Read: the minutes of the Postgraduate Monitoring Sub-Committee meeting held on 08/05/2017.

The Postgraduate Medical Education Committee considered the minutes of the Postgraduate Monitoring Sub-Committee meeting held on 08/05/2017 and decision item wise as under:-

1. Admission of PG students at Madras Medical College, Chennai for the Academic Year 2015-16 – Regarding

The Monitoring Sub-Committee noted that there is vast difference in the sanctioned intake capacity as shown on the agenda note and as claimed by the college authority. The committee also perused the response dated 04.09.2015 of the college authority where in it is stated that these courses are being conducted with the same annual intake from the 1980. It is also stated that these courses were started with affiliation with University of Madras which was subsequently transferred to Tamil Nadu Dr. MGR Medical University when it came in to existence in 1988. The college has also requested that these courses have been conducted in Madras Medical College which is an Institution of 180 years from more than three or four decades and regularize their recognition. The institute has also expressed it's willingness to procedurally go through any process. In view of the above, the Sub- Committee recommends that

- a) PG section to place on record the documents by which the intake capacity as shown on MCI's Website / agenda note has been determined.
- b) Meanwhile, the admission made by the Madras Medical College be accepted.
- c) As clause 6 of the Postgraduate Medical Education regulation provide for renewal of recognition, therefore the process as laid down be followed by the college and thereafter the intake capacity be fixed. The Monitoring Sub-Committee recalled that in similarly situated cases such as Rajendra Institute of Medical Sciences, Ranchi the PG Committee had on 30.03.2016 approved the procedure for renewal of recognition for such cases.

Regarding the three students namely Dr. Varindar Pal Singh Thakur, Dr. Kannan. A & Dr. Yazhini. M wherein, percentage is less than 50% in respect of first candidate while for second and third no marks have been provided even after 04 reminders, hence the Institute be asked to furnish reply in this regard within one week failing which the candidate under reference should be discharged.

(a), (b), (c) approved.

Regarding the three students namely Dr. Varindar Pal Singh Thakur, Dr. Kannan. A & Dr. Yazhini. M wherein, percentage is less than 50% in respect of first candidate while for second and third no marks have been provided even after 04 reminders, Discharge Notice be issued as enough opportunities have been provided to the Institute to submit the requisite information. Institute be directed to submit compliance within 2 weeks. Copy of Discharge Notice be also sent to Secretary (ME), DME, affiliating University, State Medical Council & representative of the State on MCI.

2. Admission of Postgraduate (Super-Specialties) students at Medical College, Thiruvananthapuram for the Academic Year 2015-16 – Regarding.

The Monitoring Sub-Committee noted the explanation furnished by the college authority vide letter dated 29.12.2016 in respect of M.Ch – Plastic and reconstruct Surgery. The committee also noted that the said course as per MCI's website record is recognized. Hence the sanctioned intake capacity cannot be "0" zero in respect of this course. Thus the explanation offered by the college that it has the

sanctioned intake capacity in two seats for this course be accepted. In view of the above, the Sub- Committee recommends that

a) PG section to place on record the documents by which the intake capacity as shown on MCI's Website / agenda note has been determined.

b) Meanwhile, the admission made by the Medical College, Thiruvananthapuram be accepted.

c) As clause 6 of the Postgraduate Medical Education regulation provide for renewal of recognition, therefore the process as laid down be followed by the college and thereafter the intake capacity be fixed. The Monitoring Sub-Committee recalled that in similarly situated cases such as Rajendra Institute of Medical Sciences, Ranchi the PG Committee had on 30.03.2016 approved the procedure for renewal of recognition for such cases.

Approved.

3. **Admission of PG students (Broad-speciality) at Patna Medical College, Patna for the Academic Year 2016-17 – Regarding.**

On perusal of letter dated 09.01.2017, 27.01.2017 & 18.03.2017 the MSC noted that the renewal of recognition process has already been initiated by the college. Therefore the admission made by the college be accepted and the process of renewal of recognition be timely completed to fix the intake for all these courses.

