The Postgraduate Committee considered the Council assessor's report (17.05.2014) and decided not to recommend recognition of MS(General Surgery) qualification granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Shadan Institute of Medical Sciences, Research Centre and Teaching Hospital, Peerancheru, Hyderabad because of the following:-

1. OPD on the day of assessment (i.e. 17/05/2014) did not have any patients at the time of inspection. OPD register was available from 19/04/2014 which showed entry of 30-35 patients / day when randomly checked. Registers prior to this date were not made available. Institute in its SAF has claimed daily OPD of 300-310 which is found to be unrealistic with assessment of register in OPD. Average daily OPD is 30-40.
2. Demonstration room of Surgery OPD has capacity of 12 which is inadequate.
3. There are not enough instruments for examination in OPD.
4. Minor OT entries in register could not be matched with indent from Minor O.T. in terms of instrument trays, surgical gloves, dressing trays, etc.
5. Bed occupancy on day of assessment was 33 %.
6. No cases were posted on day of assessment. Only 1 case of LSCS was posted. Entries in OT registers could not be correlated with concerned cases from MRD.
7. Operative workload is inadequate (Daily average of major operations is 2-3). SAF submitted shows workload of major cases as 10-12 & minor cases as 25-30 which could not be ascertained in assessment.
8. CSSD does not function as the CSSD room was totally empty and all the issuing registers are with dated and no entries at all.
9. Faculty members, especially Asst. Prof., Senior Residents & Junior residents were not there at the time of inspection of OPD, Department & O.T. But were there for head count.
10. Form 16 of some faculty was not in order as it did not have PAN. Payment details were not provided by the institute.
11. Radiological & laboratory workload is far less than claimed.

12. Library did not have enough print journals.
13. Unit 5 & 6 have only 2 faculty each; hence they cannot be considered as PG Units.
14. Deficiency of faculty is: (a) Asso. Prof.: 1 & (b) Asst. Prof.: 1.
15. Shortage of Residents is: (a) Senior Resident: 1; (b) Junior Resident: 1.
16. Other deficiencies pointed out in the assessment report.

The Postgraduate Committee considered the Council assessor's report (12.04.2014) and decided not to recommend recognition of MD/MS(OBG) qualification & recognition against increased intake from 02 to 06 seats granted by MGM Institute of Health Sciences, Navi Mumbai in respect of students being trained at MGM Mission's Medical College, Navi Mumbai because of the following:-

1. Gynaecological cases in OPD & Gynaecological surgeries are very less & need to be increased.
2. Augmentation of speciality clinics is needed.
3. In examination, there was less variety in Gynaecological cases.
4. One of the external examiners was from different University but from the State of Maharashtra.
5. In Kalamboli Hospital which caters to Obst./Gynae. cases as well there is no CT, no MRI and no other special investigation.
6. Other deficiencies pointed out in the assessment report.

130. Maharashtra University of Health Sciences, Nashik - Recognition of MD(Radio Diagnosis/Radiology) qualification against increased intake from 04 to 07 seats in respect of students being trained at Armed Forces Medical College, Pune.

The Postgraduate Committee considered the Council assessor's report (27.05.2014) and decided not to recommend recognition of MD(Radio Diagnosis/Radiology) qualification against increased intake from 04 to 07 seats granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Armed Forces Medical College, Pune because of the following:-

1. The promotion of Brig. V. Sharma, Professor & HOD is not as per Regulations as he has been promoted as Professor with experience of only 2 y 1 m as Asso. Prof.
2. Only 4 mobile X-ray machines are available against requirement of 6 as per Regulations.
3. AERB approval is under process.
4. No Indian journals of Radiology in the library.
5. Other deficiencies pointed out in the assessment report.

131. West Bengal University of Health Sciences, Kolkata - Recognition of MS(Orthopaedics) qualification in respect of students being trained at Vivekananda Institute of Medical Sciences, Kolkata.

Read: the assessment report (26.04.2014) on the standard of examination and other teaching facilities for Recognition of MS(Orthopaedics) qualification at Vivekananda Institute of Medical Sciences, Kolkata granted by West Bengal University of Health Sciences, Kolkata.

The Postgraduate Committee considered the Council assessor's report (26.04.2014) and decided not to recommend recognition of MS(Orthopaedics) qualification granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at Vivekananda Institute of Medical Sciences, Kolkata because of the following:-

1. Dr. Tapas Chakravarty, Professor & Dr. P.K. Pujari, Asso. Prof. In the Unit running M.S. (Orthopaedics) course have all their experience at this institute which never had M.B;B.S. Course and M.S. Course was permitted from 2011-2012 only. There is no evidence to prove that this was a teaching institute before that.
2. There are two Units in Orthopaedics with 30 beds each. One Unit is running M.S.(Orthopaedics) course while the second Unit is running DNB course.
3. There are no publications from the department in indexed journals in last 3 years.
4. Average Histopathological load from the department is only 1-2/month which is inadequate.
5. Other deficiencies pointed out in the assessment report.

The institute is running DNB courses which should be discontinued.

