Dr. Reena Nayyar – Secretary I/c

The Chairman welcomed the members of the Postgraduate Medical Education Committee.

Leave of absence was received from Dr. Bhanu Prakash Dubey, Dr. K S Sharma, Dr. Raja Babu Panwar, & Dr. (Mrs.) Rani Bhaskaran, Members, Postgraduate Medical Education Committee.

**1. Minutes of the last meeting of the Postgraduate Medical Education Committee – confirmation of.**

The Postgraduate Medical Education Committee confirmed the minutes of the Postgraduate Medical Education Committee meeting held on 22/08/2017.

**2. Minutes of the last meeting of the Postgraduate Medical Education Committee – action taken thereon.**

The Postgraduate Medical Education Committee noted the Action Taken Report on the minutes of the Postgraduate Medical Education Committee meeting held on 22/08/2017.

The P.G. Committee in its meeting held on 27-07-2017 had considered the letter from ministry of Health and Family Welfare Government of India (No. Z.2015/04/2017-ME-I, dated 18.07.2017 and 19.07.2017) and looking into difficulties being faced by those doctors who had passed their postgraduate/super speciality degree 2-3 years back but their PG/super speciality degree is on yet recognized, had passed the following resolution "The Postgraduate committee looking into the constraints and problems faced by vast number of students throughout the country decided that wherever the compliances of such courses which are pending for recognition for the last 2-3 years is found satisfactory to recommend to Central Government to recognize these courses without further physical verification (as on one time measure).

In the light of above resolution

1. The following items of meeting dated 27-07-2017 (in whose case recognition decision is pending for more than last two years) had already been considered by P.G. Committee in its meeting dated 17.03.2017, 24.03.2017, 28.03.2017 & 09.05.2017 and decided to verify compliance by way of assessment. However in

the light of above resolution the decision in their case was revised on 27-07-2017 and it may be read as "Recommended for recognition".  
118,159,162,163,164,165,166,169,170,171,172,173,174,175,181,186.

2. However inadvertently the following items in whose case decision is pending for less than 2 years and which has already been decided by the P.G. Committee to be verified by way of compliance assessment were put again on the agenda of meeting dated 27-07-2017 and were recommended for recognition.

Hence the decision of these items which had already been taken by P.G. Committee as "Verify by way of assessment" stands and their final decision be read as verify by way of assessment.

Item Nos. of meeting dated 27-07-2017:

176,177,178,179,180,183,184,189,190,191,192,193,194,195,196,197,198,199,200,201, 202,203,204,205.

3. Decision in the following items which are not 2-3 yrs old was inadvertently wrongly recorded as "recommended for recognition" instead of "verify by way of assessment". Hence the decision in them be read as "verify by way of assessment". Item Nos. of Meeting Dated 27-07-2017:

87,92,100,102,103,104,105,109,111,113,116,117,121,129,131,135,136,138,143,147,157, 182,214.

### **3. Consideration of pending items of the Postgraduate Medical Education Committee meetings.**

Read: the pending items of the Postgraduate Medical Education Committee meetings.

The Postgraduate Medical Education Committee noted the pending items.

### **4. Adesh University, Bathinda - Recognition of MD/MS(OBG) qualification for 03 seats in respect of students being trained at Adesh Institute of Medical Sciences & Research, Bhatinda.**

Read: the Council Assessor's Report (15.06.2017) on the standard of examination and other teaching facilities for Recognition of MD/MS(OBG) qualification for 03 seats at Adesh Institute of Medical Sciences & Research, Bhatinda granted by Adesh University, Bathinda.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (15.06.2017) and decided to recommend not to recognize MD/MS(OBG) qualification for 03 seats granted by Adesh University, Bathinda in respect of students being trained at Adesh Institute of Medical Sciences & Research, Bhatinda because of the following facts:-

1. Promotion of Dr. Manju Kumari, Professor, is not as per regulations. She was promoted on 01.12.2014 after the cut off date without any publications. All her publications quoted are after her promotion.
2. Postgraduate degree of Dr. Shagufta Yousuf is not recognized.
3. Total number of patients admitted (IPD) in 2016 was 5517.  
Total number of Major + Minor Operations (excluding Day care operation) + deliveries and caesarian Section is 6339. This is not feasible. The data is non-genuine.
4. ANMO & MCWO are not available.

