme Court in W.P. (C) No. 91/2009 dated 24.4.2009 and considered the Council Inspector's report (May, 2009) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of MD(Obst. & Gynae.) course at Medicit Instt. of Medical Sciences, Ghanpur under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 prospectively i.e. from the academic session 2009-2010 restricting the number of admission to 2(two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

The minutes of the above mentioned 9(nine) decisions of Medicit Instt. of Medical Sciences, Ghanpur were read out and confirmed in the meeting itself.

Office Note: The office was directed to communicate the decisions to the Central Govt. immediately and also informed the Council Advocate accordingly. The regular agenda items were taken subsequently.

05. Starting of DM(Medical Oncology) course at Sher-I-Kashmir Institute of Medical Sciences, Srinagar under Sher-I-Kashmir Institute of Medical Sciences, Srinagar (Deemed University) u/s 10A of the IMC Act, 1956.

Read: the Council Inspector's report (March, 2009) on the physical and other teaching facilities available at Sher-I-Kashmir Institute of Medical Sciences, Srinagar under Sher-I-Kashmir Institute of Medical Sciences, Srinagar (Deemed University) for starting of DM(Medical Oncology)_course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (March, 2009) and decided to recommend to the Central Govt. not to issue Letter of Intent for starting of DM(Medical Oncology) course at Sher-I-Kashmir Institute of Medical Sciences, Srinagar under Sher-I-Kashmir Institute of Medical Sciences, Srinagar (Deemed University) u/s 10A of the IMC Act, 1956 because of the following:-

1. The promotion of Prof. Mushtaq Ahmad, Prof. & HOD, Dr. Shiekh Aejaaz Aziz, Addl. Professor, Dr. Abdul Rashid Lone, Assoc. Professor, Dr. Samoon Jeelani, Assoc. Prof. of Unit 2 is not as per MCI Regulations.
2. Resultantly, teaching complement is incomplete.
3. Other deficiencies/observations as pointed out in the inspection report.

06. Starting of DM(Gastroenterology) course at PSG Instt. Of Medical Sciences & Research, Coimbatore under The Tamilnadu Dr. MGR Medical University u/s 10A of the IMC Act, 1956.

Read: the Council Inspector's report (Feb., 2009) on the physical and other teaching facilities available at PSG Instt. Of Medical Sciences & Research, Coimbatore under The Tamilnadu Dr. MGR Medical University for starting of DM(Gastroenterology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Feb., 2009) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of DM(Gastroenterology) course at PSG Instt. Of Medical Sciences & Research, Coimbatore under The Tamilnadu Dr. MGR Medical University u/s 10A of the IMC Act, 1956 prospectively i.e. from the academic session 2009-2010 restricting the number of admission to

1(one) student per year till the first batch admitted appears in the final examination of the said courses. The institution be advised to apply for recognition of the qualifications at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

07. Starting of DM(Neurology) course at PSG Instt. Of Medical Sciences & Research, Coimbatore under The Tamilnadu Dr. MGR Medical University u/s 10A of the IMC Act, 1956.

Read: the Council Inspector's report (March, 2009) on the physical and other teaching facilities available at PSG Instt. Of Medical Sciences & Research, Coimbatore under The Tamilnadu Dr. MGR Medical University for starting of DM(Neurology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (March., 2009) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of DM(Neurology) course at PSG Instt. Of Medical Sciences & Research, Coimbatore under The Tamilnadu Dr. MGR Medical University u/s 10A of the IMC Act, 1956 prospectively i.e. from the academic session 2009-2010 restricting the number of admission to 1 (one) student per year till the first batch admitted appears in the final examination of the said courses. The institution be advised to apply for recognition of the qualifications at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

08. Starting of M.Ch.(Surgical Gastroentrology) course at Bangalore Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

Read: the compliance received from the Principal, Bangalore Medical College, Bangalore for consideration of starting of M.Ch.(Surgical Gastroentrology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance received from the Principal, Bangalore Medical College, Bangalore and observed that it is unsatisfactory with regard to the teaching faculty complement.

After due deliberation, it was decided to ask the institute to send the detailed point wise compliance of the deficiencies pointed out by the Council in proper format.

09. Starting of M.Ch.(Plastic & Reconstructive Surgery) course at Dr. D.Y.Patil Medical College, Navi Mumbai under Dr. D.Y.Patil University u/s 10A of the IMC Act, 1956.

Read: the compliance verification report (Dec., 2008) together with the Council Inspectors report (April, 2008) on the physical and other teaching facilities available at Dr. D.Y.Patil Medical College, Navi Mumbai under Dr. D.Y. Patil University for starting of M.Ch.(Plastic & Reconstructive Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance verification report (Dec., 2008) together with the Council Inspectors report (April, 2008) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of M.Ch.(Plastic & Reconstructive Surgery) course at Dr. D.Y.Patil Medical College, Navi Mumbai under Dr. D.Y. Patil University u/s 10A of the IMC Act, 1956 prospectively i.e. from the academic session 2009-2010 restricting the number of admission to 1 (one) student per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

10. **Starting of M.Ch.(Urology) course at Indira Gandhi Institute of Medical Sciences, Patna affiliated to Indira Gandhi Institute of Medical Sciences, Patna (Deemed University) u/s 10A of the IMC Act, 1956 - consideration of compliance regarding.**

Read: the compliance together with the Council Inspector's report (Dec, 2008) on the physical and other teaching facilities available at Indira Gandhi Institute of Medical Sciences, Patna for consideration of starting of M.Ch.(Urology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance together with the Council Inspector's report (Dec, 2008) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of M.Ch.(Urology) course at Indira Gandhi Institute of Medical Sciences, Patna under Indira Gandhi Institute of Medical Sciences, Patna (Deemed University) u/s 10A of the IMC Act, 1956 prospectively i.e. from the academic session 2009-2010 restricting the number of admission to 1 (one) student per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

11. **Starting of D.M.(Neonatology) course at Madras Medical College, Chennai under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956.**

Read: the compliance along with the Council Inspector's report (April, 2008) on the physical and other teaching facilities available at Madras Medical College, Chennai under The Tamilnadu Dr. MGR Medical University, Chennai for consideration of starting of D.M.(Neonatology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance along with the Council Inspector's report (April, 2008) and decided to advise the institution authorities to re-organize the units vis-à-vis bed strength and faculty as per MCI norms.

The Postgraduate Committee further decided to defer the consideration of the matter till the information is received.

12. **Dr. NTR University of Health Sciences, Vijayawada - Approval of Siddhartha Medical College, Vijayawada for the award of MD (Physiology) qualification.**

Read: the compliance verification report (February, 2009) together with the Council inspector's report (July, 2008) on the standard of examination and other teaching facilities available at Siddhartha Medical College, Vijayawada for approval of the college for the award of MD (Physiology) qualification granted by Dr. NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the compliance verification report (February, 2009) together with the Council inspector's report (July, 2008) and decided to recommend that Siddhartha Medical College, Vijayawada be approved for the award of MD (Physiology) course granted by Dr. NTR University of Health Sciences, Vijayawada restricting the number of admissions to 2(two) students per year.

13. **Sri Venkateshwara University, Tirupati, Andhra Pradesh University of Health Sciences, Vijayawada and N.T.R. University of Health Sciences, Vijayawada - Approval of S.V. Medical College, Tirupati for the award of M.D.(General Medicine) qualification.**

Read: the compliance verification report February, 2009 togetherwith the Council inspector's report (May, 2001) on the standard of examination and other teaching facilities available at S.V. Medical College, Tirupati for approval of the college for the

award of M.D.(General Medicine) qualification granted by Sri Venkateshwara University, Tirupati, Andhra Pradesh University of Health Sciences, Vijayawada & NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the compliance verification report (February, 2009) togetherwith the Council inspector's report (May, 2001) and decided to recommend that S.V. Medical College, Tirupati be approved for the award of M.D.(General Medicine) course granted by Sri Venkateshwara University, Tirupati, Andhra Pradesh University of Health Sciences, Vijayawada & NTR University of Health Sciences, Vijayawada restricting the number of admissions to 4(four) students per year.

14. Rajiv Gandhi University of Health Sciences, Bangalore - Approval of M.S. Ramaiah Medical College, Bangalore for the award of D.Ortho. qualification in respect of increased intake of seats.

Read: the compliance verification report February, 2009 togetherwith the Council inspector's report (May, 2004) on the standard of examination and other teaching facilities available at M.S. Ramaiah Medical College, Bangalore for purpose of approval of the college for the award of D.Ortho. qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of increased intake from 1(one) to 6(six) seats.

The Postgraduate Committee considered the compliance verification report (February, 2009) togetherwith the Council inspector's report (May, 2004) and decided to advise the institution authorities to re-organise the units in terms of teaching faculty.

The Committee further decided to defer the consideration of the matter till the information is received.

15. Vinayaka Missions University - Recognition of MS(ENT) qualification in respect of students being trained at Vinayaka Mission's Medical College, Karaikal.

Read: the council inspector report (March, 2009) on the standard of examination and other teaching facilities available at Vinayaka Mission's Medical College, Karaikal for purpose of recognition of MS(ENT) qualification granted by Vinayaka Missions University.

The Postgraduate Committee considered the council inspector report (March, 2009) and decided to recommend that MS(ENT) qualification granted by Vinayaka Mission's Medical College, Karaikal in respect of students being trained at Vinayaka Missions University be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2 (two) students per year.

16. Vinayaka Missions University - Recognition of MD(General Medicine) qualification in respect of students being trained at Vinayaka Mission's Medical College, Karaikal.

Read: the council inspector report (March, 2009) on the standard of examination and other teaching facilities available at Vinayaka Mission's Medical College, Karaikal for purpose of recognition of MD(General Medicine) qualification granted by Vinayaka Missions University.

The Postgraduate Committee considered the council inspector report (March, 2009) and decided to recommend that MD(General Medicine) course granted by Vinayaka Missions University in respect of students being trained at Vinayaka Mission's Medical College, Karaikal be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 3 (three) students per year.

17. Vinayaka Missions University - Recognition of MD(DVL) qualification in respect of students being trained at Vinayaka Mission's Medical College, Karaikal.

Read: the council inspector report (March, 2009) on the standard of examination and other teaching facilities available at Vinayaka Mission's Medical College, Karaikal for purpose of recognition of MD(DVL) qualification granted by Vinayaka Missions University.

The Postgraduate Committee considered the council inspector report (March, 2009) and decided to recommend that MD(DVL) course granted by Vinayaka Missions University in respect of students being trained at Vinayaka Mission's Medical College, Karaikal be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 1 (one) student per year.

18. Vinayaka Missions University - Recognition of MS(General Surgery) qualification in respect of students being trained at Vinayaka Mission's Medical College, Karaikal.

Read: the council inspector report (March, 2009) on the standard of examination and other teaching facilities available at Vinayaka Mission's Medical College, Karaikal for purpose of recognition of MS(General Surgery) qualification granted by Vinayaka Missions University.

The Postgraduate Committee considered the council inspector report (March, 2009) and decided to recommend that MS(General Surgery) course granted by Vinayaka Missions University in respect of students being trained at Vinayaka Mission's Medical College, Karaikal be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 4 (four) students per year.

19. Vinayaka Missions University - Recognition of MD(Paediatrics) qualification in respect of students being trained at Vinayaka Mission's Medical College, Karaikal.

