

No.MCI-4(3)/2015-Med./

MEDICAL COUNCIL OF INDIA**POSTGRADUATE MEDICAL EDUCATION COMMITTEE**

Minutes of the Postgraduate Medical Education Committee meeting held on 9th October, 2015 at 11.00 A.M. in the Office of the Medical Council of India, Pocket-14, Sector-8, Dwarka, New Delhi.

Present:

1.	Dr. S.B. Siwach	Chairman, Former Director, Pandit B D Sharma PGI, Rohtak, Haryana
2.	Dr. Datteswar Hota	Professor & HoD, SCB Medical College & Hospital, Cuttack, Orissa
3.	Dr. Deelip Govindrao Mhaisekar	Professor & HoD, Dr. Shankarrao Chavan Govt. Medical College, Vazirabad, Dist. Nanded, Maharashtra
4.	Dr. Raja Babu Panwar	Vice-Chancellor, Rajasthan University of Health Sciences, Jaipur
5.	Dr. Silvano CA Dias Sapeco	Professor & HoD, Deptt. Of Forensic Medicine, Goa Medical College, Bambolim, Goa
6.	Dr. Vora Nitin Sumanchandra	Dean, GMERS Medical College Sola, Near New Gujarat High Court, Sola, S.G. Highway, Ahmedabad, Gujarat-380061

Dr. Reena Nayyar – Secretary I/c

The Chairman welcomed the members of the Postgraduate Medical Education Committee.

Leave of absence was received from Prof. (Dr.) Dhruba Jyoti Borah, Member; Dr. K.S. Sharma, Member and Dr. Rani Bhaskaran, Member.

1. Minutes of the last meeting of the Postgraduate Medical Education Committee – confirmation of.

The minutes of the Postgraduate Medical Education Committee meeting held on 24/09/2015 were confirmed in the meeting itself.

2. Minutes of the last meeting of the Postgraduate Medical Education Committee – action taken thereon.

The Postgraduate Medical Education Committee noted & approved the action taken on the minutes of the previous meeting of the Postgraduate Medical Education Committee.

3. Increase of seats in MD (General Medicine) course at Institute of Medical Sciences & SUM Hospital, Bhubaneswar under Siksha "O" Anusandhan University Bhubaneswar u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (09/08/2015) on the physical and other teaching facilities available at Institute of Medical Sciences & SUM Hospital, Bhubaneswar under Siksha "O" Anusandhan University Bhubaneswar for Increase of seats in MD (General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (09/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (General Medicine) course at Institute of Medical Sciences & SUM Hospital, Bhubaneswar under Siksha "O" Anusandhan University Bhubaneswar u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. How the OPD of Medicine department can be 1549 at 4 P.M. On the day of assessment, the MRI were 4 and CT Scan were 6 in the entire hospital, which indicates inadequate clinical material.
2. Out of total 238 deaths in the Hospital last year, 170 are in Medicine department, which is not realistic.
3. Journals available upto 2014.
4. The Professor & HoD (Graded Specialist, Classified Specialist for 3 years) is not eligible for Assoc. Professor. Hence, his promotion is irregular.
5. Santosh Singh (DNB), Asst. Professor is not eligible. He has no 3 years experience & 1 year post DNB experience at the time of appointment.
6. Dr. Pramod Kumar Upadhyay, Professor, Unit-IV has never been Advisor. Hence, not eligible to be appointed as Professor.
7. Dr. Chandan Dass, Assoc. Professor has been shown as working in Hi-Tech Medical College, Rourkela.
8. Bed occupancy in ICU were 59% only.
9. Information about SICU, RICU, NICU, PICU were left blank.
10. Journal Club: 3; Case Presentation: 4 and Group discussions: 9 in one year, which is grossly inadequate. Postgraduate teaching not being done.
11. Three Professors are from Army. Period and Place of posting of all Faculty members as Graded, Classified Specialist and Advisor signed by competent authority from the Office of DGAFMS has not been attached without which their equivalent academic designations cannot be calculated.
12. Other deficiencies as pointed out in the Assessment Report.

4. Increase of seats in MS(ENT) course at Coimbatore Medical College, Coimbatore, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (10th August 2015) on the physical and other teaching facilities available at Coimbatore Medical College, Coimbatore, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Increase of seats in MS(ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (10th August 2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS(ENT) course at Coimbatore Medical College, Coimbatore, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session

2016-2017 from 1(One) to 3(Three) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

5. Increase of seats in MD(Anaesthesia) course at R G Kar Medical College, Kolkata, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (10th August 2015) on the physical and other teaching facilities available at R G Kar Medical College, Kolkata, West Bengal under West Bengal University of Health Sciences, Kolkata for Increase of seats in MD(Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Anaesthesia) course at R G Kar Medical College, Kolkata, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The College authorities have used wrong SAF, which is not prescribed for the year 2016-17.
2. Promotion of Professor & HoD is not as per Regulations. He has been Assoc. Professor for 2 years 11 months.
3. Total number of Major operations has decreased from 19,598 in Year 2 to 18,842 in Year 3. If 18842 of Major Operations in the 3rd year, then daily average should be 63 operations per day. However, Major Surgery on the day of Assessment were 31 only. This is a data mismatch.
4. MRD is not fully computerized.
5. ICD X classification is not being followed.
6. There is no CSSD; autoclaving is done in respective OT blocks.
7. There is only 1 foreign journal of which last issue available is of December 2013.
8. Details of experience of Dr. Gautam Chaudhary are not given in the faculty table.
9. Separate internet facility for students to access online articles at central library is not existing.
10. Other deficiencies as pointed out in the Assessment Report.

6. Increase of seats in MD (Anaesthesia) course at Andhra Medical College, Visakhapatnam under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (10/08/2015) on the physical and other teaching facilities available at Andhra Medical College, Visakhapatnam under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD (Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (10/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD (Anaesthesia) course at Andhra Medical College, Visakhapatnam under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 from 9(Nine) to 12(Twelve) students per year till the first batch admitted against the increased

number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

7. Starting of MD (Transfusion Medicine) course at Andhra Medical College, Visakhapatnam under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (10/08/2015) on the physical and other teaching facilities available at Andhra Medical College, Visakhapatnam under Dr. NTR University of Health Sciences, Vijayawada for Starting of MD (Transfusion Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Transfusion Medicine) course at Andhra Medical College, Visakhapatnam under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. There is no Professor.
2. There are NIL Senior Residents & NIL Tutors.
3. Certificates of special training in the subject for 2 years are not available for any faculty.
4. The OPD on the day of Assessment 2500 & 1500 and IPD 145. Transfusion department does not have any OPD or IPD, thus, wrong data has been provided.
5. Column 17 on page 21 about list of different services provided by the department has been left blank.
6. Teaching experience of Dr. Venkata Laxmi, Associate Professor having teaching experience of 15 years in Pathology and one month in department of Immuno Haematology and Blood Transfusion as per experience certificate submitted by the college authority. There is no document showing 2 years of teaching experience or special training in the department of Immunoheamatology and blood transfusion as per MCI Minimum Qualification for Teacher in Medical Institutions Regulations, 1998 (Amended upto November, 2010)
7. Teaching experience of Dr. Guntur Roda Sumanlatha, Assistant Professor having teaching experience of 2 years and 10 months in pathology and one month in department of Immunoheamatology and Blood Transfusion as per experience certificate submitted by the college authority. There is no document showing 2 years of teaching experience or special training in the department of Immunoheamatology and blood transfusion as per MCI Minimum Qualification for Teacher in Medical Institutions Regulations, 1998 (Amended upto November, 2010)
8. Teaching experience of Dr. Divyasree Neeli, Assistant Professor having teaching experience of only 8 days in department of Immunoheamatology and Blood Transfusion as per experience certificate submitted by the College authority. There is no document showing 2 years of teaching experience or special training in the department of Immunoheamatology and blood transfusion as per MCI Minimum Qualification for Teacher in Medical Institutions Regulations, 1998 (Amended upto November, 2010)
9. Other deficiencies as pointed out in the Assessment Report.

8. Starting of MS (Orthopaedics) course at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (10/08/2015) on the physical and other teaching facilities available at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MS (Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (Orthopaedics) course at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Bed occupancy was 71% on day of assessment and occupancy in SICU 60%.
2. There was only 1 Major & 2 Minor operations on day of assessment.
3. Total number of Major operations is only 435 in 2014 implying average of 1.45/day which is inadequate.
4. MRI is not available. CT is not available.
5. Deficiency of faculty: (a) Asso. Prof.: 1; (b) Asst. Prof.: 1.
6. Shortage of Senior Resident: 1.
7. Unit B has only 1 faculty & it is headed by Asst. Prof.; hence it cannot be considered as a teaching Unit all; resultantly there is deficiency of 1 Unit.
8. Instruments for Joint Replacement & Arthroscopy are not available.
9. No records of specialty clinics are provided.
10. No latest edition has been purchased in last 3 years in the departmental library.
11. Specialty clinic like Hand Clinic is not run.
12. The Institute had instruments for trauma and spine operations including one Image intensifier but did not have instruments for joint replacement and arthroscopy.
13. The Research work in the department is very poor. The Institute had only two articles published (one case report and one case series) and one case report accepted for publication in the last three years and those too in non-indexed journals. The head of the department had no publication in the last three years.
14. The office space for the junior faculty was not there. There was only a room for the head of the department at present.
15. There are only two foreign and one Indian Journal in the Central Library. But the latest issues of journals were not there. The number of books was satisfactory but need to have recent editions also.
16. Other deficiencies as pointed out in the Assessment Report.

9. Starting of MS (OBG) course at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (10/08/2015) on the physical and other teaching facilities available at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10/08/2015) and decided to recommend to the Central Govt. to

disapprove the scheme for Starting of MS (OBG) course at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. There are 2 Units, each having 53 beds which is not as per norms.
2. All clinical parameters like OPD attendance, IPD admissions, Major & Minor operations, have decreased by 10-40% during the period of last 3 years.
3. Deficiency of faculty: (a) Asso. Prof.: 1.
4. Shortage of Junior Resident: 1.
5. No separate departmental OPD registers are maintained.
6. Specialty clinics like Cancer clinic, Infertility clinic, Gynaec. Endocrine clinic, Menopausal clinic are not run.
7. Unit B is headed by Asst. Prof.; hence it cannot be considered as teaching Unit; resultantly there is shortage of 1 Unit.
8. Equipment like Colposcope, Infusion Pumps are not available.
9. CT is not available.
10. Other deficiencies as pointed out in the Assessment Report.

10. **Starting of MS (ENT) course at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.**

Read: the Council Assessor's Report (10/08/2015) on the physical and other teaching facilities available at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MS (ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (ENT) course at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Shortage of Junior Resident: 1.
2. Audiology work is outsourced.
3. Equipment like Impedance Audiometry, BERA, OAE, flexible Endoscope, Microdebrider are not available.
4. Specialty clinics are not run.
5. Speech Therapy workload is NIL on day of assessment as well as on randomly selected days. Speech Therapy room is not available.
6. Daily Major operations are only 1.5 which is inadequate.
7. Average bed occupancy is 50%.
8. Investigative facilities like Nerve Conduction, EMG are not available.
9. There is a single room for all the faculty.
10. The department does not participate in National programme for Prevention & Control of Deafness.
11. CT is not available.
12. There is only 1 Indian Journal and 2 Foreign Journals pertaining to ENT in the Central Library.
13. Other deficiencies as pointed out in the Assessment Report.

11. Starting of MS (Ophthalmology) course at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (10/08/2015) on the physical and other teaching facilities available at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MS (Ophthalmology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (Ophthalmology) course at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Bed occupancy is 15% on day of assessment. Average bed occupancy is 43.33%.
2. No Major or Minor operation was scheduled on day of assessment.
3. Space for OPD rooms & waiting area for patients is inadequate.
4. Equipment like B Scan, Fundus Camera (FFA), Posterior Vitrectomy, OCT, Slit lamp attachment of Application Tonometry, Fundus Examination (+ 90 D & + 78 D Lenses) are not available.
5. Facilities for Retinal Surgery are not available.
6. Departmental Library facilities are not adequate.
7. CT & MRI are not available.
8. There is no Asso. Prof. in the only Unit; resultantly faculty complement is incomplete.
9. Specialty clinic like Squint clinic is not run.
10. Equipments, space, specialized services provided by the department are inadequate.
11. Casualty Inadequate.
12. Registration Certificate of Eye Bank as per the "Transplantation of Human Organ Rule, 1995" was not found.
13. Overall clinical material and infrastructure facilities related to Ophthalmology are inadequate.
14. Other deficiencies as pointed out in the Assessment Report.

12. Increase of seats in MD (Microbiology) course at Osmania Medical College, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (10/08/2015) on the physical and other teaching facilities available at Osmania Medical College, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD (Microbiology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (10/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD (Microbiology) course at Osmania Medical College, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 from 8(Eight) to 15(Fifteen) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

13. Increase of seats in MD (Forensic Medicine) course at Osmania Medical College, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (10/08/2015) on the physical and other teaching facilities available at Osmania Medical College, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD (Forensic Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Forensic Medicine) course at Osmania Medical College, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty: (a) Tutor: 1. (As number of post-mortems is > 500).
2. Non teaching staff is deficient by 2 Technicians.
3. Medico legal examination of cases of sexual assault victims is carried out by department of Obstetrics & Gynaecology and not by this department.
4. Equipment like Weighing Balance for Dead Bodies, Weighing Machine for Organs are not functional.
5. Academic parameter like Group Discussions (15/year) is inadequate.
6. Other deficiencies as pointed out in the Assessment Report.

14. Starting of MD(Psychiatry) course at Mohan Kumaramangalam Medical College, Salem, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (11th August 2015) on the physical and other teaching facilities available at Mohan Kumaramangalam Medical College, Salem, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MD(Psychiatry) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (11th August 2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(Psychiatry) course at Mohan Kumaramangalam Medical College, Salem, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 1(One) student per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

15. Starting of MD(Biochemistry) course at Mohan Kumaramangalam Medical College, Salem, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (11th August 2015) on the physical and other teaching facilities available at Mohan Kumaramangalam Medical College, Salem, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MD(Biochemistry) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (11th August 2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(Biochemistry) course at Mohan Kumaramangalam Medical College, Salem, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 3(Three) students per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

16. Starting of MD(Anaesthesia) course at Theni Government Medical College, Theni, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (11th August 2015) on the physical and other teaching facilities available at Theni Government Medical College, Theni, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MD(Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (11th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Anaesthesia) course at Theni Government Medical College, Theni, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty for PG: (a) Asst. prof.: 1.
2. Nine Senior Residents are available; however, in faculty table, in respect of 8 of them experience as Resident has been shown as of 2 y only against requirement of 3 y as per Regulations.
3. There are NIL Junior Residents.
4. MRI is not available.
5. Other deficiencies as pointed out in the Assessment Report.

17. Increase of seats in MS(Orthopaedics) course at Coimbatore Medical College, Coimbatore, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (11th August 2015) on the physical and other teaching facilities available at Coimbatore Medical College, Coimbatore, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Increase of seats in MS(Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (11th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Orthopaedics) course at Coimbatore Medical College, Coimbatore, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty: (a) Asso. Prof.: 1.
2. There are only 44 books in the departmental library.
3. One out of 2 O.T.s available has 2 tables which is not as per norms.

4. Promotion of Dr. S. Elangovan, Professor & HOD is not as per Regulations as he has been promoted as Professor with experience of only 3 y 2 m against requirement of 3 y as per Regulations.
5. Unitwise distribution of faculty is not given.
6. Specialty clinic like Hand clinic is not run.
7. Attendance at Arthroscopy clinic is not provided.
8. No Museum.
9. Other deficiencies as pointed out in the Assessment Report.

18. Increase of seats in MS (Ophthalmology) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (11/08/2015) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS (Ophthalmology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (11/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (Ophthalmology) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. On the day of Assessment, Minor Operations: 3.
2. Dr. Sujatha B.L. passed M.S. in 2001. Hence, cannot be considered Lecturer from 1991.
3. The Committee noted that maximum permissible PG seats according to available faculty and clinical material can be 12. However, the College is already admitting 17 students. Hence, no further increase permissible.
4. Other deficiencies as pointed out in the Assessment Report.

