The Postgraduate Medical Education Committee confirmed the minutes of Postgraduate Medical Education Committee meeting held on 15th March, 2016.

2. Minutes of the last meeting of the Postgraduate Medical Education Committee – action taken thereon.

The Postgraduate Medical Education Committee noted & approved the action taken on the minutes of the previous meeting of the Postgraduate Medical Education Committee.

3. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Radio Diagnosis) qualification against increased intake from 2 to 5 seats in respect of students being trained at Command Hospital Air Force, Bangalore.

Read: the Compliance Verification Assessment (26/02/2016) along with the Council Assessor's Report (May, 2014) and compliance dated 28/07/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(Radio Diagnosis) qualification against increased intake from 2 to 5 seats at Command Hospital Air Force, Bangalore granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (26/02/2016) along with the Council Assessor's Report (May, 2014) and compliance dated 28/07/2015 submitted by the college authorities and decided to recommend not to recognize MD(Radio Diagnosis) qualification against increased intake from 2 to 5 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Command Hospital Air Force, Bangalore because of the following facts:-

1. There is 1 Senior Resident available as against the requirement of 3. Hence, deficiency of 2 Senior Residents.
2. Promotion of Professor A. Alam is not as per Regulations. He was Assistant Professor for 4 years 11 months against the requirement of 5 years and there is no publication to his credit.
3. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 5 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

4. Maharashtra University of Health Sciences, Nashik - Recognition of MD/MS(Ophthalmology) qualification against increased intake from 03 to 04 seats in respect of students being trained at Topiwala National Medical College, Mumbai.

Read: the Compliance Verification Assessment (29/09/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 03/09/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD/MS(Ophthalmology) qualification against increased intake from 03

to 04 seats at Topiwala National Medical College, Mumbai granted by Maharashtra University of Health Sciences, Nashik.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (29/09/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 03/09/2015 submitted by the college authorities and decided to recommend not to recognize MD/MS(Ophthalmology) qualification against increased intake from 03 to 04 seats granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Topiwala National Medical College, Mumbai because of the following facts:-

1. Bed occupancy is 60% on day of assessment.
2. Number of Major & Minor operations is NIL on day of assessment.
3. None of the Senior Residents possesses 3 years experience as Resident in the concerned subject before being appointed as Senior Resident.
4. Operation theatre is under repair.
5. There are no operations on inspection day.
6. Deficiency about decrease in OPD from 2013 to 2014 stays as such. Explanation given is not satisfactory.
7. No reference of additional 2 publications done in international medical journals after last inspection has been provided. 6 more publications sent but not yet accepted. Deficiency stays as such.
8. Dr. Anamika H. Agrawal was Associate Professor for 3 years against the requirement of 4 years and there are no publications to her credit. Resultantly, her promotion is not as per Regulations.
9. Dr. Anuja M. Gharat is Senior Resident as per faculty table and not Assistant Professor.
10. Dr. Sujit M. Murade is Senior Resident as per faculty table and not Assistant Professor. Resultantly, Unit-II is left with 2 faculty.
11. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 3 to 4 seats after the first batch appeared in Examination till their recognition will be irregular/illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

5. Sikkim Manipal Univ. of Health, Medical & Tech. Scs - Recognition of MS(ENT) qualification for 02 seats in respect of students being trained at Sikkim Manipal Institute of Medical Sciences, Gangtok.

Read: the Compliance Verification Assessment (26/02/2016) along with the Council Assessor's Report (April, 2014 & Feb., 2015) and compliance dated 06/08/2015

submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MS(ENT) qualification for 02 seats at Sikkim Manipal Institute of Medical Sciences, Gangtok granted by Sikkim Manipal Univ. of Health, Medical & Tech. Scs.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (26/02/2016) along with the Council Assessor's Report (April, 2014 & Feb., 2015) and compliance dated 06/08/2015 submitted by the college authorities and decided to recommend not to recognize MS(ENT) qualification for 02 seats granted by Sikkim Manipal Univ. of Health, Medical & Tech. Scs in respect of students being trained at Sikkim Manipal Institute of Medical Sciences, Gangtok because of the following facts:-

1. O.T. in own hospital is run only once a week. Total Major operations in CRH (i.e. own hospital) in January 2016 is only 24 implying daily average of < 1. For February 2016 till day of assessment (i.e. 26/02/2016), it is only 10 implying daily average of 0.5. Thus operative workload at CRH (own hospital) which is inadequate.
2. O.T. in Govt. hospital is run only twice a week. Total Major operations in STNM Hospital (i.e. Govt. hospital) in January 2016 is only 16 implying daily average of 0.6. For February 2016 till day of assessment (i.e. 26/02/2016), it is only 10 implying daily average of 0.5. Thus operative workload at STNM Hospital (Govt. Hospital) is also inadequate.
3. OPD attendance at CRH (own hospital) for January 2016 is around 50/day which is bare minimum just to start PG course.
4. Bed occupancy is 61% on day of assessment. Even if both hospitals are taken, it is only 63%.
5. After 2009, the department has not participated in National Programme for Prevention & Control of Deafness.
6. Dr. Subhashish Mukerjee, Asso. Prof. is absent on day of assessment; resultantly faculty complement in the only Unit is inadequate & it cannot be considered as PG Unit. His promotion is not as per Regulations. His experience at some of the Hospitals which are not in the recognized list, cannot be counted.
7. In the compliance, on P. 5, it is stated that Dr. Kriti Bhjel has been appointed as Senior resident on 24/06/2015. On P. 19 in the faculty table, she is shown as Asst. Prof. from August 2014 till date. This dichotomy needs to be clarified.
8. There is no Senior resident.
9. Number of beds in STNM Hospital not provided.
10. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no

compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

1. Dr. Sneha B. Dhopadkar has been promoted after cutoff date; however only 2 publications are given in the list of publications against 4 required. No references of publications during earlier period have been shown in the faculty table; hence her promotion is not as per Regulations & she cannot be considered as faculty.
2. Resultantly, there is no Asso. Prof. in Unit I; hence faculty complement is incomplete & it cannot be considered as PG Unit.
3. There is no Senior Resident in Unit II.
4. Bed occupancy is 58% on day of assessment.

