1. Minutes of the last meeting of The Postgraduate Medical Education Committee – confirmation of.

The Postgraduate Medical Education Committee confirmed the minutes of the Postgraduate Medical Education Committee meeting held on 23rd December, 2014. It was pointed out that in the adjourned Item No. 14 SCB Medical College, Cuttack, the College Authorities had pointed out that Associate Professors with 7 years experience were entitled to 2 Postgraduate seats, which was found correct. Hence, the Committee decided to give them 20 to 24 seats.

It was pointed out that in the Item No. 118, compliance submitted by College Authorities of Sri Ramachandra Medical College & Research Institute, Chennai was satisfactory and inadvertently, deficiency of Senior Residents earlier pointed out, which had been rectified now was over looked. The Committee decided to give them increase of seats from 12 to 16 seats.

The Minutes of Postgraduate Medical Education Committee held on 23/12/2014 Item Nos. 14 and 118 be read corrected as under:

14. Increase of seats in MD (Paediatrics) course at SCB Medical College, Cuttack under Utkal University, Bhubaneswar u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (28/08/2014) and compliance dated 14/11/2014 submitted by the College Authorities on the physical and other teaching facilities available at SCB Medical College, Cuttack under Utkal University, Bhubaneswar for Increase of seats in MD (Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (28/08/2014) and compliance dated 14/11/2014 submitted by the College Authorities and decided to recommend to Central Govt. to issue Letter of Permission for Increase of seats in MD (Paediatrics) course at SCB Medical College, Cuttack under Utkal University, Bhubaneswar u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2015-2016 from 20 (Twenty) to 24 (Twenty Four) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

118. Increase of seats in MS (OBG) course at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (02nd September 2014) and compliance dated 17th November 2014 submitted by the College Authorities on the physical and other teaching facilities available at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (02nd September 2014) and compliance dated 17th November 2014 submitted by the College Authorities and decided to recommend to Central Govt. to issue Letter of Permission for Increase of seats in MS (OBG) course at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2015-2016 from 12(Twelve) to 16(Sixteen) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

2. Minutes of the last meeting of the Postgraduate Medical Education Committee – action taken thereon.

The Postgraduate Medical Education Committee noted & approved the action taken on the minutes of the previous meeting of the Postgraduate Medical Education Committee.

The Postgraduate Medical Education Committee decided to consider the adjourned Item Nos. 85 to 109 of the Postgraduate Medical Education Committee

meeting held on 23rd December, 2014 in its meeting scheduled to be held on 20/01/2015.

3. Increase of seats in MS (General Surgery) course at Rohilkhand Medical College & Hospital, Bareilly under MJP Rohilkhand University, Bareilly u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (29th October 2014) and compliance dated 04th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at Rohilkhand Medical College & Hospital, Bareilly under MJP Rohilkhand University, Bareilly for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (29th October 2014) and compliance dated 04th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (General Surgery) course at Rohilkhand Medical College & Hospital, Bareilly under MJP Rohilkhand University, Bareilly u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. As per Postgraduate Medical Education Regulations, 2000; sub-clause 13.3; Amendment dated 20/10/2008, Postgraduate Degree/ Diploma/ Super-Speciality course students will be paid stipend at par with the stipend being paid to the Postgraduate students of State Government Medical Institutions/ Central Government Medical Institutions in the State/ Union Territory, where the Institution is located. However, the Institution has not submitted any proof of payment of stipend at Government rates (Bank Transfer/ Form-16).

U.P. Government is paying Stipend to the P.G. Students at the rate of Rs. 56,010 at S.N. Medical College, Agra; Rs. 52,800 per month at BRD Medical College, Gorakhpur. However, the College Authorities are paying stipend at the rate of 16000; 17000 & 18000 per month, which is not as per Government rates.

2. Academic parameters like Journal Club (only 13), Group discussions (only 13) are inadequate.

As per the compliance reports of General Surgery, OBG, Psychiatry and Microbiology, more emphasis has been on Theory teaching and less on Clinical, Seminars etc. However, as per compliance reports of Orthopaedics, Anaesthesia and Radio-Diagnosis, Theory is prepared by PG Students in library and more emphasis has been on clinical, Seminars etc. The stand taken by the College Authorities is contradictory, which cannot be accepted.

3. Average Blood used only 2 Units per day.

The College must be having some Emergency Trauma cases, which will always require Blood Transfusion irrespective of the efficiency of the Surgeon. If the amount of blood used is so low, that means emergency and trauma cases are not being treated.

4. Bed Occupancy in Surgical ICU was only 60%.
5. Other deficiencies as pointed out in the Assessment Report.

4. Increase of seats in MS (Orthopaedics) course at Rohilkhand Medical College & Hospital, Bareilly under MJP Rohilkhand University, Bareilly u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (27th October 2014) and compliance dated 11th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at Rohilkhand Medical College & Hospital, Bareilly under MJP Rohilkhand University, Bareilly for Increase of seats in MS (Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (27th October 2014) and compliance dated 11th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (Orthopaedics) course at Rohilkhand Medical College & Hospital, Bareilly under MJP Rohilkhand University, Bareilly u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. As per Postgraduate Medical Education Regulations, 2000; sub-clause 13.3; Amendment dated 20/10/2008, Postgraduate Degree/ Diploma/ Super-Speciality course students will be paid stipend at par with the stipend being paid to the Postgraduate students of State Government Medical Institutions/ Central Government Medical Institutions in the State/ Union Territory, where the Institution is located. U.P. Government is paying Stipend to the P.G. Students at the rate of Rs. 56,010 at S.N. Medical College, Agra; Rs. 52,800 per month at BRD Medical College, Gorakhpur. However, the College Authorities are paying stipend at the rate of 16000; 17000 & 18000 per month, which is not as per Government rates.

2. Shortage of Senior Residents: 2. Requirement of Senior Resident at 3rd Renewal for 150 MBBS seats is 5.
3. Dr. A.A. Iraqi, Professor & HoD is more than 69 years old and due to complete 70 years in June 2015; hence, he cannot be considered as a PG teacher for 2015 batch.

