**34. Pravara Institute of Medical Sciences (Deemed University), Loni - Renewal of recognition of MS(General Surgery) qualification for 2 seats in respect of students being trained at Rural Medical College, Loni.**

Read: the Council Assessor's Report (26.05.2017) on the standard of examination and other teaching facilities available for Renewal of recognition of MS(General Surgery) qualification for 2 seats in respect of students being trained at Rural Medical College, Loni granted by Pravara Institute of Medical Sciences (Deemed University), Loni.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (26.05.2017) and decided to recommend not to renew the recognition of MS(General Surgery) qualification for 2 seats granted by Pravara Institute of Medical Sciences (Deemed University), Loni in respect of students being trained at Rural Medical College, Loni because of the following facts:-

1. Promotion of Dr. Jorwekar G.J., Professor, is not as per regulations. He was promoted Assoc.Prof. after 3 years experience as Assistant Professor against the required 4 years. Hence, his promotion is not as per regulation. Resultantly, Unit left with only 2 Asst.Prof.
2. Dr. Sadawarte N. Anil, Asst.Prof. DNB from non-teaching hospital. He has no 3 years experience from a teaching hospital when appointed as Asst.prof. and hence, not eligible.
3. Dr. Deore Sachin K, Sr. Resident, DNB from non-teaching hospital. He has only 1 year 3 months experience from a teaching hospital as Jr. Resident against the required 3 years. Hence, not eligible.
4. Dr. Badhe K.R., Sr. Resident, DNB from non-teaching hospital. He has only 1 year experience from a teaching hospital as Jr. Resident against the required 3 years. Hence, not eligible.
5. Promotion Apturkar D.K., Professor, is not as per regulations. He was promoted on 01.10.2014 after the cut off date. He has only 2 publications against the required 4.
6. Promotion for the Vyas Hari Gopal, Professor, is not as per regulations. He was Assoc.Prof. for 3 years against the requirement of 4 years. He has only 1 publication against the required 4. Hence, his promotion is not as per regulations.
7. Dr. Gharpure Vivek Vishwanath, Asst.Prof., is M.Ch. and he was Assoc.prof. in a Govt. Medical College. It is unlikely he is working full time as Asst.Prof. in General

Surgery. He joined as Asst.Prof. in Paediatrics Surgery on 17.02.2016 at RMC, Loni. All this indicate that he has not been working full time as Asst.Prof.

8. Dr. Satish R. Sonawane is promoted as Professor after cut-off date; however in the column of "Benefit of publications" in the faculty table, it is stated "No" implying NIL publication against requirement of 4; hence his promotion is not as per Regulations & he cannot be considered.
9. Specialty clinic like Cardiovascular & Thoracic Surgery clinic is not run.
10. Stipend paid by State Govt. to I/II/III year Residents is shown as Rs. 42,025; Rs. 42,475 & Rs. Rs. 42,925 p.m. respectively which is incorrect. It is also shown that the Institute is paying the same amount implying thereby that it is paying stipend to Residents @ rates of State Govt. which is incorrect and an attempt to mislead the Council.
11. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 2(Two) till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

*"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

Place before Ethics Committee.

**43. The Tamil Nadu Dr. M.G.R. Medical College University, Chennai - Renewal of MD(General Medicine) qualification for 3 seats in respect of students being trained at Chengalpattu Medical College, Chengalpattu.**

Read: the Council Assessor's Report (24.05.2017) on the standard of examination and other teaching facilities available for Renewal of MD(General Medicine) qualification for 3 seats in respect of students being trained at Chengalpattu Medical College, Chengalpattu granted by The Tamil Nadu Dr. M.G.R. Medical College University, Chennai.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24.05.2017) and decided to recommend not to renew the recognition of MD(General Medicine) qualification for 3 seats granted by The Tamil Nadu Dr. M.G.R. Medical College University, Chennai in respect of students being trained at Chengalpattu Medical College, Chengalpattu because of the following facts:-

1. Promotion of Dr. V.R. Mohan Rao, Professor is not as per regulations. He was Assoc.Prof. for 11 months only against the requirement of 4 years. He was promoted on 03.10.2013 but he is not eligible even with publications.
2. Unit 4 has only 2 faculty; hence it cannot be considered as PG Unit.
3. There is no Senior Resident in Unit 2.
4. Speciality clinic like Haematology clinic is not run.
5. Equipment like Colonoscope, Bronchoscope, TMT, Defibrillator, Computerized PFT Equipment are not available.
6. Stipend paid by State Govt. to I/II/III year Residents is Rs. 27,100; Rs. 28,100 & Rs. Rs. 29,100 p.m. respectively while that paid by the Institute to I/II/III year Residents is Rs. 25,700; Rs. 26,400 & Rs. 27,700 p.m. respectively which is less than that paid by State Govt. and hence contrary to PG Regulations. Further although this is a State Govt. institution, no explanation is given for this discrepancy in payment of stipend.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 3(Three) till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. The Postgraduate Medical Education Committee considered the Council Assessor's Report (01.06.2017) and decided to recommend not to renew the recognition of DCH qualification for 4 seats granted by The Tamil Nadu Dr. M.G.R. Medical University, Chennai in respect of students being trained at Coimbatore Medical College, Coimbatore because of the following facts:-

