1. Minutes of the last meeting of The Postgraduate Medical Education Committee – confirmation of.

The Postgraduate Medical Education Committee confirmed the minutes of The Postgraduate Medical Education Committee meeting held on 26th August, 2014.

The Committee has observed that there has been confusion in interpreting benefit of Defence Services experience to be given for appointment/promotion to teaching posts and eligibility of those holding DNB and P.G. Diploma Qualifications for appointment as Senior Resident/Assistant Professor. The P.G. Medical Education Committee, M.C.I., has decided to issue following classifications:-

1. Benefit of Defence Services Experience:

Defence Services Doctors who worked in following Hospitals upto 28.05.2003 as Graded Specialists, Classified Specialists or Advisor/Consultant would get teaching experience and their eligibility for appointment to various teaching posts would be as follows:-

Those who have worked as Graded Specialist for 3 years shall be eligible to be appointed as Assistant Professor.

Those who have worked as Classified Specialist for 2 years shall be eligible for appointment as Associate Professor.

Those who have worked as Advisor/Consultant for 5 years shall be eligible for appointment as Professor.

1. Armed Forces Medical College, Pune.
2. Command Hospital, Pune.
3. Cantonment General Hospital, Pune.
4. Military Hospital, (Arundh) Pune.
5. Military Hospital, Kirkee
6. Army Hospital, Delhi Cantt.
7. Base Hospital, Delhi Cantt.
8. Military Hospital, Lucknow.
9. Military Hospital, Jullundur.
10. Military Hospital, Bareilly.
11. Military Hospital, Secunderabad .
12. Military Hospital, Pathankot.
13. Military Hospital, Agra.
14. Military Hospital, Jabalpur.
15. Military Hospital, (Namkum), Ranchi.
16. Air Force Hospital, Bangalore.
17. Military Hospital, Calcutta.
18. I.N.H.S. Ashwini, Bombay (Mumbai).
19. Base Hospital, Udampur.
20. Air Force (No.5) Hospital, Jorat.
21. Air Force (No.7) Hospital, Kanpur.
22. Military Hospital, Rurkee.
23. Military Hospital, Meerut.
24. Military Hospital, Srinagar (92 Base Hospital).

Hence, all those Faculty members who desire to take benefit of Defence Services should provide their above information (alongwith copy of orders from Competent Authority) in the following format, without which no benefit shall be granted:-

Name of the Officer	Details of Experience with date/month/year and place.											
	Graded Specialist Subject-----				Classified Specialist Subject-----				Advisor/Consultant Subject-----			
	Place of Posting	From	To	Total	Place of Posting	From	To	Total	Place of Posting	From	To	Total

After 28.05.2003, the teaching experience gained in only the following four Teaching Hospitals of Defence Services shall be counted and that shall be at par with any other recognized Medical Colleges/Teaching Institutions:-

1. Armed Forces Medical College, Pune.
2. Army Hospital (R &R), New Delhi.
3. Indian Naval Hospital Ship Asvini, Mumbai
4. Command Hospital (Air Force, Bangalore)

DNB:

Those who pass DNB from a Non-teaching Hospital (other than Medical Colleges/Teaching Institutions recognized by MCI as Teaching Institutions) would be required to have further three years experience as Junior Resident in a Teaching Hospital, before they could be considered eligible for appointment to the post of Senior Resident. They would also be required to work for another one year as Senior Resident (after DNB) in a Teaching Hospital before they could be considered as eligible for appointment to the post of Assistant Professor.

Those who pass DNB from a Teaching Hospital (Medical College/Teaching Institution) would be eligible for appointment to the post of Senior Resident. However, they would be required to work for another one year (after DNB) as Senior Resident/Equivalent post in a Teaching Hospital before they could be considered eligible for appointment to the post of Assistant Professor.

Post Graduate Diploma:

Those who pass postgraduate Diploma (2 years' course) from a recognized Medical Teaching Institution would be required to have further one year experience before they could be considered eligible for appointment to the post of Senior Resident in that Specialty.

These clarifications are to be incorporated in all the letters to be sent to Assessors for strict compliance.

2. Minutes of the last meeting of The Postgraduate Medical Education Committee – action taken thereon.

The Postgraduate Medical Education Committee noted & approved the action taken on the minutes of the meeting of The Postgraduate Medical Education Committee held on 12th August, 2014.

3. Bharati Vidyapeeth Deemed University, Pune - Recognition of MS(OBG) qualification in respect of students being trained at Bharati Vidyapeeth Medical College & Hospital, Sangli - Maharashtra.

Read: the Assessment Report (18.06.2014) on the standard of examination and other teaching facilities for Recognition of MS(OBG) qualification at Bharati Vidyapeeth Medical College & Hospital, Sangli granted by Bharati Vidyapeeth Deemed University, Pune.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18.06.2014) and decided to recommend not to recognize MS(OBG) qualification granted by Bharati Vidyapeeth Deemed University, Pune in respect of students being trained at Bharati Vidyapeeth Medical College & Hospital, Sangli for 2(Two) seats because of the following facts:-

1. The college authorities failed to show Unitwise bed allocation of each Unit.
2. Total major operations are 1,102 & minor surgeries are 976 in 2013 averaging 3 major & 3 minor per day. However checking the list of O.T.s,

this seems to be false. In the operative list, since last 7 days, there is no major surgery being done & 3 minor operations being done in a week.

