The following items are the adjourned items of the last meeting of the Postgraduate Medical Education Committee held on 09.11.2016.

**101. Maharashtra University of Health Sciences, Nashik - Recognition of MS(Orthopaedics) qualification against increased intake from 02 to 03 seats and Renewal of recognition of D.Ortho qualification for 1 seat in respect of students being trained at N.K.P. Salve Institute of Medical Sciences, Nagpur.**

Read: the Council Assessor's Report (12.08.2016 for Degree and 22.07.2016 for Diploma) on the standard of examination and other teaching facilities for Recognition of MS(Orthopaedics) qualification against increased intake from 02 to 03 seats and Renewal of recognition of D.Ortho qualification for 1 seat at N.K.P. Salve Institute of Medical Sciences, Nagpur granted by Maharashtra University of Health Sciences, Nashik.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (12.08.2016 for Degree and 22.07.2016 for Diploma) and decided to recommend to the Central Government that MS(Orthopaedics) qualification against increased intake from 02 to 03 seats granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at N.K.P. Salve Institute of Medical Sciences, Nagpur be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Committee also decided to recommend to the Central Government that the recognition of D.Ortho qualification for 1 seat granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at N.K.P. Salve Institute of Medical Sciences, Nagpur be renewed.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

**102. Maharashtra University of Health Sciences, Nashik - Renewal of recognition of MS(ENT) qualification for 2 seat & DLO qualification for 1 seat in respect of students being trained at Mahatma Gandhi Institute of Medical Sciences, Sevagram, Wardha.**

Read: the Council Assessor's Report (12.08.2016 for Degree & 18.07.2016 for Diploma.) on the standard of examination and other teaching facilities for Renewal of recognition of MS(ENT) qualification for 2 seat & DLO qualification for 1 seat at Mahatma Gandhi Institute of Medical Sciences, Sevagram, Wardha granted by Maharashtra University of Health Sciences, Nashik.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (12.08.2016 for Degree & 18.07.2016 for Diploma.) and decided to recommend not to renew the recognition of MS(ENT) qualification for 2 seat & DLO qualification for 1 seat granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Mahatma Gandhi Institute of Medical Sciences, Sevagram, Wardha because of the following facts:-

1. Dr. Deepika Garg is promoted as Asso. Prof. after cut-off date; however in the column of "Benefit of publications" in the faculty table, it is stated "No" implying NIL publications against requirement of 2; hence her promotion is not as per Regulations & she cannot be considered.

Panjabrao Alias Bhausaheb Deshmukh Memorial Medical College, Amravati granted by Maharashtra University of Health Sciences, Nashik.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18.08.2016) and decided to recommend not to recognize MD (Tuberculosis & Respiratory Diseases / Pulmonary Medicine) qualification for 1 seat granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Dr. Panjabrao Alias Bhausaheb Deshmukh Memorial Medical College, Amravati because of the following facts:-

1. OPD attendance on day of assessment was only 51 which is just adequate for starting the course.
2. Total number of patients admitted in IPD has decreased from 849 in 2013 to 823 in 2015.
3. Institute is paying stipend to Residents which is less than that paid by State Govt. which is contrary to PG Medical Education Regulations as under:

Year	Stipend Paid by	
	State Govt. ^	Institute
I	43,413	38,859
II	43,818	39,258
III	44,349	39,657

^ As stated in SAF.

4. Stipend stated to be paid by State Govt. to Residents is much less than that paid actually paid by State Govt. This implies that false information is supplied to the Council.

Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

**131. Datta Meghe Instt. of Medical Sciences (Deemed University), Nagpur - Recognition of DM(Cardiac Anaesthesia) qualification for 1 seat in respect of students being trained at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha.**

Read: the Council Assessor's Report (19.08.2016) on the standard of examination and other teaching facilities for Recognition of DM(Cardiac Anaesthesia) qualification for 1 seat at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha granted by Datta Meghe Instt. of Medical Sciences (Deemed University), Nagpur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (19.08.2016) and decided to recommend not to recognize DM(Cardiac Anaesthesia) qualification for 1 seat granted by Datta Meghe Instt. of Medical Sciences (Deemed University), Nagpur in respect of students being trained at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha because of the following facts:-

1. All the 3 faculty have been transferred straightaway to this department from Anaesthesiology department without any special training in Cardiac Anaesthesia against requirement of 2 years special training. It is not clearly mentioned in faculty table when they have been transferred to Cardiac Anaesthesia.
2. The only Senior resident Dr. G. Thakre does not have any experience in Cardiac Anaesthesia in a medical college affiliated hospital before appointment as Senior Resident; hence not qualified to hold the post.
3. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