Read: the council inspector report (March, 2009) on the standard of examination and other teaching facilities available at Vinayaka Mission's Medical College, Karaikal for purpose of recognition of MD(Paediatrics) qualification granted by Vinayaka Missions University.

The Postgraduate Committee considered the council inspector report (March, 2009) and decided to recommend that MD(Paediatrics) course granted by Vinayaka Missions University in respect of students being trained at Vinayaka Mission's Medical College, Karaikal be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2 (two) students per year.

20. Vinayaka Missions University - Recognition of DA qualification in respect of students being trained at Vinayaka Mission's Medical College, Karaikal.

Read: the council inspector report (March, 2009) on the standard of examination and other teaching facilities available at Vinayaka Mission's Medical College, Karaikal for purpose of recognition of DA qualification granted by Vinayaka Missions University.

The Postgraduate Committee considered the council inspector report (March, 2009) and decided to recommend that DA course granted by Vinayaka Missions University in respect of students being trained at Vinayaka Mission's Medical College, Karaikal be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2 (two) students per year.

21. Vinayaka Missions University - Recognition of MS(Orthopaedics) qualification in respect of students being trained at Vinayaka Mission's Medical College, Karaikal.

Read: the council inspector report (March, 2009) on the standard of examination and other teaching facilities available at Vinayaka Mission's Medical College, Karaikal for purpose of recognition of MS(Orthopaedics) qualification granted by Vinayaka Missions University.

The Postgraduate Committee considered the council inspector report (March, 2009) and decided to recommend that MS(Orthopaedics) course granted by Vinayaka Missions University in respect of students being trained at Vinayaka Mission's Medical College, Karaikal be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2(two) students per year.

22. Vinayaka Missions University - Recognition of MS(Ophthalmology) & DO qualification in respect of students being trained at Vinayaka Mission's Medical College, Karaikal.

Read: the council inspector report (March, 2009) on the standard of examination and other teaching facilities available at Vinayaka Mission's Medical College, Karaikal for purpose of recognition of MS(Ophthalmology) & DO qualifications granted by Vinayaka Missions University.

The Postgraduate Committee considered the council inspector report (March, 2009) and decided to recommend that MS(Ophthalmology) & DO courses granted by Vinayaka Missions University in respect of students being trained at Vinayaka Mission's Medical College, Karaikal be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 1(one) student per year in each course.

23. Vinayaka Missions University - Recognition of MS(OBG) qualification in respect of students being trained at Vinayaka Mission's Medical College, Karaikal.

Read: the council inspector report (March, 2009) on the standard of examination and other teaching facilities available at Vinayaka Mission's Medical College, Karaikal for purpose of recognition of MS(OBG) qualification granted by Vinayaka Missions University.

The Postgraduate Committee considered the council inspector report (March, 2009) and decided to recommend that MS(OBG) course granted by Vinayaka Missions University in respect of students being trained at Vinayaka Mission's Medical College, Karaikal be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2(two) students per year.

24. The Tamilnadu Dr. MGR Medical University, Chennai - Recognition of MD(Paediatrics) qualification in respect of students being trained at Coimbatore Medical College, Coimbatore.

Read: the council inspector report (March, 2009) on the standard of examination and other teaching facilities available at Coimbatore Medical College, Coimbatore for purpose of recognition of MD(Paediatrics) qualification granted by The Tamilnadu Dr. MGR Medical University, Chennai.

The Postgraduate Committee considered the council inspector report (March, 2009) and decided to recommend that MD(Paediatrics) qualification granted by The Tamilnadu Dr. MGR Medical University, Chennai in respect of students being trained at Coimbatore Medical College, Coimbatore be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admission to 1 (one) student per year.

25. The Tamilnadu Dr. MGR Medical University, Chennai - Recognition of MD(DVL) qualification in respect of students being trained at PSG Institute of Medical Sciences & Research, Coimbatore.

Read: the council inspector report (March, 2009) on the standard of examination and other teaching facilities available at PSG Institute of Medical Sciences & Research, Coimbatore for purpose of recognition of MD(DVL) qualification granted by The Tamilnadu Dr. MGR Medical University, Chennai

The Postgraduate Committee considered the council inspector report (March, 2009) and decided to recommend that MD(DVL) qualification granted by The Tamilnadu Dr. MGR Medical University, Chennai in respect of students being trained at PSG Institute of Medical Sciences & Research, Coimbatore be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admission to 1(one) student per year.

26. The Tamilnadu Dr. MGR Medical University, Chennai - Approval of College of Oncological Sciences Cancer Institute, Chennai for the award of MD (Radiotherapy) qualification against the increased intake.

Read: the council inspector report (March, 2009) on the standard of examination and other teaching facilities available at College of Oncological Sciences Cancer Institute, Chennai for approval of the college for the award of MD(Radiotherapy) qualification granted by The Tamilnadu Dr. MGR Medical University, Chennai in respect of increased intake.

The Postgraduate Committee considered the council inspector report (March, 2009) and decided to recommend that College of Oncological Sciences Cancer Institute, Chennai be approved for the award of MD(Radiotherapy) qualification granted by The Tamilnadu Dr. MGR Medical University, Chennai in respect of increased intake restricting the number of admissions to 1 (one) to 3(three) students per year.

27. The Tamilnadu Dr. MGR Medical University, Chennai - Approval of Madurai Medical College, Madurai for the award of MD (DVL) qualification granted by The Tamilnadu Dr. MGR Medical University against the increased intake.

Read: the council inspector report (March, 2009) on the standard of examination and other teaching facilities available at Madurai Medical College, Madurai for approval of the college for the of MD(DVL) qualification granted by The Tamilnadu Dr. MGR Medical University, Chennai in respect of increased intake.

The Postgraduate Committee considered the council inspector report (March, 2009) and decided to recommend that Madurai Medical College, Madurai be approved for the award of MD(DVL) qualification granted by The Tamilnadu Dr. MGR Medical University, Chennai in respect of increased intake restricting the number of admissions to 1 (one) to 2(two) students per year.

28. i) **Bombay University, & Mumbai University - Approval of Tata Memorial Hospital, Mumbai for the award of MD(Radio-diagnosis) & DMRD qualifications.**

ii) **Maharashtra University Health Sciences & Homi Bhabha National Institute (Deemed University) - Recognition of MD (Radio-Diagnosis) & D.M.R.D. qualifications in respect of students being trained at Tata Memorial Hospital, Mumbai.**

Read: the compliance verification report March, 2009 togetherwith the Council inspector's report (February, 2000) on the standard of examination and other teaching facilities available at Tata Memorial Hospital, Mumbai for purpose of recognition of MD (Radio-Diagnosis) & D.M.R.D. qualifications granted by Bombay University.

The Postgraduate Committee considered the compliance verification report March, 2009 togetherwith the Council inspector's report (February, 2000) and decided to recommend that :-

- i) Tata Memorial Hospital, Mumbai be recognized for the award of MD (Radio-Diagnosis) & D.M.R.D. qualifications granted by Maharashtra University of Health Sciences & Homi Bhabha National Institute (Deemed University) and included in the first schedule to the I.M.C. Act, 1956.
- ii) Tata Memorial Hospital, Mumbai be approved for the award of MD (Radio-Diagnosis) qualifications granted by Bombay University, & Mumbai University restricting the number of admissions to 3 (three) students per year in MD(Radio-Diagnosis) course prospectively.

The Committee further decided to direct the institution authorities to henceforth stop admission in D.M.R.D. course from the ensuing academic session 2009-10 commensurate with available postgraduate teachers with recognized qualification.

29. **Nagarjuna University & Dr.NTR University of Health Sciences, Vijayawada - Recognition of DPM qualification in respect of students being trained at Guntur Medical College, Guntur.**

Read: the council inspector report (Dec, 2008) on the standard of examination and other teaching facilities available at Guntur Medical College, Guntur for purpose of recognition of DPM qualification earlier granted by Nagarjuna University & now by Dr.NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the council inspector report (Dec, 2008) and decided to recommend that DPM qualification granted by Nagarjuna University & now by Dr.NTR University of Health Sciences, Vijayawada in respect of students being trained at Guntur Medical College, Guntur be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2 (two) students per year.

30. **Bhavnagar University - Recognition of MD (OBG) qualification in respect of students being trained at Government Medical College, Bhavnagar.**

Read: the council inspector report (April, 2009) on the standard of examination and other teaching facilities available at Government Medical College, Bhavnagar for purpose of recognition of MD (OBG) qualification granted by Bhavnagar University.

The Postgraduate Committee considered the council inspector report (April, 2009) and decided to recommend that MD (OBG) qualification granted by Bhavnagar University in respect of students being trained at Government Medical College,

Bhavnagar be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2(two) students per year.

31. Dr. NTR University of Health Sciences, Vijayawada - Approval of Andhra Medical College, Vishakapatnam for the award of MD (General Medicine) qualification in respect of increased intake.

Read: the compliance verification report March, 2009 togetherwith the Council inspector's report (July, 2008) on the standard of examination and other teaching facilities available at Andhra Medical College, Vishakapatnam for purpose of approval of the college for the award of MD (General Medicine) qualification granted by Dr. NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the compliance verification report March, 2009 togetherwith the Council inspector's report (July, 2008) and noted that Dr.M.Madhu Sudan, Professor of Unit-III does not possess recognized postgraduate qualification. However, even without him the teaching complement is complete and decided to recommend that Andhra Medical College, Vishakapatnam be approved for the award of MD (General Medicine) qualification granted by Dr. NTR University of Health Sciences, Vijayawada restricting the number of admissions to 6(six) to 12(twelve) students per year.

32. Rajasthan University -Approval of R.N.T. Medical College, Udaipur M.D.(Derm. Ven. & Leprosy) qualification in respect of students being trained at R.N.T. Medical College, Udaipur.

Read: the compliance verification report Jan, 2009 togetherwith the Council inspector's report (March, 2004) on the standard of examination and other teaching facilities available at R.N.T. Medical College, Udaipur for purpose of recognition of M.D.(Derm. Ven. & Leprosy) qualification granted by Rajasthan University.

The Postgraduate Committee considered the compliance verification report (January, 2009) togetherwith the Council inspector report (March, 2004) and decided to recommend that R.N.T. Medical College, Udaipur be approved for the award of M.D. (Derm., Vene. & Leprosy) qualification granted by Rajasthan University restricting the number of admission to 1(One) student per year.

Office Note: Prof. A. Rajasekaran, member PG Committee left the meeting at this point.

33. i) Sri Venkateswara University - Recognition of MS (Ophthal.) & DO qualifications in respect of students being trained at Kurnool Medical College, Kurnool.

ii) Andhra Pradesh University of Health Sciences, Vijayawada and N.T.R. University of Health Sciences, Vijayawada - Approval of Kurnool Medical College, Kurnool for the award of MS (Ophthalmology) & DO qualification.

Read: the compliance verification report (March, 2009 togetherwith the Council inspector's report (May, 2001) on the standard of examination and other teaching facilities available at Kurnool Medical College, Kurnool for i) recognition of MS (Ophthalmology) & DO qualifications granted by Sri Venkateswara University and also ii) approval of the college for the award of MS (Ophthalmology) & DO qualifications granted by Andhra Pradesh University of Health Sciences, Vijayawada & NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the compliance verification report (March, 2009) together with the Council inspector's report (May, 2001) and decided to recommend that-

- i) MS (Ophthalmology) & DO qualifications granted by Sri Venkateswara University in respect of students trained at Kurnool Medical College, Kurnool be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.
- ii) Kurnool Medical College, Kurnool be approved for the award of MS (Ophthalmology) & DO qualifications granted by Andhra Pradesh University of Health Sciences, Vijayawada & NTR University of Health Sciences, Vijayawada restricting the number of admissions to 4 (four) students per year in MS(Ophthalmology) and 3 (three) for DO qualification prospectively.