1. Promotion of Dr. A. Umashanker, Assoc.Prof., is not as per regulations. He was promoted on 05.01.2016 after the cut off date. Both the publications quoted are after his promotion.
2. Promotion of Dr V. Suganthi, Professor & Head, is not as per regulations. He was promoted on 14.09.2014 after the cut off date. All his publications cited are after his promotion. Hence, they could not be considered.
3. Dr. P. Selvaraj, Senior Resident in Unit II does not have any experience as Resident before appointment as Senior Resident; hence not qualified to hold the post. There is no other Senior Resident in the Unit.
4. Dr. N. Sasikumar, Senior Resident in Unit III does not have any experience as Resident before appointment as Senior Resident; hence not qualified to hold the post. There is no other Senior Resident in the Unit.
5. Number of beds in PICU is shown as 5; however the number of beds occupied on day of assessment is shown as 8 which is not feasible.
6. Number of beds in NICU is shown as 20; however the number of beds occupied on day of assessment is shown as 82 which is not feasible.
7. Total number of patients in OPD has decreased from 69,754 in 2014 to 56,986 in 2016.
8. In the column "Stipend paid by the Institute to Residents", it is stated "-\_\_". Hence it is not clear if stipend is paid to Residents, and if so, at what rates.
9. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 4(Four) till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

*"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

**70. The Tamil Nadu Dr. M.G.R. Medical College University, Chennai - Renewal of recognition of MD(DVL) qualification for 1 seat in respect of students being trained at Tirunelveli Medical College, Tirunelveli.**

Read: the Council Assessor's Report (31.05.2017) on the standard of examination and other teaching facilities available for Renewal of recognition of MD(DVL) qualification for 1 seat in respect of students being trained at Tirunelveli Medical College, Tirunelveli granted by The Tamil Nadu Dr. M.G.R. Medical College University, Chennai.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (31.05.2017) and decided to recommend not to renew the recognition of MD(DVL) qualification for 1 seat granted by The Tamil Nadu Dr. M.G.R. Medical College University, Chennai in respect of students being trained at Tirunelveli Medical College, Tirunelveli because of the following facts:-

1. Workload of the following procedures is very low in 2016:
  - (a) LASER for Hair Reduction: NIL;
  - (b) LASER for Pigment Removal: NIL;
  - (c) Nail Surgeries: 12 &
  - (d) Skin Grafting procedures: 15.
2. Equipment like LASER for Hair Reduction, LASER for Pigment Removal are not available.
3. In the column "Stipend paid by the Institute to Residents", it is stated "NIL" implying no stipend is paid to Residents which is contrary to PG Regulations.
4. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e.1(One) till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

*"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

Medical College University, Chennai.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01.06.2017) and decided to recommend not to recognize MD (DVL) qualification for 1 seat granted by The Tamil Nadu Dr. M.G.R. Medical College University, Chennai in respect of students being trained at Sree Mookambika Institute of Medical Sciences, Kanyakumari because of the following facts:-

1. Workload of the following procedures is very low in 2016:
  - (a) LASER for Scar Revision: NIL;
  - (b) Skin Grafting procedures: 02;
  - (c) Acne Surgery: 31;
  - (d) Nail Surgeries: 42 &
  - (e) Cryo Surgical procedures: 42.
2. Attendance at Specialty clinics like Hansen's Disease clinic, STD clinic, Vesiculobullous Diseases clinic, Auto Immune Diseases clinic is low : 2-3 cases/clinic.
3. Equipment like LASER for Scar Revision is not available.
4. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 1(One) after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. **72. Aligarh Muslim University - Recognition of MD(DVL) qualification for 2 seats in respect of students being trained at J.N Medical College, Aligarh.**

Read: the Council Assessor's Report (3rd June 2017) on the standard of examination and other teaching facilities available for Recognition of MD(DVL) qualification for 2 seats in respect of students being trained at J.N Medical College, Aligarh granted by Aligarh Muslim University.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (3rd June 2017) and decided to recommend not to recognize MD(DVL) qualification for 2 seats granted by Aligarh Muslim University in respect of students being trained at J.N Medical College, Aligarh because of the following facts:-

1. Dr. Syed S. Amin is promoted as Professor with experience of 3 y 9 m as Asso. Prof. against requirement of 4 y; however in the column of "Benefit of publications" in the faculty table, it is stated "No" implying NIL publication

- against requirement of 4; hence his promotion is not as per Regulations & he cannot be considered. There is no other Associate Professor in the Unit.
2. Details of Junior Residents are not provided in the faculty table.
  3. Workload of the following procedures is very low in 2016:
    - (a) Cryo Surgical procedures: NIL;
    - (b) Skin Grafting procedures: NIL;
    - (c) Nail Surgeries: 3;
    - (d) LASER for Scar Revision: 6;
    - (e) LASER for Pigment Removal: 37 &
    - (f) LASER for Hair Reduction: 45.
  4. Services like Skin Grafting procedures are not available.
  5. Departmental Library has 72 books.
  6. In the column "Stipend paid by the State Govt. to Residents", it is stated "\_\_\_\_\_". Hence it is not clear if stipend paid to Residents by the Institute is same as that paid by State Govt. to Residents or not.
  7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 2(Two) after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. **73. The Tamil Nadu Dr. M.G.R. Medical College University, Chennai - Renewal of MD(Paediatrics) qualification for 2 seats in respect of students being trained at Chengalpattu Medical College, Chengalpattu.**

Read: the Council Assessor's Report (26.05.2017) on the standard of examination and other teaching facilities available for Renewal of MD(Paediatrics) qualification for 2 seats in respect of students being trained at Chengalpattu Medical College, Chengalpattu granted by The Tamil Nadu Dr. M.G.R. Medical College University, Chennai.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (26.05.2017) and decided to recommend not to renew the recognition of MD(Paediatrics) qualification for 2 seats granted by The Tamil Nadu Dr. M.G.R. Medical College University, Chennai in respect of students being trained at Chengalpattu Medical College, Chengalpattu because of the following facts:-

1. Dr. J. Hemchitra is shown as "Professor" in the column of "Designation" in the faculty table; however in the column of "Experience", it is shown as "Associate Professor" w.e.f. 05/11/2016 till date. No explanation is given for this dichotomy. Further, although her purported promotion as Professor is after cut-off date; only 3

publications are cited in the list of publications in the faculty table against requirement of 4; hence her promotion is not as per Regulations & he cannot be considered.

