The Chairman welcomed the members of the Postgraduate Medical Education Committee.

Leave of absence was received from Prof. (Dr.) Dhruba Jyoti Borah, Member; Dr. Datteswar Hota, Member; Dr. K.S. Sharma, Member; Dr. (Mrs) Rani Bhaskaran, Member.

**1. Minutes of the last meeting of the Postgraduate Medical Education Committee – confirmation of.**

The minutes of the Postgraduate Medical Education Committee meeting held on 24/11/2015 were read out and confirmed in the meeting itself.

**2. Minutes of the last meeting of the Postgraduate Medical Education Committee – action taken thereon.**

The Postgraduate Medical Education Committee noted & approved the action taken on the minutes of the previous meeting of the Postgraduate Medical Education Committee.

The Postgraduate Medical Education Committee noted that there are multiple reports of one subject. It was resolved that, if assessment for higher number of seats has been done, there is no justification for doing compliance verification for lower number of seats.

The Postgraduate Medical Education Committee was shocked to learn about the sad demise of Prof. V.P. Mishra's mother. The committee resolved to convey its heartfelt condolences to the bereaved family to bear this irreparable loss and pray to almighty to grant peace to the departed soul. It was decided to send a copy of resolution to Dr. V.P. Mishra.

**3. Increase of seats in MD (DVL) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.**

Read: the Council Assessor's Report (18th November 2015) on the physical and other teaching facilities available at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur for Increase of seats in MD (DVL) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18th November 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (DVL) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Bed occupancy is 50% on day of assessment.
2. Senior Resident is not available.
3. No Skin Biopsy was done on day of assessment.
4. Workload of Skin Tests, Staining & Wet Mount was NIL on day of assessment.
5. Data of departmental clinical material is not maintained in the department.
6. Although the institute has claimed 40 beds in the only Unit, on observation only 30 beds were found to be available.
7. No non-teaching staff was seen in the department during assessment.
8. There is no separate room for examination & treatment of STD patients. STD clinic as per National Programme was not seen.
9. Academic parameter like Group Discussions (12/year) is inadequate.
10. There is no office accommodation for Asst. Professors, Residents and Office Clerk.
11. Other deficiencies as pointed out in the Assessment Report.

In case, the college authorities wish to submit any compliance, the same should reach this Office, directly within one month along with supporting documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained/ considered.

**4. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Paediatrics) qualification against increased intake from 05 to 07 seats in respect of students being trained at Narayana Medical College, Nellore.**

Read: the Council Assessor's Report (May, 2014 for 5 to 6 seats and May, 2015 for 6 to 7 seats) and compliance dated 19/08/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(Paediatrics) qualification against increased intake from 05 to 07 seats at Narayana Medical College, Nellore granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2014 for 5 to 6 seats and May, 2015 for 6 to 7 seats) and compliance dated 19/08/2015 submitted by the college authorities and decided to recommend to the Central Government that MD(Paediatrics) qualification against increased intake from 05 to 07 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Narayana Medical College, Nellore be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

**5. Himachal Pradesh University - Recognition of MD(General Medicine) qualification for 05 seats in respect of students being trained at Dr. Rajendar Prasad Government Medical College, Tanda, H.P.**

Read: the Council Assessor's Report (June, 2013 & June 2014 for 2 & 2 to 3 seats and July, 2015 for 3 to 5 seats) and compliance dated 26/08/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(General Medicine) qualification for 05 seats at Dr. Rajendar Prasad Government Medical College, Tanda, H.P granted by Himachal Pradesh University.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2013 & June 2014 for 2 & 2 to 3 seats and July, 2015 for 3 to 5 seats) and compliance dated 26/08/2015 submitted by the college authorities and decided to recommend to the Central Government that MD(General Medicine) qualification for 05 seats granted by Himachal Pradesh University in respect of students being trained at Dr. Rajendar Prasad Government Medical College, Tanda, H.P be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

**6. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(DVL) qualification against increased intake from 01 to 03 seats in respect of students being trained at M.V.J. Medical College, Bangalore.**

Read: the Council Assessor's Report (June, 2014 for 1 to 2 seats and May, 2015 for 2 to 3 seats) and compliance dated 18/08/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(DVL) qualification against increased intake from 01 to 03 seats at M.V.J. Medical College, Bangalore granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2014 for 1 to 2 seats and May, 2015 for 2 to 3 seats) and compliance dated 18/08/2015 submitted by the college authorities and decided to recommend not to recognize MD(DVL) qualification against increased intake from 01 to 03 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at M.V.J. Medical College, Bangalore because of the following facts:-

1. At 09:30 a.m., there were 24 & 12 patients in male & female wards respectively; at 05:10 p.m., on a revisit of the same ward, only 3 patients (2 male & 1 female) were found & the rest had left. Both Medical Superintendent & HOD could not explain the exodus.
2. Area demarcated for faculty is actually an extension of ICU & inner construction did not match the pattern. There are no name plates; only paper was pasted with their names printed.
3. Quantum of procedures/specimens/biopsies mentioned by PGs in their log books did not match with that received by Pathology or Microbiology departments. E.g. in PG log books, it is stated that 45-60 biopsies/month are done while Pathology receiving book shows only 24 in the month of April.
4. Regarding Mycology samples, Microbiology department claims to handle 7, 022 specimens between March 2014 & February 2015; On cross checking, it was revealed that this number never crossed double digit on any day in February & March 2015. Hence there is gross disparity in number of samples claimed to have been handled & actual register entries.
5. Library staff could not open any eJournal on day of assessment.
6. No designated dermatology indoor present.
7. Only one foreign journal of DVL in Central Library.
8. Promotion of Dr. Ambika H., Professor is not as per Regulations. She was Assoc. Professor for 3 years 1 month against the requirement of 4 years. There are no publications to her credit. Resultantly, there is no Assoc. Professor in the department.
9. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 01 to 03 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