34. Jammu University- Recognition of MD (Paed.) qualification in respect of students being trained at Govt. Medical College, Jammu.

Read: the letter dated 24.2.2009 from the Central Government, Ministry of Health & Family Welfare togetherwith the Council inspector's report (May, 2008) on the of standard of examination and other teaching facilities available at Govt. Medical College, Jammu for purpose of recognition of MD (Paed.) qualification granted by Jammu University.

The Postgraduate Committee considered the letter dated 24.2.2009 from the Central Government, Ministry of Health & Family Welfare togetherwith the Council inspector's report (May, 2008) and decided that the college authorities may be advised to apply to the Council for compliance verification inspection after the teaching faculty required as per the Council Regulations is appointed and has joined the institute.

35. Sher-I-Kashmir Institute of Medical Sciences (Deemed University) - Recognition of M.Ch. (Neuro-Surgery) qualification in respect of students being trained at Sher-I-Kashmir Institute of medical Sciences.

Read: the compliance togetherwith the Council inspector's report (October, 2008) on the standard of examination and other teaching facilities available at Sher-I-Kashmir Institute of Medical Sciences, Srinagar for purpose of recognition of M.Ch. (Neuro-Surgery) qualification granted by Sher-I-Kashmir Institute of Medical Sciences (Deemed University), Srinagar.

The Postgraduate Committee considered the compliance togetherwith the Council inspector's report (October, 2008) and decided to recommend that M.Ch. (Neuro-Surgery) qualification granted by Sher-I-Kashmir Institute of Medical Sciences (Deemed University), Srinagar in respect of students being trained at Sher-I-Kashmir Institute of Medical Sciences, Srinagar be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2 (two) students per year.

36. N.T.R. University of Health Sciences, Vijaywada- Approval of Gandhi Medical College, Secundrabad for the award of D.M. (Gastroentology) qualification.

Read: the compliance verification report (Dec,2008) togetherwith the Council Inspectors report (Jan., 2006) on the standard of examination and other teaching facilities available at Gandhi Medical College, Secundrabad for purpose of approval of the College for the award of D.M. (Gastroentology) qualification granted by N.T.R. University of Health Sciences, Vijaywada.

The Postgraduate Committee considered the compliance verification report (Dec,2008) togetherwith the Council Inspectors report (Jan., 2006) and decided to

recommend that Gandhi Medical College, Secundrabad be approved for the award of D.M. (Gastroentology) qualification granted by N.T.R. University of Health Sciences, Vijaywada restricting the number of admissions to 1(One) student per year.

37. Dr. N.T.R. University of Health Sciences, Vijayawada - Approval of Deccan College of Medical Sciences, Hyderabad for the award of DO qualification.

Read: the compliance verification report (Feb,2009) togetherwith the Council Inspectors report (July, 2008) on the standard of standard of examination and other teaching facilities available at Deccan College of Medical Sciences, Hyderabad for approval of the college for the award of DO qualification granted by Dr. NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the compliance verification report (Feb,2009) togetherwith the Council Inspectors report (July, 2008) and decided to recommend that Deccan College of Medical Sciences, Hyderabad be approved for the award of DO qualification granted by Dr. NTR University of Health Sciences, Vijayawada restricting the number of admissions to 2 (two) students per year.

38. Recognition of MD (Dermatology and STD) qualification in respect of B.P. Koirala Institute of Health Sciences, Dharan, Nepal

Read: the compliance verification report (March,2009) togetherwith the inspection reports for recognition of postgraduate medical courses in respect of B.P. Koirala Institute of Health Sciences, Nepal along with the letter received from the Vice-Chancellor of B. P. Koirala Institute of Health Sciences, Dharan, Nepal.

The Postgraduate Committee considered the compliance verification report (March,2009) togetherwith the inspection reports and decided to recommend that MD (Dermatology and STD) qualification granted by B. P. Koirala Institute of Health Sciences, Dharan, Nepal in respect of students being trained at B. P. Koirala Institute of Health Sciences, Dharan, Nepal be recognized and included in the 2nd Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2 (two) students per year.

39. University of Mumbai & Maharashtra University of Health Sciences, Nasik - Recognition of MD (Paediatrics) qualification in respect of students being trained at Bombay Hospital Institute of Medical Sciences, Mumbai.

Read: the compliance verification report (Feb.,2009) togetherwith the Council inspector's report (May, 2008) on the standard of examination and other teaching facilities available at Bombay Hospital Institute of Medical Sciences, Mumbai for purpose of recognition of MD (Paediatrics) qualification earlier granted by University of Mumbai and now by Maharashtra University of Health Sciences, Nasik.

The Postgraduate Committee considered the compliance verification report (Feb.,2009) togetherwith the Council inspector's report (May, 2008) and decided to recommend that MD (Paediatrics) qualification granted by University of Mumbai and now by Maharashtra University of Health Sciences, Nasik in respect of students being trained at Bombay Hospital Institute of Medical Sciences, Mumbai be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2(two) students per year.

40. Increase of seats in DM(Medical Oncology) course at Tata Memorial Hospital, Mumbai under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956.

Read: the compliance verification report (April, 2009) together with the Council Inspector's report (April, 2008) on the physical and other teaching facilities available at Tata Memorial Hospital, Mumbai under Maharashtra University of Health Sciences, Nashik for increase of seats in D.M.(Medical Oncology) course at Tata Memorial Hospital, Mumbai u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance verification report (April, 2009) together with the Council Inspector's report (April, 2008) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in D.M.(Medical Oncology) course at Tata Memorial Hospital, Mumbai under Maharashtra University of Health Sciences, Nashik u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2009-2010 from 2 (two) to 5 (five) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

41. Starting of DM(Neurology) course at Bangalore Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

Read: the compliance verification report (April, 2009) on the physical and other teaching facilities available at Bangalore Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Bangalore for consideration of starting of DM(Neurology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance verification report (April, 2009) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of DM(Neurology) course at Bangalore Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956 prospectively i.e. from the academic session 2009-2010 restricting the number of admission to 1(one) student per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

42. Starting of M.Ch.(Cardio-Vascular & Thoracic Surgery) course at Narayana Medical College, Nellore under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Inspector's report (April, 2009) on the physical and other teaching facilities available at Narayana Medical College, Nellore under NTR University of Health Sciences, Vijayawada for starting of M.Ch.(Cardio Vascular & Thoracic Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2009) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of M.Ch.(Cardio Vascular & Thoracic Surgery) course at Narayana Medical College, Nellore under NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 prospectively i.e. from the academic session 2009-2010 restricting the number of admissions to 2(two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

43. Starting of DM(Cardiology) course at J.L.N. Medical College & Hospital, Ajmer (Rajasthan) - regarding.

Read: the letter dated 7/3/2009 received from the Principal, J.L.N. Medical College & Hospital (Ajmer) for postponement of inspection of DM(Cardiology) course at the college for the academic year 2009-10.

The Postgraduate Committee considered the letter dated 7/3/2009 received from the Principal, J.L.N. Medical College & Hospital (Ajmer) for postponement of inspection of DM(Cardiology) course at the college for the academic year 2009-10.

The Committee further decided to return the application to the Central Govt. recommending disapproval of the Scheme for starting of DM(Cardiology) course at J.L.N. Medical College & Hospital (Ajmer) u/s 10A of the I.M.C. Act, 1956, as there is no provision u/s 10A of the Indian Medical Council Act, 1956 or the regulations framed therein to keep the application pending in the Council office.

44. Starting of DM(Cardiology) course at Sardar Patel Medical College, Bikaner under Rajasthan University of Health Sciences u/s 10A of the IMC Act, 1956.

Read: the matter with regard to issue of Letter of Permission by the Central Govt. in spite of negative recommendations of the Medical Council of India for starting of DM(Cardiology) course at Sardar Patel Medical College, Bikaner.

The Postgraduate Committee noted the Letter of Permission issued by the Central Govt. for starting of DM(Cardiology) course at Sardar Patel Medical College, Bikaner from the academic session 2009-2010.

45. Starting of M.Ch. (Paediatric Surgery) course at Lady Hardinge Medical College & Associated Hospitals, New Delhi.

Read: the matter with regard to consideration of application received from the Central Govt. after the last date for starting of M.Ch.(Paediatric Surgery) course at Lady Hardinge Medical College & Associated Hospitals, New Delhi.

The Postgraduate Committee observed that the Central Government vide letter dated 15.1.2009 has forwarded an application for starting of M.Ch. (Paediatric Surgery) course at Lady Hardinge Medical College & Associated Hospitals, New Delhi after the last date (i.e. 15th November) prescribed in the Schedule for forwarding the application by the Central Govt. to Medical Council of India.

It was further observed that time schedule for processing of the application for postgraduate courses is as under:-

SCHEDULE FOR RECEIPT OF THE APPLICATIONS FOR OPENING OR TO INCREASE THE ADMISSION CAPACITY IN RESPECT OF POSTGRADUATE MEDICAL COURSES AND ITS PROCESSING BY THE CENTRAL GOVT. AND MEDICAL COUNCIL OF INDIA.

Sl.No.	Stage of processing	Time Schedule
1	Receipt of applications by the Central Government.	1st May to 30th June
2	Forwarding of applications by Central Government to Medical Council of India for technical scrutiny.	Up to 31st July
3	Forwarding of recommendations of MCI which are for grant of only Letter of Intent.	Up to 15th September
4	Issue of Letter of Intent by Central Government.	Up to 15th October
5	Applicant institution to send its reply to Central Government requesting for Letter of Permission.	Up to 15th November
6	Receipt of Letter from Central Government by the Medical Council of India for consideration for issue of Letter of Permission.	Up to 30th November

7	Recommendation of Medical Council of India to Central Government for issue of Letter of Permission.	1st January to 28/29th February
8	Issue of Letter of Permission by Central Government.	Up to 31st March

Note:

1. In respect of Super-speciality courses as the commencement of academic session is from 1st of August, the last dates indicated against the various stages of processing above shall be extendable by three and a half months and accordingly the last date for issue of Letter of Permission by the Central Govt. shall be 15th July.
2. The Postgraduate diploma/degree seats and the Super-speciality seats for which permission is granted by the Government respectively upto 31st March and 15th July of any particular year shall only stand included in the seat matrix for admission of students in respect of the academic session commencing in that year.
3. The applications received in the months of May-June in any particular year shall be considered for grant of permission for the academic session commencing in the succeeding year

It was further observed that as per the time schedule prescribed, the last date for receiving the application for Super-speciality courses in the office of the Council is 15th November. It was also observed that the judgement dated 12.1.2005 delivered by the Hon'ble Supreme court in the case of Mridul Dhar (Minor) & Anr. Vs. Union of India & Ors. in W.P. © Nos. 206 of 2004 wherein it was directed that:-

“14.....time schedule for establishment of new college or to increase intake in existing college, shall be adhered to strictly by all concerned.

15. Time schedule provided in Regulations shall be strictly adhered to by all concerned failing which defaulting party would be liable to be personally proceeded with.”