2. In respect of Dr. Jagdeeswari, date of her appointment as Senior Resident is not given in the faculty table; hence it cannot be verified whether her appointment as Senior Resident is as per Regulations or not.
3. In NICU, number of beds available is shown as 30; however number of patients admitted on day of assessment is shown as 62 which is not feasible.
4. Total number of patients in OPD has decreased from 54,697 in 2014 to 52,898 in 2016.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 2(Two) till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. **83. Datta Meghe Instt. of Medical Sciences (Deemed University), Nagpur - Renewal of MD(Microbiology) qualification for 2 seats in respect of students being trained at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha.**

Read: the Council Assessor's Report (8th, 9th & 10th June, 2017) on the standard of examination and other teaching facilities available for Renewal of MD(Microbiology) qualification for 2 seats in respect of students being trained at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha granted by Datta Meghe Instt. of Medical Sciences (Deemed University), Nagpur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (8th, 9th & 10th June, 2017) and decided to recommend not to renew the recognition of MD(Microbiology) qualification for 2 seats granted by Datta Meghe Instt. of Medical Sciences (Deemed University), Nagpur in respect of students being trained at

Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha because of the following facts:-

1. Promotion of Dr. G. Dangre (Mudey), Assoc.Prof., is not as per regulations. He was promoted on 01.08.2015 after the cut off date without any publication. There is no Declaration Form and no signature in attendance sheet. Hence, it is presumed that he was absent on the assessment day.
2. Workload of Molecular Microbiology was NIL in 2016.
3. Workload of Mycology & Parasitology has remained static over a period of preceding 3 years.
4. Stipend paid by State Govt. to I/II/III year Residents is shown as Rs. 49,502; Rs. 49,987 &Rs. 50,471 p.m. respectively which is incorrect. It is also shown that the Institute is paying the same amount implying thereby that it is paying stipend to Residents @ rates of State Govt. which is incorrect and an attempt to mislead the Council.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 2(Two) till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. **88. West Bengal University of Health Sciences, Kolkata - Recognition of MD(Radiodiagnosis) qualification for 4 seats in respect of students being trained at Burdwan Medical College, Burdwan.**

Read: the Council Assessor's Report (21st June, 2017) on the standard of examination and other teaching facilities available for Recognition of MD(Radiodiagnosis) qualification for 4 seats in respect of students being trained at Burdwan Medical College, Burdwan granted by West Bengal University of Health Sciences, Kolkata.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21st June, 2017) and decided to recommend not to recognize MD(Radiodiagnosis) qualification for 4 seats granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at Burdwan Medical College, Burdwan because of the following facts:-

1. Promotion of Dr. Shayamlal Agarwal, Professor, is not as per regulations. He was promoted on 03.07.2014 after the cut off date. He has no publications.
2. Dr. MinalK. Ghosh is promoted as Asso. Prof. with experience of only 4 year 7 months as Asst. Prof. against requirement of 5 y; further, none of 3 publications cited in the list pertains to the subject & cannot be considered; hence his promotion is not as per Regulations & he cannot be considered.
3. PG degree of Dr. SusmitaGiri, Asso. Prof. is not recognized.
4. Dr. Apurba Bhattacharya; Dr. ArnabBandhopadhyay; Dr. Sibashish Chaterjee, all Senior Residents do not possess 3 y experience as Resident before appointment as Senior Resident; hence not qualified to hold the post. Resultantly, Department left with only 2 eligible Sr. Resident and there is a deficiency of 2 Sr. Resident.
5. Dr. Tapan Kumar Pal, was absent on the day of assessment.
6. Workload of Mammography & of DSA was NIL on day of assessment. Workload of DSA was only 13 in 2016.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 4(Four) after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government

vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (25.05.2017) and decided to recommend not to recognize MS(ENT) qualification for 01 seat granted by Pondicherry University, Puducherry in respect of students being trained at Sri Manakula Vinayagar Medical College & Hospital, Pondicherry because of the following facts:-

1. There is no appointment order and experience certificate as Asst.Prof. of Dr. S. Vetrikodi, Professor, without which his eligibility cannot be decided.
2. Workload of BERA is only 51 in 2016.
3. Workload of Laryngo/Tracheoplasty; Angiofibroma is NIL & that of Laryngectomy; Maxillectomy is only 03 during the period of preceding 3 years.
4. Attendance at Specialty clinic like Cancer related clinic is low: 203/ cases/clinic.
5. There is no participation in national programme for Prevention & Control of Deafness.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 1(One) after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

**The Minutes of this item is read out and confirmed in the meeting itself.**

**127. Recognition of various post graduate qualifications in Government Medical Colleges of Maharashtra compassionate grounds.**

Read: the request dated 02.03.2017 received from the Director, Medical Education & Research, Maharashtra through the Ministry of Health & Family Welfare vide letter No. U.12012/01/2017-ME-I pt-VI, dated 07.06.2017 with regard to various courses on compassionate grounds as done in case of Government medical colleges of Madhya Pradesh.