HoD cannot be considered as excess.

4. Academic parameters like PG Theory classes (23 in number), Clinical seminars (21 in number), Journal Club (only 7) are inadequate.

As per the compliance reports of General Surgery, OBG, Psychiatry and Microbiology, more emphasis has been on Theory teaching and less on Clinical, Seminars etc. However, as per compliance reports of Orthopaedics, Anaesthesia and Radio-Diagnosis, Theory is prepared by PG Students in library and more emphasis has been on clinical, Seminars etc. The stand taken by the College Authorities is contradictory, which cannot be accepted.

5. Total Blood used was only 2 units per day.

The College must be having some Emergency Trauma cases, which will always require Blood Transfusion irrespective of the efficiency of the Surgeon. If the amount of blood used is so low, that means emergency and trauma cases are not being treated.

6. Other deficiencies as pointed out in the Assessment Report.

5. Increase of seats in MS (OBG) course at Rohilkhand Medical College & Hospital, Bareilly under MJP Rohilkhand University, Bareilly u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (28th October 2014) and compliance dated 11th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at Rohilkhand Medical College & Hospital, Bareilly under MJP Rohilkhand University, Bareilly for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

However, the College Authorities are paying stipend at the rate of 16000; 17000 & 18000 per month, which is not as per Government rates.

2. Number of Caesarean sections has remained stagnant over the preceding 2 years.
3. Academic parameters like Journal club (only 14) are inadequate.

As per the compliance reports of General Surgery, OBG, Psychiatry and Microbiology, more emphasis has been on Theory teaching and less on Clinical, Seminars etc. However, as per compliance reports of Orthopaedics, Anaesthesia and Radio-Diagnosis, Theory is prepared by PG Students in library and more emphasis has been on clinical, Seminars etc. The stand taken by the College Authorities is contradictory, which cannot be accepted.

4. Other deficiencies as pointed out in the Assessment Report.

6. Increase of seats in MD (Anaesthesiology) course at Rohilkhand Medical College & Hospital, Bareilly under MJP Rohilkhand University, Bareilly u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (27th October 2014) and compliance dated 11th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at Rohilkhand Medical College & Hospital, Bareilly under MJP Rohilkhand University, Bareilly for Increase of seats in MD (Anaesthesiology) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (27th October 2014) and compliance dated 11th December 2014

submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Anaesthesiology) course at Rohilkhand Medical College & Hospital, Bareilly under MJP Rohilkhand University, Bareilly u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

Read: the Council Assessor's Report (10th October 2014) and compliance dated 09th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at Geetanjali Medical College & Hospital, Udaipur under Geetanjali University, Udaipur, Rajasthan for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10th October 2014) and compliance dated 09th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (OBG) course at Geetanjali Medical College & Hospital, Udaipur under Geetanjali University, Udaipur, Rajasthan u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. Data of clinical material on the day of Assessment have not been provided in the Summary of SAF.
2. Average number of Caesarean delivery was less than 1, which is inadequate.
3. There are only 2 publications from the Department in Indexed Journals in the preceding 3 years.
4. No death is shown to have occurred amongst O.B.G. patients in the whole of last year, which is not feasible at the Tertiary Care Hospital. There is thus data mismatch. It is also indicative of poor quality of Teaching material.
5. Shortage of Senior Residents: 3.
6. Gynaecology workload is relatively less.
7. The following Faculty have appeared in Assessments of other Colleges, after 01/03/2014:

#	Name	Designation	Appeared at	Date
1	Dr. A. Suman	Professor	Venkateswara Institute of Medical Sciences	23/05/2014
2	Dr. R. Saxena	Asst. Professor	Jodhpur Medical College	May, 2014

8. Number of Clinical Seminars, Group Discussions & Journal Clubs held during the year is very low viz. 8, 7 & 7 respectively.
9. Many of the Senior Residents are not eligible for appointment to the post of Senior Resident.
10. Daily Blood used was only 1 Unit, which means inadequate clinical material.

There must be some Serious patients with APH, etc., which will require blood irrespective of efficiency of Surgeon.

11. Other deficiencies as pointed out in the Assessment Report.

Read: the Council Assessor's Report (28th October 2014) and compliance dated 10th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at Maharashtra Institute of Medical Sciences and Research, Latur, Maharashtra under Maharashtra University of Health Sciences, Nashik for Increase of seats in MS (Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (28th October 2014) and compliance dated 10th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (Orthopaedics) course at Maharashtra Institute of Medical Sciences and Research, Latur, Maharashtra under Maharashtra

University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. As per Postgraduate Medical Education Regulations, 2000; sub-clause 13.3; Amendment dated 20/10/2008, Postgraduate Degree/ Diploma/ Super-Speciality course students will be paid stipend at par with the stipend being paid to the Postgraduate students of State Government Medical Institutions/ Central Government Medical Institutions in the State/ Union Territory, where the Institution is located. However, the Institution has not submitted any proof of payment of stipend at Government rates (Bank Transfer/ Form-16).

The Government of Maharashtra is paying the Stipend to Postgraduate students at the rate of 42,225; 42,675 and 43,125. However, the College Authorities are paying Stipend at the rate of Rs. 8,000 Rs. 10,000 & Rs. 10,000 p.m. to I/ II/ III year Residents, which cannot be accepted. The College Authorities in the compliance has said that they are paying as per norms of Government of Maharashtra and not at the rates paid by the Government of Maharashtra, which cannot be accepted.

2. OPD attendance on the day of Assessment was 106, which is just adequate for present intake.
3. Total number of IPD patients is shown as 2,910 in 2013 while total number of major operations is shown as 2,355 and minor operations as 2,568 – i.e. total 4,923, which is not feasible. Further this leaves no scope for patients admitted for non-operative cases. There is thus data mismatch.
4. Shortage of Senior Resident: 1.
5. Other deficiencies as pointed out in the Assessment Report.