**132. Maharashtra University of Health Sciences, Nashik - Renewal of recognition of MS(ENT) qualification for 1 seat & DLO qualification for 2 seats in respect of students being trained at Sanjeevan Medical Foundation ENT Postgraduate Training Institute, Miraj.**

Read: the Council Assessor's Report (08.08.2016 for Degree & 22.07.2016 for Diploma) on the standard of examination and other teaching facilities for Renewal of recognition of MS(ENT) qualification for 1 seat & DLO qualification for 2 seats at Sanjeevan Medical Foundation ENT Postgraduate Training Institute, Miraj granted by Maharashtra University of Health Sciences, Nashik.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (08.08.2016 for Degree & 22.07.2016 for Diploma) and decided to recommend not to renew the recognition of MS(ENT) qualification for 1 seat & DLO qualification for 2 seats granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Sanjeevan Medical Foundation ENT Postgraduate Training Institute, Miraj because of the following facts:-

1. Institute is paying stipend to Residents which is less than that paid by State Govt., which is contrary to PG Medical Education Regulations as under:

Year	Stipend Paid by	
	State Govt. ^	Institute
I	6,600	6,600
II	6,700	6,700
III	6,800	6,800

^ As stated in SAF.

However, the Institute has stated that the stipend paid in Govt. Colleges is also the same, which is factually incorrect. This amounts to supplying misleading information. Matter is referred to Ethics Committee.

2. Workload of BERA was NIL on day of assessment.
3. There is no MRI.
4. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 1 degree and 2 diploma seats till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

*"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. The Postgraduate Medical Education Committee considered the Council Assessor's Report (08.08.2016 for Degree & 15.07.2016 for Diploma) and decided to recommend not to renew the recognition of MS(Orthopaedics) & D.Ortho qualifications for 2 seats each granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Mahatma Gandhi Institute of Medical Sciences, Sevagram, Wardha because of the following facts:-

1. Institute is recognized for 65 MBBS intake. Permission for increase to 100 was granted in 2012. Accordingly, 60 beds with 2 Units are required. However although 2 Units are provided, there are only 30 beds; resultantly there is deficiency of 30 beds.
2. Details of experience of faculty are not provided in faculty table.
3. Details of experience as Resident are not provided in faculty table in respect of Senior Residents.
4. Details of beds occupied in ICUs on day of assessment are not provided.
5. MRI workload for the whole hospital is only 04 on day of assessment.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 2 seats each for degree and diploma till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. Read: the Council Assessor's Report (20th August, 2016) on the standard of examination and other teaching facilities for Recognition of DM(Cardiology) qualification against increased intake from 4 to 6 seats at GSVM Medical College, Kanpur, granted by C.S.J.M. University, Kanpur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (20th August, 2016) and decided to recommend not to recognize DM(Cardiology) qualification against increased intake from 4 to 6 seats granted by C.S.J.M. University, Kanpur in respect of students being trained at GSVM Medical College, Kanpur, because of the following facts:-

1. There is no Senior Resident.
2. Dr. Umeshwar Pandey is promoted as Asso. Prof. after cut-off date; however the details of research publications are not provided in the faculty table; hence it cannot be verified whether his promotion is as per Regulations or not.
3. Unit 1 has 40 beds & Unit 2 has 37 beds which is not as per norms.
4. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 4 to 6 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. The Postgraduate Medical Education Committee considered the Council Assessor's Report (19.09.2016) and decided to recommend to the Central Government that MD(Physiology) qualification against increased intake from 5 to 6 seats granted by Rajasthan University of Health Sciences, Jaipur in respect of students being trained at SMS Medical College, Jaipur be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

**140. Maharashtra University of Health Sciences, Nashik - Renewal of recognition of MD(Pathology) qualification for 2 seats in respect of students being trained at Maharashtra Institute of Medical Sciences & Research, Latur.**

Read: the Council Assessor's Report (11.08.2016) on the standard of examination and other teaching facilities for Renewal of recognition of MD(Pathology) qualification for 2 seats at Maharashtra Institute of Medical Sciences & Research, Latur granted by Maharashtra University of Health Sciences, Nashik.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (11.08.2016) and decided to recommend not to renew the recognition of MD(Pathology) qualification for 2 seats granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Maharashtra Institute of Medical Sciences & Research, Latur because of the following facts:-

1. Dr. R.S. Ayachit is shown as "Professor" in the column of "Designation" in the faculty table; however the column of experience he is shown as "Asso. Prof." w.e.f. 24/02/2014 till date. This discrepancy needs to be clarified.
2. Dr. A.S. Acharya is promoted as Asso. Prof. after cut-off date; however the column of "Benefit of publications" in the faculty table is left blank implying NIL publications against requirement of 2; hence his promotion is not as per Regulations & he cannot be considered.
3. Promotion of Dr. B.S. Ingle, Professor is not as per Regulations. He was promoted on 01/06/2014 after the cut-off date without any publication.
4. Institute is paying stipend to Residents which is less than that paid by State Govt. which is contrary to PG Medical Education Regulations as under:

Year	Stipend Paid by	
	State Govt. ^	Institute
I	42,225	42,225
II	42,675	42,675
III	43,125	43,125

^ As stated in SAF.