The Postgraduate Medical Education Committee considered the request dated 02.03.2017 received from the Director, Medical Education & Research, Maharashtra through the Ministry of Health & Family Welfare vide letter No. U.12012/01/2017-ME-I pt-VI, dated 07.06.2017 and decided to apply same decision as was taken in the PG Committee meeting dated 30.06.2017 as agenda Item No.4, which is reproduced below in respect of various postgraduate courses at Government Medical Colleges at Maharashtra and the relevant part of the decision as under:-

There are a number of very old medical colleges in the country who are admitting students in P.G. Diploma / Degree courses but the number of students they are admitting does not tally with the number shown in MCI records/website. However, they have been making these admissions since long (before section 10A of the Indian Medical Council Act came into existence). There has been objections in their recognition as well as pointing out by Monitoring Cell that excess admissions has been made by the Institutes. Similar matters was discussed in a meeting in the Ministry of Health held on 10.04.2013 and it was decided that in the interest of large number of students who have passed out from these colleges, the MCI should arrange fresh assessment of these colleges (under the provision continuation of recognition) and fix up the number of seats (depending upon the available faculty and infrastructure) in each course for future admissions. However, this process (although started) have not been completed by now.

The P.G. Committee decided that Dr. Arti Sharma, Deputy Secretary, PG Section should monitor this process (including identification of colleges/courses, arranging their assessment (even without examination since they are very old government medical colleges and their examinations already stand inspected) including BRD Medical College, Gorakhpur and bringing the reports before P.G. Committee for fixing the number of seats in each course at the earliest for future admissions).

It will be binding on the colleges to follow the number of seats fixed in each course in future. If they make any admissions in excess of that, they will be illegal and not according to regulations.

2. In the column "Stipend paid by the Institute" it is stated "—" implying that stipend is not paid to the Residents which is contrary to PG Regulations.
3. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 1(One) till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

*"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD( Radio Diagnosis/Radiology) qualification against increased intake from 02 to 04 seats and renewal of recognition of MD( Radio Diagnosis/Radiology) qualification for 02 seats and DMRD qualification for 01 seat in respect of students being trained at Chalmeda Anandrao Institute of Medical Sciences, Karimnagar.**

Read: the Council Assessor's Report (06-07.06.2017) on the standard of examination and other teaching facilities for Recognition of MD( Radio Diagnosis/Radiology) qualification against increased intake from 02 to 04 seats and renewal of recognition of MD( Radio Diagnosis/Radiology) qualification for 02 seats and DMRD qualification for 01 seat at Chalmeda Anandrao Institute of Medical Sciences, Karimnagar granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (06-07.06.2017) and decided to recommend not to recognize MD(Radio

Diagnosis/Radiology) qualification against increased intake from 02 to 04 seats and not to renew the recognition of MD(Radio Diagnosis/Radiology) qualification for 02 seats and DMRD qualification for 01 seat granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Chalmeda Anand Rao Institute of Medical Sciences, Karimnagar because of the following facts:-

1. Promotion of Dr. Naveen Kumar S, Assoc.Prof. , is not as per regulations. He was promoted on 06.06.2016 after the cut off date. Both his publications are non-related to Radio-diagnosis.
2. Work load of DSA, is only 91 in 2016 which is inadequate.
3. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. MD( Radio Diagnosis/Radiology) qualification for 02 seats and DMRD qualification for 01 seat till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

*"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."*

Admissions done (if any) against these increased number of seats i.e. MD( Radio Diagnosis/Radiology) qualification increased intake from 02 to 04 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

**164. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Radio Diagnosis/Radiology) qualification against increased intake from 02 to 04 seats in respect of students being trained at Konaseema Institute of Medical Sciences & Research Foundation, Amalapuram.**

Read: the Council Assessor's Report (08.06.2017) on the standard of examination and other teaching facilities for Recognition of MD(Radio Diagnosis/Radiology) qualification against increased intake from 02 to 04 seats at Konaseema Institute of Medical Sciences & Research Foundation, Amalapuram granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (08.06.2017) and decided to recommend not to recognize MD(Radio Diagnosis/Radiology) qualification against increased intake from 02 to 04 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of

students being trained at Konaseema Institute of Medical Sciences & Research Foundation, Amalapuram because of the following facts:-

1. CT Scan is Dual Slice against minimum 16 slice required.
2. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 02 to 04 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

*"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

Read: the Council Assessor's Report (03.06.2017) on the standard of examination and other teaching facilities for Recognition of MS(Orthopaedics) qualification against increased intake from 02 to 08 seats at Kurnool Medical College, Kurnool granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (03.06.2017) and decided to recommend not to recognize MS(Orthopaedics) qualification against increased intake from 02 to 08 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Kurnool Medical College, Kurnool because of the following facts:-

1. Promotion of Dr. G. Raghunandan, Professor, is not as per regulations. He was promoted on 05.09.2014 after the cut off date. He has 3 publications against the required 4.
2. Dr. K. Srinivas is promoted as Professor after cut-off date; however only 2 publications are cited in the list of publications in the faculty table against requirement of 4; hence his promotion is not as per Regulations & he cannot be considered.
3. Dr. K. Venkateswarlu is promoted as Professor after cut-off date; however only 2 publications are cited in the list of publications in the faculty table against requirement of 4; hence his promotion is not as per Regulations & he cannot be considered.
4. Dr. Mohan Rao, Senior Resident in Unit III does not possess any experience as Resident before appointment as Senior Resident; hence not qualified to hold the post. There is no another Senior Resident in the Unit.