**7. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Anaesthesia) qualification for 04 seats in respect of students being trained at Shadan Institute Of Medical Sciences, Hyderabad.**

Read: the Compliance Verification Assessment Report (22/09/2015 for 2 seats) along with the Council Assessor's Report (November, 2014 for 2 seats and May, 2015 for 2 to 4 seats) and compliance dated 28/04/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(Anaesthesia) qualification for 04 seats at Shadan Institute Of Medical Sciences,

Hyderabad granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (22/09/2015 for 2 seats) along with the Council Assessor's Report (November, 2014 for 2 seats and May, 2015 for 2 to 4 seats) and compliance dated 28/04/2015 submitted by the college authorities and decided to recommend not to recognize MD(Anaesthesia) qualification for 04 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Shadan Institute Of Medical Sciences, Hyderabad because of the following facts:-

1. There are no publications from the department as per compliance verification report dated 22/09/2015
2. IPD last year 236520, which means 788 admissions per day, which is not feasible. (Page 5 of report)
3. Proof of payment of stipend not provided.
4. Only 2 Anaesthesia Foreign Journal in Central Library.
5. Dr. Rehana Khanam promoted Assoc. Professor on 01/08/2014 after the cut-off date without publications, which is not as per Regulations. Resultantly, there is a deficiency of Assoc. Professor 1.
6. Academic parameters (Journal Club 12 per year, Seminars 12 per year) grossly inadequate.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 04 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. 10. **Dr. NTR University of Health Sciences, Vijayawada, A.P. - Recognition of MD(Paediatrics) qualification against increased intake from 02(Two) to 10(Ten) seats in respect of students being trained at S V Medical College, Tirupati.**

Read: the Council Assessor's Report (May, 2013 for 2 to 5 seats and May, 2015 for 5 to 10 seats) and compliance dated 26/08/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(Paediatrics) qualification against increased intake from 02(Two) to 10(Ten) seats at S V Medical College, Tirupati granted by Dr. NTR University of Health Sciences, Vijayawada, A.P..

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2013 for 2 to 5 seats and May, 2015 for 5 to 10 seats) and compliance dated 26/08/2015 submitted by the college authorities and decided to

recommend not to recognize MD(Paediatrics) qualification against increased intake from 02(Two) to 10(Ten) seats granted by Dr. NTR University of Health Sciences, Vijayawada, A.P. in respect of students being trained at S V Medical College, Tirupati because of the following facts:-

1. Bed occupancy is 60% on day of assessment.
2. Total number of patients in IPD has decreased from 10, 771 in 2012 to 9, 616 in 2014.
3. Workload of MRI is NIL on day of assessment.
4. Deficiency of faculty: (a) Asst. prof.: 1.
5. Unit IV has only 2 faculty; hence it cannot be considered as PG Unit.
6. Average bed occupancy in PICU is 150% & of NICU is 110% indicating more than one child on a bed which is not as per norms.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 10 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. **11. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MS(ENT) qualification for 02 seat in respect of students being trained at Rajarajeswari Medical College & Hospital, Bangalore.**

Read: the Council Assessor's Report (June, 2014 & March, 2015 for 1 seat and May, 2015 for 1 to 2 seats) and compliance dated 27/08/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MS(ENT) qualification for 02 seat at Rajarajeswari Medical College & Hospital, Bangalore granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2014 & March, 2015 for 1 seat and May, 2015 for 1 to 2 seats) and compliance dated 27/08/2015 submitted by the college authorities and decided to recommend not to recognize MS(ENT) qualification for 02 seat granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Rajarajeswari Medical College & Hospital, Bangalore because of the following facts:-

1. There were only 2 Surgeries on day of assessment.
2. Scheduled O.T. days are only 2 days / week which is inadequate.
3. One month's data O.T. register showed only 069 Surgeries indicating average of 2.5/day which is inadequate.

4. Details of participation in National Programme for Prevention & Control of Deafness are not provided.
5. Academic parameter like Group Discussions (10 in no.) is inadequate.
6. Details of payment of stipend to Residents are not provided.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. 1. Dr. Nasreen Azhar Ali, Senior Resident possesses experience of only 2 years in a medical college; hence not qualified to hold the post.
2. Dr. Humera Sultana, Senior Resident is DNB but appointed straightaway as Senior Resident without any experience in a medical college; hence not qualified to hold the post.
3. Dr. Nudrat Tazeen, Senior Resident possesses experience of only 2 years in a medical college; hence not qualified to hold the post.