Although the amount paid by the State Govt. & institute appear equal but the amount paid by State Govt. is in fact much higher. This implies that false information is supplied to the Council.

5. Pathological post-mortems are not performed.
6. Histochemistry is not available.
7. Candidates appearing at examination have not presented any poster/read or published a paper.
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. If no compliance is received within this period or compliance/compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

**141. Inclusion of MS(Orthopaedics) as pre-requisite qualification for admission in M.Ch.(Plastic Surgery) and M.Ch.(Neurosurgery) in Postgraduate Medical Education Regulation, 2000.**

Read: the matter with regard to inclusion of MS(Orthopaedics) as pre-requisite qualification for admission in M.Ch.(Plastic Surgery) and M.Ch.(Neurosurgery) in Postgraduate Medical Education Regulation, 2000.

The The Postgraduate Medical Education Committee considered the matter in details and is of the opinion that Orthopaedics is not related to Neuro Surgery or Plastic Surgery (except that brain and spinal cord are covered with bones) It should not be included as a Pre requisite qualification for admission in M.Ch. Plastic Surgery & M.Ch. Neuro Surgery in Postgraduate Medical Education Regulation, 2000.

**142. Consideration of the Minutes of the Sub-Committee with regard to various issues - reg.**

Read: the matter with regard to consideration of the Minutes of the Sub-Committee with regard to various issues.

The Postgraduate Committee approved the following recommendations of the Sub-Committee that

**1. Eligibility criteria of Senior Residents in Super-Speciality departments.**

Sub-Committee has recommended as under:-

- (i) P.G. Degree in broad speciality concerned (in subjects which is for admission to that super-speciality).
- (ii) Students pursuing DM/M.Ch course in that super-speciality.

The recommendations of Sub-Committee approved. Since it will require amendment in regulations; matter may be placed before the General Body for further approval.

**2. Nomenclature of DM(Rheumatology, Immunology & Clinical Immunology ) in which there is lot of overlap.**

The Sub-Committee has recommended that there should be a new course with the nomenclature of Clinical Immunology & Rheumatology by amalgamating all three super-specialities mentioned above. The eligibility requirement for admission to the same should be MD(General Medicine) or MD(Paediatrics). No institution will be allowed to run the course under different names. No 10A application will be accepted under the previous nomenclature of Rheumatology/ Immunology/ Clinical Immunology. However, those holdings super-speciality degree in Rheumatology, Immunology and Clinical Immunology will be eligible for faculty appointments in Clinical Immunology and Rheumatology.

The recommendations of Sub-Committee approved. Since, it will require amendment in regulations; matter may be placed before General Body for approval and further action.

3. **Filling of vacant PG seats in pre and para-clinical Departments from in service candidates without clearing National Eligibility cum Entrance Test.**

The Sub-Committee has recommended that PG seats remaining vacant in Pre and Para clinical department (after exhausting the list who qualified entrance test) may be filled from inservice candidates (those working in state medical services (non-teaching cadre) or working as Tutor/Demonstrator in that department without appearing and passing Eligibility cum - Entrance Examination. (seats to be filled on the basis of MBBS merit in case more than one candidates are available.

Since 50 to 60 percent of sanctioned PG seats remain vacant every year in pre and para clinical departments, recommendations of Sub-Committee approved. It will require relaxation in provisions of NEET; matter may be placed before General Body for approval and further action.

4. **Deletion of broad speciality in MD Infectious Diseases and MD Medical Genetics Postgraduate Medical Education Regulation, 2000.**

The Sub-Committee has recommended that the above mentioned two subjects exists in Postgraduate Medical Education Regulations, 2000 in broad Speciality (MD). (although, no college is running the course) as well as super-speciality(DM) which is running in a few institutes. The Sub-Committee has recommended deletion of MD (Infectious Diseases) and MD (Medical Genetics) from Postgraduate Medical Education Regulations, 2000. And let them stay only as super-speciality.

Recommendation of Sub-Committee approved. Since, it will require change in regulations; matter be placed before the General Body for approval and further action.

