The Postgraduate Medical Education Committee considered the recommendations dated 24/04/2017 of the Expert Committee along with the E-mail letter from Dr. Nisar Chowdri, Member, Expert Panel for M.Ch. in Colorectal Surgery and recommendations of the Academic Committee as well as Executive Committee and approved the opinion of the Expert Group as under:-

"There was a divided opinion with regard to starting of M.Ch.(Colorectal Surgery) course. It was observed that a super-speciality of M.Ch.(Colorectal Surgery) encompass some superiority in the technique of management of rectal malignancy. Otherwise it is being managed properly and adequately by the M.Ch.(Surgical Gastroenterology) department. It was also observed that spectrum of diseases and management protocol may not be adequate enough at present to start M.Ch.(Colorectal Surgery) course. The Apex Autonomous

institute like AIIMS, New Delhi, PGIMER, Chandigarh are yet to take step to start the M.Ch.(Colorectal Surgery) course."

It is felt that possibly the time has not come for establishing the super-speciality course in M.Ch.(Colorectal Surgery)."

The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

The Postgraduate Medical Education Committee considered the D.O. letter No.Z.2015/04/2017-ME-I, dated 18.07.2017 and 19.07.2017 wherein the Government of India, Ministry of Health & Family Welfare has requested to look into compliances received from various colleges for recognition of their Degree/Diploma courses on priority and noted that a large number of applications are pending with Medical Council of India for recognition of Postgraduate Courses since last 2 to 3 years. This pendency is due to the fact that the institutions, despite being afforded opportunities had failed to comply with the minimum requirements in terms of Teaching Staff, Residents, Equipments, and Infrastructures etc.

Consequently, the students admitted in these courses are facing various problems like pursuing further studies in super-speciality courses, going abroad, securing jobs etc. as their Postgraduate Degrees are not recognized by the Medical Council of India/Central Govt. The Postgraduate Committee looking into the constraints and problems faced by vast number of students throughout the country; decided that wherever the compliance of such courses which are pending for recognition since last 2-3 years is found satisfactory to recommend to Central Government to recognise these courses without further physical verification (as a one time measure).

Taking into consideration the above communication from the Government of India, the Postgraduate Committee considered the agenda Item Nos.84 to 226 of this meeting, accordingly.

2. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 4(Four) seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government

vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

Surgery) qualification against increased intake from 01 to 02 seats at Bangalore Medical College and Research Institute, Bangalore granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2016) and compliance dated 15/05/2017 submitted by the college authorities and decided to recommend not to recognize M.Ch(Surgical Gastroenterology/G.I. Surgery) qualification against increased intake from 01 to 02 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Bangalore Medical College and Research Institute, Bangalore because of the following facts:-

1. Deficiency of concurrent period of duty as Asst. Prof./Asso. Prof. and study as M.Ch. student of Dr. B.N. Vinay remains as it is. Contention of the Institute that it is as per Karnataka Civil Service Rules cannot be accepted. He cannot be a faculty & a student simultaneously.
2. Deficiency of having 2 Units with total 30 beds remains as it is. 20 beds shown under PMSSY cannot be considered as these are not dedicated for this department.
Institute be advised to rectify these deficiencies and resubmit the compliance.
3. Other deficiencies as pointed out in the Assessment Report

Admissions done (if any) against these seats i.e. increased intake from 01 to 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (14th July 2017) and noted the following:

1. Dr.Ashutosh Tripathi is practicing at Max Hospital, Gurgaon from 6 p.m. to 8 p.m. while his timings at this Institute are from 8.30 a.m. to 4.30 p.m. The distance from institute to Max Hospital in Gurgaon is 68 kms. and it is impossible to travel this distance in 1½ hours in peak evening traffic. This raises doubts about his being a full time faculty. His claim that he can travel this distance in 1 hr. 20 minutes does not seem to be true looking into traffic conditions in evening. This observation was made last year also and the position remains the same.
2. Chronic Psychiatry care was not available.
3. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of MD (Psychiatry) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2018-19.