4. Dr. Mandadi Vasantha Devi possesses experience of 3 years in Kamineni Hospital, Hyderabad which was not a medical college affiliated hospital at the relevant period of time from 2009 to 2012.
5. Resultantly, there is shortage of Senior Resident: 1.
6. Total IPD 2014 were 6018. total Major operations + deliveries + Caesarean section were 7845, which is more than total number of patients admitted. It is not feasible and data is non-genuine.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 03 degree and 01 diploma seats after the first batch appeared in Examination till their recognition will be irregular/illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. 1. Bed occupancy is 201% which is not as per norms.
2. Although Major surgeries have increased to 659 in 2014, daily average still remains low at 2.2/day which is inadequate.
3. Gynaecological OPD on day of assessment was only 38.
4. Specialty clinic like Gynaec Endocrine clinic is not run.
5. Prenatal diagnosis services are not available.
6. Academic parameter like Group Discussion is NIL.
7. If normal vaginal deliveries were only 24 and caesarean section 6 then total deliveries for the year cannot be 14146. Obviously, the data is non-genuine.
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 4 to 9 seats after the first batch appeared in Examination till their recognition will be irregular/illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

| 4 | No. of Urine & other fluid specimens processed daily | 126        | 110        |

4. Deficiency of faculty: (a) Asso. Prof.: 2; (b) Asst. Prof.: 2; (c) Tutors: 3.
5. Immunohistochemistry is not available.
6. Workload of CT guided FNAC is NIL.
7. Academic parameters like Clinical Seminars (12/year), Journal Clubs (04 in no.) are inadequate.
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 5 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. 1. Major operations on the day of Assessment was 27. However, average of 3 random days Major Operations shown as 44. This is a data mismatch.

In the compliance verification assessment report (July, 2015):

2. Out of 12 Senior Residents present, 8 were not able to produce any evidence of salary paid to them for the period they served as Junior Resident in the same institute.
3. Out of remaining 4 Senior Residents, 2 who are Diploma holders were not able to produce any evidence of salary paid to them for 3rd year of their experience in the institute.

4. In view of above, there are only 2 Senior Residents who can be considered as such resulting in shortage of 3 Senior Residents. (even after considering reduced requirement as per July 2015 amendment.)

From the above, it appears that non-genuine experience certificates have been issued.

5. Details of beds occupied in ICU/RICU & Postoperative Care area on day of assessment are not provided.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 6 seats after the first batch appeared in Examination till their recognition will be irregular/illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. 1. The institute is under process of Renewal of Permission for increase from 150 to 250 seats; therefore 8 Units with total 24 faculty are required. However on day of assessment, only 4 Professors, 4 Asso. Prof. & 8 Asst. prof. were present. One Professor was on examination duty & 1 Asst. Prof. was on Maternity leave. Even if they are considered, there is deficiency of faculty: (a) Asst. Prof.: 6.
2. Resultantly no faculty is available in Unit 2. There is only 1 faculty each in Unit 3 & 8; hence they cannot be considered as teaching Units at all.
3. Unit 4, 6 & 7 have only 2 faculty each. Hence they cannot be considered as PG Units.
4. Resultantly, out of 8 Units, only 2 Units have complete faculty complement; rest 6 have incomplete faculty complement.
5. Wrong SAF has been used.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 4 to 8 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

**29. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD/MS(OBG) qualification for 05 seats and DGO qualification for 01 seat in respect of students being trained at MNR Medical College, Sangareddy.**

Read: the Compliance Verification Assessment Report (11/05/2015 for 2 degree & 1 diploma seats) along with the Council Assessor's Report (May, 2012 for 2 degree & 1 diploma seats and May, 2015 for 2 to 3 & 3 to 5 degree seats) and compliance dated 09/12/2014 for 2 degree & 1 diploma seats submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD/MS(OBG)

qualification for 05 seats and DGO qualification for 01 seat at MNR Medical College, Sangareddy granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (11/05/2015 for 2 degree & 1 diploma seats) along with the Council Assessor's Report (May, 2012 for 2 degree & 1 diploma seats and May, 2015 for 2 to 3 & 3 to 5 degree seats) and compliance dated 09/12/2014 for 2 degree & 1 diploma seats submitted by the college authorities and decided to recommend to the Central Government that MD/MS(OBG) qualification for 05 seats and DGO qualification for 01 seat granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at MNR Medical College, Sangareddy be recognized and included in the 1st Schedule to the I.M.C. Patil University, Navi Mumbai in respect of students being trained at Padamshree Dr. D.Y.Patil Medical College, Navi Mumbai because of the following facts:-

1. Institute has stated that stipend paid by Govt. of Maharashtra to I/II/III year Residents is Rs. 20, 000, Rs. 23, 000 & Rs. 26, 000 p.m. while in fact it is much higher.
2. Institute is paying stipend of Rs. 20, 000, Rs. 23, 000 & Rs. 26, 000 p.m. to I/II/III year Residents respectively. By showing that Govt. of Maharashtra is also paying stipend at the same rates, a deliberate attempt has been made by institute to mislead the Council.
3. Total number of patients in OPD has decreased from 96,021 in 2012 to 90,997 in 2014. OPD/ IPD data on page 2 is different. Obviously, data is non-genuine.
4. Total number of patients in IPD has decreased by 44% from 8, 395 in 2012 to 4, 654 in 2014. IPD data on page 2 is as under:

|      |      |      |
|------|------|------|
| 2012 | 2013 | 2014 |
| 1728 | 1817 | 1893 |

Obviously data is non-genuine.

5. Academic parameter like Group Discussions (12/year) is inadequate.
6. Unit-wise distribution of faculty is not given.
7. Other deficiencies as pointed out in the Assessment Report.

Matter regarding payment of stipend has already been referred to Ethics Committee and latest status of the same be obtained.

