| (v) | Sr. Resident: | Nil |
| (vi) | Jr. Resident: | Nil |

Hence, there is deficiency of on complete Unit.

The Department is admitting 5 PG students (3 MS and 2 D.Ortho.) although there are only two faculty member eligible to be considered as P.G. teacher. However, they are directed to stop further admissions.

3. Only 26 Books purchased in Central library since the last 3 years. Out of these 22 cannot be orthopaedic books as has been stated (Departmental library – 22 books)
4. Casualty Beds – stated 200 in SAF, which is not feasible and practical.
5. As per page 7 of SAF, there is no CT Scan, No MRI. Total ultrasound done per day in entire hospital is only 26, which is very less. Availability of these investigations is essential.
6. Total Beds stated in SAF (ICCU- 40; ICU- 86) neither feasible nor practical.

1. There is no Senior Residents in Unit-II, VI & VII. 5 Senior Residents Dr. Meghna Nemani passed M.D. in April, 2014. She has been shown as Senior Resident from 16/11/2010 till date at once place. In pursuance to the order dated 03/07/2014 passed by the Hon'ble Supreme Court of India, the Postgraduate Committee considered the Council Assessor's report (11/08/2014) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(OBG) course at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2015-16 because of the following reasons:-

1. At 11 AM attendance, only six faculty members were present after personally visiting and meeting them all at all their places of work and taking their signatures. (Professors-2, Associate Professor-2 and Assistant Professors-2). If this faculty position is taken into consideration, requirement of four PG Units composition is incomplete with only two units being complete. However, at the time of declaration form verification at 2 PM, the department strength was (Professor-5, Assoc. Professor-4 and Asst. Professor-6).
2. Name of Dr. B. Swarajya Lakshmi (66 Years old), said to be full time Professor does not appear in any of the OBG operation theatre registers for several preceding months. 4. Dr. Thalluri Percy Evangele, said to be Senior Resident has not been accepted being 61 years of age.
5. Dr. Vemula Sravanthi, said to be Senior Resident has not been accepted as both the proofs of residences attached show her address at Bodhan (Distt. Nizamabad) which is 500 km away and salary of only Rs. 20,000 pm.
6. There is net deficiency of one Senior Resident in the deptt.
7. On the day of assessment, bed occupancy of genuine patients requiring admission (after physically examining them) was 50-55% only. Rest patients were admitted for minor ailments like vaginal discharge, mild anaemia, paid abdomen and backache. Many routine caesarean section patients were still not being discharged even after 9 or 10 days of surgery, though they all were found fit for discharge.

8. Except Dr. Y. Himabindu, none of the faculty members including HoD has any publications.
9. Experience certificate from concerned HoD and Dean for the period of JR ship and Proof of salary paid during the entire period of JR ship (Bank transfer/ Form-16) for the following Senior Residents is not provided:
 - a. Dr. Thalluri Percy Evangelene, Sr. Resident, Unit-I

1. On the day of assessment:
 - i. Only 4 patients in Casualty.
 - ii. No surgeries done in emergency.
 - iii. Only one major case and three minor cases were listed for elective OT.
 - iv. Around 30 patients were in OPD till noon.
 - v. 11 plain X-rays of out patients taken till noon.
