Dr. Reena Nayyar – Secretary I/c

The Chairman welcomed the members of the Postgraduate Medical Education Committee.

Leave of absence was received from Dr. Bhanu Prakash Dubey & Dr. (Mrs.) Rani Bhaskaran, Members, Postgraduate Medical Education Committee.

1. Minutes of the last meeting of the Postgraduate Medical Education Committee – confirmation of.

The Postgraduate Medical Education Committee confirmed the minutes of the Postgraduate Medical Education Committee meeting held on 09.08.2017.

2. Minutes of the last meeting of the Postgraduate Medical Education Committee – action taken thereon.

The Postgraduate Medical Education Committee noted the Action Taken Report on the minutes of the Postgraduate Medical Education Committee meeting held on 09.08.2017.

A. The decision in respect of Item No.127 of the meeting of The Postgraduate Medical Committee held on 09.08.2017 be read correct as under instead of earlier decision:-

The Postgraduate Medical Committee considered the request dated 02/03/2017 received from the Director, Medical Education & Research, Maharashtra through the Ministry of Health & Family Welfare vide letter No. U.12012/01/2017-ME-I pt-VI, dated 07.06.2017 and noted the earlier decision of the Postgraduate Committee taken at its meeting held on 28/08/2015 in respect of various postgraduate course at Government Medical Colleges at Madhya Pradesh and the relevant part of the decision's as under:-

After detailed discussions, the Postgraduate Medical Education Committee observed/ noted that the courses were started with the permission of state Govt. prior the 10(A) came into existence in 1992. However, Section 11(2) has been in existence ever since the IMC Act, 1956 came into existence and the college authorities were expected to apply for recognition when the first batch of students appeared in the examination. However, none of them did so. Now all these courses have been discontinued long back and it is not possible to conduct recognition inspection u/s 11(2) of the IMC Act, 1956 because the same is done at the time of examination and there is no examination possible. As per the existing MCI Regulations, there is no provision under which Postgraduate Medical Education Committee/ MCI can recommend recognition without following the prescribed procedure.

Under the perculiar circumstances as explained above and keeping in view the fact that a large number of students have passed out and their diplomas remain unrecognized, the Central Govt., Ministry of Health & F.W. may take an appropriate view as it may deem fit in the matter."

The committee further noted that the Central Government had issued the notification dated 12/11/2015 recognizing various postgraduate courses which have discontinued in respect of Govt. Medical College of Madhya Pradesh.

In view of above, the Committee decided that a larger number of students have passed out and their degrees and diplomas remain unrecognized, the Central Government, Ministry of Health & F.W., may take an appropriate view as it may deem fit in the matter of recognition of the following courses:-

S.No	Name of the college	course	Year of Starting/ Permitted	Year of Stopping	Number of students passed
1.	Grant Govt. Medical College, Mumbai	Diploma in Child Health	2011	2016	162

B. The P.G. Committee in its meeting held on 27/07/2017 had considered the letter from ministry of health and family welfare government of India (No. Z.2015/04/2017-ME-I, dated 18/07/2017 and 19.07.2017) and looking into difficulties being faced by those doctors who had passed their postgraduate/super speciality degree 2-3 years back but their PG/super speciality degree is not yet recognized, had passed the following resolution "The Postgraduate committee looking into the constraints and problems faced by vast number of students throughout the country decided that wherever the compliance of such courses which are pending for recognition for the last 2-3 years is found satisfactory to recommend to central government to recognize these courses without further physical verification (as a onetime measure).

In the light of above resolution

1. The following items of meeting dated 27/07/2017 (in whose case recognition decision is pending for more than last two years) had already been considered by Postgraduate Committee/Sub-Committee in its meeting dated 17/03/2017, 24/03/2017, 28/03/2017, 09/05/2017 and decided to verify compliance by way of assessment. However in the light of above resolution the decision in their case was revised on 27/07/2017 and it may be read as "Recommended for recognition":

118. Srimanta Sankaradeva University of Health Sciences, Assam - Recognition of MD(Microbiology) qualification for 3 seats in respect of students being trained at Jorhat Medical College & Hospital, Jorhat.

3. Consideration of pending items of the Postgraduate Medical Education Committee meetings.

The Postgraduate Medical Education Committee noted the pending items of the Postgraduate Medical Education Committee meetings.

4. King George's Medical University, U.P. Lucknow - Renewal of Recognition of MD(Pulmonary Medicine) qualification for 5 seats in respect of students being trained at King George's Medical University, Lucknow, U.P..

