Dr. Reena Nayyar - Joint Secretary

The Chairman welcomed the members of the Postgraduate Medical Education Committee.

Leave of absence was received from Dr. Rani Bhaskaran, Member.

1. Minutes of the last meeting of the Postgraduate Committee - confirmation of.

The Postgraduate Committee confirmed the minutes of the Postgraduate Committee meeting held on 20th & 24th March, 2014.

2. Minutes of the last meeting of the Postgraduate Committee - action taken thereon.

The Postgraduate Committee noted & approved the action taken on the minutes of the meeting of the Postgraduate Committee held on 20th & 24th March, 2014.

The Committee discussed the compliance reports (236) received from the GOI, Ministry of Health & Family Welfare, New Delhi vis-à-vis shortage of time for sending a reply and it was decided to write to the Ministry of Health & Family Welfare, New Delhi as under:

“This is with reference to your letter dated 02/04/2014, 04/04/2014 and 05/04/2014 wherein you have forwarded 238 postgraduate applications of the Medical Colleges for starting/ renewal of permission for the academic year 2014-15 to the Council for reconsideration and requested the Council to send its recommendation positively by 10/04/2014.

It is stated that the Council has received your covering letters by fax on 03/04/2014 and 04/04/2014, however the representation of the colleges were received in the Council only on 05/04/2014. During 5th to 10th April 2014 there were only two working days i.e. 7th & 9th April 2014. Accordingly, the meeting of the Postgraduate Committee of the Council was fixed for 9th April, 2014 for further action in the matter.

Today, on 09/04/2014, the letters received from the Ministry along with the statutory time schedule for the postgraduate courses were placed before the Postgraduate Committee of the Council. The Postgraduate Committee noted the cutoff dates i.e. 31st January for the Council to send its recommendation to the GOI and 28th February for the Central Government for grant of letter of permission. It was also brought to the notice of the Postgraduate Committee that in an application being IA No. 8 was moved by the Council in Civil Appeal No. 4318 of 2012 – Priya Gupta Vs. State of Chhattisgarh, before the Hon’ble Supreme Court of India, inter-alia, praying for the extension of time for the MCI to send its recommendation to the GOI by 28th February and the extension of time upto 15th April 2014 to the GOI to issue letter of permission. The Hon’ble Supreme Court of India by its order dated 28th February 2012 allowed the Council to send its recommendations to the GOI and subsequently by its order dated 14/03/2014 had granted extension to the Central Government to issue letter of permission upto 15th April, 2014.

The Postgraduate Committee of the Council also considered the Judgements of Hon’ble Supreme Court passed in the case of Mridul Dhar Vs. UOI (2005) 2 SCC 65 and Priya Gupta Vs. State of Chhattisgarh (2012) 7 SCC 433 wherein the Hon’ble Supreme Court has directed all the authorities to strictly adhere to the statutory time schedule towards establishment of the medical colleges, for starting any new or higher course in an existing medical college and further requiring strict adherence to the time schedule for admission in the medical courses including PG medical courses. The Committee also observed that in the above judgements the Hon’ble Supreme Court has also held that every person, officer or authority who disobey or fails to strictly comply with the direction of the Hon’ble Supreme Court shall be liable for appropriate action including contempt of court.

The Postgraduate Committee of the Council after considering the above as well as the letters received from the Ministry regarding reconsideration of the applications of the colleges came to the conclusion that the above mentioned judgements and the order of the Hon’ble Supreme Court does not make it permissible for the Central Government to go beyond 15/04/2014 and in this view of the matter it is impossible for the Council to carryout physical compliance verification inspection/ assessment in this short period. The last date as per the statutory time schedule having already gone by, the Post Graduate Committee of the Council after discussions and deliberations decided that it will be in the best interest of the medical education to consider only those application/ representation of the colleges wherein the compliance can be verified from the documents/ representations containing

appropriate explanations/ clarifications – forwarded by the GOI to the Council without requiring conduct of any physical verification by inspection.”

3. Starting of MD(Psychiatry) course at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 – consideration of compliance.

Read: the Council Assessor's report (07/11/2013) on the physical and other teaching facilities available at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD(Psychiatry) course u/s 10A of the IMC Act, 1956 along with compliance (06/03/2014) submitted by the college received through the Ministry of Health and Family Welfare, Government of India, New Delhi on 05/04/2014.

Read: the Council Assessor's report (22nd January 2014) on the physical and other teaching facilities available at Dr. Somervell Memorial CSI Hospital & Medical College Thiruvananthapuram under Kerala University of Health & Allied Sciences, Thrissur for Increase of seats in MS(General Surgery) course u/s 10A of the IMC Act, 1956 along with compliance (18th March 2014) submitted by the college received through the Ministry of Health and Family Welfare, Government of India, New Delhi on 05/04/2014.

The Postgraduate Committee considered the Council Assessor's report (22nd January 2014) and compliance (18th March 2014) submitted by the college received through the Ministry of Health and Family Welfare, Government of India, New Delhi on 05/04/2014 and decided to recommend to the Central Government to disapprove the scheme for Increase of seats in MS(General Surgery) course at Dr. Somervell Memorial CSI Hospital & Medical College Thiruvananthapuram under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the IMC Act, 1956.

The Chairman of P.G. Committee Dr. S.B. Siwach recused himself from Item No. 239 since, he had been working with this institute sometime back. Dr. D.J. Borah was the Chairperson for this item.