Read: the Compliance Verification Assessment Report (15/05/2015) along with the Council Assessor's Report (May, 2013) and compliance dated 25/09/2013 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(Paediatrics) qualification against increased intake from 02 to 05 seats at Kakatiya Medical College, Warangal granted by Dr. NTR University of Health Sciences, Vijayawada, A.P.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (15/05/2015) along with the Council Assessor's Report (May, 2013) and compliance dated 25/09/2013 submitted by the college authorities and decided to recommend not to recognize MD(Paediatrics) qualification against increased intake from 02 to 05 seats granted by Dr. NTR University of Health Sciences, Vijayawada, A.P in respect of students being trained at Kakatiya Medical College, Warangal because of the following facts:-

1. There are only 4 publications cited. No Authors of 2<sup>nd</sup> Article, No page no. of 3<sup>rd</sup> Article and 4<sup>th</sup> is not a Research Article. So, only one publication left, which is inadequate.
2. Unit 4 has only 2 faculty. Hence, it cannot be considered as PG Unit.
3. Deficiency of Faculty: (a) Asst. Professor: 1.
4. Candidates appearing at examination have not presented any poster/read or presented any paper which is not as per Regulations. Deficiency regarding conduct of examination remains as it is.

5. No details of experience (joining dates) of Senior Residents & Junior Residents given in Faculty Table.
6. No details of Examiners has been provided.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 5 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (08.12.2014) and compliance dated 13/08/2015 submitted by the college authorities and decided to recommend not to recognize MD/MS(Ophthalmology) qualification against increased intake from 04 to 05 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Govt. Medical College, Kozhikode, Calicut, Kerala because of the following facts:-

1. No Senior Resident has been appointed as yet. Deficiency remains as it is.
2. Although it is stated that bed occupancy has improved, actual figures have not been provided to prove its veracity.
3. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 4 to 5 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. If 27 patients are admitted against 30 beds then stay of each patient in Emergency department is only one day, which is not feasible for really sick patients.
2. As per faculty table signed by the Dean and Assessor, Dr. Shreedhar Halla Nitter did not work as Asst. Professor at A.J. Institute of Medical Sciences, Mangalore from 01/03/2004 to 30/11/2005. If he had worked, why this period was not mentioned in faculty table as well as his declaration form. This experience is given now. College Authorities should give proof of payment of salary to him for this period. (Bank Transfer)
3. Wrong information has been supplied. It was asked that they had worked in Emergency department or not prior to joining this department when it was created on 01/06/2014. If their prior experience is not in emergency medicine and they have no 2 years special training, they are not eligible.
4. Total IPD of 2014 was 9855, which means 33 admissions daily against 30 beds which is not feasible.
5. Experience details of faculty in different ranks mentioning their department where they worked is not given without which their eligibility to the post they are holding cannot be decided.
6. Other deficiencies as pointed out in the Assessment Report.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21/08/2015) and compliance dated 07/11/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (General Surgery) course at Command Hospital Air Force, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. 120 beds of General Surgery have now been reframed into 2 Units implying each Unit has 60 beds, which is not as per Regulations; Deficiency remains as such.
2. When existing 3 Units have been reframed into 2 Units, deficiency of 1 Unit is created.
3. No compliance is submitted regarding inadequacy of research publication.
4. Deficit of 1 Junior Resident still remains.
5. Period of service of Dr. Saida into Asst. Prof. & Asso. Prof. has to be done by institute & not by MCI. Accordingly, revised D.F., orders & joining reports of Dr. Saida are not provided. Hence, his promotion stays not as per Regulations.
6. Requirement of Junior Residents is not linked to number of PG seats. For three units there is requirement of six junior residents.
7. Deficiency 9, 10 & 11 stay as such.
8. Promotion of Dr. Dhiraj Jhamb, Assoc. Professor is not as per Regulations. He has been Asst. Professor for 2 years 1 month.
9. Period and Place of posting of Dr. T.S. Ramakrishnan, Professor & HoD as Graded, Classified Specialist and Advisor signed by competent authority from the Office of DGAFMS has not been attached without which his equivalent academic designations cannot be calculated.
10. Promotion of Dr. N.K. Saida, Assoc. Professor is not as per Regulations. She has been Asst. Professor for 4 years against the requirement of 5 years.

1. No explanation is given for decreased number of Histopathology specimens in 2014. No compliance is given whether it has increased in 2015 or not.
2. No compliance is submitted whether MRI workload has increased or not.
3. No compliance is submitted whether Specialty clinics like Arthroplasty clinic, Arthroscopy clinic are actually run or not.
4. No compliance is submitted regarding Hip & Knee Replacement Surgery.
5. With decreasing OPD & Minor + Day care operations, increase in seats is not justifiable.
6. Dr. A.C. Jain was shown as Senior Resident in faculty table from 02/07/2012 to 01/07/2013, which is now converted to Junior Resident. Retrospective change in designation is not allowed.
7. Daily MRI workload, 8 – 10 for entire hospital indicate inadequate clinical material.
8. Arthroscopy/ Arthroplasty facilities are still not operational.
9. Deficiency 8 & 10 still stays. No knee arthroplasty set available. It is provided by the implant supply and company, which is not acceptable.
10. Other deficiencies as pointed out in the Assessment Report.

**65. Increase of seats in MD (Pathology) course at Peoples College of Medical Sciences & Research Centre, Bhanpur, Bhopal under People's University, Bhanpur, Bhopal u/s 10A of the IMC Act, 1956 for the academic year 2016-17-consideration of compliance.**

5. As per faculty table signed by Dean & Assessor and declaration form of Dr. Deepankar Parmar, he was Asst. Professor for 3 years and 23 days at KIMS, Amalapuram. He was Assoc. Professor from 23/11/2011, till date at PCMS & RC, Bhopal. Now, retrospectively, he has been shown as Asst. Professor at PCMS & RC, Bhopal from 23/11/2011 to 26/04/2013, which is not permissible.
6. Pathological postmortems have a different purpose than Medico-legal postmortems and the later cannot substitute the former. Pathological postmortems are to ascertain the diagnosis, which might have not been clear during treatment. Pathological postmortems are not performed.
7. Deficiency 6 stay as such.
8. Other deficiencies as pointed out in the Assessment Report.