19. Starting of MD (Anaesthesia) course at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (11/08/2015) on the physical and other teaching facilities available at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD (Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (11/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Anaesthesia) course at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty: (a) Asst. Prof.: 4.
2. Shortage of Residents: (a) Junior Residents: 2.
3. Average daily major operations are 14.
4. Total number of Major & Minor operations have decreased during last 3 years.

5. There is no MRI in the Institution.
6. Other deficiencies as pointed out in the Assessment Report.

20. Starting of MD (General Medicine) course at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (11/08/2015) on the physical and other teaching facilities available at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD (General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (11/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (General Medicine) course at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Professor has been promoted to Director; hence, there is no Professor. The department is headed by Dr. N.V. Nimbale who is only Asso. Prof. which is contrary to Regulations.
2. Deficiency of faculty: (a) Asso. Prof.: 2; (b) Asst. Prof.: 4. No Unit is complete.
3. Shortage of Residents: (a) Senior Resident: 3; (b) Junior Resident: 1.
4. Seminar room is not available either in OPD or in wards.
5. Units A, C & D have only 2 faculty each; hence they cannot be considered as PG Units.
6. Unit B has only 1 faculty; hence it cannot be considered as a Unit at all.
7. Resultantly there is no Unit which can be considered as PG Unit.
8. Bronchoscopy is not available.
9. Investigative facilities like Nerve Conduction, EMG are not available.
10. Multipara Monitors are not available in ICCU.
11. There is no Journal of the year 2015 available in Central Library.
12. There is no MRI in the Institution.
13. Other deficiencies as pointed out in the Assessment Report.

21. Increase of seats in MS(Orthopaedics) course at B. J. Govt. Medical College, Pune, Maharashtra under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (12th August 2015) on the physical and other teaching facilities available at B. J. Govt. Medical College, Pune, Maharashtra under Maharashtra University of Health Sciences, Nashik for Increase of seats in MS(Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (12th August 2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS(Orthopaedics) course at B. J. Govt. Medical College, Pune, Maharashtra under Maharashtra University of Health Sciences, Nashik u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 from 3(Three) to 6(Six) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

22. Increase of seats in MD(TB & Respiratory Medicine/ Pulmonary Medicine) course at Stanley Medical College, Chennai, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (12th August 2015) on the physical and other teaching facilities available at Stanley Medical College, Chennai, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Increase of seats in MD(TB & Respiratory Medicine/ Pulmonary Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (12th August 2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(TB & Respiratory Medicine/ Pulmonary Medicine) course at Stanley Medical College, Chennai, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 from 2(Two) to 3(Three) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

23. Starting of MD (Emergency Medicine) course at Andhra Medical College, Visakhapatnam under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (12/08/2015) on the physical and other teaching facilities available at Andhra Medical College, Visakhapatnam under Dr. NTR University of Health Sciences, Vijayawada for Starting of MD (Emergency Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (12/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Emergency Medicine) course at Andhra Medical College, Visakhapatnam under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Department of Emergency Medicine does not exist as such. There is no office, no seminar room, no departmental library, no offices for faculty.
2. Attendance sheet of the faculty & Residents is not available.
3. Doctors & Nursing staff working in Casualty knew nothing about the department of Emergency Medicine.
4. In spite of repeated requests, no faculty member was shown to the assessor till 1:30 p.m., no D.F. were given & no S.A.F. was provided till 6 p.m. on day of assessment.
5. Vice Principal prepared single appointment order of all faculty on 12/08/2015 i.e. on day of assessment.
6. Ancillary departments like Biochemistry, Pathology, Microbiology were not shown to assessor under the plea that they closed at 4 p.m.
7. None of the faculty has received any training in Emergency Medicine. Dr. T.N.S. Prakash, Asso. Prof. of Anaesthesiology has been shown as in charge Professor in the department of Emergency Medicine.
8. There is no death in the department of Emergency Medicine during last one year. This obviously means, Emergency department has no independent beds and does not admit any serious patients under their care without which, the training of the PG students will be inadequate.

9. All staff has been shifted to Emergency department in the month of August just before assessment, which means the department was not in existence prior to that.
10. SAF has been given to the Assessor on 13/08/2015 i.e. after the day of Assessment at the Visakhapatnam airport, which has not been accepted by the Assessor.
11. Other deficiencies as pointed out in the Assessment Report.

24. Starting of MD (Transfusion Medicine) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (12/08/2015) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD (Transfusion Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (12/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Transfusion Medicine) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Postgraduate degree of Dr. Sreelatha, Professor & HoD is not recognized and her promotion is not as per Regulations. She was never Assoc. Professor.
2. There was ZERO collection on day of assessment.
3. Apheresis machine is non-functional on day of assessment.
4. From the faculty table, it is not clear whether the faculty is in department of Pathology or in the department of Transfusion Medicine & if in latter, when they were transferred to Transfusion Medicine department.
5. Workload of investigations like Bone Marrow Biopsy, TT was NIL.
6. There is no Senior Resident in the department.
7. Other deficiencies as pointed out in the Assessment Report.

25. Starting of MD (Pulmonary Medicine) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (12/08/2015) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD (Pulmonary Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (12/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Pulmonary Medicine) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. There are 2 Units but only 50 beds implying deficiency of 10 teaching beds in 1 Unit.
2. PG degree of Dr. C.N. Natrajan, Professor & HOD is not recognized.
3. Unit 2 has only 1 faculty with 20 beds & is headed by Asst. Prof. & hence cannot be considered as a teaching Unit at all.
4. Total number of patients in OPD & IPD have decreased over a period of preceding 3 years.
5. Other deficiencies as pointed out in the Assessment Report.

26. Increase of seats in MD (Psychiatry) course at Osmania Medical College, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (12/08/2015) on the physical and other teaching facilities available at Osmania Medical College, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD (Psychiatry) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (12/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Psychiatry) course at Osmania Medical College, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Experience of Dr. Ravi Kanth, Dr. Asha Mounika, Dr. K. Ganga Ram, Dr. A.V. Malathi, Senior Residents as Resident in the department is not shown. Senior Resident in Unit II was absent.
2. There is no Senior Resident in Unit-II & III.
3. Bed Occupancy is only 62.5%.
4. There are only 2 faculty in Units IV & VI; hence they cannot be considered as PG Units.
5. Psychiatry Social Worker is not available.
6. Specialty clinics like Neuro Psychiatry clinic, Clinic for Senile Disorder, Psychomotor Clinic, Deaddiction clinic, Memory clinic, Family counseling are not run.
7. Department does not participate in National Mental Health programme.
8. Other deficiencies as pointed out in the Assessment Report.

27. Increase of seats in MS (Orthopaedics) course at Osmania Medical College, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (12/08/2015) on the physical and other teaching facilities available at Osmania Medical College, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MS (Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (12/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (Orthopaedics) course at Osmania Medical College, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The Major Operations and Total IPD during last 3 years was as follow:

	2012	2013	2014
Year-wise Major Operations	6814	7169	7527
Year-wise IPD	4550	4926	5231

It is obvious that Major Operations in all the three years are more than total IPD, which is not feasible. (Even if we consider that some of the patients might have undergone more than one operation)

2. There are only 3 publications in the department, which is already having 7 PG seats and 5 PG Units. It indicates inadequate academic and research environment.
3. Other deficiencies as pointed out in the Assessment Report.

28. Increase of seats in MS (OBG) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (13/08/2015) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (13/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (OBG) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. As there are 7 Units, total 21 faculty are required; however only 19 faculty are available; resultantly 2 Units are deficient and cannot be considered as PG Units.
2. Unit A, which is headed by Dr. K.V. Malini, Professor & HOD has no Asso. Prof.; resultantly faculty complement is incomplete & it cannot be considered as PG Unit.
3. Unit 1 at Bowring hospital has only 2 faculty; resultantly faculty complement is incomplete & it cannot be considered as PG Unit.
4. Unit III at Bowring hospital has only 2 faculty; resultantly faculty complement is incomplete & it cannot be considered as PG Unit.
5. Experience as Resident/Junior Resident has not been shown for any Senior Resident in the faculty table.
6. All categories of operations – Major, Minor, Daycare – have shown decline over 3 year period.
7. Cryo/LEEP Cautery is not available.
8. Data of Academic parameters have not been provided.
9. From average of 3 years, daily major operations: 3, which is inadequate.
10. OPD and IPD data of 3 years differ in tables on page 2 and 24.
11. Other deficiencies as pointed out in the Assessment Report.

29. Starting of MD (DVL) course at Surat Municipal Institute of Medical Education & Research, Surat under Veer Narmad South Gujarat University, Surat u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (13/08/2015) on the physical and other teaching facilities available at Surat Municipal Institute of Medical Education & Research, Surat under Veer Narmad South Gujarat University, Surat for Starting of MD (DVL) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (13/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD (DVL) course at Surat Municipal Institute of Medical Education & Research, Surat under Veer Narmad South Gujarat University, Surat u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 1(One) student per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

30. Increase of seats in MD(Anaesthesia) course at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17th August 2015) on the physical and other teaching facilities available at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Increase of seats in MD(Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Anaesthesia) course at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. There are NIL publications from the department in indexed journals in last 3 years.
2. Daily average of Major operations is only 14 which is inadequate.
3. There are 11 O.T.s with 20 tables implying many O.T.s have > 1 table which is not as per norms.
4. Academic parameters like Clinical Seminars (06 in no.), Group Discussions (12/year) are inadequate.
5. No non-teaching staff is available in the department.
6. ICD X Classification is not being used.
7. Faculty table does not give any details of Senior Faculty Members. It only gives information about Residents.
8. Other deficiencies as pointed out in the Assessment Report.

31. Starting of MD(Pathology) course at Mohan Kumaramangalam Medical College, Salem, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17th August 2015) on the physical and other teaching facilities available at Mohan Kumaramangalam Medical College, Salem,

Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MD(Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (17th August 2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(Pathology) course at Mohan Kumaramangalam Medical College, Salem, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 6(Six) students per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

32. Increase of seats in MD(Pathology) course at SMS Medical College, Jaipur, Rajasthan under Rajasthan University of Health Sciences u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17th August 2015) on the physical and other teaching facilities available at SMS Medical College, Jaipur, Rajasthan under Rajasthan University of Health Sciences for Increase of seats in MD(Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Pathology) course at SMS Medical College, Jaipur, Rajasthan under Rajasthan University of Health Sciences u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Although Frozen Section is made available in Surgery O.T., samples are not being sent there.
2. Since October 2014, only 60 samples have been sent for frozen section, of which 49 are from Oncology, 5 from Gastro surgery, 3 from Gynaecology, 3 from ENT.
3. Pathological post-mortems are not performed.
4. The Committee considered that already existing 12 seats are commensurate with available faculty, clinical material and infrastructure. No further increase is justifiable.
5. Other deficiencies as pointed out in the Assessment Report.

33. Starting of MD(Community Medicine) course at Stanley Medical College, Chennai, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17th August 2015) on the physical and other teaching facilities available at Stanley Medical College, Chennai, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MD(Community Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (17th August 2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(Community Medicine) course at Stanley Medical College, Chennai, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 5(Five) students per year, till the first batch admitted appears in the final examination of the said course. The

Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

34. Starting of MS (General Surgery) course at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MS (General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (General Surgery) course at Belagavi Institute of Medical Sciences, Belagavi under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty for PG course: (a) Asso. Prof.: 1; (b) Asst. Prof.: 4.
2. Shortage of Junior Resident: 6.
3. Unit I has no Asso. Prof.; hence faculty complement is incomplete; resultantly it cannot be considered as PG Unit.
4. Units II & III have only 2 faculty each; hence they cannot be considered as PG Units.
5. Unit IV has only 1 faculty; hence it cannot be considered as a teaching Unit at all.
6. Resultantly, there is no Unit which qualifies as PG Unit.
7. There is 1 Major O.T. with 2 tables which is not as per norms.
8. There is no office space for faculty except Professor & HOD.
9. NIL books on the subject have been purchased in last 3 years.
10. No specialty clinics are run.
11. MRI is not available.
12. Dr. S. Nandihalli, Senior Resident does not possess 3 years experience as Resident/Junior Resident in a medical college.
13. There are NIL Minor operations on day of assessment.
14. Equipment like Colonoscope is not available.
15. Other deficiencies as pointed out in the Assessment Report.

35. Starting of MS (Anatomy) course at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak for Starting of MS (Anatomy) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (17/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MS (Anatomy) course at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 3(Three) students per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution

be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

36. Starting of MD (Biochemistry) course at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak for Starting of MD (Biochemistry) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (17/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD (Biochemistry) course at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 3(Three) students per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

37. Starting of MD (Physiology) course at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak for Starting of MD (Physiology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (17/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD (Physiology) course at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 3(Three) students per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

38. Starting of MD (Microbiology) course at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak for Starting of MD (Microbiology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Microbiology) course at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health

Sciences, Rohtak u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. No Professor was present on the day of Assessment.
2. No Assoc. Professor was present on the day of Assessment.
3. Mycology workload is inadequate.
4. Other deficiencies as pointed out in the Assessment Report.

39. Starting of MD (Pathology) course at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak for Starting of MD (Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (17/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD (Pathology) course at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 5(Five) students per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

40. Starting of MD (Pharmacology) course at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak for Starting of MD (Pharmacology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (17/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD (Pharmacology) course at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 3(Three) students per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

41. Starting of MD (Forensic Medicine) course at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak for Starting of MD (Forensic Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Forensic Medicine) course at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Viewing gallery is not available for autopsy demonstration.
2. Medico-legal work other than Post-mortems like examination of sexual assault victim, sexual assault accused, age estimation, etc. is not carried out; their workload is NIL.
3. Other deficiencies as pointed out in the Assessment Report.

42. Starting of MD (Paediatrics) course at Government Medical College, Chandigarh under Punjab University, Chandigarh u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at Government Medical College, Chandigarh under Punjab University, Chandigarh for Starting of MD (Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (17/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD (Paediatrics) course at Government Medical College, Chandigarh under Punjab University, Chandigarh u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 2(Two) students per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

43. Starting of MD (Biochemistry) course at Government Medical College, Chandigarh under Punjab University, Chandigarh u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at Government Medical College, Chandigarh under Punjab University, Chandigarh for Starting of MD (Biochemistry) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (17/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD (Biochemistry) course at Government Medical College, Chandigarh under Punjab University, Chandigarh u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 3(Three) students per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

44. Starting of MS (OBG) course at Guru Gobind Singh Medical College & Hospital, Faridkot under Baba Farid University of Health Sciences, Faridkot u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at Guru Gobind Singh Medical College & Hospital, Faridkot under Baba Farid University of Health Sciences, Faridkot for Starting of MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (OBG) course at Guru Gobind Singh Medical College & Hospital, Faridkot under Baba Farid University of Health Sciences, Faridkot u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. There were NIL Major & Minor operations on day of assessment.
2. No. of MTPs in II Trimester is just 1 in last 3 years.
3. Figures of operative work provided by the institute are highly exaggerated.
4. Senior Residents are not staying in the campus; hence cannot be considered.
5. Specialty clinics are only for namesake. No data of any sort are available for the same.
6. Three faculty reported after 3 p.m. for attendance along with Residents.
7. Total number of Major operations in 2014 is only 332 implying daily average of < 1 which is inadequate.
8. As per last 3 years data, daily Major Operations are as below:

2012	2013	2014
231	543	332

9. These are grossly inadequate. Average daily is 1 to 2 only.
9. Delivery and Caesarean Sections are only 3 per day, which is grossly inadequate.
10. Unit-II has no Senior Resident.
11. Operative work is inadequate. No Major or Minor Surgery on the day of Assessment.
12. Other deficiencies as pointed out in the Assessment Report.

45. Starting of MD (Biochemistry) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD (Biochemistry) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Biochemistry) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Promotion of Dr. Vittal B.G., Professor & HoD is not as per Regulations. He was Assoc. Professor for 3 years 5 months against the requirement of 4 years.
2. Services like Hormone Assays, Tumour markers are not available.
3. Departmental Library & Seminar Room are located in the same room.
4. Deficiency of faculty: (a) Tutor: 1.
5. Animal House is not available.
6. Common Research Laboratory under Microbiology department is being made functional & not open to all departments.
7. Equipment for PG training like ELISA Reader, PCR are not available.
8. Website needs to be updated.
9. Other deficiencies as pointed out in the Assessment Report.

