3. Starting of M.Ch.(Neuro Surgery) course at B. J. Govt. Medical College, Pune, Maharashtra under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (16th February 2016) on the physical and other teaching facilities available at B. J. Govt. Medical College, Pune, Maharashtra under Maharashtra University of Health Sciences, Nashik for Starting of M.Ch.(Neuro Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (16th February 2016) and noted the following:

1. None of Senior Residents possess 3 years experience as Resident in Neurosurgery in medical college.
2. Average weekly operations 8 – 10 per week, which is not adequate.
3. Major Operations 2015 were 542 (less than 2 per day), which is inadequate.
4. OPD data for the last years 2013, 2014 and 2015 (from yearly data) was 2512, 3983 & 4982, which means 8, 13 and 16 patients per day, respectively, which is grossly inadequate.
5. Dr. Sanjay Borah, Professor & HoD was Assoc. Professor only for 3 years against the requirement of 4 years without any publications during the period of his Assoc. Professorship. Hence, his promotion is not as per Regulations.
6. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of M.Ch.(Neuro Surgery) course at B. J. Govt. Medical College, Pune, Maharashtra under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

4. Starting of DM (Cardiology) course at Bharati Vidyapeeth Deemed University Medical College & Hospital, Pune under Bharati Vidyapeeth University (Deemed), Pune u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (30th November 2015) and noted the following:

1. On the day of Inspection, bed occupancy was 50%.
2. Dr. Jagdish Hiremath is shown as Professor & HOD.; however it appears that he is not at all working in the department as his name does not appear in in any of the procedures done in the department whether invasive or non-invasive. He was not aware of surroundings and the department. His promotion is not as per Regulations. He was Assoc. Professor for 3 years 10 months and promoted on 01/01/2015 without any publication.
3. Dr. Chanderkant Chavan, Assoc. Professor passed DNB in 2006 from Nanawati Hospital. How could he be Senior Resident from 2004 to 2005 in GMC, Mumbai. As per faculty table, he spent no period in Nanawati

Hospital, then how could he do DNB from that Hospital. Hence, cannot be considered.

4. Patient load is very less.
5. There were not more than 10 patients admitted in Cardiology ward with proper Cardiac conditions.
6. Doctors are not sitting in designated OPD block; they conduct OPD from the department which is not as per norms.
7. None of Senior Residents possesses 3 years experience as Resident in Cardiology department in a medical college.
8. Average daily OPD is 25 which is inadequate.
9. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of DM (Cardiology) course at Bharati Vidyapeeth Deemed University Medical College & Hospital, Pune under Bharati Vidyapeeth University (Deemed), Pune u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

5. **Starting of M.Ch. (Urology/Genito-Urinary Surgery) course at Bharati Vidyapeeth Deemed University Medical College & Hospital, Pune under Bharati Vidyapeeth University (Deemed), Pune u/s 10A of the IMC Act, 1956 for the academic year 2016-17.**

Read: the Council Assessor's Report (30th November 2015) on the physical and other teaching facilities available at Bharati Vidyapeeth Deemed University Medical College & Hospital, Pune under Bharati Vidyapeeth University (Deemed), Pune for Starting of M.Ch. (Urology/Genito-Urinary Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (30th November 2015) and noted the following:

1. Brig. Davinder Kumar Jain worked as Asstt. Professor from 1999-2003 at Command Hospital, Lucknow where there is no M.Ch. Urology and Deptt. of Urology, hence, his experience from there cannot be counted. Resultantly, his promotion is not as per MCI Regulations.
2. Dr. Ibrahim Kothawala passed DNB from Ruby Hall which is a non-teaching hospital. He has no teaching experience in a medical college at the time of appointment as Asstt. Professor. Hence He is not eligible to hold the post of Asstt. Professor.
3. Out of 30 operations (list enclosed) per month upto 30.11.2015, only 4 were Urological Surgeries, which is very less.
4. Dr. S. P. Dhangar, Senior Resident does not possess three years experience as Resident in Urology in a Medical College. He is DNB Surgery from non-teaching hospital.
5. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of M.Ch. (Urology/Genito-Urinary Surgery) course at Bharati Vidyapeeth Deemed University Medical College & Hospital, Pune under Bharati Vidyapeeth University (Deemed), Pune u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