5. Number of Major operations was only 1 on day of assessment which is inadequate. Average over last 12 days was only 0.33 / day.
6. Daily average of Minor operations is only 1/day which is inadequate.
7. There was NIL patient in OICU on day of assessment.
8. No records of Gynaec Endocrine clinic for the month of February 2016 are available.
9. Although stipend to Residents is stated to be increased to Rs. 40,000 p.m., net take-home pay is only Rs. 10,000 to Rs. 14,000 p.m. which is contrary to PG Medical Education Regulations.
10. Separate registers are not maintained for Academic parameters like Journal Club.
11. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 3 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. 25. Guru Gobind Singh Indraprastha University, New Delhi - Recognition of MS(General Surgery) qualification against increased intake from 06 to 13 seats in respect of students being trained at Vardhman Mahavir Medical College & Postgraduate Institute Safdarjung Hospital, New Delhi.

Read: the Compliance Verification Assessment (02/03/2016) along with the Council Assessor's Report (April, 2013 & March, 2014 & December, 2014) and compliance dated 08/09/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MS(General Surgery) qualification against increased intake from 06 to 13 seats at Vardhman Mahavir Medical College & Postgraduate Institute Safdarjung Hospital, New Delhi granted by Guru Gobind Singh Indraprastha University, New Delhi.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (02/03/2016) along with the Council Assessor's Report (April, 2013 & March, 2014 & December, 2014) and compliance dated 08/09/2015 submitted by the college authorities and decided to recommend not to recognize MS(General Surgery) qualification against increased intake from 06 to 13 seats granted by Guru Gobind Singh Indraprastha University, New Delhi in respect of students being trained at Vardhman Mahavir Medical College & Postgraduate Institute Safdarjung Hospital, New Delhi because of the following facts:-

1. As per last assessment report, there are 150 MBBS seats in the college. Hence 5 Units are required. In earlier assessment, 6 Units were shown

which have now been reorganized into 4 Units. Resultantly, there is deficit of 1 Unit as per present assessment report.

2. Dr. Jainendra K. Arora has been promoted as Asso. Prof. with experience of only 1 year as Asst. Prof. against requirement of 5 y. In this report he is shown to have been promoted as Asso. Prof. on 07/03/2013; in earlier report, he was shown as Asst. Prof. till date of assessment – i.e. 08/12/2014. No explanation is given for this dichotomy. Hence he cannot be considered as faculty.
3. Details of experience of Senior Residents are not provided in the faculty table.
4. As per MCI Regulations 11.1 (d) of Postgraduate Medical Education Regulations, 2000 equated teaching designations is to be given according to the period spent by faculty members upto the date of notification in institutions mentioned in the above Regulations. Experience given in the faculty table is incomplete since no details of the period spent by each faculty member in Safdarjung Hospital has been provided upto the date of notification without which their equated academic designations cannot be verified.
5. It is surprising to note that institution has incinerator next to the boys hostel which is a health hazard to the students.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 6 to 13 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (29/02/2016) along with the Council Assessor’s Report (May, 2014) and compliance dated 23/10/2015 submitted by the college authorities and

decided to recommend not to recognize MS(ENT) qualification for 01 seat granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Maharashtra Institute of Medical Sciences & Research, Latur because of the following facts:-

1. There were only 2 Major operations on day of assessment.
2. Total number of Minor operations is only 410 in 2015 implying daily average of 1.4 which is inadequate.
3. Workload of BERA was NIL on day of assessment as well as on 3 randomly selected days.
4. Speech & Voice Analysis services are not available.
5. No documentation is available in respect of participation of the institute in National Programme for Prevention & Control of Deafness.
6. Major operations and Minor Operations (from last 3 years data) is as below:

	2013	2014	2015
Major Operations	290	455	520
Minor Operations	260	405	410

- i.e. less than 2 per day, which is inadequate.
7. The prescribed SAF for compliance verification has not been used and no reply has been given to the deficiencies pointed out earlier.
8. In the publications cited, author names have not been given.
9. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

29. Dr. NTR. University of Health Sciences, Vijayawada - Recognition of MS(OBG) qualification against increased intake from 03 to 04 seats in respect of students being trained at Kamineni Institute of Medical Sciences, Narketpally.

Read: the Compliance Verification Assessment (29/02/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 18/09/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MS(OBG) qualification against increased intake from 03 to 04 seats at Kamineni Institute of Medical Sciences, Narketpally granted by Dr. NTR. University of Health Sciences, Vijayawada.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (29/02/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 18/09/2015 submitted by the college authorities and decided to recommend not to recognize MS(OBG) qualification against increased intake

from 03 to 04 seats granted by Dr. NTR. University of Health Sciences, Vijayawada in respect of students being trained at Kamineni Institute of Medical Sciences, Narketpally because of the following facts:-

1. Dr. P. Sudhir Babu has been promoted as Professor after cutoff date; however details of research publications are not given in the faculty table; hence it cannot be verified whether his promotion is as per Regulations or not.
2. Dr. N. Madhavi, Dr. Mishra Sunita & Dr. V. Chaudhary Vrunda have been promoted as Professor after cutoff date; although it is stated that benefit of research publications has been given, details of such research publications are not given in the faculty table; hence it cannot be verified whether their promotion is as per Regulations or not.
3. Dr. B. Sarala Kumari & Dr. Sunitha S. Padgul have been promoted as Asso. Prof. after cutoff date; although it is stated that benefit of research publications has been given, details of such research publications are not given in the faculty table; hence it cannot be verified whether their promotion is as per Regulations or not.
4. Unitwise distribution of faculty & residents is not provided. There is no satisfactory entry or summary at end of month in Birth register.
5. Number of Minor operations is only 1 on day of assessment.
6. Minor procedures are done in OPD without consent or identity verification. Diagnosis do not match in some cases. Same patients are seen by different Unit staff with different diagnosis & clinical assessment. (E.g. OPD # 2011024989; IPD # 201607150).
7. Gynaec OPD entry is done in loose sheet. Details in OPD sheet & OPD register do not match.
8. In one case patient was found to be admitted without instructions by Unit Head / Staff. (IPD # 201606920)
9. In CLR Parturition register, summary of last 2 months does not exist. Total Deliveries are 336 but summary shows 412 deliveries & grand total of 496. No explanation is provided for this data mismatch.
10. In Anaesthesia register, OG summary & split up are not available & not explainable.
11. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 3 to 4 seats after the first batch appeared in Examination till their recognition will be irregular/illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

30. Vinayaka Mission's University, salem - Renewal of recognition of MD(Anaesthesiology) qualification for 4 seats in respect of students being trained at Vinayaka Mission's Kirupananda Variyar Medical College, Salem.