32. Starting of MS (General Surgery) course at Kannur Medical College, Kannur, Kerala under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (16th September 2014) and compliance dated 08th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (General Surgery) course at Kannur Medical College, Kannur, Kerala under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. No information is provided regarding stipend being paid to Residents by the Govt. of Kerala or proposed to be paid by the Teaching Institute.

The Stipend being paid by Kerala Government to PG Students is Rs. 32000 to Ist year, Rs. 33,000 to IIInd year & Rs. 34,000 to IIIrd year, whereas the College Authorities have stated that they will be paying Stipend at the rate of Rs. 30,000, Rs. 31,000 and Rs. 33,000 to I/II/III year students respectively, which is not as per Government rates.

2. 11 teachers are not sufficient for 4 Units.

As per revised Faculty List, there are only 2 Faculty in Unit-III. Hence, that cannot be considered a Teaching Unit.

3. Unit wise distribution of Faculty is not given.

In the revised distribution of Faculty, Unit-III has only 2 Faculty, which cannot be considered as a Teaching Unit.

4. Daily major operations in the Department are shown as 15 at Point # 8 in Part II of SAF while at Point # 9, Total number of Major Surgeries for the year 2013 is shown as 1,220 – i.e. less than 4/day, which is not feasible. There is thus data mismatch.
5. Daily minor operations in the Department are shown as 28 at Point # 8 at Part II of SAF while at Point # 9, Total number of Minor Surgeries for the year 2013 is shown as 290 – i.e. less than 1/day, which is not feasible. There is thus data mismatch.
6. Details of space at OPD & IPD are not provided.
7. List of available & functional important equipment are not provided.

Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. On the day of Assessment, OPD was 45 and bed occupancy was 11 out of 30 beds – i.e. 37 %.
2. As per Postgraduate Medical Education Regulations, 2000; sub-clause 13.3; Amendment dated 20/10/2008, Postgraduate Degree/ Diploma/ Super-Speciality course students will be paid stipend at par with the stipend being paid to the Postgraduate students of State Government Medical Institutions/ Central Government Medical Institutions in the State/ Union Territory, where the Institution is located.

The Institution is paying Stipend at the rate of Rs. 10,000; Rs. 11,000 & Rs. 12,000 per month, which is not at par with JIPMER, Pondicherry of Rs. 50,000.

3. Shortage of Senior Resident: 1.
Asst. Professors cannot substitute for Senior Resident.
4. Average bed occupancy over preceding 3 years is 48 – 50 %.
5. Procedures like Skin grafting & Nail surgeries have not been carried out in preceding 3 years.
6. Speciality clinics like Vitiligo clinic, Autoimmune Diseases clinic, Vesticulobullous clinic are not run.
7. There is no participation in National Leprosy Control Programme.
8. On the day of Assessment, total IPD was 11 patients only, which means 36% bed occupancy.
9. IPD of the entire Hospital 179939, which means 493 admissions per day, which is not possible.
10. All Senior Residents are MBBS. No 3 years experience Certificate from the concerned HoD has been provided.
11. Other deficiencies as pointed out in the Assessment Report.

70. Starting of MD (Pharmacology) course at Ahmedabad Municipal Corporation Medical Education Trust Medical College, Ahmedabad under Gujarat University, Ahmedabad u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Sharma University of Health Sciences, Rohtak for Increase of seats in MD(Psychiatry) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (16/10/2014) and compliance dated 11/12/2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Psychiatry) course at Pt. B.D. Sharma Post Graduate Institute of Medical Sciences, Rohtak under PT. B.D. Sharma University of Health Sciences, Rohtak u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. Bed occupancy is 50% on the day of Assessment.
2. Special clinics like Neuro Psychiatry clinic for the elderly, Psychomotor clinic, Memory clinic are not functional.
3. The Teaching Institute was granted 6 seats, 4 Degree and 2 Diploma. The request for increase is from 2 to 6 is thus not permissible.
4. For the PG Degree seats as against surrender of diploma seats. The College has to approach for Notification by Government of India for deleting Diploma seats from the schedule.
5. Other deficiencies as pointed out in the Assessment Report.

74. Starting of MD (Emergency Medicine) course at Era's Lucknow Medical College & Hospital, Lucknow, Uttar Pradesh under Dr. R.M.L Avadh University, Faizabad, U.P. u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (28th October 2014) and compliance dated 10th December 2014 submitted by the College Authorities on the physical and other

teaching facilities available at Era's Lucknow Medical College & Hospital, Lucknow, Uttar Pradesh under Dr. R.M.L Avadh University, Faizabad, U.P. for Starting of MD (Emergency Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (28th October 2014) and compliance dated 10th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Emergency Medicine) course at Era's Lucknow Medical College & Hospital, Lucknow, Uttar Pradesh under Dr. R.M.L Avadh University, Faizabad, U.P. u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. U.P. Government is paying Stipend to the P.G. Students at the rate of Rs. 56,010 at S.N. Medical College, Agra; Rs. 52,800 per month at BRD Medical College, Gorakhpur. However, the College Authorities are paying stipend at the rate of 15,600 per month, which is not as per Government rates.
2. Dr. Jayant Bajpai, Professor attained age of 70 years on 18/11/2014; hence, he cannot be considered as Teaching Faculty. Consequently, there were only 2 Faculty Members. Hence, it cannot be considered as a Teaching Unit.

Rotational Faculty is not allowed. The Faculty has to be full time in the department.

3. All the Faculty & Residents have been posted to the Department only from August 2014 onwards; however the data of clinical material for years 2012 & 2013 for the Department have been submitted, which is not feasible. There is thus data mismatch.
4. Two beds each were at ICCU, MICU, SICU & NICU and 1 bed at PICU were shown for the Department of Emergency Medicine. It is not clear who was looking after these beds and the remaining beds at these ICUs. It is also not clear how many beds have been shown for other Departments.

Intensive Care Area are combined with other departments, which is not permissible.