5. Dr. K. Vijay K. Reddy, Senior Resident in Unit IV possesses experience of 2 year as Jr. Resident against the requirement of 3 years before appointment as Senior Resident; hence not qualified to hold the post.
6. Total number of admissions in 2016 is 2,313; however the number of Major Operations is shown as 4,633 which is not feasible. Data is non-genuine.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 02 to 08 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. 1. Dr. N. Anwar Hussain is shown as having worked at this Institute as Asst. Prof. from 01/08/2008 to 31/12/2011. He is also shown as having worked at Prathima Institute, Karimnagar from 01/08/2008 to 30/01/2013 which is not feasible. Thus during the period from 01/08/2008 to 31/12/2011, he is shown to be working at 2 Institutes which needs to be clarified.
2. Dr. M. Naga Sunitha & Dr. Rajanikanth, both Senior Residents possess 2 y experience as Jr. Resident against the requirement of 3 years before appointment as Senior Resident; hence not qualified to hold the post.
3. Workload of DSA is NIL on day of assessment as well as on randomly selected days.
4. In the column of "Stipend paid by the Institute to Residents", it is stated "—" implying no stipend is paid to Residents which is contrary to PG Regulations.

5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 01 to 03 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. Read: the Council Assessor's Report (03.06.2017) on the standard of examination and other teaching facilities for Renewal of recognition of MD(Pathology) qualification for 05 seats at SVS Medical College, Mahabubnagar granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (03.06.2017) and decided to recommend not to renew the recognition of MD(Pathology) qualification for 05 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at SVS Medical College, Mahabubnagar because of the following facts:-

1. Workload of Biopsies has decreased from 6,291 in 2015 to 6,140 in 2016.
2. Workload of CT guided FNAC is only 12 in 2016.
3. Workload of USG guided FNAC is only 59 in 2016.
4. Pathological post-mortems are not performed.
5. Workload of TT investigation was Nil.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 5(Five) till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified

with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

*"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."*

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

**The Minutes of this item is read out and confirmed in the meeting itself.**

The Postgraduate Medical Education Committee considered the letter dated 02/06/2017 received from the Under Secretary to the Government of India, Ministry of Health & Family Welfare, New Delhi conveying therein the approval of the Central Government with regard to shifting of students of Gian Sagar Medical College & Hospital, Patiala to other medical colleges of Punjab as proposed by State Govt. of Punjab, as one time measure along with the note from the UG Section of the Council with regard to PG courses being conducted at Gian Sagar Medical College & Hospital, Patiala and noted the following decision of the Executive Committee taken at its meeting held on 23.05.2017 with regard to shifting of students studying at the said college:-

*"The Executive Committee of the Council approved the following proposal of the Under Secretary, Govt. of Punjab, Department of Medical Education and Research (Health-III Branch), Chandigarh vide letter dated 19.05.2017 as one time measure:-*

**"Guidelines :**

- 1.1 After taking into account the vacant seats available across various Colleges, for a particular batch, if need arises there shall be an adjustment by having pro-rata number of supernumerary seats for that particular batch in all the available Colleges of that particular stream (Medical, Dental, Nursing, etc.)
- 1.2 The students of Gian Sagar Institute shall be shifted strictly on the basis of Merit attained by him/ her in the qualifying Entrance Examination for that particular year for admission in various streams viz. Medical, Dental, Nursing and Physiotherapy..
- 1.3 Shifting shall be done by way of a Counseling to be conducted by Baba Farid University of Health Sciences, Faridkot by forming a Committee. Vice Chancellor of the University shall be Chairman of the Committee. Director Research and Medical Education, Punjab shall be nominee on the behalf of the Government of Punjab. All the Principals of the respective Colleges shall be members of the Committee for the respective stream (Medical, Dental, Nursing, etc.).
- 1.4 Reservation policy as mentioned in the notification of Government of Punjab for a particular batch of admission shall be complied with while shifting the students to other Colleges.
- 1.5 That shifting of students shall be strictly quota-wise and category-wise i.e. a student admitted under Government quota shall be shifted only either to a Government College or against a Government quota seat in a Private College. Similarly, a student admitted under Management quota shall be shifted only to a Management quota seat in a Private College. Again, a student admitted under NRI quota shall be shifted against NRI seat in Private Colleges only.
- 1.6 Further, a student admitted under un-reserved (General Category) shall be shifted against an un-reserved (General Category) seat. Similarly, a student admitted under any reserve category shall be shifted against the same reserve category seat only. For example a student admitted under Scheduled Caste category shall be shifted against Scheduled caste seat only.
- 1.7 Wherever NRI students were admitted without any Entrance Examination there the shifting of NRI students shall be done by a draw of lots to Private Colleges only. However, in case NRI students have been admitted on the basis of an Entrance examination then shifting of such students shall be strictly on the basis of merit attained by him/ her in the qualifying Entrance Exam for that particular year.

**2.0 Fee structure for the shifted students:**

- 2.1 That when a student admitted against Government quota seat in Gian Sagar College is shifted to either a Government College (including University College) or to a Government Quota seat in a Private College then the student shall continue to pay Government quota fee, as payable in a Private College, in the new institution also.
- 2.2 Similarly, when a student admitted against Management quota seat in Gian Sagar College is shifted to the Management quota seat of a Private College then the student

shall continue to pay the same Management quota fee in the new institution also. It is pertinent to mention here that this clause shall be applicable to all Private Colleges including Private Universities viz. Adesh University, etc. These Private Universities may have their own fee structure but under these special circumstances they shall be directed to bring parity with Government notified fee structure for Private Institutes for these shifted students of Gian Sagar Institutes.