Read: the Compliance Verification Assessment (01/03/2016) along with the Council Assessor's Report (April, 2015) and compliance dated 03/11/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Renewal of recognition of MD(Anaesthesiology) qualification for 4 seats at Vinayaka Mission's Kirupananda Variyar Medical College, Salem granted by Vinayaka Mission's University, salem.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (01/03/2016) along with the Council Assessor's Report (April, 2015) and compliance dated 03/11/2015 submitted by the college authorities and decided to recommend not to renew the recognition of MD(Anaesthesiology) qualification for 4 seats granted by Vinayaka Mission's University, salem in respect of students being trained at Vinayaka Mission's Kirupananda Variyar Medical College, Salem because of the following facts:-

1. Dr. R. Bindha has been promoted as Professor after cutoff date; however, out of 4 publications cited in the list, indexing details of 3 are not provided; hence it cannot be verified whether her promotion is as per Regulations or not.
2. Dr. M. Senthil, Assistant Professor is DNB from non-teaching institution. He was not having 3 years experience in a medical college at the time of appointment. Hence, not eligible. Resultantly, there is deficiency of Assistant Prof. -1.
3. Residents are paid stipend of Rs. 8,500 p.m. only which is less than Govt. rates and is contrary to PG Medical Education Regulations, 2000 as amended.
4. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 04 seats till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. 42. Maharashtra University of Health Sciences, Nashik - Recognition of MD(Pathology) qualification for 02 seats in respect of students being trained at ESI-PGIMSR,ESI-Hospital,Andheri(E),Mumbai.

Read: the Compliance Verification Assessment (02/03/2016) along with the Council Assessor's Report (May, 2014) and compliance dated 18/08/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(Pathology) qualification for 02 seats at ESI-PGIMSR,ESI-Hospital,Andheri(E),Mumbai granted by Maharashtra University of Health Sciences, Nashik.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (02/03/2016) along with the Council Assessor's Report (May, 2014) and compliance dated 18/08/2015 submitted by the college authorities and decided to recommend not to recognize MD(Pathology) qualification for 02 seats granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at ESI-PGIMSR,ESI-Hospital,Andheri(E),Mumbai because of the following facts:-

1. Institute is running only PG courses. Hence, deficiency of faculty with reference to 50 intake remains as (a) Asso. Prof.: 1; (b) Asst. Prof.: 1; (c) Tutor: 1.
2. The promotion of Professor & HOD is not as per Regulations. He was Assistant Professor for 3 years 11 months against the requirement of 5 years. He has only one publication.
3. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central

Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

43. MGM Institute of Health Sciences, Navi Mumbai - Recognition of MD(Pathology) qualification against increased intake from 02 to 06 seats in respect of students being trained at MGM Mission's Medical College, Navi Mumbai.

Read: the Compliance Verification Assessment (03/03/2016) along with the Council Assessor's Report (April,2014 & 16.03.2015) and compliance dated 03/08/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(Pathology) qualification against increased intake from 02 to 06 seats at MGM Mission's Medical College, Navi Mumbai granted by MGM Institute of Health Sciences, Navi Mumbai.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (03/03/2016) along with the Council Assessor's Report (April,2014 & 16.03.2015) and compliance dated 03/08/2015 submitted by the college authorities and decided to recommend to the Central Government that MD(Pathology) qualification against increased intake from 02 to 06 seats granted by MGM Institute of Health Sciences, Navi Mumbai in respect of students being trained at MGM Mission's Medical College, Navi Mumbai be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

44. Dr. NTR University of Health Sciences, Vijayawada, A.P. - Recognition of MD(Tuberculosis & Respiratory Diseases / Pulmonary Medicine) qualification against increased intake from 01 to 02 seats in respect of students being trained at Prathima Institute of Medical Sciences, Karim Nagar.

Read: the Compliance Verification Assessment (29/02/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 18/11/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(Tuberculosis & Respiratory Diseases / Pulmonary Medicine) qualification against increased intake from 01 to 02 seats at Prathima Institute of Medical Sciences, Karim Nagar granted by Dr. NTR University of Health Sciences, Vijayawada, A.P..

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (29/02/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 18/11/2015 submitted by the college authorities and decided to recommend to the Central Government that MD(Tuberculosis & Respiratory Diseases / Pulmonary Medicine) qualification against increased intake from 01 to 02 seats granted by Dr. NTR University of Health Sciences, Vijayawada, A.P. in respect of students being trained at Prathima Institute of Medical Sciences, Karim Nagar be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

45. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Pathology) qualification against increased intake from 03 to 04 seats in respect of students being trained at Dr BR Ambedkar Medical College, Bangalore.

Read: the Compliance Verification Assessment (29/02/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 24/09/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(Pathology) qualification against increased intake from 03 to 04 seats at Dr BR Ambedkar Medical College, Bangalore granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (29/02/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 24/09/2015 submitted by the college authorities and decided to recommend not to recognize MD(Pathology) qualification against increased intake from 03 to 04 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Dr BR Ambedkar Medical College, Bangalore because of the following facts:-

1. Dr. Sunitha B. Patil has been appointed as Asso. Prof. after cutoff date. However, in the list of publications, there is only 1 research article; rest are case reports. Hence her promotion is not as per Regulations and she cannot be considered as faculty.
2. Cytopathology investigation workload is only 6/day which is grossly inadequate.
3. Workload of US guided aspirations is only 12-14/month & average CT guided aspiration is 1/day, both of which are inadequate.
4. It is stated that from November 2015 institute is paying stipend @ rates paid by State Govt. to Residents. However it is not clarified to whom it is paid (i.e. to all residents or only to newly admitted PGs). Nothing is clarified about arrears to be paid.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 3 to 4 seats after the first batch appeared in Examination till their recognition will be irregular/illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the

concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

46. University of Delhi, Delhi - Recognition of MD(Paediatrics) qualification against increased intake from 05 to 21 seats in respect of students being trained at Lady Harding Medical College, Delhi.