Approved.

4. **Admission of Postgraduate Super-specialties students at Narayana Medical College, Nellore for the Academic Year 2015-16 – Regarding**

Monitoring Sub-committee has found explanation of the college in order.

Approved.

5. **Admission of PG students (Super-speciality) at Vydehi Institute of Medical Sciences & Research Centre, Bangalore Year2015-16– Regarding.**

Monitoring Sub-committee has found explanation of the college in order.

Approved.

6. **Admission of PG students at PSG Institute of Medical Sciences, Coimbatore for the Academic Year 2015-16 – Regarding.**

The Monitoring Sub-Committee noted its observation in the meeting held on 2.11.2015 regarding seeking clarification from State Govt. regarding seat sharing. The Committee recalled that in its meeting held on 24/3/2017 the Committee had accepted the opinion of Council Advocate that the provision relating to seat sharing in PGMER between non-Governmental Institute and State Govt. cannot be enforced until the Hon'ble Supreme Court decides the SLP filed by the Council in St. Johns Medical College matter. The Committee also recalled that the General body of the Council in its meeting held on 28.3.2017 has approved the amendment to Regulation 9 of PGMER whereby the provisions providing for seat sharing has been omitted. Therefore, it would be appropriate to accept the explanation furnished by the college authority vide their letter dated 05.09.2015.

Approved.

7. **Admission of PG students at Thanjavur Medical College, Thanjavur for the Academic Year 2015-16 – Regarding.**

The Monitoring Sub-Committee noted that the Institution is not responding 27.08.2015 and 04.04.2016 regarding the three excess admissions in MS – General Surgery. The erstwhile Broad of Governor vide their decision dated 21.09.2013 decided to recommend to the MOHFW to reduce intake of recognize MS-Surgery seats from 14 to 11. The committee called for the file for admission made in 2016-17 and it was observed that the college has admitted only 08 students in MS –(General Surgery) course. From the available records it is not clear as to why the college has reduced the admission from its claim of 14 seats to 08 seats in 2016-17. A communication may be made to the college seeking explanation from the college from 2014 onwards, with copy endorsed to State Govt., DME and affiliating University.

Approved.

8. **Admission of Postgraduate Super-specialties students at Meenakshi Medical College and Research Institute, Enathur for the Academic Year 2015-16 – Regarding.**

Monitoring Committee has observed that no further action is required to be taken as no candidate is admitted in the said course in 2015-2016.

Approved.

9. **Admission of PG Super-specialties students at Coimbatore Medical College, Coimbatore for the Academic Year 2015-16 – Regarding.**

Monitoring Sub-committee has observed that The State Govt. should also be informed that in accordance with judgment of the Hon'ble Supreme Court in Preeti Srivastava's case reservation in Super Specialty courses is not permissible. Accordingly the State Govt. be directed to ensure that its rules are in conformity with the judgments of Hon'ble Supreme Court and with the MCI regulation.

Approved.

4. Admission of PG students at BRD Medical College, Gorakhpur for the Academic Year 2014-15 – regarding.

Read: the matter with regard to admission of PG students at BRD Medical College, Gorakhpur for the academic year 2014-15 along with the opinion of the Law Officer.

The Postgraduate Medical Education Committee considered the matter with regard to admission of PG students at BRD Medical College, Gorakhpur for the academic year 2014-15 along with the opinion of the Law Officer.

Matter pertains to admissions in PG courses in 2014 in excess as per MCI website. Institute has stated that admissions are done by the Admissions Authority after seats were increased by U.P. Govt. in 2007. In this regard, legal opinion is taken. The operative part of the opinion is to follow the procedure adopted by MCI in case of such admissions in M.P.