46. Starting of MD (Pathology) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD (Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Pathology) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Workload of CT & USG guided FNAC, Frozen Section, Bone Marrow is NIL.
2. Pathological post-mortems are not performed.
3. Deficiency of faculty: (a) Asso. Prof.: 1; (b) Asst. Prof.: 1; (b) Tutor: 2.
4. Faculty required for Blood Bank – 1 Asso. Prof. & 1 Asst. Prof. – are not available.
5. The following equipment are not available:
 - (a) Pentahead Microscope;
 - (b) Automated Tissue Processor;
 - (c) Electrophoresis;
 - (d) Semi Automated Coagulometer.
6. Central or Departmental Research Laboratory is not available.
7. In Museum, only 1 catalogue is available. Many specimens are not numbered.
8. Needle cutter was not available at collection area. Burning of tip of needle was not done. Thus elementary safety precautions are not observed.
9. Declaration Forms & SAF were not ready at time of assessment. SAF was provided at 5:50 p.m. which contains many mistakes as detailed in the report.
10. Other deficiencies as pointed out in the Assessment Report.

47. Starting of MD (Forensic Medicine) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at Hassan Institute of Medical Sciences, Hassan under Rajiv

Gandhi University of Health Sciences, Karnataka for Starting of MD (Forensic Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Forensic Medicine) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty for PG: (a) Asso. Prof.: 1.
2. There is no equipment in room for sexual offence examination room.
3. No firearms are available in the museum.
4. Water supply is not available in Practical hall.
5. Departmental Library does not have computer & Internet access.
6. Audiovisual aids are inadequate.
7. Two Tutors have been recently transferred from another department and records show that they are not involved in any departmental activity like teaching, demonstration, medico-legal work. There was no Tutor working in the department since May 2014.
8. Central Research Laboratory is not available.
9. Promotion of Dr. P.I. Inamdar, Professor & HOD is not as per Regulations as he has been promoted as Professor with experience of only 3 y 8 m as Asso. Prof. without any benefit of publications against requirement of 4 y as per Regulations.
10. Open Mortuary with fly proofing arrangement is not available.
11. There is only one international journal procured by the Central Library.
12. Departmental Library have only 100 books.
13. Other deficiencies as pointed out in the Assessment Report.

48. Starting of MD (Paediatrics) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD (Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Paediatrics) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Professor is absent as he had gone on MCI assessment; however his Declaration Form for 2016-2017 was not duly filled.
2. Deficiency of faculty for PG : (a) Asso. Prof.: 1; (b) Asst. Prof.: 1; (c) Junior Resident: 4.
3. Bed occupancy is only 46% on day of assessment.
4. Specialty clinics like Paediatric Cardiology, Paediatric Nephrology, Paediatric Endocrinology, Paediatric Haematology are not run.
5. Space in OPD is insufficient. There is no place for Asst. Prof.
6. Central Research Laboratory is not available.
7. There are 2 Units but only 50 beds, implying deficiency of 10 teaching beds in 1 Unit.

8. Unitwise distribution of faculty is not given.
9. Services like Dialysis, Endoscopy, Child Counseling, Bronchoscopy, PFT are not available.
10. Other deficiencies as pointed out in the Assessment Report.

49. Starting of MS (General Surgery) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MS (General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (General Surgery) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Bed occupancy is 74% on day of assessment.
2. Operative workload of Major & Minor operations has decreased over a period of 3 years.
3. Deficiency of faculty: (a) Asso. Prof.: 2; (b) Asst. Prof.: 3.
4. Shortage of Residents: (a) Senior Resident: 1; (b) Junior Resident: 1.
5. Laparoscopic Surgery instruments are not available.
6. Data of investigations for last 3 years are not provided.
7. Unit A has no Asso. Prof. & there are only 2 faculty; hence faculty complement is incomplete & it cannot be considered as PG Unit.
8. Units B & C have only 2 faculty each; hence they cannot be considered as PG Units.
9. Unit D has only 1 faculty; hence it cannot be considered as teaching Unit at all.
10. Resultantly there is no Unit which can qualify as PG Unit.
11. Only 2 beds were occupied in ICU on day of assessment.
12. Specialty clinics like Cardiovascular & Thoracic Surgery clinic, Plastic Surgery clinic, Neurosurgery clinic, Paediatric Surgery clinic are not run.
13. MRI is not available.
14. Other deficiencies as pointed out in the Assessment Report.

50. Starting of MS (Orthopaedics) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MS (Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (Orthopaedics) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty: (a) Asso. Prof.: 2; (b) Asst. Prof.: 1.
2. MRI is not available.
3. Specialty clinics like Arthroplasty clinic, Arthroscopy clinic, Spine clinic, CTEV clinic are not run.
4. Unit A is headed by Asst. Prof. & has only 1 faculty; hence it cannot be considered as a teaching Unit at all.
5. Unit B has no Asso. Prof.; hence faculty complement is incomplete & it cannot be considered as PG Unit.
6. There were only 2 Minor operations on day of assessment. Weekly average of Minor operations is only 6 implying daily average of 1 which is inadequate.
7. Services like Joint replacement, Arthroplasty, Arthroscopy are not available.
8. Investigative facilities like Nerve Conduction, EMG are not available.
9. Office space for faculty other than Professor is not available.
10. Each O.T. has 2 Tables, which is not permissible.
11. Other deficiencies as pointed out in the Assessment Report.

51. Increase of seats in MS (General Surgery) course at Kakatiya Medical College, Warangal under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at Kakatiya Medical College, Warangal under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (General Surgery) course at Kakatiya Medical College, Warangal under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Bed occupancy was 86 Males + 35 Females = 121 out of 198 – i.e. 61% on day of assessment.
2. Only 198 dedicated teaching beds are available for the department which is inadequate against requirement of 210 beds for 7 Units. Distance between 2 beds is < 1.5 m. Additional 30 beds of Infectious Diseases ward were claimed under General Surgery department but were not shown to assessor.
3. Distribution of these 198 beds is highly skewed towards males – 141 beds are for males (71%) while only 57 (29%) are for females.
4. Unit III has only 2 faculty; hence it cannot be considered as PG Unit.
5. Specialty clinics like Surgical Gastroenterology clinic, Surgical Oncology clinic are not run.
6. In OPD, patient Examination room is temporary structure, Dressing Room is small, minor Procedure Room is not available.
7. Space for faculty rooms was not shown to assessor.
8. O.T. register was not shown in spite of repeated requests.
9. Details of experience of Senior Residents is not shown in the faculty table.
10. There are no publications from the department in indexed journals in last 3 years.
11. Details of Academic activities were not provided in spite of repeated requests.
12. Other deficiencies as pointed out in the Assessment Report.

The Postgraduate Medical Education Committee also observed that the existing facilities (faculty, infrastructure, clinical material) are not sufficient even for 10 already existing seats. Some of the observations of the Assessors are reproduced below:-

- (a) In the OPD section of the Department, patient examination room is temporary structure, Dressing Room is inadequate in space, minor procedure room is absent. Out patient department surgical patient records/register were requested but not available.
- (b) In the department the 2nd/3rd/4th Professor room were not shown, Associate Professor rooms insufficient and inadequate, Departmental library books/journal were not as per MCI rules, in number and type.
- (c) Details of Clinical teaching program, journal reading activities, Clinicopathological meetings, surgical resident log book, recent papers/publication/ poster, college council meetings details were not available on request.

The Committee further decided that the Dean may be asked to submit the comments before any further action is taken in the matter.

52. Increase of seats in MD (Paediatrics) course at Kakatiya Medical College, Warangal under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at Kakatiya Medical College, Warangal under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD (Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Paediatrics) course at Kakatiya Medical College, Warangal under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Dr. M. Yogi and Dr. Laxmi, Associate Professors were absent. Consequently, Unit-I has no Associate Professor and Unit-II has only two faculty.
2. As per faculty table, there are 7 Assistant Professors but as per list on page 2 there are 5 Assistant Professors. There is discrepancy.
3. Spectrum of cases is narrow for training of PG students.
4. Wards are ill organized for a clean working atmosphere to train PGs.
5. Teaching facilities are not available in OPD. There is too much congestion.
6. PG students are not posted to handle newborn resuscitation in maternity hospitals where Paediatrics faculty are working and posted.
7. No Child Psychiatry services or Clinical psychologist is available.
8. Details of experience of several Senior Residents are not shown in the faculty table.
9. Academic parameters like Theory Classes (12/year), Clinical Seminars (12/year), Journal Clubs (12/year), Group Discussions (12/year) are inadequate.
10. Other deficiencies as pointed out in the Assessment Report.

53. Increase of seats in MD (Radio-Diagnosis) course at Osmania Medical College, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at Osmania Medical College, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD (Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Radio-Diagnosis) course at Osmania Medical College, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Workload of USG/CT guided FNAC/Biopsy, DSA is NIL during last 3 years.
2. DSA is not available.
3. Radiation protection is partial.
4. Rooms for faculty are inadequate.
5. There are no publications from the department in indexed journals in last 3 years.
6. Other deficiencies as pointed out in the Assessment Report.

54. Starting of MD (Palliative Medicine course at St. John's Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17/08/2015) on the physical and other teaching facilities available at St. John's Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD (Palliative Medicine course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Palliative Medicine course at St. John's Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The only Unit has 30 beds which include 8 beds of other specialties & 12 hospice beds, thus leaving only 12 beds for the department.
2. OPD on day of assessment is only 12. It was only 815 for the year 2014.
3. There are no Junior Residents.
4. Total number of patients in IPD was only 96 in 2014. Other 1,774 patients were follow-up patients of other departments.
5. Departmental Library has only 40 books.
6. Other deficiencies as pointed out in the Assessment Report.

55. Starting of MD (Community Medicine) course at BPS Government Medical College for Women, Sonapat under PT. B.D. Sharma University of Health Sciences, Rohtak u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (17th & 18th August, 2015) on the physical and other teaching facilities available at BPS Government Medical College for Women,

Sonepat under PT. B.D. Sharma University of Health Sciences, Rohtak for Starting of MD (Community Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (17th & 18th August, 2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD (Community Medicine) course at BPS Government Medical College for Women, Sonepat under PT. B.D. Sharma University of Health Sciences, Rohtak u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 4(Four) students per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

56. Increase of seats in MD(Paediatrics) course at Government Medical College, Thrissur, Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (18th August 2015) on the physical and other teaching facilities available at Government Medical College, Thrissur, Kerala under Kerala University of Health Sciences, Thrissur for Increase of seats in MD(Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Paediatrics) course at Government Medical College, Thrissur, Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. There is no Asso. Prof. in Unit I headed by HOD; hence faculty complement is incomplete; resultantly it cannot be considered as PG Unit.
2. Designation of faculty & Residents in Units II & III is not provided in faculty table.
3. Average daily OPD is 115 which is only slightly more than minimum required to start PG course.
4. Services like Parenteral Nutrition, Endoscopy are not available.
5. Equipment like Upper GI Endoscope, Dialysis machines, Doppler, CPAP, Bronchoscope, etc. are not available in the department.
6. Academic activities like Clinical Seminars (11/year), Journal Clubs (07 in no.) are inadequate.
7. Total IPD of last year was 37856 which is more than current total OPD which is not feasible.
8. ICD X classification is not being followed.
9. Some of the lecturers were appointed prior to their acquiring PG qualifications, which is not permissible.
10. Other deficiencies as pointed out in the Assessment Report.

57. Increase of seats in MD (Anaesthesia) course at Gandhi Medical College, Secunderabad, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (18/08/2015) on the physical and other teaching facilities available at Gandhi Medical College, Secunderabad, Andhra Pradesh

under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD (Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (18/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD (Anaesthesia) course at Gandhi Medical College, Secunderabad, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 from 7(Seven) to 10(Ten) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

58. Starting of MD (Radio-Diagnosis) course at Government Medical College, Chandigarh under Punjab University, Chandigarh u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (18/08/2015) on the physical and other teaching facilities available at Government Medical College, Chandigarh under Punjab University, Chandigarh for Starting of MD (Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Radio-Diagnosis) course at Government Medical College, Chandigarh under Punjab University, Chandigarh u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. MRI & DSA are under installation.
2. Workload of Mammography is only 30/month & that of CT guided FNAC/Biopsy only 17/year which is inadequate.
3. Details of experience as Resident has not been given in respect of any Senior Resident in the faculty table.
4. Other deficiencies as pointed out in the Assessment Report.

59. Starting of MD (General Medicine) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (18/08/2015) on the physical and other teaching facilities available at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD (General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (General Medicine) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty: (a) Asso. Prof.: 1; (b) Asst. Prof.: 6.
2. Shortage of Residents: (a) Senior Resident: 2; (b) Junior Resident: 7.
3. MRI is not available.

4. Unit 1 has no Asso. Prof. & has only 2 faculty; hence it cannot be considered as PG Unit.
5. Units 2,3 & 4 have only 1 faculty each; hence they cannot be considered as teaching Units at all. Unit 4 does not have any Resident. Resultantly, there is no Unit which can qualify as PG Unit.
6. Specialty clinics like Haematology clinic, Gastroenterology clinic are not run.
7. Services like Bronchoscopy are not available.
8. Investigative facilities like Nerve Conduction, EMG are not available.
9. Other deficiencies as pointed out in the Assessment Report.

60. Starting of MS (Orthopaedics) course at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (18/08/2015) on the physical and other teaching facilities available at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MS (Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (Orthopaedics) course at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. MRI is not available.
2. OPD space inadequate. In OPD, 6 cubicles have been created under one roof with a common entrance which is difficult for trolley & wheel chair.
3. Specialty clinics have been created only in registers. There is no space for clinics at ground level.
4. Central Research Laboratory is not available.
5. 24 hours Casualty, Laboratory Services not present.
6. Other deficiencies as pointed out in the Assessment Report.

61. Increase of seats in MD(Paediatrics) course at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (19th August 2015) on the physical and other teaching facilities available at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Increase of seats in MD(Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (19th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Paediatrics) course at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Paediatric Endoscopy & Paediatric Bronchoscopy are not available.
2. There are only 2 publications from the department in indexed journals in last 3 years.

3. Academic parameters like Clinical Seminars (12/year), Journal Clubs (12/year) are inadequate.
4. Other deficiencies as pointed out in the Assessment Report.

62. Increase of seats in MD(Anaesthesia) course at SMS Medical College, Jaipur, Rajasthan under Rajasthan University of Health Sciences u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (19th August 2015) on the physical and other teaching facilities available at SMS Medical College, Jaipur, Rajasthan under Rajasthan University of Health Sciences for Increase of seats in MD(Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (19th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Anaesthesia) course at SMS Medical College, Jaipur, Rajasthan under Rajasthan University of Health Sciences u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. PG students are not maintaining any log book.
2. Office back up is poor & lacks co-ordination with other offices of the hospital / college / laboratories.
3. Relevant data are not available at a central place. Data pertaining to MEU, Ethics Committee were not provided to assessor.
4. No record of CPC is available.
5. Academic parameters like Case Presentations (20/year), Group Discussions (12/year) are inadequate.
6. On inspection day, there were 2245 MRI which seems impossible.
7. The college is already having 40 seats and at present there are 156 doctors working in the department of Anaesthesia. Looking into the available infrastructure, clinical material, academic and research activity, the Committee felt that no further increase is justifiable.
8. Other deficiencies as pointed out in the Assessment Report.

63. Increase of seats in MD (Pathology) course at Gandhi Medical College, Secunderabad, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (19/08/2015) on the physical and other teaching facilities available at Gandhi Medical College, Secunderabad, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD (Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (19/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD (Pathology) course at Gandhi Medical College, Secunderabad, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 from 4(Four) to 8(Eight) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

64. Starting of MD (Anaesthesia) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (19/08/2015) on the physical and other teaching facilities available at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD (Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (19/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Anaesthesia) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty: (a) Asso. Prof.: 1; (b) Asst. Prof.: 3.
2. Shortage of Junior Residents: 2.
3. Some O.T.s have more than 1 table which is not as per norms.
4. Preoperative preparation Room is not available.
5. Specialty clinic like pain clinic is not run.
6. Rooms for faculty other than Professor & Residents are not available. Class room is not available.
7. ABG Analyzer is not in working order on day of assessment.
8. Central Research Laboratory is not available.
9. MRI is not available.
10. Daily average Major operations are only 10 which are inadequate.
11. Other deficiencies as pointed out in the Assessment Report.