Read: the Council Assessor's Report (14th June, 2017) on the standard of examination and other teaching facilities for Renewal of Recognition of MD(Pulmonary Medicine) qualification for 5 seats at King George's Medical University, Lucknow, U.P. granted by King George's Medical University, U.P. Lucknow.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (14th June, 2017) and decided to recommend not to renew the recognition of MD(Pulmonary Medicine) qualification for 5 seats granted by King George's Medical University, U.P. Lucknow in respect of students being trained at King George's Medical University, Lucknow, U.P. because of the following facts:-

1. Promotion of Dr. R.A.S. Kushwaha, Professor, is not as per regulations. He was Assistant Professor for 4 years. He has no publication.
2. Dr. Jyoti Bajpai, Sr. Resident, Unit-I, neither qualifications nor date of joining given in the faculty table without which her eligibility cannot be decided, there is no other Sr. Resident in Unit-I.
3. As there are 3 Units, deficiency of faculty: (a) Asst. Prof.: 3.
4. Unit III has only 1 faculty; hence it cannot be considered as a teaching Unit.
5. Shortage of Senior Residents: 2.
6. Details of qualification & experience of Dr. Jyoti Bajpai, Senior Resident in Unit I are not provided in the faculty table.
7. NIL books have been purchased for Departmental Library during last 3 years.
8. In the column "Stipend paid by State Govt. to Residents", it is stated "—" which is not feasible. Hence it is not possible to verify whether stipend paid by the Institute is same as that paid by State Govt. to Residents.
9. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 5(Five) till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

The Minutes of this item is read out and confirmed in the meeting itself.

5. **Bharati Vidyapeeth University (Deemed), Pune - Recognition of MD(Anaesthesia) qualification for 3 seats in respect of students being trained at Bharati Vidyapeeth Medical College & Hospital, Sangli.**

Read: the Council Assessor's Report (2nd June, 2017) on the standard of examination and other teaching facilities for Recognition of MD(Anaesthesia) qualification for 3 seats at Bharati Vidyapeeth Medical College & Hospital, Sangli granted by Bharati Vidyapeeth University (Deemed), Pune.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (2nd June, 2017) and decided to recommend to the Central Government that MD(Anaesthesia) qualification for 3 seats granted by Bharati Vidyapeeth University (Deemed), Pune in respect of students being trained at Bharati Vidyapeeth Medical College & Hospital, Sangli be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

6. H. N. B Garhwal University, Uttarakhand - Recognition of MD(General Medicine) qualification against increased intake from 2 to 4 seats in respect of students being trained at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun.

Read: the Council Assessor's Report (6th June, 2017) on the standard of examination and other teaching facilities for Recognition of MD(General Medicine) qualification against increased intake from 2 to 4 seats at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun granted by H. N. B Garhwal University, Uttarakhand.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (6th June, 2017) and decided to recommend to the Central Government that MD(General Medicine) qualification against increased intake from 2 to 4 seats granted by H. N. B Garhwal University, Uttarakhand in respect of students being trained at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

7. West Bengal University of Health Sciences, Kolkata - Renewal of Recognition of MS(Ophthalmology) qualification for 1 seat in respect of students being trained at R.G Kar Medical College, Kolkata.

Read: the Council Assessor's Report (21st June, 2017) on the standard of examination and other teaching facilities for Renewal of Recognition of MS(Ophthalmology) qualification for 1 seat at R.G Kar Medical College, Kolkata granted by West Bengal University of Health Sciences, Kolkata.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21st June, 2017) and decided to recommend not to renew the recognition of MS(Ophthalmology) qualification for 1 seat granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at R.G Kar Medical College, Kolkata because of the following facts:-

1. Dr. Presenjit Maiti is promoted as Professor after cut-off date; however out of 5 publications cited in the list, 2 are case reports which cannot be considered & 1 is of a different specialty; resultantly there are only 2

research publications to his credit against requirement of 4; hence his promotion is not as per Regulations & he cannot be considered.

2. Bed Occupancy at 10 a.m. on day of assessment is 42 out of 60 beds – i.e. 70%.
 3. Total number of OPD patients has decreased from 67,089 in 2014 to 61,144 in 2016.
 4. Total number of IPD patients has decreased from 2,151 in 2014 to 1,834 in 2016.
 5. Total number of Major Operations has decreased from 1,756 in 2014 to 1,333 in 2016.
 6. The column of “Stipend paid by the Institute to Residents” is left blank implying no stipend is being paid to Residents which is contrary to PG Regulations.
10. Other deficiencies as pointed out in the Assessment Report.

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

The Minutes of this item is read out and confirmed in the meeting itself.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (15.06.2017) and decided to recommend not to recognize MD(Radio Diagnosis/Radiology) qualification against increased intake from 04 to 07 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at JJM Medical College, Davangere because of the following facts:-

1. Shortage of Senior Residents:
2. Dr. Divya R, Assistant Professor was absent on the day of assessment.
3. Workload of DSA was NIL on day of assessment.

4. Total number of Colour Doppler has decreased from 8,264 in 2014 to 7,599 in 2016.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 04 to 07 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

The Minutes of this item is read out and confirmed in the meeting itself.