5. There was NIL Major Obstetric & NIL Minor Obstetric Operation on day of assessment.
6. Incidence of operative Vaginal deliveries is 0.4/day.
7. Attendance at Specialty clinics like High Risk Pregnancy clinic, MTP clinic is low – 6/month.
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 3 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

4. Dr. T.R. Raghavendra, Professor is appointed as Professor of Emergency Medicine straightaway from the post of Professor of Anaesthesiology without any experience in Emergency Medicine. He possesses academic qualification of DNB; however no evidence of special training of 2 year in Emergency Medicine is shown in the faculty table.
5. Total number of OPD on the day of assessment was 55, which is bare minimum to start the course.
6. Total number of patients admitted (IPD) in 2016 was 14259.  
Total number of Major Operations (excluding Day care operation) was 21644.  
This is not feasible. The data is non-genuine.
7. There is no day care operation during the last 3 years.
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 3 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

**63. Banaras Hindu University - Recognition ofMD(Radiotherapy) qualification against increased intake from 1 to 3 seats in respect of students being trained at Institute of Medical Sciences, BHU, Varansi.**

Read: the Council Assessor's Report (3rd July, 2017) on the standard of examination and other teaching facilities for Recognition ofMD(Radiotherapy) qualification against increased intake from 1 to 3 seats at Institute of Medical Sciences, BHU, Varansi granted by Banaras Hindu University.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (3rd July, 2017) and decided to recommend not to recognize MD(Radiotherapy) qualification against increased intake from 1 to 3 seats granted by Banaras Hindu University in respect of students being trained at Institute of Medical Sciences, BHU, Varansi because of the following facts:-

1. Promotion of Dr. Lalit M. Agrawal, Professor, is not as per regulations. He was promoted on 25.04.2016 after the cut off date. He has only 2 publications. In the remaining 2 he is 3<sup>rd</sup> and 4<sup>th</sup> Author, which cannot be considered.
2. Total number of admitted patients has decreased from 6,123 in 2014 to 4,939 in 2016.
3. Workload of Brachytherapy has decreased from 283 in 2014 to 156 in 2016.
4. Intensive care services provide by the department are not adequate.
5. It is surprising that "toilet facility for patients is not available in the department", which has been specifically pointed out by the Assessor.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 1 to 3 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

2. Dr. Usha Shukla, Professor & HOD is promoted as Professor after cut-off date; however in the list of publications in the faculty table, only 2 publications are cited in the list against requirement of 4; hence her promotion is not as per Regulations & she cannot be considered.
3. Dr. Prashant K. Mishra is promoted as Asso. Prof. after cut-off date; however in 1 out of 2 publications cited in the list of publications, he is 4<sup>th</sup> author which cannot be considered; resultantly there is only 1 publication to his credit against requirement of 2; hence his promotion is not as per Regulations & he cannot be considered.
4. Dr. Pankaj Singh; Dr. Neha Varshneya, Senior Residents do not have 3 y experience as Resident before appointment as Senior Resident; hence not qualified to hold the post. Resultantly, there is deficiency of Sr. Resident -2.
5. Number of beds occupied in Post-operative ward on day of assessment is not shown.
6. NIL new books have been purchased for Departmental Library in last 3 years.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 02 to 06 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

Read: the letter dated 28/12/2016 received from the Principal, Amrita School of Medicine, Elamkara, Kochi with regard to Starting of DM (Reproductive Medicine) course at Amrita School of Medicine, Elamkara, Kochi, Kerala under Amrita Vishwa Vidyapeetham University (Deemed), Coimbatore u/s 10A of the IMC Act, 1956 for the

academic year 2016-17 along with the opinion dated 22/03/2017 of Mr. T. Singhdev, Advocate.

The Postgraduate Medical Education Committee considered the letter dated 28/12/2016 received from the Principal, Amrita School of Medicine, Elamkara, Kochi with regard to Starting of DM (Reproductive Medicine) course at Amrita School of Medicine, Elamkara, Kochi, Kerala under Amrita Vishwa Vidyapeetham University (Deemed), Coimbatore u/s 10A of the IMC Act, 1956 for the academic year 2016-17 along with the opinion dated 22/03/2017 of Mr. T. Singhdev, Advocate and the opinion of Council Advocate is as under:

At this juncture, after availing the benefit of the conditional permission and after admitting the students, once the college has been found deficient and has failed to fulfill the conditions of the undertaking, now it cannot ask for any further relaxation. The deficiency of infrastructure of the applicant medical college was so grave that even the students admitted in the applicant medical college chose to discontinue their respective courses. Thus, in the light of the above provisions and on the basis of the deficiencies found during the last inspection. I am of the considered opinion that the querist may proceed in terms of the conditional permission granted by the Oversight Committee as well as the procedure of invocation of Regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999, on the ground of the presenting fake/forged faculty including the experience certificates for the appointment of such faculty. The querist may initiate action in this regard as per the provisions of IMC Act, 1956 and the Regulations made thereunder.