239. Increase of seats in MD(Radio-Diagnosis) course at M.M. Institute of Medical Sciences & Research, Mullana, Ambala, Haryana under Maharishi Markandeshwar University, Ambala.

Read: the letter dated 31/03/2014 received from the Central Government with regard to Increase of seats in MD(Radio-Diagnosis) course at M.M. Institute of Medical Sciences & Research, Mullana, Ambala, Haryana under Maharishi Markandeshwar University, Ambala.

The Registrar, M.M.U., Mullana, Ambala applied for increase of seats in MD(Radio-diagnosis) from 3 to 6 vide letter dt.27th November, 2010 for the academic session 2011-12. Assessment for increase in seats was done in January, 2011 and the request of the University for increase in seats was rejected. The college submitted compliance on 23.12.2011 which was considered by the competent authority and it was decided to verify the compliance by way of fresh assessment. The fresh assessment was carried out on 13th March, 2012. The report was considered by the Board of Governors and it was decided not to grant increase in seats from 3 to 6. However, this decision was not communicated to the college till 31st March, 2012, which was the last date for communication of the final decision to the college. The college communicated to the Council on 2.4.2012 that since no decision was communicated till then, it was a deemed sanction for increase in seats from 3 to 6 and they sent a bank guarantee required for issue of Letter of Permission. The Council after this sent a communication to the college

which was dt.31.3.2012 rejecting their request for increase in seats from 3 to 6. After this the college filed a writ petition in the High Court of Punjab & Haryana against the order of the Council dt.31.3.2012 and the Hon'ble High Court of Punjab & Haryana directed that the petitioner is permitted to go ahead with the process of filling up the three additional seats to MD(Radio-diagnosis) course and the admission against these seats would be subject to the final outcome of the present writ petition. The college admitted 3 more students in response to this judgement for which their request was pending with the Council. Subsequently, the writ petition was rejected on 15.1.2013 and the college filed LPA in February, 2013 against the decision of single judge. In the LPA, the Hon'ble High Court of Punjab & Haryana on 16th July, 2013 set aside the above decision of single judge and directed that the appellant has to be given a right of hearing and the order of Medical Council of India dt.31.3.2012 was quashed.

The college was given a personal hearing by MCI on 6th August, 2013 in which the college authorities presented their case before the Board of Governors. The BOGs considered the matter on 23rd October, 2013 and ordered fresh assessment of the college which was done on 28th October, 2013. By the time, this report reached the Council, the Council had been reconstituted on 5.11.2013 and this report was placed before the newly constituted Postgraduate Committee of the Council. The Postgraduate Committee in its meeting dt.20/21st January, 2014 decided as under:-

"The Postgraduate Committee considered the Judgment of the High Court and decision of the Board of Governors at the time of personal hearing ordering a fresh assessment and on perusal of the fresh assessment report (28/10/2013) decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Radio-Diagnosis) course at M.M. Institute of Medical Sciences & Research, Mullana, Ambala, Haryana under Maharishi Markandeshwar University, Ambala u/s 10A of the I.M.C. Act, 1956 w.e.f. the academic session 2012-2013 from 3(Three) to 6(Six) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956."

The Hon'ble High Court of Punjab & Haryana in its judgement dt.16.7.2013 had directed the MCI to give a personal hearing to the college authorities and reconsider the case in the light of that from the batch admitted in 2012.

Since the matter pertains to the admissions made in the session 2012-13, it was decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in MD(Radio-Diagnosis) at M.M. Instt. of Medical Sciences, Mullana, Ambala u/s 10A w.e.f. Academic session 2012-13 from 3 to 6 seats.

240. Starting of MD(Microbiology) course at U.P. Rural Institute of Medical Sciences & Research, UP under Chatrapati Shahu Ji Maharaj Kanpur University, Kanpur u/s 10A of the IMC Act, 1956.

Read: the letter dated 24/03/2014 received from the Under Secretary, Ministry of Health & Family Welfare, New Delhi with regard to Starting of MD(Microbiology) course at U.P. Rural Institute of Medical Sciences & Research, UP under Chatrapati Shahu Ji Maharaj Kanpur University, Kanpur u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the letter dated 24/03/2014 received from the Under Secretary, Ministry of Health & Family Welfare, New Delhi and noted that as per Teachers Eligibility Qualification (Year 1989)(Copy enclosed) essential qualification for Professor in the subject of Microbiology was M.D. (Bacteriology)/ M.D. (Microbiology)/ M.D. (Bacteriology with Pathology)/ M.D. Pathology & Bacteriology) because prior to year 1989, Pathology & Microbiology was a combined subject. It was only in January, 1997 when the two were separated & Microbiology became an independent subject.

The Committee further noted that the PG Committee in its meeting held on 27/01/1997 had decided that upon bifurcation of the department of Pathology into separate independent departments of Pathology and Microbiology, equal benefits be given for appointment to the post of teachers holding any of the named qualifications. (Copy enclosed)

Hence, teachers having Postgraduate qualification in the subject of Pathology prior to 1989 are eligible for the post of Professor in Pathology & Microbiology. Dr. B.M. Agarwal acquired his PG qualification in the year 1972 & is therefore, eligible for post of Professor of Microbiology as well.

Meeting ended with a vote of thanks to the Chair.

(Dr. Reena Nayyar)
Joint Secretary

New Delhi, dated the
9th April, 2014

APPROVED

(Dr. Siri Bhagwan Siwach)
Chairman