Read: the Compliance Verification Assessment (04/03/2016) along with the Council Assessor's Report (April, 2015) and compliance dated 26/11/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(Paediatrics) qualification against increased intake from 05 to 21 seats at Lady Harding Medical College, Delhi granted by University of Delhi, Delhi.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (04/03/2016) along with the Council Assessor's Report (April, 2015) and compliance dated 26/11/2015 submitted by the college authorities and decided to recommend not to recognize MD(Paediatrics) qualification against increased intake from 05 to 21 seats granted by University of Delhi, Delhi in respect of students being trained at Lady Harding Medical College, Delhi because of the following facts:-

1. MRI is still not available in the institute. Deficiency remains as it is.
2. Unit I has 54 beds which is not as per norms.
3. Institute is recognized for 5 Degree & 4 Diploma seats. It has been permitted for increase from 5 to 21 Degree seats – i.e. total 25 PG seats; however presently there are only 5 Units which are inadequate for total 25 PG seats.
4. Hemodialysis not available (only peritoneal Dialysis available).
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 5 to 21 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

47. Dr. NTR. University of Health Sciences, Vijayawada - Recognition of MS(Orthopaedics) qualification against increased intake from 03 to 05 seats in respect of students being trained at Kamineni Institute of Medical Sciences, Narketpally.

Read: the Compliance Verification Assessment (29/02/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 14/09/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MS(Orthopaedics) qualification against increased intake from 03 to 05 seats at Kamineni Institute of Medical Sciences, Narketpally granted by Dr. NTR. University of Health Sciences, Vijayawada.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (29/02/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 14/09/2015 submitted by the college authorities and decided to recommend to the Central Government that MS(Orthopaedics) qualification against increased intake from 03 to 05 seats granted by Dr. NTR. University of Health Sciences, Vijayawada in respect of students being trained at Kamineni Institute of Medical Sciences, Narketpally be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

48. Ch. Charan Singh University - Recognition of MD(Pathology) qualification for 04 seats in respect of students being trained at Muzaffarnagar Medical College, Muzaffarnagar.

Read: the Compliance Verification Assessment (04/03/2016) along with the Council Assessor's Report (May, 205) and compliance dated 28/10/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(Pathology) qualification for 04 seats at Muzaffarnagar Medical College, Muzaffarnagar granted by Ch. Charan Singh University.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (04/03/2016) along with the Council Assessor's Report (May, 205) and compliance dated 28/10/2015 submitted by the college authorities and decided to recommend not to recognize MD(Pathology) qualification for 04 seats granted by Ch. Charan Singh University in respect of students being trained at Muzaffarnagar Medical College, Muzaffarnagar because of the following facts:-

1. Promotion of Brig. G.S. Manocha is not as per Regulations. He was Assistant Prof. for 2 years 8 months against the requirement of 5 years.
2. There are no Tutors.
3. In the faculty table, on P. 8, Dr. Alok Mohan has been shown as "Asst. Prof." in the column of "Designation"; however, in the column of experience he is shown as "Asso. Prof." w.e.f. 01/10/2015; further although he is promoted after cutoff date, details of publications are not

provided in the faculty table; hence it cannot be verified whether his promotion is as per Regulations or not.

4. Details of Tutors are not provided in the faculty table.
5. With regard to pathological post-mortems, it is stated that from October 2015 till date 6 Pathological post-mortems have been performed; it is also stated that the institute has made arrangements with LLRM Medical College for pathological autopsy training. Thus it is not clear whether these 6 p.m. have been conducted at the institute or at LLRM Medical College and by whom.
6. Workload of Bone marrow aspiration & Bone Marrow Biopsy is still low at 62 & 23 in 2015.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 04 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. 49. Maharashtra University of Health Sciences, Nashik - Recognition of MS(OBG) qualification for 01 seat in respect of students being trained at Dr. Panjabrao Alias Bhausaheb Deshmukh Memorial Medical College, Amravati.

Read: the Compliance Verification Assessment (03/03/2016) along with the Council Assessor's Report (May, 2014) and compliance dated 14/08/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MS(OBG) qualification for 01 seat at Dr. Panjabrao Alias Bhausaheb Deshmukh Memorial Medical College, Amravati granted by Maharashtra University of Health Sciences, Nashik.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (03/03/2016) along with the Council Assessor's Report (May, 2014) and compliance dated 14/08/2015 submitted by the college authorities and decided to recommend not to recognize MS(OBG) qualification for 01 seat granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Dr. Panjabrao Alias Bhausaheb Deshmukh Memorial Medical College, Amravati because of the following facts:-

1. In the faculty table, on P. 8, in Unit I, Dr. S.A. Bijwe has been shown as "Asso. Prof." in the column of "Designation"; however, in the column of experience, her experience is shown as Professor w.e.f. 01/07/2004 till date. This dichotomy needs to be clarified.