After due deliberations, the Postgraduate Medical Education Committee decided to approve opinion of Council Advocate & directed the PG Section to act accordingly.

**137. NIMS University, Jaipur - Recognition of MD(Biochemistry) qualification for 1 seat in respect of students being trained at National Institute of Medical Science & Research, Jaipur.**

Read: the compliance dated 24.06.2017 submitted by the college authorities along with recommendations of Postgraduate Sub-Committee, on the standard of examination and other teaching facilities for Recognition of MD(Biochemistry) qualification for 1 seat at National Institute of Medical Science & Research, Jaipur granted by NIMS University (Deemed University), Jaipur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (Feb, 2017) and compliance dated 24/06/2017 submitted by the college authorities and decided to recommend not to recognize MD(Biochemistry) qualification for 1 seat granted by NIMS University (Deemed University), Jaipur in respect of students being trained at National Institute of Medical Science & Research, Jaipur because of the following facts:-

Compliance is not satisfactory.

1. Deficiency of faculty: (a) Asso. Prof.: 1 remains as such. It is only stated "*Faculty is being recruited, but will join in start of next academic session.*" Implying as on date he is not available.
2. Other deficiencies as pointed out in the Assessment Report

Admissions done (if any) against these seats i.e. 01 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

Read: the compliance dated 27.06.2017 submitted by the college authorities along with recommendations of Postgraduate Sub-Committee, on the standard of examination and other teaching facilities for Recognition of MD(Anaesthesiology) qualification against increased intake from 4 to 6 seats at Bankura Sammilani Medical College, Bankura granted by West Bengal University of Health Sciences, Kolkata.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (10/04/2017) along with the Council Assessor's Report (July, 2016) and compliance dated 27/06/2017 submitted by the college authorities and decided to recommend not to recognize MD(Anaesthesiology) qualification against increased intake from 4 to 6 seats granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at Bankura Sammilani Medical College, Bankura because of the following facts:-

Compliance is not satisfactory.

1. It is stated that Dr. Amalendu B. Chattopadhyay, Professor be considered as Asso. Prof. as he is not eligible for promotion due to inadequate publications.

This is not correct. It is for the Institute to downgrade him to Asso. Prof. and submit fresh order & joining report which has not been done. Hence deficiency of faculty: (a) Asso. Prof.: 1 remains as it is.

2. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 04 to 06 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

**182. North-Eastern Hill University - Renewal of recognition of MD/MS(Anaesthesiology) qualification for 2 seats in respect of students being trained at North Eastern Indira Gandhi Regional Institute of Health & Medical Sciences, Shillong.**

Read: the Council Assessor's Report April, 2017 and compliance dated 27.07.2017 submitted by the college authorities along with recommendations of Postgraduate Sub-Committee, on the standard of examination and other teaching facilities for Renewal of recognition of MD/MS(Anaesthesiology) qualification for 2 seats at North Eastern Indira Gandhi Regional Institute of Health & Medical Sciences, Shillong granted by North-Eastern Hill University.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (April, 2017) and compliance dated 27/07/2017 submitted by the college authorities and decided to recommend not to renew the recognition of MD/MS(Anaesthesiology) qualification for 2 seats granted by North-Eastern Hill University in respect of students being trained at North Eastern Indira Gandhi Regional Institute of Health & Medical Sciences, Shillong because of the following facts:-

Compliance is not satisfactory.

1. With regard to deficiency of faculty, presently only advertisement is issued. No new faculty has joined till date; hence deficiency of faculty remains as such.
2. Other deficiencies as pointed out in the Assessment Report

Admissions done (if any) against these seats i.e. 02 seats till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

*"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

**1. Admission of PG students (Broad-Specialty) at Sri Manakula Vinayagar Medical College & Hospital, Pondicherry for the Academic Year 2017-18 – Regarding.**

Earlier, it was decided to issue Discharge Notice to 15 students whose names were not in DME list.