5. In Departmental Library, total number of books were shown as 109, but the number of new books purchased in the preceding 3 years have been shown as 135, which is not feasible. There is thus data mismatch.
6. Total IPD of 2013 was 8692, which means 24 admissions per day as against 30 beds. That would mean 80% of the patients have only one day admission. The data is thus non-genuine and fictitious or patients with only minor ailments are admitted.
7. There were no Publications from the Department.
8. The main departments (Medicine, Surgery) cannot be part of Emergency Medicine department. Emergency Medicine department has to be separated as independent department.
9. Other deficiencies as pointed out in the Assessment Report.

75. Starting of MD (DVL) course at Dr. Somervell Memorial CSI Hospital & Medical College Thiruvananthapuram under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (27th October 2014) and compliance dated 11th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at Dr. Somervell Memorial CSI Hospital & Medical College Thiruvananthapuram under Kerala University of Health & Allied Sciences, Thrissur for

Starting of MD (DVL) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (27th October 2014) and compliance dated 11th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (DVL) course at Dr. Somervell Memorial CSI Hospital & Medical College Thiruvananthapuram under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. Total number of patients in OPD have increased from 12,902 in 2010-11 to 23,034 in 2013-14 but total number of patients at IPD have decreased from 6,438 to 3,415 during the same period.

Retrospective change of Clinical data is not allowed.

2. Although total number of patients at IPD have decreased from 6,438 in 2010-11 to 3,415 in 2013-14. Weekly clinical workload for IPD was shown to have increased from 35 to 48 during the same period, which is not feasible. There is thus data mismatch.
3. Bed occupancy was 40% on the day of Assessment.
4. Procedures like Skin Grafting, Nail Surgeries & LASER procedures have not been carried out in the preceding 3 years.
5. Speciality clinics like Autoimmune Disease clinic & Vesticulobullous Diseases clinic are not run.
6. Other deficiencies as pointed out in the Assessment Report.

76. Starting of MD (General Medicine) course at Dr. Somervell Memorial CSI Hospital & Medical College Thiruvananthapuram under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (28th October 2014) and compliance dated 11th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at Dr. Somervell Memorial CSI Hospital & Medical College Thiruvananthapuram under Kerala University of Health & Allied Sciences, Thrissur for Starting of MD (General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (28th October 2014) and compliance dated 11th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (General Medicine) course at Dr. Somervell Memorial CSI Hospital & Medical College Thiruvananthapuram under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. There is only 1 paper accepted for publication from the Department in Indexed Journals in the preceding 3 years.
2. IPD of entire Hospital during the last year has been reported as 1,53,000. At the same time, total IPD of Medicine and Surgery was more than that, which is not feasible.

IPD of the year means number of patients admitted in that year. At the time of admission each patient is given an IPD number, which remains the same even if the patient stays in hospital for many days. Total IPD numbers given in a year is the total IPD of that year, which is same as the total number of patients admitted in that year.

The contention of the College Authorities in the Compliance to call Average Bed Occupancy multiplied by 365 as total IPD of the year is not correct. It is an afterthought to justify false data already provided. Percentage Bed Occupancy have been provided elsewhere in SAF.

3. Total IPD of the Hospital is 1,53,000, which means 511 admissions per day, which is not feasible as against the total beds of the Hospital. That would mean 79% of the patients have only one day admission. The data is thus non-genuine and fictitious or patients with only minor ailments are admitted.
4. Other deficiencies as pointed out in the Assessment Report.

77. Increase of seats in MD (Radio-Diagnosis) course at Dr. Somervell Memorial CSI Hospital & Medical College Thiruvananthapuram under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (27th October 2014) and compliance dated 11th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at Dr. Somervell Memorial CSI Hospital & Medical College Thiruvananthapuram under Kerala University of Health & Allied Sciences, Thrissur for Increase of seats in MD (Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

1. Total number of USG (Colour Doppler) studies & USG guided procedures have remained stagnant over the preceding 3 year period.
2. There are no physical Journals at Central Library.
3. Shortage of Senior Residents: 4.
4. In the table at Point # 6 on Page 5, number of DSA shown is 28 for the year 2012-2013, while in the table at Point # 9 on Page 29, it is shown as 7. There is thus data mismatch.
5. Details of AERB approval are not provided.
6. Other deficiencies as pointed out in the Assessment Report.

78. Increase of seats in MS (Orthopaedics) course at Dr. Somervell Memorial CSI Hospital & Medical College Thiruvananthapuram under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (27th October 2014) and compliance dated 11th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at Dr. Somervell Memorial CSI Hospital & Medical College Thiruvananthapuram under Kerala University of Health & Allied Sciences, Thrissur for Increase of seats in MS (Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (27th October 2014) and compliance dated 11th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (Orthopaedics) course at Dr.

Somervell Memorial CSI Hospital & Medical College Thiruvananthapuram under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. Deficiency of Faculty: (a) Asst. Professor: 2.
2. Shortage of Senior Resident: 1.
3. Unit II has only 2 Faculty; hence, it cannot be considered as PG Unit.
4. Average daily operations (from 3 years data) 1.6 per day and average daily Minor Operations 2.7 per day, which is very inadequate.
5. Average daily Histopathology is 6-9, which is not feasible.
6. Unit-II has only 2 Faculty. Hence, it cannot be considered as a Teaching Unit.
7. Dr. Charles Abraham, Assoc. Professor, Unit-I passed his DNB in 2006. He cannot be considered as Asst. Professor from 30/03/2005. Consequently, there are 2 Faculty and wrong information has been supplied in the SAF.
8. Other deficiencies as pointed out in the Assessment Report.