In view of above, the Postgraduate Committee decided to return the application to the Central Government as it has been received late in the office of the Council and after the last date prescribed in the Regulations i.e. 15th November which being the last date prescribed in the statutory regulations being binding and mandatory in character and are required to be adhered to by all the authorities.

46. Admission in Sancheti Institute for Orthopaedics & Rehabilitation for the academic year 2008-2009.

Read: the matter with regard to admission in Sancheti Institute for Orthopaedics & Rehabilitation for the academic year 2008-2009.

The Postgraduate Committee observed that the documents supplied by Sancheti Institute for Orthopaedics & Rehabilitation, Pune alongwith certified copies of the admission order issued by Maharashtra University of Medical Sciences, Nashik, joining order of the candidates and fee receipts issued by the institute in respect of the following students show that the candidates were infact admitted in the institute on 10th June, 2008 which was within the date prescribed by the Hon'ble Supreme Court for the academic session 2008-2009:-

Subject	No. of seats
MS Orthopaedics	1. Kade Mahesh Ramchandra 2. Jaju Rahul Gopikishan, 3. Desai Snehal Gaurang. 4. Nerukar Abhishek Arun 5. Tembhone Atulkumar Abhimanji
D.Ortho	1. Khan Suhel Aktar. 2 Parate Prashant Hemraj. 3. Sadigale Vaiabhav Satish. 4. Dusad Sumit Rajendra. 5. Pardeshi gaurav Kartarsingall

In view of above, the Postgraduate Committee decided that the discharge notice issued u/s 10B of the IMC Act, 1956 be revoked.

47. **Recognition for DNB specialists for the purpose of registration as specialist qualification.**

Read: the report of the Sub-Committee with regard to recognition for DNB specialists for the purpose of registration as specialist qualification.

The Postgraduate Committee perused the following report of the Sub-Committee with regard to recognition for DNB specialists for the purpose of registration as specialist qualification:-

“The Committee at the outset noted that the communication dated 27.01.2009 from the Under Secretary in the Ministry of Health & F.W., Govt. of India has forwarded a copy of the letter dated 06.11.2008 from the National Board of Examinations along with its enclosures which are guidelines of competency based training programme in 6 DNB courses namely Anatomy, Pharmacology, Surgical Gastroenterology, Plastic Surgery (Direct 5/6 year course), Paediatric Surgery (Direct 5/6 year course) and Neuro Surgery (Direct 5/6 year course). It is requested therein that MCI should consider the said proposal of National Board of Examinations and send its comments/recommendations to the Ministry so that the matter of recognition of these courses can be finalized expeditiously.

The perusal of communication dated 06.11.2008 from the Executive Director, National Board of Examinations, New Delhi, reveals that the National Board of Examinations keeping in view the trend in the growth and development of medical sciences has been introducing examinations in various streams of modern medicine and also established well-structured training programme leading to the award of DNB programme. The list of such courses as stated therein is as follows:-

1. DNB Anatomy
2. DNB Endocrinology
3. DNB Pharmacology
4. DNB Hematology
5. DNB Medical Oncology
6. DNB Rheumatology
7. DNB Peripheral Vascular Surgery
8. DNB Surgical Gastroenterology
9. DNB Surgical Oncology
10. DNB Neonatology
11. DNB Plastic Surgery (Direct 5/6 year course)
12. DNB Paediatric Surgery (Direct 5/6 year course)
13. DNB Neurosurgery (Direct 5/6 year course)

The details of the accreditation criteria, training programme, curriculum and scheme of examinations in respect of all of them have also been enclosed with the letter.

The Govt. of India has been requested in the said communication to take necessary action towards recognition of qualifications that have been quoted from Sl.No. 1 to 13.

The Committee at the outset noted that the

The General Body of the Council at its meeting held on 17.10.1993 on the basis of approved recommendation of the Postgraduate Committee decided as under:-

“It is recommended that for teaching appointments in the broad specialities the holders of Diplomate NBE should have at least 1(one) year teaching experience as a Tutor/Registrar/Demonstrator or equivalent post in a recognized medical college imparting undergraduate teaching and training for appointment as Lecturer. Regarding the candidates holding Diplomate NBE in superspeciality subjects, the training shall be for 2 (two) years in a recognized medical college having recognized

postgraduate medical degree in the concerned speciality for appointment as a Lecturer.”

- *The matter of eligibility of DNB qualification holder for admission to DM/M.Ch. courses was deliberated in the PG Committee meeting held on 28.11.1994 wherein the Committee extended provision of “two years teaching experience in a recognized medical college having recognized postgraduate medical degree in the concerned speciality applicable to DNB holder for being eligible for appointment as Lecturer”, as referred to in the decision of the General Body of the Council at its meeting dated 17.10.1993.*
- *Further, the Postgraduate Committee of the Council at its meeting held on 10.9.1998 considered the issue of equivalence of DNB qualifications with that of MCI recognized MD/MS or DM/M.Ch. qualifications and decided that for teaching appointments in the broad specialities, DNB qualification holder with one year teaching experience as a Tutor/Registrar/Demonstrator or equivalent post in a recognized medical college imparting undergraduate teaching and training can be appointed. Further, with regard to holders of DNB qualification in superspeciality subjects, the required training shall be of 2(two) years in a recognized medical college having recognized postgraduate course in the concerned speciality can be appointed as Lecturer. The aforesaid decision of the PG Committee dated 10.9.1998 was approved by the General Body of the Council at its meeting held on 29.10.1998.*
- *Further, the Postgraduate Committee upon consideration of a letter dated 07.02.2002 from the Ministry of Health & F.W. forwarding therewith a copy of letter dated 28.12.2001 from President, National Board of Examination in regard to consideration of DNB qualifications granted by National Board of Examination as equivalent to postgraduate MD/MS or DM/M.Ch. degrees, in its meeting dated 16.9.2002 constituted a Sub-Committee of 3 members namely Dr. B.Ray Chaudhuri, Chairman with Dr. Subhash Penkar and Dr. G. Sham Sunder as members to consider the matter in all its aspects.*
- *Due to sad demise of Dr. B. Ray Chaudhuri, Chairman of the Sub-Committee, Dr. L.S. Chawla was appointed as Chairman in his place. The Committee submitted its report on 12.5.2003 which was considered by the General Body of the Council in its meeting held on 20.10.2003 wherein the recommendations of the Sub-Committee were approved by the Council. The reasons included in the said report facilitated in drafting of the conclusion approved by the General Body are catalogued as under:-*
 - (a) *The reasons for not equating DNB degrees with MD/MS/DM/M.Ch. are as follows:-*
 - (1) *Admissions to DNB course is only by qualifying examination whereas admission to postgraduate course is by competent examination in all States and for all colleges.*
 - (2) *A definite teaching faculty along with other infrastructural facilities as prescribed in the regulations governing the postgraduate education by the Council has to be made whereas for DNB training the faculty possessing required teaching experience is not a pre-requisite. Moreover, the said courses by and large are conducted in non-teaching hospitals and are under the supervision of consultants who are by and large not eligible to be qualified teacher in terms of MCI regulations.*
 - (3) *The facilities of basic sciences training which is essential and vital for postgraduate teaching and training is non-existent in such non-teaching hospitals. Some facilities of para-clinical departments like Pathology, Microbiology, Biochemistry may be available but the facilities of pre-clinical and other para-clinical departments namely that of Anatomy, Physiology, Community Medicine, Forensic Medicine are non-existent. The said facilities even in case where they are available are ‘service oriented’ and not ‘teaching oriented’.*
 - (4) *The candidates possessing postgraduate courses i.e. MD/MS/DM/M.Ch. in recognized teaching institutions are trained in hospitals attached to such institutions where the clinical material is available in terms of variety and quantity sufficient enough for imparting of the hands on training to the postgraduate students. On the*

other hand the DNB candidates are training on paying beds which mainly cater to private patients and insufficient hands on training is imparted resulting in defeat the very purpose of practical training for the postgraduate students.

- (5) *The regular teaching institutions have a multi-disciplinary approach for orientation of the postgraduate trainees whereby they have a wider interaction with different aspects of medicine whereas the training of DNB students for want of required facilities as are available in a medical college are denied of this multi-disciplinary approach of teaching and training.*
 - (6) *The postgraduate teachers as contemplated by the Medical Council of India are to be whole-time in nature whereas the teaching and training conducted for DNB courses is by and large by consultants who are either part-time or are honorary in nature.*
 - (7) *The students training for MD/MS is for 3 years duration and as of now is residential in character. Such a situation is not applicable in regard to the trainees for DNB courses.*
- *The regulations on Postgraduate Medical Education, 2000 mandates 3 years teaching experience with recognized postgraduate qualification as minimum eligibility for admission of a person as Lecturer/Assistant Professor in a medical college. One year teaching experience after broad speciality and 2 years experience after superspeciality for DNB candidates does not equate them with such a prescribed eligibility for want of 3 years experience gained by a regular postgraduate student in a teaching institution during the period of his postgraduate training. This limitation cannot be overcome in any mode and manner at any given point of time until and unless the concerned degree holders are required to work as a resident for 3 years all over again on residential basis in a teaching institution.*
 - *The concept in regard to utilization of the unutilized facilities in medical college was also deemed to be incorrect as the intake capacity in the postgraduate courses is fixed commensurate with the available teaching faculty, clinical material and infrastructural facilities available which are necessary for maintaining desired standards of training and hence there is nothing which can be said to be an unutilized/surplus component.*
 - *The said matter has been dealt adequately by the General Body of the Council at its meeting held on 26.03.2005 wherein it was unanimously decided that the position adopted by the Council in this case be reiterated.*
 - *The Committee is aware that there could be situations where the number of postgraduate seats may not be commensurate with the number of available postgraduate teachers. As a matter of fact, the Postgraduate Regulations, 2000 prescribes a ceiling on the number of students permissible in a teaching unit. As per the governing regulations against a teaching unit which ought to have a complement of 3 teachers that the first unit being headed by a person not below the rank of Professor along with a Associate Professor and Assistant Professor and the subsequent unit, if any, to be headed by the person not below the rank of Associate Professor along with 2 Assistant Professors/Lecturers being a minimum must.*
 - *Constituting a possibility that in unit 1 all the 3 professors constitutes the teaching complement are recognized postgraduate teachers yet the number of students that can be registered with degree against the said unit shall be 2 per year and in case of diploma it would be one diploma per unit in addition to the 2 degree students. Thus in any case the total number of registration of degree and diploma taken together in one unit in one year shall not exceed 3 (2+1) provided 3 postgraduate teachers are available. In subjects which do not have diploma against the available 3 teachers still the number of registered students shall be restricted to 2 per year.*
 - *At the cost of repetition, the Committee would like to emphatically said that teacher taught ratio is not the only parameter which is viewed in isolation for the purposes of according permission of starting of postgraduate courses or augmenting of its annual intake, the other parameters like infrastructural facilities, clinical*

material, teaching and training facilities are also given equal emphasis in a holistic manner.