65. Increase of seats in MD (General Medicine) course at Kakatiya Medical College, Warangal under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (19/08/2015) on the physical and other teaching facilities available at Kakatiya Medical College, Warangal under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD (General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (19/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (General Medicine) course at Kakatiya Medical College, Warangal under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty: (a) Asst. Prof.: 1.
2. Details of experience as Resident are not given in the faculty table in respect of any Senior Resident.
3. Unit VII has only 2 faculty; hence it cannot be considered as PG Unit.
4. Specialty clinic like Haematology clinic is not run.
5. Academic parameter like Group Discussions (12/year) is inadequate.
6. IPD of last year on page 3 has been given as 52998 but on page 5 it is given as 27740 which is not feasible.
7. Qualification, experience, date of joining of Senior Residents is not given in faculty table.
8. Experience details of the faculty in different ranks has not been given in the faculty table.

9. Other deficiencies as pointed out in the Assessment Report.

66. Starting of MD (General Medicine) course at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (19/08/2015) on the physical and other teaching facilities available at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD (General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (19/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (General Medicine) course at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. MRI is not available.
2. Specialty clinics like Nephrology clinic, Haematology clinic, Gastroenterology clinic are not run.
3. Other deficiencies as pointed out in the Assessment Report.

67. Starting of MD (Paediatrics) course at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (19/08/2015) on the physical and other teaching facilities available at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD (Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (19/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Paediatrics) course at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. There is no Professor.
2. Bed occupancy is only 66% on day of assessment. Average bed Occupancy is 50-55%.
3. MRI is not available.
4. PICU is not available.
5. Most of patients were stable or suffering from conditions like Viral fever.
6. ILR was non-functional.
7. Paediatric Endoscopy, Dialysis facilities are not available.
8. Unit 2 has only 2 faculty; hence it cannot be considered as PG Unit.
9. Specialty clinics like Paediatric Cardiology, Paediatric Nephrology, Paediatric Endocrinology, Paediatric Gastroenterology clinic, Paediatric Neurology clinic, Asthma clinic, Thalassemia clinic are not run.
10. Thalassemia services are not available.
11. Other deficiencies as pointed out in the Assessment Report.

68. Increase of seats in MD(DVL) course at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (20th August 2015) on the physical and other teaching facilities available at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Increase of seats in MD(DVL) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (20th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(DVL) course at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Workload of Skin Grafting Procedures is NIL in last 3 years.
2. Specialty clinics like Pigmentary clinic, Autoimmune Diseases clinic are not run.
3. Academic parameters like Clinical Seminars (14/year), Journal Clubs (20/year) are inadequate.
4. There are 4 publications cited and all of them are authored by Arun Kumar who is not a faculty in this college.
5. Other deficiencies as pointed out in the Assessment Report.

69. Increase of seats in MS(OBG) course at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (20th August 2015) on the physical and other teaching facilities available at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Increase of seats in MS(OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (20th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(OBG) course at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Teaching beds are not arranged properly, no separation from non-teaching beds.
2. Specialty clinics like Gynaec. Endocrine clinic & Oncology clinic are not run.
3. Seminar Room & Demonstration Room did not seem to be functional on day of assessment.
4. No separate O.T. register is maintained in proper format.
5. No records of teaching assignments including seminars, lectures are available.
6. No log book was shown by PG students.
7. No separate Eclampsia Room is available.
8. No separate Gynaec. ICU is available.
9. There was NIL Major & NIL Minor Obstetric and 1 Major & NIL Minor Gynaecology operation on day of assessment.

10. Academic activities like Clinical Seminars (12/year), Journal Clubs (12/year), Case Presentations (12/year), Group Discussions (NIL) are inadequate.
11. There are no publications during the last 3 years.
12. The SAF has been altered. The columns of Deliveries, Birth have been left blank.
13. Other deficiencies as pointed out in the Assessment Report.

70. Increase of seats in MD(Paediatrics) course at SMS Medical College, Jaipur, Rajasthan under Rajasthan University of Health Sciences u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (20th August 2015) on the physical and other teaching facilities available at SMS Medical College, Jaipur, Rajasthan under Rajasthan University of Health Sciences for Increase of seats in MD(Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (20th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Paediatrics) course at SMS Medical College, Jaipur, Rajasthan under Rajasthan University of Health Sciences u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. There are 484 beds in 10 Units which is not as per norms.
2. Unit IV, VI, VII & Paediatric Unit at Gangori Hospital have only 2 faculty each; hence they cannot be considered as PG Units.
3. Unit V has only 1 faculty; hence it cannot be considered as a teaching Unit at all.
4. Paediatric Unit at Zanana Hospital is headed by Asst. Prof. & has only 2 faculty; hence it cannot be considered as a teaching Unit at all.
5. Paediatric Unit at Mahila Chikitsalaya is headed by Asst. Prof. & has only 2 faculty; hence it cannot be considered as a teaching Unit at all. Resultantly, there is deficiency of 1 Unit.
6. Data of clinical material for 3 years is not provided.
7. The college is already having 27 seats in the department of Paediatrics. Looking into the available infrastructure, clinical material, academic and research activity, the Committee felt that no further increase is justifiable.
8. Other deficiencies as pointed out in the Assessment Report.

71. Increase of seats in MD (Paediatrics) course at Command Hospital Air Force, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (20/08/2015) on the physical and other teaching facilities available at Command Hospital Air Force, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD (Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (20/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Paediatrics) course at Command Hospital Air Force, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. There is only 1 Unit.

2. OPD attendance on day of assessment was only 71. Daily average is 74 which is inadequate.
3. Only 2 beds were occupied in PICU on day of assessment.
4. Specialty clinics like Paediatric Cardiology, Paediatric Endocrinology are not run.
5. Departmental Library has 78 books.
6. Promotion of Gp.Cpt. Biju M. John, Associate Professor is not as per Regulations. He has been Assistant Professor for 3 years against the requirement of 5 years.
7. In case of Dr. Vandana Negi, Prof. & HOD, there is no certificate from the Competent Authority of the office of DGAFMS about her places of posting as Graded, Qualified Specialists and Advisor without which her equated academic rank cannot be calculated.
8. Other deficiencies as pointed out in the Assessment Report.

72. Starting of MD (Psychiatry) course at Gandhi Medical College, Secunderabad, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (20/08/2015) on the physical and other teaching facilities available at Gandhi Medical College, Secunderabad, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada for Starting of MD (Psychiatry) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (20/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Psychiatry) course at Gandhi Medical College, Secunderabad, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. OPD attendance on day of assessment was only 32. Daily average is 34 which is inadequate.
2. Bed occupancy was 50% on day of assessment. Average bed occupancy is 40-50% which is inadequate.
3. The department does not participate in National Mental Health Programme.
4. Bio feedback services are not available.
5. Chronic Psychiatric Care facility is not available.
6. ICD X classification not being followed.
7. Experience of Dr. Uma Shankar, HOD is shown as Assistant Professor from 24th May, 2008 to 10th October, 2003 which is not feasible.
8. Dr. B. Rajshekhar, Associate Professor with DNB qualification - his year and place of posting not provided without which his eligibility cannot be assessed.
9. Other deficiencies as pointed out in the Assessment Report.

73. Increase of seats in MD (DVL) course at Gandhi Medical College, Secunderabad, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (20/08/2015) on the physical and other teaching facilities available at Gandhi Medical College, Secunderabad, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD (DVL) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (20/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (DVL) course at Gandhi Medical College, Secunderabad, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Bed occupancy is 68.75% on day of assessment.
2. Books in Central Library are inadequate.
3. Equipment like LASER for hair reduction, LASER for scar revision are not available.
4. OPD has jumped from 46260 in a year to 61993 in year three, which is usually not feasible.
5. IPD of last year only 588 against the 80 beds which is less than two times per day.
6. ICD X classification is not being followed.
7. MRD not computerized.
8. Most of the faculty did not produce PG and Resident certificates.
9. Other deficiencies as pointed out in the Assessment Report.

74. Starting of MD (Radio-Diagnosis) course at Karnataka Institute of Medical Sciences, Hubli under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (20/08/2015) on the physical and other teaching facilities available at Karnataka Institute of Medical Sciences, Hubli under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD (Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (20/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Radio-Diagnosis) course at Karnataka Institute of Medical Sciences, Hubli under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty for PG: (a) Asso. Prof.: 1.
2. Shortage of Senior Resident for PG: 1.
3. One 600 mA and 2 800 mA with IITV X-ray machines are not available.
4. Details of publications from the department are not provided.
5. Promotion of HOD Dr. G.C. Patil is not as per Regulations. He was Assistant Professor for 4 years 7 months and Associate Professor 1 year 4 months against the requirement of 5 years and 4 years respectively.
6. Dr. Srivijay, Assistant Professor with DNB qualification is not eligible. He has no post DNB experience.
7. On inspection day, there were 7 MRI, no CT scan and only 35 Ultrasound in the entire hospital which is grossly inadequate.
8. There are only 3 Radiological Journal in the library.
9. Investigative data on inspection day differ in the tables on page 2 and page 8.
10. Other deficiencies as pointed out in the Assessment Report.

75. Starting of MD(Community Medicine) course at Jawaharlal Nehru Medical College, Ajmer, Rajasthan under Rajasthan University of Health Sciences u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (20th & 21st August 2015) on the physical and other teaching facilities available at Jawaharlal Nehru Medical College, Ajmer, Rajasthan under Rajasthan University of Health Sciences for Starting of MD(Community Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (20th & 21st August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Community Medicine) course at Jawaharlal Nehru Medical College, Ajmer, Rajasthan under Rajasthan University of Health Sciences u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty: (a) Asso. Prof.: 1.
2. RHTC is non-residential. Presently residential facility is available only for DHMS staff which implies that it is not fully under control of Dean.
3. Dr. Mamta Sharma, who is shown as M.O. i/c RHTC is also shown as an Asst. Prof. in the department which is not permissible. Resultantly there is deficiency of Lecturer cum M.O. at RHTC.
4. Staff under NRHM & from DHMS is utilized at RHTC. However it is not clarified whether such staff is brought under full control of Dean or not.
5. Other deficiencies as pointed out in the Assessment Report.

76. Starting of MS(ENT) course at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (21st August 2015) on the physical and other teaching facilities available at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MS(ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21st August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS(ENT) course at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Workload of Major operations is 2/day which is inadequate. It was 412 for year 2014 implying daily average of 1.4.
2. Specialty related clinics like Rhinology related & Cancer related clinic are not run.
3. The department does not participate in National programme for Prevention & Control of Deafness.
4. Publications during the last 3 years Nil
5. BERA 1 to 2 per day.
6. Impedance 1 to 2 per day which is grossly inadequate.
7. Promotion of Dr. P.B. Haridoss, Associate Professor is not as per Regulation. His experience at Kasturba Gandhi Hospital for Women & Children, Chennai cannot be considered as a teaching experience.
8. Other deficiencies as pointed out in the Assessment Report.

77. Starting of MD(Psychiatry) course at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (21st August 2015) on the physical and other teaching facilities available at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MD(Psychiatry) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (21st August 2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(Psychiatry) course at Chengalpattu Medical College, Chengalpattu, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 3(Three) students per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

78. Increase of seats in MD(DVL) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (21st August 2015) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) for Increase of seats in MD(DVL) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21st August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(DVL) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. There are 2 Units; hence 2 Senior Residents are required. As only 1 is available, there is shortage of Senior Resident: 1.
2. Bed occupancy on day of assessment as well as on randomly selected days is not provided.
3. OPD on inspection day was 108 on page 2 and 89 on page 15 which raises doubt about the genuineness of the data.
4. The college is already having 02 seats in the department of DVL. Looking into the available infrastructure, clinical material, academic and research activity, the Committee felt that no further increase is justifiable.
5. Other deficiencies as pointed out in the Assessment Report.

79. Increase of seats in MD(TB & Respiratory Medicine/ Pulmonary Medicine) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (21st August 2015) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram,

Tamilnadu under Chettinad Academy of Research and Education (Deemed University) for Increase of seats in MD(TB & Respiratory Medicine/ Pulmonary Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21st August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(TB & Respiratory Medicine/ Pulmonary Medicine) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Dr. Nisha Ganga does not have any certificate showing post DTCD experience as Resident. Hence she possesses experience of only 2 y as Resident against requirement of 3 y as per Regulations; hence she cannot be considered as Senior Resident.
2. Resultantly there is shortage of Senior Resident: 1.
3. There is no full time Medical Officer or Tb Health Visitor for RNTCP.
4. There are 05 faculty in 02 Units against the requirement of 06. Hence, deficiency of Assistant Professor-01.
5. Both Senior Residents are not eligible. They have no 03 years experience at the time of appointment. Hence, deficiency of Senior Resident-01.
6. Unitwise distribution of faculty is not provided.
7. Other deficiencies as pointed out in the Assessment Report.

80. Request for starting of MD/MS (Anatomy) course at Tagore Medical College and Hospital, Chennai, Tamilnadu u/s 10A of the IMC Act, 1956 for the academic session 2016-17- withdrawal of application - regarding.

Read: the Council Assessor's Report (21st August 2015) on the physical and other teaching facilities available at Tagore Medical College and Hospital, Chennai, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MD(Anatomy) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17 along with the E-mail dated 21/08/2015 received from the Dean, Tagore Medical College and Hospital, Chennai, Tamilnadu withdrawing the application.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21st August 2015) along with the E-mail dated 21/08/2015 received from the Dean, Tagore Medical College and Hospital, Chennai, Tamilnadu withdrawing the application and decided to return the application to the Central Government.

81. Request for starting of MD (Physiology) course at Tagore Medical College and Hospital, Chennai, Tamilnadu u/s 10A of the IMC Act, 1956 for the academic session 2016-17- withdrawal of application - regarding.

Read: the Council Assessor's Report (21st August 2015) on the physical and other teaching facilities available at Tagore Medical College and Hospital, Chennai, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MD(Physiology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17 along with the E-mail dated 21/08/2015 received from the Dean, Tagore Medical College and Hospital, Chennai, Tamilnadu withdrawing the application.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21st August 2015) along with the E-mail dated 21/08/2015 received from the Dean, Tagore Medical College and Hospital, Chennai, Tamilnadu

withdrawing the application and decided to return the application to the Central Government.

82. Request for starting of MD (Biochemistry) course at Tagore Medical College and Hospital, Chennai, Tamilnadu u/s 10A of the IMC Act, 1956 for the academic session 2016-17– withdrawal of application – regarding.

Read: the Council Assessor's Report (21st August 2015) on the physical and other teaching facilities available at Tagore Medical College and Hospital, Chennai, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MD(Biochemistry) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17 along with the E-mail dated 21/08/2015 received from the Dean, Tagore Medical College and Hospital, Chennai, Tamilnadu withdrawing the application.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21st August 2015) along with the E-mail dated 21/08/2015 received from the Dean, Tagore Medical College and Hospital, Chennai, Tamilnadu withdrawing the application and decided to return the application to the Central Government.

83. Request for starting of MD (Microbiology) course at Tagore Medical College and Hospital, Chennai, Tamilnadu u/s 10A of the IMC Act, 1956 for the academic session 2016-17– withdrawal of application – regarding.

Read: the Council Assessor's Report (21st August 2015) on the physical and other teaching facilities available at Tagore Medical College and Hospital, Chennai, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MD(Microbiology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17 along with the E-mail dated 21/08/2015 received from the Dean, Tagore Medical College and Hospital, Chennai, Tamilnadu withdrawing the application.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21st August 2015) along with the E-mail dated 21/08/2015 received from the Dean, Tagore Medical College and Hospital, Chennai, Tamilnadu withdrawing the application and decided to return the application to the Central Government.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21st August 2015) along with the E-mail dated 21/08/2015 received from the Dean, Tagore Medical College and Hospital, Chennai, Tamilnadu withdrawing the application and decided to return the application to the Central Government.