79. Starting of MD (Pulmonary Medicine) course at KPC Medical College & Hospital, Jadavpur, Kolkata under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (17th October 2014) and compliance dated 10th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at KPC Medical College & Hospital, Jadavpur, Kolkata under The West Bengal University of Health Sciences, Kolkata for Starting of MD (Pulmonary Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17th October 2014) and compliance dated 10th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Pulmonary Medicine) course at KPC Medical College & Hospital, Jadavpur, Kolkata under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. OPD attendance on the day of Assessment was only 44.
2. Average daily consumption of 5 units of blood appears to be inflated considering OPD & IPD workload.
3. Stipend paid by the Teaching Institute to I/ II/ III year Residents is respectively Rs. 14,000; Rs. 15,000 & Rs. 16,000, which is less as compared with that paid by Govt. of West Bengal and not as per the Regulations.
4. At OPD, DMC, Seminar room, Charts & IEC material was lacking.
5. Respiratory Rehabilitation Clinic & Bronchoscopy Clinic were not available.
6. Total number of books in Departmental Library was shown as 70, while the number of books purchased in the preceding 3 years was shown as 234, which is not feasible. There is thus data mismatch.
7. Multipara monitors are not available in the Department.
8. Total IPD of the last year 362, which means about 1 admission per day.
9. Bed Occupancy was not provided.
10. Publications nil.
11. Other deficiencies as pointed out in the Assessment Report.

80. Starting of MS (General Surgery) course at KPC Medical College & Hospital, Jadavpur, Kolkata under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (17th October 2014) and compliance dated 10th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at KPC Medical College & Hospital, Jadavpur, Kolkata under The West Bengal University of Health Sciences, Kolkata for Starting of MS (General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17th October 2014) and compliance dated 10th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (General Surgery) course at KPC Medical College & Hospital, Jadavpur, Kolkata under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. Shortage of Senior Resident: 3.
2. Shortage of Junior Resident: 7.
3. Faculty of Departments of various subspecialties like CVTS, Plastic Surgery are tagged on to Units of General Surgery while retaining independent entity of respective subspecialty, which is not permissible. The Faculty has to be either of General Surgery or of respective subspecialty but cannot be of both. Resultantly, Units IV & V have only 2 Faculty each; hence, cannot be considered as PG Units.
4. Details of patients attending various speciality clinics are not given.
5. No new books have been purchased in Departmental Library in the preceding 3 years.
6. Prescribed SAF has not been used.
7. Unit-IV, V, VI has only 25 beds each, which is not as per the Regulations.
8. Postgraduate Degree of Dr. G.S. Bhattacharya, Asst. Professor, Unit-II is not recognized. Consequently, there are only 2 Faculty Members in Unit-II.
9. Other deficiencies as pointed out in the Assessment Report.

81. Starting of MS (Orthopaedics) course at KPC Medical College & Hospital, Jadavpur, Kolkata under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (16th October 2014) and compliance dated 10th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at KPC Medical College & Hospital, Jadavpur, Kolkata under The West Bengal University of Health Sciences, Kolkata for Starting of MS (Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (16th October 2014) and compliance dated 10th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (Orthopaedics) course at KPC Medical College & Hospital, Jadavpur, Kolkata under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. There was only 1 major & NIL minor operation on the day of Assessment.

2. No blood unit at all is consumed by the Department in the preceding 3 years, which indicates poor quality of major operations.
3. Specialized ICU services provided by the Department are not adequate.
4. No information is provided regarding stipend to Residents paid by Govt. of West Bengal or proposed to be paid by the Teaching Institute.
5. There is no office and office staff in the Department of Orthopaedics.
6. Bed occupancy in indoor wards is less. Only 35 patients out of 90 beds were present on the day of Assessment – i.e. 39%.
7. Unit-wise distribution of Faculty is not given. As total only 1 Professor & 2 Asso. Professor are present, there is Faculty deficiency of (a) Asso. Professor: 1.
8. No Senior Residents are shown.
9. Details of speciality clinics like Spine clinic, Arthroplasty clinic are not provided.
10. Speciality clinics like Hand clinic, Arthroscopy clinic are not run.
11. As per table on page 3, total deaths in Orthopaedics last year were 13 and total IPD 1924. On page 11, total deaths have been shown as 2 and total IPD 1040, which indicates that the data is thus non-genuine and fictitious.
12. Other deficiencies as pointed out in the Assessment Report.

82. Starting of MS (ENT) course at KPC Medical College & Hospital, Jadavpur, Kolkata under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (19th September 2014) and compliance dated 18th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD (Microbiology) course at Jawaharlal Nehru Medical College, Ajmer under Rajasthan University of Health Sciences, Jaipur u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2015-2016 from 3(Three) to 4(Four) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

147. Increase of seats in MS (General Surgery) course at Jawaharlal Nehru Medical College, Ajmer under Rajasthan University of Health Sciences, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (05th September 2014) and compliance dated 18th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at Jawaharlal Nehru Medical College, Ajmer under Rajasthan University of Health Sciences, Jaipur for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (05th September 2014) and compliance dated 18th December 2014 submitted by the College Authorities and decided to verify compliance by way of Assessment.

148. Increase of seats in MD (Radio-Diagnosis) course at Katihar Medical College, Katihar, Bihar under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (13th October 2014) and compliance dated 24th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at Katihar Medical College, Katihar, Bihar under B.N. Mandal University, Laloo Nagar, Bihar for Increase of seats in MD (Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (13th October 2014) and compliance dated 24th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Radio-Diagnosis) course at Katihar Medical College, Katihar, Bihar under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. DSA was not available.

2. Stipend paid to I/II/III year Residents by Govt. of Bihar was Rs. 43,800; Rs. 48,180 & Rs. 52,998 per month respectively, while, the Teaching Institution was paying stipend to I/II/III year Residents at Rs. 21,000; Rs. 23,000 & Rs. 25,000 p.m. respectively, which was less and not as per the Regulations.

The Institution is still paying stipend at old rates, not at par with Government rates.

3. Workload of CT guided Biopsy/FNAC for the year 2013 was only 58.
4. Academic parameter like Case presentation (only 10) was inadequate.
5. Total Berium/ IVP in 2013 had been shown as 9175, which means 30 per day, which was not feasible.
6. Ultrasound had been shown as 172 per day, which was not feasible.
7. Experience details of Dr. Sarabjit Singh Thind, Professor as Graded Specialist, Classified Speciliast and Advisor was not provided, from which his academic designations could have been calculated.
8. Other deficiencies as pointed out in the Assessment Report.