- Prescribing of the upper limit of the permissibility of the annual intake is not only intake of teacher student ratio of 1:1 but also is aimed at having a ratio with number of teaching unit.
- In this context, it may be noted that a minimum bed strength is prescribed for a postgraduate teaching unit which is of minimum 30 beds in case of broad speciality and 20 beds in case of super speciality. Meaning thereby that in a unit with postgraduate teachers wherein only degree course is permitted with an annual intake of 2 seats and the duration of the course being 3 years, the number of postgraduate students shall be 6 at a given point of time with ratio of bed strength or student ratio is 1:5. Therefore, the governing ratio automatically of the teachers taught is also tagged with bed strength: the student.
- The Committee is conscious of the fact that the bed strength does not contemplate number of beds but the patients of desired variety facilitating the appropriate orientation in regard to hands on training. An emphasis is also prescribed in regard to the overall clinical material and the prescribed bed strength viewed in the form of occupancy rate. By and large the governing practice adopted by the Council is that a minimum of 80% occupancy is a must for granting of permission for postgraduate course.
- All these parameters have been prescribed by the Council upon due application of mind with required emphasis on the standards of teaching and training at the postgraduate level whereby the postgraduate students is upto the desired level in terms of being able to discharge the prescribed competence catalogued in the regulations. The stringent parameters that have been prescribed are solely made to ensure maintenance and adherence of the academic standards governing teaching and training for the postgraduate students.
- Taking note of these considerations, the General Body of the Council had emphasized that all efforts need to be taken to ensure that no duplication takes place in regard to the streams including modalities of admissions, teaching and training methods and also availing of the available infrastructure in an institution.
- The academic fall-outs therefore out of any liberal approach would be causing a definite prejudice to the standards and legitimate expectations out of a well structured postgraduate teaching programme. As such, the Committee taking stock of it is of the considered opinion that the position adopted by the General Body of the Council in regard to non-grant of permission for running of DNB courses in recognized teaching institutions needs to be maintained in the larger academic interest and standards of postgraduate medical education in the country.

The Committee also took note of the fact that a Study Group constituted by the Council that included Director, PGIMER, Chandigarh; Director, SGPGI, Lucknow and representative from AIIMS along with Dr. Ved Prakash Mishra, the then Chairman, Postgraduate Committee, MCI had dealt on the issue of reduction of long duration of super speciality courses without compromising on high quality training and had observed that It was categorically brought out by all the 3 learned experts that there was variability in the duration of super speciality courses till late 1990's, wherein some super speciality courses were of 2 years duration as against some courses of 3 years duration.

In order to bring parity, the Council in its Postgraduate Regulations had categorically provided for a uniform duration for all the super speciality courses as of 3 years. It was also decided that but for the certain super speciality courses in AIIMS, New Delhi, which are of 5 years duration wherein a student is admitted directly after his MBBS qualification, all other super speciality courses were brought within the ambit of the Postgraduate Regulation whereby the duration of study was prescribed to be of 3 years.

It was further observed by the learned experts that the “Reasons, the Grounds and the Basis” by virtue of which the super speciality courses of 2 years duration were altered to 3 years duration exist even today. Reverting back to the same situation would definitely amount to a “Retrograde Step”.

The informational expansion of the various super specialities in last 10 years has been mind boggling. The spate with which new “Dimensions, Techniques and Informational Inputs” have been added up, it is imperative that the same is provided within the curricular framework of the super speciality courses. In the teeth of expansion of the “Informational Inclusions” in the curriculum, the period of training is expected to be commensurate with the same.

It was also observed that the aim of a super speciality course is to generate a “Competent and Confident Consultant Super Specialist, who is expected to be “On his own” pertaining to the various “Advanced Competencies” in his speciality. He is expected to be the “Last Word” when it comes to dispensation by virtue of “Knowledge, Skill and Application” at his disposal in terms of the super speciality qualification gained/possessed by him.

Keeping this in mind, the experts were of the considered opinion that any alteration in terms of reduction of the time schedule would definitely lead to a compromise with the desired levels of quality education and also the expected outcomes thereof.

In view of the emphatic, unambiguous and settled position adopted by the competent authorities in the Council duly approved by its General Body, it is neither open nor permissible for the Council to concede to the requisition which has been made by the National Board of Examinations vide their communication dated 06.11.2008 to Govt. of India. This position may be made known to the Govt. of India in response to their communication dated 27.01.2009.”

After due deliberations, the Postgraduate Committee decided as under:-

1. All efforts need to be taken to ensure that no duplication takes place in regard to the streams including modalities of admissions, teaching and training methods and also availing of the available infrastructure in an institution.
 2. The academic fall-outs therefore out of any liberal approach would be causing a definite prejudice to the standards and legitimate expectations out of a well structured postgraduate teaching programme. As such, the Committee taking stock of it is of the considered opinion that the position adopted by the General Body of the Council in regard to non-grant of permission for running of DNB courses in recognized teaching institutions needs to be maintained in the larger academic interest and standards of postgraduate medical education in the country.
 3. That any alteration in terms of reduction of the time schedule would definitely lead to a compromise with the desired levels of quality education and also the expected outcomes thereof.
 4. In view of the emphatic, unambiguous and settled position adopted by the competent authorities in the Council duly approved by its General Body, it is neither open nor permissible for the Council to concede to the requisition which has been made by the National Board of Examinations vide their communication dated 06.11.2008 to Govt. of India. This position may be made known to the Govt. of India in response to their communication dated 27.01.2009
48. **Appeal by the Members of Paediatrics Surgery Association, West Bengal and Dr. Digant Pathak M.Ch. (Paediatrics Surgery) student at MAMC, New Delhi against Dr. Y.K. Sarin, Professor & Head M.Ch. (Paediatrics Surgery), MAMC, New Delhi.**

Read: the appeal received from the Members of Paediatrics Surgery Association, West Bengal and letter dated 30.03.2009 received from Dr. Digant Pathak against Dr. Y.K. Sarin, Professor & Head M.Ch. (Paediatrics Surgery), MAMC, New Delhi

The Postgraduate Committee perused the appeal submitted by Members of Paediatrics Surgery Association, West Bengal with regard to the appointment of Dr. Y.K. Sarin, Professor & Head, M.Ch. (Paediatrics Surgery), MAMC, New Delhi and decided that looking to the apprehension expressed by the Association, it would be prudent to request the President to appoint an alternate inspector to carry out the inspection at Medical College, Kolkata (for starting M.Ch. (Paediatrics Surgery) course) at N.R.S. Medical College (for increase of seats in M.Ch. (Paediatric Surgery) Course).

49. Admission made in various PG courses after the last date i.e. 10th June, 2008 in the academic year 2008-09.

Read: the matter with regard to admissions made in various Postgraduate medical courses after the last date i.e. 10th June, 2008 (By the order of the Hon'ble Court) for the academic session 2008-09 at Adichunchanagiri Institute of Medical Sciences, Karnataka.

The Postgraduate Committee observed that neither any order from the Hon'ble Supreme Court permitting the institutes to admit students after due date nor any valid explanation has been submitted by the institute for admission of the students beyond the last date permitted by the Hon'ble Supreme Court of India i.e. 10.6.2008 for admission to postgraduate courses for the academic year 2008-2009.

In view of above, the Postgraduate Committee decided to reiterate its earlier decision taken at its meeting held on 22.9.2008 to discharge the following students u/s 10B of the IMC Act, 1956:-

Subject	No. of seats
MD Biochemistry	1.Uma Rani 12/6/08
Community Medicine	1. Girish 26/6/08
MD General Medicine	1.Dr. Ahamed Javid 20/6/08
General Surgery	1. Vikas M. 20/6/08 2. Doreswamy K 13/6/08 3. Sai Surabhi P. 14/6/08
Diploma Child Health	1.Nisha Hussain 20/6/08
MD Obstetrics & Gynaecology	1.Rohini A / 14/6/08
Diploma Obstetrics & Gynaecology	1.Kavitha S.N.14/6/08 2. Thachadathu Preetha Philip 20/6/08
D.Ortho	1.Ran Vijay 14/6/08
MS Ophthalmology	1. Veena U.H 13/6/08
Diploma Anaesthesia	1. Anupama T.G. 13/6/08 2. Mahesh Babu S 14/6/08

50. Inclusion of name of Sri Devaraj Urs University, Kolar (formerly known as Sri Devaraj Urs Academy of Higher Education and Research) in the first schedule of IMC Act, 1956.

Read: the matter with regard to inclusion of name of Sri Devaraj Urs University, Kolar (formerly known as Sri Devaraj Urs Academy of Higher Education and Research) in the first schedule of IMC Act, 1956.

The Postgraduate Committee observed that Sri Devraj Urs Medical College, Kolar was earlier affiliated to Rajiv Gandhi University of Health Sciences, Bangalore. After Sri Devraj Urs University came into existence, the college was disaffiliated from Rajiv Gandhi University of Health Sciences, Bangalore on 23.7.07 and become a constituent unit of Sri Devraj Urs University. Sri Devraj Urs University has been admitting students for Undergraduate from the academic year 2007-08 onwards and Postgraduate degree & diploma courses from the academic year 2008-09 onwards.

The Postgraduate further observed that the Executive Committee at its meeting held in June,1988 had decided as under:-

“No inspection is required where there is change of name and change of affiliation of the University or the college whose medical qualifications are already recognized and included in the 1st Schedule to the I.M.C. Act,1956 unless the Executive Committee decides otherwise.”

In view of above, the Postgraduate Committee decided that the following postgraduate degree/diploma courses conducted by Sri Devraj Urs Medical College, Kolar which are recognized at present under Rajiv Gandhi University of Health Sciences, Bangalore may also be recognized under Sri Devraj Urs University, Kolar:-

MBBS -	Recognized
Diploma in Anesthesia	Recognized when granted on or after Mar'99
Diploma in Child Health	Recognized when granted on or after Mar'99
Diploma in Obstetrics & Gynaecology	Recognized when granted on or after Mar'99
Diploma in Ophthalmology	Recognized
Diploma in Orthopaedics	Recognized when granted on or after Mar'99
Diploma in Oto-Rhino-Laryngology	Recognized when granted on or after Mar'99
Diploma in Radio-Diagnosis	Recognized
MD - Anaesthesiology	Recognized
MD - Bio-Chemistry	Recognized (when granted on or after June'2007)
MD - Dermatology , Venereology & Leprosy	Recognized by nomenclature Skin & VD
MD - General Medicine	Recognized Seat increased from 3 to 6 u/s 10(A)
MD - Microbiology	Recognized (when granted on or after May'2007)
MD - Paediatrics	Recognized Seat increased from 1 to 3 u/s 10(A)
MD - Pathology	Recognized
MD - Pathology	Permitted u/s 10 (A)
MD - Pharmacology	Recommended for recognition
MD - Physiology	Recommended for recognition
MD - Radio Diagnosis/Radiology	Recognized (seats increased from 1 to 2 u/s 10(A))
MD/MS - Obstetrics & Gynaecology	Recognized Seat increased from 2 to 3 u/s 10(A)
MS - ENT	Recognized Seat increased from 1 to 2 u/s 10(A)
MS - General Surgery	Recognized Seat increased from 2 to 4 u/s 10(A)
MS - Ophthalmology	Recognized Seat increased from 1 to 2 u/s 10(A).(Recommended to Cent. Govt. for stoppage of Admission)
MS - Orthopaedics	Recognized

Office Note: Office was directed to verify whether the inspection fee in respect of the above mentioned courses have been received from Sri Devraj Urs University, Kolar

51 Starting of M.Ch. (Vascular Surgery) course at Stanley Medical College, Chennai under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Inspector's report (April, 2009) on the physical and other teaching facilities available at Stanley Medical College, Chennai under the Tamilnadu Dr. MGR Medical University, Chennai for starting of M.Ch.(Vascular Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2009) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of M.Ch.(Vascular Surgery) course at Stanley Medical College, Chennai under the Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 prospectively i.e. from the academic session 2009-2010 restricting the number of admission to 1(One) student per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

52. University of Mumbai & Maharashtra Institute of Health Sciences – Recognition of M.Ch. (Neurosurgery) qualification in respect of students being trained at Bombay Hospital Institute of Medical Sciences, Mumbai.