5. **Consideration of E-mail dated 08/08/2016 with regard to Eligibility qualification for non-medical teachers in the subject of Anatomy, Physiology, Biochemistry, Pharmacology and Microbiology who have been appointed before the publication of Minimum Qualification For Teachers in Medical Institutions Regulations, 1998.**

The Postgraduate Committee considered the matter alongwith recommendations of the Sub-Committee The Sub-Committee considered E-mail dated 08/08/2016 with regard to Eligibility qualification for non-medical teachers in the subject of Anatomy, Physiology, Biochemistry, Pharmacology and Microbiology who have been appointed before the publication of Minimum Qualification For Teachers in Medical Institutions Regulations, 1998 and recommends that Eligibility qualification for non-medical teachers in the subject of Biochemistry/ Anatomy/ Physiology/ Pharmacology and Microbiology, the faculty members who have got M.Sc. prior to 1998 would be considered for the post of Asstt.Prof. (Ph.D. in above medical subject would also be considered for further promotion).

Recommendation of Sub-Committee approved; matter be placed before the General Body for approval and further action.

**143. Permit Grace marks officially for Postgraduate Exams like in Undergraduate Exams - reg.**

Read: the matter with regard to Permit Grace marks officially for Postgraduate Exams like in Undergraduate Exams - reg.

The Postgraduate Committee considered the matter and noted that as per Regulations on Postgraduate Medical Education, 2000 & Graduate Medical Education, there is no provision for grace marks. Hence, a circular be issue to all universities that no grace marks should be given to undergraduate and postgraduate examination and ordinance of their universities be amended accordingly.

The matter be placed before the General Body of the Council.

3.

1. As PG course is run, total 6 faculty is required in 2 Units @ 3/Unit .Total 4 faculty are available . Resultantly, Deficiency of faculty :-Asst .Prof :.2 .
2. Both Units I & II have only 2 faculty each; hence faculty complement is incomplete & they cannot be considered as PG Units .
3. Resultantly, there is no Unit which qualifies as PG Unit.
4. Dr .Shiji Jacob is shown as Professor in the column of Designation in the faculty table; however in the column of "Experience", it is shown as Asso . Prof .from 2008 till date .
5. Dr .Ganesh Mohan, Senior Resident in Unit I has only 2 years experience as Resident against requirement of 3 y; hence not qualified to hold the post .
6. Details of experience as Resident are not provided in the faculty table in respect of Dr .Nirmala Cirayuth & Dr .Rose Teresa .Hence it cannot be verified whether their appointment as Senior Resident is as per Regulations or not .

*"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/

compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

Read: the Council Assessor's Report (08.09.2016) on the standard of examination and other teaching facilities for Recognition of MD(Anaesthesiology) qualification for 02 seats at SS Medical College, Rewa granted by A.P. Singh University.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (08.09.2016) and decided to recommend not to recognize MD(Anaesthesiology) qualification for 02 seats granted by A.P. Singh University in respect of students being trained at SS Medical College, Rewa because of the following facts:-

1. Deficiency of faculty: (a) Professor -1, Assoc. Prof.: 2 (c) Sr.Resident-3.
2. Dr. Sudhakar Dwivedi, Professor & HOD is promoted as Professor after cut-off date; however in the column of "Benefit of publications" in the faculty table, it is stated "No" implying NIL publications against requirement of 4; hence his promotion is not as per Regulations & he cannot be considered.
3. Dr. Alok P. Singh is promoted as Assoc. Prof. after cut-off date; however in the column of "Benefit of publications" in the faculty table, it is stated "No" implying NIL publications against requirement of 2; hence his promotion is not as per Regulations & he cannot be considered.
4. Dr. M.M. Singh, Senior Resident does not possess any experience as Resident in Anaesthesiology before appointment as Senior Resident; hence not qualified to hold the post.
5. Faculty table has not been signed by any of the faculty members.
6. MRI was not working on day of assessment.
7. Other deficiencies as pointed out in the assessment report.

Admissions done (if any) against these seats i.e. 2 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

**107. Admission of PG students (Broad-Speciality) at Government Medical College, Chandigarh for the Academic Year 2016-17 – regarding.**

Read: the matter with regard to Admission of PG students (Broad-Speciality) at Govt. Medical College, Chandigarh for the Academic Year 2016-17.

The Postgraduate Medical Education Committee considered the matter with regard to Admission of PG students (Broad-Speciality) of two students namely Dr. Cheta Singh in MD(Pathology) and Dr. Anjuman in MD(Anaesthesiology) after the prescribed date of admission at Government Medical College, Chandigarh for the Academic Year 2016-17.