In reply, the college has submitted as under:

*... Ministry of Health and Family Welfare, New Delhi has issued instructions in Para 2 of their letter F.No. V11011/1/2015-MEP dated 26/05/2017 that all State/UT Government are requested to conduct mop up round of counseling first. After the completion of mop up counseling, the number of seats that are still vacant may be determined and the list of students in order of merit equaling to ten times the number of vacant seats shall be forwarded to the Medical College concerned.*

*It is submitted that mop up counselling was conducted on 27/05/2017 by the CENTAC and issued provisional admission orders to some of the candidates attended the counselling. Even after mop up counselling, the following Eight (8) Post Graduate seats remain vacant till 12.00 PM on 31/05/2017 being the last date of admission to PG courses prescribed by the Ministry of Health & Family Welfare, New Delhi. CENTAC has also furnished the candidate applied for admission to P.G. course under ALL INDIA GENERAL QUOTA LIST to our Institution.*

*Based on the Instructions of the Ministry of Health & Family Welfare, New Delhi, the following eight (8) candidates were admitted to the P.G. course noted against each on the last date of admission on 31/05/2017 against the unfilled seats remaining till vacant 12.00 PM on 31/05/2017 from the ALL INDIA GENERAL QUOTA LIST furnished by the CENTAC.*

*It is submitted that the names of the above two candidates were inadvertently included in the list of PG students admitted for the academic year 2017-18 and furnished on 07/06/2017 through online filling in the prescribed format. Later, it was found that their name was wrongly included.*

*It is submitted to state that the discrepancy between the list of PG student admitted for the academic year 2017-18 furnished by our institution on 07/06/2017 through online and the list of CENTAC provided by the Government of Puducherry is mainly due to the reasons furnished in the preceding paragraph against each student. Hence the admission in the PG courses was made in accordance with the instructions/guidelines issued by the Ministry of Health & Family Welfare and Medical Council of India, New Delhi i.e. through common counseling conducted by the CENTAC and by the Management on the last date of admission on 31/05/2017 by filling up the unfilled vacant seats as per the instructions contained in letter F.No. V.11011/1/2015-MEP dated 26/05/2017 of the Ministry of Health & Family Welfare, New Delhi.”*

Presently, Monitoring Sub-Committee has decided to send a reminder along with the copy of letter dated 29.07.2017 received from the college authorities to CENTAC, Government of Puducherry, requesting for the clarification within a week. Institution is instructed to pursue with the Govt. of Puducherry. Failing receipt of the clarification, the committee decided to reiterate its earlier decision.

Approved with modification that the Institute be directed to pursue the matter with Govt. of Puducherry and get the matter clarified. Till then Discharge Notice remains in force. Institute be directed to submit compliance.

The Monitoring Sub-Committee observed that the college has not admitted excess students in the MD- Pathology and MS-ENT courses. The same has been accepted by the Monitoring Sub-Committee.

The Monitoring Sub-Committee also noted the decision of the Post Graduate committee at its meeting held on 30.06.2017 which states as under :-

*“.....The Postgraduate Medical Education Committee perused the entire issue alongwith the legal opinion of the Law Officer and noted that: Page | 8 There are a number of very old medical colleges in the country who are admitting students in P.G. Diploma / Degree courses but the number of students they are admitting does not tally with the number shown in MCI records/website. However, they have been making these admissions since long (before section 10A of the Indian Medical Council Act came into existence). There has been objections in their recognition as well as pointing out by Monitoring Cell that excess admissions has been made by the Institutes. Similar matters was discussed in a meeting in the Ministry of Health held on 10.04.2013 and it was decided that in the interest of large number of students who have passed out from these colleges, the MCI should arrange fresh assessment of these colleges (under the provision continuation of recognition) and fix up the number of seats (depending upon the available faculty and infrastructure) in each course for future admissions. However, this process (although started) have not been completed by now. The P.G. Committee decided that Dr. Arti Sharma, Deputy Secretary, PG Section should monitor this process (including identification of colleges/courses, arranging their assessment (even without examination since they are very old government medical colleges and their examinations already stand inspected) including BRD Medical College, Gorakhpur and bringing the reports before P.G. Committee for fixing the number of seats in each course at the earliest for future admissions). It will be binding on the colleges to follow the number of seats fixed in each course in future. If they make any admissions in excess of that, they will be illegal and not according to regulations.”*

Accordingly, the matter may be referred to the Postgraduate Section for further necessary action for excess seats in the Diploma Courses as under:-

Sl. No.	Course	Annual intake fixed by MCI	Admission made by college authorities	Excess admission
1.	Diploma in Anesthesia	4	8	4
2.	Diploma in Child Health	4	8	4
3.	Diploma in Clinical Pathology	1	2	1
4.	Diploma in Obstetrics & Gynaecology	5	13	8