Read: the compliance together with the Council inspector report (August, 2008) on the standard of examination and other teaching facilities available at Bombay Hospital Institute of Medical Sciences, Mumbai for purpose of recognition of M.Ch. (Neurosurgery) qualification earlier granted by University of Mumbai & now by Maharashtra Institute of Health Sciences.

The Postgraduate Committee considered the compliance together with the Council inspector report (August, 2008) and decided to recommend that M.Ch. (Neurosurgery) qualification granted by University of Mumbai & now by Maharashtra Institute of Health Sciences in respect of students being trained at Bombay Hospital Institute of Medical Sciences, Mumbai be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 3(Three) students per year.

53. University of Calicut – Recognition of M.Ch. (Neuro-Surgery) qualification in respect of students being trained at Calicut Medical College, Calicut.

Read: the compliance together with the Council Inspector report (April, 2004) on the standard of examination and other teaching facilities available at Calicut Medical College, Calicut for purpose of recognition of M.Ch.(Neuro-Surgery) qualification granted by University of Calicut.

The Postgraduate Committee considered the compliance together with the Council Inspector report (April, 2004) and observed that the compliance is unsatisfactory in as much as the deficiency pertaining to the teaching faculty has not yet been rectified by the institute. After due deliberation, it was decided to ask the institute to submit a detailed pointwise compliance of the deficiencies pointed out by the Council.

54. Sri Ramachandra University– Recognition of M.Ch. (Paediatric Surgery) qualification in respect of students being trained at Sri Ramachandra Medical College & Research Institute, Chennai

Read: the Council Inspector's report (April, 2009) on the standard of examination and other teaching facilities available at Sri Ramachandra Medical College & Research Institute, Chennai for purpose of recognition of M.Ch. (Paediatric Surgery) qualification granted by Sri Ramachandra University was carried out on behalf of the Council during April, 2009.

The Postgraduate Committee considered the Council Inspector's report (April, 2009) and decided to recommend that Council Inspector's report (April, 2009) qualification granted by Sri Ramachandra University in respect of students being trained at Sri Ramachandra Medical College & Research Institute, Chennai be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 1 (One) student per year.

55. University of Delhi – Approval of Maulana Azad Medical College, New Delhi for the award of MD (Obst. & Gynae) qualification in respect of increased intake.

Read: the Central Govt. letter dated 26.03.2009 together with the Council Inspector's report (April, 2008) on the standard of examination and other teaching facilities available at Maulana Azad Medical College, New Delhi for purpose of approval of the college for the award of MD (Obst. & Gynae) qualification granted by University of Delhi in respect of increase intake.

The Postgraduate Committee considered the Central Govt. letter dated 26.03.2009 together with the Council Inspector's report (April, 2008) and observed that it at its meeting held on 22.9.2008 had decided as under:-

“The Postgraduate Committee considered the compliance report togetherwith the Council Inspector's report (April, 2008) and observed that the compliance report is unsatisfactory and decided to reiterate its earlier decision taken at its meeting held on 12.06.2008 not to recommend approval of Maulana Azad Medical College, New Delhi for the award of MD (Obst. & Gynae.) against increase of seats granted by Delhi University u/s 10A of the IMC Act, 1956 as the following deficiencies are still persisting:-

1. *Promotion of Prof.Y.M. Male of Unit-I, Prof. G.Gandhi & Prof.Deepti Goswami of Unit-II, Prof. Asmita Rathore of Unit-III & Dr.Ashok Kumar of Unit-IV is not as per MCI norms.*
2. *Resultantly, teaching complement of Units-I,II,III,IV are incomplete.*
3. *Other deficiencies/observations as pointed out in the inspection report.*

In view of the above, the Committee further decided to direct the institution authorities to henceforth stop admission in MD (Obst. & Gynae.) course from the ensuing academic session 2009-2010.”

The Postgraduate Committee further observed that Prof.Y.M. Male, Prof.Deepti Goswami, Prof. Asmita Rathore and Dr. Ashok Kumar do not possess the requisite teaching experience for promotion as prescribed under the Minimum Qualifications for Teachers in Medical Institutions Regulations, 1998 which being statutory Regulations are mandatory and binding in character and are required to be adhered to by all the authorities concerned, and therefore they cannot be considered as teachers.

In view of above, the Postgraduate Committee decided to request the Central Government to recall the permission vide its letter dated 26th March, 2009 to allow Maulana Azad Medical College, New Delhi to continue with the admission as per increased intake in MD (OBG) and DGO for the current academic year 2009-10.

56. Bombay & Goa University – Recognition of M.D.(Radio-Diagnosis) & D.M.R.D. qualifications in respect of students being trained at at Goa Medical College, Bombolim, Goa.

Read: the compliance verification report (April, 2009) together with the Council Inspector's report (April, 2002) on the standard of examination and other teaching facilities available at Goa Medical College, Bombolim, Goa for purpose of recognition of M.D.(Radio-Diagnosis) & D.M.R.D. qualifications granted by Goa University.

The Postgraduate Committee considered the compliance verification report (April, 2009) together with the Council Inspector's report (April, 2002) and decided to recommend that M.D.(Radio-Diagnosis) & D.M.R.D. qualification granted by Goa University in respect of students being trained at Goa Medical College, Bombolim, Goa be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2 (two) students for MD (Radio-Diagnosis) & 4(four) students for DMRD course per year.

57. Geriatric Mental Health - Inclusion as a subject in “Post-Graduate Medical Education Regulation, 2000.

Read: the report of the Academic cell for inclusion of Geriatric Mental Health as a subject in Postgraduate Medical Education Regulation, 2000.

The Postgraduate Committee perused the report of the Academic Cell which reads as under:-

“The objectives of the MD Geriatric Medicine curriculum includes examination of the mental health of the older patients, as is evident from the stated objective:

Objectives: At the end of the MD (General Medicine) program, the candidate should be able to:

** Evaluate the medical problems in older patients by proper history, physical examination, mental state examination, assessment of functional status; advise appropriate investigations, formulate differential diagnoses and prepare a problem oriented management plant.*

The course content of the MD curriculum in Geriatric Medicine has included special system wise problems in the older patient, under the heading Neuropsychiatry. This includes ‘Detailed cognitive assessment of the elderly, evaluation of depression, Alzhemier’s disease, Sleep disorders, Stroke and related issues, Management of the older unconscious patient’. One month rotational posting in Psychiatry Department is included.

Further, the MD curriculum in Psychiatry has proposed integrating mental health care with general health care. Two months posting in Community Psychiatry is also included. If needed, special mention can be made in the MD (Psychiatry) curriculum to include Geriatric Mental Health Care, rather than starting another course”.

After due deliberations, the Postgraduate Committee decided to approve the report of the Academic Cell as under:-

1. The course content of the MD curriculum in Geriatric Medicine has included special system wise problems in the older patient, under the heading Neuropsychiatry. This includes ‘Detailed cognitive assessment of the elderly, evaluation of depression, Alzhemier’s disease, Sleep disorders, Stroke and related issues, Management of the older unconscious patient’. One month rotational posting in Psychiatry Department is included.
2. Further, the MD curriculum in Psychiatry has proposed integrating mental health care with general health care. Two months posting in Community Psychiatry is also included. If needed, special mention can be made in the MD (Psychiatry) curriculum to include Geriatric Mental Health Care, rather than starting another course.

58. Proposal of National Board of Examinations for recognition of DNB (Family Medicine) and DNB (Rural Surgery) under IMC Act, 1956.

Read: the report of the Academic Cell for recognition of DNB (Family Medicine) and DNB (Rural Surgery) under IMC Act, 1956.

The Postgraduate Committee perused the report of the Academic Cell which reads as under:-

“As per Teaching in Medical Institutions Regulation 1998 (73/14), DNB qualification when granted on or after 01.06.1976 granted by the National Board of Examination, New Delhi after due examination and fulfilling one year research experience same criteria can be considered for DNB (Family Medicine)

DNB in (Rural Surgery) cannot be considered since postgraduate programme in (Rural Surery) is not in MCI schedule”

After due deliberations, the Postgraduate Committee decided to approve the following as under:-

1. *DNB qualification when granted on or after 01.06.1976 granted by the National Board of Examination, New Delhi after due examination and fulfilling one year research experience same criteria can be considered for DNB (Family Medicine)*
2. *DNB in (Rural Surgery) cannot be considered since postgraduate programme in (Rural Surgery) is not in MCI schedule.*

59. Proposal from Government of NCT of Delhi seeking grant of status of “deemed-to-be-university” to the Institute of Liver and Biliary Science, New Delhi under Section 3 of the UGC Act, 1956.

Read: the report of the Academic Cell regarding proposal received from Govt. of NCT of Delhi seeking grant of status of “Deemed to be University” to the Institute of Liver and Biliary Sciences, New Delhi under Section 3 of the UGC Act, 1956.

The Postgraduate Committee perused the report of the Academic Cell which reads as under:-

“An expert team comprising of a physician & surgeon in the concerned speciality should be sent to the institute and get their opinion regarding “proposal from Govt. of NCT of Delhi seeking grant of status of “deemed to be university” to the Institute of Liver and Biliary Science, , New Delhi under Section 3 of the UGC Act, 1956.”

After due deliberations, the Postgraduate Committee decided to request the President to send the team of the inspectors as recommended by Academic Cell for further necessary action in the matter.

60 Regarding increased the number of the psychiatrist in the Country- request received from the Mrs. Aruna Sharma, Joint Secretary, National Human Rights Commission.

Read: the report of the Academic Cell regarding consideration of the matter received from Joint Secretary, National Human Rights Commission with regard to increasing the number of Psychiatrist in the country.

The Postgraduate Committee perused the report of the Academic Cell which reads as under:-

“The steps already taken by the Council to increase the number of psychiatrist in the country are mentioned in the letter sent by the Secretary, MCI. In addition to the above measures, all State Governments may be requested to submit their applications for starting the MD/DPM Pscyhiatry course and to increase the number of seats in on going programmes, in a time bound manner.

We may also request the Govt. of India to instruct State Governments to issue Essentiality Certificates for starting new courses only if the applicant colleges have ongoing PG programmes in Psychiatry or the new application is accompanied by request for starting new PG programmes in Psychiatry also”

After due deliberations, the Postgraduate Committee decided to approve the report of the Academic Cell as under:-

In addition to the above measures, all State Governments may be requested to submit their applications for starting the MD /DPM Pscyhiatry course and to increase the number of seats in on going programmes, in a time bound manner.

61. Consideration of the concept and accord “in principle approval” to offer “diploma in HIV/AIDS” regarding.

Read: the report of the Academic Cell regarding consideration of the concept and accord “in principle approval” to offer “diploma in HIV/AIDS.