Read: the Council Assessor's Report (13.06.2017) on the standard of examination and other teaching facilities for Recognition of MD(Radio Diagnosis/Radiology) qualification against increased intake from 04 to 08 seats at M S Ramaiah Medical College, Bangalore granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (13.06.2017) and decided to recommend not to recognize MD(Radio Diagnosis/Radiology) qualification against increased intake from 04 to 08 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at M S Ramaiah Medical College, Bangalore because of the following facts:-

1. Dr. Sampangi Ramaiah S., Senior Resident does not have any experience as Resident as shown in faculty table before appointment as Senior Resident; hence not qualified to hold the post.
2. Workload of DSA was NIL on day of assessment as well as on randomly selected days.
3. Workload of CT guided FNAC was NIL on day of assessment.
4. Total USG guided FNAC was only 86 in 2016. It has decreased from 174 in 2014 to 86 in 2016.
5. Total CT guided FNAC was only 85 in 2016. It has decreased from 161 in 2014 to 86 in 2016.
6. Only 02 new books have been purchased for Departmental Library during last 3 years.
7. The Institute is paying stipend to Residents @ Rs. 25,000 p.m. which is less than that paid by State Govt. to Residents and hence contrary to PG Regulations. Further, showing that the same amount is paid by State Govt. to Residents is not only factually incorrect but also an attempt to mislead the Council.
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 04 to 08 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. 6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 04 to 06 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

The Minutes of this item is read out and confirmed in the meeting itself.

The Postgraduate Medical Education Committee considered the D.O. letter No.Z.2015/04/2017-ME-I, dated 18.07.2017 and 19.07.2017 wherein the Government of India, Ministry of Health & Family Welfare has requested to look into compliances received from various colleges for recognition of their Degree/Diploma courses on priority and noted that a large number of applications are pending with Medical Council of India for recognition of Postgraduate Courses since last 2 to 3 years. This pendency is due to the fact that the institutions, despite being afforded opportunities had failed to comply with the minimum requirements in terms of Teaching Staff, Residents, Equipments, and Infrastructures etc.

Consequently, the students admitted in these courses are facing various problems like pursuing further studies in super-speciality courses, going abroad, securing jobs etc. as their Postgraduate Degrees are not recognized by the Medical Council of India/Central Govt. The Postgraduate Committee looking into the constraints and problems faced by vast number of students throughout the country; decided that wherever the compliance of such courses which are pending for recognition since last 2-3 years is found satisfactory to recommend to Central Government to recognise these courses without further physical verification (as a one time measure).

Taking into consideration the above communication from the Government of India, the Postgraduate Committee considered the agenda Item Nos.132 to 168 of this meeting, accordingly.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (28/03/2017) along with the Council Assessor's Report (April, 2015 & 23.09.2016) and compliance dated 21/06/2017 submitted by the college authorities and decided to recommend not to recognize MD(Forensic Medicine) qualification for 04 seats granted by Pondicherry University, Puducherry in respect of students being trained at Sri Manakula Vinayagar Medical College & Hospital, Pondicherry because of the following facts:-

Compliance is not satisfactory.

1. With regard to medico-legal post-mortems, it is stated that "In spite of the instruction of higher authorities, Police Stations in U.T. of Puducherry have no inclination to refer dead bodies to our Institution for Medico Legal Autopsy till date."
2. In view of above, deficiency of medico-legal post-mortems not being conducted remains as it is.
3. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 4(Four) after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

The Minutes of this item is read out and confirmed in the meeting itself.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (09/08/2017) and noted the following:

1. Dr. Paramveer Padam Dev Singh, Professor was absent on the day of Assessment.
2. Dr. Ugersein, Senior Resident is DNB from non-teaching Institution. He has no 3 years experience. Hence, not eligible.
3. Unit-IV has only one Junior Resident.
4. Total number of Major Operations has decreased from 5,896 to 5,662 during the preceding 3 year period.
5. The stipend paid by the State Govt. to I year Residents is shown as Rs. 15,600-39,100 + Rs. 5,400. However the Institute is paying stipend to I year Residents @ Rs. 20,000 p.m. which is less than that paid by the State Govt. and hence contrary to PG Regulations.
6. Total number of patients admitted (IPD) in 2016 = 7114; Total Major + Minor Operations (excluding Day Care) = 15837, which is not feasible. Data is non-genuine.
7. As per report of Anaesthesia, Journals available in Central Library only upto December, 2015. There are no current Journals for 2016 and 2017.
8. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Increase of seats in MS (General Surgery) course at Adesh Institute of Medical Sciences & Research, Bathinda under Adesh University, Bathinda u/s 10A of the IMC Act, 1956 for the academic year 2018-19.

M.Ch. (Hepato Pancreato Biliary Surgery)	3	Disapproved	<ul style="list-style-type: none"> 1 Unit, 20 beds, Already 3 seats. Hepato Pancreato Biliary Surgery, same deficiency as in last meeting for recognition.

In view of above, the Postgraduate Committee decided that the request cannot be considered at this juncture as the admission process has already commenced. As per the time schedule, the 1st round of counselling for admission is to be completed by 31st July and the last date for joining the allotted college and the course is between 1 to 7 August. Further, 2nd round of counselling is required to be over by 20 August. The Academic Session has already commenced from 1st of August. Thus, consideration of any request for increase in seats in super-speciality course at this stage would amount to violating the time schedule for grant of permission and admission schedule approved by the Hon'ble Supreme Court in Ashish Ranjan case on 18/01/2016. Furthermore, once the admission process has commenced, the seat matrix already notified ought not to be changed