85. Request for starting of MD (Pharmacology) course at Tagore Medical College and Hospital, Chennai, Tamilnadu u/s 10A of the IMC Act, 1956 for the academic session 2016-17- withdrawal of application – regarding.

Read: the Council Assessor's Report (21st August 2015) on the physical and other teaching facilities available at Tagore Medical College and Hospital, Chennai, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MD(Pharmacology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17 along with the E-mail dated 21/08/2015 received from the Dean, Tagore Medical College and Hospital, Chennai, Tamilnadu withdrawing the application.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21st August 2015) along with the E-mail dated 21/08/2015 received from the Dean, Tagore Medical College and Hospital, Chennai, Tamilnadu withdrawing the application and decided to return the application to the Central Government.

86. Request for starting of MD (Forensic Medicine) course at Tagore Medical College and Hospital, Chennai, Tamilnadu u/s 10A of the IMC Act, 1956 for the academic session 2016-17- withdrawal of application – regarding.

Read: the Council Assessor's Report (21st August 2015) on the physical and other teaching facilities available at Tagore Medical College and Hospital, Chennai, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MD(Forensic Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17 along with the E-mail dated 21/08/2015 received from the Dean, Tagore Medical College and Hospital, Chennai, Tamilnadu withdrawing the application.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21st August 2015) along with the E-mail dated 21/08/2015 received from the Dean, Tagore Medical College and Hospital, Chennai, Tamilnadu withdrawing the application and decided to return the application to the Central Government.

87. Increase of seats in MS(General Sugery) course at Jawaharlal Nehru Medical College, Ajmer, Rajasthan under Rajasthan University of Health Sciences u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (21th August 2015) on the physical and other teaching facilities available at Jawaharlal Nehru Medical College, Ajmer, Rajasthan under Rajasthan University of Health Sciences for Increase of seats in MS(General Sugery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(General Sugery) course at Jawaharlal Nehru Medical College, Ajmer, Rajasthan under Rajasthan University of Health Sciences u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Unit IV has only 2 faculty; hence it cannot be considered as PG Unit.
2. Specialty clinics are not run by the department.
3. Academic parameter like Group Discussions (20/year) is inadequate.
4. Daily Major Surgery from 3 years data 10.7. However, on the day of Assessment, there were only 6, which is inadequate. This is data mismatch.

5. As per available faculty, maximum permissible is 11 seats. The Institute is already having 11 seats. Hence, no further increase is justifiable.
6. Other deficiencies as pointed out in the Assessment Report.

88. Increase of seats in MS (General Surgery) course at Command Hospital Air Force, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (21/08/2015) on the physical and other teaching facilities available at Command Hospital Air Force, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (General Surgery) course at Command Hospital Air Force, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. All 3 Units have 40 beds for General Surgery & 20 beds for Superspecialities, implying each Unit has 60 beds which is not as per Regulations.
2. It is also not clarified who is looking after Superspeciality beds in each Unit.
3. There is only 1 Senior Resident available. As there are 3 Units, there should be 3 Senior Residents.
4. There is only 1 research publication from the department in indexed journals in last 3 years.
5. There are only 3 Junior Residents against requirement of 6 in 3 Units.
6. All 3 Units have 60 beds;
7. There are 8 O.T.s with 10 tables implying some O.T.s have more than 1 table, which is not as per norms.
8. Academic parameters like Clinical Seminars (11/year), Journal Clubs (14/year) are inadequate.
9. Promotion of Dr. Dhiraj Jhamb, Assoc. Professor is not as per Regulations. He has been Asst. Professor for 2 years 1 month.
10. Period and Place of posting of Dr. T.S. Ramakrishnan, Professor & HoD as Graded, Classified Specialist and Advisor signed by competent authority from the Office of DGAFMS has not been attached without which his equivalent academic designations cannot be calculated.
11. Promotion of Dr. N.K. Saida, Assoc. Professor is not as per Regulations. She has been Asst. Professor for 4 years against the requirement of 5 years.
12. Other deficiencies as pointed out in the Assessment Report.

89. Starting of MD (Radio-Diagnosis) course at Guru Gobind Singh Medical College & Hospital, Faridkot under Baba Farid University of Health Sciences, Faridkot u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (21/08/2015) on the physical and other teaching facilities available at Guru Gobind Singh Medical College & Hospital, Faridkot under Baba Farid University of Health Sciences, Faridkot for Starting of MD (Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21/08/2015) and decided to recommend to the Central Govt. to

disapprove the scheme for Starting of MD (Radio-Diagnosis) course at Guru Gobind Singh Medical College & Hospital, Faridkot under Baba Farid University of Health Sciences, Faridkot u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty: (a) Asso. Prof.: 1; (b) Asst. Prof.: 1.
2. There are NIL Senior Residents.
3. Workload of CT & USG guided FNAC is 61/year & 92/year respectively which is inadequate.
4. Promotion of Dr. Chaitanya Tapasvi, Assoc. Professor is not as per Regulations. He has been Asst. Professor for 4 years against the requirement of 5 years.
5. Available static X-ray machines: 3 against the requirement of 4. Hence, there is a deficiency of 1 Static X-ray Machine.
6. Other deficiencies as pointed out in the Assessment Report.

90. Starting of MS (OBG) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (21/08/2015) on the physical and other teaching facilities available at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (OBG) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Unit 2 has only 2 faculty. Third member is Family Welfare Officer who cannot be considered as part of the Unit; hence it cannot be considered as PG Unit.
2. Shortage of Junior Resident: 1.
3. Average OPD attendance is 89 which is inadequate.
4. All parameters of clinical material – OPD & IPD patients, Major operations, Day care operations have declined over the period of last 3 years.
5. Separate Obstetric ICU is not available.
6. Specialty clinic like Infertility clinic, Gynaec. Endocrine clinic, Menopausal clinic are not run.
7. Services like Endoscopy, Colposcopy, Cryocautery/LEEP, Oncology are not available.
8. Seminar room is not available. Demonstration room has capacity of 20. Audiovisual aids are inadequate.
9. There is only 1 USG machine which was non-functional on day of assessment.
10. Hysteroscope is not available. Colposcope is non-functional.
11. Other deficiencies as pointed out in the Assessment Report.

91. Increase of seats in MD (Psychiatry) course at Karnataka Institute of Medical Sciences, Hubli under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (21/08/2015) on the physical and other teaching facilities available at Karnataka Institute of Medical Sciences, Hubli under

Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD (Psychiatry) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Psychiatry) course at Karnataka Institute of Medical Sciences, Hubli under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty: (a) Asst. Prof.: 1.
2. The only Unit has 2 faculty; hence it cannot be considered as PG Unit.
3. Specialty clinics like Neuro Psychiatry clinic, Clinic for Senile Disorder, Psychomotor clinic, Memory clinic, Family Counseling are not run.
4. Chronic Psychiatric care facilities are not provided.
5. Academic parameters like Journal Club (12/year), Case Presentations (15/year), Group Discussions (12/year) are inadequate.
6. There are 2 publications, one by a Junior Resident, un-related to Psychiatry and other by a Senior Resident in non-indexed journal. Hence, they cannot be considered. Consequently, there is no publication from the department.
7. Other deficiencies as pointed out in the Assessment Report.

92. Starting of MS (OBG) course at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (21/08/2015) on the physical and other teaching facilities available at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (OBG) course at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Major Gynaecological surgery is done only twice a week.
2. MRI is not available.
3. On the day of Assessment, there was only 1 Major Operation, which is grossly inadequate.
4. Labor Room is not Air-conditioned.
5. There is no ventilator in HDU/ ICU of the department of OBG.
6. Other deficiencies as pointed out in the Assessment Report.

93. Starting of MD (Anaesthesia) course at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (21/08/2015) on the physical and other teaching facilities available at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD (Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Anaesthesia) course at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Faculty deficiency: Asst. Professor: 1; Junior Resident: 1.
2. All Senior Residents without PG qualification are not eligible. They have no 3 years experience at the time of appointment.
3. Promotion of Dr. Kiran A.V., Assoc. Professor is not as per Regulations. He has been Asst. Professor for 4 years 7 months against the requirement of 5 years.
4. Details of beds occupied in ICU on day of assessment are not provided.
5. On day of assessment there were only 10 Major operations and 11 Minor Operations, which is inadequate.
6. MRI is not available.
7. Other deficiencies as pointed out in the Assessment Report.

94. **Request for starting of MD(Community Medicine) course at Tagore Medical College and Hospital, Chennai, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – withdrawal of application - regarding.**

Read: the Council Assessor's Report (21st & 22nd August 2015) on the physical and other teaching facilities available at Tagore Medical College and Hospital, Chennai, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MD(Community Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17 along with the E-mail dated 21/08/2015 received from the Dean, Tagore Medical College and Hospital, Chennai, Tamilnadu withdrawing the application.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21st & 22nd August 2015) along with the E-mail dated 21/08/2015 received from the Dean, Tagore Medical College and Hospital, Chennai, Tamilnadu withdrawing the application and decided to return the application to the Central Government.

95. **Increase of seats in MD(Pathology) course at Amrita School of Medicine, Elamkara, Kochi under Amrita Vishwa Vidyapeetham University u/s 10A of the IMC Act, 1956 for the academic year 2016-17.**

Read: the Council Assessor's Report (24th August 2015) on the physical and other teaching facilities available at Amrita School of Medicine, Elamkara, Kochi under Amrita Vishwa Vidyapeetham University for Increase of seats in MD(Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Pathology) course at Amrita School of Medicine, Elamkara, Kochi under Amrita Vishwa Vidyapeetham University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. From 3 years data, it is observed that total specimens for Histopathology and Cytopathology received in a year 9691 and total reports issued during the same year are 2831. It is not known why the remaining specimens were not reported. The data is obviously non-genuine.

2. On the day of Assessment, specimens received for Histopathology and Cytopathology 33 and report issued Nil.
3. It has been stated by the College Authorities that 4891 organs/ parts of organs were removed in a year for histopathology, which seems highly unrealistic. Details of organs/ parts of organs removed have not been provided.
4. Other deficiencies as pointed out in the Assessment Report.

96. Increase of seats in MD(Anaesthesia) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24th August 2015) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) for Increase of seats in MD(Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Anaesthesia) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Total number of major operations has decreased by 51% from 6,822 to 3,319 during 3 year period. Total number of Caesarean Sections has decreased from 637 to 268 during the same period.
2. Shortage of Senior Resident: 1.
3. Space for faculty & Residents is inadequate in the department.
4. Office accommodation for staff inadequate.
5. There were 138 death in entire hospital, which clearly indicate that no serious patients were admitted or the clinical material is non-genuine.
6. Other deficiencies as pointed out in the Assessment Report.

97. Increase of seats in MD(General Medicine) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24th August 2015) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) for Increase of seats in MD(General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(General Medicine) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The prescribed SAF for the academic year 2016-17 has not been used without which the report cannot be considered.

2. Bed occupancy is only 47% on day of assessment.
3. Shortage of Senior Residents: 2.
4. Total number of OPD & IPD patients have decreased by > 40% during 3 year period.
5. Specialty clinics like Endocrine clinic, Haematology clinic are not conducted regularly.
6. Journals in Departmental Library are inadequate.
7. Promotion of Dr. Dhandapani G., Professor is not as per Regulations. He has been Asst. Professor for 3 years 8 months against the requirement of 5 years. Consequently, Unit-III is left with only 2 faculty. Hence, it cannot be considered as a PG Unit.
8. There is not Senior Resident in Unit-IV & V.
9. Other deficiencies as pointed out in the Assessment Report.

98. Increase of seats in MD(Pathology) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24th August 2015) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) for Increase of seats in MD(Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Pathology) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The prescribed SAF for the academic year 2016-17 has not been used without which the report cannot be considered.
2. Deficiency of faculty for PG: (a) Asso. Prof.: 1.
3. Pathological post-mortems are not performed.
4. Workload of Immunohistochemistry is only 15-20/year, which is inadequate.
5. Dr. Femela M. has been shown as Asst. Professor and Assoc. Professor both.
6. One Professor was absent on the day of Assessment.
7. Other deficiencies as pointed out in the Assessment Report.

99. Increase of seats in MS(General Sugery) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24th August 2015) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) for Increase of seats in MS(General Sugery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24th August 2015) and decided to recommend to the Central Govt. to

disapprove the scheme for Increase of seats in MS(General Sugery) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. There are 5 Units but only 90 beds – i.e. 18 beds/Unit implying deficiency of 60 teaching beds.
2. Bed occupancy on day of assessment is < 50%. Average bed occupancy is 60-70%.
3. There were only 2 Major operations performed on day of assessment.
4. Shortage of Senior Residents: 2.
5. Dr. G. Krishna Kumar & Dr. P. Satish Krishnan presented as Senior Residents are actually working as Casualty Medical officers.
6. Hard copies of journals are available only upto August 2014.
7. Only 1-2 emergency operations are done per week.
8. There is data mismatch between operative workload & other data like blood consumption, FNAC, Histopathology specimens.
9. SICU is shared by Obstetrics & Gynaecology departments.
10. There are no separate Pre-operative Room & Post-operative Recovery Room.
11. Majority of publications are in Online Journals.
12. Occupancy in ICU was NIL on day of assessment.
13. Specialty clinics like Surgical gastroenterology clinic, Surgical oncology clinic are not run.
14. Academic parameters like Journal Clubs (12/year), Group Discussions (06 in no.) are inadequate.
15. During last 3 years total Major Operations (each year) are more than total IPD, which is not possible. Data is non-genuine.
16. Other deficiencies as pointed out in the Assessment Report.

100. Increase of seats in MS(OBG) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24th August 2015) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) for Increase of seats in MS(OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(OBG) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Occupancy in Obstetric ICU & HDU was NIL on day of assessment.
2. PG teaching programmes are not properly organized.
3. Oncology services are not provided.
4. Space for faculty is inadequate. There is no departmental office.
5. There are very few recent books on the subject in Central as well as Departmental Libraries.
6. Academic parameter like Journal Clubs (12/year) is inadequate.
7. On the day of Assessment, there were only 3 Major Operations.
8. All faculty members are staying outside.

9. Overall Bed Occupancy 65%, which is inadequate.
10. Other deficiencies as pointed out in the Assessment Report.

101. Starting of MS (Anatomy) course at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24/08/2015) on the physical and other teaching facilities available at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada for Starting of MS (Anatomy) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (Anatomy) course at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The Postgraduate Medical Education Committee noted that investigative work of all departments have been outsourced to a private laboratory, which is not permissible as per Regulations. However, the Dean and heads of the Departments did not disclose this information in the SAF and thus, the investigative data supplied by them is non-genuine. The Committee decided to seek explanation of Dean and heads of the departments of Biochemistry, Pathology and Microbiology about non-disclosure of this information.

The Committee is of the opinion that without these investigations being done in the department, the training of PG as well as UG students will be deficient and decided to refer this matter to the President, Medical Council of India for consideration along with their UG Assessment reports. A copy of the Assessor's remark in the department of pathology is enclosed for the kind perusal of the President.

2. Deficiency of Tutor: 1.
3. Ratio of Non-medical teachers is 50% against requirement of 1/3 as prescribed by Regulations.
4. Only 2 cadavers are available for batch admitted for 2015-2016 session, which are inadequate.
5. Special microscopes are not available.
6. PG Hostel is under construction.
7. Other deficiencies as pointed out in the Assessment Report.

102. Starting of MD (Forensic Medicine) course at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24/08/2015) on the physical and other teaching facilities available at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada for Starting of MD (Forensic Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24/08/2015) and decided to recommend to the Central Govt. to

disapprove the scheme for Starting of MD (Forensic Medicine) course at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The Postgraduate Medical Education Committee noted that investigative work of all departments have been outsourced to a private laboratory, which is not permissible as per Regulations. However, the Dean and heads of the Departments did not disclose this information in the SAF and thus, the investigative data supplied by them is non-genuine. The Committee decided to seek explanation of Dean and heads of the departments of Biochemistry, Pathology and Microbiology about non-disclosure of this information.

The Committee is of the opinion that without these investigations being done in the department, the training of PG as well as UG students will be deficient and decided to refer this matter to the President, Medical Council of India for consideration along with their UG Assessment reports. A copy of the Assessor's remark in the department of pathology is enclosed for the kind perusal of the President.