**66. Increase of seats in MD (Radio-Diagnosis) course at PES Institute of Medical Sciences & Research, Kuppam, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**

Read: the Council Assessor's Report (01/09/2015) and compliance dated 17/11/2015 submitted by the college authorities on the physical and other teaching facilities available at PES Institute of Medical Sciences & Research, Kuppam, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD (Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01/09/2015) and compliance dated 17/11/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Radio-Diagnosis) course at PES Institute of Medical Sciences & Research, Kuppam, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. MRI workload is still inadequate at 07/day.
2. Deficiency of inadequate number of publications remains as such.
3. As per compliance:
  - a. OPD patients referred to Radio-diagnosis department last year: 67503, which means 225 patients per day.

- b. IPD patients referred to Radio-Diagnosis department last year: 28246, which means 94 patients per day.
- c. Hence, total patients referred to radio-diagnosis department daily: 320.
- d. Total daily investigations: 309 (page 3 of SAF).
- e. There will be many patients who need more than one investigations: i.e. X-ray, Ultrasound, CT, MRI, etc.
4. Hence, this is data mismatch.
5. Deficiency 2: remains as it is. Investigative workload of department on inspection date is as below:

MRI - 07  
 Mammography - 01  
 DSA - 01  
 CT Scan - 15

MRI (from average of 03 years) is 4.8 per day.  
 This is grossly inadequate.

6. Deficiency 3: No reply has been given. No full reference of earlier cited publications has been provided.
7. Surrender of diploma will only be considered after the same is deleted from Schedule by MOH&FW.
8. Already 5 seats commensurate with available clinical material.
9. Other deficiencies as pointed out in the Assessment Report.

**67. Increase of seats in MD (Psychiatry) course at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**

Read: the Council Assessor's Report (01/09/2015) and compliance dated 17/11/2015 submitted by the college authorities on the physical and other teaching facilities available at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry for Increase of seats in MD (Psychiatry) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01/09/2015) and compliance dated 17/11/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Psychiatry) course at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. No compliance is submitted regarding decrease of patients in IPD.
2. Deficiency regarding payment of stipend remains as such. It is not understood how a deduction of Rs. 28, 000 p.m. can be made from stipend for establishment & accommodation from total stipend claimed to have been paid is Rs. 40, 000 p.m.
3. As per compliance, average monthly OPD during last 3 months is 1084, which means 43 patients per day, maximum, which is grossly inadequate even for start of the course (leave aside increase of seats from 2 to 3)
4. Deficiency 3 stays as such. Two papers submitted has not been accepted yet.
5. Deficiency 8 stays as such. On the day of assessment, only 6 MRI & 44 Ultrasound in entire hospital indicate grossly inadequate clinical material.
6. Other deficiencies as pointed out in the Assessment Report.

**68. Increase of seats in MD (Anaesthesia) course at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**

1. No compliance is submitted regarding MRI workload.
2. Quantum of theory classes is not given. Deficiency remains as it is.
3. Deficiency regarding payment of stipend remains as such. It is not understood how a deduction of Rs. 28, 000 p.m. can be made from stipend for establishment & accommodation from total stipend claimed to have been paid is Rs. 40, 000 p.m.
4. Compliance regarding promotion of Dr. Ranjan is not proper as no details of research publications have been provided which are must for promotion after 09/07/2014.
5. As per compliance, projected Major operations for 2015 is 4700, which is also a decrease from 2012. With decreasing number of Major surgeries, there is no justification for increasing the PG seats.
6. Deficiency of Stipend (actually paid 12, 000 per month) remains as such. No deductions can be allowed since residents have to be provided Hostel accommodation.
7. No reply given to deficiency 7 (Major operations 12 per day, inadequate)
8. As per faculty table signed by the Dean & Assessor, Dr. Shanti Sudha and Dr. Sreenath C. were never Junior Resident after DA. They were appointed only Senior Residents for which they are not eligible. Retrospective change of designations is not allowed as such. Senior Residents left in department – 2 against the requirement of 4.
9. Other deficiencies as pointed out in the Assessment Report.

**69. Increase of seats in MS (OBG) course at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**

1. One of research publications of Dr. Kiranmai seems to be a review article and hence cannot be accepted as a research publication. Hence, she could not have been promoted after 09/07/2014 without 2 research publications. Deficiency remains as such.
2. Resultantly, there are only 2 faculty in Unit 3 & it cannot be considered as PG Unit. Deficiency remains as such.
3. As per SAF signed by the Dean & Assessor, in 2014:
  - a. Major operations: 1457
  - b. Caesareans: 965
  - c. Operative Vaginal deliveries: 928
  - d. Normal Vaginal: 2893
 Total: 6243  
 Retrospective change in data in compliance is not permitted.
4. No Author names of any publications has been provided. Out of 5 publications cited 2 are case reports, which cannot be considered
5. No comment about deficiency 9. (Only 1/6070 death)
6. Other deficiencies as pointed out in the Assessment Report.

**72. Increase of seats in MD (Anaesthesia) course at Sri Guru Ram Das Institute of Medical Sciences & Research, Sri Amritsar under Baba Farid University of Health Sciences, Faridkot u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**

Read: the Council Assessor's Report (16/09/2015) and compliance dated 24/11/2015 submitted by the college authorities on the physical and other teaching facilities available at Sri Guru Ram Das Institute of Medical Sciences & Research, Sri Amritsar under Baba Farid University of Health Sciences, Faridkot for Increase of seats in MD (Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (16/09/2015) and compliance dated 24/11/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Anaesthesia) course at Sri Guru Ram Das Institute of Medical Sciences & Research, Sri Amritsar under Baba Farid University of Health Sciences, Faridkot u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty (Asst. Professor: 1 still exist).
2. Other deficiencies as pointed out in the Assessment Report.