6. **Starting of DM (Neonatology) course at Bharati Vidyapeeth Deemed University Medical College & Hospital, Pune under Bharati Vidyapeeth University (Deemed), Pune u/s 10A of the IMC Act, 1956 for the academic year 2016-17.**

Read: the Council Assessor's Report (05th February 2016) on the physical and other teaching facilities available at Bharati Vidyapeeth Deemed University Medical College & Hospital, Pune under Bharati Vidyapeeth University (Deemed), Pune for Starting of DM (Neonatology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (05th February 2016) and noted the following:

1. Faculty available in the department is inadequate as under:
 - a. Dr. Pradeep Suryawanshi is working as Professor, Neonatology and he has a total teaching experience of 8 years and 11 months. Teaching experience of 17 years and 3 months as written in SAF is not correct. He has total 13 publications however they are mostly in non-indexed journals. Dr. Pradeep Suryavanshi promoted Professor in 2015 without any publications. He neither has DM qualification nor 2 years special training in Neonatology.
 - b. Dr. Nandini Malchy, Assoc. Professor had no special training of two years in Neonatology, hence not eligible to hold the post. Dr. Nandini Malshe is working as Associate Professor. She has teaching experience of 5 years and 1 month. Teaching experience of 14 years and 1 month as written in SAF is not correct. She has no formal training in neonatology for 2 years. Her BVDU clinical fellowship in Neonatology from April 2004 till March 2005 overlaps with her junior residency period. During her IAP Neonatology fellowship from 2010-2011, at Rainbow Children's hospital, Hyderabad, she has been shown as Assistant Professor in Pediatrics and Neonatology at Pune, BVDU. How she can be in 2 places at the same period? Both the above points need clarification. She has total 5 publications however they are mostly in non-indexed journals.
 - c. Dr. Sujata Deshpande worked at Kolencherry which does not have DM(Neonatology) department, hence her experience cannot be counted. Neither her appointment nor promotion is in accordance with the Regulations. Dr. Sujata Deshpande joined on 01/09/2015 as Assistant Professor (1 month) and now working as Associate Professor for last 4 months. She has a total teaching experience of 3 years as Assistant Professor. Her clinical fellowship in Neonatology at BVDU during 2004 – 2005 overlaps with her experience shown as Assistant Professor in Pediatrics. She has no formal training in Neonatology in India however she worked as a fellow in Australia for 2 years. She has only 1 publication.
 - d. Dr. Sachin S. Shah has joined as Assistant Professor on 02/11/2015 (working for last 3 months). He did his DM in Neonatology from LTM Medical College, Mumbai from 01/07/1996 till 05/10/1998 (2 years 4 months). From 1998 till now (last 17 years) he has no teaching experience which is not acceptable for a faculty position.
2. Teaching roster of training provided in the department is unsatisfactory. There is no name & designation of the presenter. Structured teaching programme is not provided.

3. Duty roster / clinical training is not clear. Roster provided does not contain time schedule and which aspects of Neonatology covered. How can 1 person manage whole department in a shift needs clarification.
4. As per SAF no Neonatology department exists. In SAF, on P. 6 there is no mention of Neonatology department; only 3 Units of Paediatrics are mentioned.
5. Dr. Amol Pokharkar, Senior Resident, does not possess 3 years experience as Resident in Neonatology department in a medical college.
6. Table-7 on page-2 has been altered instead of providing yearly OPD, IPD, data of high risk OPD and monthly IPD has been provided.
7. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of DM (Neonatology) course at Bharati Vidyapeeth Deemed University Medical College & Hospital, Pune under Bharati Vidyapeeth University (Deemed), Pune u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