The Postgraduate Medical Education Committee perused the entire issue alongwith the legal opinion of the Law Officer and noted that:

There are a number of very old medical colleges in the country who are admitting students in P.G. Diploma / Degree courses but the number of students they are admitting does not tally with the number shown in MCI records/website. However, they have been making these admissions since long (before section 10A of the Indian Medical Council Act came into existence). There has been objections in their recognition as well as pointing out by Monitoring Cell that excess admissions has been made by the Institutes. Similar matters was discussed in a meeting in the Ministry of Health held on 10.04.2013 and it was decided that in the interest of large number of students who have passed out from these colleges, the MCI should arrange fresh assessment of these colleges (under the provision continuation of recognition) and fix up the number of seats (depending upon the available faculty and infrastructure) in each course for future admissions. However, this process (although started) have not been completed by now.

The P.G. Committee decided that Dr. Arti Sharma, Deputy Secretary, PG Section should monitor this process (including identification of colleges/courses, arranging their assessment (even without examination since they are very old government medical colleges and their examinations already stand inspected) including BRD Medical College, Gorakhpur and bringing the reports before P.G. Committee for fixing the number of seats in each course at the earliest for future admissions).

It will be binding on the colleges to follow the number of seats fixed in each course in future. If they make any admissions in excess of that, they will be illegal and not according to regulations.

5. Admission of PG students (Broad Speciality) at Government Medical College, Chandigarh for the Academic Year 2016-17 – Regarding.

Read: the matter with regard to admission of PG students (Broad Speciality) at Government Medical College, Chandigarh for the academic year 2016-17 along with the order dated 08/07/2016 passed by the Hon'ble Punjab & Haryana High Court at Chandigarh in LPA No. 1074 and 1075.

The Postgraduate Medical Education Committee considered the matter with regard to admission of PG students (Broad Speciality) at Government Medical College, Chandigarh for the academic year 2016-17 along with the order dated 08/07/2016 passed by the Hon'ble Punjab & Haryana High Court at Chandigarh in LPA No. 1074 and 1075 and noted that the matter pertains to admission of PG students after cut-off date which as per Institute is in pursuant to orders of Hon'ble High Court from time to time.

The Postgraduate Medical Education Committee after detailed deliberation in the matter decided that legal opinion be obtained from the Council Advocate and after receiving the legal opinion, the matter be placed before the PG Committee.

6. Increase of seats in MD (Radio-Diagnosis) course at Padmashree Dr. D Y Patil Medical College, Pimpri, Pune, Maharashtra under Dr. D Y Patil University (Deemed), Pimpri, Pune U/s 10(A) of the IMC Act, 1956 for the academic year 2018-19.

Read: the Council Assessor's Report (14th June 2017) for Increase of seats in MD (Radio-Diagnosis) course at Padmashree Dr. D Y Patil Medical College, Pimpri, Pune, Maharashtra under Dr. D Y Patil University (Deemed), Pimpri, Pune U/s 10(A) of the IMC Act, 1956 for the academic year 2018-19.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (14th June 2017) and noted the following:

1. Interventional Radiological procedures like DSA, CT guided FNAC, USG guided FNAC are minimal.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (19th June 2017) and noted the following:

1. Dr. P.A. Kamble is shown as "Asso. Prof." in the column of "Designation" in the faculty table; however in the column of "Experience", the typescript "Associate Professor" is struck off by hand and it is shown as "Assistant Professor" w.e.f. 20/03/2017 till date. No explanation is given for this dichotomy.
2. Shortage of Senior Resident: 1.
3. Dr. S. Soni is shown as "Senior Resident" in the column of "Designation"; however in the column of "Experience", his 3rd year Residency is shown w.e.f. 08/08/2016 till date implying he has only 2 y experience as Resident against requirement of 3 y; hence not qualified to hold the post.
4. Institute is permitted for 200 UG intake for which 900 beds are required; however in the column of "Total required beds" in § 6 of Summary, only 824 beds are shown' resultantly, there is deficit of 76 teaching beds.
5. There were only 12 Major Operations on day of assessment.
6. Although 12 Major Operations were claimed to have been performed on day of assessment, at time of taking round, NIL post-operative bed was occupied.
7. Average Occupancy of ICU/RICU is 50 %.
8. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Increase of seats in MD (Anaesthesiology) course at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha, Maharashtra under Datta Meghe Instt. of Medical Sciences (Deemed University), Nagpur u/s 10A of the IMC Act, 1956 for the academic year 2018-19.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (19th June 2017) and noted the following:

