"In my view, as the show cause notice as on date has not been withdrawn, therefore the PG Committee may consider not to process the application for 2015-16 for PG courses. However, this would entail issuing a show cause to the college as to why on the basis of inspection report dt. 29-30 May,2014 of MCI and CBI the application for various PG courses be not processed."

The Postgraduate Committee noted that the college was issued Letter of Permission in 5(five) subjects (MS (Ortho.), MD (Physiology), MS (General Surgery), MS (OBG) and MD (Gen.Med.) in February and April, 2014 because no information about the joint CBI/MCI inspection of the college and subsequent issuance of show cause notice by the Board of Governors and withholding of permission for recognition of 150 seats was placed on the agenda before the Postgraduate Committee.