**73. Increase of seats in MS (OBG) course at Vydehi Institute of Medical Sciences & Research Centre, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**

Read: the Council Assessor's Report (09/09/2015) and compliance dated 25/11/2015 submitted by the college authorities on the physical and other teaching facilities available at Vydehi Institute of Medical Sciences & Research Centre, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (09/09/2015) and compliance dated 25/11/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the

scheme for Increase of seats in MS (OBG) course at Vydehi Institute of Medical Sciences & Research Centre, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. As per faculty table signed by Dean and Assessor, Dr. S.M. Jawali was Senior Resident from 15/05/2010 to 15/05/2011, which period is now shown in compliance as Junior Resident. Retrospective change in designation as such is not allowed. As per faculty table, there is no Senior Resident by the name Dadamani and Aparna Patil.
2. With decreasing number of deliveries from 2012 to 2014, there is no justification of increasing the PG seats.
3. Reply to deficiency 6 is not satisfactory.
4. In any busy tertiary care hospital with best possible facilities & expert staff, death rate over the year cannot be as low as two deaths only out of 11031 admissions. Reply is not satisfactory.
5. It is clearly mentioned in the SAF table column of operation (page 35) that "Do not include Caesarean Sections." There is a separate column in the same table for caesarean sections. Hence the reply is not satisfactory. Deficiency stays as such.
6. Teaching experience is countable only from the date of first LoP (Not prior that). Hence, deficiency stays as such. Reply given is not acceptable.
7. Other deficiencies as pointed out in the Assessment Report.

**74. Increase of seats in MS (Orthopaedics) course at Vydehi Institute of Medical Sciences & Research Centre, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**

1. Reply to deficiency 4 is not satisfactory. It is clearly mentioned that Major & Minor Operations (excluding day care) is more than IPD. Naturally Minor cases done on OPD basis were excluded as day care cases.
2. Reply to deficiency 5 is not satisfactory (3/5014 deaths)
3. Deficiency 7: Retrospective change of designations as such is not allowed (As per report, he was Asst. Professor from 05/01/2009 to 06/01/2012).
4. Other deficiencies as pointed out in the Assessment Report.

**75. Starting of MD(Emergency Medicine) course at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**

1. Unit IV still has only 2 faculty; hence it cannot be considered as PG Unit.
2. Specialty clinics are not run. No compliance is submitted regarding running of Specialty clinics except Breast Disease clinic & Minimal Access Surgery clinic.
3. Other deficiencies as pointed out in the Assessment Report.

**77. Increase of seats in MD(Anaesthesia) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**

Read: the Council Assessor's Report (15th September 2015) and compliance dated 21st November 2015 submitted by the college authorities on the physical and other teaching facilities available at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University for Increase of seats in MD(Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (15th September 2015) and compliance dated 21st November 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Anaesthesia) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The Institution is paying stipend less than the government rates. Out of the stipend, no adjustment of any type of dues is allowed.
2. There is no separate ICU under Anaesthesiology department. Details of patients in ICUs are not provided.
3. Only 1 publication of Professor & HoD, Dr. Malti D. Aggarwal is during her period of Asst. Professor. 2nd publication was after her promotion as Assoc. Professor. Hence, her promotion from Asst. Professor to Assoc. Professor is not as per Regulations.
4. As per certificate issued by office of DGAFMS, promotion of Col. L.S. Kang is not as per Regulations. He was Graded Specialist for 1 year 5 months, Classified Specialist – Nil and Senior Advisor for 8 years. His promotion to the post of Professor is not as per Regulations and he cannot be considered as Professor.
5. No reply to deficiency 2 has been given.
6. Other deficiencies as pointed out in the Assessment Report.

**78. Increase of seats in MD(Radio-Diagnosis) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17-consideration of compliance.**

Read: the Council Assessor's Report (15th September 2015) and compliance dated 21st November 2015 submitted by the college authorities on the physical and other teaching facilities available at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University for Increase of seats in MD(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (15th September 2015) and compliance dated 21st November 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Radio-Diagnosis) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. No compliance is submitted regarding inadequate workload of CT guided FNAC & USG guided FNAC.

2. Explanation given by institute regarding PG degree of Dr. B. Sahai is untenable.
3. The Institution is paying stipend less than the government rates. Out of the stipend, no adjustment of any type of dues is allowed.
4. Deficiency 2 stays as such. Workload of FNAC (CT guided & USG guided) inadequate.
5. Deficiency 3 stays as such. Only 10-12 MRI per day indicate inadequate investigative workload even for part of PG course (leave aside increase in PG seats).
6. Deficiency of publications stay as such.
7. Other deficiencies as pointed out in the Assessment Report.

**79. Increase of seats in MS(OBG) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**

Read: the Council Assessor's Report (14th September 2015) and compliance dated 21st November 2015 submitted by the college authorities on the physical and other teaching facilities available at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University for Increase of seats in MS(OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (14th September 2015) and compliance dated 21st November 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(OBG) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Promotion of both Dr. Lata Agarwal & Dr. Kiran Agrawal is irregular as the requisite number of research publications are not available. The institute has stated that they may be considered as Asso. Prof. which is not permissible. It is the institute which has to downgrade the concerned faculty & submit revised D.F., orders & joining reports.
2. The Institution is paying stipend less than the government rates. Out of the stipend, no adjustment of any type of dues is allowed.
3. Promotion of Professor Dr. Lata Aggarwal is not as per Regulations. Case reports are not Research publications.
4. Promotion of Professor Kiran Aggarwal from Assoc. Professor to Professor is not as per Regulations. No fresh appointment order or declaration form to denote her as Assoc. Professor is enclosed.
5. Other deficiencies as pointed out in the Assessment Report.