2. Permission for doing medico-legal post-mortems is not available.
3. Medico-legal workload like post-mortems, examination of sexual assault victims & accused, Age estimation is NIL.
4. PG Hostel is under construction.
5. There is no Assoc. Professor in the department without which, the complement of 3 faculty members requirement is incomplete as per PG Regulations.
6. Other deficiencies as pointed out in the Assessment Report.

103. Starting of MD (Pharmacology) course at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24/08/2015) on the physical and other teaching facilities available at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada for Starting of MD (Pharmacology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Pharmacology) course at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The Postgraduate Medical Education Committee noted that investigative work of all departments have been outsourced to a private laboratory, which is not permissible as per Regulations. However, the Dean and heads of the Departments did not disclose this information in the SAF and thus, the investigative data supplied by them is non-genuine. The Committee decided to seek explanation of Dean and heads of the departments of Biochemistry, Pathology and Microbiology about non-disclosure of this information.

The Committee is of the opinion that without these investigations being done in the department, the training of PG as well as UG students will be deficient and decided to refer this matter to the President, Medical

Council of India for consideration along with their UG Assessment reports. A copy of the Assessor's remark in the department of pathology is enclosed for the kind perusal of the President.

2. Deficiency of faculty: (a) Asso. Prof.: 1.
3. Animal House is not yet registered.
4. PG Hostel is under construction.
5. Other deficiencies as pointed out in the Assessment Report.

104. Starting of MD (Microbiology) course at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24/08/2015) on the physical and other teaching facilities available at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada for Starting of MD (Microbiology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Microbiology) course at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The Postgraduate Medical Education Committee noted that investigative work of all departments have been outsourced to a private laboratory, which is not permissible as per Regulations. However, the Dean and heads of the Departments did not disclose this information in the SAF and thus, the investigative data supplied by them is non-genuine. The Committee decided to seek explanation of Dean and heads of the departments of Biochemistry, Pathology and Microbiology about non-disclosure of this information.

The Committee is of the opinion that without these investigations being done in the department, the training of PG as well as UG students will be deficient and decided to refer this matter to the President, Medical Council of India for consideration along with their UG Assessment reports. A copy of the Assessor's remark in the department of pathology is enclosed for the kind perusal of the President.

2. PG Hostel is under construction.
3. Other deficiencies as pointed out in the Assessment Report.

105. Starting of MD (Pathology) course at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24/08/2015) on the physical and other teaching facilities available at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada for Starting of MD (Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Pathology) course at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences,

Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The Postgraduate Medical Education Committee noted that investigative work of all departments have been outsourced to a private laboratory, which is not permissible as per Regulations. However, the Dean and heads of the Departments did not disclose this information in the SAF and thus, the investigative data supplied by them is non-genuine. The Committee decided to seek explanation of Dean and heads of the departments of Biochemistry, Pathology and Microbiology about non-disclosure of this information.

The Committee is of the opinion that without these investigations being done in the department, the training of PG as well as UG students will be deficient and decided to refer this matter to the President, Medical Council of India for consideration along with their UG Assessment reports. A copy of the Assessor's remark in the department of pathology is enclosed for the kind perusal of the President.

2. Deficiency of faculty: (a) Tutors: 3.
3. Asst. Prof. in blood bank is not available.
4. License of blood bank is not in the name of the college. It is in name of Apollo Hospital Enterprises Ltd. Professor & Asso. Prof. of the college have no control over blood bank. Medical Officer i/c Blood Bank is not a staff member of the college.
5. The institute has entered into a MOU with for utilization of Apollo Hospital Enterprises Limited for service laboratories which is not as per Regulations.
6. Histopathology laboratory is a small laboratory where only grossing is done. Tissue is sent to corporate laboratory. The facility mentioned on SAF Part II, Page 16, Point 20 is with the corporate laboratory and not with the college itself. Pathologists working in corporate laboratory are not on staff of the college.
7. There is no service laboratory for Haematology in the department. All the samples collected are sent to the corporate laboratory and the department has no control over its functioning. Facility shown in SAF at Point 21, Page 16 are of the corporate laboratory & not in the college. Available faculty of the department are not involved in processing or evaluation of reports of these samples.
8. Workload of PT, APTT, TT is NIL. That of Bone Marrow aspiration is only 03/year.
9. There is no service laboratory for Clinical pathology. All the samples are sent to corporate laboratory.
10. Histopathology samples are 98 in 115 days implying daily average of < 1.
11. No instruments of modern technology are available in the department.
12. SAF was given only at 07: 15 p.m. and was incomplete in many aspects as detailed in the report.
13. It is not clear whether Teachers & PGs would be permitted in corporate laboratory for training.
14. Cytopathology workload is NIL on day of assessment.
15. Pathological post-mortems are not performed.
16. PG Hostel is under construction.
17. Other deficiencies as pointed out in the Assessment Report.

106. Starting of MD (Physiology) course at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24/08/2015) on the physical and other teaching facilities available at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada for Starting of MD (Physiology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Physiology) course at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The Postgraduate Medical Education Committee noted that investigative work of all departments have been outsourced to a private laboratory, which is not permissible as per Regulations. However, the Dean and heads of the Departments did not disclose this information in the SAF and thus, the investigative data supplied by them is non-genuine. The Committee decided to seek explanation of Dean and heads of the departments of Biochemistry, Pathology and Microbiology about non-disclosure of this information.

The Committee is of the opinion that without these investigations being done in the department, the training of PG as well as UG students will be deficient and decided to refer this matter to the President, Medical Council of India for consideration along with their UG Assessment reports. A copy of the Assessor's remark in the department of pathology is enclosed for the kind perusal of the President.

2. PG Hostel is under construction.
3. Infrastructure in regard to space, accommodation & library is far short of requirement.
4. Latest reference books & journals are not available.
5. Trained staff including its own Grade IV staff are inadequate.
6. Yoga laboratory is not available.
7. Trained staff for assisting PGs in practicals & research is not available.
8. Promotion of Dr. Malini Dutta, Assoc. Professor is not as per Regulations. She has been Asst. Professor for 4 years against the requirement of 5 years.
9. Other deficiencies as pointed out in the Assessment Report.

107. Starting of MD (Biochemistry) course at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24/08/2015) on the physical and other teaching facilities available at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada for Starting of MD (Biochemistry) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Biochemistry) course at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The Postgraduate Medical Education Committee noted that investigative work of all departments have been outsourced to a private laboratory, which is not permissible as per Regulations. However, the Dean and heads of the Departments did not disclose this information in the SAF and thus, the investigative data supplied by them is non-genuine. The Committee decided to seek explanation of Dean and heads of the departments of Biochemistry, Pathology and Microbiology about non-disclosure of this information.

The Committee is of the opinion that without these investigations being done in the department, the training of PG as well as UG students will be deficient and decided to refer this matter to the President, Medical Council of India for consideration along with their UG Assessment reports. A copy of the Assessor's remark in the department of pathology is enclosed for the kind perusal of the President.

2. PG Hostel is under construction.
3. There is no space for practical work to be done by PGs.
4. There is no Clinical Biochemistry laboratory in the department. No equipment is available for Clinical Biochemistry. All such laboratory work is outsourced to Laboratory Medicine wing of nearby Apollo hospital, which is under the control of Chief Executive Officer of that hospital, which is not as per Regulations.
5. Dean & faculty of the department have no control over Laboratory Medicine wing of Apollo hospital.
6. Equipment & workload of Central Research Laboratory is inadequate. It seems to be unused on regular basis.
7. No diagnostic facility is provided by the department.
8. Facilities for carrying out additional classes and practicals at PG level are not available.
9. Other deficiencies as pointed out in the Assessment Report.

108. Starting of MD (Community Medicine) course at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24th & 25th August, 2015) on the physical and other teaching facilities available at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada for Starting of MD (Community Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24th & 25th August, 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Community Medicine) course at Apollo Institute of Medical Sciences & Research, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The Postgraduate Medical Education Committee noted that investigative work of all departments have been outsourced to a private laboratory, which is not permissible as per Regulations. However, the Dean and heads of the Departments did not disclose this information in the SAF and thus, the investigative data supplied by them is non-genuine. The Committee decided to seek explanation of Dean and heads of the

departments of Biochemistry, Pathology and Microbiology about non-disclosure of this information.

The Committee is of the opinion that without these investigations being done in the department, the training of PG as well as UG students will be deficient and decided to refer this matter to the President, Medical Council of India for consideration along with their UG Assessment reports. A copy of the Assessor's remark in the department of pathology is enclosed for the kind perusal of the President.

2. There is no Professor.
3. Deficiency of faculty: (a) Professor: 1; (b) Lecturer cum M.O. at RHTC/UHC: 2; (c) LMO: 1.
4. Central Research Laboratory is non-functional.
5. Delivery services & indoor services are not provided at RHTC.
6. No vehicle for the staff & students is available in the department.
7. RHTC is non-residential which is not as per Regulations.
8. Other deficiencies as pointed out in the Assessment Report.

109. Starting of MD (Pathology) course at Chirayu Medical College & Hospital, Bhopal under Madhya Pradesh Medical Science University, Jabalpur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (31/08/2015) on the physical and other teaching facilities available at Chirayu Medical College & Hospital, Bhopal under Madhya Pradesh Medical Science University, Jabalpur for Starting of MD (Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (31/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Pathology) course at Chirayu Medical College & Hospital, Bhopal under Madhya Pradesh Medical Science University, Jabalpur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. From 3 years data (reproduced below), it has been observed that the number of specimens received for histopathology/ Cytopathology are much more than the total number of reports issued. Infact, only 15% of the total specimens received have been reported. Obviously, the data is non-genuine and fictitious.

	2012	2013	2014
Total Specimens sent for Histopathology/ Cytopathology	1585	1778	5112
Specimens reported	480	201	743

2. Other deficiencies as pointed out in the Assessment Report.

110. Starting of MD (Microbiology) course at Government Medical College, Jammu under University of Jammu u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (25/08/2015) on the physical and other teaching facilities available at Government Medical College, Jammu under University of Jammu for Starting of MD (Microbiology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (25/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD (Microbiology) course at Government Medical College, Jammu under University of Jammu u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 2(Two) students per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

111. Starting of MS (ENT) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24/08/2015) on the physical and other teaching facilities available at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MS (ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (ENT) course at Hassan Institute of Medical Sciences, Hassan under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty: (a) Asst. Prof.: 1.
2. Major O.T. runs only twice a week.
3. Central Research Laboratory is not available.
4. The only Unit has 2 faculty; hence faculty complement is incomplete & it cannot be considered as PG Unit. Resultantly, there is no Unit which qualifies as PG Unit.
5. Daily Major operations are only 1-2 which are inadequate. Average 1 -2 per day.
6. BERA is not available.
7. Investigative facilities like nerve Conduction, EMG are not available.
8. CPC is not held.
9. High Definition Digital Camera is not available.
10. Other deficiencies as pointed out in the Assessment Report.

112. Increase of seats in MD (Pathology) course at Kakatiya Medical College, Warangal under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24/08/2015) on the physical and other teaching facilities available at Kakatiya Medical College, Warangal under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD (Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Pathology) course at Kakatiya Medical College, Warangal under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. As per assessors report, the department is admitting 8 MD and 2 DCP students. However, the college has Letter of Permission for 6 MD and 2 DCP. The Dean may be asked to clarify how excess admissions have been done.
2. CSSD is inadequate.
3. Equipment like Pentahead Microscope, Frozen Section are not available.
4. 5 part Haematology Analyzer is non-functional.
5. Central Research laboratory is not available.
6. Histochemistry is not available.
7. Workload of Bone Marrow Biopsy is NIL.
8. Academic parameters like Clinical Seminars (14/year), Journal Clubs (15/year), Case Presentations (11/year), Group Discussions (17/year) are inadequate.
9. Other deficiencies as pointed out in the Assessment Report.

The Chairman recused himself from the meeting for Item No. 113 and Dr. Deelip Govindrao Mhaisekar chaired the meeting.

113. Increase of seats in MD (Radio-Diagnosis) course at M.M. Institute of Medical Sciences & Research Mullana, Ambala under Maharishi Markandeshwar University, Mullana, Ambala u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (01/09/2015) on the physical and other teaching facilities available at M.M. Institute of Medical Sciences & Research Mullana, Ambala under Maharishi Markandeshwar University, Mullana, Ambala for Increase of seats in MD (Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (01/09/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD (Radio-Diagnosis) course at M.M. Institute of Medical Sciences & Research Mullana, Ambala under Maharishi Markandeshwar University, Mullana, Ambala u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 from 6(Six) to 9(Nine) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

The Chairman joined the meeting

114. Starting of MD (Radio-Diagnosis) and Diploma in Radio-Diagnosis (D.M.R.D.) course at Nizam's Institute of Medical Sciences, Hyderabad under NIMS Deemed University, Andhra Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (25/08/2015) on the physical and other teaching facilities available at Nizam's Institute of Medical Sciences, Hyderabad under NIMS Deemed University, Andhra Pradesh for Starting of MD (Radio-Diagnosis) and Diploma in Radio-Diagnosis (D.M.R.D.) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (25/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Radio-Diagnosis) and Diploma in Radio-Diagnosis (D.M.R.D.) course at Nizam's Institute of Medical Sciences, Hyderabad under NIMS Deemed University, Andhra Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Mammography is under installation.
2. Workload of DSA is NIL.
3. Details of Senior Residents are not given in the faculty table.
4. Other deficiencies as pointed out in the Assessment Report.

115. Increase of seats in MD (Paediatrics) course at PES Institute of Medical Sciences & Research, Kuppam, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (01/09/2015) on the physical and other teaching facilities available at PES Institute of Medical Sciences & Research, Kuppam, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD (Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (01/09/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD (Paediatrics) course at PES Institute of Medical Sciences & Research, Kuppam, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 from 1(One) to 4(Four) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

116. Increase of seats in MD (Paediatrics) course at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (31/08/2015) on the physical and other teaching facilities available at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry for Increase of seats in MD (Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (31/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Paediatrics) course at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Equipment like Upper GI Endoscope, Dialysis machine, Doppler are not available in the department.
2. OPD on day of assessment is 82. Average OPD is 117.
3. Data of cases attending specialty clinics are not provided.
4. There were only 8 deaths in a year in the department of Paediatrics which indicates that no children with serious ailments are admitted without which the training of postgraduate students will be inadequate.

5. Other deficiencies as pointed out in the Assessment Report.

117. Increase of seats in MD (DVL) course at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (31/08/2015) on the physical and other teaching facilities available at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry for Increase of seats in MD (DVL) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (31/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (DVL) course at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The only Unit has 15 beds; hence it cannot qualify as PG Unit.
2. OPD on day of assessment is only 60. Daily average is only 52 which is inadequate for increase.
3. Other deficiencies as pointed out in the Assessment Report.

118. Increase of seats in MS (General Surgery) course at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (31/08/2015) on the physical and other teaching facilities available at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (31/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (General Surgery) course at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty: (a) Asst. Prof.: 2.
2. Units II & III have only 2 faculty each; hence they cannot be considered as PG Units.
3. The designation of Dr. H.K. Rao, Asst. Prof. in Unit IV is Asst. Prof. (Endocrine) & not Asst. Prof. (General Surgery); hence he cannot be considered as a teacher in General Surgery; resultantly, there are only 2 faculty in Unit IV & it cannot be considered as PG Unit.
4. Daily average operative workload is 3 major & 2 Minor operations which is inadequate.
5. Specialty clinics like Surgical Gastroenterology clinic, Surgical Oncology clinic are not run.
6. Other deficiencies as pointed out in the Assessment Report.