- 2.3 It is clarified that the students shall deposit fee as per the fee structure mentioned in the prospectus of Baba Farid University of Health Sciences for that particular course and that particular batch.
- 2.4 The students shall be required to produce original receipt of the fee paid to Gian Sagar Institutes (Medical, Dental, Nursing, etc.) so that they are not charged the same fee again for the current academic year by the new College to which they have been shifted. But if any student fails to produce receipt of the fee paid in Gian Sagar Institutes, *ibid*, then he/ she shall be charged fee on pro-rata basis by the new College for the current academic year also. It is clarified that the new Colleges, to which the students have been shifted, shall charge fee for the subsequent academic years whenever it becomes due.

### **3.0 General Principles**

- 3.1 The students/ Interns shall be shifted as per the list of students/ Interns available with Baba Farid University of Health Sciences.
- 3.2 **Attendance of students:** The authorities of Gian Sagar Institute shall be directed to produce the Attendance record and all other documents/ testimonials of all the students across all batches and send the same to Baba Farid University of Health Sciences, Faridkot. Thereupon, the University shall send this Attendance record to the concerned College. However, if for any reason the Attendance record is not made available then a Self-undertaking in the form of an Affidavit shall be obtained from the student(s) clearly stating and verifying, on oath, that they have attended the requisite number of classes in the current academic year at Gian Sagar Institute (Medical, Dental, Nursing, etc.). It is pertinent to mention here that as per the norms fixed by the various Regulatory Councils viz. Medical Council of India, Dental Council of India, etc., it is mandatory for a students to fulfill the prescribed norms of attendance for each academic year.
- 3.3 **Migration of students:** The students of Gian Sagar Institute (Medical, Dental, Nursing, etc.) who are shifted to new Colleges under the aforesaid plan shall not be allowed to migrate to other Colleges in future under any circumstances.
- 3.4 **Performance Bank Guarantee :** As per Medical Council of India norms, two performance bank guarantees are obtained by MCI so that a College maintains its infrastructure facilities, etc. This amount is expected to be around Rs. 10 crore for Gian Sagar Medical College. In a similar fashion other regulatory councils also prescribe Bank Guarantees/ Performance Guarantees from Dental/ Nursing Colleges when they grant initial approval. The aforesaid Regulatory Councils are requested to invoke the said performance bank guarantees and transfer the money, through Baba Farid University of Health Sciences, to the respective Colleges to which the students are shifted. The money shall be transferred to these respective Colleges on a pro-rata basis.
- 3.5 Though the respective Colleges to which the students of Gian Sagar Institute (Medical, Dental, Nursing etc.) are shifted may make efforts to adjust the shifted students in hostels. However, these Colleges shall not be under any obligation to provide hostel facilities to the shifted students. In case the shifted students are not provided hostel facility then they shall make their own arrangements while continuing to attend the respective courses in the new College assigned to them during counseling.
- 3.6 Baba Farid University of Health Sciences shall issue a certificate, wherever required, about experience (training, posting, etc.) of these shifted students.
- 3.7 It is clarified that supernumerary seats shall be required mainly for students of Medical courses only and almost all other students of Dental, Nursing, Physiotherapy courses are likely to be adjusted against vacant seats since sufficient number of vacant seats are available already. However, where vacant seats are already available the process of shifting shall be by way of counseling only as enumerated in the foregoing paragraphs."

Taking into consideration the matter, the Postgraduate Committee resolved that same principle be followed in shifting of postgraduate students which has been followed

in the case of MBBS students and proposal has been approved by Executive Committee and Central Government. The following postgraduate courses have been permitted by the Central Government in respect of the said college and the students admitted to these course may be shifted to other colleges following the principle as stated above:-

S.No.	Name of the course	Number of seats	Status	Date of LOP

**198. One-time increase of seats in Super-Speciality courses under revised teacher student ratio in medical college (already running super-speciality courses) for the academic year 2017-18.**

Read: the D.O. letter dated 02/08/2017 received from the Joint Secretary, Ministry of Health & Family Welfare, New Delhi with regard to One-time increase of seats in Super-Speciality courses under revised teacher student ratio in medical college (already running super-speciality courses) for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the D.O. letter dated 02/08/2017 received from the Joint Secretary, Ministry of Health & Family Welfare, New

Delhi with regard to One-time increase of seats in Super-Speciality courses under revised teacher student ratio in medical college (already running super-speciality courses) for the academic year 2017-18 and decided that the request cannot be considered at this juncture as the admission process has already commenced. As per the time schedule, the 1st round of counselling for admission is to be completed by 31st July and the last date for joining the allotted college and the course is between 1 to 7 August. Further, 2nd round of counselling is required to be over by 20 August. The Academic Session has already commenced from 1st of August. Thus, consideration of any request for increase in seats in super-speciality course at this stage would amount to violating the time schedule for grant of permission and admission schedule approved by the Hon'ble Supreme Court in Ashish Ranjan case on 18/01/2016. Furthermore, once the admission process has commenced, the seat matrix already notified ought not to be changed.

Under the circumstances, the Postgraduate Medical Education Committee of the opinion that no second chance can be given for one time increase in Super-speciality courses at this stage. If, any college feels that they have infrastructure, manpower/faculty and clinical material they can apply u/s 10A for which application are being received in this month.