The Committee noted that admission to Dr. Cheta Singh (M.D. Pathology) & Dr. Anjuman (M.D. Anaesthesiology) were granted by Govt. Medical College, Chandigarh pursuant to the order dated 14.06.2016 of the Hon'ble High Court of Punjab and Haryana in CWP No.12084 of 2016. By the same order the admission of Dr. Reecha in MD(Anaesthesiology) granted pursuant to interim order dated 30.05.2016 were quashed. Dr. Reecha has preferred an appeal before the Hon'ble High Court bearing No.LPA No.1074 and 1075 of 2016 in which both Dr. Cheta Singh and Dr. Anjuman are respondent party. These appeals as on date are pending and by order dated 08.07.2016, the Hon'ble High Court has directed as under:-

*"At the outset, it is pointed out by learned Counsel for the appellant that one Dr. Gaurav has left the Postgraduate Course in Anastheology and has joined the PGIMER, Chanigarh.*

*Since the appellant approached the Court to seek admission before the cut-off date, i.e., 31.05.2016 and has been admitted through an interim order, the expiry of cut-off date would not cause any legal impediment if the seat vacated by Dr. Gaurva is utilized and offered to him as per merit. However, it might require approval of the Medical Council of India.*

*Learned counsel for respondent No.2- Medical Council of India is directed to obtain necessary approval. A formal request to this effect shall be sent by the Director Principal of respondent No.4 college by tomorrow through e-mail.*

*List on 13.07.2016*

*A dasti copy of this order be supplied to counsel for respondents No.2 and 4 for information and necessary compliance thereof.*

*Office to retain a photo copy of this order on the file of the connected case."*

The Principal of Govt. Medical College, Chandigarh vide his letter dt. 01.08.2016 has sought the approval of admission of Dr. Reecha.

The Committee noted that the last date of admission for candidates in broad speciality PG courses is 31.05.2016 as approved by the Hon'ble Supreme Court in its order dated 18.01.2016 in Writ Petition Civil No.76 of 2015 title - Ashish Ranjan and Ors. vs. Union of India and Ors. The time schedule for admission has been accorded approval by the Hon'ble Supreme Court. Any

admission done after the cut-off date is irregular. The Council has no authority to override the orders of the Hon'ble Supreme Court. Hence for admission made after the cut-off date of 31.05.2016, the candidates who have been admitted after the cut-off date are required to be discharged. In this view of the matter, Govt. Medical College, Chandigarh be directed to discharge all students admitted after prescribed last date and submit compliance within 2 weeks. A copy of this letter should be also sent to DME, State Medical Council and Affiliating University.

**108. Rajasthan University of Health Sciences, Jaipur - Recognition of M.Ch.(Neurosurgery) qualification for 2 seats in respect of students being trained at RNT Medical College, Udaipur - Rajasthan (Govt.).**

Read: the Council Assessor's Report (05.11.2016) on the standard of examination and other teaching facilities for recognition of M.Ch.(Neurosurgery) qualification for 2 seats at R N T Medical College, Udaipur, Rajasthan granted by Rajasthan University of Health Sciences, Jaipur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (05.11.2016) and decided to recommend not to recognize M.Ch.(Neurosurgery) qualification for 2 seats granted by Rajasthan University of Health Sciences, Jaipur in respect of students being trained at RNT Medical College, Rajasthan because of the following facts:-

1. There is no Senior Resident.
2. Promotion of Dr. Gaurav Jaiswal, Assoc.Prof., is not as per regulations. He has promoted on 17.06.2016 after the cut off date without any publications.
3. Dr. Ajit Singh, Asst.Prof. was appointed only one day before assessment. It means faculty complement was incomplete during training of students.
4. Other deficiencies as pointed out in the assessment report.

Admissions done (if any) against these seats i.e. 2 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. Aurobindo Medical College and Post Graduate Institute, Indore granted by Devi Ahilya Vishwa Vidyalaya, Indore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (08.11.2016) and decided to recommend not to recognize DM(Reproductive Medicine/M.Ch. Reproductive Medicine & Surgery) qualification for 2 seats granted by Devi Ahilya Vishwa Vidyalaya, Indore in respect of students being trained at Sri Aurobindo Medical College and Post Graduate Institute, Indore because of the following facts:-

1. All faculty is claimed to have received 2 years special training in the same institute when they were already working in the department as a faculty which is not permissible.
2. It is not given in faculty table that when they were shifted to Reproductive Medicine and upto which rank they had been working in Department of Obst. & Gynae.
3. Other deficiencies as pointed out in the assessment report.

Admissions done (if any) against these seats i.e. 2 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized.