1. Dr. Sunil Nikose is promoted as Professor after cut-off date; however, in the column of "Benefit of publications" in the faculty table, it is stated "No" implying NIL publications against requirement of 4; resultantly his promotion is not as per Regulations & he cannot be considered.
2. Dr. U. Dudharkar is promoted as Asso. Prof. after cut-off date; however the column of "Benefit of publications" in the faculty table is left blank implying NIL publications against requirement of 2; resultantly his promotion is not as per Regulations & he cannot be considered.
3. Promotion of Dr. Gajanan Pisulkar, Assoc.Prof., is not as per regulations. As per his Declaration Form he was promoted on 16.02.2015 and both his publications are after his promotion. However, in the faculty table he has promoted on 01.03.2017. This is not correct.
4. Dr. G.G. Singh, Sr. Resident, is not eligible. He has only 2 year 2 months experience as Jr. Resident when appointed as Sr. Resident. There is no other Sr. Resident in Unit-III.
5. Total number of patients admitted (IPD) last year 4538. Total number of major operations + minor operations (excluding daycare operations) was 7264. This is not feasible and the data is non-genuine.
6. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Increase of seats in MS (Orthopaedics) course at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha, Maharashtra under Datta Meghe Instt. of Medical Sciences (Deemed University), Nagpur u/s 10A of the IMC Act, 1956 for the academic year 2018-19.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (19th June 2017) and noted the following:

1. Deficiency of faculty: (a) Asst. Prof.: 3.
2. Units IV, VI have only 2 faculty each; hence they cannot be considered as PG Units.
3. Promotion of Dr. Sunil Kumar, Professor & HOD, is not as per regulations. He was promoted on 08.06.2014; after the cut off date. All his publication except one are after his promotion which cannot be considered.
4. Dr. S.D. Zanwar is promoted as Professor after cut-off date; however, in the column of "Benefit of publications" in the faculty table, it is stated "No" implying NIL publications against requirement of 4; resultantly his promotion is not as per Regulations & he cannot be considered.
5. Dr. Anuj Verma is shown as "Assistant Professor" in the column of "Designation"; however in the column of "Experience", it is shown as "Associate Professor" w.e.f. 01/06/2017 till date; further although his date of promotion as Assoc. Prof. is after cut-off date, in the column of "Benefit of publications" in the faculty table, it is stated "No" implying there are NIL publications against requirement of 2. No explanation is given for this dichotomy.
6. Promotion of Dr. Sachin Agrawal, Assoc.Prof., is not as per regulations. He was promoted on 01.09.2015; after the cut off date. He has only one publication against the required 2.
7. Shortage of Senior Residents: 3. No Sr. Resident in Unit-II, IV & V.
8. Dr. Sandip Mohale & Dr. Ayub Pathan, both Sr. Resident are DNB from non-teaching hospital. They have no 3 years experience in a medical college/teaching hospital, when appointed as Sr. Resident. Hence, not eligible.
9. Bed Occupancy at 10 a.m. on day of assessment is 63 %.
10. Specialty clinics like Endocrine clinic, Haematology clinic, Neurology clinic are not run by the department.
11. Bronchoscopy is not done in the department.