**199. Starting of MD (Pathology) course at Bundelkhand Medical College, Sagar, Madhya Pradesh under Madhya Pradesh Medical Science University, Jabalpur U/s 10(A) of the IMC Act, 1956 for the academic year 2018-19.**

**211. Eligibility of DNB doctors for teaching posts in medical colleges.**

Read: the grievance dated 28/08/2016 received from Sh. Sanjay P. Dhangar.

The Postgraduate Medical Education Committee perused the grievance dated 28/08/2016 of Mr. Sanjay P. Dhangar regarding eligibility of DNB doctors for teaching post in medical colleges. Further, it also perused the suggestion received from Dr. M.C. Misra, Professor of General and Minimally Invasive Surgery, Director of Surgical Disciplines, the President Cum Vice Chancellor, Mahatma Gandhi University of Medical Sciences & Technology, Jaipur.

The Committee noted that equivalence has been granted to DNB qualification with MD/MS qualification by the Central Government notification date 02.02.2009. Further, following position as regards DNB qualification has been included from time to time in Minimum Qualification for Teachers in Medical Institutions Regulations, 1998 that prescribes the following criteria for consideration of DNB qualified candidates for consideration on teaching posts:

**Provision notified by MCI notification dated 03.11.2010.**

(ii) For the candidates possessing DNB Qualification from MCI recognized medical colleges/central institutes where there are no MD/MS courses running.

Three years teaching experience in the subject in a recognized medical college either during the DNB course or after possessing DNB qualification. The concerned candidate would also require one year of additional teaching/research experience in the concerned subject in a recognized medical college after obtaining DNB qualification.

(iii) For the candidates possessing DNB Qualification from MCI recognized medical colleges/central institutes where there are MD/MS courses running.

Three years teaching experience in the subject in a recognized medical college either during the DNB course or after obtaining DNB qualification.

(iv) For the candidates possessing DNB Qualifications from Centers other than of MCI recognized medical colleges/central institutes.

Three years teaching experience in the subject either during the DNB course or after possessing DNB qualification. The concerned candidate would require two years additional teaching experience as Sr. Resident/Research Associate (CSIR) in a MCI recognized medical college/central institute.

**The above provisions have been substituted on 03/11/2012 in the TEQ Regulations as under:**

(ii) Equivalence of qualification of DNB (broad specialities) with MD/MS & DNB(super-specialities) with DM/M.Ch.

Those candidates who have undergone DNB training in an institution which now run MCI recognized postgraduate degree courses in a given subject, their DNB qualifications shall be considered at par with MCI recognized qualifications that subject only.

Those candidates who have undergone DNB training in a multi speciality teaching hospital with atleast 500 beds, involved in various postgraduate/super-speciality teaching programmes provided that the one out of three DNB supervisors (teachers) qualify as postgraduate teacher as per MCI norms in their previous appointment; and one out of remaining two should qualify as postgraduate teacher as per MCI regulations with the following bed requirement for teaching unit:

Postgraduate broad specialities	30 beds per unit	50% beds should be
Postgraduate superspecialities	20 beds per unit	teaching beds.

Such qualifications shall be considered at par with MCI recognized qualification.

(iii) Additional training of one year for equivalence of qualification of DNB (broad specialities) with MD/MS & DNB(super-specialities) with DM/M.Ch.

Those candidates who have undergone DNB training (both broad specialities and super-specialities) in hospital/institution other than mentioned in (ii) above, shall undergo one additional year of senior residency or equivalent training or research job in a MCI recognized hospital/institution, provided such qualifications are notified in the Postgraduate Medical Education Regulations, 2000".

Furthermore, the Minimum Qualification for Teachers in Medical Institutions Regulations, 1998 amendment notification of 8<sup>th</sup> June, 2017 provides that for becoming Assistant Professor a person must have a post graduate qualification MD/MS in the concerned subject and three years Junior Resident in a recognized Medical College in the concerned subject and one year as Senior Resident in the concerned subject in a recognized medical college. Accordingly, the DNB qualified candidates in view of the recent notification of the Council are required to undergo after DNB 3 years of Jr. Residency and one year of Sr. Residency to be considered as eligible to become Assistant Professor. The appointments that have been made during the validity of earlier notification referred above shall be governed by the earlier notifications made prior to the notification dated 8<sup>th</sup> June, 2017 as far as candidates with DNB qualification are concerned.

This is being consistently observed by the Council in the decision making process for grant of permission or issuance of eligibility certificate for consideration of teaching post in medical colleges by the Council. The regulations framed by Medical Council of India are binding and mandatory on all medical institutions falling within the purview of the IMC Act, 1956 and this position has been upheld by the Hon'ble Supreme Court of India in its various judgments.