2. In respect of Dr. A.D. Wagh & Dr. M.R. Hantodkar, Senior Residents, experience as Resident for 3 years in medical college is not shown in the faculty table.
3. Dr. P.D. Chaudhari, Senior Resident possesses experience of only 2 years as Resident in medical college; hence not qualified to hold the post.
4. Separate ICU for O.G. is still not available. Deficiency remains as it is.
5. MRI is still not available. Deficiency remains as it is.
6. On day of assessment, there was no major operation. On previous day, there were only 2 Major operations which is inadequate.
7. On day of assessment, there were only 2 Minor operations, Major Operations Nil and Caesarean Section 1, which indicate inadequate clinical material.
8. Total OPD was 105 on day of assessment which is just adequate to start PG course.
9. No specimen was sent for Histopathology examination on day of assessment.
10. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. Read: the Compliance Verification Assessment (03/03/2016) along with the Council Assessor's Report (April, 2013) and compliance dated 16/11/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of DDVL qualification for 02 seats at Vinayaka Mission's Medical College & Hospital, Karaikal, Puducherry granted by Vinayaka Mission's University, Salem.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (03/03/2016) along with the Council Assessor's Report (April, 2013) and compliance dated 16/11/2015 submitted by the college authorities and decided to recommend not to recognize DDVL qualification for 02 seats granted by Vinayaka Mission's University, Salem in respect of students being trained at Vinayaka Mission's Medical College & Hospital, Karaikal, Puducherry because of the following facts:-

1. Bed occupancy is 65% on day of assessment.

2. There is only 1 research publication in indexed journals in last 3 years.
3. Residents are paid stipend of Rs. 8,500 p.m. only which is less than Govt. rates and is contrary to PG Medical Education Regulations, 2000 as amended.
4. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. 51. Geetanjali University (Deemed), Udaipur - Recognition of MD (Pathology) qualification for 4 seats in respect of students being trained at Geetanjali Medical College & Hospital, Udaipur.

Read: the Compliance Verification Assessment (03/03/2016) along with the Council Assessor's Report (June, 2015) and compliance dated 05/11/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD (Pathology) qualification for 4 seats at Geetanjali Medical College & Hospital, Udaipur granted by Geetanjali University (Deemed), Udaipur.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (03/03/2016) along with the Council Assessor's Report (June, 2015) and compliance dated 05/11/2015 submitted by the college authorities and decided to recommend not to recognize MD (Pathology) qualification for 4 seats granted by Geetanjali University (Deemed), Udaipur in respect of students being trained at Geetanjali Medical College & Hospital, Udaipur because of the following facts:-

1. Dr. M.L. Gupta, Asso. Prof. & Dr. Sunita Chauhan, Asst. Prof. arrived at 10:20 a.m. and did not sign in the register; hence it is doubtful whether they are full time faculty in the institute.
2. PG students are shown as Demonstrators; separate Tutors are not appointed. Whether appointment order as Tutors have been issued or not and whether joining report has been attached is not clarified. This needs clarification.
3. Deficiency of Assoc. Professor: 1.
4. Pathological post-mortems are not performed. Autopsy facility is not available.
5. One of the remark was inadequacy of Renal Biopsies. Although it is stated that they are regularly received in Histopathology, precise number is not shown; hence it is difficult to verify the same.

6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 04 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. 54. Arya Bhatta Knowledge University, Patna - Recognition of MD(General Medicine) qualification for 3 seats in respect of students being trained at Nalanda Medical College, Patna.

Read: the Compliance Verification Assessment (02/03/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 03/09/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(General Medicine) qualification for 3 seats at Nalanda Medical College, Patna granted by Arya Bhatta Knowledge University, Patna.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (02/03/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 03/09/2015 submitted by the college authorities and decided to recommend not to recognize MD(General Medicine) qualification for 3 seats granted by Arya Bhatta Knowledge University, Patna in respect of students being trained at Nalanda Medical College, Patna because of the following facts:-

1. Dr. Satish K. Singh has been shown as working at Narayan medical college, Sasaram as Professor from 01/12/2000 to 10/09/2014; however during this period, he is also shown working at J.N. Medical College, Bhagalpur from 01/05/1998 to 02/07/2002; at Patna Medical College from 18/06/2010 to 30/06/2010 which is not permissible. Further, he is shown working at this institute from 11/01/2014 till date as Professor implying thereby that during the period from 11/01/2014 to 10/09/2014, he was working both at this institute and also at Narayan Medical College, Sasaram.
2. Unit IV is headed by Asst. Prof.; hence it cannot be considered as teaching Unit.
3. Specialty clinic like Haematology clinic is not run.
4. Investigative facilities like Nerve Conduction, EMG are not available.
5. No details of Departmental Library are provided.
6. CT Scan is non-functional on day of assessment. MRI is not available.
7. Prescribed SAF for Compliance Verification has not been used.
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 03 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central

Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

55. Dr. NTR University of Health Sciences, Vijayawada, A.P. - Renewal of recognition of MD(Microbiology) qualification for 01 seat in respect of students being trained at Deccan College of Medical Sciences, Hyderabad.

Read: the Compliance Verification Assessment (02/03/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 21/10/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Renewal of recognition of MD(Microbiology) qualification for 01 seat at Deccan College of Medical Sciences, Hyderabad granted by Dr. NTR University of Health Sciences, Vijayawada, A.P..

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (02/03/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 21/10/2015 submitted by the college authorities and decided to recommend to the Central Government that the recognition of MD(Microbiology) qualification for 01 seat granted by Dr. NTR University of Health Sciences, Vijayawada, A.P. in respect of students being trained at Deccan College of Medical Sciences, Hyderabad be renewed.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

56. Maharashtra University of Health Sciences, Nashik - Renewal of recognition of MD(General Medicine) qualification for 04 seats in respect of students being trained at A.C.P.M.Medical College, Dhule.

Read: the Compliance Verification Assessment (03/03/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 05/09/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Renewal of recognition of MD(General Medicine) qualification for 04 seats at A.C.P.M.Medical College, Dhule granted by Maharashtra University of Health Sciences, Nashik.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (03/03/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 05/09/2015 submitted by the college authorities and

decided to recommend not to renew the recognition of MD(General Medicine) qualification for 04 seats granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at A.C.P.M.Medical College, Dhule because of the following facts:-