119. Increase of seats in MS (Ophthalmology) course at Pramukhswami Medical College, Karamsad (Gujarat) under Sardar Patel University, Gujarat u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24/08/2015) on the physical and other teaching facilities available at Pramukhswami Medical College, Karamsad (Gujarat) under Sardar Patel University, Gujarat for Increase of seats in MS (Ophthalmology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (24/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS (Ophthalmology) course at Pramukhswami Medical College, Karamsad (Gujarat) under Sardar Patel University, Gujarat u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 from 1(One) to 2(Two) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

120. Increase of seats in MD (DVL) course at Pramukhswami Medical College, Karamsad (Gujarat) under Sardar Patel University, Gujarat u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (25/08/2015) on the physical and other teaching facilities available at Pramukhswami Medical College, Karamsad (Gujarat) under Sardar Patel University, Gujarat for Increase of seats in MD (DVL) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (25/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD (DVL) course at Pramukhswami Medical College, Karamsad (Gujarat) under Sardar Patel University, Gujarat u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 from 1(One) to 2(Two) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

121. Increase of seats in MS (General Surgery) course at S.D.M. College of Medical Sciences & Hospital, Dharwad, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (25/08/2015) on the physical and other teaching facilities available at S.D.M. College of Medical Sciences & Hospital, Dharwad, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (25/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (General Surgery) course at S.D.M. College of Medical Sciences & Hospital, Dharwad, Karnataka under Rajiv Gandhi

University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Promotion of Dr. Sanjay N. Koppad, Associate Professor is not as per Regulations. He has been Assistant Professor for 4 year 5 months against the requirement of 5 years.
2. Consequently, there is no Association Professor in Unit-I and it cannot be considered as a teaching unit.
3. Other deficiencies as pointed out in the Assessment Report.

122. Starting of MD (Nuclear Medicine) course at Sher-I-Kashmir Institute of Medical Sciences, Srinagar under Sher-I-Kashmir Institute of Medical Sciences (Deemend University), Soura Srinagar u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (25/08/2015) on the physical and other teaching facilities available at Sher-I-Kashmir Institute of Medical Sciences, Srinagar under Sher-I-Kashmir Institute of Medical Sciences (Deemend University), Soura Srinagar for Starting of MD (Nuclear Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (25/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Nuclear Medicine) course at Sher-I-Kashmir Institute of Medical Sciences, Srinagar under Sher-I-Kashmir Institute of Medical Sciences (Deemend University), Soura Srinagar u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of Asst. Professor: 1 and Senior Resident: 1.
2. The only Unit has 2 faculty; hence it cannot be considered as PG Unit.
3. There are no Senior Residents.
4. Radioisotope supply is erratic.
5. Equipment like Gamma Camera, Planner, SPECT/CT are not available.
6. Department is running DNB (Nuclear medicine) course.
7. Other deficiencies as pointed out in the Assessment Report.

123. Starting of MS (ENT) course at Sri Venkateshwara Medical College Hospital & Research Centre, Puducherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (25/08/2015) on the physical and other teaching facilities available at Sri Venkateshwara Medical College Hospital & Research Centre, Puducherry under Pondicherry University, Puducherry for Starting of MS (ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (25/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MS (ENT) course at Sri Venkateshwara Medical College Hospital & Research Centre, Puducherry under Pondicherry University, Puducherry u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 1(One) student per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

124. Starting of MD (Paediatrics) course at Sri Venkateshwara Medical College Hospital & Research Centre, Puducherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (25/08/2015) on the physical and other teaching facilities available at Sri Venkateshwara Medical College Hospital & Research Centre, Puducherry under Pondicherry University, Puducherry for Starting of MD (Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (25/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Paediatrics) course at Sri Venkateshwara Medical College Hospital & Research Centre, Puducherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Total deaths in the department last year 5 out of 5621 admissions which obviously indicate that no children with serious ailments were admitted without which the training of postgraduate students will be inadequate or alternatively the data is non-genuine.
2. Dr. Y.G. Satish Kumar, Associate Professor has worked at 6 places in 5 years which is contrary to the Regulations (Notification dated 09/12/2009)
3. The qualification of Dr. S. Asaithambi, Senior Resident is from outside the country which is not recognized.
4. Dr. M. Md. Yasir has been shown as continuing at Rajah Muthiah Medical College, Bangalore.
5. The postgraduate degree of Dr. L. Anand, Assistant Professor is not recognized.
6. Other deficiencies as pointed out in the Assessment Report.

125. Starting of MD (Psychiatry) course at Sri Venkateshwara Medical College Hospital & Research Centre, Puducherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (25/08/2015) on the physical and other teaching facilities available at Sri Venkateshwara Medical College Hospital & Research Centre, Puducherry under Pondicherry University, Puducherry for Starting of MD (Psychiatry) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (25/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Psychiatry) course at Sri Venkateshwara Medical College Hospital & Research Centre, Puducherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Daily average OPD is only 30 to 40 (calculated from 3 years data)
2. OPD on inspection day was 40 only which is grossly inadequate.
3. There were only 8 NRI in the entire hospital on inspection day which indicate inadequate clinical material
4. Latest editions of books need to be purchased for Central & Departmental libraries.
5. Other deficiencies as pointed out in the Assessment Report.

126. Starting of MS (General Surgery) course at Sri Venkateswara Institute of Medical Sciences, Tirupati under Sri Venkateswara Institute of Medical Sciences (Deemed University), Tirupati u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (26/08/2015) on the physical and other teaching facilities available at Sri Venkateswara Institute of Medical Sciences, Tirupati under Sri Venkateswara Institute of Medical Sciences (Deemed University), Tirupati for Starting of MS (General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (26/08/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (General Surgery) course at Sri Venkateswara Institute of Medical Sciences, Tirupati under Sri Venkateswara Institute of Medical Sciences (Deemed University), Tirupati u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. OPD on day of assessment is only 56.
2. No laparoscopic or advanced surgeries are carried out.
3. Data of investigations provided by the institute appear to be on higher side.
4. Casualty & emergency work is not adequate. There is no regular casualty.
5. Most of the patients admitted were under Oncosurgery & Gastosurgery.
6. Unit I, headed by Professor & HOD, does not have Asso. Prof. & has only 2 faculty; hence it cannot be considered as PG Unit.
7. Unit II has only 2 faculty; hence it cannot be considered as PG Unit.
8. Specialty clinics like Plastic Surgery clinic, Paediatric Surgery clinic are not run.
9. There were total 12 deaths last year in the department of Surgery which caters to all types of polytrauma. This indicates that no children with serious ailments are admitted without which the training of postgraduate students will be inadequate or alternatively the data is non-genuine.
10. Other deficiencies as pointed out in the Assessment Report.

127. Starting of MD (Transfusion Medicine) course at St. John's Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (28/08/2015) on the physical and other teaching facilities available at St. John's Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD (Transfusion Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (28/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD (Transfusion Medicine) course at St. John's Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 1(One) student per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

128. Increase of seats in MS (OBG) course at Surat Municipal Institute of Medical Education & Research, Surat under Veer Narmad South Gujarat University, Surat u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24/08/2015) on the physical and other teaching facilities available at Surat Municipal Institute of Medical Education & Research, Surat under Veer Narmad South Gujarat University, Surat for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (24/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS (OBG) course at Surat Municipal Institute of Medical Education & Research, Surat under Veer Narmad South Gujarat University, Surat u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 from 2(Two) to 7(Seven) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

129. Increase of seats in MS(Orthopaedics) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24th August 2015) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) for Increase of seats in MS(Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Orthopaedics) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Bed occupancy is 40% on day of assessment.
2. Only 2 Major operations were planned on day of assessment.
3. OPD workload does not match with indoor bed occupancy & operative workload.
4. The number of Major operations has shown a decreasing trend during the period of last 3 years.
5. In the table at Item 10,Part II on P. 15,in the column of last year number of Major operations are shown as 354; while for the year 2014,the number of Major operations is shown as 697. Same is true for all parameters. There is data mismatch.
6. Details of beds occupied in ICCU & ICUs on day of assessment are not provided.
7. Specialty clinic like Hand Clinic is not run.
8. There are only 3 deaths out of 2857 admissions which means that no serious patient of trauma are admitted without which the training of postgraduate students will be inadequate.
9. Other deficiencies as pointed out in the Assessment Report.

130. Increase of seats in MS(ENT) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24th August 2015) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) for Increase of seats in MS(ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(ENT) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. OPD on day of assessment is 84. Average OPD is 75-110.
2. Hearing aid trials are under process.
3. Equipment like High speed drill, Flexible Fiberoptic Nasopharyngolaryngoscope/Bronchoscope, Nerve Stimulator/Monitor, High Definition Digital camera are not available.
4. There is only 1 publication from the department in indexed journals in last 3 years.
5. Academic parameters like Journal Clubs (13/year), Group Discussions (12/year) are available.
6. IPD and major operations data of last 3 years is reproduced below:

Parameters	Year 1	Year 2	Year3
Total number of patients admitted (IPD)	1427	1392	860
Weekly clinical work load for IPD	27	27	29
Operations			
1. Major	2381	2492	1185
2. Minor	733	322	213
3. Daycare	1648	2170	972
4. Total no. of Histopathology specimens sent	686	747	872

It is obvious from the above data that major operations are more than total IPD which is not feasible and data is non-genuine.

7. Other deficiencies as pointed out in the Assessment Report.

131. Increase of seats in MD(Paediatrics) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (25th August 2015) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) for Increase of seats in MD(Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (25th August 2015) and decided to recommend to the Central Govt. to

disapprove the scheme for Increase of seats in MD(Paediatrics) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Specialty clinics like Paediatric Gastroenterology clinic, Paediatric Haematology clinic, Thalassemia clinic are not run.
2. Paediatric Endoscopy, Bronchoscopy are not available.
3. Thalassemia Day Care Center is not available.
4. HIV services are not available.
5. Academic parameters like Theory Classes (12/year), Clinical Seminars (14/year) are inadequate.
6. There are only 3 deaths in a year out of 4653 admissions last year which indicates that no children with serious ailment are admitted without which the training of postgraduate students will be inadequate.
7. Bed occupancy of NICU-40% and PICU 35% on the day of inspection.
8. Other deficiencies as pointed out in the Assessment Report.

132. Increase of seats in MS(Ophthalmology) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (26th August 2015) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) for Increase of seats in MS(Ophthalmology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (26th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Ophthalmology) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. On assessment day, there was only 1 Major, 2 Minor & 1 day care operations.
2. Average major operations from 3 years data is 1 to 2 per day which is inadequate.
3. Facilities for Retinal Surgery are not available.
4. There is scope for further development of departmental library & OPD space.
5. Other deficiencies as pointed out in the Assessment Report.

133. Starting of MD(Community Medicine) course at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (26th & 27th August 2015) on the physical and other teaching facilities available at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata for Starting of MD(Community Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (26th & 27th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Community Medicine) course at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Blood component facility is not available.
2. Deficiency of faculty: (a) Asso. Prof.: 1; (b) Asst. Prof.: 1 (c) Epidimologist-1 (d) Statistician-1
3. Lady Medical officers are not appointed.
4. Research Laboratory in Biochemistry department is shown as Central research Laboratory but there is no signboard indicating the same.
5. RHTC: It is actually Haringhata Rural Hospital. Accommodation for interns is dumped with waste material. It has no signs to show that Interns are staying there. Interns posted told the assessors that they are not staying in the hostel. Messing facilities are not available. Faculty from the department visits once in 15 days for whom no register is maintained. No attendance for specialists is maintained. The staff is under control of DHS & not Dean. Laboratory facility is available only for Malaria parasite examination. There is no Medico Social Worker / health Inspector present in RHTC.
6. UHC: It is actually Chakdaha Hospital. The staff, including Medical Superintendent are under the control of DHS & not under Dean.
7. Hospital facilities are grossly inadequate as detailed in the report. Central Laboratory was closed at 3 p.m. on day of assessment.
8. Other deficiencies as pointed out in the Assessment Report.

134. Starting of MD(Anatomy) course at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (27th August 2015) on the physical and other teaching facilities available at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata for Starting of MD(Anatomy) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (27th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Anatomy) course at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. No experience details of faculty provided in the faculty table.
2. Blood component facility is not available.
3. PG hostel is not earmarked separately. Interns' hostel is under construction.
4. Research Laboratory in Biochemistry department is shown as Central research Laboratory but there is no signboard indicating the same.
5. Other deficiencies as pointed out in the Assessment Report.

135. Starting of MD(Biochemistry) course at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (27th August 2015) on the physical and other teaching facilities available at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata for Starting of MD(Biochemistry) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (27th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Biochemistry) course at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Blood component facility is not available.
2. Deficiency of faculty: (a) Tutor: 1.
3. Research Laboratory in Biochemistry department is shown as Central research Laboratory but there is no signboard indicating the same.
4. Details of books purchased in last 3 years for departmental library are not provided.
5. PG hostel is not earmarked separately. Interns' hostel is under construction.
6. There is no central suction oxygen in the hospital.
7. Other deficiencies as pointed out in the Assessment Report.

136. Starting of MD(Pathology) course at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (27th August 2015) on the physical and other teaching facilities available at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata for Starting of MD(Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (27th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Pathology) course at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Specimens for Histopathology, Cytopathology received in the department in 2014 – 14103.
2. Reports of Histopathology/Cytopathology issued in 2014-5403. The remaining reports were not issued which indicates that the data is non-genuine.
3. Blood Component facility is not available.
4. Deficiency of faculty: (a) Asst. prof.: 1; (b) Tutor: 2.
5. Workload of CT guided FNAC, Bone Marrow Biopsy, PT, APTT, TT is NIL.
6. Pathological post-mortems are not performed.
7. Frozen Section, Immunohistochemistry are not available.

8. Facilities for workup of Coagulation disorders are not available.
9. PG hostel is not earmarked separately. Interns' hostel is under construction.
10. Research Laboratory in Biochemistry department is shown as Central research Laboratory but there is no signboard indicating the same.
11. There is no central suction oxygen in the hospital.
12. Other deficiencies as pointed out in the Assessment Report.

137. Starting of MD(Microbiology) course at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (27th August 2015) on the physical and other teaching facilities available at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata for Starting of MD(Microbiology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (27th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Microbiology) course at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Blood component facility is not available.
2. Equipment like PCR is not available.
3. Workload of Mycology, Virology & Immunology is inadequate.
4. Antisera for diagnosis of Vibrio, Shigella, Salmonella are not available.
5. PG hostel is not earmarked separately. Interns' hostel is under construction.
6. Research Laboratory in Biochemistry department is shown as Central research Laboratory but there is no signboard indicating the same.
7. There is no central suction oxygen in the hospital.
8. Other deficiencies as pointed out in the Assessment Report.

138. Starting of MD(Pharmacology) course at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (27th August 2015) on the physical and other teaching facilities available at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata for Starting of MD(Pharmacology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (27th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Pharmacology) course at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty: (a) Asso. Prof.: 1.

2. Blood component facility is not available.
3. PG hostel is not earmarked separately. Interns' hostel is under construction.
4. Animal House is not registered with CPCSEA. It is not air-conditioned. Animal cages of required material are not available.
5. Facility for Clinical pharmacology is not available.
6. Instruments & equipment like Pole climbing apparatus, Tail flick/Hot plate Analgesimeter, Plithysmometer, Multichannel Polygraph are not available.
7. Central Research Laboratory is not as per guidelines. Research Laboratory in Biochemistry department is shown as Central research Laboratory but there is no signboard indicating the same.
8. Nonteaching & paramedical staff is inadequate.
9. There is no central suction oxygen in the hospital.
10. Other deficiencies as pointed out in the Assessment Report.

139. Starting of MD(Physiology) course at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (31st August 2015) on the physical and other teaching facilities available at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata for Starting of MD(Physiology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (31st August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Physiology) course at College of Medicine and JNM Hospital, Kalyani, Nadia, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Blood component facility is not available.
2. No equipment for PG training & research is available.
3. Deficiency of faculty: (a) Tutor: 1.
4. Audiovisual aids are inadequate.
5. Non-teaching & Paramedical staff is inadequate.
6. Research Laboratory in Biochemistry department is shown as Central research Laboratory but there is no signboard indicating the same.
7. Animal House is not registered with CPCSEA. It is not air-conditioned. Animal cages of required material are not available.
8. PG Hostel is not earmarked separately. Interns' hostel is under construction.
9. There is no central suction oxygen in the hospital.
10. Accommodation for staff not adequate.
11. Other deficiencies as pointed out in the Assessment Report.