7. Starting of DM (Critical Care Medicine) course at Bharati Vidyapeeth Deemed University Medical College & Hospital, Pune under Bharati Vidyapeeth University (Deemed), Pune u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (30th November 2015) on the physical and other teaching facilities available at Bharati Vidyapeeth Deemed University Medical College & Hospital, Pune under Bharati Vidyapeeth University (Deemed), Pune for Starting of DM (Critical Care Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (30th November 2015) and noted the following:

1. Prof. S.S. Iyer has not worked as Asstt. Professor in Critical Care Medicine. His experience of ICU cannot be counted. Resultantly, his promotion is not as per Regulations.
2. No certificate of two years special training has been provided by Dr. S.S. Iyer. Resultantly, there are only two faculty in the unit.
3. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of DM (Critical Care Medicine) course at Bharati Vidyapeeth Deemed University Medical College & Hospital, Pune under Bharati Vidyapeeth University (Deemed), Pune u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

(Paediatric Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (30th November 2015) and noted the following:

1. Dr. Shreeprasad Patankar, Professor promoted on 1.1.2015 after the cut-off date without any publications in indexed journals, his two publications quoted are Case reports published in D.Y. Patil University Journal, which cannot be considered. Resultantly, there is deficiency of one Assoc. Prof. in the department.
2. There was no death last year out of 919 admissions. In a department like Paediatric Surgery where death rate is very high, it simply indicates that no really sick children are admitted.
3. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of M.Ch. (Paediatric Surgery) course at Bharati Vidyapeeth Deemed University Medical College & Hospital, Pune under Bharati Vidyapeeth University (Deemed), Pune u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17th November 2015) and noted the following:

1. There is no Assessment report. Only faculty table is given.
2. Assessor has stated as under:

"With reference to the subject mentioned above, I have to state that I had visited the above mentioned institution on 17/11/2015 and met the Dean, Director and the HOD Neurology, I was told that the institution still does not fulfil the basic requirement of 3 consultants (Professor, Associate Professor and Assitant Professor in Neurology) to start DM (Neurology) program and the letter to this effect had already been sent to MCI. Hence, the matter of inspection becomes redundant. Despite this, I visited all the facilities of the institution and found them to be adequate including bed strength in indoor (30 beds) and very good OPD attendance and about 70% bed occupancy. Currently the department of Neurology has one Professor and one Associate Professor working full time in the fully residential institution. The Director, Dr. Prabhakar told me that the interviews for the selection of young faculty are due for early next year and they will intimate MCI as and when the minimum faculty criteria are fulfilled. The letter from the institute and details of the currently working 2 faculty are attached herewith for your kind perusal."

3. Faculty complement in the only Unit is incomplete; hence it cannot be accepted as PG Unit.
4. There is no Senior Resident.
5. Promotion of Dr. Ramakant Yadav is not as per Regulations. He was Asst. Professor for 6 months only.
6. Promotion of Dr. Archana Verma, Professor is not as per Regulations. She was Assoc. Professor for 3 years 6 months against the requirement of 4 years without any publications. She was promoted on 05/06/2015 after the cut-off date without any publications, which is not as per Regulations.
7. There is no Asst. Professor in the department.
8. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of DM (Neurology) course at U.P. Rural Institute of Medical Sciences & Research, Etawah, Uttar Pradesh under u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

37. Increase of seats in DM (Cardiology) course at B J Medical College, Ahmedabad (attached with U.N. Mehta Institute of Cardiology & Research Centre) under Gujarat University u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

(Genito Urinary Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (09/02/2016) and noted the following:

1. Dr. Chandu Mohan, Senior Resident does not possess 3 years experience as Resident in the department.

2. Although average daily IPD is shown as only 1, bed occupancy is shown as 80% which is not feasible. There is data mismatch.
3. Departmental Library has only 25 books.
4. Operative workload is less.
5. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of M.Ch. (Genito Urinary Surgery) course at Kamineni Institute of Medical Sciences, Narketpally under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Committee further decided that the Dean be requested to come and clarify regarding appointment of all Senior Residents with MBBS qualification and proof of their experience as Junior Residents in their college (Appointment Orders, Joining Reports, Experience Certificate, including proof of payment of Salary and Stipend details) duly signed by the then HoD and Dean.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10/02/2016) and noted the following:

1. There are 20 beds under General Medicine marked for Neurology. It means there are no independent beds of Neurology.
2. All the Neurology referrals, including EEG & NCV consultations, are under care of only 1 consultant who is designated as Asst. Professor. No referrals have been done to Professor and Assoc. Professor, which means they are not working full time in the Institute.
3. Clinical material is inadequate.
4. Average daily OPD is only 36.
5. Although average daily IPD is shown as only 1, bed occupancy is shown as 80% which is not feasible. There is data mismatch.
6. No specialty clinic is run in the department.
7. Dr. S.K. Jaiswal, Professor possesses experience as Asso. Prof. only at this institute which is yet to receive permission to start M.Ch. course.
8. Dr. Naveen Kumar, Asso. Prof. possesses experience as Asst. Prof. only at this institute which is yet to receive permission to start M.Ch. course.
9. Departmental Library has only 25 books.
10. All 3 faculty members have joined on 29/01/2016, 01/02/2016 and 22/01/2016, respectively. However, their earlier experience is shown in this Institute from 2005 to 2012 and 2009 to 2012. If, there was Neurology department existing who were the faculty in the department from 2012 to 2016?
11. OPD, IPD and more than 75% of bed occupancy have been shown during the years 2013, 2014 and 2015, which is not feasible without any faculty.
12. There is no dedicated Neurology ICU.
13. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of DM (Neurology) course at Kamineni Institute of Medical Sciences, Narketpally under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Committee further decided that the Dean be requested to come and clarify regarding appointment of all Senior Residents with MBBS qualification and proof of their experience as Junior Residents in their college (Appointment Orders, Joining Reports, Experience Certificate, including proof of payment of Salary and Stipend details) duly signed by the then HoD and Dean.

54. Starting of M.Ch. (Paediatric Surgery) course at Kamineni Institute of Medical Sciences, Narketpally under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (11/02/2016) on the physical and other teaching facilities available at Kamineni Institute of Medical Sciences, Narketpally under Dr. NTR University of Health Sciences, Vijayawada for Starting of M.Ch. (Paediatric Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

73. Starting of M.Ch. (Plastic Surgery) course at Government Medical College, Patiala under Baba Farid University of Health Sciences, Faridkot u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the matter with regard to Starting of M.Ch. (Plastic Surgery) course at Government Medical College, Patiala under Baba Farid University of Health Sciences, Faridkot u/s 10A of the IMC Act, 1956 for the academic year 2016-17 along with the Legal Opinion of Law Officer.

The Postgraduate Medical Education Committee considered the matter with regard to Starting of M.Ch. (Plastic Surgery) course at Government Medical College, Patiala under Baba Farid University of Health Sciences, Faridkot u/s 10A of the IMC Act, 1956 for the academic year 2016-17 along with the Legal Opinion of Law Officer and the members of PG Committee observed that the Consent of Affiliation has not been submitted with the application.

The members of PG Committee also observed that Hon'ble Supreme Court in WP (c) # 705 of 2014 Royal Medical Trust (Regd) &Anr. v/s Union of India &Anr and other such matters in its order dt. 20/08/2015 has observed as under:

"
27

*Initial assessment of the application at the first level should comprise of checking necessary requirements such as essentiality certificate, consent for affiliation and physical features like land and hospital requirement. If an applicant fails to fulfill these requirements, the application on the face of it, would be incomplete and be rejected. Those who fulfill the basic requirements would be considered at the next stage.
...*

It was further observed that in SLP # 15043/2015 Padmashree Dr. D.Y. Patil Medical College v/s MCI &Anr., Hon'ble Supreme Court in its order dt. 31/08/2015 has held as under:

"...