12. Equipment like Holter, Bronchoscope are not available in the department.
13. MRI workload for the whole hospital on day of assessment is only 04.
14. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Increase of seats in MD (General Medicine) course at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha, Maharashtra under Datta Meghe Instt. of Medical Sciences (Deemed University), Nagpur u/s 10A of the IMC Act, 1956 for the academic year 2018-19.

34. Increase of seats in MD (Paediatrics) course at Jubilee Mission Medical College & Research Institute, Thrissur, Kerala under Kerala University of Health Sciences, Thrissur U/s 10(A) of the IMC Act, 1956 for the academic year 2018-19.

Read: the Council Assessor's Report (16th June 2017) for Increase of seats in MD (Paediatrics) course at Jubilee Mission Medical College & Research Institute, Thrissur, Kerala under Kerala University of Health Sciences, Thrissur U/s 10(A) of the IMC Act, 1956 for the academic year 2018-19.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (16th June 2017) and noted the following:

1. Dr. Gibi George, Senior Resident, does not have 3 years experience as Resident in a teaching hospital before appointment as Senior Resident; hence not qualified to hold the post.
2. Faculty table not signed by any faculty members.
3. The patient load in the hospital needs to come up and improve. The case variety too needs improvement. The hospital is loaded with Dengue cases and these are not exam oriented training for the PG students.
4. The clinics in the hospital need to improve manifold. There are specialties without any faculty heading them for e g the Cardiology and Gastro clinics. The department needs its own endoscopes viz the bronchoscope and the gastro colonoscopies. The PFT monitoring of patients needs to be done at the departmental level without much dependence on the adult medical branches.
5. The MRD department needs to improve as well. It needs to be well transformed into a completely computerized deptt. As suggested the ICD 10 coding is being done very shoddily. This definitely needs improvement.
6. Date of first LOP to starting the MBBS course has not been provided.
7. Dialysis is not available in the department.
8. Thalassaemia Day Care Center is not available.
9. Details of books purchased for Departmental Library in last 3 years are not provided.
10. The data of clinical materials of the entire hospital and 3 random days at page 6, table 6 left blank.
11. Table 8 on page 8, given the data of operations and deliveries in Paediatrics department. This is not feasible. Obviously the data is non-genuine. (All these indicate that the SAF is filled in most casual manner).
12. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Increase of seats in MD (Paediatrics) course at Jubilee Mission Medical College & Research Institute, Thrissur, Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2018-19.

35. Increase of seats in MD (General Medicine) course at Jubilee Mission Medical College & Research Institute, Thrissur, Kerala under Kerala University of Health Sciences, Thrissur U/s 10(A) of the IMC Act, 1956 for the academic year 2018-19.

24. **Admission of PG students (Broad-Specialty) at Nanak Dev University, Amritsar for the Academic Year 2016-17 – Regarding.**

Attention of college authorities be invited towards the observations of PG Committee (meeting dated 26.06.2015) reproduced below:

"The Postgraduate Medical Education Committee considered the Council Assessor's Report (October, 2014) and compliance dated 31/03/2015 submitted by the college authorities and decided to recommend not to recognize MD(Sports Medicine) qualification for 01 seat granted by Guru Nanak Dev University in respect of students being trained at Guru Nanak Dev University, Amritsar because of the following facts:-

1. Designated Professor Dr. J.S. Sindhu is away on deputation to Govt. of India; resultantly the department is headed by Dr. Shweta Shenoy, Asso. Prof., which is not as per the Regulations.
2. There are no Senior Residents.
3. Both Asso. Prof. are non-medical teachers having Ph.D. qualification; resultantly there is no medical teacher in the department.
4. One of the hospital with, which attachment is claimed is Fortis Escorts Hospital, Amritsar, which is a non-teaching hospital.
5. All 3 External Examiners were from the same state, which is not as per Regulations and cannot be accepted.
6. Other deficiencies as pointed out in the Assessment Report.

The department does not fulfill any of requirements.