**80. Increase of seats in MS(General Sugery) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**

Read: the Council Assessor's Report (15th September 2015) and compliance dated 21st November 2015 submitted by the college authorities on the physical and other teaching facilities available at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University for Increase of seats in MS(General Sugery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

1. Average daily workload of MRI is shown as 13.4 which is inadequate.
2. The Institution is paying stipend less than the government rates. Out of the stipend, no adjustment of any type of dues is allowed.
3. There is a separate column for Day Care Operations. There were 615 Day Care Operations. Obviously, Minor Operations listed are only those which were done on indoor patients in Main OT. Those operated on outdoor basis in OPD operation theatre are separately mentioned as Day Care. Hence, reply to deficiency 2 is not acceptable.
4. Only 9 MRI on the day of Assessment in entire hospital indicate inadequate clinical material.
5. Other deficiencies as pointed out in the Assessment Report.

**81. Increase of seats in MD(Pathology) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**

Read: the Council Assessor's Report (14th September 2015) and compliance dated 21st November 2015 submitted by the college authorities on the physical and other teaching facilities available at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University for Increase of seats in MD(Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (14th September 2015) and compliance dated 21st November 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Pathology) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The Institution is paying stipend less than the government rates. Out of the stipend, no adjustment of any type of dues is allowed.
2. No compliance is given as to how workload of CT guided FNAC & USG guided FNAC has increased.
3. Out of 9, 395 Surgical specimens received in 2014, as many as 6, 841 are claimed to have been received from OPD against 2, 554 from IPD. Such a high number of Surgical specimens from OPD is not feasible. No satisfactory explanation has been given for data mismatch.
4. Reply to observation 2 is incorrect. Page 32 of SAF is reproduced below:

| Nature of specimens                                 | OPD | IPD | Outside Hospital |

It includes cytopathology from Gynaecological specimens and non-gynaecological cytopathological specimens. (Endometrial Biopsies direct as well as USG/ CT guided FNAC). Total specimens received are 14077 and total reports issued, (Nature of Diseases reported including Normal Tissue) is 18405. Obviously, this is a data mismatch. Figures given at other pages (Page 35) are different, this is another data mismatch.

5. There is no permission of Government needed for Pathological postmortems. It is needed for Medico-legal postmortems.
6. Other deficiencies as pointed out in the Assessment Report.

**82. Increase of seats in MS(Orthopaedics) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**

Read: the Council Assessor's Report (15th September 2015) and compliance dated 21st November 2015 submitted by the college authorities on the physical and other teaching facilities available at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University for Increase of seats in MS(Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

1. No satisfactory explanation has been given for alteration in SAF.
2. Average daily workload of MRI is shown as 13.4, which is inadequate.
3. The Institution is paying stipend less than the government rates. Out of the stipend, no adjustment of any type of dues is allowed.
4. Reply to deficiency 2 is not correct. Operations done on outdoor basis in OPD operation Theater on non-admitted patients are separately listed as Day Care surgeries, which were 973 in the year 2014. It is wrong to call the group of Minor Surgeries also in that category. Some patients may have multiple surgeries but they cannot be 3 on each patient (1549 patients and 4224 surgeries). The data is non-genuine and unreliable.
5. Only 9 MRI on the day of assessment in entire hospital indicate very inadequate clinical material.
6. Other deficiencies as pointed out in the Assessment Report.

**83. Starting of MD(TB & Respiratory Medicine/ Pulmonary Medicine) course at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**

Read: the Council Assessor's Report (10th September 2015) and compliance dated 23th November 2015 submitted by the college authorities on the physical and other teaching facilities available at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University for Starting of MD(TB & Respiratory Medicine/ Pulmonary Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10th September 2015) and compliance dated 23th November 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(TB & Respiratory Medicine/ Pulmonary Medicine) course at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Equipment like DLCO is not available.
2. Staff vacancy in DOTS center remains as it is.
3. If Professor in the department has joined then why the compliance report is signed by Assoc. Professor as HoD.
4. As per compliance, monthly average OPD from January to October 2015 is 54 patients, which is bare minimum.
5. Other deficiencies as pointed out in the Assessment Report.

**84. Increase of seats in MD(Pathology) course at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**

The Postgraduate Medical Education Committee considered the Council Assessor's Report (09th September 2015) and compliance dated 23th November 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Pathology) course at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Equipment like Immunofluorescent Microscope, Flow Cytometer are not yet installed & functional.
2. Pathological post-mortems are not performed.
3. Academic parameter like Theory Classes (NIL) is inadequate. Attending UG classes cannot be equated with Theory Class for PGs.
4. As per the data provided in SAF (page 2) signed by Dean and Assessor, total specimens received were 4093 and reports issued (Diseases reported including normal tissue) were 2981. This information has been provided by college authorities. Hence, the reply given is not correct.

5. Deficiency 2 persists. Order has been placed but equipment not installed.
6. Deficiency 3 persists. 40 more antibodies not yet purchased.
7. Deficiency 8 stays. No Government permission is required for pathological postmortems. It is required only for Medico-legal postmortems.
8. Other deficiencies as pointed out in the Assessment Report.