15. In the instant case, the application was admittedly incomplete when it was filed. Though there is a dispute whether it was filed before 31st August, 2014. It was submitted on behalf of the MCI that it was filed on 02.09.2014. Be that as it may. Even assuming that it was filed before 31.8.2014, admittedly it was an incomplete application as the essentiality certificate issued by the Government of Maharashtra was not enclosed along with the application form due to which application came to be rejected and delay has taken place for which the petitioner has to blame itself.

...

20. On an analysis of the aforesaid decisions, it is crystal clear that the time schedule is required to be strictly observed. ...

...

23. Considering the statutory time schedule and that the same is already over and in the facts and circumstances of the case, it would not be appropriate to direct inspection to be made and thereafter a decision to be taken for the current academic session 2015-16 as that would be in breach of the law laid down in various decisions of this Court which is binding. Thus, we direct that the application which has been submitted by the college for the academic session 2015-16 be considered for the next academic session, subject to fulfillment of other requisite formalities, as may be necessary, and thereafter the MCI shall conduct an inspection well-in-time as per the time schedule fixed under the Regulations of 1999. The Special Leave Petition is dismissed with the aforesaid modification. Ordered accordingly."

In view of the law laid down by Hon'ble Supreme Court in the above-stated decisions and as the applications for various PG courses were incomplete when submitted and the defects were not rectified by the last date of submission of applications, it was decided to return the application to the Central Govt. recommending disapproval of the scheme.

Read: the letter dated 22/09/2015 received from the Registrar, the Tamil Nadu Dr. MGR Medical University, Chennai with regard to clarification on evaluation of dissertation.

The Postgraduate Medical Education Committee considered the letter dated 22/09/2015 received from the Registrar, the Tamil Nadu Dr. MGR Medical University, Chennai with regard to clarification on evaluation of dissertation in detail and decided that thesis should be accepted by majority out of the 3 Examiners i.e. atleast 2 out of 3. As per regulations, there should be minimum of 3 Examiners (2 External and 1 Internal) and there is no bar if some University wants to appoint more than 3 Examiners for evaluation of the Thesis. The matter may be referred to the General Body for approval.

76. Syllabus (Guidelines), MSR and TEQ for the proposed M.Ch. in Vascular Surgery prepared by Expert Group. Minutes of Academic Committee meeting held on 18/09/2015 – approval of.

Read: the minutes of the Academic Committee meeting held on 18/09/2015 with regard to Syllabus (Guidelines), MSR and TEQ for the proposed M.Ch. in Vascular Surgery prepared by Expert Group.

The Postgraduate Medical Education Committee considered the minutes of the Academic Committee meeting held on 18/09/2015 with regard to Syllabus (Guidelines), MSR and TEQ for the proposed M.Ch. in Vascular Surgery prepared by Expert Group and observed the following:

- It is proposed to have outside posting of 1-3 months during II year. This be reviewed.
- In the examination section, it is proposed that the examinations shall be organized as per University Rules prevailing. This cannot be accepted as MCI has prescribed a pattern of examinations which has to be followed by all Universities.
- It is envisaged that in the final examination, marks of internal assessment, dissertation, log books are to be added. This is not as per pattern of examination as prescribed by MCI.
- It is also envisaged that minimum of 50% in Internal assessment needs to be secured by the candidate independently; this is also not as per the pattern of examinations as prescribed by MCI.
- In TEQ Regulations, it is proposed that during transition period, DNB qualified persons with 1 year research experience in a recognized medical institution in the department of Vascular Surgery be accepted; however usual pattern followed by MCI is that during transition period, persons having M.S./M.D. qualification with 2 years training in the subject are also accepted. It is not clear why these persons are excluded from the list of qualifications. Indexing is also limited to Index Medicus & minimum 1 in international journal is also prescribed which are not in consonance with prevailing MCI Regulations. Further transition period is sought to be limited to 5 years against normal pattern of 10 years.