3. Daily average of OPD is 147 & of IPD is 10; daily average bed occupancy is 70 – 75 %; this again seems to be false. When the hospital round was taken & registers checked, majority of patients were either post-partum or preoperatively admitted for investigations only.
4. The Department has 2 Professors, 2 Associate Professors & 3 Assistant Professors; resultantly there is deficiency of Faculty: (a) Asst. Prof.: 2.
5. Designation of Resident/ Sr. Resident and Faculty not clearly mentions. For each Faculty it is mentioned as Registrar/ Lecturer/ Asst. Professor.
6. Other deficiencies as pointed out in the Assessment Report.

MARCH 2014 ASSESSMENT:

1. Bed occupancy seems forged. 80% of the patients were admitted in last 3 days and for trivial reasons like backache, Cervical Spondylitis, Physiotherapy, etc.
2. Exam going PG student did not know the names of basic plaster cutting instruments, splints, Betadine, Savlon, etc.
3. The Dean refused to sign on all the pages, which were relevant to the Surgical output & the Superintendent did not endorse the photocopy of the files/ papers.
4. Other deficiencies as pointed out in the Assessment Report.

MAY 2014 ASSESSMENT:

1. Bed occupancy was 50 – 60% on 16/05/2014.
2. Though the medical college is in the vicinity of highway, trauma affected indoor admissions were only 30-40% of total admissions. Polytrauma patients with multiple system affection were only 4-5 patients of all.
3. Outdoor patient Department work was managed by Senior Registrars & not Consultants.
4. On the day of assessment, major operative work was only two.
5. Operative workload shown in statistics is not correlating with the fewer number of trauma patients in the ward.
6. Special clinics for cold Orthopaedics like Arthroscopy clinic, Paediatric orthopaedic clinic, backache clinics, etc. were not observed.
7. At the time of physical verification of staff members, all documents were found to be proper. However, on personal communication with the Faculty, it was observed that junior members like Assistant Professor were not aware about who is their senior in the Unit. Such lack of coherence among staff was observed.
8. Other deficiencies as pointed out in the Assessment Report.

130. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MS(OBG) in respect of increased intake from 03 to 04 seats in respect of students being trained at Mahadevappa Rampure Medical College, Gulbarga - Karnataka.

Read: the Assessment Report (June, 2014) on the standard of examination and other teaching facilities for Recognition of MS(OBG) in respect of increased intake from 03 to 04 seats at Mahadevappa Rampure Medical College, Gulbarga granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2014) and decided to recommend not to recognize MS(OBG) in respect of increased intake from 03 to 04 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Mahadevappa Rampure Medical College, Gulbarga because of the following facts:-

1. Bed distribution regarding Obstetrics & Gynaecology is not according to the guidelines. There are 20 beds for Obstetrics & 10 for Gynaecology in each of 4 Units against requirement of 60 % for Obstetrics & 40 % for Gynaecology.
2. Data projection is exorbitantly overstated. On random checking, gross irregularities were detected as detailed in the report.
3. Actual operative load is much less than projected. Total daily operative load is inadequate. No major or minor surgeries were performed on day of assessment. Post-operative patients on the day of assessment were 7-23 days old with no complaints / justifiable reason for discharge. Total operations performed during the period 01/06/2014 to 17/06/2014 were 10.
4. There are very few ante-natal cases. There was no antenatal case except for 13 cases kept for examination.
5. Workload in service departments like Radiology, Biochemistry, Pathology is inadequate. Cytology, Histopathology, Blood Units issued data projected by this Institute is not only of this Institute but also includes that of private parties (i.e. Cytology & Histopathology specimens received from outside Registered Medical Practitioners & blood units issued to Private Registered Medical Practitioners).
6. Attendance in special clinics like infertility clinic is less. Record of speciality clinics like endocrine clinic is not available.
7. Total number of deliveries in first half of 2014 (till 16/06/2014) is not even 1/4th of 2013.
8. No standard procedure for management of eclampsia is available.
9. The following Faculty cannot be considered due to reasons mentioned hereunder:

#	Name	Designation	Reason for Not Considering
1	Dr. Annapurna	Asso. Prof.	Present only during head count; Absent at the time of marking attendance & thereafter without any valid reason or justification
2	Dr. Mahananda	Asso. Prof.	Signature was not matching. ^

^ To be referred to Ethics Committee for further action.

10. The following Senior Residents cannot be considered due to reason mentioned hereunder:

#	Name	Reason for Not Considering
1	Dr. Indira Shakthi	Present only during head count; Absent at the time of marking attendance & thereafter without any valid reason or justification
2	Dr. Suvarna	■ Do --
3	Dr. S. Razaq	■ Do --

11. None of the Senior Residents reside in the campus. There is no duty room for Senior Residents on duty.
12. Bed occupancy on day of assessment is 69 %.
13. PG log book is not maintained properly & not at all supervised.
14. Wards are very congested. At places distance between 2 beds is not even 0.5 m. Some rooms are considered as wards but consist of only 2 or 4 beds. There is no pantry, no utility rooms, no treatment / examination rooms or store rooms with these wards.
15. Labour room is ill equipped. Proper drugs & equipment are not available.
16. Eclampsia room is only labeled as such; there is no provision for handling such a patient – neither proper drugs nor intubation facility. Central suction is not working. There is no back up provision for portable suction.
17. Fungus was seen in the bottles of online Oxygen regulators. Many bottles of online Oxygen regulators did not contain water.
18. Colour coding of central oxygen & central suction is not proper.
19. There are only 2 Faculty in Unit B – other 2 are ANMO & MCWO who are not to be considered as Faculty; hence it cannot be considered as PG Unit.
20. Other deficiencies as pointed out in the Assessment Report.

The Committee further recommended to the Central Govt. that the PG admission be stopped henceforth.