The Postgraduate Committee perused the report of the Academic Cell which reads as under:-

“The Schedule listing the specialities in which Degree or Diploma can be awarded, as approved by MCI, includes MD in Tropical Medicine and Diploma in Tropical Medicine and Health. The course contents includes a section on Infectious Diseases and covers viral, bacterial, fungal, protozoan, helminth infections etc. Both the courses include HIV/AIDS, HIV-related opportunistic conditions, National AIDS Control Programme, and NACO guidelines on management of HIV/AIDS. Further, starting a new MD course in Infectious Diseases has received necessary approvals. NACO guidelines may be included in the proposed MD course in Infectious Diseases. Hence, a Diploma course only in HIV/AIDS may not be appropriate. Medical Council of India Postgraduate Medical Education Regulations, 2000 recognises only diploma course of two year duration”.

After due deliberations, the Postgraduate Committee decided that as the Postgraduate Medical Education Regulations, 2000 recognises only Diploma courses of only two years duration in the subject included in the Schedule, the report of NACO to offer “in principle approval” for diploma in HIV/AIDS cannot be accepted.

62. Recognition / non-recognition of medical qualification in Medical Colleges.

Read: the letter dated 6/3/2009 received from the CHS Division regarding recognition/non-recognition of medical qualification in Medical Colleges.

The Postgraduate Committee perused the letter of the Central Government dated 26th March, 2009 alongwith the noting of Special DG (ME) which reads as under:-

“..... UPSC was not insisting that an applicant should possess recognized degree/diploma for the CHS job recruitment till 1993. Most probably the Ministry must have recommended to UPSC to include this particular clause i.e. why presently the question of recognition and unrecognition colleges come. This is not only case of a Medical College and University but all over the country, such a problem exists. One wonders after giving permission to start a course in a Medical College and recognition is refused by the Medical Council of India is an anomaly in the present system. This action by the Medical Council of India is putting many students and college authorities in a dilemma. This requirement is to be sorted out urgently”.....

After due deliberations, the Postgraduate Committee observed that the permission to start a course under section 10A and recognition of a course u/s 11(2) of the IMC Act, 1956 are two different processes which are complementary to each other. Any course which has been permitted has to be in due course of time recognized by the Council on the recommendations of the Medical Council of India u/s 11(2) of the IMC Act, 1956. Recognition u/s 11(2) can be awarded only if the institution fulfills the requisite criteria during the inspection conducted for recognition of the course u/s 11(2) of the IMC Act, 1956 of teaching faculty, residents, clinical material, hostel, teaching beds, equipment and instruments prescribed under the Regulations. If any institution fails to meet the prescribed criteria, the recognition of the course is not recommended. Thus, the contention of the Special DG (ME) that after giving permission to start the course in a medical college and subsequent refusal of recognition is an anomaly in the present system is not correct and cannot be accepted.

The Postgraduate Committee further decided that the Central Government be informed accordingly.

Agenda item Nos.63,64,65,66,67 – these items has been discussed earlier (Page No.22-26).

68. Starting of DM(Nephrology) course at Instt. of Nephro-Urology, Bangalore under Rajiv Gandhi University of Health Sciences u/s 10A of the IMC Act, 1956.

Read: the Council Inspector's report (May, 2009) on the physical and other teaching facilities available at Instt. of Nephro-Urology, Bangalore under Rajiv Gandhi University of Health Sciences for starting of DM(Nephrology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2009) and decided to recommend to the Central Govt. not to issue Letter of Intent for starting of DM(Nephrology) course at Instt. of Nephro-Urology, Bangalore under Rajiv Gandhi University of Health Sciences u/s 10A of the IMC Act, 1956 because of the following:-

1. Dr. Rajanna Sridhara, Assoc.Prof. does not possess recognized postgraduate qualification.
2. No Blood Bank owned by the institute is available.
3. Immuno Flourocent laboratory is not available.
4. HLA/Tissue type laboratory is not available.
5. Other deficiencies/observations as pointed out in the inspection report.

Agenda item Nos.69,70,71 – these items has been discussed earlier (Page No.22-26).

72. Chhatrapati Sahuji Maharaj Medical University, Lucknow – Recognition of M.Ch. (Surgical Oncology) qualification in respect of students being trained at Chhatrapati Sahuji Maharaj Medical University, Lucknow.

Read: the compliance verification report (April, 2009) together with the Council Inspector's report (October, 2007) on the standard of examination and other teaching facilities available at Chhatrapati Sahuji Maharaj Medical University, Lucknow for purpose of recognition of M.Ch. (Surgical Oncology) qualification granted by the Chhatrapati Sahuji Maharaj Medical University, Lucknow.

The Postgraduate Committee considered the compliance verification report (April, 2009) together with the Council Inspector's report (October, 2007) and decided to recommend that M.Ch. (Surgical Oncology) qualification granted by Chhatrapati Sahuji Maharaj Medical University, Lucknow in respect of students being trained at Chhatrapati Sahuji Maharaj Medical University, Lucknow be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admission to 1 (One) student per year.

73 Recognition of foreign post graduate medical qualification governed by medical institution outside India under section 13 of the IMC Act, 1956 outside the scheme of reciprocity.

Read: the letter dated 30/3/2009 received from the Central Govt. regarding recognition of foreign post graduate medical qualification governed by medical institution outside India under section 13 of the IMC Act, 1956 outside the scheme of reciprocity.

The Postgraduate Committee considered the letter dated 30/3/2009 received from the Central Govt. and observed that it at its meeting held on 2.9.2008 while considering the matter with regard to proposal of the post graduate medical qualification governed by medical institution outside India under section 13 of the IMC Act, 1956 outside the scheme of reciprocity had decided as under:-

“The Postgraduate Committee considered the report of the Sub-Committee regarding proposal for recognition of postgraduate medical qualifications granted by medical institutions outside India Under Section 13 of the IMC Act, 1956 out side the scheme of reciprocity and approved the same. The report of the Committee is as under:-

“The present committee came to be constituted by the Postgraduate Medical Education Committee of the Council at its meeting held on 12.06.2008 while confirming the minutes of the Postgraduate Committee held on 14.04.2008, wherein the notification dated 07.03.2008 issued by the Govt. of India, Ministry of Health recognizing the postgraduate qualifications granted by medical institutions outside India u/s 13 of the I.M.C. Act,1956 outside the scheme of reciprocity in respect of

Australia, Canada, New Zealand, U.K. and USA u/s 13(4) of the I.M.C. Act,1956 was noted.

“The present Committee is required to look into this matter and submit its report. On perusal of the relevant records it is worthwhile to note that the Ministry of Health & F.W., Govt. of India vide their communication dated 27.06.2007 had brought out that “the medical institutions abroad with postgraduate courses where the medium of instruction is English should be considered for unilateral recognition by the MCI as well as Central Govt. so that Indian students have a choice to study there and then return to India to work in various medical fields of specialization. For this purpose, Central Govt./MCI need not physically inspect all the foreign facilities.”

It was brought out therein that “to begin with, foreign postgraduate degrees recognized by their own respective national regulatory authorities of countries like U.S.A., U.K., Canada, Australia, New Zealand, Singapore and European Union can be considered by MCI towards recognizing these foreign postgraduate medical qualifications of these countries for inclusion in Part-II of the Third Schedule to the I.M.C. Act,1956.”

The Council was thereby requested to “collect requisite information and details of credible foreign postgraduate degrees from the foreign countries through their Health Ministries/our Embassies on priority basis and forward to the Govt. of India along with its recommendations under the provisions of I.M.C. Act,1956 for recognition of foreign postgraduate medical qualifications of the countries stated above in Part-II of the Third Schedule appended to I.M.C. Act,1956.”

The said communication was considered by the Postgraduate Committee at its meeting dated 17.07.2007 and it decided to constitute a Committee comprising of Dr. Ved Prakash Mishra, the then Chairman, PG Committee as Chairman with Dr. C.V.Bhirmanandham, Chairman, Teachers’ Eligibility Qualifications Sub-Committee and Dr. D.K. Sharma, Chairman, Registration & Equivalence Committee as its members.

The said Committee at its meeting held on 24.07.2007 taking stock of the entire situation formulated its detailed report wherein citing various reasons, the Committee categorically brought out that in its considered opinion “it would not be prudent to concede to unilateral recognition of postgraduate qualifications granted by the foreign countries and incorporation thereof in Part-II of the Third Schedule without physical verification of the standards thereat”.

The said report was considered by the Postgraduate Committee at its meeting held on 06.09.2007, wherein it was approved. The recommendations of the Postgraduate Committee in regard to adoption of the said report of the Sub-Committee was approved by the General Body of the Council at its meeting held on 16.11.2007. Accordingly, a communication No.MCI-23(1)/2007-Med./17005, dated 05.10.2007 was sent to the Govt. of India making it known to them the views of the Council in regard to the inclusion of postgraduate medical qualifications in Part-II of the Third Schedule appended to the I.M.C. Act,1956.

It needs to be borne in mind that in terms of provisions at Section 13(4) of the Act, it is imperative for the Central Govt. to have consultation with the Council and then notify in the Official Gazette any amendment to Part-II of the Third Schedule, so as to include therein any qualification granted by a medical institution outside India which is not included in the Schedule.

Inspite of the Council communicating to the Govt. of India the reasons as to why unilateral recognition was not called for and would not be conducive to the fair and legitimate interests of the medical education in our country, the Govt. of India have come out with notification dated 07.03.2008 in terms of Section 13(4) of the I.M.C. Act,1956 notifying inclusion of postgraduate medical qualifications awarded in Australia, Canada, New Zealand, U.K. and U.S.A. which are recognized for enrolment as medical practitioners in the concerned specialities in those countries as

recognized qualifications to be included vide an amendment in Part-II of the Third Schedule appended to the I.M.C. Act, 1956.

The Committee is of the considered opinion that the said notification which has been issued by the Govt. of India in consultation with MCI, obviously in operation has resulted in negation of the expert opinion rendered by the Council. The concerns that were unequivocally ventilated by the Council have remained unanswered and stand negated by the issuance of the notification by the Govt. of India.

It is therefore, necessary for the Council to inform the Govt. of India that the opinion rendered by it was an expert opinion. The negation of an expert opinion without assigning any reason thereto cannot be said to be a healthy practice and hence, the Council seeks to know the reasons and basis by which the expert opinion that was rendered by the Council in terms of acceptance of the Sub-Committee report by the Postgraduate Committee and the General Body of the Council was negated and the notification has been issued by the Govt. claiming that it is with due consultation with MCI.

During the pendency of the same i.e. the Council seeking reasons and basis from the Govt. of India and the same being made known to the Council, the notification so issued be sought to be held in abeyance, and in case the reasons and the basis which that have been availed by the Govt. of India to negate the expert opinion of the Council is found to be unsound, then the Govt. of India may be asked to "recall" the said notification."

The above decision was approved by the General Body of the Council at its meeting held on 13.11.2008 wherein it was decided as under:-

1. The Central Government be requested to know the reasons and the basis by which the expert opinion that was rendered by the Council in terms of the acceptance of the Sub-Committee report by the Postgraduate Committee and the General Body of the Council was negated and the notification has been issued by the Government claiming that it is with due consultation with MCI.
2. Till then, during the pendency of the same i.e. the reasons being communicated by the Govt. of India to the Council, the notification so issued be held in abeyance.

The above decision was communicated to the Central Government vide Council letter dated 20.1.2009. In reference to this, a communication dated 30.3.2009 was received from the Central Government stating as under:-

"I am directed to refer to the MCI's Letter no.MCI-23(1)/2008/Med./43015 dated 20.01.2009 on the subject noted above conveying the Council's decisions as follows:-

a. The Central Government be requested to know the reasons and the basis by which the expert opinion that the rendered by the Council in terms of the acceptance of the sub-committee report by the Post Graduate Committee and the General Body of the council was negated and the notification has been issued by the Government claiming that it is with due consultation with MCI.

b. Till then, during the pendency of the same, i.e. the reasons being communicated by the Government of India to the Council, the notification so issued be held in abeyance.

