The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (06/03/2017) along with the Council Assessor's Report (April, 2016) and compliance dated 13/10/2016 submitted by the college authorities and decided to recommend not to renew the recognition of MS(Ophthalmology) & DO qualifications for 01 seat each granted by Vinayaka Mission's University, Salem in respect of students being trained at Vinayaka Mission's Medical College & Hospital, Karaikal, Puducherry because of the following facts:-

1. There was only 1 Major Operation on day of assessment.
2. There is only 1 research publication from the department in last 3 years. Deficiency remains as it is.
3. Speciality clinic attendance is only 2-3 patients in each clinic.
4. Retinal surgery facilities not available. Only medical retinal facility available.
5. Other deficiencies as pointed out in the assessment report.

Admissions done (if any) against these seats i.e. 1(One) seats each in Degree and Diploma till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

*"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

Medical College University, Chennai in respect of students being trained at K.A.P. Viswanatham Govt. Medical College, Tiruchirapalli because of the following facts:-

1. With regard to remark that "*Promotion of Dr. R. Yeganathan as Assoc. Prof. is not as per Regulations as he was Asst. Prof. for 4 y 1 m & he has no publications*", in the present assessment, it is claimed by Institute that the period of his service from 18/03/2008 to 22/10/2009 was as Asst. Prof. which was mistakenly entered as Senior Resident. This is not feasible as perusal of earlier assessment report shows that Dr. R. Yeganathan was shown as Senior Resident during this period and verified as such. Such retrospective changes are not permissible & he cannot be considered.
2. Dr. S. Barari, Senior Resident in Unit IV was absent on day of assessment. There is no other Senior Resident in the Unit.
3. Bed Occupancy is 50.5 % on day of assessment.

5. Dr. R.Rosy Adhaline Selvi, Assoc.Prof. was not available. There is no letter showing that he was on examination/official duty. There is no other Assoc.Prof. in the Unit.
6. Other deficiencies as pointed out in the assessment report.

As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

1. Deficiency of faculty: (a) Assoc. Prof.- 1.
2. Other deficiencies as pointed out in the assessment report.

Admissions done (if any) against these seats i.e. 1(One) after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”*

1. Promotion of Dr. Rameshkumar Pandey, Assoc.Prof., is not as per regulations. He was promoted in 2015 after the cut off date without any publications. There is no other Assoc.Prof. in the Unit-IV.
2. Dr. Tushar Nagtode, Senior Resident, does not have 3 years experience as Jr. Resident from a teaching hospital, hence not eligible to hold the post. There is no other Sr. Resident in the Unit-I, MTH, Kochi is not a teaching hospital.
3. Dr. Akshay Akulwar, Senior Resident in Unit III does not possess any experience as Resident as shown in the faculty table before appointment as Senior resident; hence not eligible to hold the post.
4. Dr. K. Robert is shown as “Senior Resident” in the column of “Designation” in the faculty table; however, in the column of “Experience”, it is shown as “JR III” from 30/05/2016 till date. No explanation is given for this dichotomy.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (07/04/2017) along with the Council Assessor's Report (July, 2015 & 20.06.2016) and compliance dated 06/01/2017 submitted by the college authorities and decided to recommend not to renew the recognition of MD(General Medicine) qualification for 4 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Government Medical College, Thrissur because of the following facts:-

1. With regard to Dr. Vinu Thomas, the remark was that "*~ is promoted as Professor after cut-off date; however the column of "Benefit of publications" is left blank*", it is stated that "*he was promoted as Addl. Professor on 14/12/2009 before cut-off date. Hence he can be considered as Professor.*" This is not correct. Promotion to Addl. Prof. cannot be equated with that to Professor. In the faculty table, in the column of "Designation", it is printed as "Professor" which is struck off and the word "Addl." is written by hand. Thus it is not clear whether he is Addl. Prof. or Professor. Deficiency remains as it is.
2. Promotion of Dr. Indira M, Assoc.Prof., is not as per regulations. She was Asst.Prof. for 4 years 2 months against the requirement of 5 years, she has no publication.
3. In the earlier report Dr. Rosy Pillips, was shown Asst.Prof. from 25.06.2007 to 30.06.2015 and Assoc.Prof. from 01.07..2015. This has now

been changed to Asst.Prof. from 25.06.2007 to 06.01.2011 and Assoc.Prof. from 07.01.2011 onwards. Such retrospective changes to make the faculty eligible is not allowed. Hence, she cannot be considered.

4. There is no other Assoc.Prof. in the Unit –M3.
5. Other deficiencies as pointed out in the assessment report.

Admissions done (if any) against these seats i.e. 4(Four) till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

*"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.