140. Starting of MD(Emergency Medicine) course at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (27th August 2015) on the physical and other teaching facilities available at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow

for Starting of MD(Emergency Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (27th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Emergency Medicine) course at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. There is no Professor.
2. There is only 1 Unit which has 86 beds which is not as per Regulations.
3. OPD attendance was only 23 on day of assessment.
4. 86 beds allocated to the Unit are spread over 2 hospitals – 72 at RMLCH & 14 at RMLIMS – which is not permissible.
5. There are no independent beds for the department of Emergency Medicine. Casualty is not under the charge of Emergency department. Hence, these cannot be counted as emergency beds.
6. ICD X classification is not used in MRD.
7. Other deficiencies as pointed out in the Assessment Report.

141. Starting of MD(Microbiology) course at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (27th August 2015) on the physical and other teaching facilities available at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow for Starting of MD(Microbiology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (27th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Microbiology) course at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. There is no Professor.
2. There are no Tutors. Two persons are appointed as Senior Residents & Two as non PG Junior Residents against requirement of 3 Tutors as per Regulations.
3. Demonstration room is not available.
4. In the faculty table in Part II, 4 persons are shown as Tutors as well as Junior Residents which is neither feasible nor permissible.
5. Separate workload for Virology workload is not provided.
6. Area of Museum is only 4 sq.m., which is too small.
7. Animal House is not available.
8. ICD X classification not being used.
9. There is no designation of Senior Resident in Microbiology and the department has shown 02 persons as Senior Resident.
10. Investigative workload on the day of inspection is very inadequate (microscopy total 31, Parasitology 10)
11. Other deficiencies as pointed out in the Assessment Report.

142. Starting of MD(Nuclear Medicine) course at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (27th August 2015) on the physical and other teaching facilities available at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow for Starting of MD(Nuclear Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (27th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Nuclear Medicine) course at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Equipment like PET-CT & PET-MR is not available.
2. Department is headed by Asso. Prof. which is not permissible.
3. Senior Residents are not available.
4. Promotion of Dr. Satyavati Deswal, Asso. Prof. is not as per Regulations as she has been promoted as Asso. Prof. with experience of only 4 y against requirement of 5 y as per Regulations.
5. Other deficiencies as pointed out in the Assessment Report.

143. Increase of seats in MD(Anaesthesia) course at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (27th August 2015) on the physical and other teaching facilities available at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow for Increase of seats in MD(Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (27th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Anaesthesia) course at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty: (a) Asst. Prof.: 1.
2. Major & Daycare operations show a declining trend over a period of last 3 years.
3. It is not clear from SAF whether faculty of RMLIMS looks after O.T.s of RMLCH or separate faculty is appointed for RMLCH. Workload at RMLIMS is only 9 Major operations/day which is inadequate.
4. CPC is not held.
5. Death review meetings are not held.
6. Academic parameters like Theory Classes (15/year), Clinical Seminars (09/year), Case presentations (NIL), Group Discussions (NIL) are inadequate.
7. The operative data of last 3 years is reproduced below:

- | | |
|------|--------------------|
| 2012 | 2006 (6.6 per day) |
| 2013 | 2212 (7.3 per day) |
| 2014 | 1864 (6.2 per day) |
8. The number of operations per day are grossly inadequate. Similarly, minor operations and CSSD volume of work is grossly inadequate.
 9. Other deficiencies as pointed out in the Assessment Report.

144. Increase of seats in MS(Orthopaedics) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (25th August 2015) on the physical and other teaching facilities available at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur for Increase of seats in MS(Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (25th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Orthopaedics) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. On the day of inspection, total surgeries: 20 (Major 6 & Minor 14).
2. However, report of Anaesthesia department (just next day) is reproduced below:
 1. *"There were only 5 Major operations & 1 Caesarean Sections – i.e. Total 6 - on day of assessment till 03:30 p.m. which is grossly inadequate.*
 2. *Record of operations performed in 2014 was not made available to assessor for verification; hence data of operations could not be verified.*
 3. *Although there were only 5 Major operations on day of assessment, Histopathology workload is shown as 16 which is not feasible. There is data mismatch.*
 4. *Birth register was not made available to assessor for verification.*
 5. *Clinical material is inadequate. Most of the patients listed for operation on 26/08/2015 were neither admitted in the wards nor proper investigation reports were available with Bed head Ticket. Many cases were found admitted on private clinic prescription of consultants of Surgical departments without proper admission.*
 6. *Number of patients admitted in ICUs were very few.*
 7. *Only 3 Senior Residents are shown in faculty table; out of them 2 do not possess required experience of 3 y as Resident in the department in a medical college.*
 8. *Resultantly, there is deficiency of Senior Resident: 3.*
 9. *Daily average of Major operations is only 10 which is inadequate."*

It is evident that surgical workload is grossly inadequate and college authorities did not provide many information sought by the Assessor. This is also confirmed by the fact that there were only 3 deaths in the department during last year out of 4203 patients admitted (0.07%). In a department like Orthopaedics, which deals with Trauma, such low death rate indicate that no serious orthopaedics emergencies are admitted without which, the training of PG students will be inadequate. 2-3 units of blood used daily also support the above contention.

3. The college authorities have not provided details of PG students admitted during last 5 years.

4. The Institution was granted two seats last year and with above observations there is no justification for any further increase.
5. Nitin Saudhy, Senior Resident with DNB qualification is not eligible. He has no 3 years experience at the time of appointment.
6. One Asst. Professor and one Senior Resident joined only few days prior to inspection. It seems they are collected for assessment only.
7. Other deficiencies as pointed out in the Assessment Report.

145. Increase of seats in MS(ENT) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (25th August 2015) on the physical and other teaching facilities available at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur for Increase of seats in MS(ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (25th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(ENT) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. There are only 2 publications from the department in indexed journals in last 3 years.
2. Shri Gaurav Sharma is Audiometrist, Speech Therapist & also BERA Technician. Paramedical staff is inadequate.
3. Participation in National Programme for Prevention & Control of Deafness is not clear. Performing 2 Cochlear Implant Surgeries cannot be considered as participation in National Programme for Prevention & Control of Deafness.
4. Academic parameter like Group Discussion (05 in no.) is inadequate.
5. Other deficiencies as pointed out in the Assessment Report.

146. Increase of seats in MD(Radio-Diagnosis) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (25th August 2015) on the physical and other teaching facilities available at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur for Increase of seats in MD(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (25th August 2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Radio-Diagnosis) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 from 5(Five) to 7(Seven) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

147. Increase of seats in MS(OBG) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (25th August 2015) on the physical and other teaching facilities available at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur for Increase of seats in MS(OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (25th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(OBG) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Operative workload of Major operations was only 2 on day of assessment.
2. As per the report of the Anaesthesia department, there were only 5 Major operations & 1 Caesarean Sections – i.e. Total 6 - on day of assessment till 03:30 p.m. which is grossly inadequate.
3. There are only 2 publications from the department in indexed journals in last 3 years. There has been no publication for last 2 ½ years.
4. Designation of Dr. Zohra Abbas is not clear. In the faculty table on P. 21, she has been shown as Asst. Prof.; however it is not clear whether she is Asst. Prof. or Antenatal Medical officer or Senior Resident.
5. Academic parameter like Group Discussion (18/year) is inadequate.
6. Other deficiencies as pointed out in the Assessment Report.

148. Increase of seats in MD(Paediatrics) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (25th August 2015) on the physical and other teaching facilities available at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur for Increase of seats in MD(Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (25th August 2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Paediatrics) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 from 3(Three) to 6(Six) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

149. Starting of MS(General Sugery) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (25th August 2015) on the physical and other teaching facilities available at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur for Starting of MS(General Sugery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (25th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for starting of MS(General Surgery) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. On the day of assessment, total surgeries: 53 (Major 20; Minor 31 & Day care 2)
2. However, report of Anaesthesia department (just next day) is reproduced below:
 1. *"There were only 5 Major operations & 1 Caesarean Sections – i.e. Total 6 - on day of assessment till 03:30 p.m. which is grossly inadequate.*
 2. *Record of operations performed in 2014 was not made available to assessor for verification; hence data of operations could not be verified.*
 3. *Although there were only 5 Major operations on day of assessment, Histopathology workload is shown as 16 which is not feasible. There is data mismatch.*
 4. *Birth register was not made available to assessor for verification.*
 5. *Clinical material is inadequate. Most of the patients listed for operation on 26/08/2015 were neither admitted in the wards nor proper investigation reports were available with Bed head Ticket. Many cases were found admitted on private clinic prescription of consultants of Surgical departments without proper admission.*
 6. *Number of patients admitted in ICUs were very few.*
 7. *Only 3 Senior Residents are shown in faculty table; out of them 2 do not possess required experience of 3 y as Resident in the department in a medical college.*
 8. *Resultantly, there is deficiency of Senior Resident: 3.*
 9. *Daily average of Major operations is only 10 which is inadequate."*

It is evident that surgical workload is grossly inadequate and college authorities did not provide many information sought by the Assessor.

3. Number of emergency admissions are less (5 per day through casualty) which means number of serious surgical emergencies is inadequate without which training of P.G. students will be inadequate. This is also confirmed by 0.8% death rate of last year, in the department.
4. Dr. Ashutosh Soni, Ex. Professor of Plastic Surgery, it is unexpected that he will work as Asst. Professor in General Surgery.
5. Dr. Udai Bhaumik, Asst. Professor worked as Asst. Professor of Neurology at Kota. He cannot be Asst. Professor in Surgery.
6. Joining details of Dr. Narsee Ram Dewasi, Asst. Professor has not been provided.
7. 4 out of 6 Senior Residents joined only 6 days, 6 days, 14 days and 1 month prior to assessment. It seems they have been collected for assessment. Most of the Senior Residents had provisional registration, which cannot be accepted. Hence, they are not eligible. Provisional registration is only acceptable during internship.
8. Other deficiencies as pointed out in the Assessment Report.

150. Starting of MD(Radio Therapy) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (25th August 2015) on the physical and other teaching facilities available at Geetanjali Medical College & Hospital, Udaipur,

Rajasthan under Geetanjali University, Udaipur for Starting of MD(Radio Therapy) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (25th August 2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(Radio Therapy) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 1(One) student per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

151. Increase of seats in MD(General Medicine) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (26th August 2015) on the physical and other teaching facilities available at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur for Increase of seats in MD(General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (26th August 2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(General Medicine) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 from 7(Seven) to 12(Twelve) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

152. Increase of seats in MS(Ophthalmology) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (26th August 2015) on the physical and other teaching facilities available at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur for Increase of seats in MS(Ophthalmology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (26th August 2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS(Ophthalmology) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 from 1(One) to 2(Two) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

153. Increase of seats in MD(Anaesthesia) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (26th August 2015) on the physical and other teaching facilities available at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur for Increase of seats in MD(Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (26th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Anaesthesia) course at Geetanjali Medical College & Hospital, Udaipur, Rajasthan under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. There were only 5 Major operations & 1 Caesarean Sections – i.e. Total 6 - on day of assessment till 03:30 p.m. which is grossly inadequate.
2. Record of operations performed in 2014 was not made available to assessor for verification; hence data of operations could not be verified.
3. Although there were only 5 Major operations on day of assessment, Histopathology workload is shown as 16 which is not feasible. There is data mismatch.
4. Birth register was not made available to assessor for verification.
5. Clinical material is inadequate. Most of the patients listed for operation on 26/08/2015 were neither admitted in the wards nor proper investigation reports were available with Bed head Ticket. Many cases were found admitted on private clinic prescription of consultants of Surgical departments without proper admission.
6. Number of patients admitted in ICUs were very few.
7. Only 3 Senior Residents are shown in faculty table; out of them 2 do not possess required experience of 3 y as Resident in the department in a medical college.
8. Resultantly, there is deficiency of Senior Resident: 3.
9. Daily average of Major operations is only 10 which is inadequate.
10. Details of beds occupied in ICCU/ICUs are not provided.
11. Academic parameters like Journal Clubs (20/year), Group Discussions (07 in no.) are inadequate.
12. Other deficiencies as pointed out in the Assessment Report.

154. Starting of MD(Biochemistry) course at ICARE Institute of Medical Sciences & Research, Haldia, Purba Midanpore, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24th August 2015) on the physical and other teaching facilities available at ICARE Institute of Medical Sciences & Research, Haldia, Purba Midanpore, West Bengal under West Bengal University of Health Sciences, Kolkata for Starting of MD(Biochemistry) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Biochemistry) course at ICARE Institute of Medical Sciences & Research, Haldia, Purba Midanpore, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Blood component separation is not available.
2. Apart from Blood Chemistry, no other Biochemistry investigation is carried out.
3. P.G. Hostel is under construction.
4. ICD X classification is not being used.
5. CSSD/ Incinerator not available.
6. Other deficiencies as pointed out in the Assessment Report.

155. Starting of MD(Microbiology) course at ICARE Institute of Medical Sciences & Research, Haldia, Purba Midanpore, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24th August 2015) on the physical and other teaching facilities available at ICARE Institute of Medical Sciences & Research, Haldia, Purba Midanpore, West Bengal under West Bengal University of Health Sciences, Kolkata for Starting of MD(Microbiology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Microbiology) course at ICARE Institute of Medical Sciences & Research, Haldia, Purba Midanpore, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Average daily workload has decreased over a period of last 3 years.
2. Laboratory services, and equipment are not adequate for PG course.
3. Investigative workload on the day of Assessment, microscopy 12, cultures 12 and serology 10. Molecular not yet started. All this is grossly inadequate.
4. Attendance of staff was not provided by the institute.
5. Blood component facility is not available.
6. Virology laboratory is not yet started.
7. P.G. Hostel is under construction.
8. Other deficiencies as pointed out in the Assessment Report.

156. Starting of MD(Pharmacology) course at ICARE Institute of Medical Sciences & Research, Haldia, Purba Midanpore, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24th August 2015) on the physical and other teaching facilities available at ICARE Institute of Medical Sciences & Research, Haldia, Purba Midanpore, West Bengal under West Bengal University of Health Sciences, Kolkata for Starting of MD(Pharmacology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Pharmacology) course at ICARE Institute of Medical Sciences & Research, Haldia, Purba Midanpore, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Blood component facility is not available.
2. Equipment is inadequate.
3. Experimental Pharmacology & Clinical Pharmacology laboratories are poorly equipped.
4. Pharmacovigilance Unit is non-functional.
5. P.G. Hostel is under construction.
6. Departmental Research laboratory is not available.
7. Animal Ethics Committee is not in place.
8. CSSD/ Incinerator not available.
9. ICD X classification is not being used.
10. Promotion of Dr. Sukanta Sen, Assoc. Professor is not as per Regulations. She has been Asst. Professor for 4 years 1 month against the requirement of 5 years, which is not as per Regulations.
11. Other deficiencies as pointed out in the Assessment Report.

157. Starting of MD(Pathology) course at ICARE Institute of Medical Sciences & Research, Haldia, Purba Midanpore, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24th August 2015) on the physical and other teaching facilities available at ICARE Institute of Medical Sciences & Research, Haldia, Purba Midanpore, West Bengal under West Bengal University of Health Sciences, Kolkata for Starting of MD(Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24th August 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Pathology) course at ICARE Institute of Medical Sciences & Research, Haldia, Purba Midanpore, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. In 2014,specimens for histopathology and cytopathology received 1538 and specimens reported only 366. Why the remaining specimens were not reported? Obviously the data is non-genuine.
2. Blood component facility is not available.
3. Deficiency of faculty: (a) Asst. Prof.: 2; (b) Tutors: 3.
4. Workload of USG guided FNAC &CT guided FNAC is only 14/year & 52/year respectively which is inadequate.
5. Histopathological workload on day of assessment was NIL. Average Histopathological workload is only 3/day which is inadequate. (P. 2)
6. Only 2 Asst. Prof. & 2 Tutors were present when assessment started. Remaining faculty arrived after 2 p.m.
7. Pathological post-mortems are not performed.
8. Surgical Pathology services, Frozen Section, Histochemistry, Immunohistochemistry are not available.
9. Bone Marrow Biopsy workload is NIL.
10. Other deficiencies as pointed out in the Assessment Report.

158. Starting of MD(Community Medicine) course at ICARE Institute of Medical Sciences & Research, Haldia, Purba Midanpore, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (24th & 25th August 2015) on the physical and other teaching facilities available at ICARE Institute of Medical Sciences &