2. The matter was considered by the Ministry in detail. As per sub-section(4) of the Section 13 of the Indian Medical Council Act, 1956, the Central Government after consulting the Council, may by notification in the Official Gazette amend Part II of the Third Schedule so as to include therein any qualification granted by a medical institution outside India, which is not included in the Second Schedule. In exercise of these powers, the Central Government made consultation with the Medical Council of India vide letter dated 27.06.2007 wherein it was clearly stated that "the medical institutions abroad with postgraduate courses where the medium of instruction is English should be considered

for unilateral recognition by the MCI as well as the Central Government so that Indian students have a choice to study there and then return to India to work in various medical fields of specialization. For this purpose, the Central Govt./MCI need not physically inspect all the foreign facilities. To begin with, foreign postgraduate degrees recognized by their own respective national regulations authorities of countries like USA, UK, Canada, Australia, New Zealand, Singapore and European Union can be considered by the MCI towards recognizing these foreign postgraduate medical qualification of these countries for inclusion in Part II of the Third Schedule to the IMC Act, 1956”.

3. *The Medical Council of India vide communication dated 5.10.2007, intimated to this Ministry that “it would not be prudent to concept to concede to unilateral recognition of postgraduate qualifications granted by the foreign countries and incorporation thereof in Part II of the Third Schedule without physical verification of the standards thereof and that it would not be conducive to the fair and legitimate interests of the medical education in our country”.*

4. *The council’s opinion was considered but was not found convincing. The Council without examining the matter in detail in the light of increasing needs of the country for more medical specialists against the backdrop of limited capacity of PG seats in the county, and the established fact of well-regulated medical qualifications available in certain English speaking countries, very mechanically conveyed its views. The Central Government has the overall responsibility of not only maintaining quality of medical education, but making available requisite number of specialists to meet the health needs of the country from time to time. As per the IMC Act, 1956, the council is a recommendatory body and the final decision in this matter rests with the Central Government.*

5. *After due consideration of the Council’s views, the Ministry selected only five English speaking countries whose quality of medical education is well-recognized in the world. These countries are USA, UK, Canada, Australia and New Zealand. Further, in order to ensure that only good institutions are included, a clear condition was laid down that only those postgraduate medical qualification will be recognized by India, which are recognized by respective countries for enrolment to medical practitioners kin the concerned specialties in that country. Thus, on these lines, gazette notification was issued on 07.03.2008.*

6. *As may be noted above, the Central Government took a conscious decision in the national interest, strictly in accordance with the provisions of the Indian Medical Council Act, 1956 and without compromising the quality of medical education and health care delivery system. In view of the above, there is no reason to accept the Council’s advice to recall the notification dated 07.03.2008*

7. *This issues with the approval of competent authority.*

After due deliberations and considering all the aspects in detail, the Postgraduate Committee decided to reiterate its earlier decision as under:-

1. The contention of the Central Government that the Council without examining the matter in detail has very mechanically conveyed its views is not correct as the decision of the Council taken after due deliberations and consideration of all the relevant issues as set out above.

2. It would not be prudent to concept to concede to unilateral recognition of postgraduate qualifications granted by the foreign countries and incorporation thereof in Part-II of the Third Schedule without physical verification of the standards thereat.

3. It needs to be borne in mind that in terms of provisions at Section 13(4) of the Act, it is imperative for the Central Govt. to have consultation with the Council and then notify in the Official Gazette any amendment to Part-II of the Third Schedule, so as to include therein any qualification granted by a medical institution outside India which is not included in the Schedule.

4. In spite of the Council communicating to the Govt. of India the reasons as to why unilateral recognition was not called for and would not be conducive to the fair and legitimate

interests of the medical education in our country, the Govt. of India have come out with notification dated 07.03.2008 in terms of Section 13(4) of the I.M.C. Act,1956 notifying inclusion of postgraduate medical qualifications awarded in Australia, Canada, New Zealand, U.K. and U.S.A. which are recognized for enrolment as medical practitioners in the concerned specialities in those countries as recognized qualifications to be included vide an amendment in Part-II of the Third Schedule appended to the I.M.C. Act,1956.

5. The said notification which has been issued by the Govt. of India in consultation with MCI, obviously in operation has resulted in negation of the expert opinion rendered by the Council. The concerns that were unequivocally ventilated by the Council have remained unanswered and stand negated by the issuance of the notification by the Govt. of India.

6. It is therefore, necessary for the Council to inform the Govt. of India that the opinion rendered by it was an expert opinion. The negation of an expert opinion without assigning any valid or convincing reason thereto cannot be said to be a healthy practice. The notification has been issued by the Govt. claiming that it is with due consultation with MCI which is not wholly correct.

7. In view of above, the Govt. of India may be once again asked to “recall” the said notification.

74. Permission for admission of students in MD(Radio-diagnosis) course at Lady Hardinge Medical College & S.K. Hospital New Delhi

Read: the letter dated 30/3/2009 received from the Central Govt. regarding permission for admission of students in MD(Radio-diagnosis) course at Lady Hardinge Medical College & S.K. Hospital New Delhi.

The Postgraduate Committee considered the letter dated 30/3/2009 received from the Central Govt. and observed that the General Body of the Council at its meeting held on 15.3.2008 had decided as under:-

“The Council approved the following recommendations of the Postgraduate Committee:-

“The Postgraduate Committee observed that the General Body of the Council at its meeting held on 10th March, 2007 had approved the following recommendations of the Postgraduate Committee:

“The Postgraduate Committee considered the compliance verification report (February, 2006) together with the compliance and Council Inspectors report (April, 2004) and decided to recommend that Lady Hardinge Medical College, New Delhi be approved for the award of DMRD qualification granted by University of Delhi restricting the number of admission to 1 (one) student per year.

The Committee further noted that the Postgraduate Committee at its meeting held on 1st & 2nd July, 2003 had stopped admission in MD (Radio-Diagnosis) course and decided to release one seat for MD (Radio-Diagnosis) course prospectively.”

It was further observed that as per Postgraduate Medical Education Regulations, 2000, Regulation 12(1) pertaining to the number of postgraduate students to be admitted specifically provides as under:-

“12(1) The ratio of recognized postgraduate teacher to number of students to be admitted for the degree and diploma courses shall be 1:1 each for degree and diploma courses in each unit per year, to the extent that in no circumstances more than two students for degree and one for diploma shall be registered in a unit in one academic year.”

The Committee further observed that the letter of the Central Government dated 15.1.2008 addressed to the Principal, Lady Hardinge Medical College, New Delhi

allowing the institute to admit students as per the approved intake capacity for the academic year 2008-09 is in violation of Regulation 12(1) of the Postgraduate Medical Education Regulations, 2000 which being statutory Regulations are mandatory and binding in character and are required to be adhered to by all concerned.”

In view of above, the Postgraduate Committee decided to request the Central Government to withdraw the letter dated 24th February, 2009 allowing Lady Hardinge Medical College, New Delhi to admit 2(two) students in MD (Radio-Diagnosis) course for the academic year 2009-2010.

75. Prescribing maximum age for teachers to be guide for PG Dissertation work and Examiners.

Read: the letter dated 9/2/2009 received from Registrar, Rajiv Gandhi University of Health Sciences regarding prescribing maximum age for teachers to be guide for PG Dissertation work and Examiners.

The Postgraduate Committee considered the letter dated 9/2/2009 received from Registrar, Rajiv Gandhi University of Health Sciences and observed that as per the present regulations, a teacher can be appointed upto the age of 65 years of age and till his appointment is in force and valid in accordance with the Regulations and such a teacher is entitled for all the privileges which accrue to him by being a teacher in a concerned department.

In view of above, the Postgraduate Committee decided that the contention of Rajiv Gandhi University of Health Sciences, Bangalore, Karnataka that the allocation of students may be made only to recognize postgraduate teachers who are 62 years of age at the commencement of the dissertation work is not correct as per statutory Regulations which are binding and mandatory in character and cannot be accepted.

76. This item has been discussed earlier (Page No.22-26).

77. Saurashtra University– Recognition of M.D.(Pharmacology) qualification in respect of students being trained at C.U.Shah Medical College, Surendranagar.

Read: the Council Inspector’s report (May, 2009) on the standard of examination and other teaching facilities available at C.U. Shah Medical College, Surendranagar for purpose of recognition of M.D. (Pharmacology) qualification granted by Saurashtra University.

The Postgraduate Committee considered the Council Inspector’s report (May, 2009) and decided to recommend that M.D. (Pharmacology) qualification granted by Saurashtra University in respect of students being trained at C.U. Shah Medical College, Surendranagar be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2 (Two) students per year.

78. Gujarat University– Recognition of M.D.(Immuno Haematology & Blood Transfusion) qualification in respect of students being trained at B.J.Medical College, Ahmedabad.

Read: the Council Inspector’s report (April, 2009) on the standard of examination and other teaching facilities available at B.J.Shah Medical College, Ahmedabad for purpose of recognition of M.D.(Immuno Haematology & Blood Transfusion) qualification granted by Gujarat University was carried out on behalf of the Council during April, 2009.

The Postgraduate Committee considered the Council Inspector’s report (April, 2009) and decided to recommend that M.D.(Immuno Haematology & Blood Transfusion) qualification granted by Gujarat University in respect of students being trained at B.J.Shah Medical College, Ahmedabad be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admission to 1 (One) student per year.

79. Sanjay Gandhi Postgraduate Institute of Medical Sciences (Deemed University), Lucknow – Recognition of M.Ch. (CTVS) qualification in respect of Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow – regarding amendment in the notification of Government of India.

Read: the letter dated 17/4/2009 received from Dr. Abha Chandra, Professor (CTVS) at Sri Vanketeswara Institute of Medical Sciences, Tirupati regarding amendment in the notification of Govt. of India for recognition of M.Ch.(Cardio Vascular & Thoracic Surgery) qualification.

The Postgraduate Committee considered the letter dated 17/4/2009 received from Dr. Abha Chandra, Professor (CTVS) at Sri Vanketeswara Institute of Medical Sciences, Tirupati and perused the record in the matter of recognition of M.Ch. (Cardio Vascular & Thoracic Surgery) qualification awarded by Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow and observed that no permission of Medical Council of India was required u/s 10A of the IMC Act, 1956 in the year 1990 when the course had commenced as this section was inserted only w.e.f. 1993. It was further observed that the degree awarded by Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow in the subject of M.Ch. (Cardio Vascular & Thoracic Surgery) has already been recognised by the Council when granted on or after May, 1995. It was observed that in similar matter with regard to recognition of the qualification for the batches admitted prior to the year specified in the notification, the General Body of the Council from time to time had decided to consider the qualifications obtained prior to such years a recognized qualification.

In view of above and after due deliberations, the Postgraduate Committee decided to accept the request of Dr. Abha Chandra, Dr. Amit Das and Dr. Saunak Shah who have received their degrees of M.Ch.(Cardio Vascular & Thoracic Surgery) prior to 1995 as having recognised postgraduate degree.

Lt. Col. (Retd.) Dr.ARN Setalvad)
Secretary.

New Delhi, dated the
11th May, ,2009

APPROVED

(Dr. D.K. Sharma)