149. Increase of seats in MS (General Surgery) course at Katihar Medical College, Katihar, Bihar under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (15th October 2014) and compliance dated 24th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at Katihar Medical College, Katihar, Bihar under B.N. Mandal University, Laloo Nagar, Bihar for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (15th October 2014) and compliance dated 24th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (General Surgery) course at Katihar Medical College, Katihar, Bihar under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. Stipend paid to I/II/III year Residents by Govt. of Bihar was Rs. 43,800; Rs. 48,180 & Rs. 52,998 p.m. respectively, while, the Teaching Institution was paying stipend to I/II/III year Residents at Rs. 21,000; Rs. 23,000 & Rs. 25,000 p.m. respectively, which was less and not as per the Regulations.

The Institution is still paying stipend at old rates, not at par with Government rates.

2. Total number of patients admitted in the Department (IPD) during 2013 was 42048, which means 116 admissions per day as against 120 beds, which was not feasible. At the same time, the College had said that IPD was 42048 but admissions was 7401. If we are to take total admissions as 7401, then the total number of surgeries (Major and Minor) had been shown as 13050, which was not in consistence with the fictitious data provided by the Teaching Institution to the Assessor. Furthermore, this submission excludes 887 day care surgeries done by the Department.

IPD of the year means number of patients admitted in that year. At the time of admission each patient is given an IPD number, which remains the same even if the patient stays in hospital for many days. Total IPD numbers given in a year is the total IPD of that year, which is same as the total number of patients admitted in that year.

The contention of the College Authorities in the Compliance to call Average Bed Occupancy multiplied by 365 as total IPD of the year is not correct. It is an afterthought to justify false data already provided. Percentage Bed Occupancy have been provided elsewhere in SAF.

3. Total OPD for the year 2013 was 43354, which means that almost every alternate patient was admitted at the Hospital (IPD 42048), which fact could not be feasible.
4. Other deficiencies as pointed out in the Assessment Report.

150. Starting of MS (ENT) course at Katihar Medical College, Katihar, Bihar under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (17th October 2014) and compliance dated 24th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at Katihar Medical College, Katihar, Bihar under B.N. Mandal University, Laloo Nagar, Bihar for Starting of MS (ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17th October 2014) and compliance dated 24th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (ENT) course at Katihar Medical College, Katihar, Bihar under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. Stipend paid to I/II/III year Residents by Govt. of Bihar was Rs. 43,800; Rs. 48,180 & Rs. 52,998 p.m. respectively, while, the Teaching Institution was paying stipend to I/II/III year Residents at Rs. 21,000; Rs. 23,000 & Rs. 25,000 p.m. respectively, which was less and not as per the Regulations.
- The Institution is still paying stipend at old rates, not at par with Government rates.
2. Indoor Hospital Register was incomplete and the 3 year records were not made available to the Assessor.
3. At O.T., the Record Book appeared completed in a hurry and it did not appear as to have been genuinely recorded by the Authors at that Department.
4. Cross verification between E.N.T., Surgery & Histopathology was not matching. The number of Histopathology/FNAC from the Department was very poor.
5. Records of previous Audiological tests like BERA, Impedance were not made available to the Assessor.
6. Workload was less so as to sustain the PG Teaching Programme.
7. Procedures like Stapedectomy, Laryngectomy, Bronchoscopy, Laryngo/Tracheoplasty, Maxillectomy, Rhinoplasty had not been performed in the preceding 3 years.
8. Total number of patients admitted (IPD) for the year 2013 was 7067, which means that 20 admissions per day as against 30 beds, which was not feasible.
9. IPD of the preceding year had been shown as 7118 on page 2 of the SAF and 8945 on page 3 of the SAF, which was thus, a data mismatch.
10. All these facts indicate that data was non-genuine and fictitious.
11. Other deficiencies as pointed out in the Assessment Report.

151. Starting of MD (General Medicine) course at KMCT Medical College, Kozhikode under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (11th November 2014) and compliance dated 24th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at KMCT Medical College, Kozhikode under Kerala University of Health Sciences, Thrissur for Starting of MD (General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

152. Starting of MS (OBG) and Diploma in OBG (DGO) course at KMCT Medical College, Kozhikode under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (10th November 2014) and compliance dated 24th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at KMCT Medical College, Kozhikode under Kerala University of Health Sciences, Thrissur for Starting of MS (OBG) and Diploma in OBG (DGO) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10th November 2014) and compliance dated 24th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (OBG) and Diploma in OBG (DGO) course at KMCT Medical College, Kozhikode under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. Instruments were inadequate.
2. Experience of Dr. Febin & Dr. Bhanumathi, Senior Residents were of 2 years only. No experience certificate of Dr. Habid, Senior Resident was submitted. Resultantly, there was no Senior Resident with experience of 3 years as Junior Resident.
3. No Asst. Professor had been shown for A.N.M.O. & M.C.W.O.
4. There was disparity in salary of the Teaching Faculty. Dr. Sulochana Karoth, Professor & HoD was drawing a salary of Rs. 75,000 p.m. – i.e. the same amount as Dr. Febin C.M., Senior Resident who was paid Rs. 75,000 in September 2014 & Rs. 71,500 in October 2014. Dr. K.M. Shammi, Asst. Professor was paid Rs. 80,000 in September 2014 and Rs. 89,000 in October 2014.
5. Manually written attendance in O.B.G. OPD does not tally with computerized record at the Central Registration Office.
6. There were discrepancies in number of major operations in the Registers maintained by the Anaesthetists, Sister i/c & Pathology Department's specimen receiving Registers.
7. Random check for preceding 10 days of July & whole of August 2014 revealed that Major Gynaecological surgeries were only 6/week & minor were 10/week.
8. There was no municipality rubber stamp on the Registers, when it was submitted for registration of the record of hospital births. Total deliveries could not be authenticated.