In view of the above, the Postgraduate Medical Education Committee is of the considered opinion that the failure on the part of your Institution to timely rectify the deficiencies show that the standard of Postgraduate Medical Education is not maintained in your Institute and therefore decided to recommend to the Central Government to stop admissions in MD (Sports Medicine) course with immediate effect."

The institute neither has a hospital nor any eligible faculty. They were advised to give compliance to the deficiencies within 2 weeks otherwise admissions done if any will be illegal and not according to regulations and they were asked to stop admissions. The institute never submitted any compliance on rectification of the deficiencies pointed out. If they have still made any admissions, they are illegal and not according to regulations and amounts to playing with the career of students.

The Committee further decided that discharge notice be issued by the Monitoring Cell, if they have admitted any student after 26.6.2015 directing the Institute to submit compliance within 2 weeks. Copy of the Discharge Notice be sent to Secretary (ME), DME, affiliating University, State Medical Council & representative of the State on MCI. Further, Dean be asked to appear before the PG Committee with the clarification in this regard.

50. Recognition of the courses being offered by College of Physicians and Surgeon, Mumbai – reg.

Read: the letter dated 12/06/2017 received from the Under Secretary to the Government of India, Ministry of Health & Family Welfare, New Delhi forwarding therewith the minutes of the discussion of the meeting held on 12/04/2017 under the Chairmanship of the Secretary (HFW) with regard to recognition of the courses of College of Physicians and Surgeons, Mumbai.

The Postgraduate Medical Education Committee considered the letter dated 12/06/2017 received from the Under Secretary to the Govt. of India, Ministry of Health & Family Welfare, New Delhi forwarding therewith the minutes of the discussion of the meeting held on 12/04/2017 under the Chairmanship of the Secretary (HFW) with regard to recognition of the courses of College of Physicians and Surgeons, Mumbai.

The Postgraduate Medical Education Committee noted that since the college has already been de-recognized vide notification dated 02.12.2009 issued by the Central Government and there are several court cases pending in this regard, the Committee decided that a legal opinion be obtained from the Council Advocate and the office is directed to place the matter before the PG Committee after receiving the legal opinion.

51. Examination of the subject – All India Institute of Hygiene & Public Health, Kolkata – excess payment of stipend (para 8.3) based on the C&AG Report No. 11 of 2016 – reg.

Read: the matter with regard to examination of the subject at All India Institute of Hygiene & Public Health, Kolkata on excess payment of stipend (para 8.3) based on the C&AG Report No. 11 of 2016 along with the letter dated 20/06/2017 received from the Director (Training), Ministry of Health & Family Welfare, New Delhi.

The Postgraduate Medical Education Committee considered the matter with regard to examination of the subject at All India Institute of Hygiene & Public Health, Kolkata on excess payment of stipend (para 8.3) based on the C&AG Report No. 11 of 2016 along with the letter dated 20/06/2017 received from the Director (Training), Ministry of Health & Family Welfare, New Delhi and noted that the matter regarding recognition of these Diplomas (Diploma in Industrial Health and Diploma in Maternity and Child Welfare) have been brought before the Postgraduate Committee a number of times. It was observed that the Institute neither follows the TEQ Regulations in appointment of faculty nor observes teacher student ratio. This is evident from the reply dated 01.01.2015 received from the Dean of Institute that 13 out of 36 faculty members are non medical and they are admitting 164 students per year against total of 19 faculty members. The matter was also referred to a subcommittee which opined that alternative diplomas included in the schedule of courses are available and the institute should apply for them following the procedure prescribed in Section 10A of the Indian Medical Council Act. The Postgraduate Committee is of the considered opinion that these diplomas should not be re-included in the schedule of recognized courses. However, this is a Central Government institution and PG Committee has already referred the matter to Central Government vide letter No.PG/55(22)/2015-Med./137093, dated 23.09.2015 for final decision in the matter.