**212. Increase of seats in MS (General Surgery) course at Gajra Raja Medical College, Gwalior under Madhya Pradesh Medical Science University, Jabalpur U/s 10(A) of the IMC Act, 1956 for the academic year 2018-19.**

The Postgraduate Medical Education Committee considered the Council Assessor's Report (31/07/2017) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS (General Surgery) course at Gajra Raja Medical College, Gwalior under Madhya Pradesh Medical Science University, Jabalpur u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2018-2019 from **10(Ten) to 14(Fourteen)** students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

**The Minutes of this item is read out and confirmed in the meeting itself.**

**213. Increase of seats in MD (General Medicine) course at Gajra Raja Medical College, Gwalior under Madhya Pradesh Medical Science University, Jabalpur U/s 10(A) of the IMC Act, 1956 for the academic year 2018-19.**

Read: the Council Assessor's Report (31/07/2017) for Increase of seats in MD (General Medicine) course at Gajra Raja Medical College, Gwalior under Madhya Pradesh Medical Science University, Jabalpur U/s 10(A) of the IMC Act, 1956 for the academic year 2018-19.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (31/07/2017) and noted the following:

1. Dr. Sushma Trikha is promoted as Professor after cut-off date; however in the column "Benefit of publications" in the faculty table, it is stated "No" implying there is NIL research publication against requirement of 4; hence her promotion is not as per Regulations & she cannot be considered.
2. Specialty clinic like Haematology clinic is not run. Attendance at other Specialty clinics is not provided.
3. Equipment like Bronchoscope, Crash Cart are not available.
4. Equipment like Holter, Colonoscope are not functional.
5. NIL new books have been purchased for Departmental Library in last 3 years.
6. Details of beds occupied in ICCU & ICU on day of assessment are not provided.
7. OPD space is inadequate.
8. MRI workload was NIL on day of assessment as well as on randomly selected days.
9. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Increase of seats in MD (General Medicine) course at Gajra Raja Medical College, Gwalior under Madhya Pradesh Medical Science University, Jabalpur u/s 10A of the IMC Act, 1956 for the academic year 2018-19.

**214. Increase of seats in MD (Community Medicine) course at Government Medical College, Chandigarh under Punjab University, Chandigarh U/s 10(A) of the IMC Act, 1956 for the academic year 2018-19.**

Read: the Council Assessor's Report (02/08/2017) for Increase of seats in MD (Community Medicine) course at Government Medical College, Chandigarh under Punjab University, Chandigarh U/s 10(A) of the IMC Act, 1956 for the academic year 2018-19.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (02/08/2017) and noted the following:

1. Deficiency of faculty: (a) Assoc. Professor: 1; (b) Epidemiologist cum Assistant Professor: 1; (c) Tutor: 2.
2. Dr. Sonia Puri is shown as "Sr. Lecturer/Asst. Prof." in the column of "Designation" in the faculty table; however in the column of "Experience" it is shown as "Associate Professor" from 14/02/2013 to 06/03/2017. There is no further entry thereafter. This implies that she was not faculty member on day of assessment – i.e. 02/08/2017. No explanation is given for this dichotomy.
3. RHTC: There was no OPD on day of assessment. Average number of Deliveries is only 01/month.
4. Equipment like Spirometer, Ophthalmoscope, Calipers are not available.
5. NIL new books have been purchased for Departmental Library in last 3 years.

**217. Schedule for Online Counselling for NEET (Super-Speciality) Courses for the academic year 2017-18.**

Read: the DO letter dated 04.08.2017 of Dr. Promila Gupta, Deputy Director General, National Programme for Control of Blindness, DGHS, Ministry of Health & Family Welfare, New Delhi with regard to Schedule for Online Counselling for NEET (Super-Speciality) Courses for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the DO letter dated 04.08.2017 of Dr. Promila Gupta, Deputy Director General, National Programme for Control of Blindness, DGHS, Ministry of Health & Family Welfare, New Delhi and noted that as per the existing time Schedule for admissions in Super-speciality Courses, the 1st round of counselling for admission is to be completed by 31st July and the last date for joining the allotted college and the course is between 1 to 7 August. Further, 2nd round of counselling is required to be over by 20 August. The Academic Session has already commenced from 1st of August. Thus, consideration of any change in Time Schedule (dates) of the admission process in super-speciality course at this stage would amount to violating the time schedule for the admission schedule approved by the Hon'ble Supreme Court in Ashish Ranjan case on 18/01/2016.

In view of above, the Committee decided that the DGHS if it so requires may approach the Hon'ble Supreme Court for any change in Time Schedule by filing an appropriate application.

**218. One time increase in seats in respect of PG (Super Speciality) course at the U.N. Mehta Institute of Cardiology & Research Centre, Affiliated to B.J. Medical College, Ahmedabad during academic session 2017-18 – reg.**

Read: the matter with regard to one time increase in seats in respect of PG (Super Speciality) course at the U.N. Mehta Institute of Cardiology & Research Centre, Affiliated to B.J. Medical College, Ahmedabad during academic session 2017-18.

The Postgraduate Medical Education Committee considered the Central Government vide letters dated 22.06.2017 & 24.07.2017 and noted that the institute has already have 12 seats in Cardiology, 6 seats in CTVS and 6 seats in Cardiac Anaesthesia. Out of the existing seats 4 in CTVS and 1 in Cardiac Anaesthesia are laying unfilled despite the institute's claim that they are one of the best institute in the country. The

Postgraduate Committee was of the considered opinion that institute has already been given seats commensurate with available infrastructure/clinical workload.

In view of above, the Postgraduate Committee decided that the request cannot be considered at this juncture as the admission process has already commenced. As per the time schedule, the 1st round of counselling for admission is to be completed by 31st July and the last date for joining the allotted college and the course is between 1 to 7 August. Further, 2nd round of counselling is required to be over by 20 August. The Academic Session has already commenced from 1st of August. Thus, consideration of any request for increase in seats in super-speciality course at this stage would amount to violating the time schedule for grant of permission and admission schedule approved by the Hon'ble Supreme Court in Ashish Ranjan case on 18/01/2016. Furthermore, once the admission process has commenced, the seat matrix already notified ought not to be changed.

Meeting ended with a vote of thanks to the Chair.