- Further, for promotion/appointment as Asso. Prof., it is proposed to have 3 years experience as Asst. Prof. & 3 research publications against usual pattern of 2 years experience & 2 research publications prescribed by MCI for other Superspecialities.

The Committee decided to refer back the matter to Academic Committee & TEQ Sub-Committee with above observations.

Read: the letter dated 04/01/2016 received from the Principal, Rajah Muthiah Medical College, Tamil Nadu with regard to one year exemption to Post Diploma students.

The Postgraduate Medical Education Committee considered the letter dated 04/01/2016 received from the Principal, Rajah Muthiah Medical College, Tamil Nadu with regard to one year exemption to Post Diploma students and noted that there is exemption of 1 year to Diploma holder but no exemption in examination (Theory Paper or Practical Clinical Examination). It has to be full examination as being conducted for students appearing after 3 years.

78. S. Nijalingappa Medical College, Karnataka – regarding rescheduling of dates of appointment and service of faculty.

Read: the letter dated 28/12/2015 received from the Principal, S. Nijalingappa Medical College, Karnataka with regard to rescheduling of dates of appointment and service of faculty.

The Postgraduate Medical Education Committee considered the letter dated 28/12/2015 received from the Principal, S. Nijalingappa Medical College, Karnataka with regard to rescheduling of dates of appointment and service of faculty and noted that the Institute has appointed faculty prior to LOP for LOP inspection and the experience was shown as such. Now, as the experience is being counted from LOP only, it wants to reschedule appointments & promotions accordingly to which MCI cannot have any objection as the same is in fact in obedience to its decision. Fresh appointment/ Promotion Orders, Joining report to show that faculty has accepted to re-scheduling be provided.

4. Dr. Nobel Gracious S.S., Assoc. Professor was Asst. Professor for 21 months against the requirement of 24 months. Hence, not eligible.
5. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of DM (Nephrology) course at T D Medical College, Alleppey, Allappuzha, Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

93. Starting of PDCC (Pain Management) course at Institute of Medical Sciences, BHU, Varansi, Banaras, Uttar Pradesh under u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the matter regarding Starting of PDCC (Pain Management) course at Institute of Medical Sciences, BHU, Varansi, Banaras, Uttar Pradesh under u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the matter regarding Starting of PDCC (Pain Management) course at Institute of Medical Sciences, BHU, Varanasi, Banaras, Uttar Pradesh under u/s 10A of the IMC Act, 1956 for the academic year 2016-17 and decided that these PDCC courses were notified in 2011. The Academic Committee of the Council at its meeting held on 4.3.2016 while considering the issue of Post Doctoral Certificate Courses (PDCC) had authorized its Chairman to seek opinion from the Law Officer. According, the queries posed to the Law Officer for his opinion were as under:-

1. As to whether Post Doctoral Certificate Courses including the Notification issued by the Govt. of India are "Scheduled Qualifications", meaning thereby that they are included in the appropriate schedule appended to the IMC Act, 1956?
2. As to whether the starting of the said Post Doctoral Certificate Course is covered within the ambit and jurisdiction of provisions included at Section 10(A) of the said Act and commensurate Regulations thereunder.
3. As to whether the said courses would be covered within the ambit and jurisdiction of provision included at Section 11(2) of the said Act.