1. Investigative workload for the whole hospital is inadequate on day of assessment as well as on previous day as under:

#	Parameter	Workload	
		Assessment Day	Previous Day
1	MRI	03	03
2	CT Scan	04	10
3	USG	15	
4	X-ray	52	

2. Total OPD was 80 on day of assessment. For the whole hospital, it was only 414 which is inadequate.
3. Dr. Ravindra Patkari, Senior Resident in Unit I does not possess 3 years experience as Resident in medical college; hence not qualified to hold the post; resultantly, there is no Senior Resident in Unit I.
4. Dr. J.A. Lahange & Dr. T.P. Kanade, Senior Residents in Unit II do not possess 3 years experience as Resident in medical college; hence not qualified to hold the post; resultantly, there is no Senior Resident in Unit II.
5. Dr. Kundan Chaudhari, Senior Resident in Unit III does not possess 3 years experience as Resident in medical college; hence not qualified to hold the post; resultantly, there is no Senior Resident in Unit III.
6. Dr. C.P. Patil, Asso. Prof. in Unit III was on personal leave.
7. There is no Senior Resident in Unit IV.
8. As per Assessor, Dr. Abhay S. Nikam, Asst. Professor; Dr. Sharad Shirole, Senior Resident; Dr. Shivraj D. Nikumbh, Asst. Professor; Dr. Chudaman P. Patil, Assoc. Professor; Dr. Sanjay S. Shah; Dr. Vaishali K. Jaybhaye, Senior Resident have been marked absent. However, they have signed in the Faculty Table. Dr. Deepak A. Kure is DNB from non-teaching. He has no 3 years experience. Hence, not eligible.
9. Unit-III has only 1 Faculty, other 2 were absent.
10. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 04 seats till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is

found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

The committee further decided that the Dean may be asked to remain present in the next PG committee meeting and clarify, how those faculty members mentioned at sr. no.8, who were absent have signed in the faculty table.

60. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MS(ENT) qualification for 03 seats in respect of students being trained at Shadan Institute Of Medical Sciences, Hyderabad.

Read: the Compliance Verification Assessment (03/03/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 13/11/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MS(ENT) qualification for 03 seats at Shadan Institute Of Medical Sciences, Hyderabad granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (03/03/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 13/11/2015 submitted by the college authorities and decided to recommend not to recognize MS(ENT) qualification for 03 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Shadan Institute Of Medical Sciences, Hyderabad because of the following facts:-

1. Promotion of Dr. Naveen Kumar, Assoc. Professor is not as per Regulations. He was Asst. Professor for 4 years against the requirement of 5 years without any publications.
2. Record of ENT operations done in Superspecialty O.T. is not available. In E.N.T. O.T. number of major operations in 2015 was 402 implying daily average of 1.34 which is inadequate.

3. On checking in ENT O.T. register & cross verifying with Anaesthesiology register, it was observed that from 01/06/2015 onwards, upto date of assessment (i.e. 03/03/2016), NIL operations of MLS, Maxillectomy, Laryngectomy, FB Removal, Laryngotracheoplasty, Angiofibroma) were recorded in the registers.
4. Yearly Major Operations were 32 in 2012; 37 in 2013; 128 in 2014 and 402 in 2015, which is grossly inadequate.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 03 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

University of Health Sciences, Vijayawada.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (02/03/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 16/09/2015 submitted by the college authorities and decided to recommend not to recognize MD(Emergency Medicine) qualification for 02 seats granted by Dr. NTR. University of Health Sciences, Vijayawada in respect of students being trained at Kamineni Institute of Medical Sciences, Narketpally because of the following facts:-

1. Dr. P.V. Sai Satyanarayana, professor has been appointed as Professor straightaway from the post of Professor of Anaesthesiology on 29/03/2012 without any experience in the department of Emergency Medicine. No evidence of his receiving training in Emergency Medicine is provided.

2. Dr. L. Raji Reddy has been shown as Asso. prof. in the department; however his experience as Asst. Prof. is shown from 01/02/2000 to 31/03/2004 & from 02/05/2005 to 31/03/2006 which cannot be in this department. His experience as Asso. Prof. is shown from 02/03/2006 to 01/03/2007 & then from 11/12/2013 till date. No evidence of his receiving training in Emergency Medicine is provided.
3. Dr. L. Srinivas Reddy, Asst. Professor is M.S. (General Surgery) without any special training in Emergency Medicine.
4. OPD on day of assessment is shown as 185 which is not feasible. It seems that Casualty attendance is also counted as OPD for Emergency Medicine.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (29/02/2016) along with the Council Assessor's Report (April, 2015) and compliance dated 31/08/2015 for 3 seats submitted by the college authorities and decided to recommend not to recognize MD(Pathology) qualification against increased intake from 02 to 03 seats granted by Pondicherry University, Puducherry in respect of students being trained at Pondicherry Institute of Medical Sciences, Pondicherry because of the following facts:-

1. Daily average of FNAC for the month of February 2016, incl. US guided FNAC, is only 2 which is grossly inadequate.
2. Explanation given by institute regarding data mismatch between number of Major Surgeries & Surgical specimens processed is not justifiable as the assessor has observed that number of Biopsies are lesser than Surgeries.
3. Daily average Biopsy is 8.9/day which is inadequate.

4. Total Histopathology workload on day of assessment is only 7 which is inadequate.
5. The institute is paying stipend of Rs. 10,000/- to 14,000/- per month after deducting for various facilities like accommodation which is not permissible and stipend paid is not as per Regulations.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 3 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. The Postgraduate Medical Education Committee considered the Council Assessor's Report (10/03/2016) and noted the following:

1. Dr. Suksham Jain, Professor passed DM in 2013. He cannot be Asst. Professor and Assoc. Professor prior to that in DM (Neonatology).
2. Dr. Pankaj Kumar has no Super-speciality qualification or 2 years special training.
3. Dr. Adi Arya, Senior Resident, DNB Paediatrics, no 3 years experience as Junior Resident in Neonatology.
4. Neonatal Unit at present is a part of Paediatrics department and not an independent department.
5. The Neonatal Unit has faculty from Paediatrics department working in the Unit.
6. Bifurcation of experience of faculty into Paediatrics & Neonatology Departments is not provided in the faculty table.
7. None of Senior Residents has 3 years experience as Resident in department of Neonatology; hence not qualified to hold the post.
8. Departmental Library has 65 books.
9. Departmental office is shared with Paediatrics department.
10. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of DM (Neonatology) course at Government Medical College, Chandigarh under Punjab University, Chandigarh u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

86. Starting of DM (Neurology) course at Chalmeda Anand Rao Institute Of Medical Sciences, Karimnagar under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (14/03/2016) on the physical and other teaching facilities available at Chalmeda Anand Rao Institute Of Medical Sciences, Karimnagar under Dr. NTR University of Health Sciences, Vijayawada for Starting of DM (Neurology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (14/03/2016) and noted the following:

1. Dr. G.V. Vamshinandan Rao does not possess 3 years experience as Resident in the department; hence not qualified to hold the post.
2. Departmental Library has only 46 books.
3. On the day of Assessment, there were only 11 MRI in the entire hospital, which indicate inadequate clinical material.

4. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of DM (Neurology) course at Chalmeda Anand Rao Institute Of Medical Sciences, Karimnagar under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

87. Increase of seats in M.Ch. (Paediatric Surgery) course at Amrita School of Medicine, Elamkara, Kochi, Kerala under Amrita Vishwa Vidyapeetham University (Deemed), Coimbatore u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (09th March 2016) on the physical and other teaching facilities available at Amrita School of Medicine, Elamkara, Kochi, Kerala under Amrita Vishwa Vidyapeetham University (Deemed), Coimbatore for Increase of seats in M.Ch. (Paediatric Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (09th March 2016) and noted the following:

1. Dr. N. Vishwanath, Professor was absent on day of assessment; Resultantly, there is deficiency of Asso. Prof. in the Unit; hence it cannot be considered as PG Unit.
2. Average daily OPD is 40-50.
3. Departmental Library has 78 books.
4. Already 2 seats commensurate with available clinical material and infrastructure.
5. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to return the application to the Central Government recommending disapproval of the scheme for Increase of seats in M.Ch. (Paediatric Surgery) course at Amrita School of Medicine, Elamkara, Kochi, Kerala under Amrita Vishwa Vidyapeetham University (Deemed), Coimbatore u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

88. Increase of seats in DM (Geriatric Mental Health) course at King George Medical University, Lucknow under King Georges Medical University,Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (01st March 2016) on the physical and other teaching facilities available at King George Medical University, Lucknow under King Georges Medical University,Lucknow for Increase of seats in DM (Geriatric Mental Health) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01st March 2016) and noted the following:

1. Dr. R.S. Gangwar possesses qualification of M.D. (Anaesthesiology); hence he cannot hold a faculty position in this department.
2. Dr. Priti Singh, Assistant Professor possesses qualification of M.R.C.Psych. which although a registrable qualification is not equivalent to D.M. or M.D. (Psychiatry). No evidence of her receiving training in Geriatric Mental Health is shown.

3. Professor and HoD shifted from the department of Psychiatry as Professor of Geriatric Mental Health without any special training.
4. There is no Senior Resident.
5. ICU facilities are provided but not yet functional.
6. As per SAF page-6, sl. No. 6, there are no beds Geriatric Mental Health, which means the department is not in existence.
7. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Increase of seats in DM (Geriatric Mental Health) course at King George Medical University, Lucknow under King Georges Medical University, Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

89. Starting of DM (Endocrinology) course at Medical College, Thiruvananthapuram under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (09th March 2016) on the physical and other teaching facilities available at Medical College, Thiruvananthapuram under Kerala University of Health Sciences, Thrissur for Starting of DM (Endocrinology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (09th March 2016) and noted the following:

1. Dr. P.K. Jabbar, Professor & HOD has been appointed straightaway as Professor of Endocrinology from the post of Professor of Medicine on 17/08/2012. His experience is at this institute which is yet to receive permission to start PG course in Endocrinology.
2. Dr. C. Jayakumari is shown as Asso. Prof. She possesses M.D. qualification but no evidence of her receiving training in Endocrinology is shown. She has been appointed to post of Asso. Prof. of Endocrinology after cutoff date straightaway from General Medicine but no details of her research publications are given. Hence it cannot be verified whether her appointment is as per Regulations or not. Her experience is at this institute which is yet to receive permission to start PG course in Endocrinology.
3. Dr. M.V. Muraleedharan has crossed 70 years of age on 01/02/2016; hence he cannot be considered as faculty.
4. Dr. Mathew John is shown as "Asso. Prof." in the column of "Designation"; however, in the column of experience, his experience is shown as "Asst. Prof." continuing till date. His date of joining this institute is not shown. This dichotomy needs to be resolved.
5. In view of above, there is no Asso. Prof. in the Unit; hence faculty complement is incomplete & it cannot be considered as PG Unit.
6. No Senior Resident has experience of 3 years as Resident in the department.
7. General Endocrinology OPD is only once a week. On remaining days, Specialty clinics are run which cannot be equated with General OPD.
8. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of DM (Endocrinology) course at Medical College, Thiruvananthapuram under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Compliance Verification Assessment (10/03/2016) along with the Council Assessor's Report (May, 205) and compliance dated 28/10/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(Radio Diagnosis) qualification against increased intake from 01 to 03 seats at St. Johns Medical College, Bangalore granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (10/03/2016) along with the Council Assessor's Report (May, 205) and compliance dated 28/10/2015 submitted by the college authorities and decided to recommend to the Central Government that MD(Radio Diagnosis) qualification against increased intake from 01 to 03 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at St. Johns Medical College, Bangalore be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

91. Sambalpur University - Recognition of MD(Community Medicine) qualification against increased intake from 1 to 2 seats in respect of students being trained at V.S.S. Medical College, Burla, Sambalpur.

Read: the Compliance Verification Assessment (04/03/2016) along with the Council Assessor's Report (June, 2014) and compliance dated 24/08/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(Community Medicine) qualification against increased intake from 1 to 2 seats at V.S.S. Medical College, Burla, Sambalpur granted by Sambalpur University.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (04/03/2016) along with the Council Assessor's Report (June, 2014) and compliance dated 24/08/2015 submitted by the college authorities and decided to recommend to the Central Government that MD(Community Medicine) qualification against increased intake from 1 to 2 seats granted by Sambalpur University in respect of students being trained at V.S.S. Medical College, Burla, Sambalpur be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

92. B.N. Mandal University - Recognition of MS(Anaesthesiology) qualification against increased intake from 02 to 04 seats in respect of students being trained at Mata Gujri Memorial Medical College, Kishanganj.