9. There was no Hysteroscope, Colposcope, IUI set up.
10. Bed occupancy was 70%. Only 2 beds were occupied at NICU.
11. No information was provided regarding stipend paid to the Residents by Govt. of Kerala or proposed to be paid by the Teaching Institution.
12. There was no Asso. Professor in Unit I; hence, Faculty complement was incomplete.
13. Obstetric ICU was not available.
14. Speciality clinics were not available.
15. CPC & Death Review Meetings were not held.
16. Promotion of Dr. Valsan M.K., Professor, Unit-II was not as per the Regulations. He has been Asst. Professor for 3 years 11 months against the requirement of 5 years.
17. Promotion of Dr. Ammar R., Assoc. Professor, Unit-II was not as per the Regulations. Hence, he has been Asst. Professor for 2 years 3 months, as against the requirement of 5 years.
18. Consequently, no Unit had complete PG Teaching complement.
19. Other deficiencies as pointed out in the Assessment Report.

153. Starting of MS (Orthopaedics) course at KMCT Medical College, Kozhikode under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

1. Investigative workload was inadequate as under:
 - i. Mycology: 1 in 3 days;
 - ii. Parasitology: 1 in 20 days;
 - iii. Serology: 10-12.

2. No information was provided regarding stipend paid to the Residents by the Govt. of Kerala or proposed to be paid by the Teaching Institution.
3. Deficiency of Faculty: (a) Asst. Professor: 1.
4. No research was being carried out at Departmental Research Laboratory.
5. Anaerobic culture facility was not available.
6. There were no animals in the animal house.
7. Central Research Laboratory was yet to be made functional.
8. Other deficiencies as pointed out in the Assessment Report.

155. Starting of MD (Paediatrics) course at KMCT Medical College, Kozhikode under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

1. No information was provided regarding stipend paid to the Residents by the Govt. of Kerala or proposed to be paid by the Teaching Institution.
2. LASERS & Phototherapy equipment like PUVA/NBUV chambers were not available.
3. Details of clinical material on the day of Assessment were not provided.
4. Procedures like Skin grafting procedures, Nail surgeries, NBUV/PUVA therapy, LASER procedures had not been performed in the preceding 3 years.
5. Details of patients attending speciality clinics like Auto-Immune Diseases' Clinic, Vesticulobullous Clinic, Hansen's Clinic were not provided.
6. Departmental Library had only 55 books.
7. Other deficiencies as pointed out in the Assessment Report.

157. Starting of MD (Radio-Diagnosis) and Diploma in Radio-Diagnosis (DMRD) course at KMCT Medical College, Kozhikode under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (11th November 2014) and compliance dated 24th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at KMCT Medical College, Kozhikode under Kerala University of Health Sciences, Thrissur for Starting of MD (Radio-Diagnosis) and Diploma in Radio-Diagnosis (DMRD) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

1. Mammography workload was NIL on the day of Assessment.
2. USG guided FNAC/Biopsy had not been performed in the preceding 3 years.
3. No information was provided regarding stipend paid to the Residents by Govt. of Kerala or proposed to be paid by the Teaching Institution.
4. Only 5 mobile X-ray units were available as against requirement of 6 as per the Regulations.
5. Mammography was not available.
6. Dr. K.M. Navas had been issued teaching experience from 02/05/2007, when the College was not in existence. After deducting his experience prior to LoP, his promotion from Asst. Professor to Assoc. Professor is not as per Regulations. Hence, he cannot be considered as Assoc. Professor. Consequently, there is a deficiency of 1 Assoc. Professor.
7. There were no Publications from the Department of Radiology during the preceding 3 years.
8. Other deficiencies as pointed out in the Assessment Report.

158. Starting of MD (Pharmacology) course at KMCT Medical College, Kozhikode under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (10th November 2014) and compliance dated 24th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at KMCT Medical College, Kozhikode under Kerala University of Health Sciences, Thrissur for Starting of MD (Pharmacology) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10th November 2014) and compliance dated 24th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD (Pharmacology) course at KMCT Medical College, Kozhikode under Kerala University of Health Sciences, Thrissur u/s 10A of the I.M.C. 159. Increase of seats in MD (TB & Chest Disease) course at Meenakshi Medical College Hospital & Research Institute, Kanchipuram under Meenakshi University, Kanchipuram u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (27th September 2014) and compliance dated 19th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at Meenakshi Medical College Hospital & Research Institute, Kanchipuram under Meenakshi University, Kanchipuram for Increase of seats in MD (TB & Chest Disease) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (27th September 2014) and compliance dated 19th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (TB & Chest Disease) course at Meenakshi Medical College Hospital & Research Institute, Kanchipuram under Meenakshi University, Kanchipuram u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. Out of 3 publications from the Department, 2 are case reports; Resultantly, there is only 1 publication from the Department at the Indexed Journals in preceding 3 years.
2. Average daily OPD is 78.
3. Total IPD for 2013 is 9258, which means 26 admissions per day against 30 beds. That would mean 87% of the patients have only one day admission. The data is thus non-genuine and fictitious or patients with only minor ailments are admitted.

IPD of the year means number of patients admitted in that year. At the time of admission each patient is given an IPD number, which remains the same even if the patient stays in hospital for many days. Total IPD numbers given in a year is the total IPD of that year, which is same as the total number of patients admitted in that year.

The contention of the College Authorities in the Compliance to call Average Bed Occupancy multiplied by 365 as total IPD of the year is not correct. It is an afterthought to justify false data already provided. Percentage Bed Occupancy have been provided elsewhere in SAF.

As per table on Serial No. 17 page 3, it is given that total IPD of the entire Hospital during the preceding one year is 30655 and for Pulmonary Medicine is 9258. If we take 30655 also as total occupancy of the Hospital during the year 2013 (as has been suggested by the College Authorities for the department of Pulmonary Medicine), then their bed occupancy comes to 12% to 14%, which is too inadequate. It cannot be accepted that in the same table, 30655 denotes total number of patients admitted in the entire Hospital during the year 2013 and 9258 denotes total occupancy of the year of the department of Pulmonary Medicine. We have to apply the same parameter for both the figures.