The Law Officer has given his opinion and citing various reasons therein he has opined to the said queries as under:-

As to query No.1

"The PDCC cannot be characterized as a New Or Higher Course of Study or Training (including a Postgraduate Course of Study or Training)" u/s 10A of the I.M.C. Act, 1956 read with Postgraduate Medical Education Regulations, 2000 as the latter does not contemplate starting of a Certificate Course. The question of

inclusion of such a course in the first Schedule of the IMC Act would arise only if such a course is permissible in terms of Section 10A of the IMC Act, 1956 and Postgraduate Medical Education Regulations, 2000. As the conclusion on an analysis of legislative provision is that it is not a new or higher course of study or training (including a postgraduate course of study or training), hence such a certificate course cannot be subsequently included in the First Schedule in the IMC Act, 1956 that includes the recognized medical qualifications granted by the Universities or Medical Institutions in India. Hence, once the PDCC cannot be brought within the ambit of Section 10A, then the question of its inclusion in the first schedule of the IMC Act does not arise."

As to query No.2

Once the analysis of the legal provisions yields the results that it is impermissible in the existing legislative scheme to have PDCC, then the inevitable conclusion is that the course is not a new or higher course of study or training (including a postgraduate course of study or training), hence it cannot be called as a course in Medicine. Thus, it is not covered within the ambit and jurisdiction of Section 10A of the IMC Act, 1956 and commensurate Regulations thereto.

As to query No.3

Once the analysis of the legal provisions yields the results that it is impermissible in the existing legislative scheme to have PDCC, then the inevitable conclusion is that the course is not a new or higher course of study or training (including a postgraduate course of study or training), then the question of its following within the ambit and jurisdiction of Section 11(2) of the IMC Act, 1956 does not arise.

In view of the legal opinion, it is evident that the notification issued in respect of PDCC courses is untenable in the context of binding statutory scheme and hence needs to be annulled.

The recommendations may be referred to the General Body of the Council for its appropriate consideration. The Postgraduate Medical Education Committee recommended that in the light of the Legal Opinion, these PDCC courses may be dispensed with.

94. Starting of various PDCC Courses at Amrita School of Medicine, Elamkara, Kochi under Amrita Vishwa Vidyapeetham University (Deemed) u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

100. Padamshree Dr. D.Y. Patil University, Navi Mumbai - Recognition of MD(Community Medicine) qualification for 2 seats in respect of students being trained at Padamshree Dr. D.Y. Patil Medical College, Navi Mumbai.

Read: the Council Assessor's Report (12th & 13th January, 2016) on the standard of examination and other teaching facilities for Recognition of MD(Community Medicine) qualification for 2 seats at Padamshree Dr. D.Y. Patil Medical College, Navi Mumbai granted by Padamshree Dr. D.Y. Patil University, Navi Mumbai.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (12th & 13th January, 2016) and decided to recommend not to recognize MD(Community Medicine) qualification for 2 seats granted by Padamshree Dr. D.Y. Patil University, Navi Mumbai in respect of students being trained at Padamshree Dr. D.Y. Patil Medical College, Navi Mumbai because of the following facts:-

1. One of External Examiners, Dr. Girish Dhumale is from the same State which is not as per Regulations.
2. Part III of SAF pertaining to Examination is not provided.
3. Proceedings before Ethics Committee regarding payment of stipend are not complete.
4. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

101. Padamshree Dr. D.Y. Patil University, Navi Mumbai - Recognition of MS (OBG) and DGO qualifications for 3 seats each in respect of students being trained at Padamshree Dr. D.Y. Patil Medical College, Navi Mumbai.

Patil Medical College, Navi Mumbai granted by Padamshree Dr. D.Y. Patil University, Navi Mumbai.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and compliance dated 09/09/2015 submitted by the college authorities and decided to recommend not to recognize MS (OBG) and DGO qualifications for 3 seats each granted by Padamshree Dr. D.Y. Patil University, Navi Mumbai in respect of students being trained at Padamshree Dr. D.Y. Patil Medical College, Navi Mumbai because of the following facts:-

Compliance is not satisfactory.