132. HIHT University, Dehradun - Recognition of MD(Paediatrics) qualification against increased intake from 02 to 03 seats in respect of students being trained at Himalayan Institute of Medical Sciences, Dehradun.

The Postgraduate Committee considered the Council assessor's report (05.05.2014) and decided not to recommend recognition of MD(Paediatrics) qualification against increased intake from 02 to 03 seats granted by HIHT University, Dehradun in respect of students being trained at Himalayan Institute of Medical Sciences, Dehradun because of the following:-

1. The Emergency department is mainly geared for older patients and Paediatric services and needs improvement in Casualty. Paediatric doctors are on call and not present in casualty all the time.
2. PICU also needs improvement in the number of beds available (there are only 2 beds) and protocol followed.
3. Waste management system in the department also needs to improve.
4. On day of assessment, the ward was filled up with cold cases which were OK for examination purpose but did not require admission - E.g. Cases of Cerebral Palsy, Developmental Delay, Congenital Cardiac Disorders, etc. Only about 10-12 cases were present who genuinely required admission.
5. In the faculty statement, Unit 2 has 3 faculty, but one of the Asst. Prof., viz., Dr. Anurag Rawat has been shown against Senior Resident in which case there would be only 2 faculty; resultantly it cannot be considered as PG Unit.
6. Shortage of Senior Residents: 2.

Read: the matter with regard to carrying out pre-pg Assessment.

The Postgraduate Committee considered the matter with regard to carrying out pre-PG Assessment and noted that as per regulations "*The Opening of a New or Higher Court of Study or Training (Including Post Graduate Course of Study or Training) and Increase of Admission Capacity in any course of Study or Training(Including a Post Graduate Course of Study of Study or Training), Regulations, 2000*" and its amendment vide Gazette Notification dated 29.12.2009; decided and decided to carry out pre-PG assessment for all the institutions irrespective of the fact that they have already been permitted to start postgraduate courses in pre & para clinical subjects or not.

The committee further decided that with regard to application of colleges/institutions which have been recommended for recognition of their MBBS degree by the General Body of the Council, but the Gazette Notification by Govt. of India is still awaited decided to seek legal opinion from the Additional Solicitor General whether or not to consider such applications for academic year 2015-16.

173. S.B .Civil writ petition no 8117/2011 in the matter of Dr. Yogendra Singh Gurjar & Anr. Vs. State of Rajasthan & Ors.-Reg.

Read: the S.B .Civil writ petition no 8117/2011 in the matter of Dr. Yogendra Singh Gurjar & Anr. Vs. State of Rajasthan & Ors.

The Postgraduate Committee discussed the legal opinion of Sr. Counsel Mr. Paramjeet Singh Patwalia and decided to agree with the opinion which is reproduced below:-

“A reading of the judgment of the Ld.Single Judge where reference is made to para 8.4 of the order of the Government of India dated 14.05.2003 would show that in fact it is implicit in the judgment that the students who have been admitted should be discharged from the course. However, at the same time the Division Bench order dated 12.5.2014 issues a direction to permit the appellant students concerned to appear in the examination of the Post Graduate course and to keep their result in a sealed cover. In this circumstances, for the present in my opinion this order permits the students to continue with the course for the reason that the final examination is the ultimate culmination of the academic course. Therefore, I am of the opinion that the Medical Council of India should defer taking a final decision on this issue in view of the order of the Division Bench and till such time as the DB Special Appeal is finally decided.

- ii) So far as the second query is concerned, the Ld. Single Judge has also directed the Medical Council of India to take up the matter against Respondent No.9 to 11 for violating the order of the Government of India, Notification of the Medical Council of India and the judgement of the Hon. Apex Court. The Ld. Single Judge holds the admissions made on the basis of the advertisement dated 27.5.2011 to be bad in law. In my opinion one possible action could be on the same lines as the Hon'ble Supreme Court has done in somewhat similar facts in the case of State of M.P. & Anr. Vs. Suresh Narayan Vijayvargiya & Ors – Contempt Petition (Civil) No.390 of 2011 in Civil Appeal No.4060 of 2009 dt. 27.2.2014. In that judgement the Hon'ble Supreme Court followed the view taken in the earlier decision of Mridul Dhar Vs. Union of India, particularly Direction 11 of the latter judgement which reads as under:

“The illegality committed must be set right at the earliest. This Court in Mridul Dhar (Minor) & Anr. V. Union of India & Ors. (2005)2 SCC 65, held (Direction No.11) as follows:

11. If any private medical college in a given academic year for any reason grants admission in its management quota in excess of its prescribed quota, the management quota for the next academic year shall stand reduced so as to set off the effect of excess admission in the management quota in the previous academic year.”

Since the admissions for the Academic Session 2014-15 have already been made, the college can be directed to surrender equal number of seats against which it had made admissions which have now been held to be illegal by the Lt. Single Judge, in the Academic Session 2015-16.”

The PG Committee further decided – since it is a Court matter, the minutes of Item No.173 be confirmed today itself, so that the decision may be communicated to the concerned authorities in the stipulated time period as per Court order.

Meeting ended with a vote of thanks to the Chair.