**85. Increase of seats in MD(Radio-Diagnosis) course at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**

N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. No reference/ reprint of the publications cited has been provided.
2. Already 3 seats permitted last year commensurate with clinical material.
3. Other deficiencies as pointed out in the Assessment Report.

**86. Increase of seats in MS(Ophthalmology) course at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**

Read: the Council Assessor's Report (02nd December 2015) on the physical and other teaching facilities available at Bharati Vidyapeeth Deemed University Medical College & Hospital, Sangli, Maharashtra under Bharati Vidyapeeth Deemed University, Pune for Increase of seats in MD(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (02nd December 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Radio-Diagnosis) course at Bharati Vidyapeeth Deemed University Medical College & Hospital, Sangli, Maharashtra under Bharati Vidyapeeth Deemed University, Pune u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. MRI workload for the whole hospital is only 10 on day of assessment.
2. DSA is available in Cathlab & not in the department.
3. Only 04 static X-ray machines are available against requirement of 5.
4. Radiology department has no OPD/ IPD. How this data has been supplied (page 2. Sl. No. 5)
5. As per the SAF, the first LoP for MBBS when the course was started has been given as 18/06/2012, which is not possible. The information supplied is wrong.
6. Last 3 years CT /Ultrasound guided FNAC are very inadequate (Page 2, Sl. No. 5). For the current period, there are only 10 CT/ Ultrasound guided FNAC per month, which is inadequate.

|   | 2012 | 2013 | 2014 |
|---|------|------|------|
| CT guided FNAC  | 02   | 12   | 16   |
| Ultrasound guided FNAC                                    | 06   | 26   | 38   |
| Total no. histopathology specimen sent for histopathology | 08   | 38   | 45   |

7. Information supplied in the SAF states that there were 79 deaths last year in the department of Radio-diagnosis, which does not appear feasible. The data is non-genuine.
8. Other deficiencies as pointed out in the Assessment Report.

In case, the college authorities wish to submit any compliance, the same should reach this Office, directly within one month along with supporting documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained/ considered.

**112. Increase of seats in MS(Orthopaedics) course at Bharati Vidyapeeth Deemed University Medical College & Hospital, Sangli, Maharashtra under Bharati Vidyapeeth Deemed University, Pune u/s 10A of the IMC Act, 1956 for the academic year 2016-17.**

Read: the Council Assessor's Report (02nd December 2015) on the physical and other teaching facilities available at Bharati Vidyapeeth Deemed University Medical College & Hospital, Sangli, Maharashtra under Bharati Vidyapeeth Deemed University,

Pune for Increase of seats in MS(Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (02nd December 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Orthopaedics) course at Bharati Vidyapeeth Deemed University Medical College & Hospital, Sangli, Maharashtra under Bharati Vidyapeeth Deemed University, Pune u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Specialty clinic like Hand Clinic is not run. There are no display boards of Specialty clinics. Although they are claimed to be running during OPD hours (3-5 p.m.), no separate rooms are available.
2. Record of Academic parameter like Group Discussions is not given.
3. One O.T. in Casualty was shown as Emergency O.T., but, O.T. register did not show any Major Orthopaedic Emergency operation. Only Minor procedures are entered in the register.
4. Yearly major operations in last 3 years, 555; 618 and 904 in the year 2012, 2013, 2014, respectively, which means 2-3 operations per day, which is not adequate even for 2 seats already available in the department.
5. Professor & HoD, Dr. Sunil Patil has been given experience w.e.f. 16/05/2005, which is prior to first LoP. Consequently, his promotion from Asst. Professor to Assoc. Professor is not as per Regulations. He was promoted Professor on 01/04/2014 after the cut-off date without any publications, which is not as per Regulations.
6. Postgraduate degree of Dr. Santosh V. Kulloli is not recognized. Consequently, Unit-I is left with only 1 Faculty.
7. Dr. Vikrant Magdum promoted Assoc. Professor on 27/11/2015 after the cut-off date without any publications, which is not as per Regulations.
8. Promotion dates of Dr. Vallayam A. Issapure is shown as Assoc. Professor & Asst. Professor more than once in faculty table, which seems non-convincing. His postgraduate degree is not recognized.
9. Postgraduate degree of Dr. Vishwas Phadke is not recognized.
10. Department Library & Department Museum are in one common room:
  - (a) No charts/Diagrams are displayed.
11. Records of group Discussions – Not given.
12. Emergency OT: One O.T in casualty was shown as Emergency OT, but the OT register does not contain any major Emergency Orthopaedics Surgeries, but instead only minor procedures are entered in the register.
13. Other deficiencies as pointed out in the Assessment Report.

In case, the college authorities wish to submit any compliance, the same should reach this Office, directly within one month along with supporting documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained/ considered.

**115. Vacant seats in pre and para clinical courses at all over India – regarding.**

Read: the matter with regard to vacant seats in pre and para clinical courses at all over India along with the order dated 10/11/2015 passed by the Hon'ble High Court of Orissa.

The Postgraduate Medical Education Committee considered the matter with regard to vacant seats in pre and para clinical courses at all over India along with the order dated 10/11/2015 passed by the Hon'ble High Court of Orissa and discussed the matter in detail and arrived at the conclusion that there is no other way to fill up these seats except by making the service conditions in these departments more lucrative. E.g.

they may be provided extra facilities like rent free accommodation on priority, etc. Similarly, the number of post in basic departments may be increased and a system of time bound promotion may be adopted so as to avoid stagnation at junior ranks. During period of postgraduation, stipend paid to them may be more than other departments and they may be given fee concession.

**116. Starting of MD (Psychiatry) course at M.S. Ramaiah Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.**