1. Residents are not paid stipend @ rates prescribed by Govt. of Maharashtra. Provision of subsidized canteen facilities cannot be a plea for not giving stipend as per rates of Govt. of Maharashtra.
2. No proper explanation has been given for decrease in Major operations from 1,247 in 2012 to 1,228 in 2014.
3. No proper explanation has been given for decrease in Normal Deliveries from 1,608 in 2012 to 1,481 in 2014.
4. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 03 seats each for degree and diploma after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. 102. Padamshree Dr. D.Y. Patil University, Navi Mumbai - Recognition of MS (General surgery) qualification against increased intake from 04 to 06 seats in respect of students being trained at Padamshree Dr. D.Y. Patil Medical College, Navi Mumbai.

Read: the Council Assessor's Report (May, 2015) and compliance dated 04/09/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MS (General surgery) qualification against increased intake from 04 to 06 seats at Padamshree Dr. D.Y. Patil Medical College, Navi Mumbai granted by Padamshree Dr. D.Y. Patil University, Navi Mumbai.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and compliance dated 04/09/2015 submitted by the college authorities and decided to recommend not to recognize MS (General surgery) qualification against increased intake from 04 to 06 seats granted by Padamshree Dr. D.Y. Patil University, Navi Mumbai in respect of students being trained at Padamshree Dr. D.Y. Patil Medical College, Navi Mumbai because of the following facts:-

Compliance is not satisfactory.

1. Residents are not paid stipend @ rates prescribed by Govt. of Maharashtra. Provision of subsidized canteen facilities cannot be a plea for not giving stipend as per rates of Govt. of Maharashtra.
2. Units III/IV/V/VI have 25 beds each and cannot be considered as PG Units. Plea of the institute to consider Units I & II as PG Units and Units III/IV/V/VI as UG Units cannot be accepted.
3. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 04 to 06 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

Read: the Compliance Verification Assessment Report (05/06/2015 for 5 seats (renewal) & 5 to 6 seats) along with the Council Assessor's Report (June, 2014 for 5 seats (renewal) & 5 to 6 seats and May, 2015 for 6 to 8 seats) and compliance dated 25/01/2016 submitted by the college authorities on the standard of examination and other teaching facilities for Renewal of recognition of MS (Orthopaedics) qualification for 02 seats and recognition against increased intake from 05 to 08 seats at Padamshree Dr. D.Y.Patil Medical College, Navi Mumbai granted by Padamshree Dr. D.Y. Patil University, Navi Mumbai.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (05/06/2015 for 5 seats (renewal) & 5 to 6 seats) along with the Council Assessor's Report (June, 2014 for 5 seats (renewal) & 5 to 6 seats and May, 2015 for 6 to 8 seats) and compliance dated 25/01/2016 submitted by the college authorities and decided to recommend not to renew the recognition of MS (Orthopaedics) qualification for 02 seats and not to recognize against increased intake from 05 to 08 seats granted by Padamshree Dr. D.Y. Patil University, Navi Mumbai in respect of students being trained at Padamshree Dr. D.Y.Patil Medical College, Navi Mumbai because of the following facts:-

Compliance is not satisfactory.

1. In compliance it is stated that out of 5 Units, 4 are PG Units & 1 is UG Unit which is not permissible.

2. Residents are not paid stipend @ rates prescribed by Govt. of Maharashtra. Provision of subsidized canteen facilities cannot be a plea for not giving stipend as per rates of Govt. of Maharashtra.
3. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course"

Admissions done (if any) against these increased number of seats i.e. 5 to 8 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

115. Padamshree Dr. D.Y. Patil University, Navi Mumbai - Recognition of MS (Ophthalmology) qualification against increased intake from 02 to 03 seats in respect of students being trained at Padamshree Dr. D.Y.Patil Medical College, Navi Mumbai.
