Read: the assessment report (August, 2013) on the standard of examination and other teaching facilities for Recognition of M.Ch.(Paediatrics Surgery) qualification

against increased intake from 02(Two) to 10(Ten) seats at SMS Medical College, Jaipur granted by Rajasthan University of Health Sciences, Jaipur.

The Postgraduate Committee considered the Council assessor's report (August, 2013) and noted the following:

1. Categorization of major & minor is inappropriate and the number of major surgeries is exalted by adding most of minor / day care surgeries into major category.
2. Log books of students were not up-to-date and hence a detailed assessment could not be done.
3. Examinations: Cases were repeated - for 8 students only 4 major cases were kept and there was no choice whatsoever left for external examiner to select. All the students were examined on 3 days in parts and on each day they were informed of their performance. Internal examiners were not evaluating the students and only promoting them with answers.
4. Other deficiencies pointed out in the assessment report.

In view of the unsatisfactory conduct of examination, the committee decided that reassessment be carried out at the time of examination.

**Note:** Copy be forwarded to the Vice-Chancellor, Rajasthan University of Health Sciences, for conduct of an enquiry for taking action against the erring internal examiners under unfair means rules of university ordinance with intimation to this Council.