Read: the Compliance Verification Assessment (09/03/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 30/09/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MS(Anaesthesiology) qualification against increased intake from 02 to 04 seats at Mata Gujri Memorial Medical College, Kishanganj granted by B.N. Mandal University.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (09/03/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 30/09/2015 submitted by the college authorities and decided to recommend not to recognize MS(Anaesthesiology) qualification against increased intake from 02 to 04 seats granted by B.N. Mandal University in respect of students being trained at Mata Gujri Memorial Medical College, Kishanganj because of the following facts:-

1. MRI is still not available.
2. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 4 seats after the first batch appeared in Examination till their recognition will be irregular/illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

93. West Bengal University of Health Sciences, Kolkata - Recognition of DM(Neonatology) qualification for 01 seat in respect of students being trained at Institute of Postgraduate Medical Education & Research, Kolkata.

Read: the Compliance Verification Assessment (02/03/2016) along with the Council Assessor's Report (August, 2014 & 11.06.2015) and compliance dated 17/10/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of DM(Neonatology) qualification for 01 seat at Institute of Postgraduate Medical Education & Research, Kolkata granted by West Bengal University of Health Sciences, Kolkata.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (02/03/2016) along with the Council Assessor's Report (August, 2014 & 11.06.2015) and compliance dated 17/10/2015 submitted by the college authorities and decided to recommend not to recognize DM(Neonatology) qualification

for 01 seat granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at Institute of Postgraduate Medical Education & Research, Kolkata because of the following facts:-

1. Dr. Suchandra Mukherjee, Professor & HOD, possesses only M.D. qualification. No evidence of his receiving training for 2 years in Neonatology is shown in the faculty table.
2. Dr. Tapas Kumar, Assoc. Professor passed DM in 2012. He cannot be Asst. Professor from 2009. Post DM he was Asst. Professor for only 7 months. Hence, his promotion is not as per Regulations.
3. Dr. Uttam Kumar, Asst. Professor has neither DM qualification nor 2 years special training. Hence, he cannot be considered Asst. Professor.
4. No Senior Resident is shown in faculty table.
5. There are 100 beds in the only Unit which is not as per norms.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. 94. SRM University, Chennai - Recognition of MD(Radio Diagnosis) qualification against increased intake from 02 to 03 seats in respect of students being trained at SRM Medical College Hospital & Research Centre, Kancheepuram.

Read: the Compliance Verification Assessment (04/03/2016) along with the Council Assessor's Report (April, 2015) and compliance dated 16/10/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(Radio Diagnosis) qualification against increased intake from 02 to 03 seats at SRM Medical College Hospital & Research Centre, Kancheepuram granted by SRM University, Chennai.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (04/03/2016) along with the Council Assessor's Report (April, 2015) and compliance dated 16/10/2015 submitted by the college authorities and decided to recommend not to recognize MD(Radio Diagnosis) qualification against increased intake from 02 to 03 seats granted by SRM University, Chennai in respect of students being trained at SRM Medical College Hospital & Research Centre, Kancheepuram because of the following facts:-

1. Promotion of following faculty members is not as per regulations for reasons mentioned against their names:

- a. Dr. Bulabai Karpagam – She was Assoc. Professor for 3 years 2 months and promoted Professor on 21/12/2015 after the cut-off date. There are no publications to her credit.
 - b. Dr. A. Senthil Kumar, Assoc. Professor – He was Asst. Professor for 4 years and 18 days against the requirement of 5 years.
 - c. Dr. S. Ram Kumar, Assoc. Professor – He was Asst. Professor for 4 years 4 months and promoted on 21/12/2015 without any publications, which is not as per Regulations.
2. On checking the records, contention of the institute submitted in compliance that “From April 2015, CT guided Biopsy cases have increased from 8 to 10 cases per month” could not be verified. Hence deficiency of inadequate workload of CT guided Biopsy/FNAC remains as it is.
 3. On checking the records, contention of the institute submitted in compliance that “From April 2015, DSA cases have increased from 10 to 12 cases per month” could not be corroborated. Hence deficiency of inadequate workload of DSA remains as it is.
 4. On checking the records, contention of the institute submitted in compliance that “From April 2015, Mammography cases have increased from 25 to 30 cases per month” could not be corroborated. Hence deficiency of inadequate workload of Mammography remains as it is.
 5. MRI on the day of assessment were only 9 in the entire hospital, which is grossly inadequate.
 6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 3 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. 95. West Bengal University of Health Sciences, Kolkata - Recognition of MS(General Surgery) qualification against increased intake from 01 to 02 seats in respect of students being trained at Vivekananda Institute of Medical Sciences, Kolkata.

Read: the Compliance Verification Assessment (04/03/2016) along with the Council Assessor’s Report (May, 2015) and compliance dated 14/10/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MS(General Surgery) qualification against increased intake from 01 to 02 seats at Vivekananda Institute of Medical Sciences, Kolkata granted by West Bengal University of Health Sciences, Kolkata.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (04/03/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 14/10/2015 submitted by the college authorities and decided to recommend not to recognize MS(General Surgery) qualification against increased intake from 01 to 02 seats granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at Vivekananda Institute of Medical Sciences, Kolkata because of the following facts:-

1. There is no Senior resident in Unit II.
2. Shortage of Senior Residents: 2.
3. No experience details of faculty given in faculty table.
4. There are only 2 Units against requirement of 3 Units.
5. Units I & II have 60 beds which is not as per Regulations.
6. OPD attendance on day of assessment was only 81 which is inadequate.
7. Deficiency of inadequacy of research publications in indexed journals remains as it is. There are only 2 research publications from the department in indexed journals in last 3 years.
8. MRD is partially computerized. ICD X classification of diseases is not followed for indexing.
9. Deficiency of inadequacy of Academic parameter like Clinical Seminars remains as it is.
10. Departmental Library facilities are inadequate.
11. There are only 2 publications during last 3 years.
12. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 01 to 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized.