4. Other deficiencies as pointed out in the Assessment Report.

160. Increase of seats in MD (Paediatrics) course at Meenakshi Medical College Hospital & Research Institute, Kanchipuram under Meenakshi University, Kanchipuram u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (26th September 2014) and compliance dated 19th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Paediatrics) course at Meenakshi Medical College Hospital & Research Institute, Kanchipuram under Meenakshi University, Kanchipuram u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. Total number of Blood Unit used in the Department is 1 unit per day, which is very less.
2. Total IPD of entire Hospital for the year 2013 is 30655 out of which 27047 are Paediatrics Department alone, which means for rest of the College only 3000 admissions have been made.

As per table on Serial No. 17 page 3, it is given that total IPD of the entire Hospital during the preceding one year is 30655 and for Paediatrics is 27047. If we take 30655 also as total occupancy of the Hospital during the year 2013, then their bed occupancy comes to 12% to 14%, which is too inadequate. It cannot be accepted that in the same table 30655 denotes total number of patients admitted in the entire Hospital during the year 2013 and 27047 denotes total occupancy of the year of the department of Paediatrics. We have to apply the same parameter for both the figures.

3. Data is non-genuine and imaginary.
4. Other deficiencies as pointed out in the Assessment Report.

161. Increase of seats in MS (Orthopaedics) course at Meenakshi Medical College Hospital & Research Institute, Kanchipuram under Meenakshi University, Kanchipuram u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

1. OPD attendance on the day of Assessment is only 25. Bed occupancy was 65%. Clinical material is not adequate.
2. There is no publication from the Department at the Indexed Journal in preceding 3 years.
3. Specialized services provided by the Department are inadequate.
4. Shortage of Senior Resident: 1.

Asst. Professor cannot substitute for Senior Resident.

5. On the day of Assessment, there was only one major operation - a trauma case - which is inadequate.
6. There is mismatch in OPD, IPD & OT Registers.
7. Total IPD of Orthopaedics and Paediatrics combined is almost twice of the total IPD of entire Hospital, which is beyond belief.

As per table on Serial No. 17 page 3, it is given that total IPD of the entire Hospital during the preceding one year is 30655 and for Orthopaedics is 26143. If we take 30655 also as total occupancy of the Hospital during the year 2013, then their bed occupancy comes to 12% to 14%, which is too inadequate. It cannot be accepted that in the same table 30655 denotes total number of patients admitted in the entire Hospital during the year 2013 and 26143 denotes total occupancy of the year of the department of Orthopaedics. We have to apply the same parameter for both the figures.

8. Data is non-genuine and imaginary.
9. Other deficiencies as pointed out in the Assessment Report.

162. Increase of seats in MD (Radio-Diagnosis) course at Meenakshi Medical College Hospital & Research Institute, Kanchipuram under Meenakshi University, Kanchipuram u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Read: the Council Assessor's Report (29th September 2014) and compliance dated 19th December 2014 submitted by the College Authorities on the physical and other teaching facilities available at Meenakshi Medical College Hospital & Research Institute, Kanchipuram under Meenakshi University, Kanchipuram for Increase of seats in MD (Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (29th September 2014) and compliance dated 19th December 2014 submitted by the College Authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Radio-Diagnosis) course at Meenakshi Medical College Hospital & Research Institute, Kanchipuram under Meenakshi University, Kanchipuram u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. Shortage of Senior Residents: 3.
2. Looking at the previous reports of Paediatrics and Orthopaedics, the data is not believable. The data looks non-genuine and imaginary.
3. CT Scan is 6 Slice, which is out-dated.
4. Other deficiencies as pointed out in the Assessment Report.

163. Starting of MD (DVL) course at Saraswathi Institute of Medical Sciences, Hapur, Ghaziabad, Uttar Pradesh under Chaudhary Charan Singh University, Meerut u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

1. Daily investigative workload of Mycology (only 2), Parasitology (only 1) & AFB serum & Cultures (only 2) is inadequate and not commensurate with patients attending OPD & IPD.
2. Anaerobic cultures & Dengue titers are not performed.
3. There are no publications from the Department in Indexed Journals in the preceding 3 years.
4. Deficiency of Faculty: (a) Asso. Professor: 1.
5. College has requested for increase of seats from 2 to 4, but they are admitting 5 students per year as against 2 seats permitted. Information be obtained from the Dean on the above stated irregularity.
6. Other deficiencies as pointed out in the Assessment Report.

165. Increase of seats in MD (Forensic Medicine) course at Shri Vasant Rao Naik Government Medical College, Yavatmal under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956 for the academic year 2015-16 – consideration of compliance.

Teerthanker Mahaveer Medical College & Research Centre, Moradabad (Uttar Pradesh) under Teerthanker Mahaveer University, Moradabad (Uttar Pradesh) u/s 10A of the IMC Act, 1956 for the academic year 2015-16, because of the following facts:-

1. Total IPD of Anaesthesia Department in 2013 was 9855, although Anaesthesia Department does not have any beds. The data was thus non-genuine and fictitious.

In the compliance submitted by the College Authorities, it has been stated that patients admitted in ICU, ICCU and SICU were under the department of Anaesthesia.

- i. Anaesthesia department cannot handle ICCU.
 - ii. Total Beds of ICU and SICU are 21. If there are 9855 genuine patients admitted in 365 days that means 27 admissions per day, which is not feasible (even on 31 beds after including ICCU). If the patient stay in Intensive Care Area is only 1 day, they cannot be genuine emergencies requiring admission in ICU.
2. 4 PG seats have been permitted in 2014, although there is no appreciable increase in the clinical material after that period.
 3. Out of the 11 Senior Residents, 5 with D.A. qualification are not eligible. They have no 3 years Teaching experience as Junior Resident certified by the HoD.
 4. Other deficiencies as pointed out in the Assessment Report.
